City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. Absent an authorized emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, "Modification of this Agreement."

3.2 **Authorization to Commence Work.** Contractor shall not commence any work under this Agreement until City has issued formal written authorization to proceed, such as a purchase order, task order or notice to proceed. Such authorization may be for a partial or full scope of services.

The amount of this Agreement shall not exceed \$15,000,000 (Fifteen Million Dollars), the breakdown of which appears in Appendix B, “Calculation of Charges.” City shall not be liable for interest or late charges for any late payments. 3.3.3 Withhold Payments. If Contractor fails to provide the Services in accordance with Contractor’s obligations under this Agreement, City may withhold any and all payments due to Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City’s withholding of payments as provided herein.

Contractor shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.5 **Submitting False Claims.** The full text of San Francisco Administrative Code Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Any contractor or subcontractor who submits a false claim shall be liable to City for the statutory penalties set forth in that section.

3.6 **Payment of Prevailing Wages.**

3.6.1 **Covered Services.** Services to be performed by Contractor under this Agreement will involve the performance of work covered by Articles 101 through 107 of the San Francisco Labor and Employment Code, as applicable, including without limitation the California Labor Code provisions incorporated therein (collectively, "Covered Services"), all of which is incorporated into this Agreement as if fully set forth herein and will apply to any Covered Services performed by Contractor and its subcontractors.

Copies of the Prevailing Rate of Wages as fixed and determined in accordance with Labor and Employment Code Section 103.2 are available from the City's Office of Labor Standards and Enforcement ("OLSE") and are on file at the Department's principal office or at the job site and shall be made available to any interested party on request.

Services under the subcontract not less than the highest general prevailing rate of wages as determined by the Board of Supervisors for such labor and services.

3.6.4 Job Site Notices and Records. Contractor shall prominently post at each job site a sign informing employees that the work is subject to the City's Prevailing Wage requirements and that these requirements are enforced by OLSE. 3.6.5 Payroll Records. Contractor shall keep or cause to be kept, for a period of four years from the date of completion of the subject work, complete and accurate payroll records for all workers performing Covered Services, including without limitations time cards, trust fund reports, apprenticeship agreements, accounting ledgers, tax forms, proof of payment, and superintendent and foreperson daily logs for all trades workers performing work. Such records shall include the name, address and social security number of each worker who provided Covered Services, including apprentices, their classification, a general description of the Services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every subcontractor who shall perform any part of Covered Services shall keep a like record of each person engaged in the execution of Covered Services under the subcontract. All such records shall at all times be available for inspection of and examination by City and its authorized representatives.

Contractor and applicable subcontractors shall comply with electronic certified payroll requirements (including training) at no additional cost to City.

3.6.7 Compliance Monitoring. Covered Services performed under this Agreement are subject to compliance monitoring and enforcement of prevailing wage requirements by OLSE. Contractor and any subcontractors performing Covered Services will cooperate fully with OLSE and other City employees and agents authorized to assist in the administration and enforcement of the prevailing wage requirements. Contractor agrees that (i) OLSE shall have the right to engage in random inspections of job sites and have access to the employees of the Contractor, employee time sheets, inspection logs, payroll records and employee paychecks, and (ii) OLSE may audit such records of Contractor and any subcontractors as it reasonably deems necessary. Failure to comply with these requirements may result in penalties and forfeitures pursuant to the California Labor Code, including Section 1776(h), as amended from time to time, and San Francisco Labor and Employment Code Article 101 through 107, as applicable.

3.6.8 **Remedies.** Should Contractor, or any subcontractor performing Covered Services, fail or neglect to pay to the persons who perform Covered Services under this Agreement or subcontract for the Covered Services, the general prevailing rate of wages as herein specified, Contractor shall forfeit, and in the case of any subcontractor so failing or neglecting to pay said wage, Contractor and the subcontractor shall jointly and severally forfeit, back wages due plus the penalties set forth in the San Francisco Labor and Employment Code and/or California Labor Code Section 1775. City, when certifying any payment which may become due under the terms of this Agreement, shall deduct from the amount that would otherwise be due on such payment the amount of said forfeiture.

Article 4 Services and Resources

4.1 **Services Contractor Agrees to Perform.** Contractor agrees to perform the Services stated in **Appendix A, “Scope of Services.”** Officers and employees of City are not authorized to request, and City is not required to compensate for Services beyond those stated.

4.2 **Qualified Personnel.** Contractor represents and warrants that it is qualified to perform the Services for which it is contracted to provide through this Agreement, and that all Services will be performed by competent personnel with the degree of skill and care required by current and sound professional procedures and practices. Contractor will comply with City’s reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City’s request, must be supervised by Contractor. Contractor shall commit sufficient resources for timely completion within the project schedule.

