

33433 Report

Transbay Block 2 West

January 17, 2024

INTRODUCTION

In 2005 and 2006, the Board of Supervisors of the City and County of San Francisco (“BOS”) approved a Redevelopment Plan (“Redevelopment Plan”) for the Transbay Redevelopment Project Area (“Project Area”) to redevelop 10 acres of property owned by the State of California to generate funding for a new Transbay Transit Center and to meet state-mandated requirements for affordable housing in the Project Area (as defined below, the “Transbay Affordable Housing Obligation”). In 2008, the former Redevelopment Agency of the City and County San Francisco (“Former Agency”) entered into an Option Agreement (“Option Agreement”) with the City and County of San Francisco (“City”) and the Transbay Joint Powers Authority (“TJPA”) for the Purchase and Sale of Real Property within the Project Area. Concerning property acquired under the Option Agreement, Section 4.7.2 of the Redevelopment Plan requires that before the Former Agency sells or leases such property for development pursuant to the Redevelopment Plan, the BOS must approve the sale or lease in a manner consistent with the standards and procedures in Health and Safety Code Section 33433 (which governs the disposition of property acquired with tax increment funds).

In accordance with California Health and Safety Code Sections 34170 *et seq.* (“Redevelopment Dissolution Law”) and under San Francisco Ordinance No. 215-12 (Oct. 4, 2012) (establishing the Successor Agency Commission (“Commission”) and delegating to it state authority under the Redevelopment Dissolution Law), the Successor Agency to the Former Agency (“Successor Agency”) is administering the enforceable obligations of the Former Agency, including the Transbay Affordable Housing Obligation.

In 2021, pursuant to the Option Agreement, the Successor Agency acquired Transbay Block 2, an approximately 42,627 square-foot (0.98 acre) parcel bounded by Folsom Street, Beale Street, Main Street (Assessor’s Block 3739, Lot 014, “Block 2”). The Successor Agency now wishes to lease the westerly half of Block 2, known as “Block 2 West,” for development as affordable housing with ground floor community commercial in accordance with the Redevelopment Plan.

Accordingly, the Successor Agency submits this report to the BOS consistent with the requirements of California Health and Safety Code Section 33433 (“33433 Report”). Specifically, Section 33433 requires that before any property that was acquired, in whole or in part, with tax increment funds is sold or leased for development by a redevelopment agency, the sale or lease shall first be approved by its legislative body by resolution after a public hearing required by California Health and Safety Code Section 33431 (“Section 33431 hearing”). The BOS is the legislative body for purposes of Section 33433.

BLOCK 2 WEST MIXED-USE AFFORDABLE HOUSING PROJECT (“PROJECT”)

The Block 2 West Site

Block 2 West is an approximately 21,314 square-foot (0.49 acre) parcel (Assessor’s Block 3739, Lot 015) bounded by Folsom Street to the south and Beale Street to the west. Its northern frontage will consist of a new segment of Clementina Street, a public right of way, to be completed separately by the Successor Agency. A separate affordable housing development will constitute its eastern boundary, completed on Assessor’s Parcel 3739 Lots 017.

The Block 2 West Project

The “Block 2 West Project” will range from five stories in a townhouse-style wing along Clementina Street to nine stories along Folsom and Beale Street. The ground floor will contain approximately 3,000 square feet of community commercial space and publicly accessible amenities space. For financing purposes, the Successor Agency will enter into two separate ground leases, one for the construction and operation of the affordable housing component and one for the community commercial component of the Project.

Affordable Housing

The “Residential Component” of the Block 2 West Project consists of all of the following except the Commercial Space. It is comprised of 151 total residential rental units, including 150 restricted units for affordability to households with incomes ranging from 15% to 50% of the Area Median Income (“AMI”) and one unrestricted manager’s unit. The units are planned as a mix of studio (39), one-bedroom (111) and a two-bedroom manager’s unit. The population served will be seniors, including 30 units set aside for formerly homeless seniors, and 60 units serving extremely low-income seniors.

Resident Amenities

- Ground floor lounge and adjacent courtyard terrace
- Ground floor multi-purpose room
- Roof deck open space
- Community room with kitchen
- Two laundry rooms

Public Open Space

- Central pedestrian mews with landscaping and public seating
- Approximately 1,690 square feet of courtyard with seating and activities, open to the public for daytime use (closed for security purposes during evening/night hours)

Commercial Space

The community commercial component is comprised of:

- Approximately 2,933 square feet of community commercial uses in three spaces with room for adjacent outdoor seating
- Leasable vendor cart pad in the mid-block pedestrian mews

Streetscape Improvements

- Sidewalks and bulb-outs, street trees and other plantings, public seating, streetlights, and bicycle racks

Parking

- 12 Class I secured bicycle spaces (no off-street vehicular parking)

Affordable Housing Ground Lease

On January 16, 2024, by Resolution 03-2024, the Successor Agency Commission authorized a 75-year ground lease for a residential air rights parcel (“Affordable Housing Ground Lease”) with Transbay 2 Senior LP (“Transbay 2 Senior”), a limited partnership that is an affiliate of Chinatown Community Development Center (“CCDC”). Pursuant to the ground lease, Transbay 2 Senior will construct, own and operate the Residential Component of the Block 2 West Project. The estimated development cost to develop the Residential Component is \$122,480,389.

Ground Lease of Community Commercial Air Rights Parcel

Also, on January 16, 2024, by Resolution 03-2024, the Successor Agency Commission authorized a 75-year ground lease for a community commercial air rights parcel (“Community Commercial Ground Lease”) with CCDC Transbay 2 Commercial LLC, an affiliate of CCDC, to construct three community commercial spaces totaling approximately 2,933 square feet within a separate air rights parcel. The space will be leased for community/neighborhood serving uses that have a direct benefit to the residents of the housing development and the community. The estimated development cost of the commercial space is \$2,946,280.

Prior to entering into the Affordable Housing Ground Lease and the Community Commercial Ground Lease, the Successor Agency must submit the 33433 Report to the BOS for its consideration and approval.

Transbay Affordable Housing Obligation

The Transbay Redevelopment Project Area (“Project Area”) was established in June 2005 with the adoption of the Redevelopment Plan by the BOS. The purpose of the Redevelopment Plan was to redevelop 10 acres of property owned by the State of California to generate funding for the TJPA to construct the Transbay Transit Center and meet the affordable housing requirements of Assembly Bill 812 (“AB 812”). AB 812 requires the Former Agency (now the Successor Agency), to ensure that a total of 25% of the residential units to be developed in the Project Area be available to low-income households, and an additional 10% be available to moderate-income households, for a total of 35% affordable housing units across the Project Area (“Transbay Affordable Housing Obligation”). Per the Redevelopment Plan, individual residential projects of more than 10 units within the Project Area are required to provide a minimum of 15% onsite affordable units. Therefore, in order to meet the Transbay Affordable Housing Obligation, certain parcels in Zone One of the Project Area, such as Block 2 West, must be developed with a greater percentage of onsite affordable housing units than the 15% required by the Redevelopment Plan.

33433 REPORT COMPONENTS

Prior to entering into the Affordable Housing Ground Lease and the Community Commercial Ground Lease (together, the “Ground Leases”), the Successor Agency must submit this 33433 Report to the BOS for consideration and approval. The following sections present the information required to be contained in the 33433 Report in accordance with Health and Safety Code Section 33433. (The bolded text is excerpted from Section 33433.)

(a)(2)(A) A copy of the proposed sale or lease.

A copy of the Affordable Housing Ground Lease is included with this report as Attachment 1 and the Community Commercial Ground Lease is included as Attachment 2. The Successor Agency submitted this 33433 Report and the two Ground Leases to the Clerk of the BOS and made available for public inspection and copying in advance of January 28, 2024, the date of the first publication of the notice for the February 13, 2024 BOS public hearing to consider approval of the 33433 Report.

(a)(2)(B)(i) The cost of the agreement to the agency, including land acquisition costs, clearance costs, relocation costs, the costs of any improvements to be provided by the agency, plus the expected interest on any loans or bonds to finance the agreements.

The Successor Agency incurred staff time costs in acquiring the Block 2 West site and negotiating the Ground Leases. The Successor Agency provided \$2,333,653 in predevelopment loan funds for clearance of the site. The Successor Agency is not providing any improvements, all improvements will be constructed by Transbay 2 Senior and CCDC Transbay 2 Commercial. The Successor Agency will provide Transbay 2 Senior a loan in the amount of \$62,064,785 (under a separate agreement) to cover housing construction related activities and CCDC Transbay 2 Commercial a loan in the amount of \$2,946,280 (under a separate agreement) to cover commercial construction activities. Furthermore, no interest is expected to be generated on loans or bonds used to finance the Ground Leases.

(a)(2)(B)(ii) The estimated value of the interest to be conveyed or leased, determined at the highest and best uses permitted under the plan.

The value of the Block 2 West parcels to be leased to Transbay 2 Senior and CCDC Transbay 2 Commercial at the highest and best use permitted under the Redevelopment Plan is \$17,750,000, as determined by Joseph I. Napoliello, MAI and Certified General Real Estate Appraiser. Based on that value approximately \$15,307,439 can be attributed to the affordable housing parcel and approximately \$2,442,561 can be attributed to the commercial parcel.

(a)(2)(B)(iii) The estimated value of the interest to be conveyed or leased, determined at the use and with the conditions, covenants, and development costs required by the sale or lease. The purchase price or present value of the lease payments which the lessor will be required to make during the term of the lease. If the sale price or total rental amount is less than the fair market value of the interest to be conveyed or leased, determined at the highest and best use consistent with the redevelopment plan, then the agency shall provide as part of the summary an explanation of the reasons for the difference.

Affordable Housing Ground Lease

The estimated value of the Affordable Housing property to be leased, determined at the use and with the conditions, covenants, and development costs required by the Transbay Affordable Housing Obligation as incorporated into the Affordable Housing Ground Lease, is approximately \$292,275. This value is determined by the present value of the lease payments to be made by Transbay 2 Senior during the 75-year term of the Affordable Housing Ground Lease and using a discount rate of 5%. The annual Affordable Housing Ground Lease rent is approximately \$1,530,744, set at 10% of the unrestricted value of the Affordable Housing Ground Lease parcel, but only \$15,000 of that amount is guaranteed. The difference between the annual rent and the guaranteed amount, the "residual rent," is to be paid from residual receipts to the extent any "surplus cash" (operating income that is in excess of operating expenses) is

available. The Successor Agency and MOHCD's loan policies require that any surplus cash first be directed towards the repayment of outstanding principal of the \$62,428,902 Successor Agency loan and second to residual rent payments, should there be any remaining funds. Residual rent payments do not accrue if unpaid. Thus, a project's ability to pay any portion of residual rent may vary over the term of the lease and most projects targeted towards low- and very low-income populations do not produce enough surplus cash to be able to make residual rent payments in any given year. Because of this uncertainty, residual rents are not considered in the calculation of the net present value of the projected lease payments.

The present value of the fixed total rental amount, including the residual property interest at the end of the 75-year term of the 15% to 50% AMI restrictions on the property, is substantially less than the approximate \$15,307,439 fair market value of the interest to be leased, determined at the highest and best use. The less-than-fair-market-value rent is necessary to ensure the continued and successful operation of the affordable housing project, thereby ensuring the long-term availability of affordable housing for very low- and low-income households.

Community Commercial Ground Lease

The estimated value of the property to be leased for commercial uses, determined by the use and with the conditions, covenants, and development costs required by the Community Commercial Ground Lease, is approximately \$19.48. This value is determined by the net present value of the lease payments to be made by CCDC Transbay 2 Commercial during the 75-year term of the Community Commercial Ground Lease and using a discount rate of 5%. The annual base rent is one dollar (\$1). The lease also contains a provision for percentage rent to be paid after full repayment of the community commercial loan, however it is not guaranteed. Percentage rent is 40% of annual Net Commercial Cash Flow (commercial income minus the Commercial Project expenses). Additionally, the commercial loan documents require that any surplus cash first be directed towards the repayment of the Successor Agency commercial loan outstanding principal and second to the Community Commercial Ground Lease residual rent payments, should there be any remaining funds. It is unlikely percentage rent will be paid. The less-than-fair-market-value rent is necessary to ensure the continued and successful operation of the community commercial spaces.

(a)(2)(B)(iv) An explanation of why the sales or lease of the property will assist in the elimination of blight, with reference to all supporting facts and materials relied upon in making this explanation.

Block 2 West was formerly occupied by a portion of the Embarcadero Freeway, which was demolished after the 1989 Loma Prieta Earthquake. After the freeway was demolished, Block 2 West was a surface parking lot operated by the State of California. Surface parking was identified as an economic indicator of blight in the 2005 Report on the Redevelopment Plan for the Transbay Redevelopment Project ("Report on the Plan"), which was prepared as part of the plan adoption documents for the BOS. The section of the Report on the Plan titled "Underutilized Areas and Vacant Lots" on Page V-8 states, "Given the Project Area's density and location in the Financial District, surface parking lots do not maximize the economic and development potential of the lot or area." The area within Block 2 West is identified as an "Underutilized Area" on in Table V-3 in the Report on Plan.

The TJPA acquired the site to be used for construction staging for the Transbay Transit Center, and from 2010 to 2019, the land was used for the Transbay Temporary Terminal, located on the block bounded by Folsom, Howard, Beale and Main Streets, to provide temporary bus terminal facilities during the

construction of the Transbay Transit Center. The land was subsequently transferred to the Successor Agency in 2021 through a quitclaim deed.

The Ground Leases will allow for the development of the Project, which will transform an underutilized property, bringing quality architecture, new homes, and community commercial activities to the community. Additionally, it will assist in the elimination of blight by providing housing opportunities for a population—extremely low- and low-income seniors—that is underserved by the market and at serious risk of homelessness. It will also help the Successor Agency to meet the requirements of the Transbay Affordable Housing Obligation.

(a)(2) The agency shall make available, for public inspection and copying at a cost not to exceed the cost of duplication, a report no later than the time of publication of the first notice of the hearing mandated by this section.

This 33433 Report and a copy of the Affordable Housing Ground Lease and the Community Commercial Ground Lease were submitted to the Clerk of the BOS and made available to the public for inspection and copying in advance of January 28, 2024, the date of the first publication of the notice of the first public hearing, as mandated by Section 33431. The 33433 Report and Ground Leases are also available at the Successor Agency offices, One South Van Ness Avenue, 5th Floor, San Francisco, California.

GROUND LEASE AGREEMENT

TRANSBAY BLOCK 2 WEST
RESIDENTIAL AIR SPACE PARCEL

This Ground Lease (“**Lease**”) is dated as of _____, 2024, by and between the SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF CITY AND COUNTY OF SAN FRANCISCO, a public body organized and existing under the laws of the State of California (commonly known as the Office of Community Investment and Infrastructure and referred to herein as “**OCII**” or “**Landlord**”), and Transbay 2 Senior, L.P., a California limited partnership, as tenant (“**Tenant**”).

RECITALS

A. In furtherance of the objectives of the Community Redevelopment Law of the State of California (“**CRL**”), the former Redevelopment Agency of the City and County of San Francisco (the “**Former Agency**”) undertook programs to redevelop and revitalize blighted areas in San Francisco and in connection therewith adopted a redevelopment project area known as the Transbay Redevelopment Project Area (“**Project Area**”).

B. In 2003, the Transbay Joint Powers Authority (“**TJPA**”), the City and County of San Francisco (“**City**”) and the State of California (“**State**”) entered into a Cooperative Agreement setting forth the process for the transfer of certain State-owned parcels in the Project Area to the City and the TJPA. Also in 2003, the California Legislature enacted Assembly Bill No. 812 (Statutes 2003, chapter 99), codified at Cal. Public Resources Code § 5027.1, which requires that thirty-five percent (35%) of new housing developed in the Project Area shall be affordable to low- and moderate-income households (“**Transbay Affordable Housing Obligation**”). In 2005, the TJPA and the Former Agency entered into the Transbay Redevelopment Project Implementation Agreement (“**Implementation Agreement**”) which incorporates the affordable housing requirements of AB 812 and requires the Former Agency (now OCII) to prepare and sell certain formerly State-owned parcels, to construct and fund new infrastructure improvements, and to meet affordable housing obligations.

C. The Board of Supervisors of the City and County of San Francisco (“**Board of Supervisors**”) approved a Redevelopment Plan for the Project Area by Ordinance No. 124-05, adopted on June 21, 2005, and by Ordinance No. 99-06, adopted on May 9, 2006, filed in the Office of the Recorder of the City and County of San Francisco (“**Official Records**”) as Document No. 2006-I224836, as amended by Ordinance No. 84-15 (June 16, 2015) as Document No. 2015-K135871, as amended by Ordinance No. 62-16 (April 26, 2016) as Document No. 2016-K333253, and as amended by Ordinance No. 09-23 (January 24, 2023) as Document No. 2023041529, and as it may be amended from time to time (“**Redevelopment Plan**”).

D. The Redevelopment Plan divides the Project Area into two subareas: Zone One in which the land use controls of the Redevelopment Plan and the Development Controls and

Design Guidelines for the Transbay Redevelopment Project (2005) (and as currently amended “**Development Controls**”) are applicable and are to be administered by the Former Agency (now OCII), and Zone Two in which the San Francisco Planning Code applies and is administered by the City Planning Department.

E. On February 1, 2012, the State of California dissolved all redevelopment agencies including the Former Agency, by operation of law pursuant to California Health and Safety Code Section 34170 et seq. (“**Redevelopment Dissolution Law**”). Under the authority of the Redevelopment Dissolution Law and San Francisco Ordinance No. 215-12 (October 4, 2012) (establishing the Successor Agency Commission (“**Commission**”) and delegating to it state authority under the Redevelopment Dissolution Law), OCII is administering the enforceable obligations of the Former Agency. The Redevelopment Plan, Development Controls, Transbay Affordable Housing Obligation, Implementation Agreement and other relevant Project Area documents remain in effect and OCII retains all affordable housing obligations in the Project Area.

F. Redevelopment Dissolution Law authorizes successor agencies to enter into new agreements if they are “in compliance with an enforceable obligation that existed prior to June 28, 2011.” Cal. Health & Safety Code § 34177.5(a). On April 15, 2013, the California Department of Finance (“**DOF**”) finally and conclusively determined that the Implementation Agreement is a continuing enforceable obligation of OCII under the Redevelopment Dissolution Law. DOF has confirmed that “any sale, transfer, or conveyance of property related to [the Transbay Final and Conclusive Determination] is authorized.” Email from Justyn Howard, Assistant Program Budget Manager, DOF, to Tiffany Bohee, Executive Director, OCII (September 10, 2013, 09:17 am).

G. In accordance with its obligations under the Redevelopment Plan and the Implementation Agreement, OCII intends to fund the development of two affordable housing developments on Block 2 as said block is depicted in the Redevelopment Plan (“**Block 2**”), by subdividing Block 2 into two vertical subdivisions (“**Block 2 West**” and “**Block 2 East**”), providing a subsidy for development and operation of affordable housing developments with ground-floor community commercial on Block 2 West and Block 2 East, and entering into ground lease agreements with affordable housing developers to cause the construction and operation of the two developments. OCII anticipates that its subsidy will facilitate additional public and private financing necessary to make the development and operation of the Block 2 financially feasible.

H. On April 6, 2021, the Commission authorized, by Resolution No. 09-2021, an exclusive negotiations agreement with the development team for Block 2, including Mercy Housing California (“**Mercy**”) and co-developer Chinatown Community Development Center (“**CCDC**”, the sole member of Tenant’s general partner). In accordance with Mercy and CCDC’s development proposal and their Joint Development Agreement dated as of March 30, 2021 (“**JDA**”), which defines the roles and responsibilities of Mercy and CCDC in developing Block 2, Mercy participates as developer, property manager, and services provider for a mixed-use rental housing project with ground floor community commercial spaces serving low-income families and formerly homeless families on Block 2 East, and co-developer CCDC as developer, property manager, and services provider for a mixed-use rental housing project with ground floor community commercial spaces serving low-income seniors and formerly homeless seniors on

Block 2 West. The exclusive negotiations agreement (the “**ENA**”) with Tenant enabled Tenant to pursue predevelopment activities for the construction and management of the development of Block 2 West.

I. Also on April 6, 2021, by Resolution No. 11-2021, Commission authorized the OCII Executive Director to enter into a “**Predevelopment Loan Agreement**” for a loan to the Tenant in the amount of Three Million Five Hundred Thousand Dollars (\$3,500,000) for development of Block 2 West (the “**Predevelopment Loan Amount**”) to fund costs of the Tenant’s predevelopment activities.

J. The ENA establishes a series of milestones intended to result in the execution of an option to ground lease agreement (which the parties executed on April 26, 2023), and ultimately a long-term ground lease agreement for each developers’ portion of Block 2 after public hearing and consideration by the Commission.

K. On November 1, 2022, by Resolution Nos. 39-2022 through 44-2022, the Commission recommended an amendment to the Redevelopment Plan authorizing additional height and bulk for Block 2, conditionally approved schematic designs and related actions modifying the scope of development for Block 2 to include approximately 335 affordable residential units and approximately 11,351 square feet of community commercial space in two separate buildings on Block 2 comprised of 151 residential units, amenities and open space, and 2,945 square feet of commercial space on Block 2 West (“**Block 2 West Project**”) and 184 residential units, amenities and open space, and 8,406 square feet of community commercial space (“**Block 2 East Project**”). On February 3, 2023, by Ordinance No. 09-23, the City adopted amendments to the Redevelopment Plan effectuating the modified scope for the development of Block 2.

L. Pursuant to a ground lease with OCII, Tenant intends to construct approximately one hundred fifty-one (151) residential units within Block 2 West, including one hundred fifty units of low-income rental housing and one unrestricted manager’s unit, with 30 units set aside to serve formerly homeless seniors, subsidized by the Local Operating Subsidy Program (“**LOSP**”), and 60 units serving extremely low-income seniors, supported by rental subsidies from the Senior Operating Subsidy Program (“**SOS**”), with related management, services and amenity space, associated landscape and access improvements, the Open Space Courtyard, and the portion of the Pedestrian Mews located on Block 2 to be constructed on the Site (as defined below in Recital R), and all as more particularly set forth in the Basic Concept and Schematic Designs approved on November 1, 2022 by Commission Resolution No. 44-2022, and as further set forth in Design Development Documents approved by OCII on _____, 2023 and as may be further revised in accordance with Redevelopment Requirements (“**Project**”).

M. Tenant has determined that, to maximize the ability of the Block 2 West Project to obtain affordable housing financing, the community commercial space should be constructed by an affiliate of the Tenant within a separate air rights parcel under a separate ground lease and loan agreement (“**Community Commercial Component**”). Tenant succeeded in obtaining a State affordable housing bond and tax credit allocations on August 23, 2023.

N. The Project and the Community Commercial Component are synergistic components of the overall Block 2 West Project, with the Community Commercial Component providing community-focused uses that are beneficial to residents of the Project and the surrounding community, and the Project providing a stable base of customers for the goods and services provided in the Community Commercial Component.

O. On April 7, 2023, the Citywide Affordable Housing Loan Committee approved a total OCII subsidy for the development of the Block 2 West Project in an aggregate amount not to exceed Sixty-Five Million Eleven Thousand Sixty-Five Dollars (\$65,011,065) comprised of (i) an approximately \$62,428,902 permanent loan for the construction and operation of the Project (“**Site Loan**”), which includes an increase of the Predevelopment Loan Amount by Three Million Eighty-Six Thousand One Hundred Nineteen Dollars (\$3,086,119) (for a total aggregate Predevelopment Loan Amount of Six Million Five Hundred Eighty-Six Thousand One Hundred Nineteen Dollars (\$6,586,119)) (“**Total Predevelopment Loan Amount**”) to fund additional predevelopment costs of the Project; and (ii) an approximately \$2,582,163 permanent loan to fund construction of the Community Commercial Component (“**Community Commercial Loan**”).

P. On May 2, 2023, by Resolution No. 16-2023, the Commission authorized a First Amendment to the Predevelopment Loan Agreement, to increase the Predevelopment Loan Amount to the Total Predevelopment Loan Amount.

Q. On _____, 2024, by Resolution No. __-2024, the Commission authorized an Amended and Restated Loan Agreement (“**Loan Agreement**”) by and between OCII and Tenant for disbursement of the Site Loan for development and operation of the Project, and a ground lease by and between OCII and the Tenant for development and operation of the Project on the Site. Also on _____, 2024, the Commission separately approved the Community Commercial Loan and ground lease for the Community Commercial Component of the Block 2 West Project.

R. In furtherance of the foregoing, OCII has subdivided Block 2 by Final Subdivision Map No. ____ (recorded in the Official Records on _____, 2023 as document _____ in Book __ of Parcel Maps at Pages _____, “**Final Map**”), creating two vertical subdivisions of roughly equal size (Parcels __ and __ of the Final Map constituting Block 2 West and Parcels __ and __ of the Final Map constituting Block 2 East). The Project will be constructed within Parcel __ of the Final Map (as further described in Attachment 1, the “**Site**”), and the Community Commercial Component of the Block 2 West Project will be constructed within Parcel __ of the Final Map (the “**Community Commercial Parcel**”).

S. OCII now intends to lease the Site to Tenant for the purposes of constructing and maintaining the Project on the Site, in accordance with the terms of this Lease.

T. For purposes of implementation and to ensure consistency with the City’s overall affordable housing goals and priorities, OCII has engaged the City’s Mayor’s Office of

Housing and Community Development (“**MOHCD**”) to provide loan disbursement services for the Project, in cooperation with OCII.

U. a) To the extent Base Rent and Residual Rent are due pursuant to Section 4.02 and 4.03, Tenant will pay to Landlord One Million Five Hundred Thirty Thousand Seven Hundred Forty-Four Dollars (\$1,530,744) (the “**Annual Rent**”) per year for each year of the Term of this Lease. Annual Rent consists of Base Rent and Residual Rent, as defined in Section 4.02 below, without offset of any kind (except as otherwise permitted by this Lease) and without

necessity of demand, notice or invoice. Annual Rent will be re-determined on the fifteenth (15th) anniversary of the date of the first payment of Base Rent pursuant to Section 4.02(a) below and every fifteen (15) years thereafter, and will be equal to ten percent (10%) of the appraised fair market value of the Site as determined by an MAI appraiser selected by and at the sole cost of the Tenant. Any such adjustment will be made to the Residual Rent and not to the Base Rent.

b) If the Tenant elects to extend the Term of this Lease pursuant to ARTICLE 2 above, Annual Rent (along with any potential future adjustments) during any such extended Term will be set by mutual agreement of the parties; provided, however, that Annual Rent during the extended Term will in no event be less than the Annual Rent set forth in Section a) above. If the parties cannot agree on Annual Rent for the extended Term, either party may invoke a neutral third-party process and the parties will agree on a neutral third-party appraiser to set the Annual Rent at fair market rent in accordance with the then-prevailing practice for resolving similar rent determination disputes in San Francisco or, in the event that there is no then-prevailing practice, in accordance with the rules of the American Arbitration Association. Notwithstanding the foregoing, Tenant may, after the neutral third-party process and in its sole discretion, rescind the Extension Notice if it does not wish to extend the Term of this Lease.

4.02 Base Rent.

a) “**Base Rent**” means Fifteen Thousand Dollars (\$15,000) per annum; provided, however, that if the Tenant or any Subsequent Owner fails, after notice and opportunity to cure, to comply with the provisions of Section 9.01, then Base Rent will be increased to the full amount of Annual Rent, in addition to any other remedies of Landlord for said default. Base Rent will be due and payable in arrears on January 31st following the Lease Year for which it is owed; provided, however, Base Rent for the First Lease Payment Year shall be equal to Fifteen Thousand Dollars (\$15,000) multiplied by the number of days in the First Lease Payment Year, divided by three hundred sixty-five (365); and provided further that no Base Rent will be due until all Residential Units have received Certificates of Occupancy.

b) If the Project does not have sufficient Project Income to pay Base Rent in any given Lease Year after the payment of (a) through (d) in the definition of Project Expenses, above, and Landlord has received written notice from Tenant regarding its inability to pay Base Rent from Project Income at least sixty (60) days before the Base Rent due date, along with supporting documentation for Tenant’s position that it is unable to pay Base Rent from Project Income, then the unpaid amount will be deferred and all deferred amounts will accrue without interest until paid (“**Base Rent Accrual**”). The Base Rent Accrual will be due and payable each year from and to the extent Surplus Cash is available. Any Base Rent Accrual will be due and payable upon the earlier of (i) sale of the Project (but not a refinancing or foreclosure of the Project); or (ii) termination of this Lease (unless a new lease is entered into with a mortgagee under Section 26.09 below).

c) If Tenant has not provided Landlord with the required written notice and documentation under Section 4.02(b) in connection with its claim that it cannot pay Base Rent due to insufficient Project Income, and/or Landlord has reasonably determined that Tenant’s claim

that it is unable to pay Base Rent is not supported by such documentation, Landlord will assess a late payment penalty of two percent (2%) for each month or any part thereof that any Base Rent payment is delinquent. This penalty will not apply to Base Rent Accrual that has been previously approved by Landlord under Section 4.02(b). The Tenant may request in writing that Landlord waive such penalties by describing the reasons for Tenant's failure to pay Base Rent and Tenant's proposed actions to ensure that Base Rent will be paid in the future. Landlord may, in its sole discretion, waive in writing all or a portion of such penalties if it finds that Tenant's failure to pay Base Rent was beyond Tenant's control and that Tenant is diligently pursuing reasonable solutions to such failure to pay.

4.03 Residual Rent. "**Residual Rent**" means, in any given Lease Year, One Million Five Hundred Fifteen Thousand Seven Hundred Forty-Four Dollars (\$1,515,744), Annual Rent less Base Rent, subject to any periodic adjustments under Section 4.01(a). Commencing with the First Lease Payment Year, Residual Rent will be due in arrears on May 15th following the Lease Year for which it is owed, provided that the Residual Rent for the First Lease Payment Year shall be due on May 15th of the following calendar year and shall be equal to the difference of Base Rent subtracted from Annual Rent then multiplied by the number of days in the First Lease Payment Year then divided by three hundred sixty-five (365). Residual Rent will be payable only to the extent of Surplus Cash as provided in Section 6.02(g) below, and any unpaid Residual Rent will not accrue. Furthermore, Residual Rent shall not be due during any Lease Year prior to the First Lease Payment Year. If Surplus Cash available in a given year is insufficient to pay the full amount of the Residual Rent owed, Tenant will certify to Landlord, in writing and no later than May 15th of the calendar year the Residual Rent is due, that available Surplus Cash is insufficient to pay Residual Rent and Tenant will provide to Landlord any supporting documentation reasonably requested by Landlord to allow Landlord to verify the insufficiency.

4.04 Triple Net Lease. This Lease is a triple net lease and the Tenant will be responsible to pay all costs, charges, taxes, assessments, impositions, and other obligations related to the Premises accruing after the Effective Date. If Landlord pays any such amounts, whether to cure a default or otherwise protect its interests hereunder, Landlord will be entitled to be reimbursed by Tenant the full amount of such payments as additional rent within thirty (30) days of written demand by Landlord. Failure to timely pay the additional rent will be a default by Tenant of this Lease. No occurrence or situation arising during the Term, or any Law, whether foreseen or unforeseen, and however extraordinary, relieves Tenant from its liability to pay all of the sums required by any of the provisions of this Lease, or otherwise relieves Tenant from any of its obligations under this Lease, or gives Tenant any right to terminate this Lease in whole or in part.

OCII is duly created, validly existing and in good standing under the Law, and has full right, power and authority to enter into and perform its obligations under this Lease. Landlord covenants and warrants that the Tenant and its tenants will have, hold and enjoy, during the Term, peaceful, quiet and undisputed possession of the Site leased without hindrance or molestation by or from anyone so long as the Tenant is not in default under this Lease.

In addition to meeting these requirements, Tenant will also provide a report to the Commission on its compliance with the COP Outreach Obligation at least three months prior to construction completion and prior to the initiation of any tenant selection process.

f) Lead Based Paint. Tenant agrees to comply with the regulations set forth in 24 CFR Part 35 and all applicable rules and orders issued thereunder which prohibit the use of lead-based paint in certain residential structures undergoing federally assisted construction and require the elimination of lead-based paint hazards.

9.01 Permitted Uses and Occupancy Restrictions. The permitted uses of the Project are limited to the construction and operation of one hundred fifty (150) units of affordable rental housing for Qualified Households plus one manager’s unit, including thirty (30) LOSP units reserved for formerly homeless households and sixty (60) SOS units serving extremely low-income seniors, (collectively, the “**Residential Units**”), common areas for tenants, the Pedestrian Mews, and the Open Space Courtyard, constituting the Project. Upon the completion of construction of the Project, one hundred fifty (150) of the Residential Units in the Project will be occupied or held vacant and available for rental by Residential Occupants certified as Qualified Households (except as provided in Section B of the Declaration of Restrictions). For as long as Tenant has a LOSP contract or other equivalent operating or rental subsidy for 30 residential units, 30 of the Residential Units must be set aside for households experiencing homelessness that will use LOSP. In addition, for so long as Tenant has a SOS contract or other equivalent rental subsidy for 60 residential units, 60 of the Residential Units must be rented to Qualified Households that will use SOS. Residential Units must be occupied and rented in accordance with all applicable restrictions imposed on the Project by this Lease and by Lenders for so long as such restrictions are required by the Lease and/or the applicable Lender.

9.02 Prohibited Uses. Tenant agrees that the following activities, by way of example only and without limitation, and any other use that is not a Permitted Use (in each instance, a “**Prohibited Use**” and collectively, “**Prohibited Uses**”), are inconsistent with this Lease, are strictly prohibited and are considered Prohibited Uses:

- a) any activity, or the maintaining of any object, that is not within the Permitted Use;

b) any activity, or the maintaining of any object, that will in any way increase the existing rate of, affect or cause a cancellation of, any fire or other insurance policy covering the Premises, any part thereof or any of its contents;

c) any activity or object that will overload or cause damage to the Premises excluding normal wear and tear;

d) any activity that constitutes waste or nuisance, including, but not limited to, the preparation, manufacture or mixing of anything that might emit any objectionable odors, noises, or lights onto adjacent properties, or the use of loudspeakers or sound or light apparatus that can be heard or seen outside the Premises;

e) any activity that will in any way injure, obstruct, or interfere with the rights of owners or occupants of adjacent properties, including, but not limited to, rights of ingress and egress;

f) any auction, distress, fire, bankruptcy or going out of business sale on the Premises without the prior written consent of Landlord, which consent may be granted, conditioned, or withheld in the sole and absolute discretion of Landlord;

g) any vehicle and equipment maintenance, including but not limited to, fueling, changing oil, transmission or other automotive fluids;

h) the storage of any and all excavated materials, including but not limited to, dirt, concrete, sand, asphalt, and pipes, except to the extent necessary during construction of the Project or during critical maintenance or repairs to the Project or its shared systems for the timeframe reasonably necessary to complete such maintenance or repairs;

i) the storage of any and all aggregate material, or bulk storage, such as wood or of other loose materials, except to the extent necessary during construction of the Project or during critical maintenance or repairs to the Project or its shared systems for the timeframe reasonably necessary to complete such maintenance or repairs;

j) any structure or improvement that will preclude or limit public access to and use of, or impede public ingress and egress across, the Pedestrian Mews;

k) any unauthorized structure or improvement that will preclude or limit public access to and use of, or impede public ingress and egress across, the Open Space Courtyard.

ARTICLE 10 CONSTRUCTION OF IMPROVEMENTS

10.01 Schedule of Performance. Tenant shall undertake and complete all physical construction on the Site in accordance with the Schedule of Performance, Attachment 2.

10.02 Reserved.

10.03 General Requirements and Rights of Landlord. All construction documents for the construction of the Improvements by Tenant (the “**Construction Documents**”) must be prepared by a person registered in and by the State of California to practice architecture and shall be in conformity with this Lease, including any limitations established in OCII’s approval of the schematic drawings, preliminary construction documents, and final construction documents for the Project, and all applicable Federal, State, and local laws and regulations. The architect will use, as necessary, members of associated design professions, including engineers and landscape architects. All Improvements shall be owned, for federal income tax purposes, by Tenant, subject to the rights of Landlord upon expiration or early termination of the Lease.

10.04 OCII Approvals and Limitation Thereof. The Construction Documents must be approved by OCII in the manner set forth below:

a) Compliance with Redevelopment Plan and Lease. OCII’s approval with respect to the Construction Documents is limited to determination of their compliance with the Redevelopment Plan and Plan Documents (as defined therein), this Lease and the Loan Documents. The Construction Documents will be subject to general architectural review and guidance by OCII as part of this review and approval process.

b) OCII Does Not Approve Compliance with Construction Requirements. OCII’s approval is not directed to engineering or structural matters or compliance with local building codes and regulations, the Americans with Disabilities Act, or any other applicable Law relating to construction standards or requirements. Nothing in this Lease will limit in any way Tenant’s obligation to obtain any required approvals from City officials, departments, boards or commissions having jurisdiction over the Premises. By entering into this Lease, OCII is in no way modifying or limiting Tenant’s obligation to cause the Premises to be used and occupied in accordance with all applicable Laws.

10.05 Construction of Improvements to be in Compliance with Construction Documents and Law.

a) Compliance with Approved Documents. Construction of the Improvements must be in compliance with all OCII-approved Construction Documents.

b) Compliance with Local, State and Federal Law. Construction of the Improvements must be in strict compliance with all applicable Laws, including all laws relating to accessibility for persons with disabilities and all applicable mitigation measures identified in the Final Environmental Impact Statement/Environmental Impact Report (“**FEIS/EIR**”) for the Transbay Redevelopment Project Area. Tenant understands and agrees that Tenant’s use of the Premises and construction of the Improvements permitted

under this Lease will require authorizations, approvals, or permits from governmental regulatory agencies with jurisdiction over the Premises, including, without limitation, City agencies. Tenant will be solely responsible for obtaining any and all such regulatory approvals. Tenant will bear all costs associated with applying for and obtaining any necessary or appropriate regulatory approval and will be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory approval; provided, however, any such condition that could affect use or occupancy of the Project or OCII's interest therein must first be approved by OCII in its sole discretion. Any fines or penalties levied as a result of Tenant's failure to comply with the terms and conditions of any regulatory approval will be immediately paid and discharged by Tenant, and Landlord will have no liability, monetary or otherwise, for any such fines or penalties. Tenant will indemnify, defend, and hold harmless OCII and the other Indemnified Parties hereunder against all Claims (as such terms are defined in ARTICLE 21 below) arising in connection with Tenant's failure to obtain or failure by Tenant, its agents, or invitees to comply with the terms and conditions of any regulatory approval except to the extent such Claims are caused by gross negligence or willful misconduct of the party seeking indemnification.

10.06 Approval of Construction Documents by OCII. Tenant will submit and OCII will approve or disapprove the Construction Documents referred to in this Lease within the times established in the Schedule of Performance, so long as each set of the applicable Construction Documents are complete and properly submitted within the time frames set forth in the Schedule of Performance. Failure by OCII either to approve or disapprove within the times established in the Schedule of Performance will entitle Tenant to a day for day extension of time for completion of any activities delayed as a direct result of OCII's failure to timely approve or disapprove the Construction Documents.

10.07 Disapproval of Construction Documents by OCII. If OCII disapproves the Construction Documents in whole or in part as not being in compliance with Redevelopment Requirements or this Lease, Tenant will submit new or corrected Construction Documents which are in compliance within thirty (30) days after written notification to it of disapproval, and the provision of this section relating to approval, disapproval and re-submission of corrected Construction Documents will continue to apply until the Construction Documents have been approved by OCII; provided, however, that in any event Tenant must submit satisfactory Construction Documents (*i.e.*, approved by OCII) no later than the date specified therefor in the Schedule of Performance.

10.08 Issuance of Building Permits.

a) Tenant will have the sole responsibility for obtaining all necessary building permits and will make application for such permits directly to the City's Department of Building Inspection. Landlord understands and agrees that Tenant may use the Fast Track method of permit approval for construction of the Improvements. Tenant shall report permit status every thirty (30) days to OCII. Failure to timely file and to diligently pursue issuance of permits shall be a breach of this Lease.

b) The Tenant is advised that the Central Permit Bureau will forward all building permits to OCII for approval of compliance with Redevelopment Requirements. OCII's approval under this Section 10.08(b) is limited to its determination of compliance with Redevelopment Requirements and does not include Section 10.04(b) matters. OCII evidences such compliance by signing the permit and returning the permit to the Central Permit Bureau for issuance directly to the Tenant. Approval of any intermediate permit, however, is not approval of compliance with all Redevelopment Requirements necessary for a full and final building permit.

10.09 Performance and Payment Bonds. Except as provided elsewhere in this Agreement or the Loan Agreement, before commencement of construction of the Improvements, and subject to the reasonable approval of OCII, Tenant will deliver to OCII performance and payment bonds, each for the full value of the cost of construction of the Improvements, which bonds will name OCII as co-obligee, or such other completion security which is acceptable to OCII. The payment and performance bonds may be obtained by Tenant's general contractor and name Tenant and OCII as co-obligees.

10.10 OCII Approval of Changes after Commencement of Construction. Tenant may not approve or permit any change to the Construction Documents approved by OCII without OCII's prior written consent, except as may be permitted under the Loan Agreement.

10.11 Times for Construction. Tenant agrees for itself, and its successors and assigns to or of the Leasehold Estate or any part thereof, that Tenant and such successors and assigns will promptly begin and diligently prosecute to completion the construction of the Improvements upon the Site, and that such construction will be completed no later than the dates specified in the Schedule of Performance, subject to force majeure, unless such dates are extended by Landlord.

10.12 Force Majeure. For the purposes of any of the provisions of this Lease, and notwithstanding anything to the contrary, neither Landlord nor Tenant, as the case may be, will be considered in breach or default of its obligations, and there will not be deemed a failure to satisfy any conditions with respect to the beginning and completion of construction of the Improvements, or progress in respect thereto, in the event of enforced delay in the performance of such obligations or satisfaction of such conditions, due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, acts of God, acts of the public enemy, terrorism, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, general scarcity of materials, unusually severe weather, or delays of subcontractors due to unusual scarcity of materials or unusually severe weather; it being the purposes and intent of this provision that the time or times for the satisfaction of conditions to this Lease including those with respect to construction of the Improvements, will be extended for the period of the enforced delay; provided, however, that the party seeking the benefit of the provisions of this paragraph must have notified the other party of the delay and evidence of its causes in writing within thirty (30) days after the beginning of any such enforced delay and requested an extension for the reasonably estimated period of the enforced delay; and, provided further, that this paragraph does not apply to, and nothing contained in this paragraph will extend or will be construed to extend, the time of performance of any of Tenant's obligations to be performed before the commencement of construction, and the failure to timely perform pre-commencement of construction obligations will

not extend or be construed to extend Tenant's obligations to commence, prosecute, and complete construction of the Improvements in the manner and at the times specified in this Lease.

10.13 Reports. Commencing when construction of the Improvements commences and continuing until completion of construction of the Improvements, Tenant will make a report in writing to OCII every month, in such detail as may reasonably be required by OCII, as to the actual progress of the Tenant with respect to the construction. During such period, the work of the Tenant shall be subject to inspection by representatives of OCII, at reasonable times and upon reasonable advance notice.

10.14 Access to Site. As of the Effective Date and until OCII issues a Certificate of Completion (as defined in Section 11.01 below), Tenant will permit access to the Site to Landlord whenever and to the extent necessary to carry out the purposes of the provisions of this Lease or other redevelopment obligations, at reasonable times and upon reasonable advance notice, and on an emergency basis without notice whenever Landlord believes that emergency access is required. After OCII's issuance of a Certificate of Completion, access to the Premises will be governed by ARTICLE 24, below.

10.15 Notice of Completion. Promptly upon completion of the construction of the Improvements in accordance with the provisions of this Lease, Tenant will file a Notice of Completion (“**NOC**”) and record the NOC in the San Francisco Recorder's Office. Tenant will provide OCII with a copy of the recorded NOC.

10.16 Completion of Improvements by New Developer. In the event a Lender or a successor thereto forecloses, obtains a deed in lieu of foreclosure, or otherwise realizes upon the Premises and undertakes construction of the Improvements (“**New Developer**”) (a) the New Developer will not be bound by the provisions of the Schedule of Performance with respect to any deadlines for the completion of the Improvements but will only be required to complete the Improvements with due diligence and in conformance with a new Schedule of Performance as agreed upon by the New Developer and OCII, (b) the New Developer will only be required to complete the Improvements in accordance with all applicable building codes and ordinances, and the OCII-approved Construction Documents with such changes that are mutually agreed upon by OCII and the New Developer under the following clause (c); and (c) OCII and New Developer will negotiate in good faith such reasonable amendments and reasonable modifications to the Schedule of Performance and ARTICLE 10 of this Lease as the parties mutually determine to be reasonably necessary based upon the financial and construction conditions then existing.

ARTICLE 11 COMPLETION OF IMPROVEMENTS

11.01 Certificate of Completion—Issuance. After completion of the construction of the Improvements in accordance with the provisions of this Lease, if requested by Tenant together with reasonable supporting documentation, including an architect's certification of completion, OCII will furnish Tenant with an appropriate instrument so certifying (the “**Certificate of Completion**”). OCII's Certificate of Completion will be a conclusive determination of satisfaction and termination of the agreements and covenants of this Lease regarding Tenant's obligation to

construct the Improvements in accordance with approved Construction Documents. The Certificate of Completion will include the dates of the beginning and completion of construction of the Improvements, but the Certificate of Completion will not constitute evidence of compliance with or satisfaction of Tenant's obligations to any Lender, or any insurer of a mortgage, securing money loaned to finance the construction or any part thereof; provided further, that OCII's issuance of a Certificate of Completion does not relieve Tenant or any other person or entity from any and all OCII requirements, regulatory approvals, or conditions relating to construction or occupancy of the Improvements, which requirements or conditions must be complied with separately.

OCII may elect to issue Tenant a Certificate of Completion if no events of default by Tenant are then existing under this Lease or the Loan Documents, and Tenant has completed the Improvements in accordance with this Lease, except for: (1) punch list items; and (2) other items that do not adversely affect or impair Tenant's use and occupancy of the Improvements for the purposes contemplated by this Lease and that do not preclude the City's issuance of a certificate of occupancy or other certificate or authorization of Tenant's use and occupancy of the Improvements. However, OCII will not be obligated to issue a Certificate of Completion in these circumstances unless and until Tenant has provided to OCII, at OCII's request, a bond, letter of credit, certificate of deposit, or other security reasonably acceptable to OCII in an amount equal to 110% of the estimated cost to OCII of completing the items described in clauses (1) through (3) above, as reasonably determined by OCII.

11.02 Certifications to be Recordable. The Certificate of Completion will be in a form that permits it to be recorded with the Recorder of the City.

11.03 Certification of Completion—Non-Issuance Reasons. If OCII refuses or fails to provide a Certificate of Completion in accordance with the provisions of Section 11.01, OCII will provide Tenant with a written statement indicating in adequate detail in what respects Tenant has failed to complete the construction of the Improvements in accordance with the provisions of this Lease or is otherwise in default hereunder and what measures or acts will be necessary, in the opinion of OCII, for Tenant to take or perform in order to obtain a Certificate of Completion.

ARTICLE 12 CHANGES TO THE IMPROVEMENTS

12.01 Post-Completion Changes. Landlord has a particular interest in the Project and in the nature and extent of the permitted changes to the Improvements. Accordingly, it imposes the following controls on the Site and on the Improvements: during the term of this Lease, neither Tenant nor any voluntary or involuntary successor or assign, may make or permit any Change (as defined in Section 12.02) in the Project or the Premises, unless the express prior written consent for any Change has been requested in writing from Landlord and obtained, and, if obtained, upon such terms and conditions as Landlord may reasonably require. Landlord agrees not to unreasonably withhold or delay its response to such a request.

12.02 Definition of Change. "**Change**" as used in this Article 12 means any alteration, modification, addition, and/or substitution of or to the Leasehold Estate, the Project, the Premises, and/or the density of development that differs materially from that which existed upon the

completion of construction of the Improvements in accordance with this Lease, and includes, without limitation, the exterior design and exterior materials. For purposes of the foregoing, “exterior” includes the roof of the Project. “Change” does not include any repair, maintenance, cosmetic interior alterations (e.g., paint, carpet, installation of moveable equipment and trade fixtures, and hanging of wall art) in the normal course of operation of the Project, or as may be required in an emergency to protect the safety and well-being of the Project’s Residential Occupants.

12.03 Enforcement. Subject to ARTICLE 19 hereof, Landlord will have any and all remedies in law or equity (including, without limitation, restraining orders, injunctions, and/or specific performance), judicial or administrative, to enforce the provisions of this ARTICLE 12, including, without limitation, any threatened or actual breach or violation of this Section.

ARTICLE 13 TITLE TO IMPROVEMENTS

Landlord acknowledges that fee title to the Improvements will be vested in Tenant for the Term of this Lease. It is the intent of the Parties that this Lease and the Memorandum of Ground Lease will create a constructive notice of severance of the Improvements from the land without the necessity of a deed from Landlord to Tenant. Landlord and Tenant hereby agree that fee title to the Improvements will remain vested in Tenant during the Term, subject to Section 14.01 below; provided, however, that, subject to the rights of any Lenders and as further consideration for Landlord entering into this Lease, at the expiration or earlier termination of this Lease, fee title to all the Improvements will vest in Landlord without further action of any party, without any obligation by Landlord to pay any compensation to Tenant, and without the necessity of a deed from Tenant to Landlord. Notwithstanding the foregoing, if requested by Landlord, upon expiration or sooner termination of this Lease, Tenant shall execute and deliver to Landlord an acknowledged and good and sufficient grant deed conveying to Landlord Tenant’s fee interest in the Improvements. For so long as it is not in default of this Lease, Tenant shall have the exclusive right to deduct, claim retain and enjoy any and all rental income appreciation, gain, depreciation, amortization, and tax credits for federal and State tax purposes relating thereto, substitution therefor, fixtures therein and other property relating thereto.

ARTICLE 14 ASSIGNMENT, SUBLEASE, OR OTHER CONVEYANCE

14.01 Assignment, Sublease, or Other Conveyance by Tenant. Tenant may not sell, assign, convey, sublease, or transfer in any other mode or form all or any part of its interest in the Site, this Lease or in the Improvements or any portion thereof except as provided in ARTICLE 51 of this Lease.

a) Assignment, Sublease, or Other Conveyance by Landlord. The Parties acknowledge and agree that OCII, effective upon the issuance of the Certificate of Completion or some later date as determined by OCII, intends to transfer all of its rights, interests and obligations under this Lease and the Loan Documents, together with conveyance of fee title to the Site, to MOHCD as the designated Housing Successor of the City and County of San Francisco under Board of Supervisors Resolution 11-12 (January 26, 2012), Redevelopment

Dissolution Law, and OCII's approved Long-Term Property Management Plan (November 23, 2015). Tenant shall have no right to object and shall attorn to such assignee, and shall execute such instruments and take such actions as may be reasonably required to carry out OCII's intent. Upon assignment to MOHCD, all references herein to Landlord shall be deemed references to MOHCD. OCII and Tenant hereby agree to execute such further instruments and to take such further actions as may be reasonably required to carry out the intent of this Section 14.01. Upon assignment to MOHCD, all references herein to OCII shall be deemed references to MOHCD.

b) As a condition of the assignment of the Lease and Loan Documents to the City, the City may require standard City contracting provisions under San Francisco Administrative Code or other Laws, as described in Attachment 7, be incorporated into the Lease and Loan Documents.

c) The parties acknowledge that any sale, assignment, transfer, or conveyance or encumbrance of all or any part of Landlord's interest in the Premises, the Site, the Improvements, or this Lease, is subject to this Lease. Landlord will require that any purchaser, assignee, or transferee expressly assume all of the obligations of Landlord under this Lease by a written instrument recordable in the Official Records of the City. This Lease will not be affected by any such sale, and Tenant will attorn to any such purchaser or assignee.

