LEGISLATIVE DIGEST

[Administrative Code - Prevailing Wages for Commercial Vehicle Loading and Unloading on City Property]

Ordinance amending the Administrative Code to require that prevailing wages be paid for work loading or unloading materials, goods, or products for special events and shows on City property, and the driving of commercial vehicles for that purpose.

Existing Law

In addition to prevailing wage requirements governing public works projects, several City ordinances require the payment of prevailing wages for certain types of work connected with City property, including, among others, janitorial services, parking garage attendant services, theatrical workers services, moving services, trade show work, and broadcast services. See Admin. Code §§ 21C.1-21C.9. There is no prevailing wage ordinance governing work loading, unloading, or driving commercial vehicles for special events or shows on City property.

Amendments to Current Law

The ordinance would require the payment of prevailing wages for any individual engaged in the loading or unloading on City property of materials, goods, or products into or from a Commercial Vehicle in connection with the presentation of a "Show" or a "Special Event." The prevailing wage requirement would also apply to any Individual driving a Commercial Vehicle from which materials, goods, or products are loaded or unloaded on City property in connection with the presentation of a Show or Special Event.

For purposes of this ordinance, a "Show" has the same meaning as set forth in Administrative Code Section 21C.4, which requires the payment of prevailing wages for individuals engaged in theatrical or technical services related to the presentation of a show on City property (referred to herein as the "Theatrical Workers Ordinance"). That ordinance defines "Show" as "any live act, play, review, pantomime, scene, music, song, dance act, song and dance act; or poetry recitation provided in front of a live audience or recorded for the purpose of later presentation, but shall not include an event where a person solely plays pre-recorded music or pre-recorded performances so long as no other live performance is provided." (S.F. Admin. Code §21C.4(b)(3).)

For purposes of this ordinance, a "Special Event" has the same meaning as set forth in Administrative Code Section 21C.8, which requires the payment of prevailing wages for individuals engaged in exhibit, display, or trade show work at a Special Event on City property (referred to herein as the "Trade Show Work Ordinance"). That ordinance defines "Special Event" as "any Trade Show, Convention, Exposition, or other Temporary Event with the characteristics of a Trade Show, Convention, or Exposition, that involves Exhibit, Display, or

FILE NO. 160199

Trade Show Work.” (S.F. Admin. Code § 21C.8(b).) In addition, “Special Event” would include mass participation sports event such as a marathon, running race, or bicycle race or tour with anticipated participation by 150 participants or more.

The ordinance defines “Commercial Vehicle” as a vehicle that (1) is used primarily for the transportation of materials, goods, or products, (2) has six wheels or more, and (3) displays or is required to display a California Commercial Vehicle Registration Act weight decal sticker. Commercial Vehicle does not include a vehicle being used exclusively for food catering purposes.

Exemptions

The ordinance would incorporate existing exemptions for certain types of shows and special events that are codified in the Theatrical Workers Ordinance and the Trade Show Work Ordinance. Specifically, this ordinance would not apply to the following types of events:

1. Celebration of a marriage, domestic partnership, or similar civil union.
2. Any permit or agreement to engage in film production pursuant to Chapter 57 of the Administrative Code.
3. Any show or special event for which the time required for the set-up is three hours or less and the number of individuals working on the set-up is no more than two.

In addition, the ordinance would not apply to the following types of shows which are exempt under the Theatrical Workers Ordinance (S.F. Admin. Code § 21C.4(b)(1)):

1. The presentation of a show to which the public has free access when the show is in a public park, on a public street, or on property under the jurisdiction of the Port Commission.
2. Any show on property under the jurisdiction of the Arts Commission

The ordinance also would not apply to the following types of special events which are exempt under the Trade Show Work Ordinance (S.F. Admin. Code § 21C.4(b)):

1. The presentation of a Special Event to which the public has free access when the Special Event is in a public park, on a public street, or on property under the jurisdiction of the Port Commission, and the advertising and promotion for the Special Event is less than \$10,000
2. Any Special Event where the Special Event itself takes five hours or less.
3. Any Special Event that requires the payment of prevailing wage rates applicable to public works projects.
4. A street fair organized by and for which a permit has been issued to a nonprofit entity, where the street fair is free and open to the public and does not have as a primary purpose the advertising or promotion of a product or service.