4.3 **Subcontracting.** Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All subcontracts must incorporate the terms of Article 10 “Additional Requirements Incorporated by Reference” of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void. City’s execution of this Agreement constitutes its approval of the subcontractors listed below in Appendix B-1, Fee Schedule. Consistent with SFPUC policy, any modifications to the list of subcontractors must be effectuated via City’s approved invoice processing system, subject to the written approval of the City, and CMD, as needed.

4.4 Independent Contractor; Payment of Employment Taxes and Other Expenses.

4.4.1 **Independent Contractor.** For the purposes of this Section 4.4, “Contractor” shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor is an independent contractor and is wholly responsible for the manner and means by which

it performs the Services and work required under this Agreement. Contractor, including its agents and employees, will not represent or hold itself/themselves out to be employees of City at any time. Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor is liable for its acts and omissions. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing Services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor, or any of its agents or employees. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with Section 4.4. Should City determine that Contractor is not performing in accordance with the requirements of Section 4.4, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past Services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from Section 4.4.

4.5 Assignment. The Services to be performed by Contractor are personal in character. This Agreement may not be directly or indirectly assigned, novated, or otherwise transferred unless first approved by City by written instrument executed and approved in the

Contractor will make every good faith effort in attempting to deliver Services using all modes of transportation available. In addition, the Contractor shall charge fair and competitive prices for Services ordered during an emergency and not covered under the awarded Agreement.

(b) The Commercial Automobile Liability Insurance policy shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.5 **Other Insurance Requirements.**

(e) Before commencing any Services, Contractor shall furnish to City certificates of insurance including additional insured and waiver of subrogation status, as required, with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

(f) If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco and its officers, agents, and employees, and the Contractor as additional insureds and waive subrogation in favor of City, where required.

5.2 **Indemnification.**

5.2.1 Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against, any and all liabilities (legal, contractual, or otherwise), losses, damages, costs, expenses, or claims for injury or damages (collectively, "Claims"), arising from or in any way connected with Contractor's performance of the Agreement, including but not limited to, any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personal identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; except to the extent such indemnity is void or otherwise unenforceable under applicable law, and except where such Claims are the result of the active negligence or willful misconduct of City and are not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on, Contractor, its subcontractors, or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants, experts, and related costs, and City's costs of investigating any claims against City.

5.2.2 In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such Claim is tendered to Contractor by City and continues at all times thereafter.

5.2.3 Contractor shall indemnify, defend, and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

5.2.4 Under no circumstances will City indemnify, defend, or hold harmless Contractor.

Article 6 Liability of the Parties

Contractor agrees to promptly provide information requested by City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 **Possessory Interest Taxes.** Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to timely report on behalf of City to

the County Assessor the information required by San Francisco Administrative Code Section 23.39, as amended from time to time, and any successor provision. Contractor further agrees to provide such other information as may be requested by City to enable City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 **Withholding.** Contractor agrees that it is obligated to pay all amounts due to City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience.

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination (“Notice of Termination”). The Notice of Termination shall specify the date on which termination of the Agreement shall become effective (“Termination Date”).

8.1.2 Upon receipt of the Notice of Termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to affect the termination of this Agreement on the Termination Date and to minimize the liability of Contractor and City to third parties as a result of the termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

- (a) Completing performance of any Services that City requires Contractor to complete prior to the Termination Date.

- (d) At City’s direction, assigning to City any or all of Contractor’s right, title, and interest under the orders and subcontracts cancelled. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the cancellation of such orders and subcontracts.

(e) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the cancelled orders and subcontracts.

(f) Taking such action as may be necessary, or as City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the Termination Date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services provided prior to the Termination Date, for which City has not already made payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling and returning material or equipment delivered to City or otherwise disposed of as directed by City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of such materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the Termination Date, except for those costs specifically listed in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced

amount and City’s estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 **Payment Obligation.** City’s payment obligation under Section 8.1, “Termination for Convenience,” shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default (“Event of Default”) under this Agreement:

If Contractor defaults a second time in the same manner as a prior default cured by Contractor, in addition to all other remedies available to City, City may in its sole discretion immediately terminate the Agreement for default or grant an additional period not to exceed five days for Contractor to cure the default.