ARTICLE 15 TAXES

Subject to any exemption available therefor, Tenant agrees to pay, or cause to be paid, before delinquency to the proper authority, any and all valid taxes, assessments, and similar charges on the Premises that become effective after the Effective Date of this Lease, including all taxes levied or assessed on the possession, use or occupancy, as distinguished from the ownership, of the Site. Tenant will not permit any such taxes, charges, or other assessments to become a defaulted lien on the Site, Leasehold Estate or the Improvements thereon; provided, however, that in the event any such tax, assessment, or similar charge is payable in installments, Tenant may make, or cause to be made, payment in installments; and, provided further, that Tenant may contest the legal validity or the amount of any tax, assessment, or similar charge, through such proceedings as Tenant considers necessary or appropriate provided that such proceedings are initiated on or before the date the disputed tax, assessment or similar charge would otherwise be due and payable, and Tenant may defer the payment thereof so long as the validity or amount thereof is contested by Tenant in good faith and without expense to Landlord. If Tenant contests a tax, assessment, or other similar charge, then Tenant will protect, defend, and indemnify Landlord against all Claims resulting therefrom, and if Tenant is unsuccessful in any such contest, Tenant will immediately pay, discharge, or cause to be paid or discharged, the tax, assessment, or other similar charge. Landlord will furnish such information as Tenant may reasonably request in connection with any such contest, provided that such information is in Landlord's possession or control or is otherwise available to the public. Landlord hereby consents to and will reasonably cooperate and assist with Tenant applying for and obtaining any applicable exemptions from taxes or assessments levied on the Site, the Improvements, or on Tenant's interest therein. Tenant will have no obligation under

this Section before the Effective Date, including but not limited to any taxes, assessments, or other charges levied against the Site that are incurred before the Effective Date.

ARTICLE 16 UTILITIES

From and after the Effective Date, Tenant will procure water and sewer service from the City and electricity, telephone, natural gas, if applicable, and any other utility service from the City or utility companies providing such services, and will pay all connection and use charges imposed in connection with such services. From and after the Effective Date, as between Landlord and Tenant, Tenant will be responsible for the installation and maintenance of all facilities required in connection with such utility services to the extent not installed or maintained by the City or the utility providing such service.

ARTICLE 17 MAINTENANCE AND OPERATION

17.01 Maintenance. Tenant, at all times during the Term, shall maintain or cause to be maintained the Premises in good condition and repair to the reasonable satisfaction of Landlord, including the exterior, interior, substructure, and foundation of the Improvements and all fixtures, equipment, and landscaping from time to time located on the Site or any part thereof. Landlord will not be obligated to make any repairs, replacements, or renewals of any kind, nature, or description whatsoever to the Premises or any buildings or improvements now or hereafter located thereon. Tenant hereby waives all rights to make repairs at Landlord's expense under Sections 1932(1), 1941 and 1942 of the California Civil Code or under any similar Law now or hereafter in effect.

17.02 Facilities Condition Report. Every five (5) years beginning on the fifth anniversary date of the issuance of the Certificate of Completion, Tenant will deliver to Landlord a facilities condition report for the Premises, prepared by a qualified team of construction professionals acceptable to Tenant and Landlord, describing at a minimum the condition and integrity of the Premises, foundation and structural integrity of the building, and all utilities systems serving the building (the "**Facilities Condition Report**"). Tenant will provide with its submittal of the Facilities Condition Report, an anticipated schedule of and budget for, the repairs identified in the Facilities Condition Report. If Landlord reasonably believes the Facilities Condition Report does not adequately describe the condition and integrity of the listed items or the timing of required repairs, then Landlord will notify Tenant of the deficiency and Tenant will revise the Facilities Condition Report to address Landlord's concerns. If Tenant fails to provide a Facilities Condition Report to Landlord every five (5) years, then Landlord after giving thirty (30) days' notice to Tenant will have the right, but not the obligation, to cause a Facilities Condition Report to be prepared by a team of construction professionals of Landlord's choice, at Tenant's sole cost. Tenant will perform the repairs within the timeframe set forth in the Facilities Condition Report approved by Landlord.

17.03 Landlord's Right to Inspect. Without limiting ARTICLE 24 below, Landlord may, upon reasonable prior notice to Tenant, make periodic inspections of the Premises and other areas for which Tenant has obligations and may advise Tenant when maintenance or repair is required,

but such right of inspection will not relieve Tenant of its independent responsibility to maintain the Premises, Improvements, and other areas as required by this Lease in a condition as good as, or better than, their condition at the completion of the Improvements, excepting ordinary wear and tear.

17.04 Landlord's Right to Repair. If Tenant fails to maintain or to promptly repair any damage to the Premises as required by this Lease, then subject to applicable notice and cure periods, Landlord may repair the damage at Tenant's sole cost and expense and Tenant will immediately reimburse Landlord for all costs of the maintenance or repair.

17.05 Operation. Following completion of the Improvements, Tenant will maintain and operate the Project consistent with the maintenance and operation of a safe, clean, well-maintained first-class mixed-use residential/commercial project located in San Francisco. Tenant will be exclusively responsible, at no cost to Landlord except as otherwise contemplated herein and under the Loan Documents, for the management and operation of the Project. In connection with managing and operating the Project, Tenant will provide (or require others to provide), services as necessary and appropriate to the uses to which the Project are put, including (a) repair and maintenance of the Improvements; (b) utility, telecommunications and internet (including Wi-Fi) services to the extent customarily provided by equivalent projects located in San Francisco; (c) cleaning, janitorial, pest extermination, recycling, composting, and trash and garbage removal; (d) landscaping and groundskeeping; (e) security services with on-site personnel for the Project; and (f) lighting at night sufficient for safe pedestrian navigation along pathways. Tenant will use commercially reasonable efforts to ensure that no portion of the Project remains unoccupied or unused without the prior written consent of Landlord, which consent may be withheld in Landlord's sole and absolute discretion.

17.06 Open Space Courtyard and Pedestrian Mews. Tenant shall have all rights and shall be subject to and perform all obligations of [Declarant] under that certain Declaration of Public Access Restrictions recorded on _____ as Instrument No. _____ ("**Declaration of Public Access Restrictions**") with respect to the portion of the Premises subject to the Declaration of Public Access Restrictions, and enjoy such rights and perform such obligations at no cost to OCII.

ARTICLE 18 LIENS

Tenant will use its best efforts to keep the Premises free from any liens arising out of any work performed or materials furnished by itself or its subtenants. If Tenant does not cause a lien to be released of record or bonded around within thirty (30) days following written notice from Landlord of the imposition of the lien, Landlord will have, in addition to all other remedies provided in this Lease and by Law, the right (but not the obligation) to cause the lien to be released by any means as it deems proper, including payment of the claim giving rise to such lien. All sums paid by Landlord for such purpose, and all reasonable expenses incurred by it in connection therewith, will be payable to Landlord by Tenant as additional Base Rent, and paid promptly on demand. Notwithstanding the foregoing, Tenant will have the right, upon posting of an adequate bond or other security, to contest any lien, and Landlord will not seek to satisfy or discharge the

lien unless Tenant has failed so to do within ten (10) days after the final determination of the validity of the lien. If Tenant contests a lien, then Tenant will protect, defend, and indemnify Landlord against all Claims resulting therefrom. The provisions of this Section will not apply to any liens arising before the Effective Date that are not the result of Tenant's contractors, consultants, or activities.

ARTICLE 19 GENERAL REMEDIES

19.01 Application of Remedies. The provisions of this ARTICLE 19 govern the parties' remedies for breach of this Lease.

19.02 Breach by Landlord. If Tenant believes that Landlord has materially breached this Lease, Tenant must first notify Landlord in writing of the purported breach, giving Landlord one hundred twenty (120) days from receipt of such notice to cure the breach. If Landlord does not cure the breach within the 120-day period, or if the breach is not reasonably susceptible to cure within that 120-day period, begin to cure within one hundred twenty (120) days and diligently prosecute then cure to completion, then Tenant will have all of its rights at law or in equity by taking any or all of the following remedies: (i) terminating in writing this entire Lease with the written consent of each Lender; (ii) prosecuting an action for damages; (iii) seeking specific performance of this Lease; or (iv) any other remedy available at law or equity.

19.03 Breach by Tenant.

a) Default by Tenant. Subject to the notice and cure rights under Sections 19.03(b) and 19.04, the following events each constitute a basis for Landlord to take action against Tenant:

- (i) Tenant fails to comply with the Permitted Uses and Occupancy Restrictions set forth in Section 9.01;
- (ii) Tenant voluntarily or involuntarily assigns, transfers, or attempts to transfer or assign this Lease or any rights in this Lease, or in the Improvements, except as permitted by this Lease or otherwise approved by Landlord;
- (iii) From and after the Effective Date, Tenant or its successor in interest fails to pay real estate taxes or assessments in accordance with Article 15, or places or allows to be placed on the Leasehold Estate, Site, the Premises, or any portion thereof, any encumbrance or lien not authorized by this Lease, or suffers any levy or attachment, or any material supplier's or mechanic's lien or the attachment of any other unauthorized encumbrance or lien, and the taxes or assessments have not been paid, or the encumbrance or lien removed or discharged within the time period provided in ARTICLE 18; provided, however, that

Tenant has the right to contest any tax or assessment or encumbrance or lien as provided in ARTICLE 15 and ARTICLE 18;

(iv) Tenant is adjudicated bankrupt or insolvent or makes a transfer to defraud its creditors, or makes an assignment for the benefit of creditors, or brings or has brought against Tenant any action or proceeding of any kind under any provision of the Federal Bankruptcy Act or under any other insolvency, bankruptcy, or reorganization act and, in the event such proceedings are involuntary, Tenant is not dismissed from the proceedings within sixty (60) days thereafter; or, a receiver is appointed for a substantial part of the assets of Tenant and such receiver is not discharged within sixty (60) days;

(v) Tenant breaches any other material provision of this Lease;

(vi) Tenant fails to pay any portion of Annual Rent when due in accordance with the terms and provisions of this Lease;

(vii) Failure to commence any maintenance or repair obligation concerning the Premises.

b) Notification and Landlord Remedies. Upon the happening of any of the events described in Section 19.03(a) above, and before exercising any remedies, Landlord will notify Tenant, the Permitted Limited Partner(s), and each Lender in writing of Tenant's purported breach, failure, or act in accordance with the notice provisions of ARTICLE 39, giving Tenant, any Lender, and Permitted Limited Partner(s) sixty (60) days from the giving of the notice to cure such breach, failure, or act, with the exception of breach of Section 19.03(a)vii, above, which shall be subject to a cure period of ten (10) days. If Tenant, Lender, or Permitted Limited Partner does not cure or, if the breach, failure, or act is not reasonably susceptible to cure within the applicable cure period, begin to cure within the applicable cure period and thereafter diligently prosecute such cure to completion, then, subject to the rights of any Lender and Permitted Limited Partner and subject to Section 19.04 and ARTICLE 26, Landlord will have all of its rights at law or in equity, including, but not limited to:

(i) the remedy described in Section 1951.4 of the California Civil Code (a landlord may continue the lease in effect after a tenant's breach and abandonment and recover rent as it becomes due, if the tenant has the right to sublet and assign subject only to reasonable limitations) under which it may continue this Lease in full force and effect and the Landlord may enforce all of its rights and remedies under this Lease, including the right to collect rent when due. During the period Tenant is in default, Landlord may enter the Premises without terminating this Lease and relet them, or any part of them, to third parties for Tenant's account. Tenant will be liable immediately to Landlord for all

reasonable costs that Landlord incurs in reletting the Premises, including, but not limited to, broker's commissions, expenses of remodeling the Premises required by the reletting and like costs. Reletting can be for a period shorter or longer than the remaining Term, at such rents and on such other terms and conditions as Landlord deems advisable, subject to any restrictions applicable to the Premises. Tenant shall owe Landlord the rent due under this Lease on the dates the rent is due, less the rent Landlord receives from any reletting. If Landlord elects to relet, then rentals received by Landlord from the reletting will be applied in the following order: (1) to reasonable attorneys' and other fees incurred by Landlord as a result of a default and costs if suit is filed by Landlord to enforce its remedies; (2) to the payment of any costs of maintaining, preserving, altering, repairing, and preparing the Premises for reletting, the other costs of reletting, including but not limited to brokers' commissions, reasonable attorneys' fees and expenses of removal of Tenant's Personal Property and Changes; (3) to the payment of rent due and unpaid; (4) the balance, if any, will be paid to Tenant upon (but not before) expiration of the Term. If that portion of the rentals received from any reletting during any month that is applied to the payment of rent, is less than the rent payable during the month, then Tenant shall owe the deficiency to Landlord. The deficiency will be calculated and paid monthly. No act by Landlord allowed by this Section will terminate this Lease unless Landlord notifies Tenant that Landlord elects to terminate this Lease. After Tenant's default and for as long as Landlord does not terminate Tenant's right to possession of the Premises by written notice, if Tenant obtains Landlord's consent Tenant will have the right to assign or sublet its interest in this Lease, but Tenant shall not be released from liability and the assignment or subletting will not serve to cure the default;

(ii) terminate Tenant's right to possession of the Leasehold Estate at any time. No act by Landlord other than giving notice of termination to Tenant will terminate this Lease. Acts of maintenance, efforts to relet the Premises, or the appointment of a receiver on Landlord's initiative to protect Landlord's interest under this Lease will not constitute a termination of Tenant's right to possession. If Landlord elects to terminate this Lease, then Landlord has the rights and remedies provided by California Civil Code Section 1951.2 (damages on termination for breach), including the right to terminate Tenant's right to possession of the Premises and to recover the worth at the time of award of the amount by which the unpaid Annual Rent and any additional charges for the balance of the Term after the time of award exceeds the amount of rental loss for the same period that Tenant proves could be reasonably avoided, as computed pursuant to subsection (b) of such Section 1951.2. Landlord's efforts to mitigate the damages caused

by Tenant's breach of this Lease will not waive Landlord's rights to recover damages upon termination;

(iii) cause a receiver to be appointed for Tenant upon application by Landlord to take possession of the Premises and to apply any rental collected from the Premises and to exercise all other rights and remedies granted to Landlord under this Lease;

(iv) seek specific performance of this Lease; or

(v) in the case of default under Section 19.03(a)(i), increase the Base Rent to the full amount of the Annual Rent.

Notwithstanding the foregoing, during the 15-year tax credit "compliance period" (as defined in Section 42 of the Internal Revenue Code, as amended) for the Project, Landlord may only terminate this Lease for a default by Tenant under Section 19.03(a)(vi) above.

19.04 Rights of Permitted Limited Partner.

a) If a Permitted Limited Partner cannot cure a default due to an automatic stay in Bankruptcy court because the general partner of the Tenant is in bankruptcy, any cure period will be tolled during the pendency of such automatic stay.

b) Landlord will not exercise its remedy to terminate this Lease if a Permitted Limited Partner is attempting to cure the default and the cure requires removal of the managing general partner, so long as the Permitted Limited Partner is proceeding diligently to remove the managing general partner in order to effect a cure of the default and the removal of such general partner(s) shall not in and of itself cause a default hereunder.

c) Unless otherwise provided for in this Lease, any limited partner that is not the Permitted Limited Partner identified in ARTICLE 39 wishing to become a Permitted Limited Partner must provide five (5) days written notice to Landlord in accordance with the notice provisions of this Lease, setting forth a notice address and providing a copy of such notice to the Tenant and all of the Tenant's partners. The limited partner will become a Permitted Limited Partner upon the expiration of the five-day period. A limited partner will not be afforded the protections of this Section with respect to any default occurring before the limited partner becomes a Permitted Limited Partner.

19.05 Landlord's Right to Cure Tenant's Default. If Tenant defaults in the performance of any of its obligations under this Lease, Landlord may at any time thereafter after notice and expiration of the applicable cure period (except in the event of an emergency as determined by Landlord, in which case the Landlord may act when Landlord determines necessary), remedy the default for Tenant's account and at Tenant's expense. Tenant will pay to Landlord as additional Base Rent, promptly upon demand, all sums expended by Landlord, or other costs, damages,

expenses, or liabilities incurred by Landlord, including reasonable attorneys' fees, in remedying or attempting to remedy the default. Tenant's obligations under this Section will survive the termination of this Lease. Nothing in this Section implies any duty of Landlord to do any act that Tenant is obligated to perform under any provision of this Lease, and Landlord's cure or attempted cure of Tenant's default will not constitute a waiver of Tenant's default or any rights or remedies of Landlord on account of the default.

19.06 Waiver of Redemption. Tenant hereby waives, for itself and all persons claiming by and under Tenant, redemption or relief from forfeiture under California Code of Civil Procedure Sections 1174 and 1179, or under any other pertinent present or future Law, in the event Tenant is evicted or Landlord takes possession of the Premises by reason of any default of Tenant hereunder.

19.07 Remedies Not Exclusive. The remedies set forth in Section 19.03(b) are not exclusive; they are cumulative and in addition to any and all other rights or remedies of Landlord now or later allowed by Law. Tenant's obligations hereunder will survive any termination of this Lease.

ARTICLE 20 DAMAGE AND DESTRUCTION

20.01 Insured Casualty. If the Improvements or any part thereof are damaged or destroyed by any cause covered by any policy of insurance required to be maintained by Tenant under this Lease, Tenant will promptly commence and diligently complete the restoration of the Improvements as nearly as possible to the condition thereof before such damage or destruction, or in accordance with plans approved by Landlord; provided, however, that if more than fifty percent (50%) of the Improvements are destroyed or are damaged by fire or other casualty and if the insurance proceeds do not provide at least ninety percent (90%) of the funds necessary to complete the restoration, then Tenant, with the written consent of each Lender and Permitted Limited Partner, may terminate this Lease within thirty (30) days after the later of (i) the date of such damage or destruction, or (ii) the date on which Tenant is notified of the amount of insurance proceeds available for restoration. If Tenant is required or elects to restore the Improvements, then all proceeds of any policy of insurance required to be maintained by Tenant under this Lease will, subject to any applicable rights of Lenders and the Permitted Limited Partner, be used by Tenant for that purpose and Tenant will make up from its own funds or obtain additional financing as reasonably approved by Landlord any deficiency between the amount of insurance proceeds available for the work of restoration and the actual cost. If Tenant elects to terminate this Lease as provided under this Section 20.01, or elects not to restore the Improvements, then the insurance proceeds will be divided in the order set forth in Section 20.03.

20.02 Uninsured Casualty. If (i) more than fifty percent (50%) of the Improvements are damaged or destroyed and ten percent (10%) or more of the cost to complete the restoration is not covered by insurance required to be carried under this Lease; and (ii) in the reasonable opinion of Tenant, the undamaged portion of the Improvements cannot be completed or operated on an economically feasible basis; and (iii) there is not available to Tenant any feasible source of third party financing for restoration reasonably acceptable to Tenant; then Tenant may, with the written consent of each Lender and the Permitted Limited Partner, other than Landlord, terminate this

Lease upon ninety (90) days written notice to Landlord. If it appears that the provisions of this Section 20.02 may apply to a particular event of damage or destruction, Tenant will notify Landlord promptly and not consent to any settlement or adjustment of an insurance award without Landlord's written approval, which approval will not be unreasonably withheld or delayed. If Tenant terminates this Lease under this Section 20.02, then all insurance proceeds and damages payable by reason of the casualty will be divided among Landlord, Tenant, and Lenders in accordance with the provisions of Section 20.03. If Tenant does not have the right, or elects not to exercise the right, to terminate this Lease as a result of an uninsured or underinsured casualty, then Tenant will promptly commence and diligently complete the restoration of the Improvements as nearly as possible to their condition before the damage or destruction in accordance with the provisions of Section 20.01 and will, subject to any applicable rights of Lenders, be entitled to all available insurance proceeds to do so.

20.03 Distribution of the Insurance Proceeds. If Tenant elects to terminate and surrender as provided in either Sections 20.01 or 20.02, then the priority and manner for distribution of the proceeds of any insurance policy required to be maintained by Tenant hereunder will be as follows:

a) First to the Lenders, in order of their priority, to control, disburse or apply to any outstanding loan amounts in accordance with the terms their respective Leasehold Mortgages and applicable Law;

b) Second, at Landlord's election, to pay the actual cost of removing all debris from the Site and adjacent and underlying property, and for the actual cost of any work or service required by any Law, for the protection of persons or property from any risk, or for the abatement of any nuisance, created by or arising from the casualty or the damage or destruction caused thereby;

c) Third, to compensate Landlord for any diminution in the value (as of the date of the damage or destruction) of the Site caused by or arising from the damage or destruction; and

d) The remainder to Tenant.

20.04 Clean-up of Housing Site. If Tenant terminates this Lease under the provisions of Sections 20.01 or 20.02, Tenant must, at Landlord's election, clean up and remove all debris from the Site and adjacent and underlying property and leave the Site in a clean and safe condition and in compliance with all Laws upon surrender, as described in Section 20.03(b). If the proceeds of any insurance policy are insufficient to pay the clean-up and other costs described in Section 20.03(b), then Tenant must pay the portion of the costs not covered by the insurance proceeds.

20.05 Waiver. Tenant and Landlord intend that this Lease fully govern all of their rights and obligations in the event of any damage or destruction of the Premises. Accordingly, Landlord and Tenant each hereby waive the provisions of Sections 1932(2), 1933(4), 1941 and 1942 of the California Civil Code, as such sections may from time to time be amended, replaced, or restated.

ARTICLE 21 DAMAGE TO PERSON OR PROPERTY; HAZARDOUS SUBSTANCES; INDEMNIFICATION

21.01 Damage to Person or Property—General Indemnification. Landlord will not in any event whatsoever be liable for any injury or damage to any person happening on or about the Site or Temporary Construction Access Area, for any injury or damage to the Premises or Temporary Construction Access Area, or to any property of Tenant, or to any property of any other person, entity, or association on or about the Premises or Temporary Construction Access Area, unless arising from the gross negligence or willful misconduct of an Indemnified Party (as defined below.) Tenant will defend, hold harmless, and indemnify Landlord and the City and County of San Francisco, including but not limited to their boards, commissions, commissioners, departments, agencies, and other subdivisions, officers, agents, invitees and employees (each, an “**Indemnified Party**” and collectively the “**Indemnified Parties**”), of and from all claims, loss, damage, injury, actions, causes of action, and liability of every kind, nature and description (collectively, “**Claims**”) incurred in connection with or directly or indirectly arising from the Site, Temporary Construction Access Area, this Lease, Tenant’s tenancy, its or their use of the Site, Temporary Construction Access Area, including adjoining sidewalks and streets, and any of its or their operations or activities thereon or connected thereto; all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that the indemnity is void or otherwise unenforceable under applicable Law in effect on or validly retroactive to the date of this Lease and further excepting only such Claims that are caused exclusively by the willful misconduct or gross negligence of the Indemnified Parties. The foregoing indemnity will include, without limitation, reasonable fees of attorneys, consultants, and experts and related costs and Landlord’s costs of investigating any Claim. Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend Landlord from any claim that actually or potentially falls within any indemnity provision set forth in this Lease even if such allegation is or may be groundless, fraudulent, or false, which obligation arises at the time such claim is tendered to Tenant by an Indemnified Party and continues at all times thereafter. Notwithstanding the foregoing, this ARTICLE 21 shall not be deemed or construed to and shall not impose any obligation to indemnify and save harmless the Indemnified Parties from any claim, loss, damage, liability or expense of any nature whatsoever, arising from or in any way related to or connected with any willful misconduct or active gross negligence by an Indemnified Party. Tenant’s obligations under this Article will survive the termination or expiration of this Lease.

21.02 Hazardous Substances—Indemnification.

a) Tenant will indemnify, defend, and hold the Indemnified Parties harmless from and against any and all Claims of any nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and engineering consultants) incurred by or asserted against any Indemnified Party in connection with, arising out of, in response to, or in any manner relating to violation of any Environmental Law, or any Release, threatened Release, and any condition of pollution, contamination or Hazardous Substance-related nuisance on, under or from the Site or Temporary Construction Access Area caused by Tenant, its employees, agents, affiliates, or contractors; provided, however,

that this Section 21.02(a) shall not be deemed or construed to, and shall not impose any obligation on Tenant to indemnify and save harmless the Indemnified Parties from any Claim to the extent arising from or in any way related to or connected with any willful misconduct or gross negligence by any Indemnified Party occurring after the Effective Date. No Indemnified Party shall be entitled to indemnification under this Section for, and Tenant will have no liability for any Claims relating to a violation of, any Environmental Law, Release, or threatened Release, or arising out of any condition or action of pollution, contamination or Hazardous Substance-related nuisance on, under or from the Site or Temporary Construction Access Area occurring prior to the Effective Date except for those contributed to or exacerbated by Tenant.

b) For purposes of this Section 21.02, the following definitions apply:

(i) "**Hazardous Substance**" has the meaning set forth in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended as of the date of this Lease, 42 U.S.C. 9601(14), and in addition includes, without limitation, petroleum (including crude oil or any fraction thereof) and petroleum products, asbestos, asbestos- containing materials, polychlorinated biphenyls ("**PCBs**"), PCB- containing materials, all hazardous substances identified in the California Health & Safety Code 25316 and 25281(d), all chemicals listed under the California Health & Safety Code 25249.8, and any substance deemed a hazardous substance, hazardous material, hazardous waste, or contaminant under Environmental Law. The foregoing definition does not include substances that occur naturally on the Site or commercially reasonable amounts of hazardous materials used in the ordinary course of construction and operation of a mixed-use residential development, provided they are used and stored in accordance with all applicable Laws.

(ii) "**Environmental Law**" means all Laws governing hazardous waste, wastewater discharges, drinking water, air emissions, Hazardous Substance releases or reporting requirements, Hazardous Substance use or storage, and employee or community right-to-know requirements related to the work being performed under this Lease.

(iii) "**Release**" means any spillage, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including the abandonment or discharging of barrels, containers, and other closed receptacles containing any Hazardous Substance.

21.03 Exculpation and Waiver. Tenant, as a material part of the consideration to be rendered to Landlord, hereby waives any and all Claims against the Indemnified Parties related to this Lease including their rights or obligations as landlord under this Lease, including without

limitation all Claims arising from the joint or concurrent, active or passive, negligence of the Indemnified Parties, but excluding any Claims caused solely by the Indemnified Parties' willful misconduct (including breach of this Lease) or active gross negligence. The Indemnified Parties will not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and releases the Indemnified Parties from all Claims against the Indemnified Parties related to this Lease including their rights or obligations as landlord under this Lease for, any injury, loss, or damage to any person or property in or about the Premises or Temporary Construction Access Area by or from any cause whatsoever occurring on or after the Effective Date including, without limitation, (a) any act or omission of persons occupying adjoining premises or any part of the Premises adjacent to or connected with the Premises, (b) theft, (c) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (d) stopped, leaking, or defective building systems, (d) construction or site defects, (f) damages to goods, wares, goodwill, merchandise, equipment, or business opportunities, (g) Claims by persons in, upon or about the Premises or any other Landlord property for any cause arising at any time, (h) alleged facts or circumstances of the process or negotiations leading to this Lease before the Effective Date (other than with respect to any Environmental Law or Release); and (i) any other acts, omissions, or causes.

21.04 Tenant understands and expressly accepts and assumes the risk that any facts concerning the Claims released in this Lease might be found later to be other than or different from the facts now believed to be true and agrees that the releases in this Lease will remain effective. Therefore, with respect to the Claims released in this Lease, Tenant waives any rights or benefits provided by Section 1542 of the Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO
CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR
SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE
TIME OF EXECUTING THE RELEASE, WHICH IF
KNOWN BY HIM OR HER MUST HAVE MATERIALLY
AFFECTED HIS OR HER SETTLEMENT WITH THE
DEBTOR.

Tenant initials ____

Tenant specifically acknowledges and confirms the validity of the release made above and the fact that Tenant was represented by counsel who explained the consequences of the release at the time this Lease was made, or that Tenant had the opportunity to consult with counsel, but declined to do so.

21.05 Insurance. The Indemnification requirements under this Lease, or any other agreement between OCII and Tenant, will in no way be limited by any insurance requirements under any such agreements.

21.06 Survival. The provisions of ARTICLE 21 will survive the expiration or earlier termination of this Lease.

ARTICLE 22 INSURANCE

22.01 Insurance. Subject to approval by OCII's Risk Manager of the insurers and policy forms, Tenant must obtain and maintain, or cause to be maintained, the insurance and bonds as set forth in Attachment 8 throughout the Term of this Lease at no expense to OCII.

ARTICLE 23 COMPLIANCE WITH SITE-RELATED AND LEGAL REQUIREMENTS

23.01 Compliance with Legal Requirements. From and after the Effective Date, Tenant will at its cost and expense, promptly comply with all applicable Laws now in force or that may later be in force, including, without limitation, the requirements of the fire department or other similar body now or later constituted and with any direction or occupancy certificate issued under any Law as any of them may relate to or affect the condition, use, or occupancy of the Site. If Tenant contests any of the foregoing, Tenant will not be obligated to comply therewith to the extent that the application of the contested Law is stayed by the operation of law or administrative or judicial order and Tenant indemnifies, defends, and holds harmless the Indemnified Parties against all Claims resulting from noncompliance.

23.02 Regulatory Approvals. Tenant understands and agrees that Landlord is entering into this Lease in its capacity as a landowner with a proprietary interest in the Site and not as a regulatory agency with certain police powers. Tenant understands and agrees that neither entry by Landlord into this Lease nor any approvals given by Landlord under this Lease will be deemed to imply that Tenant has thereby obtained any required approvals from City departments, boards, or commissions that have jurisdiction over the Premises. By entering into this Lease, Landlord is in no way modifying or limiting the obligations of Tenant to develop the Project in accordance with all Laws and as provided in this Lease.

Tenant understands that the construction of the Improvements on the Leasehold Estate and development of the Project will require approval, authorization, or permit by governmental agencies with jurisdiction. Tenant must use good faith efforts to obtain and will be solely responsible for obtaining any approvals required for the Project in the manner set forth in this Section. Throughout the permit process for any regulatory approvals, Tenant will consult and coordinate with Landlord in Tenant's efforts to obtain permits. Landlord will cooperate reasonably with Tenant in its efforts to obtain permits; provided, however, Tenant may not agree to the imposition of conditions or restrictions in connection with its efforts to obtain a permit from any other regulatory agency if Landlord is required to be a co-permittee under the permit or the conditions or restrictions could create any financial or other material obligations on the part of Landlord whether on or off of the Premises, unless in each instance Landlord has approved the conditions previously in writing and in Landlord's reasonable discretion. No approval by Landlord will limit Tenant's obligation to pay all the costs of complying with conditions under this Section. Tenant must bear all costs associated with applying for and obtaining any necessary regulatory approval, as well as any fines, penalties or corrective actions imposed as a result of Tenant's failure to comply with the terms and conditions of any regulatory approval.

With Landlord's prior written consent, Tenant will have the right to appeal or contest any condition in any manner permitted by Law imposed upon any regulatory approval. In addition to any other indemnification provisions of this Lease, Tenant must indemnify, defend, and hold harmless Landlord and its commissioners, officers, agents or employees from and against any and all Claims that may arise in connection with Tenant's failure to obtain or comply with the terms and conditions of any regulatory approval or with the appeal or contest of any conditions of any regulatory approval, except to the extent damage arises out of the active gross negligence or willful misconduct of Landlord or its agents.

ARTICLE 24 ENTRY

24.01 Landlord reserves for itself and its authorized representatives (including MOHCD) the right to enter the Premises at all reasonable times during normal business hours upon not less than forty-eight (48) hours' written notice to Tenant (except in the event of an emergency), subject to the rights of the occupants, tenants, and others lawfully permitted on the Premises, for any of the following purposes:

- a) to determine whether the Premises is in good condition and to inspect the Premises (including soil borings or other Hazardous Substance investigations);
- b) to determine whether Tenant is in compliance with its Lease obligations and to cure or attempt to cure any Tenant default;
- c) to serve, post, or keep posted any notices required or allowed under any of the provisions of this Lease;
- d) to do any maintenance or repairs to the Premises that Landlord has the right or the obligation, if any, to perform hereunder; and
- e) to show the Premises to any prospective purchasers, brokers, Lenders, or public officials, or, during the last year of the Term of this Lease, exhibit the Premises to prospective tenants or other occupants, and to post any reasonable "for sale" or "for lease" signs in connection therewith.

24.02 In the event of any emergency, as reasonably determined by Landlord, at its sole option and without notice, Landlord may enter the Premises and alter or remove any Improvements or Tenant's personal property on or about the Premises as reasonably necessary, given the nature of the emergency. Landlord will have the right to use any and all means Landlord considers appropriate to gain access to any portion of the Premises in an emergency, in which case, Landlord will not be responsible for any damage or injury to any property, or for the replacement of any property, and no emergency entry may be deemed to be a forcible or unlawful entry onto or a detainer of the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof.

24.03 Landlord will not be liable in any manner for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of Landlord's entry onto the Premises, except to the extent damage arises out of the active gross negligence or willful misconduct of Landlord or its agents. Landlord will be responsible for any losses resulting from its active gross negligence or willful misconduct and will repair any resulting damage promptly.

24.04 Tenant will not be entitled to any abatement in Annual Rent if Landlord exercises any rights reserved in this Section, subject to Section 24.03 above.

24.05 Landlord will use its reasonable good faith efforts to conduct any activities on the Premises allowed under this Section in a manner that, to the extent practicable, will minimize any disruption to Tenant's use of the Premises as permitted by this Lease.

ARTICLE 25 MORTGAGE FINANCING

25.01 No Encumbrances Except for Development Purposes. Notwithstanding any other provision of this Lease and subject to the prior written consent of Landlord in the form attached hereto as Attachment 3, which consent will not be unreasonably withheld, conditioned, or delayed, Leasehold Mortgages (and encumbrances related to such Leasehold Mortgages or required by Project lenders or equity investors, including, but not limited to use agreements and regulatory agreements) are permitted to be placed upon the Leasehold Estate only for the purpose of securing loans of funds to be used for financing the acquisition of the Project; refinancing of financing used to acquire or rehabilitate the Project; design, construction, renovation, or reconstruction of the Improvements; and any other expenditures reasonably necessary and appropriate to acquire, own, develop, construct, renovate, or reconstruct the Improvements under this Lease and in connection with the operation of the Project; and costs and expenses incurred or to be incurred by Tenant in furtherance of the purposes of this Lease. OCII, acting solely in its capacity as landlord under this Lease, hereby acknowledges and accepts _____ (or the Fiscal Agent acting on its behalf pursuant to the tax-exempt loan to Tenant) as a Lender, and consents to the Leasehold Mortgage associated with Lender's construction loan to Tenant for the Project.

25.02 Holder Not Obligated to Construct. The holder of any mortgage, deed of trust, or other security interest authorized by Section 25.01 ("**Holder**" or "**Lender**"), including the successors or assigns of the Holder, is not obligated to complete any construction of the Improvements or to guarantee such completion; and no covenant or any other provision of this Lease may be construed to obligate the Holder. However, if the Holder undertakes to complete or guarantee the completion of the construction of the Improvements, nothing in this Lease will be deemed or construed to permit or authorize the Holder or its successors or assigns to devote the Premises or any portion thereof to any uses, or to construct any Improvements on the Site, other than those uses or Improvements authorized under Section 9.01 and any reasonable modifications in plans proposed by the Holder or its successors in interest proposed for the viability of the Project approved by Landlord in its reasonable discretion under Section 10.16. To the extent any Holder or its successors in interest wish to change such uses or construct different improvements, Holder or its successors in interest must obtain the advance written consent of Landlord.

25.03 Failure of Holder to Complete Construction. In any case where six (6) months after assumption of obligations under Section 25.02 above, a Lender, having first exercised its option to complete the construction, has not proceeded diligently with completion of the construction, Landlord will have all the rights against the Holder it would otherwise have against Tenant under this Lease for events or failures occurring after such assumption; subject to any extensions of time granted under Section 10.16 of this Lease.

25.04 Default by Tenant and Landlord's Rights.

a) Right of Landlord to Cure a Default or Breach by Tenant under a Leasehold Mortgage. In the event of a default or breach by Tenant under any Leasehold Mortgage, and Tenant's failure to timely commence or diligently prosecute cure of such default or breach, Landlord may, at its option, cure such breach or default for the period of one hundred ten (110) days after the date that the Lender files a notice of default. In such event, Landlord will be entitled to reimbursement from Tenant of all costs and expenses reasonably incurred by Landlord in curing the default or breach. Landlord will also be entitled to a lien upon the Leasehold Estate or any portion thereof to the extent such costs and disbursements are not reimbursed by Tenant. Any such lien will be subject to the lien of any then-existing Leasehold Mortgage authorized by this Lease, including any lien contemplated because of advances yet to be made. After ninety (90) days following the date of Lender filing a notice of default and expiration of all applicable cure periods of Tenant under the terms of the applicable Loan Documents, Landlord will also have the right to assign Tenant's interest in the Lease to another entity, subject to all Lenders' and Permitted Limited Partner's written consent, and which consent may be conditioned, among other things, upon the assumption by such other entity of all obligations of the Tenant under the Leasehold Mortgage. After ninety (90) days following the date of Lender filing a notice of default and expiration of all applicable cure periods of Tenant under the terms of the applicable Loan Documents, Landlord will also have the right to assign Tenant's interest in the Lease to another entity, subject to all Lenders' and Permitted Limited Partner's written consent in the exercise of their sole and absolute discretion, and which consent may be conditioned, among other things, upon the assumption by such other entity of all obligations of the Tenant under the Leasehold Mortgage.

b) Notice of Default to Landlord. Tenant will use its best efforts to require Lender to give Landlord prompt written notice of any default or breach of the Leasehold Mortgage and each Leasehold Mortgage will provide for that notice to Landlord and contain Landlord's right to cure as above set forth.

25.05 Cost of Mortgage Loans to be Paid by Tenant. Tenant covenants and affirms that it will bear all of the costs and expenses in connection with (a) the preparation and securing of any Leasehold Mortgage, (b) the delivery of any instruments and documents and their filing and recording, if required, and (c) all taxes and charges payable in connection with any Leasehold Mortgage.

ARTICLE 26 PROTECTION OF LENDER

26.01 Notification to Landlord. Promptly upon the creation of any Leasehold Mortgage and as a condition precedent to the existence of any of the rights set forth in this ARTICLE 26, Tenant will cause each Lender to give written notice to Landlord of the Lender's address and of the existence and nature of its Leasehold Mortgage. Execution of Attachment 3 will constitute Landlord's acknowledgement of Lender's having given such notice as is required to obtain the rights and protections of a Lender under this Lease. Landlord hereby acknowledges that _____ (or the Fiscal Agent acting on its behalf pursuant to the tax-exempt loan to Tenant) is the First Mortgage Lender and is deemed to have given such written notice as First Mortgage Lender and Attachment 3 is not required.

26.02 Lender's Rights to Prevent Termination. Each Lender has the right, but not the obligation, at any time before termination of this Lease and without payment of any penalty other than the interest on unpaid rent, to pay all of the rents due under this Lease, to effect any insurance, to pay any taxes and assessments, to make any repairs and improvements, to do any other act or thing required of Tenant or necessary and proper to be done in the performance and observance of the agreements, covenants and conditions of this Lease to prevent a termination of this Lease to the same effect as if the same had been made, done, and performed by Tenant instead of by Lender.

26.03 Lender's Rights When Tenant Defaults. If any event of default under this Lease occurs and is continuing, and is not cured within the applicable cure period, Landlord will not terminate this Lease or exercise any other remedy unless it first gives written notice of the event of default to Lender, and:

- a) If the event of default is a failure to pay a monetary obligation of Tenant (not including any of Tenant's indemnification obligations under this Lease (the "**Indemnification Obligations**")), Lender fails to cure such default within sixty (60) days from the date of written notice from Landlord to Lender to cure the default; or
- b) If the event of default is not a failure to pay a monetary obligation of Tenant, Lender fails, within sixty (60) days of receipt of the written notice, to either (a) remedy such default; or (b) obtain title to the Leasehold Estate and Improvements in lieu of foreclosure; or (c) commence foreclosure or other appropriate proceedings in the nature thereof (including the appointment of a receiver) and thereafter diligently prosecute such proceedings to completion, in which case such event of default will be remedied or deemed remedied in accordance with Section 26.04 below.
- c) All rights of Landlord to terminate this Lease as the result of the occurrence of any uncured event of default is subject to, and conditioned upon, Landlord having first given Lender written notice of the event of default and Lender having failed to remedy such default or acquire Tenant's Leasehold Estate or commence foreclosure or other appropriate proceedings in the nature thereof as set

forth in and within the time specified by this Section 26.03, and upon the Permitted Limited Partners having failed to proceed as permitted under Sections 19.04(b) or 26.06(b).

26.04 Default That Cannot be Remedied by Lender. Any event of default under this Lease that in the nature thereof cannot be remedied by Lender will be deemed to be remedied as it pertains to Lender or any Subsequent Owner if (a) within sixty (60) days (and as may be extended in the OCII Executive Director's discretion) after receiving notice from Landlord setting forth the nature of such event of default, Lender has acquired the Leasehold Estate and Improvements or has commenced foreclosure or other appropriate proceedings in the nature of foreclosure, (b) Lender is diligently prosecuting any such proceedings to completion, (c) Lender has fully cured any event of default arising from failure to pay or perform any monetary obligation (other than the Indemnification Obligations) in accordance with Section 26.03, and (d) after gaining possession of the Improvements, Lender diligently proceeds to perform all other obligations of Tenant as and when due in accordance with the terms of this Lease. Notwithstanding anything to the contrary contained elsewhere herein, in no event shall any Lender have the obligation, or be required, as a condition to preventing the termination of this Ground Lease, as a condition to obtaining a new lease or otherwise, to cure any breach by Tenant of its obligation, under Article 25.04 of this Ground Lease, to reimburse Landlord for all costs, expenses, advances and disbursements made or incurred by Landlord in connection with its cure of any breach of default under any Leasehold Mortgage (and all such breaches shall automatically be deemed cured upon a foreclosure under any Leasehold Mortgage (or acceptance of a deed in lieu thereof)).

26.05 Court Action Preventing Foreclosure. If Lender is prohibited by any process or injunction issued by any court or because of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Tenant from commencing or prosecuting foreclosure or other appropriate proceedings in the nature of foreclosure, the times specified in Sections 26.03 and 26.04 above for commencing or prosecuting such foreclosure or other proceedings will be extended for the period of such prohibition. If this Lease is terminated for any reason or rejected by Tenant in bankruptcy, then Landlord agrees to enter into a new ground lease with the Lender on the same terms set forth in this Lease, and said new lease shall be afforded a priority equal to the recording priority of this Lease. For purpose of this Article, if there is more than one Lender, Landlord will offer the new lease to each Lender in the order of priority until accepted.

26.06 Lender's Rights to Record, Foreclose, and Assign. Landlord hereby agrees with respect to any Leasehold Mortgage, that:

- a) the Lender may cause its Leasehold Mortgage to be recorded and enforced, and upon foreclosure, sell and assign the Leasehold Estate to an assignee from whom it may accept a purchase price; provided however that: (a) except with respect to affiliates of a Lender, Lender obtains prior written approval from Landlord with respect to the selection of the assignee, which approval shall not be unreasonably withheld, conditioned or delayed; and (b) the proposed assignee maintains the use restrictions of Section 9.02 and is controlled by a California nonprofit public benefit corporation exempt

from tax under Section 501(c)(3) of the Internal Revenue Code such that the Premises would, if leased by such entity, receive an exemption from state property taxes as provided under Section 214 of the California Revenue and Taxation Code. Lender, furthermore, may acquire title to the Leasehold Estate in any lawful way, and if the Lender, or an affiliate, shall become the assignee, then Lender (or affiliate) may sell and assign said Leasehold Estate subject to Landlord approval as to assignee or purchaser, which shall not be unreasonably withheld, conditioned or delayed and to Landlord's cure rights under Section 25.04. The foreclosure of the Leasehold Mortgage shall not constitute an Event of Default hereunder.

b) each Subsequent Owner must take the Leasehold Estate subject to all of the provisions of this Lease, and except as provided elsewhere in this Lease, must assume all of the obligations of Tenant under this Lease for so long as it is the owner of the Leasehold Estate;

c) Landlord will mail or deliver to any Lender that has an outstanding Leasehold Mortgage a duplicate copy of all notices that Landlord may give to Tenant under this Lease; and

d) any Permitted Limited Partners of Tenant will have the same rights as any Lender under Sections 26.02, 26.03, and 26.06(c), and any reference to a Lender in those sections will be deemed to include the Permitted Limited Partners; provided, however, that the rights of the Permitted Limited Partners are subordinate to the rights of any Lender.

26.07 Lease Rent after Lender Foreclosure or Assignment. Upon foreclosure of a Leasehold Mortgage or assignment of the Leasehold Estate in lieu of such foreclosure, (i) any accrued Annual Rent at the time of foreclosure will be forgiven by Landlord, and will not be an obligation of the Lender, its assignee, or the Subsequent Owner; and (ii) for so long as the Project is operated in accordance with the use and occupancy restrictions of ARTICLE 9, Annual Rent shall be set as follows:

a) The obligations of any Subsequent Owner other than a Lender (or its affiliate) for payment of Annual Rent shall be as set forth in ARTICLE 4;

b) A Lender (or the affiliate of a Lender) who acquires the Leasehold Estate as a result of foreclosure of a Leasehold Mortgage or assignment of the Leasehold Estate in lieu of such foreclosure shall pay Annual Rent as follows:

(i) For 180 days after foreclosure of a Leasehold Mortgage or assignment of the Leasehold Estate in lieu of such foreclosure, the obligations for payment of Annual Rent of the Lender (or such affiliate) shall be as set forth in ARTICLE 4;

(ii) If, within 180 days after foreclosure of a Leasehold Mortgage or assignment of the Leasehold Estate in lieu of such foreclosure: (a) the Lender (or such affiliate) identifies as a potential assignee of the Leasehold Estate an entity that is controlled by, or includes a partner or member which is, a California nonprofit public benefit corporation that is exempt from tax under Section 501(c)(3) of the Internal Revenue Code such that the Leasehold Estate would, if leased by such entity, receive an exemption from state property taxes as provided under Section 214 of the California Revenue and Taxation Code, (b) Landlord has approved such entity (which approval shall not be unreasonably withheld, conditioned or delayed), and (3) Lender (or its affiliate) is engaged, diligently and in good faith, in negotiations with such entity for assignment of the Leasehold Estate, then, if requested by Lender, the obligations for payment of Annual Rent of the Lender (or such affiliate) shall continue to be as set forth in ARTICLE 4 for an additional sixty (60) days after the end of the one- hundred eighty (180) day period set forth in 26.07(ii)(B)(1) above;

(iii) From and after the date that Lender (or its affiliate) no longer qualifies under paragraph (1) or paragraph (2) of this Section 26.07(ii)(B), Base Rent shall accrue and shall be payable by Lender (or such affiliate) in arrears on each January 31st in accordance with Section 4.02; provided, however, that payment of Base Rent thus accrued may, at the option of the Lender (or such affiliate), be deferred, with simple interest at six percent (6%) per annum until paid, until the first to occur of (x) assignment of the Leasehold Estate to a Subsequent Owner or (y) the date that is sixty days after the termination of this Lease.

26.08 Permitted Uses After Lender Foreclosure. Notwithstanding the above, in the event of a foreclosure and transfer to a Subsequent Owner, the Premises must be operated in accordance with the Declaration of Restrictions, Section 9.01 of this Lease, and in accordance with those uses specified in the schematic designs and final construction documents approved by OCII and the building permit, with all addenda, as approved by the City's Department of Building Inspection, and any reasonable modifications in plans proposed by the Subsequent Owner or its successors in interest for the viability of the Project approved by Landlord in its reasonable discretion under Section 10.16.

26.09 Preservation of Leasehold Benefits. Until such time as a Lender notifies Landlord in writing that the obligations of the Tenant under its Loan Documents have been satisfied, Landlord agrees:

a) That subject to Section 19.03(b) Landlord will not voluntarily cancel or surrender this Lease, or accept a voluntary cancellation or surrender of this Lease by Tenant, or amend this Lease to materially increase the obligations of the Tenant or the rights

of Landlord under this Lease or alter the rights and protections of Lender, without the prior written consent of the Lender (which may not be unreasonably withheld or delayed);

b) That Landlord will not enforce against a Lender any waiver or election made by the Tenant under this Lease that has a material adverse effect on the value of the Leasehold Estate without the prior written consent of the Lender (which will not be unreasonably withheld or delayed);

c) That, if a Lender makes written request to Landlord for a new ground lease within fifteen (15) days after Lender receives written notice of termination of this Lease, then Landlord will enter a new ground lease with the Lender commencing on the date of termination of this Lease and ending on the normal expiration date of this Lease, on substantially the same terms and conditions as this Lease and subject to the rent provisions set forth in Section 26.07, and with the same priority as against any subleases or other interests in the Premises; so long as the Lender cures all unpaid monetary defaults under this Lease (other than the Indemnification Obligations), through the date of such termination;

d) That Landlord will provide reasonable prior notice to each Lender of any proceedings for adjustment or adjudication of any insurance or condemnation claim involving the Premises and will permit each Lender to participate the proceedings as an interested party.

26.10 No Merger. The Leasehold Estate will not merge with the fee interest in the Site, notwithstanding ownership of the leasehold and the fee by the same person, without the prior written consent of each Lender.

26.11 Landlord Bankruptcy.

a) If a bankruptcy proceeding is filed by or against Landlord, Landlord will immediately notify each Lender of the filing and will deliver a copy of all notices, pleadings, schedules, and similar materials regarding the bankruptcy proceedings to each Lender.

b) Landlord acknowledges that: (i) the Tenant seeks to construct improvements on the Leasehold Estate using proceeds of the loans provided by the Lenders, and (ii) it would be unfair to both the Tenant and the Lenders to sell the Site free and clear of the Leasehold Estate. Therefore, Landlord waives its right, under section 363(f) of the Bankruptcy Code, to sell Landlord's fee interest in the Site free and clear of the Leasehold Estate.

c) If a bankruptcy proceeding is filed by or on behalf of Landlord, Landlord agrees as follows:

(i) the Tenant will be presumed to have objected to any attempt by Landlord to sell the fee interest free and clear of the Leasehold Estate;

(ii) if Tenant does not so object, each Lender will have the right to so object on its own behalf or on behalf of the Tenant; and

(iii) in connection with any such sale, the Tenant will not be deemed to have received adequate protection under section 363(e) of the Bankruptcy Code, unless it has received and paid to each Lender the outstanding balance under its respective loan.

d) Landlord recognizes that the Lenders are authorized on behalf of the Tenant to vote, participate in, or consent to any bankruptcy, insolvency, receivership, or court proceeding concerning the Leasehold Estate.

26.12 Encumbrance of Landlord's Interest. Landlord shall not voluntarily encumber Landlord's interest in the Site with a foreclosable mortgage or similar interest without the prior written consent of Tenant, Permitted Limited Partners and all Lenders.

ARTICLE 27 CONDEMNATION AND TAKINGS

27.01 Parties' Rights and Obligations to be Governed by Agreement. If, during the term of this Lease, there is any condemnation of all or any part of the Premises or any interest in the Leasehold Estate is taken by condemnation, the rights and obligations of the parties will be determined under this ARTICLE 27, subject to the rights of any Lender. Accordingly, Tenant waives any right to terminate this Lease upon the occurrence of a partial condemnation under Sections 1265.120 and 1265.130 of the California Code of Civil Procedure, as those sections may from time to time be amended, replaced, or restated.

