Hi John,

Thanks very much for your email. Sorry for the delay.

Here is our response:

The intended start of this grant was February 2022 with California Department of Public Health. However, it is not "retrospective" in the sense that the OCME has not accepted any funds nor signed an agreement with the state. We have not and will not do so until the A&E ordinance is adopted.

Hope you have a good evening.

Thank you,

Subject: BOS File No. 220200 - Accept and Expend Grant - Retroactive - California Department of Public Health Substance and Addiction Prevention Branch - Overdose Prevention Initiative - \$312,966

Good morning,

As you are aware, the following item was heard in the Government Audit and Oversight Committee on March 17, 2022, and forwarded to the full Board for March 22, 2022:

- **File No. 220200 - Accept and Expend Grant - Retroactive - California Department of Public Health Substance and Addiction Prevention Branch - Overdose Prevention Initiative -**

\$312,966

This legislation authorizes “retroactive” approval. Due to the full Board’s concerns regarding “retroactive” approvals, please make sure you - or a department representative - will be in attendance to answer any questions or concerns when the full Board considers this matter.

If you would like to include additional written explanation regarding the “retroactive” approval, please forward to me and I will disseminate to the Members and include in the legislative file.

Thank you for your continued collaboration on the legislative process.

Regards,

John Carroll
