15 Section 1. Findings. The Board of Supervisors of the City and County of San Francisco  
16 hereby finds and determines that:

17 (a) Pursuant to Planning Code section 302, this Board of Supervisors finds that  
18 this ordinance will serve the public necessity, convenience and welfare for the reasons set  
19 forth in Planning Commission Resolution Nos. 16577 and 16578 recommending approval of  
20 this Planning Code amendment, and incorporates such reasons by this reference hereto. A  
21 copy of said resolution is on file with the Clerk of the Board of Supervisors in File No.  
22 030040.

23 (b) Pursuant to Planning Code section 101.1, this Board of Supervisors finds  
24 that this ordinance is consistent with the Priority Policies of section 101.1(b) of the Planning  
25 Code and the General Plan and hereby adopts the findings of the Planning Commission, as

1 set forth in Planning Commission Resolution Nos. 16577 and 16578, and incorporates said  
2 findings by this reference hereto.

3 Section 2. The San Francisco Planning Code is hereby amended by adding  
4 section 249.24, to read as follows:

5 SEC. 249.24. Jackson Square Special Use District.

6 In order to provide for the protection and enhancement of specialty retail and antique store uses  
7 in the Jackson Square area, there shall be established the Jackson Square Special Use District as  
8 designated on Sectional Map No. 1 SU of the Zoning Map. The boundaries of this special use district  
9 shall be coterminous with the boundaries of the Jackson Square Historic District as established by  
10 Appendix B to Article 10 of this Code and further described in section 3 of that Appendix. The  
11 following provisions shall apply within the Jackson Square Special Use District:

12 (a) Purposes. These controls are intended to protect and enhance the unique retail character  
13 of the special use district. All decisions of the Planning Commission and Department for the  
14 establishment of ground floor and basement use shall be guided by the following factors:

15 \_\_\_\_\_ (1) Continuation and enhancement of existing ground floor and basement retail uses  
16 are of critical importance to the character of the District and displacement of such uses should be  
17 discouraged;

18 \_\_\_\_\_ (2) Attraction and retention of similar new retail establishments that conform with the  
19 character of this District should be encouraged; and

20 \_\_\_\_\_ (3) Uses that greatly intensify the density of employment have a negative impact on the  
21 provision of neighborhood services, traffic circulation, and limited on- and off--street parking.

22 (b) Controls.

23 \_\_\_\_\_ (1) General. The provisions of the C-2 use district as established in section 210.2 and  
24 applicable provisions of the Garment Shop Special Use District (section 236) and the Washington-

1 Broadway Special Use Districts (section 239) shall prevail except as provided in paragraphs (2) and  
2 (3) below.

3 (2) Conditional Uses. (a) Office uses set forth in sections 219(a), (b), (c), and (d) at  
4 the ground floor are subject to conditional use authorization pursuant to section 303 of this Code,  
5 provided, however, that building lobbies, entrances, and exits to and from the basement,  
6 ground floor, or upper floors, and other reasonably-sized common areas at the ground floor  
7 shall be permitted without conditional use authorization. In addition to the findings required  
8 under section 303(c) for conditional use authorization, the Commission shall make the  
9 following findings:

10 (i) The use shall be necessary to preserve the historic resource and no other  
11 use can be demonstrated to preserve the historic resource.

12 (ii) The use shall be compatible with, and shall enhance, the unique retail  
13 character of the District.

14 (b) Subsection (b)(2)(a) shall not apply to any use that fronts Pacific Street.

15 (3) Prohibited Uses.

16 ~~(a) Notwithstanding the provisions of paragraph (2) above, office uses set forth~~  
17 ~~in sections 219(a), (b), and (d) are prohibited on Jackson Street between Sansome and~~  
18 ~~Montgomery Streets.~~

19 ~~—— (b) Adult entertainment enterprises, as defined in section 221(k), are prohibited.~~

20 Section 3. The San Francisco Planning Code is hereby amended by amending section  
21 178 to read as follows:

22 SEC. 178. CONDITIONAL USES.

23 The following provisions shall apply to conditional uses:

24 (a) Definition. For the purposes of this Section, a permitted conditional use  
25 shall refer to:

1           (1) Any use or feature authorized as a conditional use pursuant to Article 3 of  
2 this Code, provided that such use or feature was established within the time limits specified as  
3 a condition of authorization or, if no time limit was specified, within a reasonable time from the  
4 date of authorization; or

5           (2) Any use or feature which is classified as a conditional use in the district in  
6 which it is located and which lawfully existed either on the effective date of this Code, or on  
7 the effective date of any amendment imposing new conditional use requirements upon such  
8 use or feature; or

9           (3) Any use deemed to be a permitted conditional use pursuant to Section  
10 179 of this Code.

11           (b) Continuation. Except as provided for temporary uses in Section 205 of  
12 this Code, and except where time limits are otherwise specified as a condition of  
13 authorization, any permitted conditional use may continue in the form in which it was  
14 authorized, or in the form in which it lawfully existed either on the effective date of this Code or  
15 the effective date of any amendment imposing new conditional use requirements upon such  
16 use or feature, unless otherwise provided in this Section or in Article 2 of this Code.