27.02 Notice. In case of the commencement of any proceedings or negotiations that might result in a condemnation of all or any portion of the Premises during the Term, the party learning of such proceedings will promptly give written notice of the proceedings or negotiations to the other party. The notice will describe with as much specificity as is reasonable, the nature and extent of such condemnation or the nature of such proceedings or negotiations and of the condemnation that might result, as the case may be.

27.03 Total Taking. If the Project is totally taken by condemnation, this Lease will terminate on the date the condemnor has the right to possession of the Site.

27.04 Partial Taking. If any portion of the Project is taken by condemnation, this Lease will remain in effect, except that Tenant may, with Lender's written consent, elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Improvements is rendered unsuitable for Tenant's continued operation of the Project. If Tenant elects to terminate this Lease, Tenant must exercise its right to terminate under this paragraph by giving notice to Landlord within thirty (30) days after Landlord notifies Tenant of the nature and the extent of the taking. Tenant's termination notice must include the date of termination, which date may not be earlier than thirty (30) days or later than six (6) months after the date of Tenant's notice; except

that this Lease will terminate on the date the condemnor has the right to possession of the Project if that date falls on a date before the date of termination as designated by Tenant. If Tenant does not terminate this Lease within the thirty (30) day notice period, this Lease will continue in full force and effect.

27.05 Effect on Rent. If any portion of the Project is taken by condemnation and this Lease remains in full force and effect, then on the date of taking the rent will be reduced by an amount that is in the same ratio to the rent as the value of the area of the portion of the Improvements taken bears to the total value of the Improvements immediately before the date of the taking.

27.06 Restoration of Improvements. If there is a partial taking of the Project and this Lease remains in full force and effect under Section 27.04, then Tenant may, subject to the terms of the Leasehold Mortgage, use the proceeds of the taking to accomplish all necessary restoration to the Improvements.

27.07 Award and Distribution. Any compensation awarded, paid, or received on a total or partial condemnation of the Project or threat of condemnation of the Project will belong to and be distributed in the following order:

- a) First, to pay the balance due on any outstanding Leasehold Mortgages and other outstanding or unpaid obligations and/or liabilities, including but not limited to, trade accounts, taxes, payroll accruals, and lease residuals, to the extent provided therein; and
- b) Second, to the Tenant in an amount equal to the then fair market value of Tenant's interest in the Project, such value to be determined as it existed immediately preceding the earliest taking or threat of taking of the Site; and;
- c) Third, to Landlord.
- d) Notwithstanding anything to the contrary set forth in this Section, any portion of the compensation awarded that has been specifically designated by the condemning authority or in the judgment of any court to be payable to Landlord or Tenant on account of any interest in the Premises or the Improvements separate and apart from the condemned land value, the value of Landlord's reversionary interest in the Improvements, Tenant's Leasehold Estate, or the value of the Improvements on the Premises for the remaining unexpired portion of the Term, will be paid to Landlord or Tenant, as applicable, as so designated by the condemning authority or judgment.

27.08 Payment to Lenders. In the event the Improvements are subject to the lien of a Leasehold Mortgage on the date when any compensation resulting from a condemnation or threatened condemnation is to be paid to Tenant, the award will be disposed of as provided in the Leasehold Mortgages.

27.09 Temporary Condemnation. If there is a condemnation of all or any portion of the Premises for a temporary period lasting less than the remaining Term, this Lease will remain in full force and effect, there will be no abatement of Rent, and the entire award will be payable to Tenant.

27.10 Personal Property; Goodwill. Notwithstanding Section 27.07, Landlord will not be entitled to any portion of any award payable in connection with the condemnation of the Personal Property of Tenant or any of its subtenants, or any moving expenses, loss of goodwill or business loss or interruption of Tenant, severance damages with respect to any portion of the Premises and Improvements remaining under this Lease, or other damages suffered by Tenant.

ARTICLE 28 ESTOPPEL CERTIFICATE

Landlord or Tenant, as the case may be, will execute, acknowledge, and deliver to the other and/or any Lender or a Permitted Limited Partner, promptly upon request, its certificate certifying (a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease is in full force and effect, as modified, and stating the modifications), (b) the dates, if any, to which rent has been paid, (c) whether there are then existing any charges, offsets, or defenses against the enforcement by Landlord or Tenant to be performed or observed and, if so, specifying them, and (d) whether there are then existing any defaults by Tenant or Landlord in the performance or observance by Tenant or Landlord of any agreement, covenant, or condition on the part of Tenant or Landlord to be performed or observed under this Lease, and whether any notice has been given to Tenant or Landlord of any default that has not been cured and, if so, specifying the uncured default. Within ten (10) days following Tenant's request, Landlord shall deliver to Tenant an estoppel certificate in the form attached hereto as Attachment 10.

ARTICLE 29 SURRENDER AND QUITCLAIM

29.01 Surrender.

a) Upon expiration or earlier termination of this Lease, Tenant will surrender to Landlord the Project in good order, condition, and repair (except for ordinary wear and tear occurring after the last necessary maintenance made by Tenant and except for Casualty or Condemnation as described in ARTICLE 20 and ARTICLE 27). Ordinary wear and tear will not include any damage or deterioration that would have been prevented by proper maintenance by Tenant, or Tenant otherwise performing all of its obligations under this Lease. The Premises must be surrendered clean, free of debris, waste, and Hazardous Substances, and free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Lease and any other encumbrances created or approved in writing by Landlord. On or before the expiration or earlier termination of this Lease, Tenant at its sole cost will remove from the Premises, and repair any damage caused by removal of, Personal Property, including any signage. Improvements and Changes will remain in the Premises as Landlord property and title to the Improvements and any Changes will be conveyed to Landlord as provided in ARTICLE 13 above.

b) If the Project is not surrendered at the end of the Term or sooner termination of this Lease, and in accordance with the provisions of this ARTICLE 29, Tenant will continue to be responsible for the payment of Annual Rent until the Project is surrendered in accordance with this ARTICLE 29, and Tenant will indemnify, defend and hold harmless the Indemnified Parties from and against any and all Claims resulting from delay by Tenant in so surrendering the Project including, without limitation, any costs of Landlord to obtain possession of the Project; any loss or liability resulting from any Claim against Landlord made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Landlord due to lost opportunities to lease any portion of the Project or the Site to any such succeeding tenant or prospective tenant, together with, in each instance, reasonable attorneys' fees and costs.

c) No act or conduct of Landlord, including, but not limited to, the acceptance of the keys to the Project, will constitute an acceptance of the surrender of the Project by Tenant before the expiration of the Term. Only a written notice from Landlord to Tenant confirming termination of this Lease and surrender of the Project by Tenant will constitute acceptance of the surrender of the Project and accomplish a termination of this Lease.

29.02 Quitclaim. Upon the expiration or earlier termination of this Lease, the Project will automatically, and without further act or conveyance on the part of Tenant or Landlord, become the property of Landlord, free and clear of all liens and without payment therefore by Landlord, as provided in ARTICLE 13. Upon expiration or sooner termination of this Lease, Tenant must surrender the Project to Landlord and, at Landlord's request, will execute, acknowledge, and deliver to Landlord a good and sufficient quitclaim deed with respect to any interest of Tenant in the Premises.

29.03 Abandoned Property. Any items, including Personal Property, not removed by Tenant will be deemed abandoned. Landlord may retain, store, remove, and sell or otherwise dispose of abandoned Personal Property, and Tenant waives all Claims against Landlord for any damages resulting from Landlord's retention, removal, and disposition of abandoned Personal Property; provided, however, that Tenant will be liable to Landlord for all costs incurred in storing, removing, and disposing of abandoned Personal Property and repairing any damage to the Premises resulting from its removal. Tenant agrees that Landlord may elect to sell abandoned Personal Property and offset against the sales proceeds Landlord's storage, removal, and disposition costs without notice to Tenant or otherwise according to the procedures set forth in California Civil Code Section 1993, the benefits of which Tenant waives.

29.04 Survival. Tenant's obligation under this ARTICLE 29 will survive the expiration or earlier termination of this Lease.

ARTICLE 30 EQUAL OPPORTUNITY

Tenant agrees to comply with OCII's Equal Opportunity Program as described in Attachment 9 and will submit all documents required pursuant to the policies included in Attachment 9.

ARTICLE 31 OCII LABOR STANDARDS PROVISIONS

California Labor Code Section 1720 *et seq.* requires payment of prevailing wages for developments paid for in whole or in part out of public funds. Although the Parties acknowledge that the development of the Project is a private work of improvement, Tenant further acknowledges that the Project may be subject to Labor Code requirements. Tenant agrees to pay or cause to be paid prevailing rates of wages in accordance with the requirements set forth in Attachment 9-3 and to comply with applicable provisions of the Labor Code.

ARTICLE 32 OCII MINIMUM COMPENSATION AND HEALTH CARE ACCOUNTABILITY POLICY

OCII finds that it has a significant proprietary interest in the public parcel that is being leased to the Tenant pursuant to this Lease. Tenant agrees that the Tenant and its subtenants, if any, will comply with the applicable provisions of OCII's Health Care Accountability Policy, Attachment 9-5, and Minimum Compensation Policy, Attachment 9-6, and, adopted by Agency Resolution No. 168-2001 on September 25, 2001, as these policies may be amended from time to time (jointly in this Article, the "Policies"). Notwithstanding this requirement, the Parties recognize that the residential housing component of the Improvements is not subject to the Policies, but leasing and operations of any Non-residential Space is subject to the Policies (the Parties acknowledge that no Non-residential Space is proposed).

ARTICLE 33 OCII PREFERENCE PROGRAMS

To the extent permitted by applicable Law, Tenant agrees to comply with the requirements of OCII's current housing preference programs, as amended from time to time; provided, however, that such requirements will apply only to the extent permitted by the requirements of non-OCII funding approved by OCII for the Project.

ARTICLE 34 CONFLICT OF INTEREST

No commissioner, official, or employee of OCII may have any personal or financial interest, direct or indirect, in this Lease, and any such commissioner, official, or employee may not participate in any decision relating to this Lease that affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested.

ARTICLE 35 NO PERSONAL LIABILITY

No commissioner, official, or employee of OCII will be personally liable to Tenant or any successor in interest in the event of any default or breach by Landlord or for any amount that may become due to Tenant or its successors or on any obligations under the terms of this Lease.

ARTICLE 36 ENERGY CONSERVATION

Tenant agrees that it will use its best efforts to maximize provision of, and incorporation of, both energy conservation techniques and systems and improved waste-handling methodology in the construction of the Improvements.

ARTICLE 37 WAIVER

The waiver by Landlord or Tenant of any term, covenant, agreement or condition in this Lease will not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, agreement, or condition in this Lease, and no custom or practice that may grow up between the parties in the administration of this Lease may be construed to waive or to lessen the right of Landlord or Tenant to insist upon the performance by the other in strict accordance with its terms. The subsequent acceptance of rent or any other sum by Landlord will not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant, agreement, or condition of this Lease, other than the failure of Tenant to pay the particular rent or other sum accepted, regardless of Landlord's knowledge of the preceding breach at the time of acceptance of such rent or other sum. Any waiver by Landlord of any term or provision of this Lease must be in writing.

ARTICLE 38 TENANT RECORDS

Upon reasonable notice during normal business hours, and as often as Landlord may deem necessary, Tenant will make available to Landlord and its authorized representatives for examination all records, reports, data, and information made or kept by Tenant regarding its activities or operations on the Site. Nothing contained in this Lease will entitle Landlord to inspect personal histories of residents or lists of donors or supporters. To the extent that it is permitted by Law to do so, Landlord will respect the confidentiality requirements of Tenant in regard to the lists above of the names of Residential Occupants of the Premises furnished by Tenant under to ARTICLE 7 above.

ARTICLE 39 NOTICES AND CONSENTS

All notices, demands, consents, or approvals that may be given or are required to be given by either party to the other under this Lease must be in writing and will be deemed to have been fully given when delivered in person to such representatives of the Tenant and Landlord, or when deposited in the United States mail, certified, postage prepaid, or by express delivery service with a delivery receipt and addressed as follows:

ARTICLE 40 HEADINGS

Any titles of the paragraphs, articles, and sections of this Lease are inserted for convenience only and will be disregarded in construing or interpreting any of its provisions. "Paragraph," "article," and "section" may be used interchangeably.

ARTICLE 41 SUCCESSORS AND ASSIGNS

This Lease will be binding upon and inure to the benefit of the successors and assigns of Landlord and Tenant and where the term "Tenant" or "Landlord" is used in this Lease, it means and includes their respective successors and assigns; provided, however, that Landlord will have no obligation under this Lease to, and no benefit of this Lease will accrue to, any unapproved successor or assign of Tenant where Landlord approval of a successor or assign is required by this

Lease. If and when Landlord sells the Site to any third party, Landlord will require such third party to assume all of Landlord's obligations under this Lease arising on and after the transfer in writing for the benefit Tenant and its successors and assigns.

ARTICLE 42 TIME

Time is of the essence in the enforcement of the terms and conditions of this Lease. References to days, months and years mean calendar days, months and years unless otherwise specified.

ARTICLE 43 PARTIAL INVALIDITY

If any provisions of this Lease are determined to be illegal or unenforceable, that determination will not affect any other provision of this Lease and all the other provisions of this Lease will remain in full force and effect.

ARTICLE 44 APPLICABLE LAW; NO THIRD PARTY BENEFICIARY

This Lease is governed by and construed under the laws of the State of California. This Lease is entered into solely among, between, and for the benefit of, and may be enforced only by, the parties hereto and does not create rights in any other third party.

ARTICLE 45 ATTORNEYS' FEES

If either Landlord or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the non-prevailing party in such dispute, as the case may be, will pay the prevailing party reasonable attorneys' and experts' fees and costs, and all court costs and other costs of action incurred by the prevailing party in connection with the prosecution or defense of such action and enforcing or establishing its rights under this Lease (whether or not such action is prosecuted to a judgment). For purposes of this Lease, reasonable attorneys' fees of OCII or the City's Office of the City Attorney will be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by OCII or the Office of the City Attorney. The term "attorneys' fees" also includes, without limitation, all such fees incurred with respect to appeals, mediations, arbitrations, and bankruptcy proceedings, and whether or not any action is brought with respect to the matter for which the fees were incurred. The term "costs" means the costs and expenses of counsel to the parties, which may include printing, duplicating, and other expenses, air freight charges, hiring of experts, and fees billed for law clerks, paralegals, and others not admitted to the bar but performing services under the supervision of an attorney.

ARTICLE 46 EXECUTION IN COUNTERPARTS

This Lease and any memorandum hereof may be executed in counterparts, each of which will be considered an original, and all of which will constitute one and the same instrument.

ARTICLE 47 BROKERS

Neither party has had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the Lease contemplated herein. If any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings, or communication, the party through whom the broker or finder makes a claim will be responsible for such commission or fee and will indemnify, defend and hold harmless the other party from any and all Claims. The provisions of this Section shall survive any termination of this Lease.

ARTICLE 48 RECORDATION OF MEMORANDUM OF GROUND LEASE

This Lease may not be recorded, but a memorandum of this Lease will be recorded in the form attached hereto as Attachment 5 ("**Memorandum of Ground Lease**"). The parties will execute the memorandum in form and substance as required by a title insurance company insuring Tenant's leasehold estate or the interest of any Leasehold Mortgagee, and sufficient to give constructive notice of the Lease to subsequent purchasers and mortgagees.

ARTICLE 49 TEMPORARY PERMISSION TO ENTER AND USE FUTURE CLEMENTINA STREET

49.01 Permission to Enter. Landlord hereby grants to Tenant a non-exclusive license to enter and use Landlord's property adjacent to the Site, as more particularly shown in Attachment 13 (as said portion of Landlord's property may be modified at the sole discretion of the Executive Director, the "**Temporary Construction Access Area**") for the purposes established under this ARTICLE 49 ("**Temporary License**").

49.02 Nature of Permission. The Temporary License is non-exclusive and is subject to the rights of ingress and egress by the Successor Agency and the Indemnified Parties who are authorized to access the Temporary Construction Access Area.

49.03 Permitted Uses. Tenant, its employees, invitees, subpermittees and subcontractors (collectively, "**Tenant Parties**") shall use the Permit Area for construction staging activities. Tenant acknowledges that ECLP, its invitees and members of the public may be engaged in uses immediately adjacent to the Temporary Construction Access Area, and Tenant shall ensure that the Tenant Parties take reasonable measures to minimize disturbance to such uses. As so limited, the uses described in this Section 49.03 are the "**Permitted Temporary Access Uses.**" No uses other than those specifically stated in this ARTICLE 49 are authorized on the Temporary Construction Access Area.

49.04 Time of Entry; Duration. Entry may commence at 7:00 a.m. upon the date of the Notice to Proceed, and shall terminate upon the earlier of: (i) termination of this Lease or (ii) termination by Landlord providing 14 days' advanced written notice of termination of this Temporary License to Tenant.

49.05 Tenant's Covenants. Tenant acknowledges and agrees that its and Tenant Parties' access to and use of the Temporary Construction Access Area are strictly subject to the provisions of this Lease (whether or not the Temporary Construction Access Area is specifically referenced in a particular provision), including without limitation, Article 6 (Tenant Covenants), Article 8 (As-Is Acceptance), Article 17 (Maintenance), Article 18 (Liens), Article 21 (Damage to Person or Property; Hazardous Substances; Indemnification) and Article 50 (Survival).

ARTICLE 50 SURVIVAL

Termination or expiration of this Lease will not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, the ability to collect any damages or sums due, and it will not affect any provision of this Lease that expressly states it will survive termination or expiration of this Lease.

ARTICLE 51 TRANSFER OF PARTNERSHIP INTERESTS IN TENANT

Tenant may not cause or permit any voluntary transfer, assignment, or encumbrance of its interest in the Site or Project or of any ownership interests in Tenant, or lease or permit a sublease on all or any part of the Project, other than: (a) leases, subleases, or occupancy agreements to Residential Occupants; or (b) security interests for the benefit of lenders securing loans for the Project as approved by Landlord on terms and in amounts as approved by Landlord in its reasonable discretion, (c) transfers from Tenant to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Tenant or an affiliated nonprofit public benefit corporation is the sole general partner or manager of that entity; (d) transfers of the general partnership or manager's interest in Tenant to a nonprofit public benefit corporation approved in advance by Landlord; (e) transfers of any limited partnership or membership interest in Tenant to an investor under the tax credit syndication of the Project and transfers of any limited partner interest in Tenant to affiliates of the Permitted Limited Partner in accordance with the terms of the Tenant's partnership agreement; (f) any transfers by foreclosure or deed in lieu of foreclosure consistent with this Agreement; or (g) the grant or exercise of an option agreement or right of first refusal between Tenant and Tenant's general partner(s) or manager or any of their respective affiliates in connection with the tax credit syndication of the Project where such agreement has been previously approved in writing by Landlord. Further, the Landlord shall not unreasonably delay consent to approval or replacement of a general partner by the Permitted Limited Partner due to a default by a general partner as provided in Tenant's partnership agreement. Any other transfer, assignment, encumbrance, or lease without Landlord's prior written consent will be voidable and, at Landlord's election, constitute a default under this Agreement. Landlord's consent to any specific assignment, encumbrance, lease, or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of Landlord's rights under this Lease.

ARTICLE 52 CITY PROVISIONS

Upon transfer of the Site and assignment of the rights and obligations of this Lease under Section 14.02 herein, Tenant is required to comply with the provisions set out in Attachment 7 to this Lease. At that time, any conflict between such provisions and those of this Lease shall be resolved in favor of the provisions contained in Attachment 7.

ARTICLE 53 COMPLETE AGREEMENT

There are no oral agreements between Tenant and Landlord affecting this Lease, and this Lease supersedes and cancels any and all previous negotiations, arrangements, agreements, and understandings between Tenant and Landlord with respect to the lease of the Site.

ARTICLE 54 AMENDMENTS

Neither this Lease nor any terms or provisions hereof may be changed, waived, discharged, or terminated, except by a written instrument signed by the party against which the enforcement of the change, waiver, discharge, or termination is sought (including, if applicable, the Permitted Limited Partner(s) and/or the Lender). No waiver of any breach will affect or alter this Lease, but each and every term, covenant, and condition of this Lease will continue in full force and effect with respect to any other then-existing or subsequent breach thereof. Any amendments or modifications to this Lease (including the Declaration of Public Access Restrictions), including, without limitation, amendments to or modifications to the attachments to this Lease, will be subject to the mutual written agreement of Landlord and Tenant, and Landlord's agreement may be made upon the sole approval of OCII's Executive Director, or his or her designee; provided, however, material amendments, or modifications to this Lease (a) changing the legal description of the Site, (b) increasing the Term beyond that provided in ARTICLE 2, (c) increasing the Rent, (d) changing the general use of the Project from the use authorized under this Lease, and (e) any other amendment or modification which materially increases Landlord's liabilities or financial obligations under this Lease will additionally require the approval of the Commission on Community Investment and Infrastructure.

1. Non-Discrimination.

- a. Covenant Not to Discriminate. In the performance of this Lease, Tenant covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability, weight, height, or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Tenant, in any of Tenant's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant.
- b. Subleases and Other Subcontracts. Tenant must include in all subleases and other subcontracts relating to the Premises a non-discrimination clause applicable to the subtenant or other subcontractor in substantially the form of Section 50.01(a) above. In addition, Tenant must incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)–(k), and 12C.3 of the San Francisco Administrative Code and must require all subtenants and other subcontractors to comply with those provisions. Tenant's failure to comply with the obligations in this subsection will constitute a material breach of this Lease.
- c. Non-Discrimination in Benefits. Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or with respect to its operations under this Lease elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits, or travel benefits (collectively "Core Benefits"), as well as any benefits other than Core Benefits, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity under state or local Law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.
- d. Condition to Lease. As a condition to this Lease, Tenant must execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Commission.

- e. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by Parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant must comply fully with and be bound by all of the provisions that apply to this Lease under those Chapters of the Administrative Code, including, but not limited to, the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that under Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.
2. MacBride Principles—Northern Ireland. The City and County of San Francisco urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1 et seq. The City and County of San Francisco also urges San Francisco companies to do business with corporations that abide by the MacBride Principles. Tenant acknowledges that it has read and understands the above statement of the City and County of San Francisco concerning doing business in Northern Ireland.
3. Conflicts of Interest. Tenant states that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, certifies that it knows of no facts that would constitute a violation of those provisions and agrees that if Tenant becomes aware of any such fact during the term of this Lease Tenant will immediately notify the City. Tenant further certifies that it has made a complete disclosure to the City of all facts bearing on any possible interests, direct or indirect, that Tenant believes any officer or employee of the City presently has or will have in this Lease or in the performance thereof or in any portion of the profits thereof. Willful failure by Tenant to make such disclosure, if any, will constitute grounds for City's termination and cancellation of this Lease.
4. Charter Provisions. This Lease is governed by and subject to the provisions of the Charter of the City and County of San Francisco. Accordingly, Tenant acknowledges and agrees that no officer or employee of the City has authority to commit the City to this Lease unless and until a resolution of the City's Board of Supervisors has been duly enacted approving this Lease. Therefore, any obligations or liabilities of Landlord under this Lease are contingent upon enactment of a resolution, and this Lease will be null and void unless the City's Mayor and the Board of Supervisors approve this Lease, in their respective sole and absolute discretion, and in accordance with all applicable Laws. Approval of this Lease by any City department, commission, or agency may not be deemed to imply that a resolution will be enacted or create any binding obligations on the City.
5. Tropical Hardwood/Virgin Redwood Ban. Under Section 804(b) of the San Francisco Environment Code, the City and County of San Francisco urges companies not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood

product, virgin redwood, or virgin redwood wood product. Except as permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environment Code, Tenant will not use any items in the rehabilitation, development, or operation of the Premises or otherwise in the performance of this Lease that are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products.

6. Tobacco Product Advertising Ban. Tenant acknowledges and agrees that no advertising of cigarettes or tobacco products will be allowed on the Premises. The foregoing prohibition includes the placement of the name of a company producing, selling, or distributing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product, or on any sign. The foregoing prohibition will not apply to any advertisement sponsored by a state, local, or nonprofit entity designed to communicate the health hazards of cigarettes and tobacco products or to encourage people not to smoke or to stop smoking.
7. Pesticide Ordinance. Tenant must comply with the provisions of Section 308 of Chapter 3 of the San Francisco Environment Code (the "Pesticide Ordinance"), which (a) prohibit the use of certain pesticides on City property, (b) require the posting of certain notices and the maintenance of certain records regarding pesticide usage, and (c) require Tenant to submit to the City's Department of the Environment an integrated pest management ("IPM") plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term of this Lease, (ii) describes the steps Tenant will take to meet the City's IPM Policy described in Section 39.1 of the Pesticide Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. In addition, Tenant must comply with the requirements of Sections 303(a) and 303(b) of the Pesticide Ordinance. Nothing in this Lease will prevent Tenant, acting through the City, from seeking a determination from the City's Commission on the Environment that Tenant is exempt from complying with certain portions of the Pesticide Ordinance as provided in Section 307 thereof.
8. Compliance with City's Sunshine Ordinance. Tenant understands and agrees that under the City's Sunshine Ordinance (S.F. Admin. Code, Chapter 67) and the State Public Records Law (Cal. Gov. Code §§ 6250 et seq.), this Lease and any and all records, information and materials submitted to the City hereunder are public records subject to public disclosure. Tenant hereby authorizes the City to disclose any records, information, and materials submitted to the City in connection with this Lease as required by Law. Further, Tenant specifically agrees to conduct any meeting of its governing board that addresses any matter relating to the Project or to Tenant's performance under this Lease as a passive meeting.
9. Notification of Limitations on Contributions. Through its execution of this Lease, Tenant acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing any land or building to or from the City whenever such transaction would require approval by a City elective officer or the board on which that City elective officer serves, from making any campaign contribution to the officer at any time from the commencement of negotiations for such contract until the termination of negotiations for

such contract or three (3) months has elapsed from the date the contract is approved by the City elective officer, or the board on which that City elective officer serves.

10. Requiring Health Benefits for Covered Employees. Unless exempt, Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (the "HCAO"), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated in this Lease by reference and made a part of this Lease as though fully set forth. The text of the HCAO is available on the web at www.sfgov.org/oca/lwlh.htm. Capitalized terms used in this Section and not defined in this Lease have the meanings assigned to them in Chapter 12Q. Notwithstanding this requirement, City recognizes that the residential housing component of the Improvements is not subject to the HCAO.
 - a. For each Covered Employee, Tenant must provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, the health plan must meet the minimum standards set forth by the San Francisco Health Commission.
 - b. If Tenant is a small business as defined in Section 12Q.3(d) of the HCAO, Tenant will have no obligation to comply with Section 50.10(a) above.
 - c. Tenant's failure to comply with the HCAO will constitute a material breach of this Lease. If Tenant fails to cure its breach within thirty (30) days after receiving the City's written notice of a breach of this Lease for violating the HCAO or, if the breach cannot reasonably be cured within the 30-day period and Tenant fails to commence efforts to cure within the 30-day period, or thereafter fails diligently to pursue the cure to completion, then the City will have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies will be exercisable individually or in combination with any other rights or remedies available to the City.
 - d. Any sublease entered into by Tenant for commercial space in the Project must require the subtenant to comply with the requirements of the HCAO and must contain contractual obligations substantially the same as those set forth in this Section. Tenant must notify the City's Purchasing Department when Tenant enters into a sublease and must certify to the Purchasing Department that Tenant has notified the subtenant of the obligations under the HCAO and has imposed the requirements of the HCAO on subtenant through the sublease. Tenant will be responsible for its subtenants' compliance with this Chapter. If a subtenant fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the subtenant's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.
 - e. Tenant may not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying the City with regard to Tenant's compliance or anticipated compliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

- f. Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.
 - g. Tenant must keep itself informed of the current requirements of the HCAO.
 - h. Tenant must provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on subtenants, as applicable.
 - i. Tenant must provide City with access to records pertaining to compliance with HCAO after receiving a written request from the City to do so and being provided at least five (5) business days to respond.
 - j. The City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with the City when it conducts audits.
 - k. If Tenant is exempt from the HCAO when this Lease is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with the City to reach \$75,000, all the agreements will be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and MOHCD to be equal to or greater than \$75,000 in the fiscal year.
11. Public Access to Meetings and Records. If Tenant receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, Tenant must comply with and will be bound by all the applicable provisions of that Chapter. By executing this Lease, Tenant agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. Tenant further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Tenant acknowledges that its material failure to comply with any of the provisions of this paragraph will constitute a material breach of this Lease. Tenant further acknowledges that such material breach of this Lease will be grounds for City to terminate and/or not renew this Lease, partially or in its entirety.
12. Resource-Efficient Building Ordinance. Tenant acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Tenant will comply with the applicable provisions of such code sections as those sections may apply to the Premises.
13. Drug Free Work Place. Tenant acknowledges that under the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited on City premises. Tenant agrees that any violation of this prohibition by Tenant, its agents, or assigns will be deemed a material breach of this Lease.
14. Preservative Treated Wood Containing Arsenic. Tenant may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term

"preservative-treated wood containing arsenic" means wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Tenant may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Tenant from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" means a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

15. Nondisclosure of Private Information. Tenant agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code (the "Nondisclosure of Private Information Ordinance"), including the remedies provided. The provisions of the Nondisclosure of Private Information Ordinance are incorporated and made a part of this Lease as though fully set forth. Capitalized terms used in this section and not defined in this Lease have the meanings assigned to those terms in the Nondisclosure of Private Information Ordinance. Consistent with the requirements of the Nondisclosure of Private Information Ordinance, Contractor agrees to all of the following:
 - a. Neither Tenant nor any of its subcontractors will disclose Private Information, unless one of the following is true:
 - (i) The disclosure is authorized by this Lease;
 - (ii) Tenant received advance written approval from the Contracting Department to disclose the information; or
 - (iii) The disclosure is required by law or judicial order.
 - b. Any disclosure or use of Private Information authorized by this Lease must be in accordance with any conditions or restrictions stated in this Lease. Any disclosure or use of Private Information authorized by a Contracting Department must be in accordance with any conditions or restrictions stated in the approval.
 - c. Private Information means any information that: (1) could be used to identify an individual, including, without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.
 - d. Any failure of Tenant to comply with the Nondisclosure of Private Information Ordinance will be a material breach of this Lease. In such an event, in addition to any other remedies available to it under equity or law, City may terminate this Lease, debar Tenant, or bring a false claim action against Tenant.
16. Graffiti. Graffiti is detrimental to the health, safety, and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is

detrimental to property values, business opportunities, and the enjoyment of life; is inconsistent with City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Tenant will remove all graffiti from the Premises and any real property owned or leased by Tenant in the City and County of San Francisco within forty-eight (48) hours of the earlier of Tenant's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require Tenant to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn, or painted on any building, structure, fixture, or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards, and fencing surrounding construction Premises, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" does not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code section 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.). Any failure of Tenant to comply with this section of this Lease will constitute an event of default of this Lease.

17. Incorporation. Each and every provision of the San Francisco Administrative Code described or referenced in this Lease is hereby incorporated by reference as though fully set forth herein. Failure of Tenant to comply with any provision of this Lease relating to any such code provision will be governed by ARTICLE 19 of this Lease, unless (i) such failure is otherwise specifically addressed in this Lease or (ii) such failure is specifically addressed by the applicable code section.
18. Food Service Waste Reduction. Tenant agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in the San Francisco Environment Code, Chapter 16, including the remedies provided therein, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Lease as though fully set forth herein. Accordingly, Tenant acknowledges that City contractors and lessees may not use Disposable Food Service Ware that contains Polystyrene Foam in City Facilities and while performing under a City contract or lease, and shall instead use suitable Biodegradable/ Compostable or Recyclable Disposable Food Service Ware. This provision is a material term of this Lease. By entering into this Lease, Tenant agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine. Without limiting City's other rights and remedies, Tenant agrees that the sum of One Hundred Dollars (\$100.00) liquidated damages for the first breach, Two Hundred Dollars (\$200.00) liquidated damages for the second breach in the same year, and Five Hundred Dollars (\$500.00) liquidated

damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Lease was made. Those amounts will not be considered a penalty, but rather agreed upon monetary damages sustained by City because of Tenant's failure to comply with this provision.

19. Local Hire Requirements. Any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). Improvements and Changes (as defined in this Lease) are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit or (ii) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it will comply with the Local Hiring Requirements to the extent applicable. Before starting any Tenant Improvement Work or any Alteration, Tenant will contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project").

Tenant will include, and will require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each contract must name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant will cooperate, and require its subtenants to cooperate, with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required.

Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

20. Criminal History in Hiring and Employment Decisions.

- a. Unless exempt, Tenant agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "Chapter 12T"), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Tenant who would be or are performing work at the Site.
- b. Tenant will incorporate by reference the provisions of Chapter 12T in all subleases of a portion or all of the Site, if any, and will require all subtenants to comply with its provisions. Tenant's failure to comply with the obligations in this subsection will constitute a material breach of this Lease.
- c. Tenant and subtenants (if any) may not inquire about, require disclosure of, or if such information is received base an Adverse Action (as defined in Chapter 12T) on an applicant's or potential applicant for employment, or employee's: (1) Arrest (as defined in Chapter 12T) not leading to a Conviction (as defined in Chapter 12T), unless the

Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

- d. Tenant and subtenants (if any) may not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in Section 50.20(c) above. Tenant and subtenants (if any) may not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.
 - e. Tenant and subtenants (if any) will state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Site, that the Tenant or subtenant will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.
 - f. Tenant and subtenants (if any) will post the notice prepared by the Office of Labor Standards Enforcement (“OLSE”), available on OLSE’s website, in a conspicuous place at the Site and at other workplaces within San Francisco where interviews for job opportunities at the Site occur. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Site or other workplace at which it is posted.
 - g. Tenant and subtenants (if any) understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T or this Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant, or other person as to whom a violation occurred or continued, termination, or suspension in whole or in part of this Lease.
 - h. If Tenant has any questions about the applicability of Chapter 12T, it may contact the City’s Real Estate Division for additional information. City’s Real Estate Division may consult with the Director of the City’s Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.
21. Prevailing Wages and Working Conditions. Any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61. Tenant will require its Contractors and Subcontractors performing (i) labor in connection with a “public work” as defined under California Labor Code Section 1720 et seq. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or (ii) Covered Construction, at the Premises to (1) pay workers performing such work not less than the Prevailing Rate of Wages, (2) provide the same hours, working conditions, and

benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, "Prevailing Wage Requirements"). Tenant agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract must name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. For the current Prevailing Rate of Wages, contact the City's Office of Labor Standards Enforcement.

22. Sugar-Sweetened Beverage Prohibition. Tenant agrees that it will not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Lease.
23. Taxes, Assessments, Licenses, Permit Fees and Liens.
 - a. Tenant recognizes and understands that this Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the payment of property taxes levied on such interest.
 - b. Tenant agrees to pay taxes of any kind, including possessory interest taxes, that may be lawfully assessed on the Leasehold Estate created and to pay all other taxes, excises, licenses, permit charges, and assessments based on Tenant's usage of the Premises that may be imposed upon Tenant by law, all of which must be paid when the same become due and payable and before delinquency.
 - c. Tenant agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Tenant, if so desiring, may have reasonable opportunity to contest the validity of the same.

San Francisco Administrative Code Sections 23.38 and 23.39 require that certain information relating to the creation, renewal, extension, assignment, sublease, or other transfer of this Lease be provided to the County Assessor within sixty (60) days after the transaction. Accordingly, Tenant must provide a copy of this Lease to the County Assessor not later than sixty (60) days after the Effective Date, and any failure of Tenant to timely provide a copy of this Lease to the County Assessor will be a default under this

Lease. Tenant will also timely provide any information that City may request to ensure compliance with this or any other reporting requirement.

24. Vending Machines; Nutritional Standards. Tenant may not install or permit any vending machine on the Premises without the prior written consent of Landlord. Any permitted vending machine must comply with the food nutritional and calorie labeling requirements set forth in San Francisco Administrative Code section 4.9-1(c), as may be amended from time to time (the “Nutritional Standards Requirements”). Tenant agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 50.24 will be deemed a material breach of this Lease. Without limiting Landlord’s other rights and remedies under this Lease, Landlord will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

25. San Francisco Packaged Water Ordinance. Tenant agrees to comply with San Francisco Environment Code Chapter 24 (“Chapter 24”). Tenant shall not sell, provide or otherwise distribute Packaged Water, as defined in Chapter 24 (including bottled water), in the performance of this Agreement or on City property unless Tenant obtains a waiver from the City’s Department of the Environment. If Tenant violates this requirement, the City may exercise all remedies in this Agreement and the Director of the City’s Department of the Environment may impose administrative fines as set forth in Chapter 24.

G. Verification of Coverage. Tenant must furnish OCII with certificates of insurance and original endorsements evidencing coverage required by this clause. The certificates and applicable endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements are to be received and approved by OCII before work commences. OCII reserves the right to require complete, certified copies of all required insurance policies, including endorsements demonstrating the coverage required by these specifications at any time. The insurance coverage required under this Section shall be evaluated by OCII for adequacy from time to time. OCII may require Tenant to increase the insurance limits and/or forms of coverage in its reasonable discretion provided that such limits and/or coverage is generally available at commercially reasonable rates.

Through execution of this Agreement, Tenant acknowledges that it is familiar with section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the Agency for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) the Mayor or members of the Board of Supervisors, (2) a candidate for Mayor or Board of Supervisors, or (3) a committee controlled by such office holder or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Tenant acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Tenant further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Tenant's board of directors; Tenant's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Tenant; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Tenant. Additionally, Tenant acknowledges that Tenant must inform each of the persons described in the preceding sentence of the prohibitions contained in section 1.126.

Finally, Tenant agrees to provide to OCII the names of each member of Tenant's general partners' (or, if applicable, general partners' managing members) board of directors; Tenant's general partners' (or, if applicable, general partners' managing members) chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Tenant's general partners (or, if applicable, general partners' managing members); any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Tenant.

ATTACHMENT 9-1

SMALL BUSINESS ENTERPRISE AGREEMENT

The company or entity executing this Small Business Enterprise Agreement, by and through its duly authorized representative, hereby agrees to use good faith efforts to comply with all of the following:

I. PURPOSE. The purpose of entering into this Small Business Enterprise Program agreement (“**SBE Program**”) is to establish a set of Small Business Enterprise (“SBE”) participation goals and good faith efforts designed to ensure that monies are spent in a manner which provides SBEs with an opportunity to compete for and participate in contracts by or at the behest of the Successor Agency to the San Francisco Redevelopment Agency (“**Agency**”) and/or the Agency-Assisted Contractor. A genuine effort will be made to give First Consideration to Project Area SBEs and San Francisco-based SBEs before looking outside of San Francisco.

II. APPLICATION. The SBE Program applies to all Contractors and their subcontractors seeking work on Agency-Assisted Projects on or after November 17, 2004 and any Amendment to a Pre-existing Contract.

III. GOALS. The Agency’s SBE Participation Goals are:

| | |
|------------------------------|------------|
| CONSTRUCTION | 50% |
| PROFESSIONAL SERVICES | 50% |
| SUPPLIERS | 50% |

IV. TRAINEE HIRING GOAL. In addition to the goals set forth above in Section III, there is a trainee hiring goal for all design professionals (architects, engineers, planners, and environmental consultants) on contracts or subcontracts over \$100,000. The trainee hiring goal requires architects, engineers and other design professionals only to hire qualified San Francisco residents as trainees. The trainee hiring goal is based upon the total amount of the design professional’s contract as follows:

| <u>Trainees</u> | <u>Design Professional Fees</u> |
|------------------------|--|
| 0 | \$ 0 – \$99,000 |
| 1 | \$ 100,000 – \$249,999 |

| 3 | \$ 500,000 – \$999,999 |
| 4 | \$1,000,000 – \$1,499,999 |
| 5 | \$1,500,000 – \$1,999,999 |
| 6 | \$2,000,000 - \$4,999,999 |
| 7 | \$5,000,000 - \$7,999,999 |
| 8 | \$8,000,000 – or more |

A. Procedures For Trainee Hires

1. Compliance with the Trainee Hiring Goal

Design professionals will be deemed in compliance with this Agreement by meeting or exceeding the trainee hiring goal or by take the following steps in good faith towards compliance.

2. **Execution and Incorporation of this Agreement to Sub-agreements**

The Agency-Assisted Contractor shall execute this Agreement and shall incorporate by reference or attach this Agreement to its contract(s) with the architects, engineers and other design professionals. Thus, each design professional (regardless of tier) will be obligated to comply with the terms of this Agreement. The Agency-Assisted Contractor and/or the design professionals shall retain the executed Agreements and make them available to the Agency Compliance Officer upon request.

3. **Contact Educational Institutions**

Each design professional shall call the City and County of San Francisco Office of Economic and Workforce Development (OEWD) or educational institution(s) and request referrals for the required trainee positions. The request will indicate generally: (1) the number of trainees sought; (2) the required skills set (keeping in mind that these are trainee positions); (3) a brief description of job duties; (4) the duration of the trainee period; and (5) any other information that would be helpful or necessary for the educational institution or OEWD to make the referral. The minimum duration of assignment is part-time for one semester. However, design professionals are strongly encouraged to offer longer trainee employment periods to allow a more meaningful learning experience. (For example, a half-time or full-time assignment over the summer.) Although the initial contact shall be made by phone, the educational institution(s) or OEWD may require the design professionals to send a confirming letter or complete its form(s). Each design professional is required to timely provide all of the information requested by the OEWD or educational institution(s) in order to get the referrals.

4. **Response from Educational Institutions**

Each educational institution may have a different way of referring applicants, such as: sending resumes directly to the design professional; having the applicant contact the design professional by phone; require design professionals to conduct on-campus interviews; or some other method. The timing and method of the response will normally be discussed with the design professional during the initial phone request. The design professional is required to follow the process set by the educational institution(s) in order to get the referrals.

5. **Action by Design Professionals When Referrals Available**

The design professional shall interview each applicant prior to making the decision to hire or not to hire. The design professional shall make the final determination whether the applicant is qualified for the trainee position and the ultimate hiring decision. The Agency strongly encourages the design professional to hire a qualified San Francisco resident referred by the educational institution(s). The design professional shall notify the educational institution in writing of the hiring decision.

6. **Action by Design Professionals When Referrals Unavailable**

If after contacting two or more educational institutions the design professional is informed that no San Francisco residents are currently available, then the design professional should wait thirty (30) days and contact the educational institutions a second time to inquire whether qualified San Francisco residents are currently available for hire as trainees. If no qualified San Francisco residents are currently available after the second request, then the design professional has fulfilled its obligation under this Agreement, provided that the design professional has acted in good faith. The design professional must retain its file on all of the steps it took to comply with this Section IV and submit a copy of its file to the Agency Compliance Officer upon request.

7. **Action by Design Professional When No Response From Educational Institutions**

If a design professional has not received a response to its request for referrals from any of the educational institutions within five (5) business days after the design professional has fully complied with

the procedures, if any, set by the educational institution(s) for obtaining referrals, then the design professional should immediately advise the Agency Compliance Officer by phone, fax or email. The Agency Compliance Officer or his/her designee shall cause the educational institution(s) to respond to the design professional within five (5) business days of the Agency Compliance Officer being notified. If the design professional still has not received a response from the educational institution(s) after this additional five (5) business day period has run, then the design professional has fulfilled its obligation under this Section IV, provided that the design professional has acted in good faith. Each design professional must retain its file on all of the steps it took to comply with this Agreement and submit a copy of its file to the Agency Compliance Officer upon request.

8. **Termination of Trainee for Cause**

If at any time during the Term, it becomes necessary to terminate for cause a trainee who was hired under this Agreement and the design professional has not met the minimum duration requirements under this policy, then the design professional shall hire a new trainee by following the process set forth above.

B. Reporting Requirements For Trainee Hires

1. **Reporting**

Upon completion of the Term of the Agreement or the term of the design professional's contract with the Agency-Assisted Contractor, whichever is less, the design professional (i.e. Employer) shall fax or email a report to the Agency Compliance Officer stating in detail: (1) the names of the San Francisco resident(s) interviewed for trainee positions; (2) the date(s) of each interview; (3) the reasons for not hiring the San Francisco resident(s) interviewed; (4) the name, address, gender and racial/ethnic background of the successful candidate for the trainee position; and (5) the number of San Francisco residents hired as trainees.

2. **Report on Terminations**

In the event a San Francisco resident hired pursuant to this Agreement is terminated for cause, the responsible design professional shall within five (5) days fax or email a termination report to the Agency Compliance Officer stating in detail: (1) the name of the trainee(s) terminated; (2) his/her job title and duties; (3) the reasons and circumstances leading to the termination(s); and (4) whether the design professional replaced the trainee(s).

V. TERM. The obligations of the Agency-Assisted Contractor and/or Contractor(s) with respect to SBE Program shall remain in effect until completion of all work to be performed by the Agency-Assisted Contractor in connection with the original construction of the site and any tenant improvements on the site performed by or at the behest of the Agency-Assisted Contractor unless another term is specified in the Agency-Assisted Contract or Contract.

VI. FIRST CONSIDERATION. First consideration will be given by the Agency or Agency-Assisted Contractor in awarding contracts in the following order: (1) Project Area SBEs, (2) San Francisco-based SBEs (outside an Agency Project or Survey Area, but within San Francisco), and (3) Non-San Francisco-based SBEs. Non-San Francisco-based SBEs should be used to satisfy participation goals only if Project Area SBEs or San Francisco-based SBEs are not available, qualified, or if their bids or fees are significantly higher than those of non-San Francisco-based SBEs.

VII. ASSOCIATIONS AND JOINT VENTURES (JV). OCII will recognize JVs and Associations between non-SBE firms and SBE firms where the SBE partner performs at least

35% of the work defined in the JV or Association agreement, and receives at least 35% (or a proportionate share, whichever is higher) of the dollars to be earned by the JV or Association. Under this arrangement, OCII will deem the JV or Association to be an SBE for the purposes of meeting the SBE goal. Due to the technical nature of the disciplines and the various standards of each industry, OCII will not require a standardized agreement. However, each JV and Association agreement must be in writing and contain, at a minimum, the following terms:

- Define the management of the agreement between the parties;
- Define the technical and managerial responsibilities of each party;
- Define the scope of work to be performed by each party, and where possible identify the percentage and break-down of scope of work for each party;
- Identify any additional subcontractors or consultants that will perform the work under the agreement;
- Define the schedule, duration, and deliverable of the agreement;
- Detail the fee schedule, fee breakdown, or division of compensation;
- Specify insurance requirements and/or if each party shall maintain its own insurance;
- Specify how additional work or changes in scope shall be negotiated or determined and which party shall be responsible for notifying OCII of the changes;
- Specify how claims and disputes will be resolved.

A copy of the JV or Association agreement must be provided to OCII for approval in order for the JV or Association to be recognized.

VIII. CERTIFICATION. The Agency no longer certifies SBEs but instead relies on the information provided in other public entities' business certifications to establish eligibility for the Agency's program. Only businesses certified by the Agency as SBEs whose certification has not expired and economically disadvantaged businesses that meet the Agency's SBE Certification Criteria will be counted toward meeting the participation goals. The SBE Certification Criteria are set forth in the SBE Policy.

IX. INCORPORATION. Each contract between the Agency, Agency-Assisted Contractor or Contractor on the one hand, and any subcontractor on the other hand, shall physically incorporate as an attachment or exhibit and make binding on the parties to that contract, a true and correct copy of this SBE Agreement.

X. DEFINITIONS. Capitalized terms not otherwise specifically defined in this SBE Agreement have the meaning set forth in the Agency's SBE Policy adopted on November 16, 2004 and amended on July 21, 2009 ("**Policy**") or as defined in the Agency-Assisted Contract or Contract. In the event of a conflict in the meaning of a defined term, the SBE Policy shall govern over the Agency-Assisted Contract or Contract which in turn shall govern over this SBE Agreement.

Affiliates means an affiliation with another business concern is based on the power to control, whether exercised or not. Such factors as common ownership, common management and identity of interest (often found in members of the same family), among others, are indicators of affiliation. Power to control exists when a party or parties have 50 percent or more ownership. It may also exist with considerably less than 50 percent ownership by contractual arrangement or when one or more parties own a large share compared to other parties. Affiliated business concerns need not be in the same line of business.

Agency-Assisted Contract means, as applicable, the Development and Disposition Agreement ("**DDA**"), Land Disposition Agreement ("**LDA**"), Lease, Loan and Grant Agreements, and other similar contracts, and agreement that the Agency executed with for-profit or non-profit

entities.

Agency-Assisted Contractor means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed an Agency-Assisted Contract.

Agency Contract means personal services contracts, purchase requisitions, and other similar contracts and operations agreements that the Agency executes with for-profit or non-profit entities.

Amendment to a Pre-existing Contract means a material change to the terms of any contract, the term of which has not expired on or before the date that this Small Business Enterprise Policy (“SBE Policy”) takes effect, but shall not include amendments to decrease the scope of work or decrease the amount to be paid under a contract.

Annual Receipts means “total income” (or in the case of a sole proprietorship, “gross income”) plus “cost of goods sold” as these terms are defined and reported on Internal Revenue Service tax return forms. The term does not include net capital gains or losses; taxes collected for and remitted to a taxing authority if included in gross or total income, such as sales or other taxes collected from customers and excluding taxes levied on the concern or its employees; proceeds from transactions between a concern and its domestic or foreign affiliates; and amounts collected for another by a travel agent, real estate agent, advertising agent, conference management service provider, freight forwarder or customs broker. For size determination purposes, the only exclusions from receipts are those specifically provided for in this paragraph. All other items, such as subcontractor costs, reimbursements for purchases a contractor makes at a customer's request, and employee-based costs such as payroll taxes, may not be excluded from receipts. Typically, receipts are averaged over a concern's latest three (3) completed fiscal years to determine its average annual receipts. However, to the extent a public entity considers a five-year average in its certification program, OCII will accept the five-year average provided the remaining certification criteria of the public entity is consistent with OCII's criteria stipulated in this Policy. If a concern has not been in business for three (3) years, the average weekly revenue for the number of weeks the concern has been in business is multiplied by 52 to determine its average annual receipts.

Arbitration Party means all persons and entities who attend the arbitration hearing pursuant to Section XIII, as well as those persons and entities who are subject to a default award provided that all of the requirements in Section XIII.L. have been met.

Association means an agreement between two parties established for the purpose of completing a specific task or project. The associate agreement shall provide the SBE associate a significant project management role and the SBE associate shall be recognized in marketing and collateral material. The Association shall be distinguished from traditional subcontracting arrangements via a written Association agreement that defines the management of the agreement, technical and managerial responsibilities of the parties, and defined scopes and percentages of work to be performed by each party with its own resources and labor force. Unlike the more formal Joint Venture, an Association does not require formation of a new business enterprise between the parties. The Associate agreement shall contain, at a minimum, provisions required by Section VII and be subject to OCII approval.

Commercially Useful Function means that the business is directly responsible for providing the materials, equipment, supplies or services in the City and County of San Francisco (“City”) as required by the solicitation or request for quotes, bids or proposals. Businesses that engage in the business of providing brokerage, referral or temporary employment services shall not be deemed to perform a “commercially useful function” unless the brokerage, referral or temporary employment services are required and sought by the Agency.

Contract means any agreement between the Agency and a person(s), firm, partnership, corporation, or combination thereof, to provide or procure labor, supplies or services to, for, or on behalf of the Agency.

Contractor means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed a Contract.

Joint Venture means an entity established between two parties for the purposes of completing a

venture or project. The Joint Venture agreement typically creates a separate business entity and requires acquisition of additional insurance for the newly created joint business entity. The Joint Venture agreement shall contain, at a minimum, provisions required by Section VII and be subject to OCII approval.

