RE: File Numbers 140526 and 140528 through 140550: Memoranda of Understanding (MOU)
between the City and County of San Francisco and various collective bargaining units.

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of 24 MOUs between the City and County of San Francisco and various employee collective bargaining units. The amendments apply to MOUs for the period commencing July 1, 2014 through June 30, 2017, affecting 20,304 authorized positions with a salary base of approximately \$1.73 billion and an overall pay and benefits base of approximately \$2.26 billion.

Our analysis finds that the amendments to the MOUs result in increased costs to the City of approximately \$52.8 million in FY 2014-15, \$125.9 million in FY 2015-16 and \$20.1 million in FY 2016-17. As a percentage of FY 2014-15 base wage and fringe costs these represent cost increases of 2.3%, 5.6%, and 8.9% respectively. Our cost estimates assume that premiums, overtime, and other adjustments grow consistently with wage changes.

Increased costs are driven by general wage increases to all of the 20,304, authorized positions, in addition to other various other provisions affecting terms and conditions of employment, employer paid health benefits and special pay for members of the collective bargaining units. See Attachments A and B for a detailed listing and analysis of the costs for the affected MOUs.

If you have additional questions or concerns please contact me at 554-7500 or Drew Murrell of my staff at 554-7647.

Sincerely,

Ben Rosenfield
Controller

Analyses for MOUs with Nurses, Police, and Firefighters are presented in separate letters. MOUs with Municipal Transit Agency (MTA) staff in bargaining units Electricians Local 6, Local 1414 Automotive Machinists, TWU-200 (SEAM), TWU Local 250-A Auto Service Worker, TWU Local 250-A Transit Operator, TWU Local 250-A Transit Fare Inspector, and Municipal Executives' Association (MEA) are negotiated directly with MTA and still pending agreement. MTA employees in those units are excluded from this analysis. A subset of MTA staff in the SEIU bargaining unit job classes considered "service critical" also negotiate directly with MTA and are excluded here.

The information below details the results of the analysis of the costs or savings resulting from amendments to the affected MOUs:

Citywide

Wages

The City and the bargaining units included in this analysis have agreed to a wage increase for all covered employees of 3% in October 2014, 3.25% in October 2015, and between 2.25% and 3.25%, depending on inflation as measured by the Consumer Price Index (CPI), in July of 2016. In calculating CPI, the Controller's Office will use the Consumer Price Index – All Urban Consumers (CPI-U) as reported by the Bureau of Labor Statistics for the San Francisco Metropolitan Statistical Area. The growth rate will be calculated using the percentage change in the price index from February 2015 to February 2016. The value of this increase is currently projected to be 2.49%.

With the exception of internal adjustments and parity increases, all units and their represented members follow the citywide pattern for wage increases. Adjustments and exceptions to this pattern for the units listed below are described in detail in this attachment.

- Deputy Probation Officers Association (DPOA)
- Deputy Sheriffs' Association (DSA)
- Sheriffs' Managers & Supervisors Association (MSA)
- District Attorney Investigators' Association (DAIA)
- International Brotherhood of Electrical Workers, Local 6 (IBEW Local 6)
- International Federation of Professional and Technical Engineers Local 21, AFL, CIO (IFPTE Local 21)
- Institutional Police Officers' Association (IPOA)
- Machinists Union, Local 1414
- United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry, Local No. 38 (Plumbers and Pipe Fitters, Local 38)
- Service Employees International Union, Local 1021 (SEIU Local 1021)
- The International Union of Operating Engineers and Stationary Engineers, Local 39 (Stationary Engineers, Local 39)
- Teamsters, Local 856 Multi-Unit (Teamsters Local 856)

San Francisco International Airport Employee Transit Pilot Program

The San Francisco International Airport (SFIA) will implement an employee transit pilot program encouraging employees to use mass transportation to commute to and from SFIA work locations. The City and the affected unions have included changes to the MOU's that incorporate this change. Our analysis projects that this change will result in approximately \$0.4 million of increased costs to the City during FY 2014-15 and \$0.5 million of increased costs in FY 2015-16 and 2016-17. This pilot program will be evaluated in FY 2015-16 to determine whether it will be continued.

Compensatory Time Off

The City and 13 of the 24 unions have agreed to include changes to the MOUs affecting the compensation method for compensatory time earned by covered members. Employees occupying certain executive, administrative, or professional positions are not paid for overtime worked but instead are granted compensatory time off at the rate of one-and-one-half times for time worked in excess of regular work schedules. Under the amended MOUs, an employee who is appointed to a position in another department will have his or her entire compensatory time balance paid out at the rate of the underlying classifications prior to appointment. Similarly, an employee who is appointed to a position in a higher classification that allows for paid overtime will have his or her entire compensatory time balance paid out at the rate of the lower classification prior to promotion. Our analysis projects that the implementation of this change will result in no increased costs to the City during the term of the agreements. Over the long term, this change is likely to result in lower payouts than would otherwise have been made.

Paperless Pay

The City and the unions have agreed to implement a Citywide Paperless Pay Policy that will apply to all City employees. Under the policy, all employees shall be able to access their pay advices electronically, and will have, regardless of employee start date, two options for receiving pay; direct deposit or bank card. Upon implementation of the policy paper pay advices will no longer be available with the exception of those employees without computer access. Our analysis projects that this change will result in approximately \$60,000 of total cost savings to the City from FY 2014-15 through FY 2016-17.

File Number 140528 - Crafts Coalition

The MOU for the Joint Craft Unions covers all members in the following units: Bricklayers and Allied Crafts, Local 3; Hod Carriers, Local 166; the Northern California Carpenters Regional Council, Local 22; Carpet, Linoleum and Soft Tile Workers, Local 12; Plasterers and Cement Masons, Local 300; Glaziers, Architectural Metal and Glass Workers, Local Union No. 718; International Alliance of Theatrical Stage Employees, Moving Picture Technicians, Artist and Allied Crafts of the United States, Its Territories and Canada, Local 16; International Association of Bridge, Structural Ornamental, Reinforcing Iron Workers, Riggers and Machinery Movers, Local 377; Pile Drivers, Divers, Carpenters, Bridge, Wharf and Dock Builders, Local Union No. 34; Plasterers and Shophands, Local 66; United Union of Roofers, Waterproofers and Allied Workers, Local 40; Sheet Metal Workers International Union, Local 104 and Teamsters, Local 853. The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 415 authorized positions with a salary base of approximately \$34.9 million and an overall pay and benefits base of approximately \$45.9 million.

Our analysis projects that this agreement will result in approximately \$1.1 million of increased costs to the City during FY 2014-15, \$2.5 million of increased costs in FY 2015-16 and \$4.1 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140550 - Unrepresented

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2015, affecting 134 authorized positions with a salary base of approximately \$12.0 million and an overall pay and benefits base of approximately \$15.7 million.

Our analysis projects that this agreement will result in approximately \$0.3 million of increased costs to the City during FY 2014-15. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140526 – Building Inspectors (BI)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 80 authorized positions with a salary base of approximately \$9.0 million and an overall pay and benefits base of approximately \$11.8 million.

Our analysis projects that this agreement will result in approximately \$0.2 million of increased costs to the City during FY 2014-15, \$0.6 million of increased costs in FY 2015-16 and \$1.0 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140529 – Deputy Probation Officers' Association (DPOA)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 160 authorized positions with a salary base of approximately \$15.2 million and an overall pay and benefits base of approximately \$18.6 million.

Our analysis projects that this agreement will result in approximately \$0.6 million of increased costs to the City during FY 2014-15, \$1.1 million of increased costs in FY 2015-16 and \$1.7 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

File Number 140530 – Deputy Sheriff's Association (DSA)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 769 authorized positions with a salary base of approximately \$73.2 million and an overall pay and benefits base of approximately \$90.0 million.

Our analysis projects that this agreement will result in approximately \$1.4 million of increased costs to the City during FY 2014-15, \$4.6 million of increased costs in FY 2015-16 and \$8.0 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

The City and the union have also agreed to reinstate the annual salary survey market wage adjustment which was suspended under the previous MOU. Our analysis assumes that no market wage adjustments will occur during the contract period, as the most recent findings from a DHR market wage survey found that salaries for DSA members compared favorably with other agencies.

Outside of the scope of the MOU, the City has recognized the need to begin to pay for overtime worked by members that participate in regular daily briefings outside of their normal shift schedule. The MOU requires the City to pay, at a straight time rate, the first one-quarter hour in excess of eight hours per day that results from the daily briefings. Our analysis reflects this change as a savings from what would otherwise be required to pay at an overtime rate of time and a half.

Finally, the City and the union have agreed to revise longevity pay eligibility requirements to require all members hired after July 1, 2014 to have completed 18 years of service as sworn members prior to receiving longevity pay. Prior MOU language made members eligible after 5 years of service. Savings from this provision will occur outside of the contract period. The current estimated annual value of this premium pay is \$1.1 million.

File Number 140541 – Sheriff's Managers & Supervisors Association (MSA)

The amendments to the MOU apply to the period commencing July 1, 2014 through June 30, 2017, affecting 98 authorized positions with a salary base of approximately \$12.1 million and an overall pay and benefits base of approximately \$14.7 million.

Our analysis projects that this agreement will result in approximately \$0.6 million of increased costs to the City during FY 2014-15, \$1.2 million of increased costs in FY 2015-16 and \$1.8 million of increased costs in FY 2016-17. Our analysis assumes that premiums, overtime, and other adjustments grow consistently with wage changes.

As with Sheriff's Deputies, the City and the union have agreed to reinstate the annual salary survey market wage adjustment which was suspended under the previous MOU. Our analysis assumes that no market wage adjustments will occur during the contract period, as the most recent findings from a DHR market wage survey found that salaries for MSA members compared favorably with other agencies.

MSA also mirrored the agreement with Sheriff's Deputies and the City to adopt revisions to longevity pay eligibility to require all members hired after July 1, 2014 to have

completed 18 years of service as sworn members prior to receiving longevity pay. Prior MOU language made members eligible after 5 years of service. Savings from this provision will occur outside of the contract period. The current estimated annual value of this premium pay is \$0.2 million.

Finally, our cost estimates include increased overtime costs of approximately \$0.1 million annually as a result of increases to release and training and training time for unit members. Sheriff's Department staffing models require that any additional release time granted to Lieutenants and Sergeants be backfilled by staff in the same job classes at overtime compensation rates.

In addition, the MOU explicitly ends the provision granting additional special acting assignment pay for the PUC/CIP Planning Function at the conclusion of the contract on June 30, 2017. ARTICLE I: REPRESENTATION

I.A. RECOGNITION

1. The City acknowledges that the Union has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions as set forth in the City's Employee Relations Ordinance for units as listed below.

8205 Institutional Police Sergeant
8209 Institutional Police Lieutenant

2. Recognition shall only be extended to individual classes accreted to existing bargaining units covered by this Agreement. Application of this provision shall not extend to bargaining units acquired through affiliations or service agreements. Upon request of the Union the City will meet and confer concerning proposed changes to bargaining units.

I.B. MANAGEMENT RIGHTS

3. Except as otherwise provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.
4. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

I.C. NO STRIKE PROVISION

5. The Union and each member of the bargaining unit covenant and agree not to initiate, engage in, cause, instigate, encourage or condone a strike, work stoppage, or slowdown. The Union and each member of the bargaining unit covenant and agree not to engage in any form of sympathy strike including, but not limited to, observing or honoring the picket line of any other union. The City agrees during the term of this agreement not to conduct a lockout against any of the employees covered by this Agreement.