AMENDED IN COMMITTEE

9/14/16

FILE NO. 160199

Finally, the ordinance would exempt the following types of persons, work and/or events from the prevailing wage requirement:

1. loading or unloading of portable toilets, temporary fencing, temporary barricades, or temporary tents or canopies of less than 700 square feet, or any Individual driving a Commercial Vehicle from which portable toilets, temporary fencing, temporary barricades, or temporary tents or canopies of less than 700 square feet are loaded or unloaded.
2. individual vendors at a flea market or farmers market conducted on City property.
3. work that is covered under a collective bargaining agreement.
4. work that is performed by a City employee.
5. a mass participation sports event that is sponsored by a non-profit entity where the primary purpose of the event is fundraising for that non-profit entity and/or other non-profit entities.

MANDATE STATEMENT

City Charter Section 2.105 states that all legislative acts shall be by ordinance and shall require two readings by the Board of Supervisors.

The City’s Administrative Code requires certain businesses that have contracts with the City, including public works contracts, to pay employees the highest general prevailing rate of wages for similar work in private employment. These requirements are enforced by the City’s Office of Labor Standards Enforcement.

BACKGROUND

The Board of Supervisors annually sets prevailing wage rates for employees of businesses with particular types of City contracts. Table 1 below identifies the (a) specific Administrative Code Sections, (b) the dates each Administrative Code Section was last amended by the Board of Supervisors, and (c) the types of City contracts, leases, and/or operating agreements in which such businesses are required to pay prevailing wages.

Table 1: List of Contractors Required to Pay Prevailing Wages

Administrative Code	Date of Most Recent Amendment	Type of Contract
Section 6.22 (E)	May 19, 2011	Public works or construction
Section 21C.2	February 2, 2012	Janitorial and window cleaning services
Section 21C.3	February 2, 2012	Public off-street parking lots, garages and vehicle storage facilities
Section 21C.4	February 2, 2012	Theatrical performances
Section 21C.5	February 2, 2012	Solid waste hauling services
Section 21C.6	February 2, 2012	Moving services
Section 21C.8	June 29, 2014	Trade show and special event work
Section 21C.9	February 10, 2016	Broadcast service workers on City property

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would amend the Administrative Code to add Section 21C.10 to require that prevailing wages be paid by businesses having contracts, leases, franchise, permits or agreements with the City to their employees who (1) load or unload materials, goods, or products into or from a commercial vehicle for special events or shows on City property; and/or (2) drive commercial vehicle in which materials, goods or products are loaded or unloaded for

shows and special events.¹ For drivers, prevailing wage is paid for all hours driven within City limits.

The proposed ordinance would apply to contracts, leases, franchises, permits or agreements for special events or shows on City property, with the following exceptions provided in Administrative Code Sections 21C.4 (b) or 21C.8 (b):

- Celebration of a marriage, domestic partnership, or civil union;
- A show in a City park or City street, or on Port property that has free public access;
- A special event in a City park or City street, or on Port property that has free public access and advertising for the event of less than \$10,000;
- Film production;
- Shows or property under the jurisdiction of the Art Commission;
- Shows and special events for which set-up time is three hours or less, or the number of individuals working on the set-up is two or less;
- Special events that require payment of prevailing wage rates applicable to public works projects;
- Street fairs sponsored by nonprofit organizations and have free public access; and
- Any circumstance where application of prevailing wage rates would be preempted by federal or state law.

The proposed new Administrative Code Section 21C.10 also exempts from the prevailing wage requirements:

- Loading or unloading portable toilets and temporary fences or barricades, or driving commercial vehicles for that purpose;
- Individual vendors and farmers at flea markets and farmers markets (but not loading, unloading or driving commercial vehicles to flea markets and farmers markets);
- Individuals covered by a collective bargaining agreement;
- Work performed by city employees; and
- Mass participation sports events sponsored by a nonprofit organization for the purpose of fundraising.

The Budget and Legislative Analyst's Office has been advised that the Office of the Sponsor will introduce amendments to the proposed ordinance at the September 14, 2016 Budget and Finance Committee meeting. This report is based on the proposed amendments.

¹ A commercial vehicle is defined as a vehicle that is (1) primarily used for the transportation of materials, goods, or products, (2) has six wheels or more, and (3) is required to be registered as a commercial vehicle with the California Department of Motor Vehicles. Commercial vehicles shall not include vehicles used exclusively for food catering purposes.

FISCAL IMPACT

Although the proposed ordinance could increase the wage costs to produce shows or hold special events on City property, it is unknown as to whether or not these increased costs to the show or special events sponsors would reduce the number of shows or special events on City property, and consequently reduce contract, lease, franchise or permit revenues to the City.

RECOMMENDATION

Approval of the proposed ordinance is a policy decision for the Board of Supervisors.