Non-San Francisco-based Small Business Enterprise means a SBE that has fixed offices located outside the geographical boundaries of the City.

Office or Offices means a fixed and established place(s) where work is performed of a clerical, administrative, professional or production nature directly pertinent to the business being certified. A temporary location or movable property or one that was established to oversee a project such as a construction project office does not qualify as an "office" under this SBE Policy. Work space provided in exchange for services (in lieu of monetary rent) does not constitute an "office." The office is not required to be the headquarters for the business but it must be capable of providing all the services to operate the business for which SBE certification is sought. An arrangement for the right to use office space on an "as needed" basis where there is no office exclusively reserved for the business does not qualify as an office. The prospective SBE must submit a rental agreement for the office space, rent receipt or cancelled checks for rent payments. If the office space is owned by the prospective SBE, the business must submit property tax or a deed documenting ownership of the office.

Project Area Small Business Enterprise means a business that meets the above-definition of Small Business Enterprise and that: (a) has fixed offices located within the geographical boundaries of a Redevelopment Project or Survey Area where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a Project Area or Survey Area business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in a Project Area or Survey Area for at least six months preceding its application for certification as a SBE; and (e) has a Project Area or Survey Area office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers of residential addresses alone shall not suffice to establish a firm's location in a Project Area or Survey Area.

Project Area means an area of San Francisco that meets the requirements under Community Redevelopment Law, Health and Safety Code Section 33320.1. These areas currently include the Bayview Industrial Triangle, Bayview Hunters Point (Area B), Hunters Point Shipyard, Mission Bay (North), Mission Bay (South), Rincon Point/South Beach, South of Market, and Transbay.

San Francisco-based Small Business Enterprise means a SBE that: (a) has fixed offices located within the geographical boundaries of the City where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a San Francisco business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in the City for at least six months preceding its application for certification as a SBE; and (e) has a San Francisco office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers or residential addresses alone shall not suffice to establish a firm's status as local.

Small Business Enterprise (SBE) means an economically disadvantaged business that is certified by another public entity (either municipal, State, or federal agency) that considers the certification criteria stipulated in this Policy. In general, such criteria shall include a determination by the public entity as to whether an economically disadvantaged business is an independent and continuing business for profit; performs a commercially useful function; is owned and controlled by persons residing in the United States or its territories; and has average gross annual receipts in at least the three years (and no more than five years, if practiced by the public entity) immediately preceding its application for certification as a SBE that do not exceed the following limits:

| Industry | OClI SBE Size Standard |
|---|------------------------|
| Construction Contractors | \$24,000,000 |
| Specialty Construction Contractors | \$14,000,000 |
| Suppliers (goods/materials/ equipment and general services) | \$12,000,000 |
| Professional Services | \$5,000,000 |
| Trucking | \$5,000,000 |

In addition, an economically disadvantaged business shall meet the other certification criteria described in Exhibit I of the SBE Policy in order to be considered an SBE by the Agency. In order to determine whether or not a firm meets the above economic size definitions, the Agency will use the firm's most recent business tax returns (i.e., 1040 with Schedule C for Sole Proprietorships, 1065s with K-1s for Partnerships, and 1120s for Corporations) to calculate the firm's average annual gross receipts. In addition, the calculation of a firm's size shall include the receipts of all affiliates.

Once a business reaches the average size threshold for the applicable industry the business ceases to be economically disadvantaged, it is not an eligible SBE and it will not be counted towards meeting SBE contracting requirements (or goals).

Specialty Construction Contractor means a contractor licensed by the Contractors State License Board under the "C" classification license pursuant to California Business and Professions Code Section 7058.

Survey Area means an area of San Francisco that meets the requirements of the Community Redevelopment Law, Health and Safety Code Section 33310. These areas currently include the Bayview Hunters Point Redevelopment Survey Area C.

XI. GOOD FAITH EFFORTS TO MEET SBE GOALS Compliance with the following steps will be the basis for determining if the Agency-Assisted Contractor and/or Consultant has made good faith efforts to meet the goals for SBEs:

A. Outreach. Not less than 30 days prior to the opening of bids or the selection of contractors, the Agency-Assisted Contractor or Contractor shall:

1. **Advertise.** Advertise for SBEs interested in competing for the contract, in general circulation media, trade association publications, including timely use of the ***Bid and Contract Opportunities*** newsletter published by the City and County of San Francisco Purchasing Department and media focused specifically on SBE businesses such as the ***Small Business Exchange***, of the opportunity to submit bids or proposals and to attend a pre-bid meeting to learn about contracting opportunities.

2. **Request List of SBEs.** Request from the Agency's Contract Compliance Department a list of all known SBEs in the pertinent field(s), particularly those in the Project and Survey Areas and provide written notice to all of them of the opportunity to bid for contracts and to attend a pre-bid or pre-solicitation meeting to learn about contracting opportunities.

B. Pre-Solicitation Meeting. For construction contracts estimated to cost \$5,000 or more, hold a pre-bid meeting for all interested contractors not less than 15 days prior to the opening of bids or the selection of contractors for the purpose answering questions about the

selection process and the specifications and requirements. Representatives of the Contract Compliance Department will also participate.

C. Follow-up. Follow up initial solicitations of interest by contacting the SBEs to determine with certainty whether the enterprises are interested in performing specific items involved in work.

D. Subdivide Work. Divide, to the greatest extent feasible, the contract work into small units to facilitate SBE participation, including, where feasible, offering items of the contract work which the Contractor would normally perform itself.

E. Provide Timely and Complete Information. The Agency-Assisted Contractor or Contractor shall provide SBEs with complete, adequate and ongoing information about the plans, specifications and requirements of construction work, service work and material supply work. This paragraph does not require the Agency-Assisted Contractor or Contractor to give SBEs any information not provided to other contractors. This paragraph does require the Agency Assisted Contractor and Contractor to answer carefully and completely all reasonable questions asked by SBEs and to undertake every good faith effort to ensure that SBEs understand the nature and the scope of the work.

F. Good Faith Negotiations. Negotiate with SBEs in good faith and demonstrate that SBEs were not rejected as unqualified without sound reasons based on a thorough investigation of their capacities.

G. Bid Shopping Prohibited. Prohibit the shopping of the bids. Where the Agency-Assisted Contractor or Contractor learns that bid shopping has occurred, it shall treat such bid shopping as a material breach of contract.

H. Other Assistance. Assist SBEs in their efforts to obtain bonds, lines of credit and insurance. (Note that the Agency has a Surety Bond Program that may assist SBEs in obtaining necessary bonding.) The Agency-Assisted Contractor or Contractor(s) shall require no more stringent bond or insurance standards of SBEs than required of other business enterprises.

I. Delivery Scheduling. Establish delivery schedules which encourage participation of SBEs.

J. Utilize SBEs as Lower Tier Subcontractors. The Agency-Assisted Contractor and its Contractor(s) shall encourage and assist higher tier subcontractors in undertaking good faith efforts to utilize SBEs as lower tier subcontractors.

K. Maximize Outreach Resources. Use the services of SBE associations, federal, state and local SBE assistance offices and other organizations that provide assistance in the recruitment and placement of SBEs, including the Small Business Administration and the Business Development Agency of the Department of Commerce. However, only SBEs certified by the Agency shall count towards meeting the participation goal.

L. Replacement of SBE. If during the term of this SBE Agreement, it becomes necessary to replace any subcontractor or supplier, the Agency's Contract Compliance Specialist should be notified prior to replacement due to the failure or inability of the subcontractor or supplier to perform the required services or timely delivery the required supplies, then First Consideration should be given to a certified SBE, if available, as a

replacement.

XII. ADDITIONAL PROVISIONS

A. No Retaliation. No employee shall be discharged or in any other manner discriminated against by the Agency-Assisted Contractor or Contractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or relating to enforcement of this Agreement.

B. No Discrimination. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) in the performance of an Agency-Assisted Contract or Contract. The Agency-Assisted Contractor or Contractor will ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) or other protected class status. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations.

C. Compliance with Prompt Payment Statute. Construction contracts and subcontracts awarded for \$5,000 or more shall contain the following provision:

“Amounts for work performed by a subcontractor shall be paid within seven (7) days of receipt of funds by the contractor, pursuant to California Business and Professions Code Section 7108.5 *et seq.* Failure to include this provision in a subcontractor or failure to comply with this provision shall constitute an event of default which would permit the Agency to exercise any and all remedies available to it under contract, at law or in equity.”

In addition to and not in contradiction to the Prompt Payment Statute (California Business and Professions Code Section 7108.5 *et seq.*), if a dispute arises which would allow a Contractor to withhold payment to a subcontractor due to a dispute, the Contractor shall only withhold that amount which directly relates to the dispute and shall promptly pay the remaining undisputed amount, if any.

D. Submission Of Electronic Certified Payrolls. For any Agency-Assisted Contract which requires the submission of certified payroll reports, the requirements of Section VII of the Agency’s Small Business Enterprise Policy shall apply. Please see the Small Business Enterprise Policy for more details.

XIII. PROCEDURES

A. Notice to Agency. The Agency-Assisted Contractor or Contractor(s) shall provide the Agency with the following information within 10 days of awarding a contract or selecting subconsultant:

1. the nature of the contract, e.g. type and scope of work to be performed;
2. the dollar amount of the contract;
3. the name, address, license number, gender and ethnicity of the person to

whom the contract was awarded; And

4. SBE status of each subcontractor or subconsultant.

B. Affidavit. If the Agency-Assisted Contractor or Contractor(s) contend that the contract has been awarded to a SBE, the Agency-Assisted Contractor or Contractor(s) shall, at the same time also submit to the Agency a SBE Application for Certification and its accompanying Affidavit completed by the SBE owner. However, a SBE that was previously certified by the Agency shall submit only the short SBE Eligibility Statement.

C. Good Faith Documentation. If the 50% SBE Participation Goals are not met in each category (Construction, Professional Services and Suppliers), the Agency-Assisted Contractor or Contractor(s) shall meet and confer with the Agency at a date and time set by the Agency. If the issue of the Agency-Assisted Contractor's or Contractor's good faith efforts is not resolved at this meeting, the Agency-Assisted Contractor or Contractor shall submit to the Agency within five (5) days, a declaration under penalty of perjury containing the following documentation with respect to the good faith efforts ("**Submission**"):

1. A report showing the responses, rejections, proposals and bids (including the amount of the bid) received from SBEs, including the date each response, proposal or bid was received. This report shall indicate the action taken by the Agency-Assisted Contractor or Contractor(s) in response to each proposal or bid received from SBEs, including the reasons(s) for any rejections.

2. A report showing the date that the bid was received, the amount bid by and the amount to be paid (if different) to the non-SBE contractor that was selected. If the non-SBE contractor who was selected submitted more than one bid, the amount of each bid and the date that each bid was received shall be shown in the report. If the bidder asserts that there were reasons other than the respective amounts bid for not awarding the contract to an SBE, the report shall also contain an explanation of these reasons.

3. Documentation of advertising for and contacts with SBEs, contractor associations or development centers, or any other agency which disseminates bid and contract information to small business enterprises.

4. Copies of initial and follow-up correspondence with SBEs, contractor associations and other agencies, which assist SBEs.

5. A description of the assistance provided SBE firms relative to obtaining and explaining plans, specifications and contract requirements.

6. A description of the assistance provided to SBEs with respect to bonding, lines of credit, etc.

7. A description of efforts to negotiate or a statement of the reasons for not negotiating with SBEs.

8. A description of any divisions of work undertaken to facilitate SBE participation.

9. Documentation of efforts undertaken to encourage subcontractors to obtain small business enterprise participation at a lower tier.

10. A report which shows for each private project and each public project (without a SBE program) undertaken by the bidder in the preceding 12 months, the total dollar amount of the contract and the percentage of the contract dollars awarded to SBEs and the percentage of contract dollars awarded to non-SBEs.

11. Documentation of any other efforts undertaken to encourage participation by small business enterprises.

D. Presumption of Good Faith Efforts. If the Agency-Assisted Contractor or Contractor(s) achieves the Participation Goals, it will not be required to submit Good Faith Effort documentation.

E. Waiver. Any of the SBE requirements may be waived if the Agency determines that a specific requirement is not relevant to the particular situation at issue, that SBEs were not available, or that SBEs were charging an unreasonable price.

F. SBE Determination. The Agency shall exercise its reasonable judgment in determining whether a business, whose name is submitted by the Agency-Assisted Contractor or Contractor(s) as a SBE, is owned and controlled by a SBE. A firm's appearance in any of the Agency's current directories will be considered by the Agency as prima facie evidence that the firm is a SBE. Where the Agency-Assisted Contractor or Contractor(s) makes a submission the Agency shall make a determination, as to whether or not a business which the Agency-Assisted Contractor or Contractor(s) claims is a SBE is in fact owned and controlled by San Francisco-based SBEs. If the Agency determines that the business is not a SBE, the Agency shall give the Agency-Assisted Contractor or Contractor a Notice of Non-Qualification and provide the Agency-Assisted Contractor or Contractor with a reasonable period (not to exceed 20 days) in which to meet with the Agency and if necessary make a Submission, concerning its good faith efforts. If the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to Section XIII.

G. Agency Investigation. Where the Agency-Assisted Contractor or Contractor makes a Submission and, as a result, the Agency has cause to believe that the Agency-Assisted Contractor or Contractor has failed to undertake good faith efforts, the Agency shall conduct an investigation, and after affording the Agency-Assisted Contractor or Contractor notice and an opportunity to be heard, shall recommend such remedies and sanctions as it deems necessary to correct any alleged violation(s). The Agency shall give the Agency-Assisted Contractor or Contractor a written Notice of Non-Compliance setting forth its findings and recommendations. If the Agency-Assisted Contractor or Contractor disagrees with the findings and recommendations of the Agency as set forth in the Notice of Non-Compliance, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to this SBE Agreement.

XIV. ARBITRATION OF DISPUTES.

A. Arbitration by AAA. Any dispute regarding this SBE Agreement shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further revisions thereof. The arbitration shall take place in the City and County of San Francisco.

B. Demand for Arbitration. Where the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification or Notice of Non-Compliance, **the Agency-Assisted Contractor or Contractor shall have seven (7) business days, in which to file a Demand for**

Arbitration, unless otherwise stipulated by the parties. The Demand for Arbitration shall contain at a minimum: (1) a cover letter demanding arbitration under this provision and identifying any entities believed to be involved in the dispute; (2) a copy of the Notice of Non-Qualification or Notice of Non-Compliance; and (3) any written response to the Notice of Non-Qualification or Notice of Non-Compliance. If the Agency-Assisted Contractor and Contractor fail to file a timely Demand for Arbitration, the Agency-Assisted Contractor and Contractor shall be deemed to have accepted and to be bound by the finding of Non-Qualification or the findings and recommendations contained in the Notice of Non-Compliance.

C. Parties' Participation. The Agency and all persons or entities who have a contractual relationship affected by the dispute shall be made an Arbitration Party. Any such person or entity not made an Arbitration Party in the Demand for Arbitration may intervene as an Arbitration Party and in turn may name any other such person or entity as an Arbitration Party, provided however, that the Agency-Assisted Contractor or Contractor made an initial timely Demand for Arbitration pursuant to Section XIII.B. above.

D. Agency Request to AAA. Within seven (7) business days after service of a Demand for Arbitration, the Agency shall transmit to AAA a copy of the Demand for Arbitration, the Notice of Non-Qualification or Notice of Non-Compliance, and any written response thereto from the affected party. Such material shall be made part of the arbitration record.

E. Selection of Arbitrator. One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators from AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the Arbitration Parties fail to agree on an arbitrator within seven (7) days from the receipt of the panel, AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within ninety (90) days from the arbitrator's fulfillment of the disclosure requirements set forth in California Code of Civil Procedure Section 1281.9.

F. Setting of Arbitration Hearing. A hearing shall be held within ninety (90) days of the date of the filing of the Request, unless otherwise agreed by the parties. The arbitrator shall set the date, time and place for the arbitration hearing(s) within the prescribed time periods by giving notice by hand delivery or first class mail to each Arbitration Party.

G. Discovery. In arbitration proceedings hereunder, discovery shall be permitted in accordance with Code of Civil Procedure §1283.05.

H. Burden of Proof. The burden of proof with respect to SBE status and/or Good Faith Efforts shall be on the Agency-Assisted Contractor and/or Contractor. The burden of proof as to all other alleged breaches by the Agency-Assisted Contractor and/or Contractor shall be on the Agency.

I. California Law Applies. Except where expressly stated to the contrary in this SBE Agreement, California law, including the California Arbitration Act, Code of Civil Procedure §§ 1280 through 1294.2, shall govern all arbitration proceedings.

J. Arbitration Remedies and Sanctions. The arbitrator may impose only the remedies and sanctions set forth below:

1. Order specific, reasonable actions and procedures, in the form of a temporary restraining order, preliminary injunction or permanent injunction, to mitigate the effects of the non-compliance and/or to bring any non-compliant Arbitration Party into compliance.

2. Require any Arbitration Party to refrain from entering into new contracts

related to work covered by the Agency-Assisted Contract or this SBE Agreement, or from granting extensions or other modifications to existing contracts related to services covered by the Agency-Assisted Contract or this SBE Agreement, other than those minor modifications or extensions necessary to enable compliance with this SBE Agreement.

3. Direct any Arbitration Party to cancel, terminate, suspend or cause to be cancelled, terminated or suspended, any contract or portion(s) thereof for failure of any party to the arbitration to comply with any of the SBE Program requirements in the Agency-Assisted Contract or this SBE Agreement. Contracts may be continued upon the condition that a program for future compliance is approved by the Agency.

4. If any Arbitration Party is found to be in willful breach of its obligations hereunder, the arbitrator may impose a monetary sanction not to exceed Fifty Thousand Dollars (\$50,000.00) or ten percent (10%) of the base amount of the breaching party's contract, whichever is less, for each such willful breach; provided that, in determining the amount of any monetary sanction to be assessed, the arbitrator shall consider the financial capacity of the breaching party. No monetary sanction shall be imposed pursuant to this paragraph for the first willful breach of this SBE Agreement unless the breaching party has failed to cure after being provided notice and a reasonable opportunity to cure. Monetary sanctions may be imposed for subsequent willful breaches by any Arbitration Party whether or not the breach is subsequently cured. For purposes of this paragraph, "willful breach" means a knowing and intentional breach.

5. Direct any Arbitration Party to produce and provide to the Agency any records, data or reports which are necessary to determine if a violation has occurred and/or to monitor the performance of any Arbitration Party.

K. Arbitrator's Decision. The arbitrator shall make his or her award within twenty (20) days after the date that the hearing is completed; provided that where a temporary restraining order is sought, the arbitrator shall make his or her award not later than twenty-four (24) hours after the hearing on the motion. The arbitrator shall send the decision by certified or registered mail to each Arbitration Party.

L. Default Award; No Requirement to Seek an Order Compelling Arbitration. The arbitrator may enter a default award against any person or entity who fails to appear at the hearing, provided that: (1) said person or entity received actual notice of the hearing; and (2) the complaining party has a proof of service for the absent person or entity. In order to obtain a default award, the complaining party need not first seek or obtain an order to arbitrate the controversy pursuant to Code of Civil Procedure §1281.2.

M. Arbitrator Lacks Power to Modify. Except as otherwise provided, the arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter the terms of the Agency-Assisted Contract, this SBE Agreement or any other agreement between the Agency, the Agency-Assisted Contractor or Contractor or to negotiate new agreements or provisions between the parties.

N. Jurisdiction/Entry of Judgment. The inquiry of the arbitrator shall be restricted to the particular controversy which gave rise to the Demand for Arbitration. A decision of the arbitrator issued hereunder shall be final and binding upon all Arbitration Parties. The non-prevailing Arbitration Party(ies) shall pay the arbitrator's fees and related costs of arbitration (or reimburse the Arbitration Parties that advanced such arbitration fees and costs). Each Arbitration Party shall pay its own attorneys' fees, provided, however, that attorneys' fees may be awarded to the prevailing party if the arbitrator finds that the arbitration action was instituted, litigated, or defended in bad faith. Judgment upon the arbitrator's decision may be entered in any court of competent jurisdiction.

O. Exculpatory Clause. Agency-Assisted Contractor or Contractor (regardless of tier) expressly waive any and all claims against the Agency for damages, direct or indirect, including, without limitation, claims relative to the commencement, continuance and completion of construction and/or providing professional and consulting services (“the Work”). Agency-Assisted Contractor or Contractor (regardless of tier) acknowledge and agree that the procedures set forth herein for dealing with alleged breaches or failure to comply with the obligations and requirements of this SBE Agreement are reasonable and have been anticipated by the parties in securing financing, in inviting, submitting and receiving bids and proposals for the planning, design and construction of the improvements and in determining the times for commencement and completion of the planning, design and construction and/or for providing consulting, professional or personal services.

P. Severability. The provisions of this SBE Agreement are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of this SBE Agreement or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of this SBE Agreement or the validity of their application to other persons or circumstances.

ATTACHMENT 9-2

CONSTRUCTION WORKFORCE AGREEMENT

I. **PURPOSE.** This Agreement is entered into between the Office of Community Investment and Infrastructure (“OCII” or “Agency”), as successor agency to the San Francisco Redevelopment Agency, and Owner (who for this purposes of this Attachment 9-2 shall be the Tenant as defined under the Lease to which this document is an Attachment), for the purposes of ensuring participation of San Francisco residents and equal employment opportunities in the construction work force involved in constructing any of the phases upon the Site covered by the underlying agreement to which this Agreement is attached hereto.

II. **DEFINITIONS.**

The following definitions apply to this Agreement.

- A. “CityBuild” means the construction employment program of the Workforce Development Division of the San Francisco Office of Economic and Workforce Development (OEWD).
- B. "Contract" means any agreement in excess of \$10,000 between the Owner, its Contractors and a person to provide or procure labor, materials or services for the construction of the Improvements, including a purchase order that requires installation of materials.
- C. "Contractor" means the Owner's general contractor, all prime contractors and all subcontractors (regardless of tier) having a Contract or subcontract in excess of \$10,000 and who employ persons in a Trade for construction of the Improvements.
- D. "Improvements" has the meaning set out in the Lease to which this Attachment 9-2 is attached.
- E. “Project Area Resident” means a San Francisco Resident who resides in a redevelopment area under the management of OCII.
- F. "San Francisco Resident" in the case of a new hire shall mean an individual who has lived in San Francisco for at least one week prior to submitting his/her initial application for employment to work on the Improvements. In the case of a person employed by the Owner or its Contractor or Consultant prior to assignment to the Improvements, this term shall mean a person who has lived in San Francisco for at least six months prior to the date he/she applied for a transfer to a position at the Improvements or the date he/she was assigned to work on the Improvements, whichever is earlier; or a person who establishes, to the satisfaction of the Agency, that he/she lived in San Francisco prior to applying for or being considered for a position with the Owner, Contractor or Consultant.

III. **WORK FORCE GOALS.**

The Owner agrees and will require each Contractor and all subcontractors to use good faith efforts to employ 50 percent of its construction workforce hires by trade and by hours from qualified San Francisco Residents with first consideration given to Project Area Residents. Owner and Contractors will be deemed in compliance with this Agreement and the Policy by meeting or exceeding the goal or by demonstrating good faith efforts toward compliance.

IV. **GOOD FAITH EFFORTS.**

A. Submission of Labor Force Projections and Other Data

The Contractor shall submit, to the extent available, labor force projections to the OCII Compliance Officer, or its agent, within two (2) weeks of contract award.

B. Submit Subcontractor Information Form

The Contractor shall submit to the Compliance Officer, or its agent, the Subcontractor Information Forms, twenty-four (24) hours prior to the preconstruction meeting. The Subcontractor Information Forms are available from the Compliance Officer upon request.

C. Preconstruction Meeting

The Contractor shall hold a preconstruction meeting which shall be attended by the Compliance Officer, CityBuild, all prime contractor(s) and all subcontractor(s). The preconstruction meeting shall be scheduled between two (2) days and thirty (30) days prior to the start of construction at a time and place convenient to all attendees. The purpose of the meeting is to discuss: the hiring goals, workforce composition, worker referral process, certified payroll reporting, procedure for termination and replacement of workers covered by this Agreement and to explore any anticipated problems in complying with the Agreement. All questions regarding how this Agreement applies to the Owner, Contractor, subcontractors and consultants should be answered at this meeting. Failure to hold or attend at least one (1) preconstruction meeting will be a breach of the Policy and this Agreement that may result in the Agency ordering a suspension of work until the breach has been cured. Suspension under this provision is not subject to arbitration.

D. Submit Construction Worker Request Form

For the Term of the Agreement, each time the Owner or Contractor seeks to hire workers for the construction or rehabilitation of improvements, they must first submit, by fax, email or hand delivery, an executed construction worker request form to CityBuild. Preferably this request will be submitted at least two (2) business days before the workers are needed. However, requests with less than two (2) business days notice will be accepted. The construction worker request form will indicate generally: the number of workers needed, duration needed, required skills or trade and date/time to report. The construction worker request form is available from the Compliance Officer upon request.

E. Response from CityBuild

CityBuild shall respond, in writing, via fax, email or hand delivery to each request for construction workers. The response shall state that CityBuild was able to satisfy the request in full, in part or was unable to satisfy the request. CityBuild shall look to their own referral lists, as well as confer with CBOs in an attempt to find qualified Project Area Residents and San Francisco Residents. If CityBuild is able to satisfy the request in full or in part, it shall direct the qualified Project Area Resident(s) or San Francisco Resident(s) to report to the Contractor on the date and time indicated in the request. If CityBuild is unable to satisfy the request, then CityBuild shall send a fax or email stating that no qualified Project Area Residents or San Francisco Residents are currently available.

F. Action by Contractor When Referrals Available

The Owner or Contractor whose request has been satisfied in full or in part shall make the final determination of whether the Project Area Residents or San Francisco Residents are qualified for the positions and the ultimate hiring decision. The Agency strongly encourages the Contractor to hire the qualified Project Area Residents or San Francisco Residents referred by CityBuild. However, if the Contractor finds the Project Area Residents or San Francisco Residents are not qualified, then the Contractor shall send the Project Area Residents or San Francisco Residents back to CityBuild. Before the close of business on the same day, the Contractor shall fax or email a statement addressed to CityBuild stating in detail the reason(s) the Project Area Residents or San Francisco Residents were not qualified or the reason(s) for not hiring the Project Area Residents or San Francisco Residents. CityBuild shall, within one (1) business day of receipt of the fax or email, send new qualified Project Area Residents or San Francisco Residents that meet the legitimate qualifications set by the Contractor or alternatively, send a fax or email stating that no qualified Project Area Residents or San Francisco Residents are currently available.

G. Action by Contractor When Referrals Unavailable

If a Contractor receives a response from CityBuild stating that no qualified Project Area Residents or San Francisco Residents are currently available, then the Contractor may hire the number of construction workers requested from CityBuild, using its own recruiting methods, giving first consideration to Project Area Residents and then San Francisco Residents. Any additional new construction workforce hires (including the replacement of any terminated workers) must comply with this Policy, unless the Contractor has already met or exceeded the goal. The Contractor must keep a copy of the response it receives from CityBuild as proof of compliance and submit a copy of each response received to the Compliance Officer upon request.

H. Action by Contractor When No Response From CityBuild

If a Contractor has not received a response to its construction worker request from CityBuild within two (2) business days, then the Contractor should immediately advise the Compliance Officer by phone, fax or email. The Compliance Officer or his/her designee shall cause a response to be sent to the Contractor within two (2)

business days of being notified. If the Contractor does not receive a response from CityBuild within four (4) business days (the original two (2) business days plus the additional two (2) business days), then the Contractor may hire the number of construction workers requested from CityBuild, using its own recruiting methods, giving first consideration to Project Area Residents and then San Francisco Residents. Any construction workforce hires (including the replacement of any terminated workers) must comply with this Policy, unless the Contractor has already met or exceeded the goal. The Contractor must keep a copy of the response it receives from CityBuild as proof of compliance and submit a copy of each response received to the Compliance Officer upon request. This Policy is intended to provide qualified Project Area and San Francisco Residents with employment opportunities without causing undue delay in hiring needed construction workers.

I. Action by Contractor When No Response From Union

The Contractor should immediately advise the Compliance Officer by phone, fax or email when the Contractor has sent a qualified Project Area Resident or San Francisco Resident to a union hall for referral in accordance with a collective bargaining agreement and the union did not refer the qualified Project Area or San Francisco Resident back for employment or when the union referral process impedes the Contractor's ability to meet its obligations under this Policy. Nothing in this Policy shall be interpreted to interfere with or prohibit existing labor agreements or collective bargaining agreements.

J. Hiring Apprentices

A Contractor may meet part of the Construction Workforce Goal by hiring apprentices. However, hiring an apprentice does not satisfy or waive the trainee hiring obligation, if any, for design professionals. Unless otherwise permitted by law, apprentices must be trained pursuant to training programs approved by the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training or the California Department of Industrial Relations, Division of Apprenticeship Standards. Credit towards compliance will only be given for paid apprentices actually working on the project. No credit is available for apprentices while receiving class room training. Under no circumstances shall the ratio of apprentices to journeymen in a particular trade or craft exceed 1:5.

K. Termination and Replacement of Referrals

If at any time it becomes necessary to terminate for cause a construction worker who was hired under this Policy, the Contractor shall notify CityBuild in writing via fax or email and submit a report of termination pursuant to Section (B)(4). If the Contractor intends to fill the vacant position, then the Contractor shall follow the process set forth in this Policy beginning at Section (A)(6).

V. **REPORTING REQUIREMENTS.**

A. Submission of Certified Payroll Reports

Each Contractor subject to this Policy shall submit to the Agency a certified payroll report for the preceding work week on each of its employees. The Owner is ultimately responsible for the submission of these reports by the Contractors. The certified payroll report is due to the Agency by noon each Wednesday. To facilitate compliance, the Agency uses an online Project Reporting System (PRS) for submission of certified payroll reports. This system is available at no cost to the Contractor. Training and educational materials for PRS are available at no cost online and through the Compliance Officer. Contractors are required to report certified payroll using PRS. However, a waiver may be granted to any Contractors who do not have a computer or online access.

B. Additional Information

In order to prevent unlawful discrimination in the selection, hiring and termination of employees on the basis of race, ethnicity, gender or any other basis prohibited by law and to identify and correct such unlawful practices, the Agency will monitor and collect information on the ethnicity and gender of each construction worker and apprentice. If an identifiable pattern of apparent discrimination is revealed by this additional information, it will be treated as a breach of this Policy and may be addressed as set forth in the arbitration provisions included in Agency contracts.

C. Report on Terminations

In the event a Project Area Resident or San Francisco Resident hired pursuant to this Policy is terminated for cause, the responsible Contractor shall within two (2) days fax or email a termination report to CityBuild with a copy to the Compliance Officer stating in detail: (1) the name of the worker(s) terminated; (2) his/her job title and duties; (3) the reasons and circumstances leading to the termination(s); (4) whether the Contractor replaced the construction worker(s); and (5) whether the replacement worker(s) were Project Area Resident(s) or San Francisco Resident(s).

D. Inspection of Records

The Owner and each Contractor shall make the records required under this Agreement available for inspection or copying by authorized representatives of the Agency and its designated Compliance Officer, and shall permit such representatives to interview construction workers and apprentices during working hours on the job.

E. Failure to Submit Reports

If a Contractor fails or refuses to provide the reports as required it will be treated as a breach of this Agreement and the Policy, and may be addressed under arbitration provisions pursuant to Article VII (Arbitration of Disputes) of this Agreement.

F. Submission of Good Faith Effort Documentation

If the Owner's or Contractor's good faith efforts are at issue, the Contractor shall provide the Agency or its designated Compliance Officer with the documentation of its efforts to comply with this Policy and the Agreement. The Owner or Contractor must maintain a current file of the names, addresses and telephone numbers of each Project Area Resident or San Francisco Resident applicant referral (whether a self-referral or a referral from a union, CBO or CityBuild referral) and what action was taken with respect to each such individual.

G. Coding Certified Payrolls

Each Contractor shall include, on the weekly payroll submissions, the proper job classification (as approved by the California Department of Industrial Relations), apprentice's craft (if applicable), skill level, protected class status, and domicile of each construction worker.

VI. RECORDKEEPING REQUIREMENTS.

Contractor shall comply with the requirements of California Labor Code Section 1776, as amended, regarding the keeping, filing and furnishing of certified copies of payroll records of wages paid to its employees and to the employees of its subcontractors of all tiers.

In addition, each Contractor shall keep, or cause to be kept, for a period of four years from the date of substantial completion of Improvements, certified payroll and basic records, including time cards, tax forms, and superintendent and foreman daily logs, for all workers within each trade performing work on the Improvements. Such records shall include the name, address and social security number of each worker who worked on the covered project, his or her classification, a general description of the work each worker performed each day, the apprentice or journey-level status of each worker, daily and weekly number of hours worked, the self-identified race, gender, and ethnicity of each worker, whether or not the worker was a local resident or disadvantaged worker, and the referral source or method through which the Contractor hired or retained that worker for work on the Improvements (e.g., core workforce, name call, union hiring hall, City-designated referral source, or recruitment or hiring method). Contractor may verify that a worker is a local resident through the worker's possession of a valid SF City ID Card or other government-issued identification. OCII may require additional records to be kept with regard to Contractor's compliance with this Agreement. All records described in this section shall at all times be open to inspection and examination by the duly authorized officers and agents of OCII, including representatives of the OEWD.

VII. ARBITRATION OF DISPUTES.

A. Arbitration by AAA. Any dispute regarding this Construction Work Force Agreement shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further revisions thereof. The arbitration shall take place in the City and County of San Francisco.

- B. **Demand for Arbitration.** Where the Owner disagrees with the Agency's Notice of Non-Qualification or Notice of Non-Compliance, **the Owner shall have seven (7) business days, in which to file a Demand for Arbitration,** unless otherwise stipulated by the parties. The Demand for Arbitration shall contain at a minimum: (1) a cover letter demanding arbitration under this provision and identifying entities believed to be involved in the dispute; (2) a copy of the Notice of Non-Qualification or Notice of Non-Compliance; and (3) any written response to the Notice of Non-Qualification or Notice of Non-Compliance. If the Owner fails to file a timely Demand for Arbitration, the Owner shall be deemed to have accepted and to be bound by the finding of Non-Qualification or the findings and recommendations contained in the Notice of Non-Compliance.
- C. **Parties' Participation.** The Agency and all persons or entities that have a contractual relationship affected by the dispute shall be made an Arbitration Party. Any such person or entity not made an Arbitration Party in the Demand for Arbitration may intervene as an Arbitration Party and in turn may name any other such person or entity as an Arbitration Party, provided however, that the Owner made an initial timely Demand for Arbitration pursuant to Section VII.B. above.
- D. **Agency Request to AAA.** Within seven (7) business days after service of a Demand for Arbitration, the Agency shall transmit to AAA a copy of the Demand for Arbitration, the Notice of Non-Qualification or Notice of Non-Compliance, and any written response thereto from the affected party. Such material shall be made part of the arbitration record.
- E. **Selection of Arbitrator.** One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators from AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the Arbitration Parties fail to agree on an arbitrator within seven (7) days from the receipt of the panel, AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within ninety (90) days from the arbitrator's fulfillment of the disclosure requirements set forth in California Code of Civil Procedure Section 1281.9.
- F. **Setting of Arbitration Hearing.** A hearing shall be held within ninety (90) days of the date of the filing of the Request, unless otherwise agreed by the parties. The arbitrator shall set the date, time and place for the arbitration hearing(s) within the prescribed time periods by giving notice by hand delivery or first class mail to each Arbitration Party.
- G. **Discovery.** In arbitration proceedings hereunder, discovery shall be permitted in accordance with Code of Civil Procedure §1283.05.
- H. **Burden of Proof.** The burden of proof with respect to Construction Work Force compliance and/or Good Faith Efforts shall be on the Owner. The burden of proof as to all other alleged breaches by the Owner shall be on the Agency.

- I. **California Law Applies.** Except where expressly stated to the contrary in this Construction Work Force Agreement, California law, including the California Arbitration Act, Code of Civil Procedure §§ 1280 through 1294.2, shall govern all arbitration proceedings.
- J. **Arbitration Remedies and Sanctions.** The arbitrator may impose only the remedies and sanctions set forth below:
1. Order specific, reasonable actions and procedures, in the form of a temporary restraining order, preliminary injunction or permanent injunction, to mitigate the effects of the non-compliance and/or to bring any non-compliant Arbitration Party into compliance.
 2. Require any Arbitration Party to refrain from entering into new contracts related to work covered by the Owner or this Construction Work Force Agreement, or from granting extensions or other modifications to existing contracts related to services covered by the Owner or this Construction Work Force Agreement, other than those minor modifications or extensions necessary to enable compliance with this Construction Work Force Agreement.
 3. Direct any Arbitration Party to cancel, terminate, suspend or cause to be cancelled, terminated or suspended, any contract or portion(s) thereof for failure of any party to the arbitration to comply with any of the Agency's Work Force policy requirements. Contracts may be continued upon the condition that a program for future compliance is approved by the Agency.
 4. If any Arbitration Party is found to be in willful breach of its obligations hereunder, the arbitrator may impose a monetary sanction not to exceed Fifty Thousand Dollars (\$50,000.00) or ten percent (10%) of the base amount of the breaching party's contract, whichever is less, for each such willful breach; provided that, in determining the amount of any monetary sanction to be assessed, the arbitrator shall consider the financial capacity of the breaching party. No monetary sanction shall be imposed pursuant to this paragraph for the first willful breach of this Construction Work Force Agreement unless the breaching party has failed to cure after being provided notice and a reasonable opportunity to cure. Monetary sanctions may be imposed for subsequent willful breaches by any Arbitration Party whether or not the breach is subsequently cured. For purposes of this paragraph, "willful breach" means a knowing and intentional breach.
 5. Direct any Arbitration Party to produce and provide to the Agency any records, data or reports which are necessary to determine if a violation has occurred and/or to monitor the performance of any Arbitration Party.
- K. **Arbitrator's Decision.** The arbitrator shall make his or her award within twenty (20) days after the date that the hearing is completed; provided that where a temporary restraining order is sought, the arbitrator shall make his or her award not

later than twenty-four (24) hours after the hearing on the motion. The arbitrator shall send the decision by certified or registered mail to each Arbitration Party.

- L. **Default Award; No Requirement to Seek an Order Compelling Arbitration.** The arbitrator may enter a default award against any person or entity who fails to appear at the hearing, provided that: (1) said person or entity received actual notice of the hearing; and (2) the complaining party has a proof of service for the absent person or entity. In order to obtain a default award, the complaining party need not first seek or obtain an order to arbitrate the controversy pursuant to Code of Civil Procedure §1281.2.
- M. **Arbitrator Lacks Power to Modify.** Except as otherwise provided, the arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter the terms of this Construction Work Force Agreement or any other agreement between the Agency and Owner or to negotiate new agreements or provisions between the parties.
- N. **Jurisdiction/Entry of Judgment.** The inquiry of the arbitrator shall be restricted to the particular controversy which gave rise to the Demand for Arbitration. A decision of the arbitrator issued hereunder shall be final and binding upon all Arbitration Parties. The non-prevailing Arbitration Party(ies) shall pay the arbitrator's fees and related costs of arbitration (or reimburse the Arbitration Parties that advanced such arbitration fees and costs). Each Arbitration Party shall pay its own attorneys' fees, provided, however, that attorneys' fees may be awarded to the prevailing party if the arbitrator finds that the arbitration action was instituted, litigated, or defended in bad faith. Judgment upon the arbitrator's decision may be entered in any court of competent jurisdiction.
- O. **Exculpatory Clause.** Owner expressly waives any and all claims against the Agency for damages, direct or indirect, including, without limitation, claims relative to the commencement, continuance and completion of construction and/or providing professional and consulting services ("the Work"). Owner acknowledges and agrees that the procedures set forth herein for dealing with alleged breaches or failure to comply with the obligations and requirements of this Construction Work Force Agreement are reasonable and have been anticipated by the parties in securing financing, in inviting, submitting and receiving bids and proposals for the planning, design and construction of the improvements and in determining the times for commencement and completion of the planning, design and construction and/or for providing consulting, professional or personal services.
- P. **Severability.** The provisions of this Construction Work Force Agreement are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of this Construction Work Force Agreement or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of this Construction Work Force Agreement or the validity of their application to other persons or circumstances.

PREVAILING WAGE POLICY

These Prevailing Wage Provisions (hereinafter referred to as "Labor Standards") apply to any and all construction of the Improvements as defined in the underlying agreement between the Tenant and OCII of which this Attachment and these Labor Standards are a part.

11.1 All Contracts and Subcontracts for construction and construction-related improvements shall contain the Labor Standards.

- (a) All specifications relating to the construction of the Improvements shall contain these Labor Standards and the Tenant shall have the responsibility to assure that all contracts and subcontracts, regardless of tier, incorporate by reference the specifications containing these Labor Standards. If for any reason said Labor Standards are not included, the Labor Standards shall nevertheless apply. The Tenant shall supply the Agency with true copies of each contract relating to the construction of the Improvements showing the specifications that contain these Labor Standards promptly after due and complete execution thereof and before any work under such contract commences. Failure to do shall be a violation of these Labor Standards.
- (b) Before close of escrow under the Agreement and as a condition to close of escrow, the Tenant shall also supply a written confirmation to the Agency from any construction lender for the Improvements that such construction lender is aware of these Labor Standards.

11.2 Definitions. The following definitions shall apply for purposes of this Exhibit H:

- (a) "Contractor" is the Tenant if permitted by law to act as a contractor, the general contractor, and any contractor as well as any subcontractor of any tier subcontractor having a contract or subcontract that exceeds \$10,000, and who employs Laborers, Mechanics, working foremen, and security guards to perform the construction on all or any part of the Improvements.
- (a) "Laborers" and "Mechanics" are all persons providing labor to perform the construction, including working foremen and security guards.
- (b) "Working foreman" is a person who, in addition to performing supervisory duties, performs the work of a Laborer or Mechanic during at least 20 percent of the work week.

11.3 Prevailing Wage.

- (a) All Laborers and Mechanics employed in the construction of the improvements will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by §5) the full amount of wages and bona fide fringe benefits

(or cash equivalents thereof) due at the time of payment computed at rates not less than those contained in the General Prevailing Wage Determination (hereinafter referred to as the "Wage Determination") made by the Director of Industrial Relations pursuant to California Labor Code Part 7, Chapter 1, Article 2, sections 1770, 1773 and 1773.1, regardless of any contractual relationship which may be alleged to exist between the Contractor and such Laborers and Mechanics. A copy of the applicable Wage Determination is on file in the offices of the Agency.

- (b) All Laborers and Mechanics shall be paid the appropriate wage rate and fringe benefits for the classification of work actually performed, without regard to skill. Laborers or Mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein provided that the Contractor's payroll records accurately set forth the time spent in each classification in which work is performed.
- (c) Whenever the wage rate prescribed in the Wage Determination for a class of Laborers or Mechanics includes a fringe benefit which is not expressed as an hourly rate, the Contractor shall either pay the benefit in the manner as stated therein i.e. the vacation plan, the health benefit program, the pension plan and the apprenticeship program, or shall pay an hourly cash equivalent thereof.
- (d) If the Contractor does not make payments to a trustee or other third person, the Contractor may consider as part of the wages of any Laborer or Mechanic the amount of any costs reasonably anticipated in providing benefits under a plan or program of a type expressly listed in the Wage Determination, provided that the Executive Director of the Agency has found, upon the written request of the Contractor, made through the Contractor that the intent of the Labor Standards has been met. Records of such costs shall be maintained in the manner set forth in subsection (a) of §8. The Executive Director of the Agency may require the Contractor to set aside in a separate interest bearing account with a member of the Federal Deposit Insurance Corporation, assets for the meeting of obligations under the plan or program referred to above in subsection (b) of this §4. The interest shall be accumulated and shall be paid as determined by the Agency acting at its sole discretion.
- (e) Regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

11.4 Permissible Payroll Deductions.

The following payroll deductions are permissible deductions. Any others require the approval of the Agency's Executive Director.

- (a) Any withholding made in compliance with the requirements of Federal, State or local income tax laws, and the Federal social security tax.
- (b) Any repayment of sums previously advanced to the employee as a bona fide prepayment of wages when such prepayment is made without discount or interest. A "bona fide prepayment of wages" is considered to have been made only when case or its equivalent has been advanced to the employee in such manner as to give him or her complete freedom of disposition of the advanced funds.
- (c) Any garnishment, unless it is in favor of the Contractor (or any affiliated person or entity), or when collusion or collaboration exists.
- (d) Any contribution on behalf of the employee, to funds established by the Contractor, representatives of employees or both, for the purpose of providing from principal, income or both, medical or hospital care, pensions or annuities on retirement, death benefits, compensation for injuries, illness, accidents, sickness or disability, or for insurance to provide any of the foregoing, or unemployment benefits, vacation pay, savings accounts or similar payments for the benefit of employees, their families and dependents provided, however, that the following standards are met:
 - 1. The deduction is not otherwise prohibited by law; and
 - 2. It is either:
 - a. Voluntarily consented to by the employee in writing and in advance of the period in which the work is to be done and such consent is not a condition either for obtaining or for the continuation of employment, or
 - b. Provided for in a bona fide collective bargaining agreement between the Contractor and representatives of its employees; and
 - 3. No profit or other benefit is otherwise obtained, directly or indirectly, by the Contractor (or any affiliated person or entity) in the form of commission, dividend or otherwise; and
 - 4. The deduction shall serve the convenience and interest of the employee.
- (e) Any authorized purchase of United States Savings Bonds for the employee.
- (f) Any voluntarily authorized repayment of loans from or the purchase of shares in credit unions organized and operated in accordance with Federal and State credit union statutes.

- (g) Any contribution voluntarily authorized by the employee for the American Red Cross, United Way and similar charitable organizations.
- (h) Any payment of regular union initiation fees and membership dues, but not including fines or special assessments provided, that a collective bargaining agreement between the Contractor and representatives of its employees provides for such payment and the deductions are not otherwise prohibited by law.

11.5 **Apprentices and Trainees.** Apprentices and trainees will be permitted to work at less than the Mechanic's rate for the work they perform when they are employed pursuant to and are individually registered in an apprenticeship or trainee program approved by the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training ("BAT") or with the California Department of Industrial Relations, Division of Apprenticeship Standards ("DAS") or if a person is employed in his or her first 90 days of probationary employment as an apprentice or trainee in such a program, who is not individually registered in the program, but who has been certified by BAT or DAS to be eligible for probationary employment. Any employee listed on a payroll at an apprentice or trainee wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate for a Mechanic. Every apprentice or trainee must be paid at not less than the rate specified in the registered program for the employee's level of progress, expressed as a percentage of a Mechanic's hourly rate as specified in the Wage Determination. Apprentices or trainees shall be paid fringe benefits in accordance with the provisions of the respective program. If the program does not specify fringe benefits, employees must be paid the full amount of fringe benefits listed in the Wage Determination.

11.6 **Overtime.** No Contractor contracting for any part of the construction of the improvements which may require or involve the employment of Laborers or Mechanics shall require or permit any such Laborer or Mechanic in any workweek in which he or she is employed on such construction to work in excess of eight hours in any calendar day or in excess of 40 hours in such workweek unless such Laborer or Mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of eight hours in any calendar day or in excess of 40 hours in such workweek, whichever is greater.

11.7 **Payrolls and Basic Records.**

- (a) Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of its construction of the improvements and preserved for a period of one year thereafter for all Laborers and Mechanics it employed in the construction of the improvements. Such records shall contain the name, address and social security number of each employee, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for fringe benefits or cash equivalents thereof), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the wages of any Laborer or Mechanic include

the amount of any costs reasonably anticipated in providing benefits under a plan or program, the Contractor shall maintain records which show the costs anticipated or the actual costs incurred in providing such benefits and that the plan or program has been communicated in writing to the Laborers or Mechanics affected. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage prescribed in the applicable programs or the Wage Determination.

- (b) The Contractor shall submit to the Agency on each Wednesday at noon a copy of the payrolls for the week preceding the previous week in which any construction of the improvements was performed. The payrolls submitted shall set out accurately and completely all of the information required by the Agency's Optional Form, an initial supply of which may be obtained from the Agency. The Contractor if a prime contractor or the Contractor acting as the Contractor is responsible for the submission of copies of certified payrolls by all subcontractors; otherwise each Contractor shall timely submit such payrolls.

11.8 Each weekly payroll shall be accompanied by the Statement of Compliance that accompanies the Agency's Optional Form and properly executed by the Contractor or his or her agent, who pays or supervises the payment of the employees.

- (a) The Contractor shall make the records required under this §8 available for inspection or copying by authorized representatives of the Agency, and shall permit such representatives to interview employees during working hours on the job. On request the Executive Director of the Agency shall advise the Contractor of the identity of such authorized representatives.

11.9 **Occupational Safety and Health.** No Laborer or Mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous to his or her safety and health as determined under construction safety and health standards promulgated by Cal-OSHA or if Cal-OSHA is terminated, then by the federal OSHA.

11.10 **Equal Opportunity Program.** The utilization of apprentices, trainees, Laborers and Mechanics under this part shall be in conformity with the Agency's equal opportunity program set forth in Attachment 5 of this Lease Agreement.

11.11 **Nondiscrimination Against Employees for Complaints.** No Laborer or Mechanic to whom the wage, salary or other Labor Standards of this Agreement are applicable shall be discharged or in any other manner discriminated against by the Contractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or relating to these Labor Standards.

11.12 **Posting of Notice to Employees.** A copy of the Wage Determination referred to in subsection (a) of §4 together with a copy of a "Notice to Employees," in the form appearing on the last page of these Labor Standards, shall be given to the Contractor at the close of escrow. The Notice to Employees and the Wage Determination shall both be posted and maintained by the Contractor in a prominent place readily accessible to all applicants and employees performing construction of the improvements before construction commences. If such Notice and Wage Determination is not so posted or maintained, the Agency may do so.

11.13 **Violation and Remedies.**

- (a) Liability to Employee for Unpaid Wages. The Contractor shall be liable to the employee for unpaid wages, overtime wages and benefits in violation of these Labor Standards.

- (b) Stop Work--Contract Terms, Records and Payrolls. If there is a violation of these Labor Standards by reason of the failure of any contract or subcontract for the construction of the improvements to contain the Labor Standards as required by §2 ("Non-Conforming Contract"); or by reason of any failure to submit the payrolls or make records available as required by §8 ("Non-Complying Contractor"), the Executive Director of the Agency may, after written notice to the Contractor with a copy to the Contractor involved and failure to cure the violation within five working days after the date of such notice, stop the construction work under the Non-Conforming Contract or of the Non-Complying Contractor until the Non-Conforming Contract or the Non-Complying Contractor comes into compliance.

- (c) Stop Work and Other Violations. For any violation of these Labor Standards the Executive Director of the Agency may give written notice to the Contractor, with a copy to the Contractor involved, which notice shall state the claimed violation and the amount of money, if any, involved in the violation. Within five working days from the date of said notice, the Contractor shall advise the Agency in writing whether or not the violation is disputed by the Contractor and a statement of reasons in support of such dispute (the "Notice of Dispute"). In addition to the foregoing, the Contractor, upon receipt of the notice of claimed violation from the Agency, shall with respect to any amount stated in the Agency notice withhold payment to the Contractor of the amount stated multiplied by 45 working days and shall with the Notice of Dispute, also advise the Agency that the moneys are being or will be withheld. If the Contractor fails to timely give a Notice of Dispute to the Agency or to advise of the withhold, then the Executive Director of the Agency may stop the construction of the improvements under the applicable contract or by the involved Contractor until such Notice of Dispute and written withhold advice has been received.