ARTICLE I – REPRESENTATION

I.D. GRIEVANCE PROCEDURE

6. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein. Employees shall follow the grievance procedures set forth in the MOU between the City and the Deputy Sheriffs' Association, as set forth below.
7. 1. Definition. A grievance is defined as an allegation by an employee, a group of employees or the Association that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement. A grievance does not include the following:
 8. a. All Civil Service Commission "carve-outs," as described in Charter section A8.409-3.
 9. b. Performance evaluations provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file. In the event of an unfavorable performance rating, the employee shall be entitled to a performance review conference with the author and the reviewer of the performance evaluation. The employee shall be entitled to Association representation at said conference.
10. 2. Time Limits. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be for a specifically stated period of time and confirmed in writing. In the event a grievance is not filed or appealed in a timely manner it shall be deemed withdrawn. Failure of the City to timely reply shall authorize the Association to appeal the grievance to the next step in the Grievance Procedure.
11. Economic Claims. Any claim for monetary relief shall not extend more than thirty (30) calendar days prior to the filing of a grievance. Though the resolution of disputes outside the Grievance Procedure is desired, it is understood by the Association that, in order to preserve its claims for monetary relief, it will file a grievance upon having knowledge of the aggrieved event and, should resolution outside the Grievance Procedure appear probable, request an abeyance of the Grievance Procedure time limits, as set forth in section 2, above. The City will not unreasonably refuse a request for abeyance where settlement of an economic claim appears probable.
12. 3. Reduction in Pay in Lieu of Suspension. In lieu of an unpaid suspension, the City may, at its option, impose a temporary reduction in pay by reducing an employee's pay by five percent (5%) or to the next lower pay step. The duration of such pay reduction shall depend on the seriousness of the offense. However, the

ARTICLE I – REPRESENTATION

cumulative loss in pay associated with any single implementation of this provision shall not exceed the value of a 30-day unpaid suspension

4. Grievance Initiation.

13. a. A grievance affecting more than one employee shall be filed with the departmental official having authority over all employees affected by the grievance.
14. b. Only the Association may file a grievance arising from a final disciplinary decision. All disciplinary matters, except for termination, shall be initiated with the Appointing Officer or designee at Step 2.
15. c. Termination grievances will be filed directly at Step 3 (Employee Relations Director or his/her designee)
16. d. The parties agree to use their best efforts to schedule arbitration hearings for termination grievances within ninety (90) days of the appeal to arbitration.
17. e. The parties will agree in advance on an arbitrator or panel of arbitrators to hear all terminations.
18. f. All other issues shall be initiated at Step 1.

5. Steps of the Procedure.

20. a. Step 1. The grievant shall discuss the grievance informally with his/her immediate supervisor, provided the grievance is not a discrimination or retaliation claim against that supervisor, and try to work out a satisfactory solution in an informal manner as soon as possible, but in no case later than ten (10) calendar days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved. The grievant may have an Association representative present.
21. b. Step 2. A grievant dissatisfied with the response at Step 1 may appeal to the Appointing Authority or designee, in writing, within seven (7) calendar days of receipt of the Step 1 answer. The Appointing Authority or designee may convene a meeting within fifteen (15) calendar days with the grievant and/or the grievant's Association representative. The Appointing Authority or designee shall respond in writing within fifteen (15) calendar days of the meeting or receipt of the grievance, whichever is later.

ARTICLE I – REPRESENTATION

22. c. Step 3. A grievant dissatisfied with the Appointing Authority's response at Step 2 may appeal to the Director, Employee Relations "(ERD)", or its designee, in writing, specifying the reason(s) why it is dissatisfied with the Department's response, within fifteen (15) calendar days of receipt of the Step 2 answer. The grievance shall contain copies of all earlier correspondence and materials reviewed at the earlier steps. ERD may convene a grievance meeting within fifteen (15) calendar days with the grievant and/or the grievant's Association representative. ERD shall have thirty (30) calendar days after the receipt of the written grievance, or if a meeting is held, thirty (30) calendar days after the meeting, whichever is later, to review and seek resolution of the grievance and respond in writing.
23. d. Step 4. If the Association is dissatisfied with the Step 3 response it may appeal by notifying ERD, in writing, within thirty (30) calendar days of its receipt of the Step 3 response, that arbitration is being invoked. Only the Association may submit a grievance to arbitration under his Article.
24. 6. Expedited Arbitration. By written mutual agreement entered into before or during Step 3 of the Grievance Procedure, the parties may submit any Contractual Interpretation grievance to the Expedited Arbitration process.
25. a. Selection of the Arbitrator for Expedited Arbitration. The parties will first attempt to mutually agree on an arbitrator within seven (7) days of the invocation of Expedited Arbitration. If the parties are unable to agree on a selection within the seven (7) days, either party may request a list of seven (7) appropriately experienced arbitrators from the California State Mediation and Conciliation Service (CSMCS). As a condition of appointment to the CSMCS panel, each of the panelists must certify that (s) he will be available to hear the Expedited Arbitration in not greater than thirty (30) days from her/his selection.
26. The parties will alternately strike panelists until a single name remains. Should the remaining panelist be unable to preside over the Expedited Arbitration within thirty (30) days, the last name stricken from the panel will be contacted, and continuing, if necessary, in reverse order of the names being stricken, until a panelist is selected who can preside over the Expedited Arbitration within thirty (30) days. Whether the Association or City strikes the first name in the alternating process shall be determined by lot.
27. b. Proceeding. No briefs will be used in Expedited Arbitration. Testimony and evidence will be limited consistent with the expedited format, as deemed appropriate by the arbitrator. There will be no court reporter or transcription of the proceeding, unless either party or the arbitrator

ARTICLE I – REPRESENTATION

requests one. At the conclusion of the Expedited Arbitration, the arbitrator will make a bench decision. Every effort shall be made to have a bench decision followed by a written decision. Expedited arbitration decisions will be non-precedential except in future issues regarding the same employee.

28. c. Costs. Each party shall bear its own expenses in connection with the presentation of its case. All fees and expenses of the arbitrator shall be borne and shared equally by the parties. The costs of a court reporter and the transcription of the proceeding, if any, shall be paid by the party requesting such, unless requested by the arbitrator, which will then be borne and equally shared by the parties. In the event that an Expedited Arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise.
29. 7. Selection of an Arbitrator (not Expedited Arbitration). The parties shall establish a list of seven (7) arbitrators to serve as the permanent panel to hear grievances arising under the terms of this Agreement. In the event the parties cannot agree on the panel within thirty (30) days following the effective date of this Agreement, either party may obtain a panel through the appointment process of the CSMCS. Any name provided by the CSMCS may be removed from the panel by mutual consent of the parties. The CSMCS will appoint a replacement for any name removed, unless the parties mutually agree on a replacement panelist.
30. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within ten (10) calendar days, the arbitrator shall be selected from the permanent panel in accordance with the following procedure:
31. a. Panelists shall be listed in alphabetical order. The case shall be assigned to the next panelist in order, provided however that each party shall be entitled to one strike.
32. b. The panelist next in order following any strike options exercised by the parties shall be designated to hear the case.
33. c. In the event that either party strikes a panelist's name from the list in accordance with this section, the struck panelist's name shall be placed at the bottom of the list. Once struck, the same party may not strike that panelist's name again until that panelist has been selected to preside over an arbitration.
34. Authority of the Arbitrator. The decision of the arbitrator (for both Arbitration and Expedited Arbitration) shall be final and binding, unless challenged under

ARTICLE I – REPRESENTATION

applicable law. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

35. **Costs of Arbitration.** The direct expenses of the arbitration including the fees and expenses of the arbitrator shall be borne and shared equally by the parties. The costs of a court reporter and the transcription of the proceeding, if any, shall be paid by the party requesting such, unless requested by the arbitrator, which will then be borne and equally shared by the parties. In the event that an arbitration is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise.
36. **Hearing Dates and Date of Award.** Except for the Expedited Arbitration procedure described above, hearing dates shall be scheduled within thirty (30) working days of selection of an arbitrator or on the next practicable date mutually agreeable to the parties. Awards shall be due forty-five (45) calendar days following the receipt of closing arguments. As a condition of appointment to the permanent panel, arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.

I.E. OFFICIAL REPRESENTATIVE AND STEWARDS

1. Official Representatives
37. The Union may select up to the numbers of employees identified in the groupings below for purposes of meeting and conferring with the City, during the employee's regular duty or work hours without loss of compensation, on matters within the scope of representation. If a situation should arise where the Union believes that more than five (5) employee members should be present at such meetings, and the City disagrees, the Union shall take the matter up with the Employee Relations Director and the parties shall attempt to reach agreement as to how many employees shall be authorized to participate in said meetings. The selection of such employee members or substitutions, or replacements therefor, and their attendance at meetings during their regular duty or work hours, shall be subject to the following:
38. a. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
39. b. No selected employee member shall leave the duty or work station, or assignment without specific approval of appropriate Employer representative.

ARTICLE I – REPRESENTATION

40. In scheduling meetings due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.

2. Stewards

41. a. The Union shall furnish the Employee Relations Division with an accurate list of stewards and alternate stewards in designated or professional series units. The Union may submit amendments to this list at any time because of the permanent absence of a designated steward. If a steward is not officially designated in writing by the Union, none will be recognized for that area or shift.
42. b. The Union recognizes that it is the responsibility of the steward to assist in the resolution of grievances at the lowest possible level.
43. c. Upon notification of an appropriate management person, stewards or designated officers of the Union subject to management approval which shall not be unreasonably withheld shall be granted reasonable release time to investigate and process grievances and appeals. Stewards shall advise their supervisors of the area or work location where they will be investigating or processing grievances. The Union will attempt to insure that steward release time will be equitably distributed.
44. d. In emergency situations, where immediate disciplinary action is taken because of an alleged violation of law or a City departmental rule (intoxication, theft, etc.) the steward shall not unreasonably be denied the right to leave his/her post or duty to assist in the grievance procedure.
45. e. Stewards shall not interfere with the work of any employee. It shall not constitute interference with the work of an employee for a steward, in the course of investigating or processing a grievance, to interview an employee during the employee's duty time.
46. f. Stewards shall orient new employees on matters concerning employee rights under the provisions of the Agreement.

I. F. UNION ACCESS

47. The Union shall have reasonable access to all work locations to verify that the terms and conditions of this Agreement are being carried out and for the purpose of conferring with employees, provided that access shall be subject to such rules and regulations immediately below, as well as to such rules and regulations as may be agreed to by the department and the union.

ARTICLE I – REPRESENTATION

48. Union access to work locations will not disrupt or interfere with a department's mission and services or involve any political activities.
49. Union representatives shall also have a reasonable right of access to non-work areas (bulletin boards, employee lounges and break rooms), and to hallways in order to reach non-work areas, to verify that the terms and conditions of this Agreement are being carried out and for the purpose of conferring with employees.
50. Union representatives must identify themselves upon arrival at a City department. Union representatives may use department meeting space with a reasonable amount of notice, subject to availability.
51. In work units where the work is of a confidential nature and in which the department requires it of other non-employees, a department may require that union representatives be escorted by a department representative when in areas where said confidential work is taking place.
52. Nothing herein is intended to disturb existing written departmental union access policies. Further, departments may implement additional rules and regulations after meeting and conferring with the Union.

ARTICLE II: EMPLOYMENT CONDITIONS

II.A. NON-DISCRIMINATION

53. The City and the Union agree that this Agreement shall be administered in a non-discriminatory manner. Specifically, no person covered by this Agreement shall be discriminated against because of race, color, creed, religion, sex, sexual orientation, national origin, physical or mental disability, age, political affiliation or opinion, or Union membership or activity. Discrimination as used herein shall mean discrimination or harassment as defined by Title VII of the 1964 Civil Rights Act, as amended, the Civil Rights Act of 1991, the California Fair Employment and Housing Act, the Americans with Disabilities Act, the California and United States Constitutions, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, the Civil Rights Act of 1866, and any other laws and regulations relating to employment discrimination.
54. A complaint of discrimination may, at the employee's option, be processed through the City's Equal Employment Opportunity complaint process, or federal or state administrative or judicial processes. If the employee elects to pursue a non-contractual remedy for discrimination, it shall constitute a waiver of the right to pursue that complaint through the grievance and arbitration process provided by this Agreement.

