RE: File Numbers 110630 through 110651: Memoranda of Understanding (MOU) Increasing Dental Premium Contributions by Employees and Reducing City Contributions on Behalf of Medically Single Employees Enrolled in the City Health Plan

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of ordinances contained in the file numbers above. The ordinances cover the period July 1, 2011 through June 30, 2012, affecting 14,117 authorized positions with an overall salary base of approximately \$1.3 billion.

The City and Public Employee Committee (PEC) agreed to establish a labor management committee to identify changes to MOU negotiated premium payments that would be anticipated to yield approximately \$3 million in savings annually in the City's employee health care costs, beginning in FY 2011-12. PEC member union MOUs all contained a default provision should the labor management committee not reach mutual agreement on such changes, which was that for all medically single employees enrolled in the City Plan, the City's contribution would be capped at an amount equivalent to the cost of the second highest cost plan for medically single enrollees. Had the dental premium change not been negotiated, employees who elected to enroll in the City Plan would have had to pay the difference between the capped amount and the City Plan amount.

Attachment A shows the estimated savings by union for those unions that agreed to have their members pay premiums ranging from \$5 to \$15 per month for employees enrolled in the Delta Dental PPO effective July 1, 2011. Based on our analysis, the ordinances will result in savings of approximately \$2.3 million due to employee premium contributions. Had the parties chosen the default option of capping the City's contribution at the cost of the second most expensive HMO for employee-only enrollment in the City Plan, the savings in FY 2011-12 would have yielded approximately \$3.8 million.

These estimates are based on February 2011 enrollment data. A preliminary review of FY 2011-12 data does not indicate a significant shift in enrollment from Delta Dental to lower cost dental HMO plans during the April 2011 open enrollment period, which would result in additional savings.

If you have additional questions or concerns please contact me at 554-7500 or Michelle Allersma of my staff at 554-4792.

Sincerely,