Upon receipt of the Notice of Dispute and withhold advice, any stop work which the Executive Director has ordered shall be lifted, but the Contractor

shall continue to withhold the moneys until the dispute has been resolved either by agreement, or failing agreement, by arbitration as is provided in §14.

- (d) Withholding Certificates of Completion. The Agency may withhold any or all certificates of completion of the improvements provided for in this Agreement, for any violations of these Labor Standards until such violation has been cured.
- (e) General Remedies. In addition to all of the rights and remedies herein contained, but subject to arbitration, except as hereinafter provided, the Agency shall have all rights in law or equity to enforce these Labor Standards including, but not limited to, a prohibitory or mandatory injunction. Provided, however, the stop work remedy of the Agency provided above in subsection (b) and (c) is not subject to arbitration.

11.14 Arbitration of Disputes.

- (a) Any dispute regarding these Labor Standards shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further provisions thereof.
- (b) The Agency and all persons or entities who have a contractual relationship affected by the dispute shall be made a party to the arbitration. Any such person or entity not made a party in the demand for arbitration may intervene as a party and in turn may name any such person or entity as a party.
- (c) The arbitration shall take place in the City and County of San Francisco.
- (d) Arbitration may be demanded by the Agency, the Tenant or the Contractor.
- (e) With the demand for arbitration, there must be enclosed a copy of these Labor Standards, and a copy of the demand must be mailed to the Agency and the Contractor, or as appropriate to one or the other if the Contractor or the Agency is demanding arbitration. If the demand does not include the Labor Standards they are nevertheless deemed a part of the demand. With the demand if made by the Agency or within a reasonable time thereafter if not made by the Agency, the Agency shall transmit to the AAA a copy of the Wage Determination (referred to in §4) and copies of all notices sent or received by the Agency pursuant to §13. Such material shall be made part of the arbitration record.
- (f) One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators of the AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the parties fail to select an arbitrator, within seven (7) days from the receipt of the panel, the AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within 30 days from appointment.

- (g) Any party to the arbitration whether the party participates in the arbitration or not shall be bound by the decision of the arbitrator whose decision shall be final and binding on all of the parties and any and all rights of appeal from the decision are waived except a claim that the arbitrator's decision violates an applicable statute or regulation. The decision of the arbitrator shall be rendered on or before 30 days from appointment. The arbitrator shall schedule hearings as necessary to meet this 30 day decision requirement and the parties to the arbitration, whether they appear or not, shall be bound by such scheduling.
- (h) Any party to the arbitration may take any and all steps permitted by law to enforce the arbitrator's decision and if the arbitrator's decision requires the payment of money the Contractor shall make the required payments and the Contractor shall pay the Contractor from money withheld.
- (i) Costs and Expenses. Each party shall bear its own costs and expenses of the arbitration and the costs of the arbitration shall be shared equally among the parties.

11.15 **Non-liability of the Agency**. The Contractor and each Contractor acknowledge and agree that the procedures hereinafter set forth for dealing with violations of these Labor Standards are reasonable and have been anticipated by the parties in securing financing, in inviting, submitting and receiving bids for the construction of the improvements, in determining the time for commencement and completion of construction and in proceeding with construction work. Accordingly the Contractor, and any Contractor, by proceeding with construction expressly waives and is deemed to have waived any and all claims against the Agency for damages, direct or indirect, arising out of these Labor Standards and their enforcement and including but not limited to claims relative to stop work orders, and the commencement, continuance or completion of construction.

HEALTH CARE ACCOUNTABILITY POLICY DECLARATION

What the Policy does. The Office of Community Investment and Infrastructure (“OCII”) (as Successor Agency to the Redevelopment Agency of the City and County of San Francisco) adopted the San Francisco Health Care Accountability Policy (the “HCAP”), which became effective on September 25, 2001. The HCAP requires contractors and subcontractors that provide services to OCII, contractors and subcontractors that enter into leases with OCII, and parties providing services to tenants and sub-tenants on OCII property to offer health plan benefits to their employees.

Specifically, contractors can either: (1) offer the employee minimum standard health plan benefits established by the San Francisco Department of Public Health (“SFDPH”), as approved by the OCII Commission; (2) pay OCII an amount equivalent to the current fee established by the SFDPH for each hour the employee works on the covered contract or subcontract or on property covered by a lease and OCII will appropriate the money for staffing and other resources to provide medical care for the uninsured; or (3) participate in a health benefits program developed and offered by SFDPH. The minimum health plan standards and fees established by SFDPH are published at <https://sfgov.org/olse/health-care-accountability-ordinance-hcao>.

OCII may require contractors to submit reports on the number of employees affected by the HCAP.

Effect on OCII contracting. For contracts and amendments signed on or after September 25, 2001, the HCAP will have the following effect:

- in each contract, the contractor will agree to abide by the HCAP and to provide its employees the minimum benefits the HCAP requires, and to require its subcontractors to do the same.
- if a contractor does not provide the HCAP’s minimum benefits, OCII can award a contract to that contractor **only if** the contract is exempt under the HCAP, or if the contract has received a waiver from OCII.

What this form does. Your signed declaration will help OCII’s contracting practice. Sign this form if you can assure OCII that, beginning with the first OCII’s contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the HCAP to your covered employees, and will ensure that your subcontractors also subject to the HCAP do the same.

If you cannot make this assurance now, please do not return this form.

For more information, please see the complete text of the HCAP, available from the OCII’s Contract Compliance Department at: (415) 749-2400 or <http://sfocii.org/policies-and-procedures>.

MINIMUM COMPENSATION POLICY DECLARATION

What the Policy does. The Office of Community Investment and Infrastructure (“OCII”) (Successor Agency to the San Francisco Redevelopment Agency) adopted the Minimum Compensation Policy (“MCP”), which became effective on September 25, 2001. The MCP requires contractors and subcontractors to pay Covered Employees a minimum hourly wage and to provide 12 compensated and 10 uncompensated days off per year. The Minimum Compensation rate adjusts automatically to match the wage rate required by the City and County of San Francisco’s Minimum Compensation Ordinance. Contractor is obligated to keep informed of the then-current requirements, which are published at <https://sfgov.org/olse/minimum-compensation-ordinance-mco>.

OCII may require contractors to submit reports on the number of employees affected by the MCP.

Effect on OCII contracting. For contracts and amendments signed on or after September 25, 2001, the MCP will have the following effect:

- in each contract, the contractor will agree to abide by the MCP and to provide its employees the minimum benefits the MCP requires, and to require its subcontractors subject to the MCP to do the same.
- if a contractor does not provide the MCP minimum benefits, OCII can award a contract to that contractor only if the contract is exempt under the MCP, or if the contract has received a waiver from OCII.

What this form does. Your signed declaration will help OCII’s contracting practice. Sign this form if you can assure OCII that, beginning with the first OCII contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the MCP to your covered employees, and will ensure that your subcontractors also subject to the MCP do the same.

If you cannot make this assurance now, please do not return this form.

DECLARATION OF PUBLIC ACCESS RESTRICTIONS

Transbay Block 2 West

This DECLARATION OF RESTRICTIONS ("**Declaration**") is made as of _____, 2024, by Transbay 2 Senior, L.P., a California limited partnership (including any successor or future lessee of the Property, "**Declarant**") owner of a leasehold interest in the land described in Exhibit A attached hereto (the "**Property**"), in favor of the SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO, a public body organized and existing under the laws of the State of California, commonly referred to as the Office of Community Investment and Infrastructure ("**Successor Agency**," including any successors or assigns). The restrictions and covenants stated herein shall bind Declarant and its successors and assigns and shall be enforceable by SUCCESSOR AGENCY and its successors and assigns.

RECITALS

A. SUCCESSOR AGENCY and Declarant have entered into that certain Ground Lease dated _____, 2024 ("**Ground Lease**") and an Amended and Restated Loan Agreement dated as of _____, 2024 ("**Loan Agreement**"). The Ground Lease and Loan Agreement obligate Declarant to develop the Project, a below-market-rate affordable housing development with associated improvements, on Declarant's leasehold interest in the Property. Definitions and rules of interpretation set forth in the Ground Lease apply to this Declaration, unless otherwise noted.

B. Pursuant to the Redevelopment Requirements, the Project includes construction of (1) roughly half of a Pedestrian Mews separating the Project from adjacent development to the

east and providing mid-block public access, ingress and egress between Folsom Street and future Clementina Street and the future Transbay park, as shown on Exhibit B attached hereto (the “**Block 2W Pedestrian Mews**”); and (2) a recreational courtyard providing open space for residents of the Project and the public, as shown on Exhibit B attached hereto (the “**Block 2W Courtyard**”, and together with the Block 2W Pedestrian Mews, the “**Block 2W Access Areas**”).

C. Declarant has agreed to comply with certain access restrictions and maintenance obligations for the Block 2W Access Areas, as set out in the Ground Lease and contained herein, commencing on the date on which a certificate of occupancy is issued for the Project, and continuing for the Life of the Project (the “**Compliance Term**”), even if the Loan Agreement or Ground Lease, or both, are terminated or otherwise satisfied.

D. As further described below, Declarant intends by this Declaration to ensure public access to and maintenance of the Block 2W Access Areas in compliance with the Redevelopment Requirements and applicable law (including, without limitation, the Construction Documents).

NOW, THEREFORE, Declarant hereby declares, covenants and agrees for itself, its successors, assigns and all future lessees of the Property or owners of the Project, that the leasehold interest in the Property will be held, transferred, sold, leased, occupied and conveyed subject to the following restrictions and covenants, which are hereby declared to be for the benefit of the public, and that said restrictions and covenants will run with the Property and will be binding upon all parties having or acquiring any right or title in said Property.

Section 1 Restrictions

A. Block 2W Pedestrian Mews. Declarant shall make and maintain all portions of the Block 2W Pedestrian Mews as pedestrian ingress, egress and access available to all members of the public at all times of the day or night, except as reasonably required for construction, restoration, repairs or maintenance, provided that Declarant shall use good faith diligent efforts to minimize the length and extent of such closure and shall notify the Successor Agency or assignee in advance of such closures. In the event of an emergency or danger to the public health or safety created from whatever cause (including, but not limited to, flood, storm, fire, earthquake, explosion, accident, criminal activity, riot, civil disturbances, civil unrest, unlawful assembly), Declarant may temporarily close the Block 2W Pedestrian Mews (or affected portions thereof) in any manner deemed necessary or desirable to promote public safety, security, and the protection of persons and property.

B. Block 2W Courtyard. Declarant shall make and maintain all portions of the Block 2W Courtyard as recreational open space available to all members of the public at a minimum from 7AM-6PM Monday – Friday and from 9AM-6PM Saturday and Sunday, except as reasonably required for construction, restoration, repairs or maintenance, provided that Declarant shall use good faith diligent efforts to minimize the length and extent of such closure and shall notify the Successor Agency or assignee in advance of such closures. In the event of an emergency or danger to the public health or safety created from whatever cause (including, but not limited to, flood, storm, fire, earthquake, explosion, accident, criminal activity, riot, civil disturbances, civil unrest, unlawful assembly), Declarant may temporarily close the Block 2W Courtyard (or affected portions

thereof) in any manner deemed necessary or desirable to promote public safety, security, and the protection of persons and property. Amendments to this section may be made in accordance with Article 54 of the Ground Lease.

C. Rules and Regulations. Declarant, in conjunction with Successor Agency's ground lessee of the Block 2 East Project, may develop reasonable rules and regulations governing security, use, and conduct by the public within the Block 2W Access Areas. Such rules and regulations shall be consistent with the purpose of the Redevelopment Requirements and the Construction Documents whenever applicable and shall (a) not prohibit public access or limit pedestrian access except as permitted by this Declaration; (b) not be discriminatory; and (c) comply with applicable laws. Declarant may amend such rules and regulations from time to time in conformity with this Declaration; provided, that Declarant provide a copy of such amended Rules and Regulations to the Successor Agency or its assignee promptly upon any amendment thereto. All rules and regulations for the public use shall be enforced in a nondiscriminatory manner.

In accordance with this paragraph, Declarant shall have the right to use the Block 2W Access Areas for privately- or publicly-sponsored special events, including meetings, festivals, gatherings, assemblies, celebrations, festivals, receptions, seminars, lectures, fitness classes, concerts, art displays, exhibits, booths for charitable, patriotic or welfare purposes, conventions, and open air sale of agriculturally produced seasonal decorations, such as Christmas trees and Halloween pumpkins, that do not require the closure of any portion of the Block 2W Access Areas to the public for pedestrian ingress, egress and access (collectively, "**Non-Closure Events**"). All Non-Closure Events on the Block 2W Pedestrian Mews must be approved in advance by Declarant and Successor Agency. Declarant shall notify the Successor Agency in writing at least seven days prior to Declarant's approval of Non-Closure Events on the Block 2 Pedestrian Mews. At OCII's request, Declarant will provide a summary of Non-Closure Events held at the Block 2W Courtyard. Declarant may require payment in the form of a permit fee or other charge for use of the Block 2W Access Areas for Non-Closure Events, so long as the permit fee or use charge does not exceed the reasonable costs for administration, maintenance, security, liability, and repairs associated with such event. Declarant shall create and make available to all applicants a standardized, clear explanation of the application process and criteria for review and approval of such Non-Closure Events, including related fees, and provide a copy of this information to the Successor Agency prior to its first Non-Closure Event.

D. Obstructions. Except as permitted by this Declaration, Declarant shall not construct or permit any structures to be constructed in the Block 2W Access Areas that would in any way interfere with or obstruct the public's use of those areas as described in Subsections 1.A and 1.B above; provided, however, that nothing in this or the previous Subsections prohibit Declarant from installing vegetation, seating, furnishings, lighting, signage, traffic calming and other streetscape or parkscape fixtures (collectively "**Fixtures**") consistent with the Redevelopment Requirements and Construction Documents; or reasonably restricting access to the Block 2W Access Areas in connection with maintenance, repair, and reconstruction activities undertaken pursuant to this Declaration.

Section 2 Maintenance

Declarant shall maintain the Block 2W Access Areas in compliance with the Ground Lease, and all applicable laws of the State of California and the Ordinances and Regulations of the City and County of San Francisco and the Redevelopment Requirements, for the useful life of the Project.

Section 3 Right of Enforcement

A. Generally. The Successor Agency or its assignee may enforce, individually or collectively, any of the covenants and restrictions established by this Declaration by legal action or other legally permissible enforcement action either entity deems necessary. Before taking any enforcement action, Successor Agency or assignee shall provide Declarant with written notice ("**Notice**") detailing Declarant's failure to enforce the restrictions or perform any of its covenants under this Declaration, and provide Declarant with the opportunity to cure such failure within thirty (30) business days of Declarant's receipt of the Notice or other cure period specified in the Notice, whichever is sooner.

B. Right to Cure and Abate. In addition to the foregoing, if Declarant does not cure, or commence action to cure and diligently thereafter proceed to completion, any failure identified by a Notice prior to the expiration of the Notice period, the Successor Agency or its assignee shall have the right, both independently and collectively, but not the obligation, to perform necessary work in the Block 2W Access Areas to remedy the failure specified in the applicable Notice, and Declarant shall reimburse Successor Agency and/or the City, as the case may be, for the actual costs of such work, not including compensation for staff time.

Section 4 Liability and Indemnity

A. Limitation on Liability. Neither the Successor Agency nor the City and County of San Francisco ("**City**") shall be liable, in any event whatsoever, for any injury or damage to any person on or about the Property or any injury or damage to the Property, to any property of any tenant or occupant, or to any property of any other person, entity or association on or about the Property, except with regard to work performed by the Successor Agency or its assignee pursuant to Section 3.B, or to the extent such injury or damage is caused solely by willful misconduct or gross negligence of the party seeking to enforce this limitation.

B. Indemnity. Declarant, and each successor and assign to Declarant holding an interest in the Block 2W Access Areas (collectively called "**Indemnitors**"), with respect to all matters arising during the period that Declarant or each such successor or assign is holds an interest in the Block 2W Access Areas, shall defend, hold harmless and indemnify the Successor Agency and the City, including but not limited to all of their boards, commissions, departments, agencies and other subdivisions, and their respective officers, directors, commissioners, employees and agents (collectively, "**Indemnified Parties**"), from and against any and all liabilities, penalties, costs, damages, expenses, causes of action, claims or judgments (including without limitation attorney's

fees) (collectively, "**Indemnified Claims**"), arising under this Declaration or resulting from the death or injury of any person or damage to property occurring on the Block 2W Access Areas and directly or indirectly caused by any acts or omissions of Indemnitors or their agents, employees or contractors except to the extent that any of the foregoing indemnification, reimbursement, hold harmless and defense obligations is void or otherwise unenforceable under applicable Law. The foregoing indemnity shall not apply to any liabilities, penalties, costs, damages, expenses, causes of action, claims or judgments (including reasonable attorney's fees) (i) due to the negligence or willful misconduct of the Indemnified Parties, or their respective agents, employees or contractors, or (ii) arising from the Successor Agency's or its assignee's performance of work pursuant to Section 3.B. Declarant, on behalf of the Indemnitors, specifically acknowledges and agrees that the Indemnitors have an immediate and independent obligation to defend the Indemnified Parties from any claim which actually or potentially falls within this indemnity even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such Indemnified Claim is tendered to any applicable Indemnitor.

Section 5 Duration

This Declaration, and the restrictions and covenants herein, herein shall remain in effect for the life of the Project and shall survive the termination of the Ground Lease and the Loan Agreement, even if the loan under the Loan Agreement is repaid or otherwise satisfied or the Deed of Trust is reconveyed.

Section 6 Notice of Restrictions

Concurrent with the recordation of this Declaration, Declarant shall ensure that all of its members are informed of the restrictions herein by providing a summary notice to all members then existing in Declarant, and thereafter Declarant shall provide such notice to each member as it is admitted to Declarant, with a copy of each notice provided to the Successor Agency.

Section 7 Miscellaneous Provisions

A. Time. Time is of the essence of this Declaration and each party's performance of its obligations hereunder.

B. Amendment. Declarant may modify this Declaration only with prior written consent of Successor Agency, and any such modification shall be duly recorded in the Official Records of the City and County of San Francisco.

C. Governing Law. This Declaration shall be governed by and construed in accordance with the laws of the State of California.

E. Counterparts. This Declaration may be executed in any number of counterparts, each of which shall be entitled to be the original and all of which shall constitute on and the same Declaration.

In connection with any such conveyance of fee title, Declarant or such successor lessee, as applicable, and such Acquiring Party shall execute and deliver to the Successor Agency a written assignment and assumption of the Declaration; provided, however, that the failure of any party to execute or deliver such an assignment and assumption shall not affect the automatic transfer and assumption of obligations and liability under this Declaration by such Acquiring Party.

The “**Effective Date**” of this Lease is the date of recordation of the Memorandum of this Lease in the Official Records of the City and County of San Francisco.

RECITALS

A. OCII is the fee owner of certain real property described in Exhibit 1 attached hereto (the “**Site**”).

B. In furtherance of the objectives of the Community Redevelopment Law of the State of California, the former Redevelopment Agency of the City and County of San Francisco (the “**Former Agency**”) undertook programs to redevelop and revitalize blighted areas in San Francisco and in connection therewith adopted a redevelopment project area known as the Transbay Redevelopment Project Area (“**Project Area**”).

C. In 2003, the Transbay Joint Powers Authority (“**TJPA**”), the City and County of San Francisco (“**City**”) and the State of California (“**State**”) entered into a Cooperative Agreement setting forth the process for the transfer of certain State-owned parcels in the Project Area to the City and the TJPA. Also in 2003, the California Legislature enacted Assembly Bill No. 812 (Statutes 2003, chapter 99), codified at Cal. Public Resources Code § 5027.1, which requires that thirty-five percent (35%) of new housing developed in the Project Area shall be affordable to low- and moderate-income households (“**Transbay Affordable Housing Obligation**”). In 2005, the TJPA and the Former Agency entered into the Transbay Redevelopment Project Implementation Agreement (“**Implementation Agreement**”) which incorporates the affordable housing requirements of AB 812 and requires the Former Agency (now OCII) to prepare and sell certain formerly State-owned parcels, to construct and fund new infrastructure improvements (such as parks and streetscapes), and to meet affordable housing obligations.

D. The Board of Supervisors of the City and County of San Francisco (“**Board of Supervisors**”) approved a Redevelopment Plan for the Project Area by Ordinance No. 124-05, adopted on June 21, 2005, and by Ordinance No. 99-06, adopted on May 9, 2006, filed in the Office of the Recorder of the City and County of San Francisco (“**Official Records**”) as Document No. 2006-I224836, as amended by Ordinance No. 84-15 (June 16, 2015) as Document No. 2015-K135871, as amended by Ordinance No. 62-16 (April 26, 2016) as Document No. 2016-K333253,

and as amended by Ordinance No. 09-23 (January 24, 2023) as Document No. 2023041529 (and as it may be further amended from time to time, the “**Redevelopment Plan**”).

E. The Redevelopment Plan divides the Project Area into two subareas: Zone One in which the land use controls of the Redevelopment Plan and the Development Controls and Design Guidelines for the Transbay Redevelopment Project (2005) (and as currently amended “**Development Controls**”) are applicable and administered by the Former Agency (now OCII), and Zone Two in which the San Francisco Planning Code is applicable and administered by the City Planning Department.

F. On February 1, 2012, the State of California dissolved all redevelopment agencies including the Former Agency, by operation of law pursuant to California Health and Safety Code Section 34170 et seq. (“**Redevelopment Dissolution Law**”). Under the authority of the Redevelopment Dissolution Law and San Francisco Ordinance No. 215-12 (October 4, 2012) (establishing the Successor Agency Commission (“**Commission**”) and delegating to it state authority under the Redevelopment Dissolution Law), OCII is administering the enforceable obligations of the Former Agency. The Redevelopment Plan, Development Controls, Transbay Affordable Housing Obligation, Implementation Agreement and other relevant Project Area documents remain in effect and OCII retains all affordable housing obligations in the Project Area.

G. Redevelopment Dissolution Law authorizes successor agencies to enter into new agreements if they are “in compliance with an enforceable obligation that existed prior to June 28, 2011.” Cal. Health & Safety Code § 34177.5(a). On April 15, 2013, the California Department of Finance (“**DOF**”) finally and conclusively determined that the Transbay Affordable Housing Obligation and the Implementation Agreement is a continuing enforceable obligation of OCII under the Redevelopment Dissolution Law. DOF has confirmed that “any sale, transfer, or conveyance of property related to [the Transbay Final and Conclusive Determination] is authorized.” Email from Justyn Howard, Assistant Program Budget Manager, DOF, to Tiffany Bohee, Executive Director, OCII (September 10, 2013, 09:17 am).

H. In accordance with its obligations under the Redevelopment Plan, the Transbay Affordable Housing Obligation and the Implementation Agreement, OCII intends to fund the development of two affordable housing developments on Block 2 as said block is depicted in the Redevelopment Plan (“**Block 2**”), by subdividing Block 2 into two vertical subdivisions (“**Block 2 West**” and “**Block 2 East**”), providing a subsidy for development and operation of mixed-use residential and ground-floor community commercial developments on Block 2 West and Block 2 East, and entering into ground lease agreements with affordable housing developers to cause the construction and operation of the two developments. OCII anticipates that its subsidy will facilitate additional public and private financing necessary to make the development and operation of the Block 2 financially feasible.

I. On April 6, 2021, by Resolution No. 09-2021, the Commission affirmed the selection of the development team for Block 2, including Mercy Housing California (“**Mercy**”) and co-developer Chinatown Community Development Center (“**CCDC**”, the sole member of Tenant). In accordance with Mercy and CCDC’s development proposal and their Joint Development Agreement dated as of March 30, 2021 (“**JDA**”), which defines the roles and responsibilities of Mercy and CCDC in developing Block 2, including requiring commercial

affiliates of Mercy and CCDC to enter into a retail leasing agreement, reasonably reviewed and approved by OCII, providing Mercy commercial affiliate Mercy Commercial California, “**Mercy Commercial**”) with control over the marketing and leasing of community commercial spaces developed on the Block 2 Site (“**Community Commercial Leasing Agreement**”), subject to the requirements of this Lease and of any similar agreement between OCII and Mercy or an affiliate of Mercy.

J. On November 1, 2022, by Resolution Nos. 39-2022 through 44-2022, the Commission recommended an amendment to the Redevelopment Plan authorizing additional height and bulk for Block 2, conditionally approved schematic designs and related actions modifying the scope of development for Block 2 to include approximately 335 affordable residential units and approximately 11,351 square feet of community commercial space in two separate buildings on Block 2 comprised of 151 residential units, amenities and open space, and 2,945 square feet of commercial space on Block 2 West (“**Block 2 West Project**”) and 184 residential units, amenities and open space, and 8,406 square feet of community commercial space (“**Block 2 East Project**”). On February 3, 2023, by Ordinance No. 09-23, the City adopted amendments to the Redevelopment Plan permitting the modified scope for the development of Block 2.

K. To maximize the ability of the residential portion of the Block 2 West Project (the “**Residential Component**”) to obtain affordable housing financing, CCDC determined that the Project (as defined in Recital N below) should be constructed separately from the Residential Component by an affiliate of CCDC and within a separate air rights parcel under a separate ground lease and loan agreement. CCDC succeeded in obtaining a State affordable housing bond and tax credit allocations for the Residential Component on August 23, 2023.

L. The Project and the Residential Component are synergistic portions of the overall Block 2 West Project, with the Project providing community-focused uses that are beneficial to residents of the Residential Component and the surrounding community, and the Residential Component providing a stable base of customers for the goods and services provided in the Project.

M. The Development Controls and Design Guidelines for the Transbay Redevelopment Project (20XX) (“DCDG”) states that “[g]round floor commercial spaces are required along the Folsom Boulevard frontage.” DCDG at p. 24, section C.3. of Zone One-Transbay Downtown Residential. The Block 2 West Project includes frontage along Folsom Boulevard and therefore must include commercial space.

N. Tenant intends to construct a commercial space consisting of up to three (3) community-serving commercial units finished to a warm shell condition (in compliance with the Mayor’s Office of Housing and Community Development (“MOHCD”) Commercial Guidelines) totaling approximately 2,945 square feet (each, a “**Community Commercial Unit**”) on Block 2 West, all as more particularly set forth in the Basic Concept and Schematic Designs approved on November 1, 2022 by Commission Resolution No. 44-2022, and as further set forth in Design Development Documents approved by OCII on September 11, 2023 and as may be further revised in accordance with Redevelopment Requirements (collectively, the “**Project**”).

O. On April 7, 2023, the Citywide Affordable Housing Loan Committee approved a total OCII subsidy for the development of the Block 2 West Project in an aggregate amount not to exceed Sixty-Five Million Eleven Thousand Sixty-Five Dollars (\$65,011,065) comprised of (i) an approximately \$2,582,163 permanent loan to fund construction of the Project (“**Community Commercial Loan**”); and (ii) an approximately \$62,428,902 permanent loan for the construction and operation of the Residential Component (as defined in Recital N, below).

P. On _____, 2024, by Resolution No. __-2024, the Commission authorized a Community Commercial Loan Agreement by and between OCII and Tenant for disbursement of the Community Commercial Loan for development and operation of the Project (“**Community Commercial Loan Agreement**”), and this Lease by and between OCII and the Tenant for development and operation of the Project on the Site. Also on _____, 2024, the Commission separately approved a loan and residential ground lease for the purpose of constructing and thereafter operating on Block 2 West approximately one hundred fifty (150) units of low-income rental housing and one unrestricted manager’s unit (“**Residential Component**”).

Q. In furtherance of the foregoing, OCII has subdivided Block 2 by Final Subdivision Map No. ____ (recorded in the Official Records on _____, 2023 as document _____ in Book __ of Parcel Maps at Pages _____, “**Final Map**”), creating two vertical subdivisions of roughly equal size (Parcels __ and __ of the Final Map constituting Block 2 West and Parcels __ and __ of the Final Map constituting Block 2 East). The Project will be constructed within the Site, which is Parcel __ of the Final Map. The Residential Component of Block 2 West will be constructed within Parcel __ of the Final Map (the “**Residential Parcel**”).

R. OCII now intends to lease the Site to Tenant for the purposes of constructing and maintaining the Project on the Site, in accordance with the terms of this Lease.

S. For purposes of implementation and to ensure consistency with the City’s overall affordable housing goals and priorities, OCII has engaged the City’s (“**MOHCD**”) to provide loan disbursement services for the Project, in cooperation with OCII.

T. Upon completion of the Project, OCII intends to assign its rights and obligations under this Lease and the Loan Documents (as defined herein), together with conveyance of fee title to Block 2 West (including the Site and the Residential Component) as a mixed-use housing assets to MOHCD, which is the designated Housing Successor of the City and County of San Francisco under Board of Supervisors Resolution 11-12 (January 24, 2012), as required by Redevelopment Dissolution Law, Health & Safety Code § 34176 (a), and OCII’s approved Long-Term Property Management Plan dated December 2015.

U. As a mixed-use asset under Section 34176 (f) of the Health and Safety Code, the Residential Component and the Project will be transferred to MOHCD as an affordable housing asset because of the overall value to the community and the benefit to taxing entities of keeping these uses together.

NOW, THEREFORE, in consideration of the mutual promises and covenants, the purposes stated in the above Recitals, and other valuable consideration, the receipt and sufficiency of which are

hereby acknowledged, Landlord and Tenant (each a “**Party**” and collectively the “**Parties**”) hereby agree as follows:

California Civil Code Section 1938 requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist (“CASp”) to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Tenant is hereby advised that the Premises have not been inspected by a CASp.

ARTICLE 3 RENT AND FINANCIAL ACCOUNTING

3.01 Ground Rent During Term.

Tenant shall pay Landlord per lease year (i) Base Rent as defined in subsection (a) below, and (ii) if applicable, Percentage Rent, as defined in subsection (b), below, without offset of any kind and without necessity of demand, notice or invoice from Landlord (together, “**Ground Rent**”).

(a) Base Rent.

(b) “**Base Rent**” means, One and No/100 Dollars (\$1.00) for any given Lease Year (or, as applicable, for any partial Lease Year, an amount prorated to the duration of the partial Lease Year). Base Rent shall be due and payable in arrears on January 31st following the Lease Year for which it is owed; provided, however, that at Tenant’s election, Tenant may prepay the cumulative Base Rent for the entire Term in one lump sum in the First Lease Year.

(c) Percentage Rent. Commencing immediately upon full repayment of the Community Commercial Loan, Tenant shall owe Percentage Rent (if any) to Landlord, payable to Landlord in accordance with this subsection. “**Percentage Rent**” means forty percent (40%) of the “**Net Commercial Cash Flow**,” being Project Income minus Project Expenses and Project Fees (if any) for the applicable Lease Year (or portion thereof).

(i) Payments of Percentage Rent.

(1) Except for the Last Lease Year, Percentage Rent shall be paid to OCII in arrears on June 30th following the Lease Year for which it is owed. For the Last Lease Year, Percentage Rent shall be paid on or before the [sixtieth (60th) day immediately following the end of the Term (which obligation shall survive the expiration of the Term, including by early termination).]

(2) Landlord’s acceptance of any sums paid by Tenant as Percentage Rent as shown by the applicable Annual Statement (defined below) will not be an admission of the accuracy of the Annual Statement or the amount of the Percentage Rent payment. Landlord’s receipt of a portion of Percentage Rent will be deemed strictly as rental and nothing in

this Lease will be construed to create the legal relation of a partnership or joint venture between Landlord and Tenant.

(3) Tenant will maintain adequate accounting systems and controls reasonably satisfactory to OCII to ensure that Project Income collected and all Project Expenses incurred are properly accounted for and recorded on a cash basis.

(4) Any provision to the contrary notwithstanding, it will be a material breach of this Lease if, at any time, Tenant takes any action or enters into any arrangement or agreement with any Space Subtenant of any portion of the Site, or Tenant's employees, creditors, officers or any other person which arrangement or agreement is intended to understate or to conceal Tenant's Percentage Rent under this Lease.

(d) Annual Statements.

(i) On or before May 30th immediately following each anniversary of the Effective Date, Tenant will deliver a complete statement (each, an "**Annual Statement**") showing the computation of the Project Income, Project Expenses and Project Fees for the immediately preceding Lease Year in a form approved by OCII. Each Annual Statement must show in reasonable detail (i) the Project Income for the immediately preceding Lease Year, including an itemized list of any and all deductions or exclusions from Project Income that Tenant may claim and that are expressly permitted under this Lease, (ii) the Project Expenses and Project Fees for the immediately preceding Lease Year, and (iii) a computation of the Percentage Rent for the immediately preceding Lease Year. Each Annual Statement must be certified as accurate, complete, and current by an independent certified public accounting firm acceptable to OCII. Tenant may submit its Annual Statement as part of a joint annual statement with lessee of the Residential Parcel.

(ii) If Tenant fails to deliver any Annual Statement within the time period set forth in this subsection 3.01(c), (regardless of whether any Percentage Rent is actually paid or due to Landlord for the preceding Lease Year) and that failure continues for three (3) days after the date Tenant receives (or refuses receipt of) written notice of the failure from Landlord, Landlord will have the right, among its other remedies under this Lease, to employ a certified public accountant to make an examination of Tenant's Books and Records (defined below) (and the Books and Records of any other occupant of the Community Commercial Units) as may be necessary to certify the amount of the Project Income, Project Expenses and [Project Fees] for the period in question. The certification will be binding upon Tenant and Tenant will promptly pay to Landlord the total reasonable cost of the examination and Landlord's other reasonable costs (including attorneys' fees) in exercising its examination rights, together with the full amount of Percentage Rent due and payable for the period in question. Tenant acknowledges that the late submittal of any Annual Statement will cause Landlord increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. The parties agree that the charges set forth in this Section represent a fair and reasonable estimate of the cost that Landlord will incur by reason of Tenant's lateness, but Landlord's acceptance of any such amount will not limit Landlord's rights or remedies under this Lease for Tenant's failure to perform its obligations under this Section.

(e) Books and Records; Audit.

(i) **“Books and Records”** means all of Tenant’s books, records, and accounting reports or statements relating to the business at or use of the Project, this Lease, the tenant improvements, any alterations, and the operation and maintenance of the Project, including, without limitation, cash journals, rent rolls, general ledgers, income statements, bank statements, income tax schedules relating to the business in or use of the Project, and any other bookkeeping documents Tenant utilizes in its business operations for the Project. Tenant must maintain a separate set of accounts to allow a determination of all Project Expenses, Project Fees, all Project Income generated directly from the Project, and all exclusions therefrom.

(ii) Tenant agrees, and agrees to require, that the business conducted in the Project will be operated with a non-resettable register and so that a duplicate dated sales slip or such other recording method reasonably acceptable to Landlord is issued with each sale, whether for cash, credit, or exchange. Furthermore, Tenant will keep (and will cause its agents, Space Subtenants, assignees, licensees, and concessionaires, or otherwise to keep) at the Project, at all times between the Effective Date and the expiration or earlier termination of this Lease, complete and accurate Books and Records that contain all information required to permit Landlord to verify Project Income, deductions and exclusions therefrom, and Project Expenses that are in accordance with this Lease and with generally accepted accounting practices consistently applied from period to period with respect to all operations of the business to be conducted in or from the Project. Tenant will retain (and will cause its agents, Space Subtenants, assignees, licensees, and concessionaires, or otherwise to retain) such Books and Records for a period (the **“Audit Period”**) that is the later of (i) four (4) years after the end of each Lease Year (or portion thereof) to which such Books and Records apply, or (ii) if an audit is commenced or if a controversy arises between the parties regarding the Percentage Rent payable, until such audit or controversy is terminated.

(iii) Tenant will make its Books and Records available to Landlord, any City auditor, or any auditor or representative designated by Landlord (each referred to in this subsection as **“Landlord’s Audit Representative”**), on [a rolling basis] no less than fifteen (15) Business Days’ prior written notice to Tenant, for the purpose of examining said Books and Records to determine the accuracy of Tenant’s reporting of Percentage Rent for a period not to exceed the Audit Period after an Annual Statement is delivered to Landlord. Tenant will cooperate with Landlord’s Audit Representative during the course of any audit, provided, however, such audit will occur at Tenant’s business office, or at such other location in San Francisco where the Books and Records are kept, and no books or records may be removed by Landlord’s Audit Representative without prior express written consent of Tenant (but copies may be made by Landlord’s Audit Representative on site), and once commenced, with Tenant’s cooperation, the audit will be diligently pursued to completion by Landlord within a reasonable time, so long as Tenant makes available to Landlord’s Audit Representative all relevant Books and Records in a timely manner. If an audit is made of the Books and Records and Landlord claims that errors or omissions have occurred, the Books and Records will be retained by Tenant and made available to Landlord’s Audit Representative until those matters are expeditiously resolved with Tenant’s cooperation. If Tenant operates the Project through one or more Space Subtenants or agents or otherwise, Tenant will require each such Space Subtenant or agent or other party to provide Landlord with the copy of this audit right. Upon completion of the audit, Landlord will promptly deliver a copy of the audit report to Tenant.

(iv) If an audit reveals that Tenant has understated its Net Commercial Cash Flow for the applicable audit period, Tenant will pay OCII, promptly upon demand, the difference between the Percentage Rent payment Tenant has paid and the Percentage Rent payment it should have paid to OCII, plus, if the difference is a material amount and if required by OCII, interest from the date of the error in the payment equal to ten percent (10%) per year or, if a higher rate is legally permissible, the highest rate an individual is permitted to charge under applicable law, if OCII elects to charge such interest. If an audit reveals that Tenant has overstated its Net Commercial Cash Flow for the applicable audit period, Tenant shall be entitled to a credit equal to the difference between the amount Tenant has paid and the amount it should have paid to OCII against the next installment of Percentage Rent owed by Tenant. If Tenant understates the Net Commercial Cash Flow for any audit period by three percent (3%) or more, Tenant will pay the reasonable cost of the audit. A second understatement of three percent (3%) or more within any three (3) Lease Year period will be a material default of this Lease.

(f) Tenant's Compliance with City Business and Tax Regulations Code. Tenant acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code. If, under that authority, any payment OCII is required to make to Tenant under this Lease is withheld, then OCII will not be in breach or default under this Lease, and the Treasurer and Tax Collector will authorize release of any payments withheld under this paragraph to Tenant, without interest, late fees, penalties, or other charges, upon Tenant coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

3.02 Tenant's General Obligation to Pay Carrying Costs.

In addition to other provisions of this Lease governing Tenant's obligation to pay certain costs, Tenant acknowledges and agrees that it is responsible for, and shall pay upon due (except as provided in Article 12) all taxes, maintenance and other costs, charges, impositions and obligations attributed to the Premises, any Subtenant Improvements, and Tenant's leasehold interest under this Lease ("**Carrying Costs**"). Failure to pay the Carrying Costs shall be a default under this Lease, subject to Landlord's remedies provided in Articles 14 and 26, including the ability to pay any Carrying Costs left unpaid after providing at least fifteen (15) days prior written notice to Tenant (unless for immediate safety reasons or to prevent cancellation of required insurance policies or to avoid the imposition of penalties if earlier payment is required, in which cases Landlord may act immediately and shall provide written notice to Tenant as soon as possible). If Landlord pays any Carrying Costs, whether to cure a default or otherwise protect its interests hereunder, and provided Landlord has provided Tenant with notice and an opportunity to cure required in this subsection, Tenant shall reimburse Landlord the Carrying Costs as Additional Ground Rent on the Ground Rent payment date immediately following the date of Landlord's payment of Carrying Costs. Tenant is responsible for all of Tenant's expenses, and Tenant shall, in accordance with ARTICLE 20, indemnify, defend, and hold harmless Landlord and the other Indemnified Parties against all Claims (as such terms are defined in ARTICLE 20 below) arising in connection with Tenant's failure to pay Carrying Costs.

ARTICLE 4 LANDLORD COVENANTS

OCII is duly created, validly existing and in good standing under the Law, and has full right, power and authority to enter into and perform its obligations under this Lease. Landlord covenants and warrants that the Tenant and its tenants will have, hold and enjoy, during the Term, peaceful, quiet and undisputed possession of the Site leased without hindrance or molestation by or from anyone so long as the Tenant is not in default under this Lease.

ARTICLE 5 TENANT COVENANTS

Tenant covenants and agrees for itself and its successors and assigns to or of the Premises, or any part thereof, that:

5.01 Authority.

Tenant is a California limited liability company and has full rights, power, and authority to enter into and perform its obligations under this Lease.

5.02 Financial Assurance.

Tenant will submit for Landlord's approval, on the dates specified in the Schedule of Performance, evidence satisfactory to Landlord that Tenant has sufficient equity capital and commitments for construction and permanent financing, and/or such other evidence of capacity to proceed with the construction of the Improvements in accordance with this Lease as is acceptable to Landlord. Landlord acknowledges that as of the Effective Date Tenant has met this requirement.

5.03 Use of Site and Rents.

During the Term of this Lease, Tenant and its successors and assigns will comply with the following requirements:

(a) Permitted Uses. Tenant will devote the Site to, exclusively and in accordance with, the uses specified in this Lease, including as specified in ARTICLE 9 below, which are the only uses permitted by this Lease. Tenant acknowledges that a prohibition on the change in use contained in Section 9.01 is expressly authorized by California Civil Code section 1997.230 and is fully enforceable.

(b) MOHCD Commercial Underwriting Guidelines. Tenant shall comply with the MOHCD Commercial Underwriting Guidelines, as amended from time to time, for the purpose, among others, of establishing and maintaining that the overall value to the community and benefit to taxing entities is keeping the Project and the Residential Project intact as an affordable housing asset under Redevelopment Dissolution Law.

(c) Nondiscrimination. The Tenant herein covenants by and for itself its heirs, executors, administrators, and assigns, and all persons claiming under or through it, and this lease is made and accepted upon and subject to the following conditions:

That there shall be no discrimination against or segregation of any person or group of persons, on account of any basis listed in subdivision (a) or (d) of Section 12955 of the Government Code, as those bases are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the Government Code, in the leasing,

subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the Tenant, or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use, or occupancy, of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased.

(d) .

(e) Access for Disabled Persons. Tenant will comply with all applicable Laws providing for access for persons with disabilities, including, but not limited to, the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973.

(f) Permitted Uses of Surplus Cash. Until such time as the Community Commercial Loan is repaid in full, if the Tenant is in compliance with all applicable requirements and agreements under this Lease, Tenant shall use any Surplus Cash to make the following payments in the following order of priority:

(i) First, to replenish the Replacement Reserve Account and Operating Reserve Account, if necessary, up to the amount required by Mortgagees;

(ii) Second, two-thirds (2/3) of remaining Surplus Cash to OCII to repay the Community Commercial Loan; and

(iii) Then, any remaining Surplus Cash may be used by Tenant for any purposes permitted under MOHCD's residual receipt policy or other policy governing the Project, as it may be amended from time to time.

Notwithstanding the foregoing, Tenant and Landlord agree that the distribution of Surplus Cash may be modified based on the requirements of other Mortgagees. Once the Community Commercial Loan has been repaid in full, subsections (d)(ii) and (d)(iii) shall be replaced by the provisions for payment of Percentage Rent.

5.04 Reciprocal Easements; Covenants, Conditions and Restrictions.

Subject to OCII review and approval, Tenant shall cooperate with the lessee of the Residential Parcel to prepare and execute a reciprocal easement agreement, covenants, conditions and restrictions and/or other similar document(s) ("**Common Interest Agreements**") to establish the terms for access, use, maintenance, repair, replacement to and of spaces, structural supports and all other components of the Block 2 West Project shared between or common or mutually necessary to the development and/or operation of improvements on the Commercial Parcel and the Residential Parcel.

5.05 Landlord Deemed Beneficiary of Covenants.

In amplification and not in restriction of the provisions of the preceding subsections, it is intended and agreed that Landlord will be deemed beneficiary of the agreements and covenants provided in this Article 5 for in its own right and also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such agreements and covenants have been provided. Those agreements and covenants will run in favor

of Landlord for the entire term of those agreements and covenants, without regard to whether Landlord has at any time been, remains, or is an owner of any land or interest therein, or in favor of, to which such agreements and covenants relate. Landlord or its successor will have the exclusive right, in the event of any breach of any such agreements or covenants, in each case, after notice and the expiration of cure periods, to exercise all the rights and remedies and to maintain any actions at law or suits in equity or other proper proceedings to enforce the curing of such breach of covenants, to which it or any other beneficiaries of such agreements or covenants may be entitled.

ARTICLE 6 CONSTRUCTION OF IMPROVEMENTS

6.01 Schedule of Performance.

Tenant shall undertake and complete all physical construction of the Project in accordance with the Schedule of Performance, Exhibit 2.

6.02 General Requirements and Rights of Landlord.

All construction documents for the construction of the Improvements by Tenant (the “**Construction Documents**”) must be prepared by a person registered in and by the State of California to practice architecture and shall be in conformity with this Lease, including any limitations established in OCII’s approval of the schematic drawings, preliminary construction documents, and final construction documents for the Project, and all applicable Federal, State, and local laws and regulations. The architect will use, as necessary, members of associated design professions, including engineers and landscape architects. All Improvements shall be owned, for federal income tax purposes, by Tenant, subject to the rights of Landlord upon expiration or early termination of the Lease.

6.03 OCII Approvals and Limitation Thereof.

The Construction Documents must be approved by OCII in the manner set forth below:

(a) Compliance with Redevelopment Plan and Lease. OCII’s approval with respect to the Construction Documents is limited to determination of their compliance with the Redevelopment Plan and Plan Documents (as defined in the Redevelopment Plan), this Lease and the Loan Documents. The Construction Documents will be subject to general architectural review and guidance by OCII as part of this review and approval process.

(b) Approval of Construction Documents by OCII. Tenant will submit and OCII will approve or disapprove the Construction Documents referred to in this Lease within the times established in the Schedule of Performance, so long as each set of the applicable Construction Documents are complete and properly submitted within the time frames set forth in the Schedule of Performance. Failure by OCII either to approve or disapprove within the times established in the schedule of Performance will entitle Tenant to a day for day extension of time for completion of any activities delayed as a direct result of OCII’s failure to timely approve or disapprove the Construction Documents.

(c) Disapproval of Construction Documents by OCII. If OCII disapproves the Construction Documents in whole or in part as not being in compliance with Redevelopment Requirements or this Lease, Tenant will submit new or corrected Construction Documents which are in compliance within thirty (30) days after written notification to it of disapproval, and the provision of this section relating to approval, disapproval and re-submission of corrected Construction Documents will continue to apply until the Construction Documents have been approved by OCII; provided, however, that in any event Tenant must submit satisfactory Construction Documents (*i.e.*, approved by OCII) no later than the date specified therefor in the Schedule of Performance.

(d) OCII Does Not Approve Compliance with Construction Requirements. OCII's approval is not directed to engineering or structural matters or compliance with local building codes and regulations, the Americans with Disabilities Act, or any other applicable Law relating to construction standards or requirements. Nothing in this Lease will limit in any way Tenant's obligation to obtain any required approvals from City officials, departments, boards or commissions having jurisdiction over the Premises. By entering into this Lease, OCII is in no way modifying or limiting Tenant's obligation to cause the Premises to be used and occupied in accordance with all applicable Laws.

6.04 Construction of Improvements to be in Compliance with Construction Documents and Law.

(a) Compliance with Approved Documents. Construction of the Improvements must be in compliance with all OCII-approved Construction Documents.

(b) Compliance with Local, State and Federal Law. Construction of the Improvements must be in strict compliance with all applicable Laws, including all laws relating to accessibility for persons with disabilities and all applicable mitigation measures identified in the Final Environmental Impact Statement/Environmental Impact Report for the Transbay Redevelopment Project Area. Tenant understands and agrees that Tenant's use of the Premises and construction of the Improvements permitted under this Lease will require authorizations, approvals, or permits from governmental regulatory agencies with jurisdiction over the Premises, including, without limitation, City agencies. Tenant will be solely responsible for obtaining any and all such regulatory approvals. Tenant will bear all costs associated with applying for and obtaining any necessary or appropriate regulatory approval and will be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory approval; provided, however, any such condition that could affect use or occupancy of the Project or OCII's interest therein must first be approved by OCII in its sole discretion. Any fines or penalties levied as a result of Tenant's failure to comply with the terms and conditions of any regulatory approval will be immediately paid and discharged by Tenant, and Landlord will have no liability, monetary or otherwise, for any such fines or penalties. Tenant will indemnify, defend, and hold harmless OCII and the other Indemnified Parties hereunder against all Claims (as such terms are defined in ARTICLE 21 below) arising in connection with Tenant's failure to obtain or failure by Tenant, its agents, or invitees to comply with the terms and conditions of any regulatory approval except to the extent such Claims are caused by gross negligence or willful misconduct of the party seeking indemnification.

6.05 Issuance of Building Permits.

(a) Tenant will have the sole responsibility for obtaining all necessary building permits and will make application for such permits directly to the City's Department of Building Inspection. Landlord understands and agrees that Tenant may use the Fast Track method of permit approval for construction of the Improvements. Tenant shall report permit status every thirty (30) days to OCII. Failure to timely file and to diligently pursue issuance of permits shall be a breach of this Lease.

(b) The Tenant is advised that the Central Permit Bureau will forward all building permits to OCII for approval of compliance with Redevelopment Requirements. OCII's approval under this Section 6.05(b) is limited to its determination of compliance with Redevelopment Requirements and does not include Section 6.03(d) matters. OCII evidences such compliance by signing the permit and returning the permit to the Central Permit Bureau for issuance directly to the Tenant. Approval of any intermediate permit, however, is not approval of compliance with all Redevelopment Requirements necessary for a full and final building permit.

6.06 Performance and Payment Bonds.

Except as provided elsewhere in this Lease or the Loan Documents, before commencement of construction of the Improvements, and subject to the reasonable approval of OCII, Tenant will deliver to OCII performance and payment bonds, each for the full value of the cost of construction of the Improvements, which bonds will name OCII as co-obligee, or such other completion security which is acceptable to OCII. The payment and performance bonds may be obtained by Tenant's general contractor and name Tenant and OCII as co-obligees.

6.07 OCII Approval of Changes after Commencement of Construction.

Tenant may not approve or permit any change to the Construction Documents approved by OCII without OCII's prior written consent, except as may be permitted under the Loan Documents.

6.08 Times for Construction.

Tenant agrees for itself, and its successors and assigns to or of the Leasehold Estate or any part thereof, that Tenant and such successors and assigns will promptly begin and diligently prosecute to completion the construction of the Improvements upon the Site, and that such construction will be completed no later than the dates specified in the Schedule of Performance, subject to Force Majeure, unless such dates are extended by Landlord.

6.09 Reports.

Commencing when construction of the Improvements commences and continuing until completion of construction of the Improvements, Tenant will make a report in writing to OCII every month, in such detail as may reasonably be required by OCII, as to the actual progress of the Tenant with respect to the construction. During such period, the work of the Tenant shall be subject to inspection by representatives of OCII, at reasonable times and upon reasonable advance notice.

6.10 Notice of Completion.

Promptly upon completion of the construction of the Improvements in accordance with the provisions of this Lease, Tenant will file a Notice of Completion (“**NOC**”) and record the NOC in the San Francisco Recorder’s Office. Tenant will provide OCII with a copy of the recorded NOC.