II.B. PROBATIONARY PERIOD

55. The probationary period for class 8205 Institutional Police Sergeant and 8209 Institutional Police Lieutenant shall be one year in duration, as defined and administered by the Civil Service Commission. A probationary period may be extended by mutual agreement, in writing, between the employee and the Appointing Officer. The employee may request union representation during the employee's discussions with the Department regarding extension of his/her probationary period.

62. The City may transmit documents to the employee at the employee's last known address.
63. The appointing officer will not use adverse materials including counseling and reprimands after two years free of discipline. This provision shall not apply to employees disciplined for: misappropriating public funds or property; misusing or destroying public property; using or being under the influence of drugs or alcohol at work; engaging in acts that would constitute a crime; engaging in acts which present an immediate danger to the public health and safety; workplace violence; dishonesty; or mistreatment of persons including retaliation, harassment or discrimination of other persons based on a protected class status.
64. At the request of the employee, except for charges listed above and after two years free of discipline, materials relating to disciplinary action or references including counseling, reprimands and complaints shall be “sealed” (i.e., shall remain confidential) to the maximum extent legally permissible. Such sealed files may be opened only as required by law.
65. Performance evaluations are not included in this section.

II.E. ORGANIZATIONAL CHARTS

- (1) possible alternatives to contracting or subcontracting;
- (2) questions regarding current and intended levels of service;
- (3) questions regarding the Controller's certification pursuant to Charter Section 10.104(15);
- (4) questions relating to possible excessive overhead in the City's administrative-supervisory/worker ratio; and
- (5) questions relating to the effect on individual worker productivity by providing labor saving devices.

70. d. The City agrees that it will take all appropriate steps to insure the presence at said meetings of those officers and employees (excluding the Board of Supervisors) of the City who are responsible in some manner for the decision to contract so that the particular issues may be fully explored by the Union and the City.

2. Personal Services Contracts

71. a. Departments shall notify the Union of proposed personal services contracts where such services could potentially be performed by represented classifications. At the time the City issues a Request for Proposals ("RFP")/Request for Qualifications ("RFQ"), or thirty (30) days prior to the submission of a personal services contract ("PSC") request to the Department of Human Resources and/or the Civil Service Commission, whichever occurs first, the City shall notify the Union of any PSC(s), including a copy of the draft PSC summary form, where such services could potentially be performed by represented classifications.
72. b. If the Union wishes to meet with a department over a proposed PSC for services that could potentially be performed by represented classifications, the Union must make its request to the appropriate department within two (2) weeks after the Union's receipt of the department's notice.
73. c. The parties may discuss possible alternatives to contracting or subcontracting and whether the department staff has the expertise and/or facilities to perform the work. Upon request by the Union, the City shall make available for inspection any and all pertinent background and/or documentation relating to the service contemplated to be contracted out.
74. d. In order to ensure that the parties are fully able to discuss their concerns regarding particular proposed contracts, the City agrees that it will take all appropriate steps to ensure that parties (excluding the Board of Supervisors and other boards or commissions) who are responsible for the contracting-out decision(s) are present at the meeting(s) referenced in paragraph 72.

ARTICLE II – EMPLOYMENT CONDITIONS

75. e. The City agrees to provide the Union with notice(s) of departmental commissions and Civil Service Commission meetings during which proposed PSCs are calendared for consideration, where such services could potentially be performed by represented classifications.

II.G. STAFFING LEVELS

76. Upon request of the Union, if there is a reduction in the number of budgeted positions in this bargaining unit that impacts working conditions, the City agrees to meet and confer on the impact of such reductions on the remaining workforce to the extent required by MMBA.
77. The City agrees to meet and confer in good faith upon request and endeavor to reach agreement on workload standards. Such meetings may include discussions of appropriate work for one person and relevant state guidelines. The City agrees to provide any written information on staffing levels in a given department upon written request to the Employee Relations Department with any reproduction costs above a single copy to be paid by the Union.
78. The City, realizing that staffing reductions could result in increased workload pressures upon the remaining employees shall, upon request of an employee, meet to discuss work priorities and/or workload reductions. The employee may have a representative of his or her choice at such meetings.

II.J. MINIMUM NOTICE FOR DISPLACEMENTS

79. The City will provide ten (10) business days' notice to employees who are subject to displacement due to layoffs. To the extent this notice period extends beyond the date the displacing employee is to start in the position, the employee who is to be displaced will be placed in a temporary exempt position in his/her classification and department for the remainder of the notice period.

ARTICLE III: PAY, HOURS AND BENEFITS

- Base wage of 8205 Institutional Police Sergeant will be the same as 8308 Sheriff's Sergeants.
 - Base wage of 8209 Institutional Police Lieutenant will be the same as 8310 Sheriff's Lieutenant.
81. When the equivalent classes in the Deputy Sheriff division receive an increase in base wages, the base wages of the IPOA classes assigned to the Sheriff's Department will increase at the same time and in the same amounts during the term of this agreement without it being necessary for the IPOA or any member of the bargaining Unit to initiate action. A copy of the Deputy Sheriff agreement on wages is attached hereto as Attachment B.

III.B. NORMAL WORK SCHEDULES

82. Regular Work Day. Unless agreed upon by the City and the Union as set forth below under the heading "Alternate Work Schedule", a regular workday is a tour of duty of eight (8) hours of work completed within not more than twenty-four (24) hours. There shall be no split shift.
83. Regular Work Week. The Appointing Authority shall determine the work schedule for employees in his/her department. Unless agreed upon by the Union and the City as set forth below under the heading "Alternate Work Schedule", a regular workweek is a tour of duty of five (5) consecutive days within a seven (7) day period. However, employees who are moving from one shift or one work schedule to another may be required to work in excess of five (5) working days in conjunction with changes in their work shifts or schedules.
84. Alternate Work Schedule. By mutual agreement, the City and the Union may enter into cost equivalent alternate work schedules for some or all represented employees. Such alternate work schedules may include, but are not limited to, core hours flex-time; full-time work weeks of less than five (5) days; or a combination of features mutually agreeable to the parties. Such changes in the work schedule shall not alter the basis for, or entitlement to, receiving the same rights and privileges as those provided to employees on five (5) day, forty (40) hour a week schedules.

ARTICLE III – PAY, HOURS AND BENEFITS

III.C. COMPENSATION FOR VARIOUS WORK SCHEDULES

85. This section shall apply to employees who do not work for the Sheriff's Department only.

1. Normal Work Schedule

86. Compensation fixed herein on a per diem basis is for a normal eight hour work day; and on a bi-weekly basis for a bi-weekly period of service consisting of normal work schedules.

2. Part-Time Work Schedule

87. Salaries for part-time services shall be calculated upon the compensation for normal work schedules proportionate to the hours actually worked.

III.D. ADDITIONAL COMPENSATION

1. Night Duty

88. Employees who, as part of their regularly scheduled work shift, are required to work any hours between 4:00 p.m. and 11:00 p.m. shall receive a premium of eight and one-half percent (8.5%) per hour in addition to their straight time hourly base rate of pay for any and all hours worked between 4:00 p.m. and 11:00 p.m.

89. Employees who, as part of their regularly scheduled work shift, are required to work any hours between 11:00 p.m. and 6:00 a.m. shall receive a premium of ten percent (10%) per hour in addition to their straight time hourly base rate of pay for any and all hours worked between 11:00 p.m. and 6:00 a.m.

90. Excluded from these provisions are those employees who participate in an authorized flex-time program where the work shift includes hours to be worked between the hours of 5:00 p.m. and 7:00 p.m. Day shift employees assigned to work during the night duty premium hours are not eligible for night duty premium.

2. Bilingual Premium

91. Bilingual pay, in the amount of thirty-five dollars (\$35) bi-weekly, shall be paid to members who have been certified by the Department of Human Resources as having proficiency in Spanish, Cantonese, Mandarin, Tagalog, sign language for the hearing impaired and Braille for the visually impaired. Members certified by the Department of Human Resources as having proficiency in other languages shall, upon the approval of the appointing officer, receive this bilingual premium.

ARTICLE III – PAY, HOURS AND BENEFITS

3. Standby Pay

92. Employees who, as part of the duties of their positions are required by the appointing officer to standby when normally off duty to be instantly available on call for immediate emergency service for the performance of their regular duties, shall be paid ten (10) percent of their regular straight time rate of pay for the period of such standby service when outfitted by their department with any type of an electronic communication device or cell phone. When such employees are called to perform their regular duties in emergencies during the period of such standby service, they shall be paid while engaged in such emergency service the usual rate of pay for such service as provided herein. However, standby pay shall not be allowed in classes or positions whose duties are primarily administrative in nature, as designated by the appointing officer.
93. No employee in any Department other than employees assigned to the Sheriff's Department shall be compensated for standby service unless the appointing officer, with the approval of the Board or Commission, where applicable, shall have filed with the Department of Human Resources a report of the necessity for such standby service and other conditions pertaining to the employee's availability for emergency callback service, and a report of the names, classification, rates of pay and work and standby schedules of the employees assigned to such standby service and until funds for the compensation for such standby service have been appropriated by the Board of Supervisors.
94. The provisions of this article authorizing standby pay do not apply to classifications designated by a "Z" symbol and which would qualify for designation as executive under the duties test provisions of the Federal Fair Labor Standards Act. Provided, however, that if such compensation is expressly requested and approved in accordance with the procedures in this section as set forth below, employees in the classification categories referenced in this subsection shall be eligible for standby compensation.

4. Call Back Pay

95. Employees ordered back to work following the completion of their work day and departure from their place of employment shall be granted a minimum of four (4) hours pay at the applicable rate or shall be paid for all hours actually worked at the applicable rate, whichever is greater. For employees covered by this agreement, call back means being ordered to work in an emergency, as a witness in a criminal matter, or when ordered for other reasons. Call back does not mean continuing duty that does not have a substantial break, court appearances as a result of off-duty employment or personal reasons, prescheduled overtime, or employees called in to duty when on standby status.

ARTICLE III – PAY, HOURS AND BENEFITS

5. Acting Assignment Pay

96. Employees assigned by the appointing authority or his designee to perform substantial portion of the duties and responsibilities of a higher classification shall receive compensation at a higher salary if all of the following conditions are met: (1) The assignment shall be in writing; (2) The position to which the employee is assigned must be a budgeted position; and (3) The employee is assigned to perform the duties of a higher classification for longer than ten (10) consecutive working days.
97. Upon written approval by the appointing authority, beginning on the eleventh (11th) day of an acting assignment under this section and retroactive to the first (1st) day of the assignment, an employee shall be paid at a step of the established salary schedule of the higher class which is at least five percent (5%) above the employee's base salary but which does not exceed the maximum step of the salary schedule of the class to which temporarily assigned. Premiums based on percent of salary shall be paid at a rate which includes out of class pay.
98. Requests for classification or reclassification review shall not be governed by this provision.

6. Supervisory Differential Adjustment

99. The Appointing Officer may adjust the compensation of a supervisory employee whose schedule of compensation is set herein subject to the following conditions:
100. a. The supervisor, as part of the regular responsibilities of his/her class, supervises, directs, is accountable for and is in responsible charge of the work of a subordinate or subordinates.
101. b. The supervisor must actually supervise the technical content of subordinate work and possess education and/or experience appropriate to the technical assignment.
102. c. The organization is a permanent one approved by the appointing officer, Chief Administrative Officer, Board or Commission, where applicable, and is a matter of record based upon review and investigation by the Department of Human Resources.
103. d. The classifications of both the supervisor and the subordinate are appropriate to the organization and have a normal, logical relationship to each other in terms of their respective duties and levels of responsibility and accountability in the organization.

