

LEGISLATIVE DIGEST

[Administrative Code - Special Law Enforcement Services (“10B Officers”)]

Ordinance amending the Administrative Code to require event organizers seeking additional Police Department personnel (“10B officers”) and equipment for law enforcement purposes to include a request for approval of alcohol license application, if applicable, and a security plan with the request for those services; require the Department to respond to the request for services, and provide a staffing plan if the response is favorable, at least 90 days before the event if the request was received at least 125 days before the event; require the Chief of Police to reconsider denials and staffing plans if so requested; and require the Department after the event to provide to the event organizer and the Entertainment Commission a written report reviewing the use of 10B officers at the event and the costs of the event.

Existing Law

Local law authorizes the Police Department (“Department”) to detail 10B officers and equipment or materials to those requesting police services. Those requesting police services are required to pay the Department in advance the estimated cost for the services, unless waived by the Department. If the deposit exceeds the actual costs, the Department must refund the difference. If the costs are less than the deposit, the additional payment is due 10 days after the event.

Amendments to Current Law

This Ordinance would require those seeking 10B officers to include with their request a request approval of alcohol license application, if applicable, and a security plan. This Ordinance would require the Department to respond to the request for services, and provide a staffing plan if the response is favorable, at least 90 days before the event for requests received at least 125 days in advance, and require the Chief of Police to reconsider denials and staffing plans. This Ordinance would require the Department to provide to the event organizer and the Entertainment Commission a written report reviewing the use of 10B officers and the costs of the event, after the event.