6.11 Completion of Improvements by New Developer. In the event a Holder or a successor thereto forecloses, obtains a deed in lieu of foreclosure, or otherwise realizes upon the Premises and undertakes construction of the Improvements (“**New Developer**”) (a) the New Developer will not be bound by the provisions of the Schedule of Performance with respect to any deadlines for the completion of the Improvements but will only be required to complete the Improvements with due diligence and in conformance with a new Schedule of Performance as agreed upon by the New Developer and OCII, (b) the New Developer will only be required to complete the Improvements in accordance with all applicable building codes and ordinances, and the OCII-approved Construction Documents with such changes that are mutually agreed upon by OCII and the New Developer under the following clause (c); and (c) OCII and New Developer will negotiate in good faith such reasonable amendments and reasonable modifications to the Schedule of Performance and Article 6 of this Lease as the parties mutually determine to be reasonably necessary based upon the financial and construction conditions then existing.

ARTICLE 7 COMPLETION OF IMPROVEMENTS

7.01 Certificate of Completion—Issuance.

After completion of the construction of the Improvements in accordance with the provisions of this Lease, if requested by Tenant together with reasonable supporting documentation, including an architect’s certification of completion, OCII will furnish Tenant with an appropriate instrument so certifying (the “**Certificate of Completion**”). OCII’s Certificate of Completion will be a conclusive determination of satisfaction and termination of the agreements and covenants of this Lease regarding Tenant’s obligation to construct the Improvements in accordance with approved Construction Documents. The Certificate of Completion will include the dates of the beginning and completion of construction of the Improvements, but the Certificate of Completion will not constitute evidence of compliance with or satisfaction of Tenant’s obligations to any Mortgagee, or any insurer of a Leasehold Mortgage, securing money loaned to finance the construction or any part thereof; provided further, that OCII’s issuance of a Certificate of Completion does not relieve Tenant or any other person or entity from any and all OCII requirements, regulatory approvals, or conditions relating to construction or occupancy of the Improvements, which requirements or conditions must be complied with separately.

OCII may elect to issue Tenant a Certificate of Completion if no events of default by Tenant are then existing under this Lease or the Loan Documents, and Tenant has completed the Improvements in accordance with this Lease, except for: (1) punch list items; and (2) other items that do not adversely affect or impair Tenant’s use and occupancy of the Improvements for the purposes contemplated by this Lease and that do not preclude the City’s issuance of a Certificate of Occupancy or other certificate or authorization of Tenant’s use and occupancy of the Improvements. However, OCII will not be obligated to issue a Certificate of Completion in these circumstances unless and until Tenant has provided to OCII, at OCII’s request, a bond, letter of

credit, certificate of deposit, or other security reasonably acceptable to OCII in an amount equal to 110% of the estimated cost to OCII of completing the items described in clauses (1) through (3) above, as reasonably determined by OCII.

7.02 Certifications to be Recordable.

The Certificate of Completion will be in a form that permits it to be recorded with the Recorder of the City.

7.03 Certification of Completion—Non-Issuance Reasons.

If OCII refuses or fails to provide a Certificate of Completion in accordance with the provisions of Section 7.01, OCII will provide Tenant with a written statement indicating in adequate detail in what respects Tenant has failed to complete the construction of the Improvements in accordance with the provisions of this Lease or is otherwise in default hereunder and what measures or acts will be necessary, in the opinion of OCII, for Tenant to take or perform in order to obtain a Certificate of Completion.

ARTICLE 8 CHANGES TO IMPROVEMENTS; TITLE TO IMPROVEMENTS

8.01 Changes to the Improvements.

(a) Post-Completion Changes. Landlord has a particular interest in the Premises and in the nature and extent of the permitted changes to the Improvements. Accordingly, it desires to and does hereby impose the following particular controls on the Premises: during the term of this Lease, neither Tenant, nor any voluntary or involuntary successor or assign, shall make or permit any change in the Improvements, as change is hereinafter defined, unless the express prior written consent for any change shall have been requested in writing from the City and obtained, and, if obtained, upon such terms and conditions as the City may require. The City agrees not to unreasonably withhold or delay its response to such a request.

(b) Definition of Change. “**Change**” as used in this Article means any alteration, modification, addition and/or substitution of or to the Community Commercial Units and the Improvements which differs materially from that which existed upon the completion of construction of the Improvements, and shall include without limitation the exterior design, exterior materials and/or exterior color, and/or relocation or removal of either the control room, the transformer room, or both. For purposes of the foregoing, exterior shall mean and include the roof of the Improvements. “Change” does not include any repair, maintenance, cosmetic interior alterations (e.g., paint, carpet, installation of moveable equipment and trade fixtures, and hanging of wall art) in the normal course of operation of the Improvements, any subtenant improvements to the Community Commercial Units installed for a permitted use of the Community Commercial Units, or as may be required in an emergency to protect the safety and well-being of the employees, guests and invitees of Tenant or a Space Subtenant.

(c) Enforcement. Landlord shall have any and all remedies in law or equity (including without limitation restraining orders, injunctions and/or specific performance), judicial

or administrative, to enforce the provisions of this Article, including without limitation any threatened breach thereof or any actual breach or violation thereof.

8.02 Title to Improvements.

Fee title to any Improvements shall be vested in Tenant and shall remain vested in Tenant during the term of this Lease. As further consideration for Landlord entering into this Lease, at the expiration or earlier termination of this Lease, fee title to all the Improvements shall vest in the City without further action of any party, without any obligation by the City to pay any compensation therefor to Tenant and without the necessity of a deed from Tenant to Landlord. Notwithstanding the foregoing, if requested by Landlord, upon expiration or sooner termination of this Lease, Tenant shall execute and deliver to Landlord an acknowledged and good and sufficient grant deed conveying to Landlord Tenant's fee interest in the Improvements. For so long as it is not in default of this Lease, Tenant shall have the exclusive right to deduct, claim retain and enjoy any and all rental income appreciation, gain, depreciation, amortization, and tax credits for federal and State tax purposes relating thereto, substitution therefor, fixtures therein and other property relating thereto.

8.03 City Requirements.

Upon OCII's assignment of its right title and interest to the Site and this Lease to MOHCD, Tenant shall comply, and shall require its Space Subtenants to comply, with the applicable requirements of San Francisco Administrative Code Section 23.61, as further set forth in Exhibit 7.

ARTICLE 9 USE OF PREMISES; CHANGE OF USE

9.01 Permitted Uses.

The permitted uses of the Premises are limited to the construction and operation of community commercial space consistent with the MOHCD Commercial Underwriting Guidelines, as amended from time to time, the Declaration of Restrictions and otherwise compatible with the use and operation of the Residential Component by providing a direct benefit to the community in which the Project is located. Community Commercial Units may be used for Public Benefit Use, Community Serving Use, or, in the sole and absolute discretion of Landlord, for other commercial uses. All Space Subtenants and Space Subleases must be approved in advance by Landlord, which approval will not be unreasonably withheld.

9.02 Prohibited Uses.

No part of the Premises shall be used or operated for: (i) any use which violates any applicable zoning ordinance; (ii) any unlawful or disreputable purpose or any activity which is inappropriate for a comparable mixed-use residential complex conducted in accordance with good and generally accepted standards of operations; or (iii) any activity that exposes occupants or permittees to health or safety risks. No noxious or offensive activities shall be carried on, upon or within the Premises, nor shall anything be done or placed thereon which may be or become a nuisance, or cause unreasonable disturbance, or hazard or annoyance to the Residential

Component, or its residents. Tenant agrees that the following activities, by way of example only and without limitation, and any other use that is not a Permitted Use (in each instance, a “**Prohibited Use**” and collectively, “**Prohibited Uses**”), are inconsistent with this Lease, are strictly prohibited and are considered Prohibited Uses:

(a) any activity, or the maintaining of any object, that is not within the Permitted Use;

(b) any activity, or the maintaining of any object, that will in any way increase the existing rate of, affect or cause a cancellation of, any fire or other insurance policy covering the Premises, any part thereof or any of its contents, or cause a substantial increase in the cost of insurance for OCII or the Residential Component;

(c) any activity or object that will overload or cause damage to the Premises excluding normal wear and tear;

(d) any activity that constitutes waste or nuisance, including, but not limited to, the preparation, manufacture or mixing of anything that might emit any objectionable odors, noises, or lights onto adjacent properties, or the use of loudspeakers or sound or light apparatus that can be heard or seen outside the Premises;

(e) any activity that will in any way injure, obstruct, or interfere with the rights of owners or occupants of adjacent properties, including, but not limited to, rights of ingress and egress;

(f) any auction, distress, fire, bankruptcy or going out of business sale on the Premises without the prior written consent of Landlord, which consent may be granted, conditioned, or withheld in the sole and absolute discretion of Landlord;

(g) any vehicle and equipment maintenance, including but not limited to, fueling, changing oil, transmission or other automotive fluids;

(h) the storage of any and all excavated materials, including but not limited to, dirt, concrete, sand, asphalt, and pipes, except to the extent necessary during construction of the Project or during critical maintenance or repairs to the Project or its shared systems for the timeframe reasonably necessary to complete such maintenance or repairs;

(i) the storage of any and all aggregate material, or bulk storage, such as wood or of other loose materials, except to the extent necessary during construction of the Project or during critical maintenance or repairs to the Project or its shared systems for the timeframe reasonably necessary to complete such maintenance or repairs;

(j) the washing of any vehicles or equipment;

(k) bars, retail liquor sales, marijuana sales, or any other non-community-benefit-uses that cater exclusively to adults; and

(l) any structure or improvement that will impede public ingress and egress across the Pedestrian Mews.

9.03 Compliance with Common Interest Agreements.

Tenant shall at all times comply with the provisions of all applicable Common Interest Agreements and shall require in the Space Subleases that all Space Subtenants comply with all applicable Common Interest Agreements.

9.04 Purchase of Personal Property by Landlord.

At the termination of this Lease, if no Event of Default exists, Landlord has the right to purchase all Personal Property of Tenant, including, without limitation, all signs, furniture, furnishings, equipment and supplies, placed in or on the Premises by Tenant, except any logos, trademarks, symbols, designs or Personal Property not owned by Tenant, at a price determined by Tenant and agreed to by Landlord not to exceed the fair market value thereof. If at the termination of this Lease, no Event of Default exists and Landlord elects not to purchase such Personal Property, Tenant must remove all such Personal Property within sixty (60) days of the termination of this Lease. If Tenant fails to remove such Personal Property within said period of time, such Personal Property will be deemed abandoned by Tenant and become the property of Landlord.

9.05 Temporary Cessation of Business.

Temporary cessation of business by Tenant when necessary for the purpose of making alterations, repairs or restoration, or by reason of such reasonable interruptions as may be incidental to the conduct of its business will not be deemed a discontinuance of the operation of Tenant so long as the cessation is as brief as reasonably required to address the permitted purpose for said cessation and the affected Premises are reopened promptly upon completion of such act or event. Nothing contained in this Section limits the effect of the Force Majeure provisions herein.

ARTICLE 10 UTILITY SERVICES

In no event shall Landlord be obligated to provide any utility, sewer, mechanical or other services with respect to the Site or any portion thereof. Tenant will procure water and sewer service from the City and electricity, telecommunications, natural gas, if applicable, and any other utility service from the City or utility companies providing such services, and will pay all connection and use charges imposed in connection with such services. Tenant will be responsible for the installation and maintenance of all facilities required in connection with such utility services to the extent not installed or maintained by the City or the utility providing such service. Tenant will pay or cause to be paid as the same become due all charges for all public or private utility services at any time rendered to or in connection with the Site or any part thereof and will do all other things required for the maintenance and continuance of all such services. Tenant hereby expressly

waives any and all claims against Landlord for compensation, damages, payments or offset based upon or with respect to any and all loss or damage now or hereafter sustained by Tenant by reason of any failure by Landlord to furnish, supply or provide any service or utility furnished or supplied to or used by Tenant or any other party in connection with the use, occupancy, maintenance, or operation of the Premises or any part thereof. Such services and utilities shall include, without limitation, the water supply system, drainage, sewer system, wires leading to or inside the Premises, gas, electric or telephone services.

ARTICLE 11 PAYMENT OF IMPOSITIONS

11.01 Taxes.

(a) Tenant's Covenant to Pay Impositions. Subject to any exemptions available to Tenant, Tenant covenants and agrees to pay all Impositions (defined below) assessed, levied, confirmed, imposed or that become a lien upon the Premises, Personal Property, Subtenant Improvements or the Leasehold Estate or any part thereof, that become payable until the later of (i) the last day of the Term, or (ii) the last day Tenant has possession of the Premises. Tenant shall pay all Impositions before delinquency and before any fine, penalty, interest or cost that may be added thereto for the nonpayment thereof. If any applicable law, code, regulation or rule permits Tenant to pay any such Imposition in installments, Tenant may pay the same (and any accrued interest thereon) in installments prior to delinquency and before any fine, penalty, interest or cost may be added thereto for the nonpayment thereof.

(b) Impositions. As used herein, "**Impositions**" means all taxes and all transit taxes, possessory interest taxes associated with the Premises, Personal Property, Subtenant Improvements or the Leasehold Estate or any part thereof and assessments (including, without limitation, all assessments for public improvements or benefits, whether or not commenced or completed prior to the date hereof and whether or not to be completed within the Term of this Lease), taxes assessed by any governmental authority by virtue of any operations by Tenant conducted in on or out of the Premises, fees, water, sewer or similar rents, rates and charges, excises, levies, vault license fees or rentals, license fees, permit fees, inspection fees and other authorization fees and other governmental charges of any kind or nature whatsoever, whether general or special, ordinary or extraordinary, foreseen or unforeseen, or hereinafter levied or assessed in lieu of or in substitution of any of the foregoing of every character, except as expressly stated herein to the contrary (including all interest and penalties thereon), which at any time during or in respect of the period to the later of (i) the last day of the Term, or (ii) the later of the last day Tenant (a) is in or (b) has a right to possession of the Premises, may be assessed, levied, confirmed or imposed on or in respect of or be a lien upon the Premises or the Leasehold Estate, any Personal Property or Subtenant Improvements now or hereafter located thereon, or which may be imposed upon any taxable interest of Tenant acquired pursuant to this Lease or on account of any taxable possessory right which Tenant may have acquired pursuant to this Lease, or any part thereof. Tenant must pay or reimburse Landlord, as the case may be, for any fine, penalty, interest or cost which may be added by the collecting authority for the late payment or nonpayment of any Imposition required to be paid by Tenant hereunder. All Impositions imposed for the tax years in which Tenant permissibly vacates the Premises (or portion thereof) will be apportioned and prorated between Tenant and Landlord. Upon demand made from time to time by Landlord, Tenant will furnish to Landlord for inspection, immediately upon receipt thereof, official receipts of the

appropriate taxing authority, or other proof satisfactory to Landlord evidencing the payment of such Imposition.

(c) Landlord's Right to Pay. Unless Tenant is exercising its right to contest under and in accordance with the provisions of Article 12, if Tenant fails to pay and discharge any amounts payable pursuant to this Article 11, Landlord, at its option, may (but is not obligated to) pay or discharge the same. The amount paid by Landlord and the amount of all costs, expenses, interest and penalties connected therewith, including attorneys' fees, together with interest at an interest rate equal to the lesser of: (a) ten percent (10%); or (b) the maximum lawful rate of interest accruing from the date of such payment, shall be deemed to be and shall be payable by Tenant as Additional Ground Rent and must be reimbursed to Landlord by Tenant on demand.

11.02 Taxes, Assessments, Licenses, Permit Fees and Liens

(d) Tenant recognizes and understands that this Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the payment of property taxes levied on such interest.

(e) Tenant agrees to pay taxes of any kind, including possessory interest taxes, that may be lawfully assessed on the leasehold interest hereby created and to pay all other taxes, excises, licenses, permit charges and assessments based on Tenant's usage of the Premises that may be imposed upon Tenant by law, all of which shall be paid when the same become due and payable and before delinquency.

(f) Tenant agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Tenant, if so desiring, may have reasonable opportunity to contest the validity of the same pursuant to Article 12, below.

(g) Upon transfer of the Site to the City in accordance with Section 19.09, San Francisco Administrative Code Sections 23.38 and 23.39 require that the City report certain information relating to this Lease, and any renewals thereof, to the County Assessor within sixty (60) days after any such transaction, and that Tenant report certain information relating to an assignment of or sublease under this Lease to the County Assessor within sixty (60) days after such assignment or sublease transaction. Tenant agrees to provide such information as may be requested by the City to enable the City to comply with this requirement.

ARTICLE 12 CONTESTS

12.01 Contests.

Tenant has the right, after not more than ninety (90) days nor less than ten (10) Business Days' prior written notice to Landlord, to contest the amount or validity of any Imposition, Law or Ordinance, and/or lien by appropriate proceedings promptly initiated and conducted in good faith and with due diligence, at its sole cost and expense; provided, that (i) Landlord shall have determined reasonably that neither the Premises, nor any part thereof or interest therein, will be in danger of being sold, forfeited, terminated, canceled or lost, (ii) Tenant shall have furnished such

security as may be required in such proceedings or as may from time to time be reasonably requested by Landlord, and (iii) Landlord shall have determined reasonably that Landlord shall not be in danger of being subjected to fines, penalties or criminal liability as a result of such contest. Tenant shall not be required to pay any Imposition or lien being so contested during the pendency of any such proceedings unless payment is required by the court, quasi-judicial body or administrative agency conducting such proceedings. Before any fine, interest, penalty or cost may be added thereto for nonpayment, Tenant must pay and discharge the amounts involved in or affected by such contest, together with any penalties, fines, interest, costs and expenses that may have accrued thereon or that may result from any such contest by Tenant. After such payment and discharge by Tenant, Landlord will promptly return to Tenant the unused portion of such security as Landlord received in connection with such contest, without interest. If Landlord is a necessary party with respect to any such contest, or if any law now or hereafter in effect requires that such proceedings be brought by and/or in the name of Landlord or any owner of the Premises, Landlord, at the request of Tenant and at Tenant's sole cost and expense and with counsel selected and engaged by Tenant, subject to Landlord's reasonable approval, shall join in or initiate, as the case may be, any such proceeding. Landlord, at its own expense and at its sole option, may elect to join in any such proceeding whether or not any law now or hereafter in effect requires that such proceedings be brought by and/or in the name of Landlord or any owner of the Premises. Neither Landlord nor the Premises may be subjected to any liability for the payment of any fines, penalties, costs, fees, including attorneys' fees, or expenses in connection with any such proceeding, and Tenant covenants to indemnify, defend and hold harmless Landlord and the Premises from any such fines, penalties, costs, fees or expenses.

12.02 Contesting Impositions.

At its own cost and after notice to Tenant of its intention to do so, by appropriate proceedings conducted in good faith and with due diligence, Landlord may but in no event shall be obligated to contest the validity, applicability and/or the amount of any Impositions. Landlord in so contesting any Imposition, shall hold all other parties harmless from and against any loss, cost or damage they suffer by reason of such contest. Nothing in this Section requires Landlord to pay any Impositions as long as it contests the validity, applicability or the amount thereof in good faith and so long as it does not allow the portion of the Premises affected thereby to be forfeited to the imposer of such Impositions as a result of its nonpayment. Landlord must give notice to all other parties within a reasonable period of time of the commencement of any such contest and of the final determination of such contest.

ARTICLE 13 INSURANCE

Subject to approval of the insurers and policy forms by Landlord's Risk Manager, Tenant must obtain and maintain, or cause to be maintained, the insurance and bonds as set forth in Exhibit 6 throughout the Term of this Lease at no expense to Landlord.

ARTICLE 14 LANDLORD'S RIGHT TO PERFORM TENANT'S COVENANTS

14.01 Landlord May Perform in Emergency.

Without limiting any other provision in this Lease, and in addition to all other remedies available to Landlord hereunder and/or at law or in equity, and without waiving any alternative rights or remedies, including, without limitation, the right to declare Tenant to be in default of its obligations under this Lease, Tenant covenants and agrees that upon any failure by Tenant to pay any obligation and/or perform any act, covenant, term, condition or agreement required to be paid or performed by Tenant hereunder within the time provided herein for such payment and/or performance, which failure shall give rise to an emergency, as reasonably determined by Landlord, after using reasonable efforts to notify Tenant of Landlord's intent, Landlord may, but shall not be obligated to, pay any such obligation and/or perform any such act, covenant, term, condition or agreement required to be paid or performed by Tenant hereunder for and on behalf of Tenant.

14.02 Landlord May Perform Following Tenant's Failure to Perform.

Without limiting any other provision in this Lease, but subject to the provisions of [Article 35], and in addition to all other remedies available to Landlord hereunder and/or at law or in equity, and without waiving any alternative rights or remedies, including, without limitation, the right to declare Tenant to be in default of its obligations under this Lease, Tenant covenants and agrees that if Tenant at any time fails to perform any act, covenant, term, condition or agreement on Tenant's part to be performed under this Lease, which failure to perform, in all cases other than as described in [Article 5], continues for thirty (30) days after written notice from Landlord; then, Landlord may, but shall not be obligated to, perform any such act, covenant, term, condition or agreement for and on behalf of Tenant. If Landlord believes that Tenant has failed to perform an obligation set forth in this Lease, then before performing such obligation, Landlord shall give Tenant as much notice as reasonably possible.

14.03 Tenant's Obligation to Reimburse Landlord.

If, pursuant to the provisions of Sections 14.01 or 14.02, Landlord pays and/or performs any obligation required to be paid or performed by Tenant hereunder, Tenant shall reimburse Landlord immediately upon demand for all sums so paid by Landlord, including, without limitation, all costs and expenses and reasonable attorney fees, incurred by Landlord in connection with the performance of any such obligation by Landlord, regardless of which party actually completes the same, together with interest from the date Landlord incurs the cost or expense until paid at a per annum rate equal to the sum of the Prime Rate plus 5%, which rate shall be reduced to the extent that it exceeds the maximum rate permissible by applicable law.

ARTICLE 15 REPAIR, MAINTENANCE AND OPERATION OF PREMISES

15.01 No Waste.

Subject to the applicable provisions of this Lease, Tenant covenants not to do or suffer any waste or damage, disfigurement or injury to the Premises.

15.02 Repair; Maintenance.

Tenant covenants to repair and maintain (or cause to be repaired and maintained) the Premises (including without limitation the exterior, interior, substructure, and foundation of the Premises and all fixtures, equipment, and landscaping from time to time located on the Site or any part thereof) now or at any time erected on the Site including all Personal Property and Subtenant Improvements within the Site owned by Tenant, in good and clean order, condition and repair, as may be necessary to maintain the same in first-class condition and in compliance with all applicable laws and governmental regulations, all at Tenant's own cost and expense. Furthermore, Tenant covenants promptly, at Tenant's own cost and expense, to make or cause others to make all necessary or appropriate capital and operating repairs, renewals and replacements, whether structural or non-structural, interior or exterior, ordinary or extraordinary, foreseen or unforeseen, reasonable wear and tear excepted, to the extent that the same is consistent with maintenance of the Premises in a first-class condition, with materials, apparatus and facilities as originally approved by Landlord and installed by Tenant under this Lease, or, if not originally subject to Landlord approval or not available, with materials, apparatus and facilities of quality at least equal in quality, appearance and durability of the materials, apparatus and facilities repaired, replaced or maintained. All such repairs and replacements made by Tenant shall be at least equivalent in quality, appearance, and durability to and in all respects consistent with the original work. Under no circumstances shall Landlord be obligated to make repairs or replacements of any kind or to maintain all or any portion of the Premises, Personal Property, Subtenant Improvements, or any portion thereof, as part of the consideration for rental, and Tenant hereby expressly waives all right to make repairs at Landlord's expense under Sections 1941 and 1942 of the California Civil Code, as either or both may from time to time be amended, replaced, or restated.

15.03 Facilities Condition Report.

Every five (5) years beginning on the fifth anniversary date of the issuance of the Certificate of Completion, Tenant will deliver to Landlord a facilities condition report for the Premises, prepared by a qualified team of construction professionals acceptable to Tenant and Landlord, describing at a minimum the condition and integrity of the Premises, foundation and structural integrity of the Premises, and all utilities systems serving the building (the "**Facilities Condition Report**"). Tenant will provide with its submittal of the Facilities Condition Report, an anticipated schedule of and budget for, the repairs identified in the Facilities Condition Report. If Landlord reasonably believes the Facilities Condition Report does not adequately describe the condition and integrity of the listed items or the timing of required repairs, then Landlord will notify Tenant of the deficiency and Tenant will revise the Facilities Condition Report to address Landlord's concerns. If Tenant fails to provide a Facilities Condition Report to Landlord every five (5) years, then Landlord after giving thirty (30) days' notice to Tenant will have the right, but not the obligation, to cause a Facilities Condition Report to be prepared by a team of construction professionals of Landlord's choice, at Tenant's sole cost. Tenant will perform the repairs within the timeframe set forth in the Facilities Condition Report approved by Landlord.

15.04 Landlord's Right to Inspect.

Without limiting [ARTICLE 24] below, Landlord may, upon reasonable prior notice to Tenant, make periodic inspections of the Premises and other areas for which Tenant has obligations

and may advise Tenant when maintenance or repair is required, but such right of inspection will not relieve Tenant of its independent responsibility to maintain the Premises, Improvements, and other areas as required by this Lease in a condition as good as, or better than, their condition at the completion of the Improvements, excepting ordinary wear and tear.

15.05 Landlord's Right to Repair.

If Tenant fails to maintain or to promptly repair any damage to the Premises as required by this Lease, then subject to applicable notice and cure periods, Landlord may repair the damage at Tenant's sole cost and expense and Tenant will immediately reimburse Landlord for all costs of the maintenance or repair.

15.06 Reserve Requirements.

Tenant may, at its discretion, establish and annually fund a segregated interest-bearing depository accounts for (1) a Replacement Reserve, (2) an Operating Reserve, (3) a Leasing Reserve, and/or (4) a Tenant Improvement Reserve. Tenant may establish other such reserves as necessary given prior written approval by City.

ARTICLE 16 DAMAGE OR DESTRUCTION

16.01 Notice.

In case of any damage to or destruction of the Premises, Tenant will promptly but not more than ten (10) days after the occurrence of any such damage or destruction, give written notice thereof to Landlord describing, with as much specificity as is reasonable, the nature and extent of such damage or destruction.

16.02 Insured Casualty.

If the Premises or any part thereof are damaged or destroyed by any cause covered by any policy of insurance required to be maintained by Tenant hereunder, Tenant shall promptly commence and diligently complete the restoration of the Premises as nearly as possible to the condition thereof prior to such damage or destruction; provided, however, that if more than fifty percent (50%) of the Premises are destroyed or are damaged by fire or other casualty and if the insurance proceeds do not provide at least ninety percent (90%) of the funds necessary to accomplish the restoration, Tenant, with the written consent of Mortgagee(s), may terminate this Lease within thirty (30) days after the later of (i) the date of such damage or destruction, or (ii) the date on which Tenant is notified of the amount of insurance proceeds available for restoration. In the event Tenant is required or elects to restore the Premises, all proceeds of any policy of insurance required to be maintained by Tenant under this Lease shall be used by Tenant for that purpose and Tenant shall make up from its own funds, or obtain additional financing as approved by Landlord in its sole discretion, any deficiency between the amount of insurance proceeds available for the work of restoration and the actual cost thereof. In the event Tenant elects to terminate this Lease pursuant to its right to do so under this Section 16.02, or elects not to restore the Premises, the insurance proceeds shall be disbursed in the order set forth in Section 16.03 below.

16.03 Uninsured Casualty.

If (i) more than 50% of the Premises are damaged or destroyed and ten percent (10%) or more of the cost of restoration is not within the scope of the insurance coverage; and (ii) in the reasonable opinion of Tenant, the undamaged portion of the Premises cannot be completed or operated on an economically feasible basis; and (iii) there is not available to Tenant any feasible source of third party financing for restoration reasonably acceptable to Tenant; then Tenant may, with the written consent of each Mortgagee, terminate this Lease upon ninety (90) days written notice to the Landlord. If it appears that the provisions of this Section 16.03 may apply to a particular event of damage or destruction, Tenant shall notify the Landlord promptly and not consent to any settlement or adjustment of an insurance award without the Landlord's written approval, which approval shall not be unreasonably withheld or delayed. In the event that Tenant terminates this Lease pursuant to this Section 16.03, all insurance proceeds and damages payable by reason of the casualty shall be divided among Landlord, Tenant and Mortgagees in accordance with the provisions of Section 16.04. If Tenant does not have the right, or elects not to exercise the right, to terminate this Lease as a result of an uninsured casualty, Tenant shall promptly commence and diligently complete the restoration of the Premises as nearly as possible to their condition prior to such damage or destruction in accordance with the provisions of Section 16.02.

16.04 Distribution of the Insurance Proceeds.

In the event of an election by Tenant to terminate and surrender as provided in either Section 16.01 or 16.02, the priority and manner for distribution of the proceeds of any insurance policy required to be maintained by Tenant hereunder shall be as follows:

(a) First to the Mortgagees, in order of their priority, to control, disburse or apply to any outstanding loan amounts in accordance with the terms of their respective Leasehold Mortgages;

(b) Second, to pay for the cost of removal of all debris from the Site or adjacent and underlying property, and for the cost of any work or service required by any statute, law, ordinance, rule, regulation or order of any federal, state or local government, or any agency or official thereof, for the protection of persons or property from any risk, or for the abatement of any nuisance, created by or arising from the casualty or the damage or destruction caused thereby;

(c) Third, to compensate Landlord for any diminution in the value (as of the date of the damage or destruction) of the Site as a raw development site caused by or arising from the damage or destruction; and

(d) The remainder to Tenant.

16.05 Clean Up of Site.

In the event Tenant terminates this Lease pursuant to the provisions of this Article 16 and the proceeds of any insurance policy are insufficient to pay the clean-up and other costs described in Section 16.04(b), Tenant shall have the obligation to pay the costs to clean-up the interior of the Site to the extent such costs are not covered by the insurance proceeds.

ARTICLE 17 CONDEMNATION

17.01 Parties' Rights and Obligations to be Governed by Agreement.

If, during the term of this Lease, there is any Condemnation (as defined in Section 1.05) of all or any part of the Premises or any interest in the leasehold estate is taken by Condemnation, the rights and obligations of the parties shall be determined pursuant to this Article 17, subject to the rights of any Mortgagee.

17.02 Total Taking.

If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the condemnor has the right to possession of the Site.

17.03 Partial Taking.

If any portion of the Premises is taken by Condemnation, this Lease shall remain in effect, except that Tenant may, with Mortgagee's written consent, elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to terminate this Lease, Tenant must exercise its right to terminate pursuant to this paragraph by giving notice to the Landlord within thirty (30) days after the Landlord notifies Tenant of the nature and the extent of the taking. If Tenant elects to terminate this Lease as provided in this Section 17.03, Tenant also shall notify the Landlord of the date of termination, which date shall not be earlier than thirty (30) days nor later than six (6) months after Tenant has notified the Landlord of its election to terminate; except that this Lease shall terminate on the date the condemnor has the right to possession of the Premises if such date falls on a date before the date of termination as designated by Tenant. If Tenant does not terminate this Lease within such thirty (30) day notice period, this Lease shall continue in full force and effect.

17.04 Effect on Rent.

If any portion of the Premises is taken by Condemnation and this Lease remains in full force and effect, then on the date of taking the rent shall remain calculated in accordance with this Lease.

17.05 Restoration of Improvements.

If there is a partial taking of the Premises and this Lease remains in full force and effect pursuant to Section 17.03, Tenant may use the proceeds of the taking to accomplish all necessary restoration to the remaining Premises, subject to Landlord's written approval.

17.06 Award and Distribution.

Any compensation awarded, paid or received on a total or partial Condemnation of the Premises or threat of Condemnation of the Premises shall belong to and be distributed in the following order:

(a) First, to pay the any balance due on any outstanding Leasehold Mortgages in accordance with applicable loan documents and other outstanding or unpaid obligations and/or liabilities that could result in a lien on the Premises; and

(b) Second, to Tenant.

17.07 Payment to Mortgagees.

In the event the Premises are subject to the lien of a Leasehold Mortgage on the date when any compensation resulting from a Condemnation or threatened Condemnation is to be paid to Tenant, such award shall be disposed of as provided in the Leasehold Mortgage.

ARTICLE 18 LIENS

Tenant will not directly or indirectly create or permit the creation of or to remain, and will immediately discharge, any mortgage, deed of trust, lien, security interest, encumbrance or charge on, pledge of or conditional sale or other title retention agreement with respect to the Premises, or any part thereof or all or any portion of Tenant's interest therein, other than (i) this Lease and Space Subleases approved by Landlord, (ii) liens for Impositions not yet payable, or payable without the addition of any fine, penalty, interest or cost for nonpayment, or being contested as permitted by Article 4, (iii) the Permitted Exceptions, and (iv) the Leasehold Mortgage held by Landlord.

ARTICLE 19 ASSIGNMENT, TRANSFER, SIGNIFICANT CHANGE AND SUBLEASING

19.01 Landlord's Consent Required for Transfer.

[Except as provided in Article ...] Tenant, its successors and permitted assigns shall not (i) suffer or permit any voluntary or involuntary sale, assignment, conveyance, lease, trust or power, or transfer in any other form with respect to this Lease or any portion of or interest in the Premises, or any contract or agreement to do any of the same (except for contracts and agreements referred to in this Lease) (collectively, a “**Significant Change**”) to occur, (ii) assign any interest in this Lease either voluntarily or by operation of law, or (iii) sublease all or any part of the Premises, or allow any other person or entity to occupy or use all or any part of the Premises, in each case, without the prior written consent of Landlord, which consent may be withheld in the sole discretion of Landlord.

19.02 Assignment Subject to Assumption of Performance Obligation.

No assignment of any interest in this Lease made with Landlord's consent, or as herein otherwise permitted, will be effective until there has been delivered to Landlord, within thirty (30) days after Tenant entered into such assignment, an executed counterpart of such assignment containing an agreement, in recordable form, executed by the assignor and the proposed assignee,

wherein and whereby such assignee assumes performance of the obligations on the assignor's part to be performed under this Lease to the end of the Term.

19.03 Tenant and Transferee Obligations.

The consent by Landlord to an assignment hereunder is not in any way to be construed to (i) from and after the date of such assignment, relieve Tenant of any liability arising out of or with regard to the performance of any covenants or obligations to be performed by Tenant hereunder or under this Lease prior to the date of such assignment, or (ii) relieve any transferee of Tenant from its obligation to obtain the express consent in writing of Landlord to any further assignment or to any Significant Change.

19.04 Tenant Notice to Landlord of Any and All Significant Changes.

Tenant must promptly notify Landlord of any and all Significant Changes. At such time or times as Landlord may reasonably request, Tenant must furnish Landlord with a statement, certified as true and correct by an officer of Tenant, setting forth all of the members of the board of directors of Tenant. Such lists, data and information must in any event be furnished to Landlord annually at the end of each Lease Year.

19.05 Landlord's Review of Proposed Transfer.

At any time, Tenant may submit a request in writing to Landlord for the approval of the terms of an assignment, transfer, sublease or encumbrance of this Lease or of a Significant Change (all of the foregoing being collectively referred to herein as a “**proposed transfer**”) or for a decision by Landlord as to whether in its opinion a proposed transfer requires Landlord consent under the provisions of this Article 19. Tenant’s request for a proposed transfer must comply with the following:

(a) Any proposed transferee, by instrument in writing, for itself and its successors and assigns, and expressly for the benefit of Landlord, must expressly assume all of the obligations of Tenant under this Lease and agree to be subject to all of the conditions and restrictions to which Tenant is subject; provided, however, that the fact that any transferee of this Lease, or any other successor in interest whatsoever to this Lease, whatsoever the reason, does not assume such obligations will not relieve or except such transferee or successor of or from such obligations, conditions, or restrictions, or deprive or limit Landlord of or with respect to any rights or remedies or controls with respect to this Lease, the Premises or the construction of the Improvements unless and only to the extent otherwise specifically provided in this Lease or agreed to in writing by Landlord. It is the intent of this Lease, to the fullest extent permitted by law and equity and excepting only in the manner and to the extent specifically provided otherwise in this Lease, that no transfer of this Lease, or any interest therein, however consummated or occurring, and whether voluntary or involuntary, may operate, legally or practically, to deprive or limit Landlord of or with respect to any rights or remedies or controls provided in or resulting from this Lease with respect to the Premises that Landlord would have had, had there been no such transfer or change;

(b) All instruments and other legal documents involved in effecting transfer shall have been submitted to Landlord for review, and Landlord shall have approved such

documents which approval shall not be unreasonably withheld or delayed; and Tenant shall have complied with the provisions of this Article 19.

19.06 Subletting by Tenant.

Subject to this Section 19.06, the conditions and provisions of which are hereby agreed to be reasonable as of the date hereof, Tenant has the right to sublet the Community Commercial Units by written Space Subleases, subject to advanced approval by Landlord, which approval will not be unreasonably withheld. Upon expiration of such Space Subleases, Tenant shall, or shall cooperate with [Mercy Commercial] pursuant to the Community Commercial Leasing Agreement, as applicable, to cause available Community Commercial Units to be re-leased on terms and conditions acceptable to Tenant and to new Space Subtenants consistent with this Lease, or, if Mercy Commercial fails to perform its obligations under the Community Commercial Leasing Agreement, shall use commercially reasonable and expeditious efforts to cause available Community Commercial Units to be re-leased on terms and conditions acceptable to Landlord, Tenant and to new Space Subtenants consistent with this Lease.

19.07 Assignment of Subtenant Rent.

Tenant hereby assigns to Landlord as security for Tenant's obligations under this Lease all Space Subtenant rent and other payments of any kind, including, without limitation, all present or future Space Subtenant, licensee, concessionaire or other occupants; provided, however, that the foregoing assignment shall be subject and subordinate to any assignment made to a mortgagee until such time as Landlord has terminated this Lease, at which time the rights of Landlord in all Space Subtenant rent and other payments assigned pursuant to this Section 19.07 shall become prior and superior in right (such subordination shall be self-operative; however, in confirmation thereof, Landlord shall, upon the request of each mortgagee, execute a subordination agreement in form and substance reasonably satisfactory to such mortgagee and to Landlord). Such assignment shall be subject to the right of Tenant to collect such rent until the date of the happening of any Event of Default under the provisions of this Lease. Landlord shall apply any net amount collected by it from such Space Subtenants to the payment of Ground Rent, Additional Ground Rent or obligations due under this Lease.

19.08 Non-Disturbance of Space Subtenants, Attornment, Space Sublease Provisions.

(a) Landlord/Space Subtenant Non-Disturbance Agreements. From time to time upon the request of Tenant and provided no Event of Default shall have occurred and be continuing hereunder, Landlord shall enter into agreements ("Non-Disturbance Agreements") with Space Subtenants whose Space Subleases has been approved by Landlord.

(b) Form and Substance of Non-Disturbance Agreement. Each Non-Disturbance Agreement for each such Space Sublease shall be in form and substance satisfactory to Landlord. If Tenant submits to Landlord a nonconforming Non-Disturbance Agreement with changes requested by a Space Subtenant, such changes must be shown as specific interlineations or deletions. Landlord, in its sole discretion, may refer the review and negotiation of any such changes to outside counsel of its choosing and Tenant shall pay all reasonable costs and fees incurred by Landlord in doing so. Landlord shall approve or disapprove of the requested changes

within twenty (20) days of receipt of such changes. Any such disapproval by Landlord shall set forth the reasons for Landlord's disapproval. Provided that the request for changes is submitted in accordance with Article 40, failure of Landlord to approve or disapprove of specific interlineations or deletions requested by a Space Subtenant within such twenty (20) days period shall be deemed to be approval of the requested changes.

19.09 Landlord's Sale or Assignment.

(a) Generally. Landlord has the right to sell and/or assign all or any portion of its interest in all or any portion of the Premises and/or this Lease, without the prior written consent of Tenant, provided, however, that no such transfer of the Premises may be effective until there is delivered to Tenant an agreement of the transferee reasonably satisfactory to Tenant expressly assuming all of Landlord's obligations hereunder with respect to those portions of the Premises so transferred, which obligations arise from and after the date of transfer. Upon delivery of such agreement, Landlord will be relieved of all obligations hereunder arising from and after the date of such transfer with respect to those portions of the Premises so transferred.

(b) To MOHCD as Housing Successor. Tenant acknowledges and agrees that OCII, effective upon the issuance of the Certificate of Completion or some later date as determined by OCII, intends to transfer all of its rights, interests and obligations under this Lease and the Loan Documents, together with conveyance of fee title to the Site, to MOHCD as the designated Housing Successor of the City and County of San Francisco under Board of Supervisors Resolution 11-12 (January 26, 2012), Redevelopment Dissolution Law, and OCII's approved Long-Term Property Management Plan (November 23, 2015). As a condition of the assignment of the Lease and Loan Documents to the City, the City may require standard City contracting provisions under San Francisco Administrative Code or other Laws, as described in Exhibit 5, be incorporated into the Lease and Loan Documents. Tenant shall have no right to object and shall attorn to such assignee, and shall execute such instruments and take such actions as may be reasonably required to carry out OCII's intent. Upon assignment to MOHCD, all references herein to Landlord or OCII shall be deemed references to MOHCD. OCII and Tenant hereby agree to execute such further instruments and to take such further actions as may be reasonably required to carry out the intent of this Section 19.09(b).

**ARTICLE 20 INDEMNIFICATION; DAMAGE TO PERSON OR PROPERTY;
HAZARDOUS SUBSTANCES**

20.01 Damage to Person or Property; General Indemnification.

Landlord will not in any event whatsoever be liable for any injury or damage to any person happening on or about the Site, for any injury or damage to the Premises, or to any property of Tenant, or to any property of any other person, entity, or association on or about the Premises, unless arising from the gross negligence or willful misconduct of an Indemnified Party (as defined below). Tenant will defend, hold harmless, and indemnify Landlord and the City and County of San Francisco, including but not limited to their boards, commissions, commissioners, departments, agencies, and other subdivisions, officers, agents, and employees (each, an "**Indemnified Party**" and collectively the "**Indemnified Parties**"), of and from all claims, loss, damage, injury, actions, causes of action, and liability of every kind, nature and description

(collectively, “**Claims**”) incurred in connection with or directly or indirectly arising from the Site, this Lease, Tenant’s tenancy, its or their use of the Site, including adjoining sidewalks and streets, and any of Tenant’s operations or activities on or connected to the Site, including without limitation, the Space Subleases; all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that the indemnity is void or otherwise unenforceable under applicable Law in effect on or validly retroactive to the date of this Lease and further excepting only such Claims that are caused exclusively by the willful misconduct or gross negligence of the Indemnified Parties. The foregoing indemnity will include, without limitation, reasonable fees of attorneys, consultants, and experts and related costs and Landlord’s costs of investigating any Claim. Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend Landlord from any claim that actually or potentially falls within any indemnity provision set forth in this Lease even if such allegation is or may be groundless, fraudulent, or false, which obligation arises at the time such claim is tendered to Tenant by an Indemnified Party and continues at all times thereafter. Notwithstanding the foregoing, this Article 20 shall not be deemed or construed to and shall not impose any obligation to indemnify and save harmless the Indemnified Parties from any claim, loss, damage, liability or expense of any nature whatsoever, arising from or in any way related to or connected with any willful misconduct or active gross negligence by an Indemnified Party. Tenant’s obligations under this Article will survive the termination or expiration of this Lease.

20.02 Hazardous Substances—Indemnification.

(a) Tenant will indemnify, defend, and hold the Indemnified Parties harmless from and against any and all Claims of any nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and engineering consultants) incurred by or asserted against any Indemnified Party in connection with, arising out of, in response to, or in any manner relating to violation of any Environmental Law, or any Release, threatened Release, and any condition of pollution, contamination or Hazardous Substance-related nuisance on, under or from the Site or Block 2 caused by Tenant, its employees, agents, affiliates, or contractors; provided, however, that this Section 20.02(a) shall not be deemed or construed to, and shall not impose any obligation on Tenant to indemnify and save harmless the Indemnified Parties from any Claim arising from or in any way related to or connected with any willful misconduct or gross negligence by any Indemnified Party occurring after the Effective Date. No Indemnified Party shall be entitled to indemnification under this Section for, and Tenant will have no liability for any Claims relating to a violation of, any Environmental Law, Release, or threatened Release, or arising out of any condition or action of pollution, contamination or Hazardous Substance- related nuisance on, under or from the Site or Block 2 occurring prior to the Effective Date except for those contributed to or exacerbated by Tenant.

(b) For purposes of this Section 20.02, the following definitions apply:

(i) “**Hazardous Substance**” has the meaning set forth in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended as of the date of this Lease, 42 U.S.C. 9601(14), and in addition includes, without limitation, petroleum (including crude oil or any fraction thereof) and petroleum products, asbestos, asbestos-containing materials, polychlorinated biphenyls (“**PCBs**”), PCB- containing materials, all

hazardous substances identified in the California Health & Safety Code 25316 and 25281(d), all chemicals listed under the California Health & Safety Code 25249.8, and any substance deemed a hazardous substance, hazardous material, hazardous waste, or contaminant under Environmental Law. The foregoing definition does not include substances that occur naturally on the Site or commercially reasonable amounts of hazardous materials used in the ordinary course of construction and operation of a mixed-use residential development, provided they are used and stored in accordance with all applicable Laws.

(ii) "**Environmental Law**" means all Laws governing hazardous waste, wastewater discharges, drinking water, air emissions, Hazardous Substance releases or reporting requirements, Hazardous Substance use or storage, and employee or community right-to-know requirements related to the work being performed under this Lease.

(iii) "**Release**" means any spillage, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including the abandonment or discharging of barrels, containers, and other closed receptacles containing any Hazardous Substance.

20.03 Exculpation and Waiver.

Tenant, as a material part of the consideration to be rendered to Landlord, hereby waives any and all Claims against the Indemnified Parties related to this Lease including their rights or obligations as landlord under this Lease, including without limitation all Claims arising from the joint or concurrent, active or passive, negligence of the Indemnified Parties, but excluding any Claims caused solely by the Indemnified Parties' willful misconduct (including breach of this Lease) or active gross negligence. The Indemnified Parties will not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and releases the Indemnified Parties from all Claims against the Indemnified Parties related to this Lease including their rights or obligations as landlord under this Lease for, any injury, loss, or damage to any person or property in or about the Premises by or from any cause whatsoever occurring on or after the Effective Date including, without limitation, (a) any act or omission of persons occupying adjoining premises or any part of the Premises adjacent to or connected with the Premises, (b) theft, (c) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (d) stopped, leaking, or defective building systems, (d) construction or Site defects, (f) damages to goods, wares, goodwill, merchandise, equipment, or business opportunities, (g) Claims by persons in, upon or about the Premises or any other Landlord property for any cause arising at any time, (h) alleged facts or circumstances of the process or negotiations leading to this Lease before the Effective Date (other than with respect to any Environmental Law or Release); and (i) any other acts, omissions, or causes.

Tenant understands and expressly accepts and assumes the risk that any facts concerning the Claims released in this Lease might be found later to be other than or different from the facts now believed to be true, and agrees that the releases in this Lease will remain effective. Therefore, with respect to the Claims released in this Lease, Tenant waives any rights or benefits provided by Section 1542 of the Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Tenant initials ____

Tenant specifically acknowledges and confirms the validity of the release made above and the fact that Tenant was represented by counsel who explained the consequences of the release at the time this Lease was made, or that Tenant had the opportunity to consult with counsel, but declined to do so.

20.04 Insurance.

The Indemnification requirements under this Lease, or any other agreement between OCII and Tenant, will in no way be limited by any insurance requirements under any such agreements.

20.05 Survival.

The provisions of ARTICLE 20 will survive the expiration or earlier termination of this Lease.

ARTICLE 21 COMPLIANCE WITH SITE-RELATED AND LEGAL REQUIREMENTS

21.01 Compliance with Legal Requirements.

From and after the Effective Date, Tenant will at its cost and expense, promptly comply with all applicable Laws now in force or that may later be in force, including, without limitation, the requirements of the fire department or other similar body now or later constituted and with any direction or occupancy certificate issued under any Law as any of them may relate to or affect the condition, use, or occupancy of the Premises. If Tenant contests any of the foregoing, Tenant will not be obligated to comply therewith to the extent that the application of the contested Law is stayed by the operation of law or administrative or judicial order and Tenant indemnifies, defends, and holds harmless the Indemnified Parties against all Claims resulting from noncompliance.

21.02 Regulatory Approvals.

Tenant understands and agrees that Landlord is entering into this Lease in its capacity as a landowner with a proprietary interest in the Site and not as a regulatory agency with certain police powers. Tenant understands and agrees that neither entry by Landlord into this Lease nor any approvals given by Landlord under this Lease will be deemed to imply that Tenant has thereby obtained any required approvals from City departments, boards, or commissions that have jurisdiction over the Premises. By entering into this Lease, Landlord is in no way modifying or

limiting the obligations of Tenant to develop the Project in accordance with all Laws and as provided in this Lease.

Tenant understands that the construction of the Improvements on the Site and development of the Project will require approval, authorization, or permit by governmental agencies with jurisdiction. Tenant must use good faith efforts to obtain and will be solely responsible for obtaining any approvals required for the Project in the manner set forth in this Section. Throughout the permit process for any regulatory approvals, Tenant will consult and coordinate with Landlord in Tenant's efforts to obtain permits. Landlord will cooperate reasonably with Tenant in its efforts to obtain permits; provided, however, Tenant may not agree to the imposition of conditions or restrictions in connection with its efforts to obtain a permit from any other regulatory agency if Landlord is required to be a co-permittee under the permit or the conditions or restrictions could create any financial or other material obligations on the part of Landlord whether on or off of the Premises, unless in each instance Landlord has approved the conditions previously in writing and in Landlord's reasonable discretion. No approval by Landlord will limit Tenant's obligation to pay all the costs of complying with conditions under this Section. Tenant must bear all costs associated with applying for and obtaining any necessary regulatory approval, as well as any fines, penalties or corrective actions imposed as a result of Tenant's failure to comply with the terms and conditions of any regulatory approval.

With Landlord's prior written consent, Tenant will have the right to appeal or contest any condition in any manner permitted by Law imposed upon any regulatory approval. In addition to any other indemnification provisions of this Lease, Tenant must indemnify, defend, and hold harmless Landlord and its commissioners, officers, agents or employees from and against any and all Claims that may arise in connection with Tenant's failure to obtain or comply with the terms and conditions of any regulatory approval or with the appeal or contest of any conditions of any regulatory approval, except to the extent damage arises out of the active gross negligence or willful misconduct of Landlord or its agents.

ARTICLE 22 ENTRY

22.01 Entry.

Landlord (which, for the purposes of this Article 22, includes OCII and its authorized representatives including MOHCD and any public health or safety services or departments of the City) reserves the right to enter the Premises at all reasonable times during normal business hours upon not less than twenty-four (24) hours' written notice to Tenant (except in the event of an emergency), subject to the rights of the occupants, Space Subtenants, and others lawfully permitted on the Premises, for any of the following purposes:

- (a) to determine whether the Premises is in good condition and to inspect the Premises (including soil borings or other Hazardous Substance investigations);
- (b) to determine whether Tenant is in compliance with its Lease obligations and to cure or attempt to cure any Tenant default;

(c) to serve, post, or keep posted any notices required or allowed under any of the provisions of this Lease;

(d) to do any maintenance or repairs to the Premises that the City has the right or the obligation, if any, to perform hereunder; and

(e) to show the Premises to any prospective purchasers, brokers, Mortgagees, or public officials, or, during the last year of the Term of this Lease, exhibit the Premises to prospective tenants or other occupants, and to post any reasonable “for sale” or “for lease” signs in connection therewith.

22.02 Emergency Entry.

In the event of any emergency as reasonably determined by Landlord, at its sole option and without notice, Landlord may enter the Premises and alter or remove any Improvements or Tenant’s personal property on or about the Premises as reasonably necessary, given the nature of the emergency, and will have the right to use any and all means Landlord deems appropriate to gain access to any portion of the Premises in an emergency, in which case, Landlord will not be responsible for any damage or injury to any property, or for the replacement of any property, and no emergency entry may be deemed to be a forcible or unlawful entry onto or a detainer of the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof.