ARTICLE III – PAY, HOURS AND BENEFITS

- 104. e. The compensation schedule of the supervisor is less than one full step (approximately 5%) over the compensation schedule, exclusive of extra pay, of the employee supervised. In determining the compensation schedule of a classification being paid a flat rate, the flat rate will be converted to a bi-weekly rate and the compensation schedule the top step of which is closest to the flat rate so converted shall be deemed to be the compensation schedule of the flat rate classification.
- 105. f. The adjustment of the compensation schedule of the supervisor shall not exceed five percent (5%) over the compensation exclusive of extra pay, of the employee supervised.
- 106. g. If the application of this section adjusts the compensation schedule of an employee in excess of his/her immediate supervisor, the pay of such immediate supervisor shall be adjusted to an amount one dollar (\$1) bi-weekly in excess of the base rate of his/her highest paid subordinate, provided that the applicable conditions of this section are also met.
- 107. h. In no event will the Appointing Officer or the Department of Human Resources approve a supervisory salary adjustment in excess of 2 full steps (approximately 10%) over the supervisor's current basic compensation. If in the following fiscal year a salary inequity continues to exist, the Appointing Officer may again review the circumstances and may grant an additional salary adjustment not to exceed 2 full steps (approximately 10%). The Appointing Officer must notify the Department of Human Resources of any changed conditions.
- 108. i. The Appointing Officer shall review any change in the conditions or circumstances that were and are relevant to the request for salary adjustment under this section either acted upon by or pending before the Human Resources Director.

III.E. OVERTIME

- 109. Appointing officers may require employees to work longer than the normal work day or longer than the normal work week. Any time worked under proper authorization of the appointing officer or his/her designated representative or any hours suffered to be worked by an employee, exclusive of part-time employees, in excess of actual paid work on a regular work day or week shall be designated as overtime and shall be compensated at one-and a half times the base hourly rate which may include a night differential if applicable, provided that employees working in classifications that are designated as having a regular work day of less than eight (8) hours or a regular work week of less than forty (40) hours shall not be entitled to overtime compensation for work performed in excess of said specified regular hours until they exceed eight (8)

ARTICLE III – PAY, HOURS AND BENEFITS

hours per day and forty (40) hours per week, provided further, that employees working in a flex-time program shall be entitled to overtime compensation as provided herein when required to work more than eighty (80) hours per payroll period. Overtime shall be calculated and paid on the basis of the total number of straight-time hours worked in a day and a week.

110. For the purposes of this section, statutory holidays and in-lieu holidays shall be counted as hours worked. Overtime compensation so earned shall be computed subject to all the provisions and conditions set forth herein.
111. Employees occupying Fair Labor Standards Act (FLSA) exempt (executive, administrative, or professional) positions shall not be paid for overtime worked but may be granted compensatory time off.
112. Those employees covered by the Fair Labor Standards Act who are required or suffered to work overtime shall be paid at a rate of one and one-half times (1-1/2) the regular base rate, except by mutual agreement an employee may earn up to 80 hours of compensatory time each fiscal year.
113. Employees shall give the Department forty-eight hours advance written notice of a request to use compensatory time off. The Department shall grant permission to use the compensatory time off unless doing so would unduly disrupt the operation of the Department. The Department may grant an employee's request to use compensatory time off with less than the required forty-eight hours advance written notice at its sole discretion.
114. Effective July 1, 2008, employees may not accumulate a balance of compensatory time in excess of 80 hours. Any employee who has a compensatory time balance in excess of 80 hours on July 1, 2008, may either (1) maintain his or her compensatory balance but not accrue any additional compensatory time until the balance drops below 80 hours, or (2) elect to be paid out compensatory time over 80 hours.
115. After receiving from the Sheriff a written request to suspend the mandated compensatory time off provisions for "Z" designated positions, if the request meets the requirements in the Annual Salary Ordinance to suspend the "Z" designation, then ERD shall issue its letter to the appropriate authority within 10 days.
116. Upon transfer to another City department or upon separation of employment through resignation, retirement or termination, a bargaining unit member who is designated "non-Z" or whose "Z" symbol has been suspended, shall be entitled to payout of all hours of compensatory time that the member has earned but not used at the time of transfer or separation, less any applicable deductions and withholdings. A bargaining unit member who transfers from Sheriff's Department to another City department shall provide written notice to the Sheriff's Department, prior to separation from the member's classification, of the member's desire to receive payout of all hours of

ARTICLE III – PAY, HOURS AND BENEFITS

compensatory time available under this section. At the direction of the Appointing Officer, an employee shall be required to use compensatory time off before transferring from another Department.

Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year.

ARTICLE III – PAY, HOURS AND BENEFITS

3. In Lieu Holiday

122. Requests for in-lieu holidays shall be made to the appropriate management representative within thirty (30) days after the holiday is earned and must be taken within the fiscal year.

The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing officer. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.
134. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appointing officer.

If the employee is receiving a salary in his/her present classification equal to or above the entrance step of the promotive class, the employee's salary in the promotive class shall be adjusted to two steps in the compensation schedule over the salary received in the lower class but not above the maximum of the salary range of the promotive classification.
140. b. If the employee is receiving a salary in his/her present classification which is less than the entrance step of the salary range of the promotive classification, the employee shall receive a salary step in the promotive class which is closest to an adjustment of 7.5% above the salary received in the class from which promoted. The proper step shall be determined by the bi-weekly compensation schedule and shall not be above the maximum of the salary range of the promotive class.
141. For the purpose of this Section, appointment of an employee as defined herein to a position in any class the salary schedule for which is higher than the salary schedule of the employee's class shall be deemed promotive.

144. a. A former permanent City employee, following resignation with service satisfactory, is being reappointed to a permanent position in his/her former classification; or
145. b. Loss of compensation would result if appointee accepts position at the normal step; or
146. c. A severe, easily demonstrated and documented recruiting and retention problem exists; and
147. d. The appointee possesses special experience, qualifications and/or skills which, in the Appointing Officer's opinion, warrant appointment above the entrance rate.
148. When the Human Resources Director approves appointments of all new hires in a classification at a step above the entrance rate, the Human Resources Director may advance to that step incumbents in the same classification who are below that step.

4. Reappointment Within Six Months

ARTICLE III – PAY, HOURS AND BENEFITS

151. The Department of Human Resources is hereby authorized to adjust the salary and anniversary increment date of any employee promoted from one class to a higher classification who would receive a lesser salary than an employee promoted at a later date to the same classification from the same pay grade in the same base class from which the promotional examination was held.

b. Salary Increase in Next Lower Rank

152. When a classification that was formerly a next lower rank in a regular civil service promotional examination receives a salary grade higher than the salary grade of the classification to which it was formerly promotive, the Department of Human Resources shall authorize a rate of pay to an employee who was promoted from such lower class equivalent to the salary he/she would have received had he/she remained in such lower class, provided that such employee must file with the Department of Human Resources an approved request for reinstatement in accordance with the provisions of the Civil Service Commission rule governing reinstatement to the first vacancy in his/her former classification, and provided further that the increased payment shall be discontinued if the employee waives an offer to promotion from his/her current classification or refuses an exempt appointment to a higher classification. This provision shall not apply to offers of appointment which would involve a change of residence.

153. The special rate of pay herein provided shall be discontinued if the employee fails to file and compete in any promotional examination for which he/she is otherwise qualified, and which has a compensation schedule higher than the protected salary of the employee.

6. Compensation Upon Transfer Or Reemployment

a. Transfer

154. An employee transferred in accordance with Civil Service Commission rules from one Department to another, but in the same classification, shall transfer at his/her current salary, and if he/she is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former Department.

b. Reemployment in Same Class Following Layoff

155. An employee who has acquired permanent status in a position and who is laid off because of lack of work or funds and is reemployed in the same class after such layoff shall be paid the salary step attained prior to layoff.

ARTICLE III – PAY, HOURS AND BENEFITS

156. An employee who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.

d. Reemployment in a Formerly Held Class

157. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary as provided for elsewhere in this agreement (loss of compensation section).

III.I. METHODS OF CALCULATION

1. Bi-Weekly

158. An employee whose compensation is fixed on a bi-weekly basis shall be paid the bi-weekly salary for his/her position for work performed during the bi-weekly pay period. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

2. Per Diem Or Hourly

159. An employee whose compensation is fixed on a per diem or hourly basis shall be paid the daily or hourly rate for work performed during the bi-weekly payroll period on a bi-weekly pay schedule. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

III.J. SENIORITY INCREMENTS

1. Entry At The First Step

160. Full-time employees entering at the first step may advance to the second step and to each successive step upon completion of the one year required service, unless the City provides to the employee and the union express written justification for the denial of the step increase.

2. Entry At Other Than The First Step

161. Employees who enter a classification at a rate of pay at other than the first step may advance one step upon completion of the one year required service. Further

ARTICLE III – PAY, HOURS AND BENEFITS

increments shall accrue following completion of the required service at this step and at each successive step, unless the City provides to the employee and the union express written justification for the denial of the step increase.

3. Date Increment Due
162. Increments shall accrue and become due and payable on the next day following completion of required service, unless otherwise provided for in this agreement.
4. Exceptions
163. a. An employee shall not receive a salary adjustment based upon service as herein provided if he/she has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since his/her previous increment equals or exceeds the service required for the increment, and such increment date shall be his/her new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.
164. b. When records of service required for advancement in the step increments within a compensation schedule are established and maintained by electronic data processing, then the following shall apply:
 165. (1) An employee shall be compensated at the beginning of the compensation schedule plan, unless otherwise specifically provided for in this agreement. Employees shall receive salary adjustments through the steps of the compensation schedule plan by completion of actual paid service in total scheduled hours equivalent to one year or six months, whichever is applicable.
 166. (2) Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.
 167. (3) Advancement through the increment steps of the compensation schedules shall accrue and become due and payable on the next day following completion of required service in the class; provided that the above procedure for advancement to the compensation schedule increment steps is modified as follows:
 168. (a) An employee who during that portion of his/her anniversary year is absent without pay for a period less than one-sixth

ARTICLE III – PAY, HOURS AND BENEFITS

of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due during the calendar year.

169. (b) An employee who during that portion of his/her anniversary year is absent without pay for a period in excess on one-sixth of the time required to earn the next prior increment will be credited with actual paid service.
170. (4) An employee who (1) has completed probation in a permanent position, (2) is "Laid Off" from said position, (3) is immediately and continuously employed in another classification with the City either permanent or temporary, and (4) is thereafter employed in his/her permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from his/her permanent position.
171. c. An employee's scheduled step increase may be denied if the employee's performance has been unsatisfactory to the City. The denial of a step increase is subject to the grievance procedure; provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.

III.K. SICK LEAVE WITH PAY LIMITATION

172. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the amount the employee would have earned for a regular work schedule minus premium pay adjustments. If the employee wishes to exercise this option, the employee must submit a signed statement to the employee's department no later than thirty (30) days following the employee's release from disability leave.
173. SDI payments to an employee who qualifies and who has accumulated and is eligible to use sick leave with pay credits shall be supplemented with sick leave with pay credits so that the total of SDI and sick leave with pay calculated in units of one (1) hour provides up to, but does not exceed, the regular salary the employee would have received for the normal work schedule excluding overtime.

III.L. WORKERS' COMPENSATION

174. Employee supplementation of workers' compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers' compensation leave shall be drawn only from an

ARTICLE III – PAY, HOURS AND BENEFITS

employee's paid leave credits including vacation, sick leave balance, or other paid leave as available.

III.M. HEALTH AND WELFARE

1. Employee Health Care

175. The City agrees to continue to contribute the applicable rate per month directly into the City Health Service System for each employee who is a member of the Health Service System. The level of contribution is set pursuant to the Charter.

a. Health Coverage Effective January 1, 2014 Through December 31, 2014

1) Medically Single Employees

176. Effective January 1, 2014 through December 31, 2014, for "medically single employees" (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the "medically single employee" (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City's premium contribution will not fall below the lesser of: (a) the "average contribution" as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the "average contribution", one hundred percent (100%) of the premium.

