9 **leases**

10

11 WHEREAS, There are 69 food & beverage lease (F&B Leases) at the San Francisco  
12 International Airport (Airport), and base rent (Base Rent) on an annual basis is the greater of a  
13 tiered percentage of gross sales (Percentage Rent) or a Minimum Annual Guarantee (MAG),  
14 with the exception of the Sky Terrace Employee Café which has a tiered Percentage Rent  
15 only; and

16 WHEREAS, 18 of 69 F&B Leases feature MAGs that are substantially higher than what  
17 is considered market rent; and

18 WHEREAS, The F&B Leases covering pre-security locations feature MAGs and  
19 Percentage Rent which are higher than what is considered market rent; and

20 WHEREAS, The MAG is adjusted annually based on a Consumer Price Index (CPI)  
21 resulting in a continual increase in rent which is outpacing consumer spending growth; and

22 WHEREAS, It is in the best interest of the Airport to preserve these business deals,  
23 maintain high quality food and beverage offerings for the traveling public, and support local  
24 employment by taking measures to ensure the leases are financially viable; and

1           WHEREAS, To address these issues, Staff proposed to the Airport Commission  
2 (Commission) enacting the Food & Beverage Minimum Annual Guarantee and Pre-Security  
3 Rent Reduction Program to normalize the MAG and Percentage Rent payments due under  
4 these F&B Leases (Program); and

5           WHEREAS, The Program consists of: (1) establishing MAG for qualifying post-security  
6 F&B Lease locations for calendar year 2026 as the lesser of existing MAG or 12% of gross  
7 revenues for calendar year 2024, (2) establishing MAG for qualifying pre-security F&B Lease  
8 locations for calendar year 2026 as the lesser of existing MAG or 6% of gross revenues for  
9 calendar year 2024, (3) establishing Percentage Rent for qualifying pre-security F&B Lease  
10 locations at 6% effective January 1, 2026, and (4) beginning in 2026, change the method for  
11 adjusting MAG for all F&B Leases from using a specified CPI to the more common practice in  
12 the industry of MAG being adjusted each new Lease Year to be the greater of existing MAG  
13 or 85% of the prior year's Base Rent; and

14           WHEREAS, In order to qualify for a MAG reduction under the Program, 2024 MAG for  
15 a post-security F&B Lease location must be in excess of 12% of gross revenues, or 2024  
16 MAG for a pre-security F&B Lease location must be in excess of 6% of gross revenues, with  
17 all pre-security F&B Lease locations being eligible for the Percentage Rent reduction with the  
18 exception of the Sky Terrace Employee Café; and

19           WHEREAS, On August 19, 2025, by Resolution No. 25-0130, the Airport Commission  
20 approved the Food & Beverage Minimum Annual Guarantee and Pre-Security Percentage  
21 Rent Reduction Program; now, therefore, be it

22           RESOLVED, That this Board of Supervisors approves the Food & Beverage Minimum  
23 Annual Guarantee Reduction and Pre-Security Percentage Rent Reduction Program by the  
24 execution of appropriate amendments to each of the Food & Beverage leases listed on  
25 Attachment A attached to the Airport Director's memorandum which accompanies this

1 Resolution, which is included in Board of Supervisors in File No. 251170; and, be it  
2 FURTHER RESOLVED, That within thirty (30) days of the amendments being fully  
3 executed by all parties, the Commission shall provide the final amendments to the Clerk of the  
4 Board for inclusion into the official file.