22.03 No Liability.

Landlord will not be liable in any manner for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of the Landlord’s entry onto the Premises, except to the extent damage arises out of the active gross negligence or willful misconduct of Landlord or its agents. Landlord will be responsible for any losses resulting from its active gross negligence or willful misconduct and will repair any resulting damage promptly.

22.04 No Abatement.

Tenant will not be entitled to any abatement in Ground Rent if the Landlord exercises any rights reserved in this Article, subject to Section 22.03 above.

22.05 Reasonable Conduct.

Landlord will use its reasonable good faith efforts to conduct any activities on the Premises allowed under this Article in a manner that, to the extent practicable, will minimize any disruption to Tenant’s use of the Premises as permitted by this Lease.

ARTICLE 23 MORTGAGE FINANCING; LENDER PROTECTIONS

23.01 No Encumbrances Except for Development Purposes. Notwithstanding any other provision of this Lease and subject to the prior written consent of Landlord in the form attached hereto as Attachment 3, which consent will not be unreasonably withheld, conditioned, or delayed, Leasehold Mortgages (and encumbrances related to such Leasehold Mortgages) are permitted to

be placed upon the Leasehold Estate only for the purpose of securing loans of funds to be used for financing the acquisition of the Project; refinancing of financing used to acquire or rehabilitate the Project; design, construction, renovation, or reconstruction of the Improvements; any other expenditures reasonably necessary and appropriate to acquire, own, develop, construct, renovate, or reconstruct the Improvements under this Lease and in connection with the operation of the Project; costs and expenses incurred or to be incurred by Tenant in furtherance of the purposes of this Lease; or otherwise as approved by Landlord. OCII, acting solely in its capacity as landlord under this Lease, hereby acknowledges and accepts Bank of America, N.A. as a Holder (as defined below) possessing a right to assume this Lease in accordance with Section 23.06 below, and consents to a deed of trust to be recorded against the Leasehold Estate securing these rights.

23.02 Holder Not Obligated to Construct. The holder of any mortgage, deed of trust, or other security interest authorized by Section 23.01 (“**Holder**”), including the successors or assigns of the Holder, is not obligated to complete any construction of the Improvements or to guarantee such completion; and no covenant or any other provision of this Lease may be construed to obligate the Holder. However, if the Holder undertakes to complete or guarantee the completion of the construction of the Improvements, nothing in this Lease will be deemed or construed to permit or authorize the Holder or its successors or assigns to devote the Premises or any portion thereof to any uses, or to construct any Improvements on the Site, other than those uses or Improvements authorized in Article 9 and any reasonable modifications in plans proposed by the Holder or its successors in interest proposed for the viability of the Project approved by Landlord in its reasonable discretion under Section 6.11. To the extent any Holder or its successors in interest wish to change such uses or construct different improvements, Holder or its successors in interest must obtain the advance written consent of Landlord.

23.03 Failure of Holder to Complete Construction. In any case where six (6) months after assumption of obligations under Section 23.02 above, a Holder, having first exercised its option to complete the construction, has not proceeded diligently towards completion of the construction, Landlord will have all the rights against the Holder it would otherwise have against Tenant under this Lease for events or failures occurring after such assumption; subject to any extensions of time granted under Section 6.11 of this Lease.

23.04 Default by Tenant and Landlord's Rights.

(a) Right of Landlord to Cure a Default or Breach by Tenant under a Leasehold Mortgage. In the event of a default or breach by Tenant under any Leasehold Mortgage, and Tenant’s failure to timely commence or diligently prosecute cure of such default or breach, Landlord may, at its option, cure such breach or default for the period of one hundred ten (110) days after the date that the Holder files a notice of default. In such event, Landlord will be entitled to reimbursement from Tenant of all costs and expenses reasonably incurred by Landlord in curing the default or breach. Landlord will also be entitled to a lien upon the Leasehold Estate or any portion thereof to the extent such costs and disbursements are not reimbursed by Tenant. Any such lien will be subject to the lien of any then-existing Leasehold Mortgage authorized by this Lease, including any lien contemplated because of advances yet to be made. After ninety (90) days following the date of Holder filing a notice of default and expiration of all applicable cure periods of Tenant under the terms of the applicable Loan Documents, Landlord will also have the right to assign Tenant’s interest in the Lease to another entity, subject to all Holders’ written consent, and

which consent may be conditioned, among other things, upon the assumption by such other entity of all obligations of the Tenant under the Leasehold Mortgage. After ninety (90) days following the date of Holder filing a notice of default and expiration of all applicable cure periods of Tenant under the terms of the applicable documents, Landlord will also have the right to assign Tenant's interest in the Lease to another entity, subject to all Holders' written consent in the exercise of their sole and absolute discretion, and which consent may be conditioned, among other things, upon the assumption by such other entity of all obligations of the Tenant under the Leasehold Mortgage.

(b) Notice of Default to Landlord. Tenant will use its best efforts to require Holders to give Landlord prompt written notice of any default or breach of the Leasehold Mortgage and each Leasehold Mortgage will provide for that notice to Landlord and contain Landlord's right to cure as above set forth.

23.05 Cost of Mortgage Loans to be Paid by Tenant. Tenant covenants and affirms that it will bear all of the costs and expenses in connection with (a) the preparation and securing of any Leasehold Mortgage, (b) the delivery of any instruments and documents and their filing and recording, if required, and (c) all taxes and charges payable in connection with any Leasehold Mortgage.

23.06 Right to Assume Lease Prior to Termination. Landlord hereby establishes, and Tenant acknowledges and consents to, a right vested in Bank of America, N.A. ("**Bank**"), to assume (or cause a Designee of Bank to assume) this Lease and all of Tenant's rights and obligations hereunder to effectuate its rights under Section 26.09 prior to termination of the Lease by Landlord, exercisable, if at all, at any time prior to the issuance of a Temporary Certificate of Occupancy for the Improvements. For purpose of this Article the term "**Designee**" means an affiliate of Bank or other entity approved by Landlord in writing (which approval shall not be unreasonably withheld, conditioned or delayed). Upon the issuance of a Temporary Certificate of Occupancy, the rights established by this Section 23.06 shall automatically expire and be of no further force or effect, Bank shall no longer be considered a Holder under this Lease, and Bank shall execute any documentation confirming said expiration as reasonably requested by Landlord. Landlord acknowledges that for the period of effectiveness specified herein, Bank rights under this Section 23.06 shall be senior to OCII's security interest against the Leasehold Estate arising from the Loan Documents, and Bank may record a deed of trust or other lien securing its rights accordingly.

23.07 Notification to Landlord. Promptly upon the creation of any Leasehold Mortgage and as a condition precedent to the existence of any of the rights set forth in this Article 23, Tenant will cause each Holder to give written notice to Landlord of the Holder's address and of the existence and nature of its Leasehold Mortgage. Execution of Attachment 3 will constitute Landlord's acknowledgement of Holder's having given such notice as is required to obtain the rights and protections of a Holder under this Lease. Landlord hereby acknowledges Bank's rights as a Holder pursuant to Section 23.06, above, and Attachment 3 is not required.

23.08 Holder's Rights to Prevent Termination. Each Holder has the right, but not the obligation, at any time before termination of this Lease and without payment of any penalty other than the interest on unpaid rent, to pay all of the rents due under this Lease, to effect any insurance,

to pay any taxes and assessments, to make any repairs and improvements, to do any other act or thing required of Tenant or necessary and proper to be done in the performance and observance of the agreements, covenants and conditions of this Lease to prevent a termination of this Lease to the same effect as if the same had been made, done, and performed by Tenant instead of by Holder.

23.09 Holder's Rights When Tenant Defaults. Upon the occurrence of an Event of Default under this Lease, Landlord will not terminate this Lease or exercise any other remedy unless it first gives written notice of the event of default to Holders, and:

(a) If the Event of Default is a failure to pay a monetary obligation of Tenant (not including any of Tenant's indemnification obligations under this Lease (the "**Indemnification Obligations**")), Holder fails to cure such default within sixty (60) days from the date of written notice from Landlord to Holder to cure the default; or

(b) If the Event of Default is not a failure to pay a monetary obligation of Tenant, Holder fails, within sixty (60) days of receipt of the written notice, to either (a) remedy such default; or (b) obtain title to the Leasehold Estate and Improvements in lieu of foreclosure or pursuant to its rights under Section 23.06; or (c) commence foreclosure or other appropriate proceedings in the nature thereof (including the appointment of a receiver) and thereafter diligently prosecute such proceedings to completion, in which case such Event of Default will be remedied or deemed remedied in accordance with Section 23.10 below.

(c) All rights of Landlord to terminate this Lease as the result of the occurrence of any uncured Event of Default is subject to, and conditioned upon, Landlord having first given Holder written notice of the Event of Default and Holder having failed to remedy such default or assume Tenant's Leasehold Estate or commence foreclosure or other appropriate proceedings in the nature thereof as set forth in and within the time specified by this Section 23.09, and upon Permitted Limited Partner(s) having failed to proceed as permitted under Section 23.12(d).

23.10 Default That Cannot be Remedied by Holder. Any Event of Default under this Lease that in the nature thereof cannot be remedied by Holder will be deemed to be remedied as it pertains to Holder or any Subsequent Owner if (a) within sixty (60) days (and as may be extended in the OCII Executive Director's discretion) after receiving notice from Landlord setting forth the nature of such Event of Default, Holder has acquired the Leasehold Estate and Improvements or has commenced foreclosure or other appropriate proceedings in the nature of foreclosure, (b) Holder is diligently prosecuting any such proceedings to completion, (c) Holder has fully cured any event of default arising from failure to pay or perform any monetary obligation (other than the Indemnification Obligations) in accordance with Section 23.09, and (d) after gaining possession of the Improvements, Holder diligently proceeds to perform all other obligations of Tenant as and when due in accordance with the terms of this Lease. Notwithstanding anything to the contrary contained elsewhere herein, in no event shall any Holder have the obligation, or be required, as a condition to preventing the termination of this Lease, as a condition to obtaining a new lease or otherwise, to cure any breach by Tenant of its obligation, under Section 23.04(a) of this Lease, to reimburse Landlord for all costs, expenses, advances and disbursements made or incurred by Landlord in connection with its cure of any breach of default under any Leasehold Mortgage (and

all such breaches shall automatically be deemed cured upon a foreclosure under any Leasehold Mortgage (or acceptance of a deed in lieu thereof or otherwise exercising rights to assume this Lease under Section 23.06).

23.11 Court Action Preventing Foreclosure. If Holder is prohibited by any process or injunction issued by any court or because of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Tenant from commencing or prosecuting foreclosure or other appropriate proceedings in the nature of foreclosure, the times specified in Sections 23.09 and 23.10 above for commencing or prosecuting such foreclosure or other proceedings will be extended for the period of such prohibition. If this Lease is terminated for any reason or rejected by Tenant in bankruptcy, then Landlord agrees to enter into a new ground lease with the Holder on the same terms set forth in this Lease and said new lease shall be afforded a priority equal to the recording priority of this Lease. For purpose of this Article, if there is more than one Holder, Landlord will offer the new lease to each Holder in the order of priority until accepted.

23.12 Holder's Rights to Record, Foreclose, and Assign. Landlord hereby agrees with respect to any Leasehold Mortgage, that:

(a) the Holder (including the Bank) may cause its Leasehold Mortgage to be recorded and enforced, and upon foreclosure, sell and assign the Leasehold Estate to an assignee from whom it may accept a purchase price; provided however that: (a) except with respect to affiliates of a Holder, Holder obtains prior written approval from Landlord with respect to the selection of the assignee, which approval shall not be unreasonably withheld, conditioned or delayed; and (b) the proposed assignee maintains the use restrictions of Article 9. Holder, furthermore, may acquire title to the Leasehold Estate in any lawful way, and if the Holder, or an affiliate, shall become the assignee, then Holder (or affiliate) may sell and assign said Leasehold Estate subject to Landlord approval as to assignee or purchaser, which shall not be unreasonably withheld, conditioned or delayed and to Landlord's cure rights under Section 23.04. The foreclosure of the Leasehold Mortgage shall not constitute an Event of Default hereunder.

(b) each Subsequent Owner must take the Leasehold Estate subject to all of the provisions of this Lease, and except as provided elsewhere in this Lease, must assume all of the obligations of Tenant under this Lease for so long as it is the owner of the Leasehold Estate;

(c) Landlord will mail or deliver to any Holder that has an outstanding Leasehold Mortgage a duplicate copy of all notices that Landlord may give to Tenant under this Lease; and

(d) any Permitted Limited Partner(s) of Tenant will have the same rights as Bank under Sections 23.08, 23.09, and 23.12(c), and any reference to a Holder in those sections will be deemed to include the Permitted Limited Partners; provided, however, that the rights of the Permitted Limited Partners are subordinate to the rights of Bank.

23.13 Lease Rent after Holder Foreclosure or Assignment. [deleted by author; Base Rent is \$1 plus Percentage Rent from retail tenants which doesn't kick in until after repayment of OCII loan, so no need to adjust here]

23.14 Permitted Uses After Holder Foreclosure. Notwithstanding the above, in the event of a foreclosure and transfer to a Subsequent Owner, the Premises must be operated in accordance with the Declaration of Restrictions, Article 9 of this Lease, and in accordance with those uses specified in the schematic designs and final construction documents approved by OCII and the building permit, with all addenda, as approved by the City's Department of Building Inspection, and any reasonable modifications in plans proposed by the Subsequent Owner or its successors in interest for the viability of the Project approved by Landlord in its reasonable discretion under Section 6.11.

23.15 Preservation of Leasehold Benefits. Until such time as a Holder notifies Landlord in writing that the obligations of the Tenant under its loan documents have been satisfied, Landlord agrees:

(a) Landlord will not voluntarily cancel or surrender this Lease, or accept a voluntary cancellation or surrender of this Lease by Tenant, or amend this Lease to materially increase the obligations of the Tenant or the rights of Landlord under this Lease or alter the rights and protections of Holder, without the prior written consent of the Holder (which may not be unreasonably withheld or delayed);

(b) That Landlord will not enforce against a Holder any waiver or election made by the Tenant under this Lease that has a material adverse effect on the value of the Leasehold Estate without the prior written consent of the Holder (which will not be unreasonably withheld or delayed);

(c) That, if a Holder makes written request to Landlord for a new ground lease within fifteen (15) days after Holder receives written notice of termination of this Lease, then Landlord will enter a new ground lease with the Holder commencing on the date of termination of this Lease and ending on the normal expiration date of this Lease, on substantially the same terms and conditions as this Lease and subject to the rent provisions set forth in [Section 26.07], and with the same priority as against any subleases or other interests in the Premises; so long as the Holder cures all unpaid monetary defaults under this Lease (other than the Indemnification Obligations), through the date of such termination;

(d) That Landlord will provide reasonable prior notice to each Holder of any proceedings for adjustment or adjudication of any insurance or condemnation claim involving the Premises and will permit each Holder to participate the proceedings as an interested party.

23.16 No Merger. The Leasehold Estate will not merge with the fee interest in the Site, notwithstanding ownership of the leasehold and the fee by the same person, without the prior written consent of each Holder.

23.17 Landlord Bankruptcy.

(a) If a bankruptcy proceeding is filed by or against Landlord, Landlord will immediately notify each Holder of the filing and will deliver a copy of all notices, pleadings, schedules, and similar materials regarding the bankruptcy proceedings to each Holder.

(b) Landlord acknowledges that: (i) the Tenant seeks to construct improvements on the Leasehold Estate that are a component of a larger mixed-use development program developed in part using proceeds of the loans provided by the Bank, and (ii) it would be unfair to both the Tenant and the Bank to sell the Site free and clear of the Leasehold Estate. Therefore, Landlord waives its right, under section 363(f) of the Bankruptcy Code, to sell Landlord's fee interest in the Site free and clear of the Leasehold Estate at any time prior to issuance of a Temporary Certificate of Occupancy for the Improvements.

(c) If a bankruptcy proceeding is filed by or on behalf of Landlord, Landlord agrees as follows:

(i) the Tenant will be presumed to have objected to any attempt by Landlord to sell the fee interest free and clear of the Leasehold Estate;

(ii) if Tenant does not so object, each Holder will have the right to so object on its own behalf or on behalf of the Tenant.

(d) Landlord recognizes that the Holders are authorized on behalf of the Tenant to vote, participate in, or consent to any bankruptcy, insolvency, receivership, or court proceeding concerning the Leasehold Estate.

23.18 Encumbrance of Landlord's Interest. Landlord shall not voluntarily encumber Landlord's interest in the Site with a foreclosable mortgage or similar interest without the prior written consent of Tenant and all Holders (including, prior to the issuance of a Temporary Certificate of Occupancy for the Improvements, the Bank).

ARTICLE 24 QUIET ENJOYMENT

Subject to the Permitted Exceptions, Landlord covenants and agrees that Tenant, upon observing and keeping all of the covenants, agreements and conditions of this Lease on its part to be kept, shall lawfully and quietly hold, occupy and enjoy said Premises during the Term without hindrance or molestation of anyone claiming by, through or under Landlord.

Notwithstanding the foregoing, Landlord shall have no liability to Tenant in the event of any defect in the title of Landlord whether or not such defect affects Tenant's rights of quiet enjoyment and, except as otherwise expressly provided for under the terms and provisions of this Lease, no such defect shall be grounds for a termination of this Lease by Tenant and Tenant's sole remedy shall be to obtain compensation for such event by pursuing its rights against any title insurance company or companies issuing title insurance policies to Tenant.

ARTICLE 25 EVENTS OF DEFAULT

25.01 Events of Default.

The occurrence of any one or more of the following events, which event shall not have been cured as provided in this Lease (which cure period shall be 60 days after provision of notice thereof by Landlord to Tenant unless otherwise specified herein), shall constitute an “**Event of Default**” under the terms of this Lease (regardless of the pendency of any bankruptcy, reorganization, receivership, insolvency or other proceedings, in law, in equity or before any administrative tribunal which has or might have the effect of preventing Tenant from complying with the terms of this Lease).

(a) Permitted Uses; Prohibited Uses. Tenant or a Space Subtenant fails to comply with permitted and prohibited use provisions of Article 9.

(b) Failure to Pay Taxes. From and after the Effective Date, Tenant or its successor in interest fails to pay Impositions or Carrying Costs in accordance with Articles 3 or 11, or places or allows to be placed on the Leasehold Estate, Site, the Premises, or any portion thereof, any encumbrance or lien not authorized by this Lease, or suffers any levy or attachment, or any material supplier’s or mechanic’s lien or the attachment of any other unauthorized encumbrance or lien, and the taxes or assessments have not been paid, or the encumbrance or lien removed or discharged within the time period provided in Article 18; provided, however, that Tenant has the right to contest any tax or assessment or encumbrance or lien as provided in Article 12 and Article 18.

(c) Failure to Pay Ground Rent Within Certain Time Period. Tenant fails to pay any Ground Rent, in the manner prescribed in Article 2 of the Lease, when due to Landlord within five (5) days after notice thereof from Landlord.

(d) Failure to Operate, Maintain or Repair. Failure to perform any operation, maintenance or repair obligation concerning the Premises, and such failure continues for thirty (30) days after the date of notice from Landlord to Tenant concerning such failure.

(e) Failure to Terminate Certain Proceedings Within Certain Time Period. Subject to the provisions of Sections 40.02 and 40.03, the filing by or against Tenant of any proceedings under any state or federal insolvency or bankruptcy law, or any comparable law that is now or hereafter may be in effect, whether for liquidation or reorganization, which proceedings if filed against Tenant are not dismissed or stayed within sixty (60) days;

(f) Failure to Stop Certain Order for Relief Under Certain Conditions. Subject to the provisions of Sections 40.02 and 40.03, the entry of an order for relief against Tenant under any bankruptcy or reorganization case which order has not been stayed or dismissed within sixty (60) days;

(g) Final Appointment of a Receiver Under Certain Conditions. Subject to the provisions of Sections 40.02 and 40.03, the appointment of a receiver, trustee or custodian of all or any part of the property of Tenant which appointment with respect to Tenant is not dismissed or stayed within sixty (60) days; provided that Tenant shall have an additional thirty (30) days to

achieve such dismissal or stay if Tenant commences to pursue such relief within the first sixty (60) days; and further provided, however, that the appointment of a receiver pursuant to the exercise by a Mortgagee of its rights under a Leasehold Mortgage shall not be an Event of Default hereunder;

(h) Unauthorized Assignment. The assignment of all or any part of the Premises by Tenant;

(i) Tenant's Failure to Notify Landlord Within Certain Time Period in Filing Certain Proceedings. The failure of Tenant to give written notice to Landlord of Tenant's intention to commence proceedings under any state or federal insolvency, bankruptcy or any comparable law that is now or hereafter may be in effect, whether for liquidation or reorganization, at least thirty (30) days prior to the commencement of such proceedings;

(j) Failure to Release Attachment Within Certain Time Period. A writ of attachment or execution is levied on this Lease which is not released within sixty (60) days;

(k) Abandonment of Premises Under Certain Conditions. Except as permitted by Article 17, the Premises are abandoned or cease to be used for the uses permitted hereunder, which abandonment or cessation is not cured within thirty (30) days after notice thereof from Landlord;

(l) Unauthorized Assignment of, or Changes to, this Lease Under Certain Conditions. Tenant suffers or permits an assignment of this Lease or any interest therein to occur in violation of this Lease, suffers or permits a Significant Change to occur in violation of this Lease or sublets all or any portion of the Premises in violation of this Lease, which violation is not remedied within thirty (30) days after notice thereof from Landlord;

(m) Failure to Comply with Lease Terms Under Certain Conditions. Tenant shall fail to perform or comply with any other term hereof, and such failure shall continue beyond the applicable cure period, if any, or, if none, for more than thirty (30) days after notice thereof from Landlord, or if such default cannot reasonably be cured within such thirty (30)-day period, Tenant shall not within such period commence with due diligence and dispatch the curing of such default, or having so commenced, shall thereafter cease, fail or neglect to prosecute or complete with diligence and dispatch the curing of such default.

25.02 Force Majeure.

For the purposes of any of the provisions of this Lease, and notwithstanding anything to the contrary, neither Landlord nor Tenant, as the case may be, will be considered in breach or default of its obligations, and there will not be deemed a failure to satisfy any obligations or conditions of this Lease, in the event of enforced delay in the performance of such obligations or satisfaction of such conditions due to occurrence(s) of "**Force Majeure**," meaning unforeseeable causes beyond obligated or conditioned party's control and without its fault or negligence, including, but not limited to, acts of God, acts of the public enemy, terrorism, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, general scarcity of materials, unusually severe weather, or delays of subcontractors due to unusual scarcity of materials or unusually severe weather; it being the purposes and intent of this provision that the time or times

for the satisfaction of conditions to this Lease including those with respect to construction of the Improvements, will be extended for the period of the enforced delay; provided, however, that the party seeking the benefit of the provisions of this paragraph must have notified the other party of the delay and evidence of its causes in writing within thirty (30) days after the beginning of any such enforced delay and requested an extension for the reasonably estimated period of the enforced delay; and, provided further, that this paragraph does not apply to, and nothing contained in this paragraph will extend or will be construed to extend, the time of performance of any of Tenant's obligations to be performed before the commencement of construction, and the failure to timely perform pre-commencement of construction obligations will not extend or be construed to extend Tenant's obligations to commence, prosecute, and complete construction of the Improvements in the manner and at the times specified in this Lease.

ARTICLE 26 REMEDIES

The provisions of this Article 26 and the exercise of Landlord's remedies are subject to the limitations on recourse set forth in Article 43.

26.01 Landlord's Remedies Generally.

(a) Notification to Tenant, Holder. Upon the occurrence of any of the events described in Section 25.01 above, and before exercising any remedies, Landlord will notify Tenant, the Permitted Limited Partner(s), and each Holder in writing of Tenant's purported breach, failure, or act in accordance with the notice provisions of ARTICLE 40, and provide Tenant, any Holder, and Permitted Limited Partner(s) with an opportunity to cure such breach, failure, or act, commencing upon the date of giving notice and continuing for the applicable cure period set out in Section 25.01. If Tenant, Holder, or Permitted Limited Partner does not cure or, if the breach, failure, or act is not reasonably susceptible to cure within the applicable cure period, begin to cure within the applicable cure period and thereafter diligently prosecute such cure to completion, then, subject to the rights of any Holder and Permitted Limited Partner and subject to [Section 26.01(b)] [and ARTICLE 26], Landlord will have all of its rights at law or in equity, including as specified in this Article 26 and Article 27.

(b) Landlord's Rights and Tenant's Obligations Under an Event of Default. Upon the occurrence of an Event of Default hereunder, Landlord may continue this Lease in full force and effect, and this Lease shall continue in effect and Landlord shall have the right to collect, Ground Rent, Additional Ground Rent and other sums when and as they become due. If Tenant abandons the Premises in violation of this Lease, Landlord may enter the Premises and relet the Premises, or any part thereof, to third parties for Tenant's account without notice to Tenant, Tenant's rights, if any, to any such notice under any applicable law being hereby waived, and alter or install or modify the Improvements at the Premises, or any portion thereof, and Tenant shall be liable immediately to Landlord for all costs Landlord incurs in enforcing this Lease, whether or not any action or proceeding is commenced, including, without limitation, the reasonable attorney fees and all costs, disbursements and expenses of Landlord's outside counsel, expert witness fees, transcript preparation fees and costs and document copying, exhibit preparation, courier, postage, facsimile expenses, brokers' fees or commissions, the costs of removing and storing the property of Tenant, costs incurred by Landlord in connection with reletting the Premises, or any portion thereof, and altering, installing, modifying and constructing tenant improvements required for a

new tenant, and the costs of restoration and of repairing and maintaining the Premises or any portion thereof. Reletting may be for a period equal to, shorter or longer than the remaining Term of this Lease.

(c) Lease May Not Terminate Without Landlord's Consent. No act by Landlord allowed by this Section 26.01 shall terminate the Lease unless Landlord notifies Tenant that Landlord elects to terminate the Lease.

(d) Lease Termination Requires Landlord to Notify Tenant. Landlord may terminate Tenant's right to possession of the Premises or this Lease or both at any time after the occurrence of an Event of a Default by giving written notice of such termination, and such termination shall then occur on the date set forth in such notice. Acts of maintenance and efforts to relet the Premises shall not constitute a termination of Tenant's right to possession. No act by Landlord other than giving notice to Tenant shall terminate this Lease.

(e) Cessation of Tenant's Rights to Sublet or Assign. Upon the occurrence of an Event of Default, Tenant shall have no right to sublet or assign its interest in the Premises and/or this Lease without Landlord's written consent, which may be given or withheld in Landlord's sole and unfettered discretion.

(f) Landlord's Remedies Are Cumulative. The remedies given to Landlord in this Section shall be in addition and supplemental to all other rights or remedies which Landlord may have at law or in equity.

(g) Personal Property. At the termination of this Lease, if an Event of Default exists, title to all Personal Property, except any logos, trademarks, symbols, designs or Personal Property not owned by Tenant, will vest in Landlord without any further action of any parties.

26.02 Continuation of Subleases and Other Agreements.

Except as provided in Article 25, in case of default by Tenant in the performance of any of the terms, covenants or agreements herein contained on the part of Tenant to be done, observed, kept and performed and the continuance thereof for the period hereinbefore provided for, or if Landlord shall for any lawful reason or cause recover or come into possession of the Premises before the date hereinbefore fixed for the expiration of the Term hereof, Landlord shall have the right, at its sole option, to take over any and all Space Subleases of the Premises, if applicable, or any part thereof and all concessions and licenses and agreements by Tenant for the maintenance thereof or supplies thereof, and at Landlord's option to have and succeed to all the risks and privileges of said Space Subleases, or concessions, licenses or agreements, or such of them as it may elect to take over and assume, and Tenant upon any such default by Tenant or recovery of possession by Landlord hereby expressly assigns and transfers to Landlord such of the Space Subleases, or concessions, licenses and agreements as Landlord may elect to take over and assume as may exist and be in force and effect at the time of said default and recovery of possession and all deposits with Landlord pursuant thereto; and Tenant hereby further expressly covenants that, upon request of Landlord, Tenant will execute, acknowledge and deliver to Landlord such further instruments as may be necessary or desirable to vest in Landlord the then existing Space Subleases

of said Premises or any part thereof and the licenses, concessions and agreements then in force, as above specified.

ARTICLE 27 LANDLORD'S EQUITABLE RELIEF

No expiration or termination of this Lease pursuant to the terms hereof or by operation of law or otherwise and no repossession of the Premises or any part thereof pursuant to the term hereof or by operation of law or otherwise, shall relieve Tenant of its liabilities and obligations hereunder arising prior to termination of this Lease, all of which shall survive such expiration, termination or repossession, including, without limitation, the rights of Landlord for indemnification for liability, personal injuries or property damage, nor shall anything in this Lease be deemed to affect the right of Landlord to equitable relief where such relief does not impose personal liability on Tenant which is inconsistent with the provisions of Article 43.

ARTICLE 28 NO WAIVER BY LANDLORD OR TENANT

No failure by Landlord or Tenant to insist upon the strict performance of any term hereof or to exercise any right, power or remedy consequent upon a breach thereof, and no submission by Tenant or acceptance by Landlord of full or partial Ground Rent during the continuance of any such breach shall constitute a waiver of any such breach or of any such term. No waiver of any breach shall affect or alter this Lease, which shall continue in full force and effect, or the respective rights of Landlord or Tenant with respect to any other then existing or subsequent breach.

ARTICLE 29 DEFAULT BY LANDLORD; TENANT'S REMEDIES

29.01 Default by Landlord; Tenant's Remedies.

Landlord shall be deemed to be in default hereunder if Landlord shall fail to perform or comply with any term hereof and such failure shall continue for more than the time of any cure period provided herein, or, if no cure period is provided herein, for more than thirty (30) days after written notice thereof from Tenant, or, if such default cannot reasonably be cured within such thirty (30)-day period, Landlord shall not within such period commence with due diligence and dispatch the curing of such default, or, having so commenced, shall thereafter fail or neglect to prosecute or complete with diligence and dispatch the curing of such default. Upon such default by Landlord, Tenant may exercise any remedy available at law or at equity, including, but not limited to, specific performance.

29.02 Survival of Certain Obligations.

Subject to the provisions of Section 29.01, no expiration, termination or repossession of this Lease pursuant to the term hereof or by operation of law or otherwise, shall relieve Landlord of its liabilities and obligations hereunder arising prior to such expiration, termination or repossession of this Lease, all of which shall survive such expiration, termination or repossession,

including, without limitation, the rights of Tenant for indemnification for liability, for personal injuries or property damage.

ARTICLE 30 ACCEPTANCE OF SURRENDER

No modification, termination or surrender of this Lease or surrender of the Premises or any part thereof or of any interest therein by Tenant shall be valid or effective unless agreed to and accepted in writing by Landlord and Mortgagee, and no act by any representative or agent of Landlord, other than such a written agreement and acceptance by Landlord, shall constitute an acceptance thereof.

ARTICLE 31 NO MERGER OF TITLE

There shall be no merger of the Leasehold Estate with the fee estate in the Site by reason of the fact that the same person may own or hold (a) the leasehold estate created by this Lease or any interest in such leasehold estate, and (b) any interest in such fee estate; and no such merger shall occur unless and until all persons having any interest in (i) the leasehold estate created by this Lease and (ii) the fee estate in the Premises shall join in and record a written instrument effecting such merger.

ARTICLE 32 END OF LEASE; SURRENDER OF PREMISES; HOLDING OVER

32.01 Surrender.

Upon the expiration or other termination of the Term, Tenant shall quit and surrender to Landlord the Premises, all other leased property and renewals and replacements thereof, in good order, condition and repair, reasonable wear and tear excepted to the extent the same is consistent with maintenance of the Premises in good order, condition and repair. Upon termination of this Lease, Landlord has the right to terminate all Space Subleases (if applicable). The Premises must be surrendered clean, free of debris, waste, and Hazardous Substances, and free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Lease and any other encumbrances created or approved in writing by Landlord. At the request of Landlord, Tenant must surrender the Premises to Landlord free of all Personal Property and fixtures belonging to Tenant, and in any event, Tenant must repair any damage to the Premises caused by such removal. Improvements and Changes will remain in the Premises as Landlord property and title to the Improvements and any Changes will be conveyed to Landlord as provided in Article 11 above.

32.02 Execution of Documents.

Tenant hereby agrees to execute all documents as Landlord may deem necessary to evidence such termination of this Lease.

32.03 Holding Over.

Holding over is not permitted under this Lease. If Tenant fails to surrender the Premises at the end of the Term or sooner termination of this Lease, and in accordance with the provisions of this Article 32, such failure shall not constitute renewal of this Lease or give Tenant any rights hereunder or in the Premises, except with the prior written consent of Landlord, and Tenant shall be a Tenant at sufferance hereunder. Tenant shall be responsible for the payment of holdover rent constituting 100% of Surplus Cash (whether or not the Community Commercial Loan has been repaid) or [Twelve Thousand Dollars (\$12,000) per month], whichever is greater, until the Premises is surrendered in accordance with this Article 32, and Tenant will indemnify, defend and hold harmless the Indemnified Parties from and against any and all Claims resulting from delay by Tenant in so surrendering the Premises including, without limitation, any costs of Landlord to obtain possession of the Project; any loss or liability resulting from any Claim against Landlord made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Landlord due to lost opportunities to lease any portion of the Project or the Site to any such succeeding tenant or prospective tenant, together with, in each instance, reasonable attorneys' fees and costs.

ARTICLE 33 EQUAL OPPORTUNITY

Tenant agrees to comply with OCII's Equal Opportunity Program as described in Exhibit 7 and will submit all documents required pursuant to the policies included in Exhibit 7.

ARTICLE 34 OCII LABOR STANDARDS PROVISIONS

Tenant agrees to comply with requirements of the MOHCD Underwriting Guidelines concerning payment of prevailing wage for tenant improvements, including Subtenant Improvements. In addition, California Labor Code Section 1720 *et seq.* requires payment of prevailing wages for developments paid for in whole or in part out of public funds. Although the Parties acknowledge that the development of the Project is a private work of improvement, Tenant further acknowledges that the Project may be subject to Labor Code requirements. Tenant agrees to pay or cause to be paid prevailing rates of wages in accordance with the requirements set forth in Attachment 7-3 and to comply with applicable provisions of the Labor Code.

ARTICLE 35 OCII MINIMUM COMPENSATION AND HEALTH CARE ACCOUNTABILITY POLICY

Landlord finds that it has a significant proprietary interest in the public parcel that is being leased to the Tenant pursuant to this Lease. Tenant agrees that the Tenant and its Space Subtenants, if any, will comply with the applicable provisions of OCII's Health Care Accountability Policy, Attachment 7-5, and Minimum Compensation Policy, Attachment 7-6, and, adopted by Agency Resolution No. 168-2001 on September 25, 2001, as these policies may be amended from time to time (jointly in this Article, the "Policies"). Notwithstanding this requirement, the Parties recognize that the leasing and operations of all Community Commercial Units is subject to the Policies.

ARTICLE 36 CONFLICT OF INTEREST

No commissioner, official, or employee of OCII may have any personal or financial interest, direct or indirect, in this Lease, and any such commissioner, official, or employee may not participate in any decision relating to this Lease that affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested.

ARTICLE 37 ENERGY CONSERVATION

Tenant agrees that it will use its best efforts to maximize provision of, and incorporation of, both energy conservation techniques and systems and improved waste-handling methodology in the construction of the Improvements.

ARTICLE 38 PROVISIONS SUBJECT TO APPLICABLE LAW

All rights, powers and remedies provided herein may be exercised only to the extent that the exercise thereof does not violate any applicable law and are intended to be limited to the extent necessary so that they will not render this Lease invalid, unenforceable or not entitled to be recorded under any applicable law.

ARTICLE 39 CUMULATIVE REMEDIES; NO WAIVER

Subject to the provisions of Article 43, the specific remedies to which Landlord may resort under the terms of this Lease are cumulative and are not intended to be exclusive of any other remedies or means of redress to which they may be lawfully entitled. The failure of Landlord to insist in anyone or more cases upon the strict performance of any of the covenants of this Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment for the future of such covenant or option. A receipt by Landlord for Ground Rent with knowledge of the breach of any covenant hereto' shall not be deemed a waiver of such breach, and no waiver, change, modification or discharge by either party hereto of any provision in this Lease shall be deemed to have been made or shall be effective unless expressed in writing and signed by both Landlord and Tenant. Subject to the provisions of Articles 43 and 44, in addition to the other remedies in this Lease provided, Landlord and Tenant shall be entitled to the restraint by injunction of the violation, or threatened violation, of any of the covenants, conditions, or provisions of this Lease, or to a decree compelling performance of any of such covenants, conditions or provisions.

ARTICLE 40 NOTICES

40.01 Notices.

All notices, demands, consents, and requests which may or are to be given by any party to the other shall be in writing. All notices, demands, consents and requests to be provided hereunder shall be deemed to have been properly given on the date sent if served personally on a day that is a Business Day, or, if mailed, on the date that is three days after the date when sent in

the United States registered or certified mail, return receipt requested, postage prepaid, in either case, addressed as follows:

If to Tenant: [.....]

If to Landlord: [.....]

With copy to:

MOHCD

[.....]

or at such other place or places in the United States as each such party may from time to time designate by written notice to the other.

40.02 Form and Effect of Notice.

Every notice given to a party or other person under this Section must state (or must be accompanied by a cover letter that states):

(a) the Section of this Lease pursuant to which the notice is given and the action or response required, if any;

(b) if applicable, the period of time within which the recipient of the notice must respond thereto; and

(c) if applicable, that the failure to object to the notice within a stated time period will be deemed to be the equivalent of the recipient's approval of or consent to the subject matter of the notice.

In no event shall a recipient's approval of or consent to the subject matter of a notice be deemed to have been given by its failure to object thereto if such notice (or the accompanying cover letter) did not fully comply with the requirements of Subsection 40.02(a) and (b). The effectiveness of notices sent by Landlord to Tenant shall not be invalidated or impaired by a failure of Landlord to send copies of notices to any person or entity other than Tenant.

40.03 Time of Performance.

Except as provided herein, all performance (including cure) dates expire at 5:00 p.m. Pacific Standard/Daylight Savings Time on the performance or cure date. Provisions in this Lease relating to number of days will be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action is not a Business Day, then the last day for undertaking the action or giving or replying to the notice will

be the next succeeding Business Day. Time is of the essence in the performance of all the terms and conditions in this Lease.

ARTICLE 41 SEVERABILITY

If any term or provision of this Lease or application thereof to any party, parties, person or circumstances is found to be invalid or unenforceable to any extent, the remainder of this Lease and its application to parties, persons or circumstances other than those as to which it is held invalid or unenforceable will not be affected, and each term and provision of this Lease will be valid and enforceable to the fullest extent permitted by law.

ARTICLE 42 SUCCESSORS AND ASSIGNS BOUND; GOVERNING LAW; THIRD PARTIES

42.01 Successors and Assigns Bound.

This Lease shall be binding upon and inure to the benefit of the successors and assigns of OCII and Tenant and where the term "Tenant," "Landlord" or "OCII" is used in this Lease, it shall mean and include the respective successors and assigns or each party; provided, however, that Landlord shall have no obligation under this Lease to, nor shall any benefit of this Lease accrue to, any unapproved successor or assign of Tenant where Landlord approval of a successor or assign is required by this Lease.

42.02 Governing Law.

This Lease shall be construed and enforced in accordance with the laws of the State of California, and applicable provisions of the City's Charter and Municipal Codes.

42.03 No Third-Party Beneficiary.

This Lease is entered into solely among, between, and for the benefit of, and may be enforced only by, the parties hereto and does not create rights in any other third party.

ARTICLE 43 LANDLORD'S RECOURSE AGAINST TENANT

Landlord may recover from Tenant, but not from any officer, member, director, employee, representative or attorney, past, present or future of Tenant only those damages that arise out of or in connection with (i) any Impositions or Carrying Costs not paid by Tenant; (ii) the amount of any insurance premiums paid for by Landlord pursuant to this Lease; (iii) the application of any insurance or Condemnation proceeds in a manner inconsistent with or contrary to the provisions of this Lease, except as applied as required by any Leasehold Mortgage; (iv) the cost of razing any Improvements Tenant fails to raze in accordance with the terms of this Lease; (v) any damages suffered by Landlord as the result of the breach by Tenant of the covenants contained in this Lease, whether or not any action or proceeding is commenced, including, without limitation, reasonable attorney fees and all costs, disbursements and expenses of Landlord's outside counsel, expert

witness fees, transcript preparation fees and costs and document copying, exhibit preparation, courier, postage, and facsimile expenses; (vi) any expenses in enforcing the limited recourse provisions of this Article 43, whether or not any action or proceeding is commenced, including, without limitation, reasonable attorney fees and all costs, disbursements and expenses of Landlord's outside counsel, expert witness fees, transcript preparation fees and costs and document copying, exhibit preparation, courier, postage, and facsimile expenses; (vii) the portion of any amounts paid to Tenant for the period ending on the date of termination of this Lease which Tenant is required to pay Landlord as Ground Rent under this Lease; and (viii) waste committed or permitted by Tenant.

ARTICLE 44 RECOURSE AGAINST LANDLORD

44.01 No Recourse to Other Persons.

Tenant agrees that it will have no recourse with respect to any obligation of Landlord under this Lease, or for any claim based upon this Lease or otherwise, against any officer, director, employee, Supervisors, representative or attorney, past, present or future, of Landlord, or against any person other than Landlord, or against Landlord except to the extent of the value of Landlord's interest in the Premises, whether by virtue of any constitution, statute, rule of law, rule of equity, enforcement of any assessment as penalty, or by reason of any matter prior to the execution and delivery of this Lease, or otherwise. By Tenant's execution and delivery hereof and as part of the consideration for Landlord's obligations hereunder all such liability is expressly waived.

44.02 Limitation on Landlord's Liability.

In the event of any transfer of Landlord's interest in and to the Premises, Landlord, subject to the provisions hereof, (and in case of any subsequent transfers, the then transferor) will automatically be relieved from and after the date of such transfer of all liability with regard to the performance of any covenants or obligations on the part of Landlord (or such transferor, as the case may be) contained in this Lease thereafter to be performed, but not from liability incurred by Landlord (or such transferor, as the case may be) on account of covenants or obligations to be performed by Landlord (or such transferor, as the case may be) hereunder prior to the date of such transfer; provided, however, that (a) any funds in Landlord's possession (or in the possession of the then transferor at the time of such transfer) in which Tenant has an interest must be turned over to the transferee, in trust, for application pursuant to the provisions hereof and such transferee shall assume all liability for all such funds so received by such transferee from Landlord and (b) any amount then due and payable to Tenant by Landlord or the then transferor under any provisions of this Lease must be paid to Tenant.

ARTICLE 45 TENANT TO FURNISH AND EQUIP THE IMPROVEMENTS

47.01 Tenant to Furnish and Equip the Improvements.

Tenant covenants and agrees to furnish and equip the Improvements with all fixtures, furniture, furnishings, equipment, machinery, supplies and other personalty of a quantity and

quality necessary to operate the Premises in accordance with the provisions of this Lease, including any Subtenant Improvements.

47.02 Landlord's Lien.

If Landlord elects such lien, Tenant hereby grants to Landlord a lien in all of its Personal Property, and all products and proceeds thereof, as security for the payment and performance of Tenant's obligations hereunder, and agrees to execute a financing statement evidencing such lien to secure the performance by Tenant of all of its (or their) obligations under this Lease. Landlord hereby agrees to subordinate its lien in all Personal Property to any purchase money lien in any Personal Property (such subordination shall be self-operative; however, in confirmation thereof, upon the request of each such lienor in Tenant's Personal Property, Landlord shall execute a subordination agreement in form and substance reasonably satisfactory to such lienor and to Landlord). If any of such Personal Property is leased from third parties, Tenant agrees to collaterally assign its leasehold interest to Landlord upon terms and conditions and pursuant to an assignment acceptable in form and substance to Landlord to secure the performance by Tenant of all of its obligations under this Lease. Tenant shall execute from time to time such additional documents as may be necessary to effectuate and evidence such assignments if requested to do so by Landlord. Upon the occurrence of an Event of Default on the part of Tenant, Landlord shall have the immediate right of possession of all of the Personal Property and the right to assume the leasehold interest of Tenant in such Personal Property, subject to the interest of the lien of any Mortgagee.

ARTICLE 46 NO JOINT VENTURE

Nothing contained in this Lease shall be deemed or construed as creating a partnership or joint venture between Landlord and Tenant or between Landlord and any other party, or cause Tenant to be responsible in any way for the debts or obligations of Landlord, except as otherwise provided to the contrary herein, or cause Landlord to be responsible in any way for the debts or obligations of Tenant or any other party.

ARTICLE 47 ATTORNEYS FEES

If either Landlord or Tenant fails to perform any of its obligations under this Lease or in the event a dispute arises concerning the meaning or interpretation of any provision of this Lease, the defaulting party or the non-prevailing party in such dispute, as the case may be, will pay the prevailing party reasonable attorneys' and experts' fees and costs, and all court costs and other costs of action incurred by the prevailing party in connection with the prosecution or defense of such action and enforcing or establishing its rights under this Lease (whether or not such action is prosecuted to a judgment). For purposes of this Lease, reasonable attorneys' fees of OCII or the City's Office of the City Attorney will be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by OCII or the Office of the City Attorney. The term "attorneys' fees" also includes, without limitation, all such fees incurred with respect to appeals, mediations, arbitrations, and bankruptcy proceedings, and whether or not any

action is brought with respect to the matter for which the fees were incurred. The term “costs” means the costs and expenses of counsel to the parties, which may include printing, duplicating, and other expenses, air freight charges, hiring of experts, and fees billed for law clerks, paralegals, and others not admitted to the bar but performing services under the supervision of an attorney.

ARTICLE 48 TRANSFERS OF PARTNERSHIP INTEREST IN TENANT

Tenant may not cause or permit any voluntary transfer, assignment, or encumbrance of its interest in the Site or Project or of any ownership interests in Tenant, or lease or permit a sublease on all or any part of the Project, other than: (a) leases, subleases, or occupancy agreements to Space Subtenants consistent with this Lease; or (b) security interests for the benefit of Mortgagees securing loans for the Project as approved by Landlord on terms and in amounts as approved by Landlord in its reasonable discretion, (c) transfers of the general partnership or manager's interest in Tenant to a nonprofit public benefit corporation approved in advance by Landlord; or (d) any transfers by foreclosure or deed in lieu of foreclosure consistent with this Lease. Any other transfer, assignment, encumbrance, or lease without Landlord's prior written consent will be voidable and, at Landlord's election, constitute a default under this Lease. Landlord's consent to any specific assignment, encumbrance, lease, or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of Landlord's rights under this Lease.

ARTICLE 49 BROKERS

Neither party has had any contact or dealings regarding the leasing of the Premises, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the Lease contemplated herein. If any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings, or communication, the party through whom the broker or finder makes a claim will be responsible for such commission or fee and will indemnify, defend and hold harmless the other party from any and all Claims. The provisions of this Section shall survive any termination of this Lease.

ARTICLE 50 NO RECORDATION OF LEASE; MEMORANDUM OF LEASE

This Lease shall not be recorded. Landlord and Tenant shall record on, or as of, the Effective Date a memorandum of this Lease for the Premises, substantially in the form and substance as set forth in Exhibit 4, in the Official Records. The parties will execute the memorandum in form and substance as required by a title insurance company insuring Tenant's leasehold estate or the interest of any Leasehold Mortgagee, and sufficient to give constructive notice of the Lease to subsequent purchasers and Mortgagees.

ARTICLE 51 GENERAL PROVISIONS

51.01 Complete Agreement.

No party shall be considered the drafter of this Lease, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Lease.

51.03 Amendments.

Neither this Lease nor any terms or provisions hereof may be changed, waived, discharged or terminated, except by a written instrument signed by the party against which the enforcement of the change, waiver, discharge or termination is sought. No waiver of any breach shall affect or alter this Lease, but each and every term, covenant and condition of this Lease shall continue in full force and effect with respect to any other then-existing or subsequent breach thereof.

51.04 Authority.

If Tenant signs as a corporation or a partnership, each of the persons executing this Lease on behalf of Tenant does hereby covenant and warrant that Tenant is a duly authorized and existing entity, that Tenant has and is qualified to do business in California, that Tenant has full right and authority to enter into this Lease, and that each and all of the persons signing on behalf of Tenant are authorized to do so. Upon Landlord's request, Tenant shall provide Landlord with evidence reasonably satisfactory to Landlord confirming the foregoing representations and warranties.

51.05 Time of the Essence.

Time is of the essence in the enforcement of the terms and conditions of this Lease. References to days, months and years mean calendar days, months and years unless otherwise specified.

51.07 Survival of Indemnities.

Termination of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, nor shall it affect any provision of this Lease that expressly states it shall survive termination hereof.

51.08 Counterparts.

This Lease and any memorandum hereof may be executed in counterparts, each of which will be considered an original, and all of which will constitute one and the same instrument.

City Contract Provisions Applicable Upon Assignment

In accordance with Article 19 of the Lease, upon transfer of the Site and assignment of the rights and obligations of this Lease to the City in accordance with Section 14.02 therein, the following provisions shall be applicable to Tenant and in that event, any conflict between these provisions and those of the Lease shall be resolved in favor of the provisions set out below.

1. Non-Discrimination.

- a. Covenant Not to Discriminate. In the performance of this Lease, Tenant covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability, weight, height, or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Tenant, in any of Tenant's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant.
- b. Subleases and Other Subcontracts. Tenant must include in all subleases and other subcontracts relating to the Premises a non-discrimination clause applicable to the subtenant or other subcontractor in substantially the form of Section 50.01(a) above. In addition, Tenant must incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)–(k), and 12C.3 of the San Francisco Administrative Code and must require all subtenants and other subcontractors to comply with those provisions. Tenant's failure to comply with the obligations in this subsection will constitute a material breach of this Lease.
- c. Non-Discrimination in Benefits. Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or with respect to its operations under this Lease elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits, or travel benefits (collectively "Core Benefits"), as well as any benefits other than Core Benefits, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity under state or local Law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.
- d. Condition to Lease. As a condition to this Lease, Tenant must execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Commission.

- e. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by Parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant must comply fully with and be bound by all of the provisions that apply to this Lease under those Chapters of the Administrative Code, including, but not limited to, the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that under Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.
2. MacBride Principles—Northern Ireland. The City and County of San Francisco urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1 et seq. The City and County of San Francisco also urges San Francisco companies to do business with corporations that abide by the MacBride Principles. Tenant acknowledges that it has read and understands the above statement of the City and County of San Francisco concerning doing business in Northern Ireland.
3. Conflicts of Interest. Tenant states that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, certifies that it knows of no facts that would constitute a violation of those provisions and agrees that if Tenant becomes aware of any such fact during the term of this Lease Tenant will immediately notify the City. Tenant further certifies that it has made a complete disclosure to the City of all facts bearing on any possible interests, direct or indirect, that Tenant believes any officer or employee of the City presently has or will have in this Lease or in the performance thereof or in any portion of the profits thereof. Willful failure by Tenant to make such disclosure, if any, will constitute grounds for City's termination and cancellation of this Lease.
4. Charter Provisions. This Lease is governed by and subject to the provisions of the Charter of the City and County of San Francisco. Accordingly, Tenant acknowledges and agrees that no officer or employee of the City has authority to commit the City to this Lease unless and until a resolution of the City's Board of Supervisors has been duly enacted approving this Lease. Therefore, any obligations or liabilities of Landlord under this Lease are contingent upon enactment of a resolution, and this Lease will be null and void unless the City's Mayor and the Board of Supervisors approve this Lease, in their respective sole and absolute discretion, and in accordance with all applicable Laws. Approval of this Lease by any City department, commission, or agency may not be deemed to imply that a resolution will be enacted or create any binding obligations on the City.
5. Tropical Hardwood/Virgin Redwood Ban. Under Section 804(b) of the San Francisco Environment Code, the City and County of San Francisco urges companies not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood

product, virgin redwood, or virgin redwood wood product. Except as permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environment Code, Tenant will not use any items in the rehabilitation, development, or operation of the Premises or otherwise in the performance of this Lease that are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products.

