RE: BOS File No. 160962 [Police Code - Limited Live Performance Permits - Union Street Neighborhood Commercial District]

Small Business Commission Recommendation to the Board of Supervisors: **Approval**

Dear Ms. Calvillo,

On September 26, 2016, the Small Business Commission voted unanimously (7-0) to recommend that the Board of Supervisors approve BOS File No. 160962.

The Limited Live Performance (LLP) permit was developed as a result of collaboration among the Office of Small Business, Planning Department, and Entertainment Commission. In contrast to the standard entertainment permit, which costs significantly more, the LLP permit is for businesses such as cafes and restaurants, in which live entertainment is a secondary use. The Small Business Commission is proud that the LLP permit has been successful and commends the Entertainment Commission for its management of the program. Furthermore, it is pleased to see that the Union Street Neighborhood Commercial District now seeks to join other areas of the City that allow an extension of performances to 11 p.m. for responsible permit-holders.

Thank you for considering the Commission's comments. Please feel free to contact me should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Regina Dick-Endrizzi'.