177. Effective January 1, 2014 through December 31, 2014, for "medically single employees" (Employee Only) who elect to enroll in the highest cost plan, the City shall contribute ninety percent (90%) of the premium for the second highest cost plan for such employees.

2) Dependent Care Health Benefits

178. Amount of Employee Contribution to be Paid by the City. Effective January 1, 2014 through December 31, 2014, for Dependent Coverage (Employee Plus One; Employee Plus Two More), the City shall contribute up to \$635.91 per month per employee to provide for dependent coverage for employees with one or more dependents.

b. Health Coverage Effective January 1, 2015

179. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

180. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the

ARTICLE III – PAY, HOURS AND BENEFITS

City's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) Employee Plus One:

181. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

182. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

4) Contribution Cap

183. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

184. For purposes of this agreement, and any resulting agreements under paragraph 188, to ensure that all employees enrolled in health insurance through the City's Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

c. Agreement Not to Renegotiate Contributions in 2014

185. The terms described in paragraphs 182 through 187 above will be effective in calendar year 2015, and the parties agree not to seek to modify this agreement through the term of any MOU entered into prior to, or in the spring of, 2014.

d. Other Terms Negotiable

ARTICLE III – PAY, HOURS AND BENEFITS

186. While the parties have agreed in paragraph 188 not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).

e. **Other Agreements**

187. Should the City and any recognized bargaining unit reach a voluntarily bargained agreement that results in City contributions to health insurance premiums exceeding those provided by the Percentage-Based Contribution Model, the City agrees to offer the entire alternate model to the Union as a substitute.

2. **Dental Coverage**

188. Each employee covered by this agreement shall be eligible to participate in the City's dental program.

189. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/ month for employee-only, \$10/ month for employee + 1 dependent, or \$15/ month for employee +2 or more dependents.

3. **Contributions While On Unpaid Leave**

190. The City will cease payment of any and all contributions for employee health and dental benefits for those employees who remain on unpaid status, with the exception of approved sick leave or workers compensation, in excess of twelve (12) continuous weeks.

III.N. RETIREMENT

1. **Proposition C Employee Cost-Sharing:**

191. The parties recognize the requirement under Charter Section A8.409-9 to negotiate cost-sharing provisions that produce comparable savings and costs to the City and County as are produced through the Charter's SFERS employee contribution rate adjustment formulae. The parties intend this Section to effectuate the cost sharing provisions of San Francisco Charter Section A8.409-9. The parties further acknowledge that: (i) the annual SFERS employer contribution rate is determined by the SFERS actuary and approved by the SFERS Board for each fiscal year; and (ii) the annual employer contribution rate for SFERS for FY 2012-13 is 20.71%.

192. The parties agree that, when the applicable SFERS annual employer contribution rate is more than 12.00%, bargaining unit members in CalPERS shall make the mandatory statutory employee contribution described in paragraph 197, plus an

ARTICLE III – PAY, HOURS AND BENEFITS

additional mandatory contribution to effectuate San Francisco Charter Section A8.409-9 (the “Prop C Contribution”). The Prop C Contribution is determined, as set forth in the chart below, based on the employee contribution rate which corresponds to the SFERS annual employer contribution rate for that fiscal year. For example, for FY 2012-2013, based on the employer contribution rate of 20.71%, the Prop. C. Contribution will be 2.5% of covered compensation for miscellaneous safety bargaining unit members in CalPERS earning at the annual rate of less than \$100,000, and 3% of covered compensation for such bargaining unit members earning at the annual rate of \$100,000 or more.

32.51% - 35.0%	4.0%	4.5%
35.01% +	4.0%	5.0%

193. The Prop. C Contribution:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);

ARTICLE III – PAY, HOURS AND BENEFITS

- (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
- (iii) will be included in the gross income of the bargaining unit members for FICA taxes when they are made;
- (iv) will be reported to CalPERS as City contributions to be applied against the City's CalPERS reserve, and will not be applied to the bargaining unit member's individual CalPERS account;
- (v) will be included in the bargaining unit member's compensation as reported to CalPERS and the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid by the City to CalPERS; and
- (vi) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary.

194. In the event that the Prop. C Contribution is zero, i.e. the annual SFERS employer contribution rate is between 11-12%, and paragraph 193 above will not apply. In the event that the Prop. C Contribution is a negative number, i.e. the annual SFERS employer contribution rate is less than 11%, paragraph 193 above will not apply and the Prop. C Contribution will be treated as a City pick up of the bargaining unit members' mandatory CalPERS retirement contribution under paragraph 197 to the extent of the Prop. C Contribution.

195. Any City pickup of an employee's mandatory retirement contribution shall not be considered as a part of an employee's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of our percentage of salary. The City reserves the right to take said contributions into account for the purpose of salary comparisons with other employers.

196. Notwithstanding the above paragraphs, in the event that a change in state law causes the implementation, during the term of this Agreement, of an increase in the employee contribution to CalPERS for employees covered by this Agreement, either party may elect to reopen this Agreement to address the impact of the

ARTICLE III – PAY, HOURS AND BENEFITS

change in state law. This reopener shall be subject to the impasse resolution procedures and criteria set forth in Charter Section A8.409-4.

2. Employee payment of employee contribution to CalPERS

197. For the duration of this agreement, members of the bargaining unit in CalPERS shall pay the employee share of mandatory retirement contributions effectuated via a pre-tax reduction in salary. These mandatory retirement contributions:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
- (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
- (iii) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary; and
- (iv) the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid to CalPERS.

198. Rule changes by the City's Retirement Board regarding the crediting of accrued sick leave for retirement purposes shall be incorporated herein by reference. Any such rule change, however, shall not be subject to the grievance and arbitration provisions of this Agreement or the impasse procedures of Charter Section A8.409

III.O. RETIREMENT RESTORATION

199. For employees who retire prior to July 1, 2013 and whose final compensation for retirement purposes is impacted by the former holidays described in paragraphs 134 through 140 of the parties' 2010-2012 Memorandum of Understanding, the City will make available restoration pay in a lump sum equivalent to the pensionable value of the former holidays described in paragraphs 134 through 140 of that Agreement for the period used by the Public Employees' Retirement System ("PERS") to determine the employee's final compensation for retirement purposes (Final Compensation Period).

ARTICLE III – PAY, HOURS AND BENEFITS

III.P. RETIREMENT SEMINAR RELEASE TIME

200. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.
201. Employees must provide at least two-week advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.
202. All such seminars must be located within the Bay Area.
203. This section shall not be subject to the grievance procedure.

III.Q. VACATIONS

204. Vacations will be administered pursuant to the Administrative Code, Article II, and Sections 16.10 through 16.16 and is incorporated herein by reference.

III.R. VOLUNTEER/PARENTAL RELEASE TIME

205. Represented employees shall be granted paid release time to attend parent teacher conferences of four (4) hours per fiscal year (for children in kindergarten or grades 1 to 12).
206. In addition, an employee who is a parent or who has child rearing responsibilities (including domestic partners but excluding paid child care workers) of one or more children in kindergarten or grades 1 to 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. For employees not transferred to the Sheriff's Department, the City shall provide to employees with six months of continuous service a Long-Term Disability (LTD) plan that provides, after a one hundred eighty (180) day elimination period, sixty percent (60%) salary (subject to integration) up to age sixty-five. Employees who receive payments under the LTD plan shall not be eligible to continue receiving payments under the City's Catastrophic Illness Program.

ARTICLE IV: WORKING CONDITIONS

IV.A. WORKING CONDITIONS AND PAST PRACTICES

209. Notwithstanding any language in this agreement or in the Memorandum of Accord (MOA) between the parties, the parties agree that the work practices and conditions for employees assigned to the Sheriff's Department shall conform to those of the members represented by the Deputy Sheriffs' Association, as set forth in the Sheriff's Policies and Procedures Manual, except for those policies and procedures applicable only to those holding peace officer status. The City provided those policies and procedures to the Union on May 11, 2006, and they are incorporated herein by reference. Nothing contained in those policies and procedures is made grievable by incorporation herein.
210. If the Sheriff changes any policies and procedures, that have been incorporated herein, that have an impact on the working conditions of bargaining unit members, the City and the Association agree to meet and confer regarding such changes.
211. The City and the Association have expressly agreed and acknowledge that the Association is expressly waiving only the right to enforce the provisions of Paragraph Number 12 of the Memorandum of Accord negotiated and signed by the IPOA and the Sheriff's Department, which is referenced in that provision known as Section 1.59 of the San Francisco Administrative Code, and is not waiving the right to enforce any other provision of that MOA.
212. Working practices and conditions for employees of other Departments shall follow the practices and conditions of their respective Departments.

IV.B. TRAINING

213. Members covered by this contract shall be provided with paid training deemed necessary by the department to perform their jobs. The City and the Union shall mutually develop an additional program which would permit members at the discretion of the department to attend training which would enhance their individual skills.

IV.C. UNIFORMS AND SAFETY EQUIPMENT

214. For employees required by the Appointing Officer to wear a uniform, beginning in fiscal year 2006-2007 and continuing for the duration of this Agreement, the City agrees to provide a uniform allowance each year in the amount of eight hundred fifty dollars (\$850). The City will pay the uniform allowance in the payroll that includes September 1 of each year. Represented employees must be on duty status or approved leave on each September 1 to be eligible for the uniform allowance. Any eligible employee hired on or after March 1 will receive fifty percent (50%) of the uniform allowance that year.

ARTICLE IV – WORKING CONDITIONS

215. Bulletproof Vest. The City agrees to refurbish, repair or replace bulletproof vests for each represented employee required by their Appointing Officer to wear a bulletproof vest, as appropriate and in accordance with manufacturer's specifications. All bulletproof vests provided to employees remain the property of the City and must be returned to the City when an employee is issued a replacement vest.
216. Ammunition. For each member of the bargaining unit assigned to the Sheriff's Department, the City will provide an adequate amount of ammunition per month as determined by the Sheriff, to practice in order to qualify.

IV.D. PAPERLESS PAY POLICY

217. Effective on a date to be established by the Controller, but not sooner than September 1, 2014, the City shall implement a Citywide "Paperless Pay" Policy. This policy will apply to all City employees, regardless of start date.
218. Under the policy, all employees shall be able to access their pay advices electronically on a password protected site, and print them in a confidential manner, using City Internet, computers and printers. Such use of City equipment shall be free of charge to employees, is expressly authorized under this section of the Agreement, and shall not be considered "inappropriate use" under any City policy. Pay advices shall also be available to employees on a password protected site that is accessible from home or other non-worksites computers, and that allows the employees to print the pay advices. Employees shall receive assistance to print hard copies of their pay advices through their payroll offices upon request. Upon implementation of the policy, other than for employees described in the preceding sentence, paper pay advices will no longer be available through Citywide central payroll distribution.
219. The City shall maintain electronic pay advices and/or wage statements for at least seven (7) years.
220. Under the policy, all employees (regardless of start date) will have two options for receiving pay: direct deposit or pay card. Employees not signing up for either option will be defaulted into pay cards.
221. Every employee shall possess the right to do the following with any frequency and without incurring any cost to the employee:
1. Change the account into which the direct deposit is made;
 2. Switch from the direct deposit option to the pay card option, or vice versa;
 3. Obtain a new pay card the first time the employee's pay card is lost, stolen or misplaced;

ARTICLE IV – WORKING CONDITIONS

- 223. Prior to implementing the “Paperless Pay Policy,” the City will give all employee organizations a minimum of 30-days’ advance notice. Prior to implementation of the policy, the City shall notify employees regarding the policy, including how to access and print their pay advices at work or elsewhere. Training shall be available for employees who need additional assistance.
- 224. The City will work with the vendor to evaluate options to provide no-cost ATMs available at large worksites and remote worksites.
- 225. The parties mutually agree that employees may print out pay advices during work hours.