(c) Contractor (i) is generally not paying its debts as they become due; (ii) files, or consents by answer or otherwise to the filing against it of a petition for relief or reorganization or arrangement or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy, insolvency or other debtors’ relief law of any jurisdiction; (iii) makes an assignment for the benefit of its creditors; (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Contractor, or of any substantial part of Contractor’s property; or (v) takes action for the purpose of any of the foregoing.

In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default. Contractor shall pay to City on demand all costs and expenses incurred by City arising from the Event of Default and/or in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall also have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with City.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent in accordance with Article 11.

8.3 Non-Waiver of Rights. The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

13.3 Reserved. (Business Associate Agreement)

13.4 Management of City Data.

13.4.1 Use of City Data. Contractor agrees to hold City Data received from, or created or collected on behalf of, City, in strictest confidence. Contractor shall not use or disclose City Data except as permitted or required by the Agreement or as otherwise authorized in writing by City. Any work by Contractor or its authorized subcontractors using, or sharing or storage of, City Data outside the United States is prohibited, absent prior written authorization by City. Access to City Data must be strictly controlled and limited to Contractor’s staff assigned to this project on a need-to-know basis only. City Data shall not be distributed, repurposed or shared across other applications, environments, or business units of Contractor. Contractor is provided a limited non-exclusive license to use City Data solely for performing its obligations under the Agreement and not for Contractor’s own purposes or later use, provided, however, that no City Data may be used by Contractor to train, modify or improve any Artificial Intelligence Systems or Models without City’s prior written consent, which may be withheld or withdrawn at City’s sole discretion. Nothing herein shall be construed to confer any license or right to City Data, by implication, estoppel or otherwise, under copyright or other intellectual property rights, to any third-party.

Unauthorized use of City Data by Contractor, subcontractors or other third-parties is prohibited. For purpose of this requirement, the phrase “unauthorized use” means the data mining or processing of data and/or machine learning from the data, stored or transmitted by the service, for unrelated commercial purposes, advertising or advertising-related purposes, or for any purpose that is not explicitly authorized other than security or service delivery analysis.

Contractor is prohibited from using Generative Artificial Intelligence in the development of Deliverables without City’s prior written consent. Contractor represents and warrants to City that Deliverables will not be developed in a manner that conflicts with the City’s rights in and to the Deliverables under Article 9, “Rights in Deliverables,” or the City Data confidentiality and security requirements under Article 13, “Data and Security,” of this Agreement.

13.4.3 Disposition of City Data. Except as otherwise provided for in this Agreement, upon City’s request, termination or expiration of this Agreement, or the expiration of any required document retention period or litigation hold, Contractor shall promptly, but in no event later than thirty (30) calendar days, return all City Data given to, or collected or created by Contractor on City’s behalf, which includes all original media. Once Contractor has received written confirmation from City that the City Data has been successfully transferred to City, Contractor shall, within ten (10) business days, securely dispose, clear, purge, and/or physically destroy, all copies of all City Data from its servers, files, hosted environments used in performance of this Agreement (including subcontractors’ environments), work stations used to process or produce the data, and any other work files stored by Contractor in whatever medium. Contractor shall provide City with written certification that such secure disposal occurred within five (5) business days of the disposal. Secure disposal shall be accomplished by “clearing,” “purging” or “physical destruction,” in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88 or most current industry standard.

Contractor shall notify City of any actual or potential exposure or misappropriation of City Data (any “Leak”) within twenty-four (24) hours of the discovery of such, but within twelve (12) hours if the Data Leak involved PII or PHI. Contractor, at its own expense, will reasonably cooperate with City and law enforcement authorities to investigate any such Leak and to notify injured or potentially injured parties. Contractor shall pay for the provision to the affected individuals of twenty-four (24) months of free credit monitoring services, if the Leak involved information of a nature reasonably necessitating such credit monitoring. The remedies and obligations

set forth in this subsection are in addition to any other City may have. City shall conduct all media communications related to such Leak.

13.7 Cybersecurity Risk Assessment. If a Cybersecurity Risk Assessment (“CRA”) was required before entering the Agreement, Contractor must complete an annual CRA to demonstrate that it has maintained the data privacy and information security program required for City contractors. If Contractor does not satisfactorily complete an annual CRA, the City shall have the right, without further obligation or liability to Contractor, to terminate this Agreement or exercise any of its other remedies hereunder. Any failure by Contractor to comply with this Section shall be a material breach of this Agreement.

