1	[Airport Food and Beverage Minimum Annual Guarantee and Pre-Security Percentage Rent Reduction Program]
2	reduction regiant
3	Resolution approving the Food and Beverage Minimum Annual Guarantee and Pre-
4	Security Rent Reduction Program for Food & Beverage Concession Tenants allowing
5	the San Francisco International Airport to enter into lease amendments to lower the
6	minimum annual guarantees for 18 of 69 food & beverage leases, lower the
7	percentage rent structure for seven pre-security leases, and alter the annual
8	minimum annual guarantee adjustment methodology for all food and beverage
9	leases.
10	
11	WHEREAS, There are 69 food and beverage lease (F&B Leases) at the San Francisco
12	International Airport (Airport), and base rent (Base Rent) on an annual basis is the greater of a
13	tiered percentage of gross sales (Percentage Rent) or a Minimum Annual Guarantee (MAG),
14	with the exception of the Sky Terrace Employee Café which has a tiered Percentage Rent
15	only; and
16	WHEREAS, 18 of 69 F&B Leases feature MAGs that are substantially higher than what
17	is considered market rent; and
18	WHEREAS, The F&B Leases covering pre-security locations feature MAGs and
19	Percentage Rent which are higher than what is considered market rent; and
20	WHEREAS, The MAG is adjusted annually based on a Consumer Price Index (CPI)
21	resulting in a continual increase in rent which is outpacing consumer spending growth; and
22	WHEREAS, It is in the best interest of the Airport to preserve these business deals,
23	maintain high quality food and beverage offerings for the traveling public, and support local
24	employment by taking measures to ensure the leases are financially viable; and

25

1	WHEREAS, To address these issues, Staff proposed to the Airport Commission
2	(Commission) enacting the Food and Beverage Minimum Annual Guarantee and Pre-Security
3	Rent Reduction Program to normalize the MAG and Percentage Rent payments due under
4	these F&B Leases (Program); and
5	WHEREAS, The Program consists of: 1) establishing MAG for qualifying post-security
6	F&B Lease locations for calendar year 2026 as the lesser of existing MAG or 12% of gross
7	revenues for calendar year 2024, 2) establishing MAG for qualifying pre-security F&B Lease
8	locations for calendar year 2026 as the lesser of existing MAG or 6% of gross revenues for
9	calendar year 2024, 3) establishing Percentage Rent for qualifying pre-security F&B Lease
10	locations at 6% effective January 1, 2026, and 4) beginning in 2026, change the method for
11	adjusting MAG for all F&B Leases from using a specified CPI to the more common practice in
12	the industry of MAG being adjusted each new Lease Year to be the greater of existing MAG
13	or 85% of the prior year's Base Rent; and
14	WHEREAS, In order to qualify for a MAG reduction under the Program, 2024 MAG for
15	a post-security F&B Lease location must be in excess of 12% of gross revenues, or 2024
16	MAG for a pre-security F&B Lease location must be in excess of 6% of gross revenues, with
17	all pre-security F&B Lease locations being eligible for the Percentage Rent reduction with the
18	exception of the Sky Terrace Employee Café; and
19	WHEREAS, On August 19, 2025, by Resolution No. 25-0130, the Airport Commission
20	approved the Food and Beverage Minimum Annual Guarantee and Pre-Security Percentage
21	Rent Reduction Program; now, therefore, be it
22	RESOLVED, That this Board of Supervisors approves the Food and Beverage
23	Minimum Annual Guarantee Reduction and Pre-Security Percentage Rent Reduction Program
24	by the execution of appropriate amendments to each of the Food & Beverage leases listed on
25	Attachment A attached to the Airport Director's memorandum which accompanies this

1	Resolution, which is included in Board of Supervisors in File No; and, be it	
2	FURTHER RESOLVED, That within thirty (30) days of the amendments being fully	
3	executed by all parties, the Commission shall provide the final amendments to the Clerk of the	he
4	Board for inclusion into the official file.