ARTICLE V: SCOPE

226. The parties recognize that recodifications may have rendered the references to specific Civil Service Rules and Charter sections contained herein, incorrect. Therefore, the parties agree that such terms will be read as if they accurately referenced the same sections in their newly codified form as of July 1, 2012.

V.A. SAVINGS CLAUSE

227. If any section, subsection, sentence clause, or phrase of this agreement is for any reason held to be unconstitutional or contrary to law, such decision shall not affect the validity of the remaining portions of this agreement. If any salary, wage or schedule of compensation herein fixed is held to be contrary to the provisions of the Charter, other law or statute, such decisions shall not affect the validity of any other salary, wage or schedule of compensation fixed in this herein. The Board of Supervisors hereby declares that it would have passed this agreement and each section, subsection, sentence, clause or phrase hereof, and approved and adopted each salary, wage or schedule of compensation herein, irrespective of the fact that anyone or more other section, subsection, clause or phrase may be declared unconstitutional, or that any other salary, wage or schedule of compensation may be declared contrary to law.

V.B. ZIPPER CLAUSE

228. Except as may be amended through the procedure provided below, this Agreement sets forth the full and entire understanding of the parties regarding the matters herein. This Agreement may be modified, but only in writing, upon the mutual consent of the parties.

V.C. PAST PRACTICE

229. The parties to this Agreement shall meet for the purpose of enumerating all past practices. The parties shall also meet to identify the current Civil Service Rules that are arbitrable. For the purposes of this section, a “past practice” shall mean either (i) an agreement between the City and the Union that has been in existence for at least one year and that addresses an appropriate subject to include in the collective bargaining agreement, or (ii) a known and well-established course of conduct that has been in existence for at least one year and that addresses an appropriate subject to include in the collective bargaining agreement.
230. 1. Any disputes regarding whether a past practice exists shall be submitted to binding arbitration no later than January 1, 1998, except that this date may be extended for up to an additional three months if requested by either party. The parties shall mutually agree to an arbitrator, pursuant to the provisions of this Agreement. The arbitrator’s sole authority shall be to determine whether a past practice exists, as defined in this section. The arbitrator’s decision shall be final and binding upon the parties, as provided in Charter Section A8.409.

ARTICLE V – SCOPE

231. 2. All past practices agreed by the parties to be included in the Agreement shall be appended to the Agreement and approved pursuant to the provisions of Charter Section A8.409, including submission for approval by the Board of Supervisors. All past practices to be included in the Agreement by award shall be appended to the Agreement, subject to implementation pursuant to Charter Section A8.409. Thereafter, all alleged violations of appended past practices will be subject to the grievance and arbitration procedure of the Agreement.
232. There shall be no change or modification of any past practice or other understanding between the parties (except for those matters governed by the Civil Service Rules excluded from arbitration) until the parties reach final agreement on the inclusion of past practices into the agreement or until the arbitration award is issued pursuant to the provisions herein, whichever is later. Thereafter, the parties agree that all past practices and other understandings between the parties not expressly memorialized and incorporated into this Agreement shall no longer be enforceable.

V.D. CIVIL SERVICE RULES/ADMINISTRATIVE CODE

233. Nothing in this Agreement shall alter the Civil Service Rules excluded from arbitration pursuant to Charter Section A8.409-3. In addition, such excluded Civil Service Rules may be amended during the term of this Agreement and such changes shall not be subject to any grievance and arbitration procedure but shall be subject to meet and confer negotiations, subject to applicable law. As required by Charter Section A8.409-3, the Civil Service Commission retains sole authority to interpret and to administer all Civil Service Rules. The City and the individual unions agree to use all reasonable efforts to meet and confer promptly regarding proposed changes to the Civil Service Commission Rules.

V.E. DURATION OF AGREEMENT

234. This Agreement shall be effective July 1, 2014 and shall remain in full force and effect through June 30, 2017.
235. Although not a mandatory subject of bargaining, if requested in writing by the Union, the City agrees to meet and confer with the Union over a mutually satisfactory amendment to the City's contract with PERS to effect safety retirement improvements for represented employees. As set forth in Charter Section A8.506-2, any contract amendment shall be cost neutral. As set forth in Charter Section A8.409-5 and A8.506-2, the parties acknowledge that any disputes remaining after meet and confer on a PERS contract amendment are not subject to the impasse resolution procedures in Charter Section A8.409.

ARTICLE I: REPRESENTATION

I.A. RECOGNITION

1. The City acknowledges that the Union has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions as set forth in the City's Employee Relations Ordinance for units as listed below.

8205 Institutional Police Sergeant
8209 Institutional Police Lieutenant

2. Recognition shall only be extended to individual classes accreted to existing bargaining units covered by this Agreement. Application of this provision shall not extend to bargaining units acquired through affiliations or service agreements. Upon request of the Union the City will meet and confer concerning proposed changes to bargaining units.

I.B. MANAGEMENT RIGHTS

3. Except as otherwise provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.
4. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public, and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

I.C. NO STRIKE PROVISION

5. The Union and each member of the bargaining unit covenant and agree not to initiate, engage in, cause, instigate, encourage or condone a strike, work stoppage, or slowdown. The Union and each member of the bargaining unit covenant and agree not to engage in any form of sympathy strike including, but not limited to, observing or honoring the picket line of any other union. The City agrees during the term of this agreement not to conduct a lockout against any of the employees covered by this Agreement.

ARTICLE I – REPRESENTATION

I.D. GRIEVANCE PROCEDURE

6. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein. Employees shall follow the grievance procedures set forth in the MOU between the City and the Deputy Sheriffs' Association, as set forth below.
7. 1. Definition. A grievance is defined as an allegation by an employee, a group of employees or the Association that the City has violated, misapplied or misinterpreted a term or condition of employment provided in this Agreement. A grievance does not include the following:
 8. a. All Civil Service Commission "carve-outs," as described in Charter section A8.409-3.
 9. b. Performance evaluations provided however, that employees shall be entitled to submit written rebuttals to unfavorable performance evaluations. Said rebuttal shall be attached to the performance evaluation and placed in the employee's official personnel file. In the event of an unfavorable performance rating, the employee shall be entitled to a performance review conference with the author and the reviewer of the performance evaluation. The employee shall be entitled to Association representation at said conference.
10. 2. Time Limits. The time limits set forth herein may be extended by agreement of the parties. Any such extension must be for a specifically stated period of time and confirmed in writing. In the event a grievance is not filed or appealed in a timely manner it shall be deemed withdrawn. Failure of the City to timely reply shall authorize the Association to appeal the grievance to the next step in the Grievance Procedure.
11. Economic Claims. Any claim for monetary relief shall not extend more than thirty (30) calendar days prior to the filing of a grievance. Though the resolution of disputes outside the Grievance Procedure is desired, it is understood by the Association that, in order to preserve its claims for monetary relief, it will file a grievance upon having knowledge of the aggrieved event and, should resolution outside the Grievance Procedure appear probable, request an abeyance of the Grievance Procedure time limits, as set forth in section 2, above. The City will not unreasonably refuse a request for abeyance where settlement of an economic claim appears probable.
12. 3. Reduction in Pay in Lieu of Suspension. In lieu of an unpaid suspension, the City may, at its option, impose a temporary reduction in pay by reducing an employee's pay by five percent (5%) or to the next lower pay step. The duration of such pay reduction shall depend on the seriousness of the offense. However, the

ARTICLE I – REPRESENTATION

cumulative loss in pay associated with any single implementation of this provision shall not exceed the value of a 30-day unpaid suspension

4. Grievance Initiation.

13. a. A grievance affecting more than one employee shall be filed with the departmental official having authority over all employees affected by the grievance.
14. b. Only the Association may file a grievance arising from a final disciplinary decision. All disciplinary matters, except for termination, shall be initiated with the Appointing Officer or designee at Step 2.
15. c. Termination grievances will be filed directly at Step 3 (Employee Relations Director or his/her designee)
16. d. The parties agree to use their best efforts to schedule arbitration hearings for termination grievances within ninety (90) days of the appeal to arbitration.
17. e. The parties will agree in advance on an arbitrator or panel of arbitrators to hear all terminations.
18. f. All other issues shall be initiated at Step 1.

5. Steps of the Procedure.

20. a. Step 1. The grievant shall discuss the grievance informally with his/her immediate supervisor, provided the grievance is not a discrimination or retaliation claim against that supervisor, and try to work out a satisfactory solution in an informal manner as soon as possible, but in no case later than ten (10) calendar days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved. The grievant may have an Association representative present.
21. b. Step 2. A grievant dissatisfied with the response at Step 1 may appeal to the Appointing Authority or designee, in writing, within seven (7) calendar days of receipt of the Step 1 answer. The Appointing Authority or designee may convene a meeting within fifteen (15) calendar days with the grievant and/or the grievant's Association representative. The Appointing Authority or designee shall respond in writing within fifteen (15) calendar days of the meeting or receipt of the grievance, whichever is later.

ARTICLE I – REPRESENTATION

22. c. Step 3. A grievant dissatisfied with the Appointing Authority's response at Step 2 may appeal to the Director, Employee Relations "(ERD)", or its designee, in writing, specifying the reason(s) why it is dissatisfied with the Department's response, within fifteen (15) calendar days of receipt of the Step 2 answer. The grievance shall contain copies of all earlier correspondence and materials reviewed at the earlier steps. ERD may convene a grievance meeting within fifteen (15) calendar days with the grievant and/or the grievant's Association representative. ERD shall have thirty (30) calendar days after the receipt of the written grievance, or if a meeting is held, thirty (30) calendar days after the meeting, whichever is later, to review and seek resolution of the grievance and respond in writing.
23. d. Step 4. If the Association is dissatisfied with the Step 3 response it may appeal by notifying ERD, in writing, within thirty (30) calendar days of its receipt of the Step 3 response, that arbitration is being invoked. Only the Association may submit a grievance to arbitration under his Article.
24. 6. Expedited Arbitration. By written mutual agreement entered into before or during Step 3 of the Grievance Procedure, the parties may submit any Contractual Interpretation grievance to the Expedited Arbitration process.
25. a. Selection of the Arbitrator for Expedited Arbitration. The parties will first attempt to mutually agree on an arbitrator within seven (7) days of the invocation of Expedited Arbitration. If the parties are unable to agree on a selection within the seven (7) days, either party may request a list of seven (7) appropriately experienced arbitrators from the California State Mediation and Conciliation Service (CSMCS). As a condition of appointment to the CSMCS panel, each of the panelists must certify that (s) he will be available to hear the Expedited Arbitration in not greater than thirty (30) days from her/his selection.
26. The parties will alternately strike panelists until a single name remains. Should the remaining panelist be unable to preside over the Expedited Arbitration within thirty (30) days, the last name stricken from the panel will be contacted, and continuing, if necessary, in reverse order of the names being stricken, until a panelist is selected who can preside over the Expedited Arbitration within thirty (30) days. Whether the Association or City strikes the first name in the alternating process shall be determined by lot.
27. b. Proceeding. No briefs will be used in Expedited Arbitration. Testimony and evidence will be limited consistent with the expedited format, as deemed appropriate by the arbitrator. There will be no court reporter or transcription of the proceeding, unless either party or the arbitrator

ARTICLE I – REPRESENTATION

requests one. At the conclusion of the Expedited Arbitration, the arbitrator will make a bench decision. Every effort shall be made to have a bench decision followed by a written decision. Expedited arbitration decisions will be non-precedential except in future issues regarding the same employee.

