GENERAL

This Memorandum of Agreement (MOA) is modified to extend the end date of the agreement from July 1, 2015 to July 1, 2016. The end date extension modifies the term of the agreement from 5 years to 6 years in order to allow the MOA to coincide with the City and County of San Francisco's 2-year budget cycle. The current budget cycle started on July 1, 2014 and ends June 30, 2016. Appendix E is replaced to reflect the actual funding received from FY 2010-12 through FY 2014-15 and the funding request submitted to the SFPUC for FY 2015-16 as part of the SFPUC two year budget cycle