17           (c) Enlargements or Alteration. A permitted conditional use may not be  
18 significantly altered, enlarged, or intensified, except upon approval of a new conditional use  
19 application pursuant to the provisions of Article 3 of this Code. With regard to an Internet  
20 Services Exchange as defined in Section 209.6(c), any physical alteration which will enlarge  
21 or expand the building for the purpose of intensifying the use shall be deemed to be significant  
22 under this section, and any increase in the size of electrical service to the building which will  
23 require a permit from the Department of Building Inspection shall be deemed to be significant  
24 under this section.

1 (d) Abandonment. A permitted conditional use which is discontinued for a  
2 period of three years, or otherwise abandoned, shall not be restored, except upon approval of  
3 a new conditional use application pursuant to the provisions of Article 3 of this Code. For  
4 purposes of this Subsection, the period of nonuse for a permitted conditional use to be  
5 deemed discontinued in the North Beach, ~~and~~ Castro Street Neighborhood Commercial  
6 Districts, and the Jackson Square Special Use District shall be eighteen (18) months.

7 (e) Changes in Use. The following provisions shall apply to permitted  
8 conditional uses with respect to changes in use:

9 (1) A permitted conditional use may be changed to another use listed in  
10 Articles 2, 7 or 8 of this Code as a principal use for the district in which it is located and the  
11 new use may thereafter be continued as a permitted principal use.

12 (2) A permitted conditional use may be changed to another use listed in  
13 Articles 2, 7 or 8 of this Code as a conditional use for the district in which the property is  
14 located, subject to the other applicable provisions of this Code, only upon approval of a new  
15 conditional use application, pursuant to the provisions of Article 3 of this Code.

16 (3) A permitted conditional use may not be changed to another use not  
17 permitted or prohibited by Articles 2, 7 or 8 of this Code. If a permitted conditional use has  
18 been wrongfully changed to another use in violation of the foregoing provisions and the  
19 violation is not immediately corrected when required by the Zoning Administrator, the wrongful  
20 change shall be deemed to be a discontinuance or abandonment of the permitted conditional  
21 use.

22 (4) Once a permitted conditional use has been changed to a principal use  
23 permitted in the district in which the property is located, or brought closer in any other manner  
24 to conformity with the use limitations of this Code, the use of the property may not thereafter  
25

1 be returned to its former permitted conditional use status, except upon approval of a new  
2 conditional use application pursuant to the provisions of Article 3 of this Code.

3 (5) In the North Beach Neighborhood Commercial District, any use that  
4 exceeds the use size provisions of Section 121.2(a) or 121.2(b) may be changed to a new use  
5 only upon approval of a new conditional use application. The Commission's approval of such  
6 conditional use application shall explicitly address the use size findings of Section 303(c).

7 (6) In the Castro Street Neighborhood Commercial District, any use that  
8 exceeds the use size provisions of Section 121.2(a), but is smaller than the maximum use  
9 size limit of Section 121.2(b), may be changed to a new use only upon approval of a new  
10 conditional use application. The Commission's approval of such conditional use application  
11 shall explicitly address the use size findings of Section 303(c).

12 (f) Notwithstanding the foregoing provisions of this Section 178, a structure  
13 occupied by a permitted conditional use that is damaged or destroyed by fire, or other  
14 calamity, or by Act of God, or by the public enemy, may be restored to its former condition and  
15 use without the approval of a new conditional use application, provided that such restoration is  
16 permitted by the Building Code, and is started within one year and diligently pursued to  
17 completion. Except as provided in Subsection (g) below, no structure occupied by a permitted  
18 conditional use that is voluntarily razed or required by law to be razed by the owner thereof  
19 may thereafter be restored except upon approval of a new conditional use application  
20 pursuant to the provisions of Article 3 of this Code.

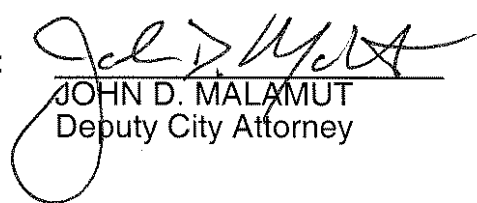

21 (g) None of the provisions of this Section 178 shall be construed to prevent  
22 any measures of construction, alteration or demolition necessary to correct the unsafe or  
23 dangerous condition of any structure, other feature, or part thereof, where such condition has  
24 been declared unsafe or dangerous by the Superintendent of the Bureau of Building  
25 Inspection or the Chief of the Bureau of Fire Prevention and Public Safety, and where the

1 proposed measures have been declared necessary, by such official, to correct the said  
2 condition; provided, however, that only such work as is absolutely necessary to correct the  
3 unsafe or dangerous condition may be performed pursuant to this Section.