28. c. Costs. Each party shall bear its own expenses in connection with the presentation of its case. All fees and expenses of the arbitrator shall be borne and shared equally by the parties. The costs of a court reporter and the transcription of the proceeding, if any, shall be paid by the party requesting such, unless requested by the arbitrator, which will then be borne and equally shared by the parties. In the event that an Expedited Arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise.
29. 7. Selection of an Arbitrator (not Expedited Arbitration). The parties shall establish a list of seven (7) arbitrators to serve as the permanent panel to hear grievances arising under the terms of this Agreement. In the event the parties cannot agree on the panel within thirty (30) days following the effective date of this Agreement, either party may obtain a panel through the appointment process of the CSMCS. Any name provided by the CSMCS may be removed from the panel by mutual consent of the parties. The CSMCS will appoint a replacement for any name removed, unless the parties mutually agree on a replacement panelist.
30. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within ten (10) calendar days, the arbitrator shall be selected from the permanent panel in accordance with the following procedure:
31. a. Panelists shall be listed in alphabetical order. The case shall be assigned to the next panelist in order, provided however that each party shall be entitled to one strike.
32. b. The panelist next in order following any strike options exercised by the parties shall be designated to hear the case.
33. c. In the event that either party strikes a panelist's name from the list in accordance with this section, the struck panelist's name shall be placed at the bottom of the list. Once struck, the same party may not strike that panelist's name again until that panelist has been selected to preside over an arbitration.
34. Authority of the Arbitrator. The decision of the arbitrator (for both Arbitration and Expedited Arbitration) shall be final and binding, unless challenged under

ARTICLE I – REPRESENTATION

applicable law. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

35. Costs of Arbitration. The direct expenses of the arbitration including the fees and expenses of the arbitrator shall be borne and shared equally by the parties. The costs of a court reporter and the transcription of the proceeding, if any, shall be paid by the party requesting such, unless requested by the arbitrator, which will then be borne and equally shared by the parties. In the event that an arbitration is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless the parties agree otherwise.
36. Hearing Dates and Date of Award. Except for the Expedited Arbitration procedure described above, hearing dates shall be scheduled within thirty (30) working days of selection of an arbitrator or on the next practicable date mutually agreeable to the parties. Awards shall be due forty-five (45) calendar days following the receipt of closing arguments. As a condition of appointment to the permanent panel, arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.

I.E. OFFICIAL REPRESENTATIVE AND STEWARDS

1. Official Representatives
37. The Union may select up to the numbers of employees identified in the groupings below for purposes of meeting and conferring with the City, during the employee's regular duty or work hours without loss of compensation, on matters within the scope of representation. If a situation should arise where the Union believes that more than five (5) employee members should be present at such meetings, and the City disagrees, the Union shall take the matter up with the Employee Relations Director and the parties shall attempt to reach agreement as to how many employees shall be authorized to participate in said meetings. The selection of such employee members or substitutions, or replacements therefor, and their attendance at meetings during their regular duty or work hours, shall be subject to the following:
38. a. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.
39. b. No selected employee member shall leave the duty or work station, or assignment without specific approval of appropriate Employer representative.

ARTICLE I – REPRESENTATION

40. In scheduling meetings due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.

2. Stewards

41. a. The Union shall furnish the Employee Relations Division with an accurate list of stewards and alternate stewards in designated or professional series units. The Union may submit amendments to this list at any time because of the permanent absence of a designated steward. If a steward is not officially designated in writing by the Union, none will be recognized for that area or shift.
42. b. The Union recognizes that it is the responsibility of the steward to assist in the resolution of grievances at the lowest possible level.
43. c. Upon notification of an appropriate management person, stewards or designated officers of the Union subject to management approval which shall not be unreasonably withheld shall be granted reasonable release time to investigate and process grievances and appeals. Stewards shall advise their supervisors of the area or work location where they will be investigating or processing grievances. The Union will attempt to insure that steward release time will be equitably distributed.
44. d. In emergency situations, where immediate disciplinary action is taken because of an alleged violation of law or a City departmental rule (intoxication, theft, etc.) the steward shall not unreasonably be denied the right to leave his/her post or duty to assist in the grievance procedure.
45. e. Stewards shall not interfere with the work of any employee. It shall not constitute interference with the work of an employee for a steward, in the course of investigating or processing a grievance, to interview an employee during the employee's duty time.
46. f. Stewards shall orient new employees on matters concerning employee rights under the provisions of the Agreement.

I. F. UNION ACCESS

- 46a. The Union shall have reasonable access to all work locations to verify that the terms and conditions of this Agreement are being carried out and for the purpose of conferring with employees, provided that access shall be subject to such rules and regulations immediately below, as well as to such rules and regulations as may be agreed to by the department and the union. Union access to work locations will not**

ARTICLE I – REPRESENTATION

disrupt or interfere with a department's mission and services or involve any political activities.

46b. Union representatives shall also have a reasonable right of access to non-work areas (bulletin boards, employee lounges and break rooms), and to hallways in order to reach non-work areas, to verify that the terms and conditions of this Agreement are being carried out and for the purpose of conferring with employees.

46c. Union representatives must identify themselves upon arrival at a City department. Union representatives may use department meeting space with a reasonable amount of notice, subject to availability.

46d. In work units where the work is of a confidential nature and in which the department requires it of other non-employees, a department may require that union representatives be escorted by a department representative when in areas where said confidential work is taking place.

46e. Nothing herein is intended to disturb existing written departmental union access policies. Further, departments may implement additional rules and regulations after meeting and conferring with the Union.

ARTICLE II: EMPLOYMENT CONDITIONS

II.A. NON-DISCRIMINATION

47. The City and the Union agree that this Agreement shall be administered in a non-discriminatory manner. Specifically, no person covered by this Agreement shall be discriminated against because of race, color, creed, religion, sex, sexual orientation, national origin, physical or mental disability, age, political affiliation or opinion, or Union membership or activity. Discrimination as used herein shall mean discrimination or harassment as defined by Title VII of the 1964 Civil Rights Act, as amended, the Civil Rights Act of 1991, the California Fair Employment and Housing Act, the Americans with Disabilities Act, the California and United States Constitutions, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, the Civil Rights Act of 1866, and any other laws and regulations relating to employment discrimination.
48. The Appointing Officer must notify the Department of Human Resources of any changed conditions.

3. Appointment Above Entrance Rate

144. Subject to the Controller's certification of available funds and procedures to be established by DHR, appointments may be made by an Appointing Officer at any step in the compensation grade under any of the following conditions under the following conditions:

145. a. A former permanent City employee, following resignation with service satisfactory, is being reappointed to a permanent position in his/her former classification; or
146. b. Loss of compensation would result if appointee accepts position at the normal step; or
147. c. A severe, easily demonstrated and documented recruiting and retention problem exists; and
148. d. The appointee possesses special experience, qualifications and/or skills which, in the Appointing Officer's opinion, warrant appointment above the entrance rate.

149. When the Human Resources Director approves appointments of all new hires in a classification at a step above the entrance rate, the Human Resources Director may advance to that step incumbents in the same classification who are below that step.

4. Reappointment Within Six Months

150. A permanent employee who resigns and is subsequently reappointed to a position in the same classification within six (6) months of the effective date of resignation shall be reappointed to the same salary step that the employee received at the time of resignation.

5. Compensation Adjustments

- a. Prior Fiscal Year
151. When an employee promoted to a higher class during a prior fiscal year receives a lesser salary than if promoted in the same class and from the same schedule step

ARTICLE III – PAY, HOURS AND BENEFITS

during the current fiscal year his/her salary shall be adjusted on July 1, to the rate he/she would have received had he/she been promoted in the current fiscal year.

152. The Department of Human Resources is hereby authorized to adjust the salary and anniversary increment date of any employee promoted from one class to a higher classification who would receive a lesser salary than an employee promoted at a later date to the same classification from the same pay grade in the same base class from which the promotional examination was held.

b. Salary Increase in Next Lower Rank

153. When a classification that was formerly a next lower rank in a regular civil service promotional examination receives a salary grade higher than the salary grade of the classification to which it was formerly promotive, the Department of Human Resources shall authorize a rate of pay to an employee who was promoted from such lower class equivalent to the salary he/she would have received had he/she remained in such lower class, provided that such employee must file with the Department of Human Resources an approved request for reinstatement in accordance with the provisions of the Civil Service Commission rule governing reinstatement to the first vacancy in his/her former classification, and provided further that the increased payment shall be discontinued if the employee waives an offer to promotion from his/her current classification or refuses an exempt appointment to a higher classification. This provision shall not apply to offers of appointment which would involve a change of residence.

154. The special rate of pay herein provided shall be discontinued if the employee fails to file and compete in any promotional examination for which he/she is otherwise qualified, and which has a compensation schedule higher than the protected salary of the employee.

6. Compensation Upon Transfer Or Reemployment

a. Transfer

155. An employee transferred in accordance with Civil Service Commission rules from one Department to another, but in the same classification, shall transfer at his/her current salary, and if he/she is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former Department.

b. Reemployment in Same Class Following Layoff

156. An employee who has acquired permanent status in a position and who is laid off because of lack of work or funds and is reemployed in the same class after such layoff shall be paid the salary step attained prior to layoff.

ARTICLE III – PAY, HOURS AND BENEFITS

An employee who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.

d. Reemployment in a Formerly Held Class

158. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary as provided for elsewhere in this agreement (loss of compensation section).

III.I. METHODS OF CALCULATION

1. Bi-Weekly

159. An employee whose compensation is fixed on a bi-weekly basis shall be paid the bi-weekly salary for his/her position for work performed during the bi-weekly pay period. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

2. Per Diem Or Hourly

160. An employee whose compensation is fixed on a per diem or hourly basis shall be paid the daily or hourly rate for work performed during the bi-weekly payroll period on a bi-weekly pay schedule. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

III.J. SENIORITY INCREMENTS

1. Entry At The First Step

161. Full-time employees entering at the first step may advance to the second step and to each successive step upon completion of the one year required service, unless the City provides to the employee and the union express written justification for the denial of the step increase.

2. Entry At Other Than The First Step

162. Employees who enter a classification at a rate of pay at other than the first step may advance one step upon completion of the one year required service. Further

ARTICLE III – PAY, HOURS AND BENEFITS

increments shall accrue following completion of the required service at this step and at each successive step, unless the City provides to the employee and the union express written justification for the denial of the step increase.

3. Date Increment Due

163. Increments shall accrue and become due and payable on the next day following completion of required service, unless otherwise provided for in this agreement.

4. Exceptions

164. a. An employee shall not receive a salary adjustment based upon service as herein provided if he/she has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since his/her previous increment equals or exceeds the service required for the increment, and such increment date shall be his/her new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.

165. b. When records of service required for advancement in the step increments within a compensation schedule are established and maintained by electronic data processing, then the following shall apply:

166. (1) An employee shall be compensated at the beginning of the compensation schedule plan, unless otherwise specifically provided for in this agreement. Employees shall receive salary adjustments through the steps of the compensation schedule plan by completion of actual paid service in total scheduled hours equivalent to one year or six months, whichever is applicable.

167. (2) Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.

168. (3) Advancement through the increment steps of the compensation schedules shall accrue and become due and payable on the next day following completion of required service in the class; provided that the above procedure for advancement to the compensation schedule increment steps is modified as follows:

169. (a) An employee who during that portion of his/her anniversary year is absent without pay for a period less than one-sixth

ARTICLE III – PAY, HOURS AND BENEFITS

of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due during the calendar year.

170. (b) An employee who during that portion of his/her anniversary year is absent without pay for a period in excess on one-sixth of the time required to earn the next prior increment will be credited with actual paid service.
171. (4) An employee who (1) has completed probation in a permanent position, (2) is "Laid Off" from said position, (3) is immediately and continuously employed in another classification with the City either permanent or temporary, and (4) is thereafter employed in his/her permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from his/her permanent position.
172. c. An employee's scheduled step increase may be denied if the employee's performance has been unsatisfactory to the City. The denial of a step increase is subject to the grievance procedure; provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.