3. Social Impact Partnership

A. Terms and Conditions.

1. Contractor shall provide its Social Impact Partnership (SIP) Commitments during the term of the Agreement. The representations, warranties, and other terms contained in Contractor's SIP Proposal Response Form (SIP Proposal) will be the basis for a SIP Projection Plan and a SIP Annual Work Plan, but are for the sole benefit of the parties hereto and shall not be construed as conferring any rights on any other persons or entities. (Capitalized terms not defined herein are defined in SFPUC Social Impact Partnership Rules and Regulations and/or the Request for Proposals).
2. Providing SIP Commitments is a deliverable, zero-dollar task. Contractor may not allocate or include any hours or dollars in Contractor's costs for the services under the Agreement in order to perform or deliver the voluntarily

proposed SIP Commitments. Contractor shall fund the SIP Commitments independently and such funding shall neither be tied to, nor dependent upon, SFPUC funds or sources of funding, receivable from SFPUC, including retention associated with the Agreement. This requirement of independent funding includes direct financial contributions and any funding related to the performance or delivery of the SIP Commitments. The provision of SIP Commitments does not entitle Contractor to additional work beyond the services specified within the Agreement.

3. Contractor shall commence performance of the SIP Commitments promptly after issuance of the Notice of Contract Award (NCA) for the Agreement and SIP kick-off meeting. SIP Commitments performed as part of previous contracts or prior to Contractor being awarded the Agreement cannot count towards Contractor's SIP Commitments for the Agreement. If Contractor has established programs or plans that are consistent with the SIP Program Areas described in the Request for Proposals (RFP), Contractor may continue those programs as part of its SIP Commitments and will be given credit for activities that are performed following the issuance of the NCA by the SFPUC and after the approval of SIP Projection Plan and Annual Work Plan.
4. Contractor's progress on delivering SIP Commitments must keep pace with Contractor's progress and completion of the underlying contractual term. If the SFPUC's SIP Program team determines that Contractor's delivery of SIP Commitments is 10% or more behind the progress and completion of the underlying contractual term, the City, in its sole discretion, may deem Contractor in breach of the Agreement.
5. Depending on the phase of completion of Contractor's work under the Covered Contract, the City's progressive remedies for Contractor's breach may include, without limitation : (1) Requiring Contractor to submit a corrective action plan; (2) withholding progress payments equal to the amount of undelivered SIP commitments; (3) withholding progress payments from amounts due and owing under the Covered Contract up to 100% of the value of SIP Commitments; (4) assessing actual damages in the amount equal to the total value of undelivered SIP Commitments, plus liquidated damages equal to 10% of the total SIP Commitment value (5) temporarily revoking non-compliant Contractor's eligibility for SIP Commitment bonus points for future Covered Contracts. See SFPUC Social Impact Partnership Rules and Regulations (SIP Rules and Regulations) at Rule 5.
6. If Contractor fails to complete its SIP Commitments, the SFPUC may withhold the value of the uncompleted SIP Commitments and deduct said amount from the sum the SFPUC owes to Contractor for performance of its work. If the SFPUC imposes actual or liquidated damages as a remedy against Contractor for non-compliance, the Controller shall withhold the damages assessed until such time as either Contractor has conceded to or acquiesced in the assessment or, in the event of an appeal, there is a determination no longer subject to judicial review. The Controller shall then deposit the amount withheld into a special account which shall be created for the sole purpose of receiving such funds. The funds deposited into this account shall be

distributed by the Controller in accordance with the original SIP Commitments and by the process set forth in the SIP Rules and Regulations.

7. If Contractor fails to perform any of its SIP Commitments, in addition to the actual damages, the Contractor shall be liable for liquidated damages in an amount equal to 10% of the total value of unmet SIP Commitments.
8. When City amends a Covered Contract that will result in an increase to the Covered Contract amount, the SFPUC will require that the Contractor propose a proportional increase to its SIP Commitments for the Covered Contract. Such increase shall be proportional to the increase to the Covered Contract amount under the amendment. The Contractor must propose how it intends to allocate the proportional increase in its SIP Annual Work Plan. The SFPUC staff will discuss the foregoing revision to the SIP Annual Work Plan with the Contractor after the amendment is approved. Contractor shall be obligated to deliver the increased SIP Commitment(s) at no additional cost to the SFPUC
9. Without in any way limiting the City's other indemnity rights under this Agreement, Contractor shall save, keep, hold harmless, and fully indemnify the City and any of its officers or employees from all damages, costs, or expenses in law or equity, or claims for same, that may at any time arise from performance of SIP Commitments. Contractor shall bear sole responsibility and liability, if any, for any breach of the SIP Program provisions of its Covered Contract or San Francisco Administrative Code Chapter 21F.

However, Contractor may provide comments on a performance evaluation form if an evaluation is performed.
