Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

As a native to San Francisco, I have watched the city change and evolve over the years. As a social worker I have the ability to navigate diverse circumstances and cultural dynamics that are represented throughout the city. As a native Bayview resident I have the pleasure of observing as well as experiencing many my situations that have shaped me into who I am today. As a black woman, I bring my personal "lens" but I also use professional skills daily to influence all of my decisions. The balance that these create is amazing. I believe that all people deserve respect and to be genuinely heard. In these ways I believe that I both represent and understand the plethora of diverse cultures that are represented throughout San Francisco.

Business and/or professional experience:

As a Community based Social Worker I am often faced with difficult situations that may not specifically represent my life choices but I am able to really "see" people and help them through whatever tough situations they may be facing.

Civic Activities:

As a Founder of Parks 94124, I am an advocate of parks and open spaces that are accessible to all people and I believe that really great parks create an opportunity to build community like no other.
