On December 6, 2016, the Board of Supervisors (the "Board of Supervisors") of the City and County of San Francisco (the "City") adopted its "Resolution of Intention to establish City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein to finance the construction and/or acquisition of capital improvements on Treasure Island; to provide for annexation; to call a public hearing on the formation of the district and project areas therein and to provide public notice thereof; and determining other matters in connection therewith" ("Resolution of Intention to Establish IRFD"), stating its intention to form the "City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)" (the "IRFD") pursuant to Government Code Section 53369 *et seq.* (the "IRFD Law"). The City intends to form the IRFD for the purpose of financing certain public improvements (the "Facilities") as further provided in the Resolution of Intention to Establish IRFD and summarized herein.

Also on December 6, 2016, the Board of Supervisors adopted its "Resolution authorizing and directing the Director of the Office of Public Finance, or designee thereof, to prepare an infrastructure financing plan for City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein and determining other matters in connection therewith," ordering preparation of an infrastructure financing plan (the "Infrastructure Financing Plan") consistent with the requirements of the IRFD Law. Goodlett Place, City Hall, San Francisco, California and on the website of the Clerk of the Board of Supervisors.

Under the IRFD Law, the Board of Supervisors gives notice as follows:

1. Facilities to be Financed. The IRFD will be used to finance costs of the acquisition, construction and improvement of any facilities authorized by Section 53369.3 of the IRFD Law, including, but not limited to, facilities acquired from third parties (such as acquisition, abatement and demolition costs, a supplemental fire water supply system, low pressure water facilities, water tank facilities, recycled water facilities, storm drainage system, separated sanitary sewer, joint trench, earthwork, retaining walls, highway ramps, roadways, pathways, curbs and gutters, traffic facilities, streetscapes, shoreline improvements, parks, a ferry terminal, hazardous soil removal, community facilities, other amounts specifically identified in the DDA as a Qualified Project Cost and Hard Costs, Soft Costs and Pre-Development Costs as defined in the Conveyance Agreement), and authorized payments (consisting of the contribution to the City and other public agencies for costs related to open space improvements, transportation and transit facilities, and design and construction of ramps and access roads). The category of facilities labeled "Acquired from Third Parties" reflects current assumptions of the City and TIDA. The IRFD shall be authorized to finance the listed facilities whether they are acquired from third parties or constructed by the City or TIDA.

The process for the annexation of additional parcels into the IRFD is described in the Resolution of Intention to Establish IRFD, which by this reference is incorporated herein.

5. Facilities to be Financed. The IRFD will be used to finance costs of the acquisition, construction and improvement of any facilities authorized by Section 53363 of the IRFD Law, including, but not limited to, facilities acquired from third parties (such as acquisition, abatement and demolition costs, a supplemental fire water supply system, low pressure waterlines, water tank facilities, recycled water facilities, storm drainage systems, separated sanitary sewer joint trench, airtwork, retaining walls, highway ramps, roadways, pathways, curbs and gutters, traffic facilities, streetcapes, shoreline improvements, parks, a ferry terminal, hazardous soil removal, community facilities, other amounts specifically identified in the ODA as a Qualified Project Cost and Hard Costs, Soft Costs and Pre-Development Costs as defined in the Conveyance Agreement), and authorized payments (consisting of the contribution to the City and other public agencies for costs related to open space improvements, transportation and transit facilities, and design and construction of ramps and access roads).