III.K.SICK LEAVE WITH PAY LIMITATION

173. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the amount the employee would have earned for a regular work schedule minus premium pay adjustments. If the employee wishes to exercise this option, the employee must submit a signed statement to the employee's department no later than thirty (30) days following the employee's release from disability leave.
174. SDI payments to an employee who qualifies and who has accumulated and is eligible to use sick leave with pay credits shall be supplemented with sick leave with pay credits so that the total of SDI and sick leave with pay calculated in units of one (1) hour provides up to, but does not exceed, the regular salary the employee would have received for the normal work schedule excluding overtime.

III.L.WORKERS' COMPENSATION

175. Employee supplementation of workers' compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers' compensation leave shall be drawn only from an

ARTICLE III – PAY, HOURS AND BENEFITS

employee's paid leave credits including vacation, sick leave balance, or other paid leave as available.

III.M.HEALTH AND WELFARE

1. Employee Health Care

176. The City agrees to continue to contribute the applicable rate per month directly into the City Health Service System for each employee who is a member of the Health Service System. The level of contribution is set pursuant to the Charter.

a. ~~Health Coverage Effective Through December 31, 2013~~

1) Medically Single Employees

177. ~~From July 1, 2012 to December 31, 2013, for "medically single"/Employee Only employees (i.e., benefited employees not receiving the contribution paid by the City for dependent health care benefits) who enroll in health plans other than City Plan, the City shall contribute all of the premium for the employee's own health care benefit coverage. For all employees enrolled in the City Plan in the medically single/Employee Only category, the City's contribution will be capped at an amount equivalent to the cost of the second highest cost plan for medically single/Employee Only enrollees. Employees who elect to enroll in the City Plan in this category must pay the difference between the capped amount of the City Plan described above and the cost of City Plan coverage in the medically single/Employee Only category.~~

2) Dependent Care Health Benefits

178. ~~Amount of Employee Contribution to be Paid by the City. From July 1, 2012 to December 31, 2013, for Dependent Coverage (Employee Plus One; Employee Plus Two More), the City shall contribute up to \$635.91 per month per employee to provide for dependent coverage for employees with one or more dependents.~~

ba. Health Coverage Effective January 1, 2014 Through December 31, 2014

1) Medically Single Employees

179. Effective January 1, 2014 through December 31, 2014, for "medically single employees" (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the "medically single employee" (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City's premium contribution will not fall below the lesser of: (a) the "average contribution" as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the "average contribution", one hundred percent (100%) of the premium.

ARTICLE III – PAY, HOURS AND BENEFITS

180. Effective January 1, 2014 through December 31, 2014, for “medically single employees” (Employee Only) who elect to enroll in the highest cost plan, the City shall contribute ninety percent (90%) of the premium for the second highest cost plan for such employees.

2) Dependent Care Health Benefits

181. Amount of Employee Contribution to be Paid by the City. Effective January 1, 2014 through December 31, 2014, for Dependent Coverage (Employee Plus One; Employee Plus Two More), the City shall contribute up to \$635.91 per month per employee to provide for dependent coverage for employees with one or more dependents.

eb. Health Coverage Effective January 1, 2015

182. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City’s contribution of a percentage of those premiums and the employee’s payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

183. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City’s contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) Employee Plus One:

184. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City’s contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

185. For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City’s contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

4) Contribution Cap

186. In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

ARTICLE III – PAY, HOURS AND BENEFITS

5) Average Contribution Amount

187. For purposes of this agreement, and any resulting agreements under paragraph 188, to ensure that all employees enrolled in health insurance through the City's Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

dc. Agreement Not to Renegotiate Contributions in 2014

188. The terms described in paragraphs 182 through 187 above will be effective in calendar year 2015, and the parties agree not to seek to modify this agreement through the term of any MOU entered into prior to, or in the spring of, 2014.

ed. Other Terms Negotiable

189. While the parties have agreed in paragraph 188 not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).

fe. Other Agreements

190. Should the City and any recognized bargaining unit reach a voluntarily bargained agreement that results in City contributions to health insurance premiums exceeding those provided by the Percentage-Based Contribution Model, the City agrees to offer the entire alternate model to the Union as a substitute.

2. Dental Coverage

191. Each employee covered by this agreement shall be eligible to participate in the City's dental program.
192. Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/ month for employee-only, \$10/ month for employee + 1 dependent, or \$15/ month for employee +2 or more dependents.

ARTICLE III – PAY, HOURS AND BENEFITS

3. Contributions While On Unpaid Leave

193. The City will cease payment of any and all contributions for employee health and dental benefits for those employees who remain on unpaid status, with the exception of approved sick leave or workers compensation, in excess of twelve (12) continuous weeks.

III.N.RETIREMENT

1. Proposition C Employee Cost-Sharing:

194. The parties recognize the requirement under Charter Section A8.409-9 to negotiate cost-sharing provisions that produce comparable savings and costs to the City and County as are produced through the Charter's SFERS employee contribution rate adjustment formulae. The parties intend this Section to effectuate the cost sharing provisions of San Francisco Charter Section A8.409-9. The parties further acknowledge that: (i) the annual SFERS employer contribution rate is determined by the SFERS actuary and approved by the SFERS Board for each fiscal year; and (ii) the annual employer contribution rate for SFERS for FY 2012-13 is 20.71%.
195. The parties agree that, when the applicable SFERS annual employer contribution rate is more than 12.00%, bargaining unit members in CalPERS shall make the mandatory statutory employee contribution described in paragraph 200, plus an additional mandatory contribution to effectuate San Francisco Charter Section A8.409-9 (the "Prop C Contribution"). The Prop C Contribution is determined, as set forth in the chart below, based on the employee contribution rate which corresponds to the SFERS annual employer contribution rate for that fiscal year. For example, for FY 2012-2013, based on the employer contribution rate of 20.71%, the Prop. C. Contribution will be 2.5% of covered compensation for miscellaneous safety bargaining unit members in CalPERS earning at the annual rate of less than \$100,000, and 3% of covered compensation for such bargaining unit members earning at the annual rate of \$100,000 or more.

32.51% - 35.0%	4.0%	4.5%
35.01% +	4.0%	5.0%

196. The Prop. C Contribution:

- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
- (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
- (iii) will be included in the gross income of the bargaining unit members for FICA taxes when they are made;
- (iv) will be reported to CalPERS as City contributions to be applied against the City's CalPERS reserve, and will not be applied to the bargaining unit member's individual CalPERS account;
- (v) will be included in the bargaining unit member's compensation as reported to CalPERS and the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid by the City to CalPERS; and
- (vi) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken

ARTICLE III – PAY, HOURS AND BENEFITS

into account in determining the level of any other benefit which is a function of, or a percentage of, salary.

197. In the event that the Prop. C Contribution is zero, i.e. the annual SFERS employer contribution rate is between 11-12%, and paragraph 196 above will not apply. In the event that the Prop. C Contribution is a negative number, i.e. the annual SFERS employer contribution rate is less than 11%, paragraph 196 above will not apply and the Prop. C Contribution will be treated as a City pick up of the bargaining unit members' mandatory CalPERS retirement contribution under paragraph 200 to the extent of the Prop. C Contribution.
198. Any City pickup of an employee's mandatory retirement contribution shall not be considered as a part of an employee's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of our percentage of salary. The City reserves the right to take said contributions into account for the purpose of salary comparisons with other employers.
199. Notwithstanding the above paragraphs, in the event that a change in state law causes the implementation, during the term of this Agreement, of an increase in the employee contribution to CalPERS for employees covered by this Agreement, either party may elect to reopen this Agreement to address the impact of the change in state law. This reopener shall be subject to the impasse resolution procedures and criteria set forth in Charter Section A8.409-4.
2. Employee payment of employee contribution to CalPERS
200. For the duration of this agreement, members of the bargaining unit in CalPERS shall pay the employee share of mandatory retirement contributions effectuated via a pre-tax reduction in salary. These mandatory retirement contributions:
- (i) will be paid by the City to CalPERS, effectuated via a pre-tax reduction in salary pursuant to Internal Revenue Code Section 414(h)(2);
 - (ii) will not be included in the gross income of the bargaining unit members for certain tax reporting purposes, that is, for federal, state, or local income tax withholding, unless and until distributed either through a pension benefit or a lump sum payment;
 - (iii) will be considered as part of the bargaining unit member's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, and retirement benefits, and shall be taken into account in determining the level of any other benefit which is a function of, or a percentage of, salary; and

ARTICLE III – PAY, HOURS AND BENEFITS

- (iv) the affected bargaining unit members shall not be entitled to receive any of the contributions described above directly instead of having them paid to CalPERS.

- 201. Rule changes by the City's Retirement Board regarding the crediting of accrued sick leave for retirement purposes shall be incorporated herein by reference. Any such rule change, however, shall not be subject to the grievance and arbitration provisions of this Agreement or the impasse procedures of Charter Section A8.409

III.O. RETIREMENT RESTORATION

- 202. For employees who retire prior to July 1, 2013 and whose final compensation for retirement purposes is impacted by the former holidays described in paragraphs 134 through 140 of the parties' 2010-2012 Memorandum of Understanding, the City will make available restoration pay in a lump sum equivalent to the pensionable value of the former holidays described in paragraphs 134 through 140 of that Agreement for the period used by the Public Employees' Retirement System ("PERS") to determine the employee's final compensation for retirement purposes (Final Compensation Period).

III.P. RETIREMENT SEMINAR RELEASE TIME

- 203. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.
- 204. Employees must provide at least two-week advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.
- 205. All such seminars must be located within the Bay Area.
- 206. This section shall not be subject to the grievance procedure.

III.Q. VACATIONS

- 207. Vacations will be administered pursuant to the Administrative Code, Article II, and Sections 16.10 through 16.16 and is incorporated herein by reference.

ARTICLE III – PAY, HOURS AND BENEFITS

The employee may use vacation, floating holiday hours, or compensatory time off during the planned absence.

III.S. LONG-TERM DISABILITY INSURANCE

210. For employees not transferred to the Sheriff's Department, the City shall provide to employees with six months of continuous service a Long-Term Disability (LTD) plan that provides, after a one hundred eighty (180) day elimination period, sixty percent (60%) salary (subject to integration) up to age sixty-five. Employees who receive payments under the LTD plan shall not be eligible to continue receiving payments under the City's Catastrophic Illness Program.

III.T. ADMINISTRATIVE CODE CHAPTER 12W – PAID SICK LEAVE ORDINANCE

211. Effective July 1, 2012, San Francisco Administrative Code, Chapter 12W, Paid Sick Leave Ordinance, is expressly waived in its entirety with respect to employees covered by this Agreement.

ARTICLE IV: WORKING CONDITIONS

212. Notwithstanding any language in this agreement or in the Memorandum of Accord (MOA) between the parties, the parties agree that the work practices and conditions for employees assigned to the Sheriff's Department shall conform to those of the members represented by the Deputy Sheriffs' Association, as set forth in the Sheriff's Policies and Procedures Manual, except for those policies and procedures applicable only to those holding peace officer status. The City provided those policies and procedures to the Union on May 11, 2006, and they are incorporated herein by reference. Nothing contained in those policies and procedures is made grievable by incorporation herein.
213. If the Sheriff changes any policies and procedures, that have been incorporated herein, that have an impact on the working conditions of bargaining unit members, the City and the Association agree to meet and confer regarding such changes.
214. The City and the Association have expressly agreed and acknowledge that the Association is expressly waiving only the right to enforce the provisions of Paragraph Number 12 of the Memorandum of Accord negotiated and signed by the IPOA and the Sheriff's Department, which is referenced in that provision known as Section 1.59 of the San Francisco Administrative Code, and is not waiving the right to enforce any other provision of that MOA.
215. Working practices and conditions for employees of other Departments shall follow the practices and conditions of their respective Departments.
