Currently, our operating hours only extend until 3 pm each day. With a license, we plan to keep the establishment open until midnight, bringing new evening activity and vibrancy to the downtown corridor. This extended operating schedule will allow us to better serve residents, office workers, and visitors alike.

Create new jobs: Currently, our operating hours only extend until 3 pm each day. With a license, we plan to keep the establishment open until midnight, requiring over 8 additional employees for evening shifts. This extended operating schedule will allow us to better serve patrons while providing new job opportunities.

Aid downtown's hotel/convention rebound: As major hotels and the Moscone Convention Center ramp back up, having a diverse, vibrant array of dining and nightlife options is crucial for accommodating visitors and creating a hospitable

In many ways, granting our license can be a catalyst for downtown San Francisco's continued recovery and revitalization in the post-COVID era. We aim to play a responsible role in reactivating this vital neighborhood both day and night.

Attract more visitors and residents downtown: With a lively bar and restaurant scene, more people will be drawn to spend time and money in the downtown area in the evenings and on weekends. A diverse array of dining and nightlife options creates an appealing environment that encourages people to linger.

Support downtown's economic recovery: Businesses with licenses tend to generate more revenue than those without, through bar sales and longer visitor dwell times. This increased economic activity is vital for financially sustaining downtown small businesses impacted by the pandemic.

Activate downtown's street life: An energetic bar and restaurant row contributes significant pedestrian activity and street-level atmosphere. This enhanced vibrancy and sense of safety encourages more people to visit and explore the downtown district.

Cater to downtown's residential population: The downtown area continues to see growth in its number of urban residential units. A licensed establishment provides an important neighborhood amenity for these downtown dwellers.