6. Tobacco Product Advertising Ban. Tenant acknowledges and agrees that no advertising of cigarettes or tobacco products will be allowed on the Premises. The foregoing prohibition includes the placement of the name of a company producing, selling, or distributing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product, or on any sign. The foregoing prohibition will not apply to any advertisement sponsored by a state, local, or nonprofit entity designed to communicate the health hazards of cigarettes and tobacco products or to encourage people not to smoke or to stop smoking.
7. Pesticide Ordinance. Tenant must comply with the provisions of Section 308 of Chapter 3 of the San Francisco Environment Code (the "Pesticide Ordinance"), which (a) prohibit the use of certain pesticides on City property, (b) require the posting of certain notices and the maintenance of certain records regarding pesticide usage, and (c) require Tenant to submit to the City's Department of the Environment an integrated pest management ("IPM") plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term of this Lease, (ii) describes the steps Tenant will take to meet the City's IPM Policy described in Section 39.1 of the Pesticide Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. In addition, Tenant must comply with the requirements of Sections 303(a) and 303(b) of the Pesticide Ordinance. Nothing in this Lease will prevent Tenant, acting through the City, from seeking a determination from the City's Commission on the Environment that Tenant is exempt from complying with certain portions of the Pesticide Ordinance as provided in Section 307 thereof.
8. Compliance with City's Sunshine Ordinance. Tenant understands and agrees that under the City's Sunshine Ordinance (S.F. Admin. Code, Chapter 67) and the State Public Records Law (Cal. Gov. Code §§ 6250 et seq.), this Lease and any and all records, information and materials submitted to the City hereunder are public records subject to public disclosure. Tenant hereby authorizes the City to disclose any records, information, and materials submitted to the City in connection with this Lease as required by Law. Further, Tenant specifically agrees to conduct any meeting of its governing board that addresses any matter relating to the Project or to Tenant's performance under this Lease as a passive meeting.
9. Notification of Limitations on Contributions. Through its execution of this Lease, Tenant acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing any land or building to or from the City whenever such transaction would require approval by a City elective officer or the board on which that City elective officer serves, from making any campaign contribution to the officer at any time from the commencement of negotiations for such contract until the termination of negotiations for such contract or three (3) months has elapsed from the date the contract is approved by the City elective officer, or the board on which that City elective officer serves.

10. Requiring Health Benefits for Covered Employees. Unless exempt, Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (the "HCAO"), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated in this Lease by reference and made a part of this Lease as though fully set forth. The text of the HCAO is available on the web at www.sfgov.org/oca/lwlh.htm. Capitalized terms used in this Section and not defined in this Lease have the meanings assigned to them in Chapter 12Q. Notwithstanding this requirement, City recognizes that the residential housing component of the Improvements is not subject to the HCAO.
- a. For each Covered Employee, Tenant must provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, the health plan must meet the minimum standards set forth by the San Francisco Health Commission.
 - b. If Tenant is a small business as defined in Section 12Q.3(d) of the HCAO, Tenant will have no obligation to comply with Section 50.10(a) above.
 - c. Tenant's failure to comply with the HCAO will constitute a material breach of this Lease. If Tenant fails to cure its breach within thirty (30) days after receiving the City's written notice of a breach of this Lease for violating the HCAO or, if the breach cannot reasonably be cured within the 30-day period and Tenant fails to commence efforts to cure within the 30-day period, or thereafter fails diligently to pursue the cure to completion, then the City will have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies will be exercisable individually or in combination with any other rights or remedies available to the City.
 - d. Any sublease entered into by Tenant for commercial space in the Project must require the subtenant to comply with the requirements of the HCAO and must contain contractual obligations substantially the same as those set forth in this Section. Tenant must notify the City's Purchasing Department when Tenant enters into a sublease and must certify to the Purchasing Department that Tenant has notified the subtenant of the obligations under the HCAO and has imposed the requirements of the HCAO on subtenant through the sublease. Tenant will be responsible for its subtenants' compliance with this Chapter. If a subtenant fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the subtenant's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.
 - e. Tenant may not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying the City with regard to Tenant's compliance or anticipated compliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

- f. Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.
- g. Tenant must keep itself informed of the current requirements of the HCAO.
- h. Tenant must provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on subtenants, as applicable.
- i. Tenant must provide City with access to records pertaining to compliance with HCAO after receiving a written request from the City to do so and being provided at least five (5) business days to respond.
- j. The City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with the City when it conducts audits.
- k. If Tenant is exempt from the HCAO when this Lease is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with the City to reach \$75,000, all the agreements will be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and MOHCD to be equal to or greater than \$75,000 in the fiscal year.

11. Public Access to Meetings and Records. If Tenant receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, Tenant must comply with and will be bound by all the applicable provisions of that Chapter. By executing this Lease, Tenant agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. Tenant further agrees to make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Tenant acknowledges that its material failure to comply with any of the provisions of this paragraph will constitute a material breach of this Lease. Tenant further acknowledges that such material breach of this Lease will be grounds for City to terminate and/or not renew this Lease, partially or in its entirety.

12. Resource-Efficient Building Ordinance. Tenant acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Tenant will comply with the applicable provisions of such code sections as those sections may apply to the Premises.

13. Drug Free Work Place. Tenant acknowledges that under the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession, or use

of a controlled substance is prohibited on City premises. Tenant agrees that any violation of this prohibition by Tenant, its agents, or assigns will be deemed a material breach of this Lease.

14. Preservative Treated Wood Containing Arsenic. Tenant may not purchase preservative- treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" means wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Tenant may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Tenant from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" means a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

15. Nondisclosure of Private Information. Tenant agrees to comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code (the "Nondisclosure of Private Information Ordinance"), including the remedies provided. The provisions of the Nondisclosure of Private Information Ordinance are incorporated and made a part of this Lease as though fully set forth. Capitalized terms used in this section and not defined in this Lease have the meanings assigned to those terms in the Nondisclosure of Private Information Ordinance. Consistent with the requirements of the Nondisclosure of Private Information Ordinance, Contractor agrees to all of the following:
 - a. Neither Tenant nor any of its subcontractors will disclose Private Information, unless one of the following is true:
 - (i) The disclosure is authorized by this Lease;
 - (ii) Tenant received advance written approval from the Contracting Department to disclose the information; or
 - (iii)The disclosure is required by law or judicial order.

 - b. Any disclosure or use of Private Information authorized by this Lease must be in accordance with any conditions or restrictions stated in this Lease. Any disclosure or use of Private Information authorized by a Contracting Department must be in accordance with any conditions or restrictions stated in the approval.

 - c. Private Information means any information that: (1) could be used to identify

an individual, including, without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or

(2) the law forbids any person from disclosing.

- d. Any failure of Tenant to comply with the Nondisclosure of Private Information Ordinance will be a material breach of this Lease. In such an event, in addition to any other remedies available to it under equity or law, City may terminate this Lease, debar Tenant, or bring a false claim action against Tenant.

16. Graffiti. Graffiti is detrimental to the health, safety, and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities, and the enjoyment of life; is inconsistent with City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Tenant will remove all graffiti from the Premises and any real property owned or leased by Tenant in the City and County of San Francisco within forty-eight (48) hours of the earlier of Tenant's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require Tenant to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn, or painted on any building, structure, fixture, or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards, and fencing surrounding construction Premises, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" does not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code section 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.). Any failure of Tenant to comply with this section of this Lease will constitute an event of default of this Lease.

17. Incorporation. Each and every provision of the San Francisco Administrative Code described or referenced in this Lease is hereby incorporated by reference as though

fully set forth herein. Failure of Tenant to comply with any provision of this Lease relating to any such code provision will be governed by ARTICLE 19 of this Lease, unless (i) such failure is otherwise specifically addressed in this Lease or (ii) such failure is specifically addressed by the applicable code section.

18. Food Service Waste Reduction. Tenant agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in the San Francisco Environment Code, Chapter 16, including the remedies provided therein, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Lease as though fully set forth herein. Accordingly, Tenant acknowledges that City contractors and lessees may not use Disposable Food Service Ware that contains Polystyrene Foam in City Facilities and while performing under a City contract or lease, and shall instead use suitable Biodegradable/ Compostable or Recyclable Disposable Food Service Ware. This provision is a material term of this Lease. By entering into this Lease, Tenant agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine. Without limiting City's other rights and remedies, Tenant agrees that the sum of One Hundred Dollars (\$100.00) liquidated damages for the first breach, Two Hundred Dollars (\$200.00) liquidated damages for the second breach in the same year, and Five Hundred Dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Lease was made. Those amounts will not be considered a penalty, but rather agreed upon monetary damages sustained by City because of Tenant's failure to comply with this provision.
19. Local Hire Requirements. Any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). Improvements and Changes (as defined in this Lease) are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit or (ii) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it will comply with the Local Hiring Requirements to the extent applicable. Before starting any Tenant Improvement Work or any Alteration, Tenant will contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project").

Tenant will include, and will require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each contract must name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant will cooperate, and require its subtenants to cooperate, with the City in any action or proceeding against

a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required.

Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

20. Criminal History in Hiring and Employment Decisions.

- a. Unless exempt, Tenant agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "Chapter 12T"), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Tenant who would be or are performing work at the Site.
- b. Tenant will incorporate by reference the provisions of Chapter 12T in all subleases of a portion or all of the Site, if any, and will require all subtenants to comply with its provisions. Tenant's failure to comply with the obligations in this subsection will constitute a material breach of this Lease.
- c. Tenant and subtenants (if any) may not inquire about, require disclosure of, or if such information is received base an Adverse Action (as defined in Chapter 12T) on an applicant's or potential applicant for employment, or employee's: (1) Arrest (as defined in Chapter 12T) not leading to a Conviction (as defined in Chapter 12T), unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.
- d. Tenant and subtenants (if any) may not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in Section 50.20(c) above. Tenant and subtenants (if any) may not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.
- e. Tenant and subtenants (if any) will state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Site, that the Tenant or subtenant will consider for employment qualified applicants with

criminal histories in a manner consistent with the requirements of Chapter 12T.

- f. Tenant and subtenants (if any) will post the notice prepared by the Office of Labor Standards Enforcement (“OLSE”), available on OLSE’s website, in a conspicuous place at the Site and at other workplaces within San Francisco where interviews for job opportunities at the Site occur. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Site or other workplace at which it is posted.
- g. Tenant and subtenants (if any) understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T or this Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant, or other person as to whom a violation occurred or continued, termination, or suspension in whole or in part of this Lease.
- h. If Tenant has any questions about the applicability of Chapter 12T, it may contact the City’s Real Estate Division for additional information. City’s Real Estate Division may consult with the Director of the City’s Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

21. Prevailing Wages and Working Conditions. Any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61. Tenant will require its Contractors and Subcontractors performing (i) labor in connection with a “public work” as defined under California Labor Code Section 1720 et seq. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or (ii) Covered Construction, at the Premises to (1) pay workers performing such work not less than the Prevailing Rate of Wages, (2) provide the same hours, working conditions, and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, "Prevailing Wage Requirements"). Tenant agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract must name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties

against any Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. For the current Prevailing Rate of Wages, contact the City's Office of Labor Standards Enforcement.

22. Sugar-Sweetened Beverage Prohibition. Tenant agrees that it will not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Lease.

- b. Tenant agrees to pay taxes of any kind, including possessory interest taxes, that may be lawfully assessed on the Leasehold Estate created and to pay all other taxes, excises, licenses, permit charges, and assessments based on Tenant's usage of the Premises that may be imposed upon Tenant by law, all of which must be paid when the same become due and payable and before delinquency.
- c. Tenant agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Tenant, if so desiring, may have reasonable opportunity to contest the validity of the same.

San Francisco Administrative Code Sections 23.38 and 23.39 require that certain information relating to the creation, renewal, extension, assignment, sublease, or other transfer of this Lease be provided to the County Assessor within sixty (60) days after the transaction. Accordingly, Tenant must provide a copy of this Lease to the County Assessor not later than sixty (60) days after the Effective Date, and any failure of Tenant to timely provide a copy of this Lease to the County Assessor will be a default under this Lease. Tenant will also timely provide any information that City may request to ensure compliance with this or any other reporting requirement.

Requirements”). Tenant agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 50.24 will be deemed a material breach of this Lease. Without limiting Landlord’s other rights and remedies under this Lease, Landlord will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

25. San Francisco Packaged Water Ordinance. Tenant agrees to comply with San Francisco Environment Code Chapter 24 (“Chapter 24”). Tenant shall not sell, provide or otherwise distribute Packaged Water, as defined in Chapter 24 (including bottled water), in the performance of this Agreement or on City property unless Tenant obtains a waiver from the City’s Department of the Environment. If Tenant violates this requirement, the City may exercise all remedies in this Agreement and the Director of the City’s Department of the Environment may impose administrative fines as set forth in Chapter 24.

5. **Action by Design Professionals When Referrals Available**

The design professional shall interview each applicant prior to making the decision to hire or not to hire. The design professional shall make the final determination whether the applicant is qualified for the trainee position and the ultimate hiring decision. The Agency strongly encourages the design professional to hire a qualified San Francisco resident referred by the educational institution(s). The design professional shall notify the educational institution in writing of the hiring decision.

6. **Action by Design Professionals When Referrals Unavailable**

If after contacting two or more educational institutions the design professional is informed that no San Francisco residents are currently available, then the design professional should wait thirty (30) days and contact the educational institutions a second time to inquire whether qualified San Francisco residents are currently available for hire as trainees. If no qualified San Francisco residents are currently available after the second request, then the design professional has fulfilled its obligation under this Agreement, provided that the design professional has acted in good faith. The design professional must retain its file on all of the steps it took to comply with this Section IV and submit a copy of its file to the Agency Compliance Officer upon request.

7. **Action by Design Professional When No Response From Educational Institutions**

If a design professional has not received a response to its request for referrals from any of the educational institutions within five (5) business days after the design professional has fully complied with the procedures, if any, set by the educational institution(s) for obtaining referrals, then the design professional should immediately advise the Agency Compliance Officer by phone, fax or email. The Agency Compliance Officer or his/her designee shall cause the educational institution(s) to respond to the design professional within five (5) business days of the Agency Compliance Officer being notified. If the design professional still has not received a response from the educational institution(s) after this additional five (5) business day period has run, then the design professional has fulfilled its obligation under this Section IV, provided that the design professional has acted in good faith. Each design professional must retain its file on all of the steps it took to comply with this Agreement and submit a copy of its file to the Agency Compliance Officer upon request.

8. **Termination of Trainee for Cause**

If at any time during the Term, it becomes necessary to terminate for cause a trainee who was hired under this Agreement and the design professional has not met the minimum duration requirements under this policy, then the design professional shall hire a new trainee by following the process set forth above.

B. Reporting Requirements For Trainee Hires

1. **Reporting**

Upon completion of the Term of the Agreement or the term of the design professional's contract with the Agency-Assisted Contractor, whichever is less, the design professional (i.e. Employer) shall fax or email a report to the Agency Compliance Officer stating in detail: (1) the names of the San Francisco resident(s) interviewed for trainee positions; (2) the date(s) of each interview; (3) the reasons for not hiring the San Francisco resident(s) interviewed; (4) the name, address, gender and racial/ethnic background of the successful candidate for the trainee position; and (5) the number of San Francisco residents hired as trainees.

2. **Report on Terminations**

In the event a San Francisco resident hired pursuant to this Agreement is terminated for cause, the responsible design professional shall within five (5) days fax or email a termination report to the Agency Compliance Officer stating in detail: (1) the name of the trainee(s) terminated; (2) his/her job title and duties; (3) the reasons and circumstances leading to the termination(s); and (4) whether the design professional replaced the trainee(s).

V. TERM. The obligations of the Agency-Assisted Contractor and/or Contractor(s) with respect to SBE Program shall remain in effect until completion of all work to be performed by the Agency-Assisted Contractor in connection with the original construction of the site and any tenant improvements on the site performed by or at the behest of the Agency-Assisted Contractor unless another term is specified in the Agency-Assisted Contract or Contract.

VI. FIRST CONSIDERATION. First consideration will be given by the Agency or Agency-Assisted Contractor in awarding contracts in the following order: (1) Project Area SBEs, (2) San Francisco-based SBEs (outside an Agency Project or Survey Area, but within San Francisco), and (3) Non-San Francisco-based SBEs. Non-San Francisco-based SBEs should be used to satisfy participation goals only if Project Area SBEs or San Francisco-based SBEs are not available, qualified, or if their bids or fees are significantly higher than those of non-San Francisco-based SBEs.

VII. ASSOCIATIONS AND JOINT VENTURES (JV). OCII will recognize JVs and Associations between non-SBE firms and SBE firms where the SBE partner performs at least 35% of the work defined in the JV or Association agreement, and receives at least 35% (or a proportionate share, whichever is higher) of the dollars to be earned by the JV or Association. Under this arrangement, OCII will deem the JV or Association to be an SBE for the purposes of meeting the SBE goal. Due to the technical nature of the disciplines and the various standards of each industry, OCII will not require a standardized agreement. However, each JV and Association agreement must be in writing and contain, at a minimum, the following terms:

- Define the management of the agreement between the parties;
- Define the technical and managerial responsibilities of each party;
- Define the scope of work to be performed by each party, and where possible identify the percentage and break-down of scope of work for each party;
- Identify any additional subcontractors or consultants that will perform the work under the agreement;
- Define the schedule, duration, and deliverable of the agreement;
- Detail the fee schedule, fee breakdown, or division of compensation;
- Specify insurance requirements and/or if each party shall maintain its own insurance;
- Specify how additional work or changes in scope shall be negotiated or determined and which party shall be responsible for notifying OCII of the changes;
- Specify how claims and disputes will be resolved.

A copy of the JV or Association agreement must be provided to OCII for approval in order for the JV or Association to be recognized.

VIII. CERTIFICATION. The Agency no longer certifies SBEs but instead relies on the information provided in other public entities' business certifications to establish eligibility for the Agency's program. Only businesses certified by the Agency as SBEs whose certification has not expired and economically disadvantaged businesses that meet the Agency's SBE Certification Criteria will be counted toward meeting the participation goals. The SBE Certification Criteria are set forth in the SBE Policy.

IX. INCORPORATION. Each contract between the Agency, Agency-Assisted Contractor or Contractor on the one hand, and any subcontractor on the other hand, shall physically incorporate as an attachment or exhibit and make binding on the parties to that contract, a true and correct copy of this SBE Agreement.

X. DEFINITIONS. Capitalized terms not otherwise specifically defined in this SBE Agreement have the meaning set forth in the Agency's SBE Policy adopted on November 16, 2004 and amended on July 21, 2009 ("**Policy**") or as defined in the Agency-Assisted Contract or Contract. In the event of a conflict in the meaning of a defined term, the SBE Policy shall govern over the Agency-Assisted Contract or Contract which in turn shall govern over this SBE Agreement.

Affiliates means an affiliation with another business concern is based on the power to control, whether exercised or not. Such factors as common ownership, common management and identity of interest (often found in members of the same family), among others, are indicators of affiliation. Power to control exists when a party or parties have 50 percent or more ownership. It may also exist with considerably less than 50 percent ownership by contractual arrangement or when one or more parties own a large share compared to other parties. Affiliated business concerns need not be in the same line of business.

Agency-Assisted Contract means, as applicable, the Development and Disposition Agreement

("DDA"), Land Disposition Agreement ("LDA"), Lease, Loan and Grant Agreements, and other similar contracts, and agreement that the Agency executed with for-profit or non-profit entities.

Agency-Assisted Contractor means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed an Agency-Assisted Contract.

Agency Contract means personal services contracts, purchase requisitions, and other similar contracts and operations agreements that the Agency executes with for-profit or non-profit entities.

Amendment to a Pre-existing Contract means a material change to the terms of any contract, the term of which has not expired on or before the date that this Small Business Enterprise Policy ("SBE Policy") takes effect, but shall not include amendments to decrease the scope of work or decrease the amount to be paid under a contract.

Annual Receipts means "total income" (or in the case of a sole proprietorship, "gross income") plus "cost of goods sold" as these terms are defined and reported on Internal Revenue Service tax return forms. The term does not include net capital gains or losses; taxes collected for and remitted to a taxing authority if included in gross or total income, such as sales or other taxes collected from customers and excluding taxes levied on the concern or its employees; proceeds from transactions between a concern and its domestic or foreign affiliates; and amounts collected for another by a travel agent, real estate agent, advertising agent, conference management service provider, freight forwarder or customs broker. For size determination purposes, the only exclusions from receipts are those specifically provided for in this paragraph. All other items, such as subcontractor costs, reimbursements for purchases a contractor makes at a customer's request, and employee-based costs such as payroll taxes, may not be excluded from receipts. Typically, receipts are averaged over a concern's latest three (3) completed fiscal years to determine its average annual receipts. However, to the extent a public entity considers a five-year average in its certification program, OCII will accept the five-year average provided the remaining certification criteria of the public entity is consistent with OCII's criteria stipulated in this Policy. If a concern has not been in business for three (3) years, the average weekly revenue for the number of weeks the concern has been in business is multiplied by 52 to determine its average annual receipts.

Arbitration Party means all persons and entities who attend the arbitration hearing pursuant to Section XIII, as well as those persons and entities who are subject to a default award provided that all of the requirements in Section XIII.L. have been met.

Association means an agreement between two parties established for the purpose of completing a specific task or project. The associate agreement shall provide the SBE associate a significant project management role and the SBE associate shall be recognized in marketing and collateral material. The Association shall be distinguished from traditional subcontracting arrangements via a written Association agreement that defines the management of the agreement, technical and managerial responsibilities of the parties, and defined scopes and percentages of work to be performed by each party with its own resources and labor force. Unlike the more formal Joint Venture, an Association does not require formation of a new business enterprise between the parties. The Associate agreement shall contain, at a minimum, provisions required by Section VII and be subject to OCII approval.

Commercially Useful Function means that the business is directly responsible for providing the materials, equipment, supplies or services in the City and County of San Francisco ("City") as required by the solicitation or request for quotes, bids or proposals. Businesses that engage in the business of providing brokerage, referral or temporary employment services shall not be deemed to perform a "commercially useful function" unless the brokerage, referral or temporary employment services are required and sought by the Agency.

Contract means any agreement between the Agency and a person(s), firm, partnership, corporation, or combination thereof, to provide or procure labor, supplies or services to, for, or on behalf of the Agency.

Contractor means any person(s), firm, partnership, corporation, or combination thereof, who is negotiating or has executed a Contract.

Joint Venture means an entity established between two parties for the purposes of completing a

venture or project. The Joint Venture agreement typically creates a separate business entity and requires acquisition of additional insurance for the newly created joint business entity. The Joint Venture agreement shall contain, at a minimum, provisions required by Section VII and be subject to OCII approval.

Non-San Francisco-based Small Business Enterprise means a SBE that has fixed offices located outside the geographical boundaries of the City.

Office or Offices means a fixed and established place(s) where work is performed of a clerical, administrative, professional or production nature directly pertinent to the business being certified. A temporary location or movable property or one that was established to oversee a project such as a construction project office does not qualify as an “office” under this SBE Policy. Work space provided in exchange for services (in lieu of monetary rent) does not constitute an “office.” The office is not required to be the headquarters for the business but it must be capable of providing all the services to operate the business for which SBE certification is sought. An arrangement for the right to use office space on an “as needed” basis where there is no office exclusively reserved for the business does not qualify as an office. The prospective SBE must submit a rental agreement for the office space, rent receipt or cancelled checks for rent payments. If the office space is owned by the prospective SBE, the business must submit property tax or a deed documenting ownership of the office.

Project Area Small Business Enterprise means a business that meets the above-definition of Small Business Enterprise and that: (a) has fixed offices located within the geographical boundaries of a Redevelopment Project or Survey Area where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a Project Area or Survey Area business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in a Project Area or Survey Area for at least six months preceding its application for certification as a SBE; and (e) has a Project Area or Survey Area office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers of residential addresses alone shall not suffice to establish a firms’ location in a Project Area or Survey Area.

Project Area means an area of San Francisco that meets the requirements under Community Redevelopment Law, Health and Safety Code Section 33320.1. These areas currently include the Bayview Industrial Triangle, Bayview Hunters Point (Area B), Hunters Point Shipyard, Mission Bay (North), Mission Bay (South), Rincon Point/South Beach, South of Market, and Transbay.

San Francisco-based Small Business Enterprise means a SBE that: (a) has fixed offices located within the geographical boundaries of the City where a commercially useful function is performed; (b) is listed in the Permits and License Tax Paid File with a San Francisco business street address; (c) possesses a current Business Tax Registration Certificate at the time of the application for certification as a SBE; (d) has been located and doing business in the City for at least six months preceding its application for certification as a SBE; and (e) has a San Francisco office in which business is transacted that is appropriately equipped for the type of business for which the enterprise seeks certification as a SBE. Post office box numbers or residential addresses alone shall not suffice to establish a firm's status as local.

Small Business Enterprise (SBE) means an economically disadvantaged business that is certified by another public entity (either municipal, State, or federal agency) that considers the certification criteria stipulated in this Policy. In general, such criteria shall include a determination by the public entity as to whether an economically disadvantaged business is an independent and continuing business for profit; performs a commercially useful function; is owned and controlled by persons residing in the United States or its territories; and has average gross annual receipts in at least the three years (and no more than five years, if practiced by the public entity) immediately preceding its application for certification as a SBE that do not exceed the following limits:

| Industry | OCII SBE Size Standard |
|---|------------------------|
| Construction Contractors | \$24,000,000 |
| Specialty Construction Contractors | \$14,000,000 |
| Suppliers (goods/materials/ equipment and general services) | \$12,000,000 |
| Professional Services | \$5,000,000 |
| Trucking | \$5,000,000 |

In addition, an economically disadvantaged business shall meet the other certification criteria described in Exhibit I of the SBE Policy in order to be considered an SBE by the Agency.

In order to determine whether or not a firm meets the above economic size definitions, the Agency will use the firm's most recent business tax returns (i.e., 1040 with Schedule C for Sole Proprietorships, 1065s with K-1s for Partnerships, and 1120s for Corporations) to calculate the firm's average annual gross receipts. In addition, the calculation of a firm's size shall include the receipts of all affiliates.

Once a business reaches the average size threshold for the applicable industry the business ceases to be economically disadvantaged, it is not an eligible SBE and it will not be counted towards meeting SBE contracting requirements (or goals).

Specialty Construction Contractor means a contractor licensed by the Contractors State License Board under the "C" classification license pursuant to California Business and Professions Code Section 7058.

Survey Area means an area of San Francisco that meets the requirements of the Community Redevelopment Law, Health and Safety Code Section 33310. These areas currently include the Bayview Hunters Point Redevelopment Survey Area C.

XI. GOOD FAITH EFFORTS TO MEET SBE GOALS Compliance with the following steps will be the basis for determining if the Agency-Assisted Contractor and/or Consultant has made good faith efforts to meet the goals for SBEs:

A. Outreach. Not less than 30 days prior to the opening of bids or the selection of contractors, the Agency-Assisted Contractor or Contractor shall:

1. **Advertise.** Advertise for SBEs interested in competing for the contract, in general circulation media, trade association publications, including timely use of the *Bid and Contract Opportunities* newsletter published by the City and County of San Francisco Purchasing Department and media focused specifically on SBE businesses such as the *Small Business Exchange*, of the opportunity to submit bids or proposals and to attend a pre-bid meeting to learn about contracting opportunities.

2. **Request List of SBEs.** Request from the Agency's Contract Compliance Department a list of all known SBEs in the pertinent field(s), particularly those in the Project and Survey Areas and provide written notice to all of them of the opportunity to bid for contracts and to attend a pre-bid or pre-solicitation meeting to learn about contracting opportunities.

B. Pre-Solicitation Meeting. For construction contracts estimated to cost \$5,000 or more, hold a pre-bid meeting for all interested contractors not less than 15 days prior to the opening of bids or the selection of contractors for the purpose answering questions about the selection process and the specifications and requirements. Representatives of the Contract Compliance Department will also participate.

C. Follow-up. Follow up initial solicitations of interest by contacting the SBEs to determine with certainty whether the enterprises are interested in performing specific items involved in work.

D. Subdivide Work. Divide, to the greatest extent feasible, the contract work into small units to facilitate SBE participation, including, where feasible, offering items of the contract work which the Contractor would normally perform itself.

E. Provide Timely and Complete Information. The Agency-Assisted Contractor or Contractor shall provide SBEs with complete, adequate and ongoing information about the plans, specifications and requirements of construction work, service work and material supply work. This paragraph does not require the Agency-Assisted Contractor or Contractor to give SBEs any information not provided to other contractors. This paragraph does require the Agency Assisted Contractor and Contractor to answer carefully and completely all reasonable questions asked by SBEs and to undertake every good faith effort to ensure that SBEs understand the nature and the scope of the work.

F. Good Faith Negotiations. Negotiate with SBEs in good faith and demonstrate that SBEs were not rejected as unqualified without sound reasons based on a thorough investigation of their capacities.

G. Bid Shopping Prohibited. Prohibit the shopping of the bids. Where the Agency-Assisted Contractor or Contractor learns that bid shopping has occurred, it shall treat such bid shopping as a material breach of contract.

H. Other Assistance. Assist SBEs in their efforts to obtain bonds, lines of credit and insurance. (Note that the Agency has a Surety Bond Program that may assist SBEs in obtaining necessary bonding.) The Agency-Assisted Contractor or Contractor(s) shall require no more stringent bond or insurance standards of SBEs than required of other business enterprises.

I. Delivery Scheduling. Establish delivery schedules which encourage participation of SBEs.

J. Utilize SBEs as Lower Tier Subcontractors. The Agency-Assisted Contractor and its Contractor(s) shall encourage and assist higher tier subcontractors in undertaking good faith efforts to utilize SBEs as lower tier subcontractors.

K. Maximize Outreach Resources. Use the services of SBE associations, federal, state and local SBE assistance offices and other organizations that provide assistance in the recruitment and placement of SBEs, including the Small Business Administration and the Business Development Agency of the Department of Commerce. However, only SBEs certified by the Agency shall count towards meeting the participation goal.

L. Replacement of SBE. If during the term of this SBE Agreement, it becomes necessary to replace any subcontractor or supplier, the Agency's Contract Compliance Specialist should be notified prior to replacement due to the failure or inability of the subcontractor or supplier to perform the required services or timely delivery the required supplies, then First Consideration should be given to a certified SBE, if available, as a replacement.

XII. ADDITIONAL PROVISIONS

A. No Retaliation. No employee shall be discharged or in any other manner discriminated against by the Agency-Assisted Contractor or Contractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or relating to enforcement of this Agreement.

B. No Discrimination. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) in the performance of an Agency-Assisted Contract or Contract. The Agency-Assisted Contractor or Contractor will ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability (including HIV or AIDS status) or other protected class status. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations.

C. Compliance with Prompt Payment Statute. Construction contracts and subcontracts awarded for \$5,000 or more shall contain the following provision:

“Amounts for work performed by a subcontractor shall be paid within seven (7) days of receipt of funds by the contractor, pursuant to California Business and Professions Code Section 7108.5 *et seq.* Failure to include this provision in a subcontractor or failure to comply with this provision shall constitute an event of default which would permit the Agency to exercise any and all remedies available to it under contract, at law or in equity.”

In addition to and not in contradiction to the Prompt Payment Statute (California Business and Professions Code Section 7108.5 *et seq.*), if a dispute arises which would allow a Contractor to withhold payment to a subcontractor due to a dispute, the Contractor shall only withhold that amount which directly relates to the dispute and shall promptly pay the remaining undisputed amount, if any.

D. Submission Of Electronic Certified Payrolls. For any Agency-Assisted Contract which requires the submission of certified payroll reports, the requirements of Section VII of the Agency’s Small Business Enterprise Policy shall apply. Please see the Small Business Enterprise Policy for more details.

XIII. PROCEDURES

A. Notice to Agency. The Agency-Assisted Contractor or Contractor(s) shall provide the Agency with the following information within 10 days of awarding a contract or selecting subconsultant:

1. the nature of the contract, e.g. type and scope of work to be performed;
2. the dollar amount of the contract;
3. the name, address, license number, gender and ethnicity of the person to whom the contract was awarded; And
4. SBE status of each subcontractor or subconsultant.

B. Affidavit. If the Agency-Assisted Contractor or Contractor(s) contend that the contract has been awarded to a SBE, the Agency-Assisted Contractor or Contractor(s) shall, at the same time also submit to the Agency a SBE Application for Certification and its accompanying Affidavit completed by the SBE owner. However, a SBE that was previously certified by the Agency shall submit only the short SBE Eligibility Statement.

C. Good Faith Documentation. If the 50% SBE Participation Goals are not met in each category (Construction, Professional Services and Suppliers), the Agency-Assisted Contractor or

Contractor(s) shall meet and confer with the Agency at a date and time set by the Agency. If the issue of the Agency-Assisted Contractor's or Contractor's good faith efforts is not resolved at this meeting, the Agency-Assisted Contractor or Contractor shall submit to the Agency within five (5) days, a declaration under penalty of perjury containing the following documentation with respect to the good faith efforts ("**Submission**"):

1. A report showing the responses, rejections, proposals and bids (including the amount of the bid) received from SBEs, including the date each response, proposal or bid was received. This report shall indicate the action taken by the Agency-Assisted Contractor or Contractor(s) in response to each proposal or bid received from SBEs, including the reasons(s) for any rejections.

2. A report showing the date that the bid was received, the amount bid by and the amount to be paid (if different) to the non-SBE contractor that was selected. If the non-SBE contractor who was selected submitted more than one bid, the amount of each bid and the date that each bid was received shall be shown in the report. If the bidder asserts that there were reasons other than the respective amounts bid for not awarding the contract to an SBE, the report shall also contain an explanation of these reasons.

3. Documentation of advertising for and contacts with SBEs, contractor associations or development centers, or any other agency which disseminates bid and contract information to small business enterprises.

4. Copies of initial and follow-up correspondence with SBEs, contractor associations and other agencies, which assist SBEs.

5. A description of the assistance provided SBE firms relative to obtaining and explaining plans, specifications and contract requirements.

6. A description of the assistance provided to SBEs with respect to bonding, lines of credit, etc.

7. A description of efforts to negotiate or a statement of the reasons for not negotiating with SBEs.

8. A description of any divisions of work undertaken to facilitate SBE participation.

9. Documentation of efforts undertaken to encourage subcontractors to obtain small business enterprise participation at a lower tier.

10. A report which shows for each private project and each public project (without a SBE program) undertaken by the bidder in the preceding 12 months, the total dollar amount of the contract and the percentage of the contract dollars awarded to SBEs and the percentage of contract dollars awarded to non-SBEs.

11. Documentation of any other efforts undertaken to encourage participation by small business enterprises.

D. Presumption of Good Faith Efforts. If the Agency-Assisted Contractor or Contractor(s) achieves the Participation Goals, it will not be required to submit Good Faith Effort documentation.

E. Waiver. Any of the SBE requirements may be waived if the Agency determines that a

specific requirement is not relevant to the particular situation at issue, that SBEs were not available, or that SBEs were charging an unreasonable price.

F. SBE Determination. The Agency shall exercise its reasonable judgment in determining whether a business, whose name is submitted by the Agency-Assisted Contractor or Contractor(s) as a SBE, is owned and controlled by a SBE. A firm's appearance in any of the Agency's current directories will be considered by the Agency as prima facie evidence that the firm is a SBE. Where the Agency-Assisted Contractor or Contractor(s) makes a submission the Agency shall make a determination, as to whether or not a business which the Agency-Assisted Contractor or Contractor(s) claims is a SBE is in fact owned and controlled by San Francisco-based SBEs. If the Agency determines that the business is not a SBE, the Agency shall give the Agency-Assisted Contractor or Contractor a Notice of Non-Qualification and provide the Agency-Assisted Contractor or Contractor with a reasonable period (not to exceed 20 days) in which to meet with the Agency and if necessary make a Submission, concerning its good faith efforts. If the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to Section XIII.

G. Agency Investigation. Where the Agency-Assisted Contractor or Contractor makes a Submission and, as a result, the Agency has cause to believe that the Agency-Assisted Contractor or Contractor has failed to undertake good faith efforts, the Agency shall conduct an investigation, and after affording the Agency-Assisted Contractor or Contractor notice and an opportunity to be heard, shall recommend such remedies and sanctions as it deems necessary to correct any alleged violation(s). The Agency shall give the Agency-Assisted Contractor or Contractor a written Notice of Non-Compliance setting forth its findings and recommendations. If the Agency-Assisted Contractor or Contractor disagrees with the findings and recommendations of the Agency as set forth in the Notice of Non-Compliance, the Agency-Assisted Contractor or Contractor may request arbitration pursuant to this SBE Agreement.

XIV. ARBITRATION OF DISPUTES.

A. Arbitration by AAA. Any dispute regarding this SBE Agreement shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further revisions thereof. The arbitration shall take place in the City and County of San Francisco.

B. Demand for Arbitration. Where the Agency-Assisted Contractor or Contractor disagrees with the Agency's Notice of Non-Qualification or Notice of Non-Compliance, **the Agency-Assisted Contractor or Contractor shall have seven (7) business days, in which to file a Demand for Arbitration**, unless otherwise stipulated by the parties. The Demand for Arbitration shall contain at a minimum: (1) a cover letter demanding arbitration under this provision and identifying any entities believed to be involved in the dispute; (2) a copy of the Notice of Non-Qualification or Notice of Non-Compliance; and (3) any written response to the Notice of Non-Qualification or Notice of Non-Compliance. If the Agency-Assisted Contractor and Contractor fail to file a timely Demand for Arbitration, the Agency-Assisted Contractor and Contractor shall be deemed to have accepted and to be bound by the finding of Non-Qualification or the findings and recommendations contained in the Notice of Non-Compliance.

C. Parties' Participation. The Agency and all persons or entities who have a contractual relationship affected by the dispute shall be made an Arbitration Party. Any such person or entity not made an Arbitration Party in the Demand for Arbitration may intervene as an Arbitration Party and in turn may name any other such person or entity as an Arbitration Party, provided however, that the Agency-

Assisted Contractor or Contractor made an initial timely Demand for Arbitration pursuant to Section XIII.B. above.

D. Agency Request to AAA. Within seven (7) business days after service of a Demand for Arbitration, the Agency shall transmit to AAA a copy of the Demand for Arbitration, the Notice of Non-Qualification or Notice of Non-Compliance, and any written response thereto from the affected party. Such material shall be made part of the arbitration record.

E. Selection of Arbitrator. One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators from AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the Arbitration Parties fail to agree on an arbitrator within seven (7) days from the receipt of the panel, AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within ninety (90) days from the arbitrator's fulfillment of the disclosure requirements set forth in California Code of Civil Procedure Section 1281.9.

F. Setting of Arbitration Hearing. A hearing shall be held within ninety (90) days of the date of the filing of the Request, unless otherwise agreed by the parties. The arbitrator shall set the date, time and place for the arbitration hearing(s) within the prescribed time periods by giving notice by hand delivery or first class mail to each Arbitration Party.

G. Discovery. In arbitration proceedings hereunder, discovery shall be permitted in accordance with Code of Civil Procedure §1283.05.

H. Burden of Proof. The burden of proof with respect to SBE status and/or Good Faith Efforts shall be on the Agency-Assisted Contractor and/or Contractor. The burden of proof as to all other alleged breaches by the Agency-Assisted Contractor and/or Contractor shall be on the Agency.

I. California Law Applies. Except where expressly stated to the contrary in this SBE Agreement, California law, including the California Arbitration Act, Code of Civil Procedure §§ 1280 through 1294.2, shall govern all arbitration proceedings.

J. Arbitration Remedies and Sanctions. The arbitrator may impose only the remedies and sanctions set forth below:

1. Order specific, reasonable actions and procedures, in the form of a temporary restraining order, preliminary injunction or permanent injunction, to mitigate the effects of the non-compliance and/or to bring any non-compliant Arbitration Party into compliance.

2. Require any Arbitration Party to refrain from entering into new contracts related to work covered by the Agency-Assisted Contract or this SBE Agreement, or from granting extensions or other modifications to existing contracts related to services covered by the Agency-Assisted Contract or this SBE Agreement, other than those minor modifications or extensions necessary to enable compliance with this SBE Agreement.

3. Direct any Arbitration Party to cancel, terminate, suspend or cause to be cancelled, terminated or suspended, any contract or portion(s) thereof for failure of any party to the arbitration to comply with any of the SBE Program requirements in the Agency-Assisted Contract or this SBE Agreement. Contracts may be continued upon the condition that a program for future compliance is approved by the Agency.

4. If any Arbitration Party is found to be in willful breach of its obligations

hereunder, the arbitrator may impose a monetary sanction not to exceed Fifty Thousand Dollars (\$50,000.00) or ten percent (10%) of the base amount of the breaching party's contract, whichever is less, for each such willful breach; provided that, in determining the amount of any monetary sanction to be assessed, the arbitrator shall consider the financial capacity of the breaching party. No monetary sanction shall be imposed pursuant to this paragraph for the first willful breach of this SBE Agreement unless the breaching party has failed to cure after being provided notice and a reasonable opportunity to cure. Monetary sanctions may be imposed for subsequent willful breaches by any Arbitration Party whether or not the breach is subsequently cured. For purposes of this paragraph, "willful breach" means a knowing and intentional breach.

5. Direct any Arbitration Party to produce and provide to the Agency any records, data or reports which are necessary to determine if a violation has occurred and/or to monitor the performance of any Arbitration Party.

K. Arbitrator's Decision. The arbitrator shall make his or her award within twenty (20) days after the date that the hearing is completed; provided that where a temporary restraining order is sought, the arbitrator shall make his or her award not later than twenty-four (24) hours after the hearing on the motion. The arbitrator shall send the decision by certified or registered mail to each Arbitration Party.

L. Default Award; No Requirement to Seek an Order Compelling Arbitration. The arbitrator may enter a default award against any person or entity who fails to appear at the hearing, provided that: (1) said person or entity received actual notice of the hearing; and (2) the complaining party has a proof of service for the absent person or entity. In order to obtain a default award, the complaining party need not first seek or obtain an order to arbitrate the controversy pursuant to Code of Civil Procedure §1281.2.

M. Arbitrator Lacks Power to Modify. Except as otherwise provided, the arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter the terms of the Agency-Assisted Contract, this SBE Agreement or any other agreement between the Agency, the Agency-Assisted Contractor or Contractor or to negotiate new agreements or provisions between the parties.

N. Jurisdiction/Entry of Judgment. The inquiry of the arbitrator shall be restricted to the particular controversy which gave rise to the Demand for Arbitration. A decision of the arbitrator issued hereunder shall be final and binding upon all Arbitration Parties. The non-prevailing Arbitration Party(ies) shall pay the arbitrator's fees and related costs of arbitration (or reimburse the Arbitration Parties that advanced such arbitration fees and costs). Each Arbitration Party shall pay its own attorneys' fees, provided, however, that attorneys' fees may be awarded to the prevailing party if the arbitrator finds that the arbitration action was instituted, litigated, or defended in bad faith. Judgment upon the arbitrator's decision may be entered in any court of competent jurisdiction.

O. Exculpatory Clause. Agency-Assisted Contractor or Contractor (regardless of tier) expressly waive any and all claims against the Agency for damages, direct or indirect, including, without limitation, claims relative to the commencement, continuance and completion of construction and/or providing professional and consulting services ("the Work"). Agency-Assisted Contractor or Contractor (regardless of tier) acknowledge and agree that the procedures set forth herein for dealing with alleged breaches or failure to comply with the obligations and requirements of this SBE Agreement are reasonable and have been anticipated by the parties in securing financing, in inviting, submitting and receiving bids and proposals for the planning, design and construction of the improvements and in determining the times for commencement and completion of the planning, design and construction and/or for providing consulting, professional or personal services.

P. Severability. The provisions of this SBE Agreement are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of this SBE Agreement or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of this SBE Agreement or the validity of their application to other persons or circumstances.

EXHIBIT 7-2

Construction Workforce Agreement

I. **PURPOSE.** This Agreement is entered into between the Office of Community Investment and Infrastructure (“OCII” or “Agency”), as successor agency to the San Francisco Redevelopment Agency, and Owner (who for this purposes of this Attachment 9-2 shall be the Tenant as defined under the Lease to which this document is an Attachment), for the purposes of ensuring participation of San Francisco residents and equal employment opportunities in the construction work force involved in constructing any of the phases upon the Site covered by the underlying agreement to which this Agreement is attached hereto.

II. **DEFINITIONS.**

The following definitions apply to this Agreement.

- A. “CityBuild” means the construction employment program of the Workforce Development Division of the San Francisco Office of Economic and Workforce Development (OEWD).
- B. "Contract" means any agreement in excess of \$10,000 between the Owner, its Contractors and a person to provide or procure labor, materials or services for the construction of the Improvements, including a purchase order that requires installation of materials.
- C. "Contractor" means the Owner's general contractor, all prime contractors and all subcontractors (regardless of tier) having a Contract or subcontract in excess of \$10,000 and who employ persons in a Trade for construction of the Improvements.
- D. "Improvements" has the meaning set out in the Lease to which this Attachment 9-2 is attached.
- E. “Project Area Resident” means a San Francisco Resident who resides in a redevelopment area under the management of OCII.
- F. "San Francisco Resident" in the case of a new hire shall mean an individual who has lived in San Francisco for at least one week prior to submitting his/her initial application for employment to work on the Improvements. In the case of a person employed by the Owner or its Contractor or Consultant prior to assignment to the Improvements, this term shall mean a person who has lived in San Francisco for at least six months prior to the date he/she applied for a transfer to a position at the Improvements or the date he/she was assigned to work on the Improvements, whichever is earlier; or a person who establishes, to the satisfaction of the Agency, that he/she lived in San Francisco prior to applying for or being considered for a position with the Owner, Contractor or Consultant.

III. WORK FORCE GOALS.

The Owner agrees and will require each Contractor and all subcontractors to use good faith efforts to employ 50 percent of its construction workforce hires by trade and by hours from qualified San Francisco Residents with first consideration given to Project Area Residents. Owner and Contractors will be deemed in compliance with this Agreement and the Policy by meeting or exceeding the goal or by demonstrating good faith efforts toward compliance.

IV. GOOD FAITH EFFORTS.

A. Submission of Labor Force Projections and Other Data

The Contractor shall submit, to the extent available, labor force projections to the OCII Compliance Officer, or its agent, within two (2) weeks of contract award.

B. Submit Subcontractor Information Form

The Contractor shall submit to the Compliance Officer, or its agent, the Subcontractor Information Forms, twenty-four (24) hours prior to the preconstruction meeting. The Subcontractor Information Forms are available from the Compliance Officer upon request.

C. Preconstruction Meeting

The Contractor shall hold a preconstruction meeting which shall be attended by the Compliance Officer, CityBuild, all prime contractor(s) and all subcontractor(s). The preconstruction meeting shall be scheduled between two (2) days and thirty (30) days prior to the start of construction at a time and place convenient to all attendees. The purpose of the meeting is to discuss: the hiring goals, workforce composition, worker referral process, certified payroll reporting, procedure for termination and replacement of workers covered by this Agreement and to explore any anticipated problems in complying with the Agreement. All questions regarding how this Agreement applies to the Owner, Contractor, subcontractors and consultants should be answered at this meeting. Failure to hold or attend at least one (1) preconstruction meeting will be a breach of the Policy and this Agreement that may result in the Agency ordering a suspension of work until the breach has been cured. Suspension under this provision is not subject to arbitration.

D. Submit Construction Worker Request Form

For the Term of the Agreement, each time the Owner or Contractor seeks to hire workers for the construction or rehabilitation of improvements, they must first submit, by fax, email or hand delivery, an executed construction worker request form to CityBuild. Preferably this request will be submitted at least two (2) business days before the workers are needed. However, requests with less than two (2) business days notice will be accepted. The construction worker request form will indicate generally: the number of workers needed, duration needed, required skills or trade and date/time to report. The

construction worker request form is available from the Compliance Officer upon request.

E. Response from CityBuild

CityBuild shall respond, in writing, via fax, email or hand delivery to each request for construction workers. The response shall state that CityBuild was able to satisfy the request in full, in part or was unable to satisfy the request. CityBuild shall look to their own referral lists, as well as confer with CBOs in an attempt to find qualified Project Area Residents and San Francisco Residents. If CityBuild is able to satisfy the request in full or in part, it shall direct the qualified Project Area Resident(s) or San Francisco Resident(s) to report to the Contractor on the date and time indicated in the request. If CityBuild is unable to satisfy the request, then CityBuild shall send a fax or email stating that no qualified Project Area Residents or San Francisco Residents are currently available.

F. Action by Contractor When Referrals Available

The Owner or Contractor whose request has been satisfied in full or in part shall make the final determination of whether the Project Area Residents or San Francisco Residents are qualified for the positions and the ultimate hiring decision. The Agency strongly encourages the Contractor to hire the qualified Project Area Residents or San Francisco Residents referred by CityBuild. However, if the Contractor finds the Project Area Residents or San Francisco Residents are not qualified, then the Contractor shall send the Project Area Residents or San Francisco Residents back to CityBuild. Before the close of business on the same day, the Contractor shall fax or email a statement addressed to CityBuild stating in detail the reason(s) the Project Area Residents or San Francisco Residents were not qualified or the reason(s) for not hiring the Project Area Residents or San Francisco Residents. CityBuild shall, within one (1) business day of receipt of the fax or email, send new qualified Project Area Residents or San Francisco Residents that meet the legitimate qualifications set by the Contractor or alternatively, send a fax or email stating that no qualified Project Area Residents or San Francisco Residents are currently available.

G. Action by Contractor When Referrals Unavailable

If a Contractor receives a response from CityBuild stating that no qualified Project Area Residents or San Francisco Residents are currently available, then the Contractor may hire the number of construction workers requested from CityBuild, using its own recruiting methods, giving first consideration to Project Area Residents and then San Francisco Residents. Any additional new construction workforce hires (including the replacement of any terminated workers) must comply with this Policy, unless the Contractor has already met or exceeded the goal. The Contractor must keep a copy of the response it receives from CityBuild as proof of compliance and submit a copy of each response received to the Compliance Officer upon request.

H. Action by Contractor When No Response From CityBuild

If a Contractor has not received a response to its construction worker request from CityBuild within two (2) business days, then the Contractor should immediately advise the Compliance Officer by phone, fax or email. The Compliance Officer or his/her designee shall cause a response to be sent to the Contractor within two (2) business days of being notified. If the Contractor does not receive a response from CityBuild within four (4) business days (the original two (2) business days plus the additional two (2) business days), then the Contractor may hire the number of construction workers requested from CityBuild, using its own recruiting methods, giving first consideration to Project Area Residents and then San Francisco Residents. Any construction workforce hires (including the replacement of any terminated workers) must comply with this Policy, unless the Contractor has already met or exceeded the goal. The Contractor must keep a copy of the response it receives from CityBuild as proof of compliance and submit a copy of each response received to the Compliance Officer upon request. This Policy is intended to provide qualified Project Area and San Francisco Residents with employment opportunities without causing undue delay in hiring needed construction workers.

I. Action by Contractor When No Response From Union

The Contractor should immediately advise the Compliance Officer by phone, fax or email when the Contractor has sent a qualified Project Area Resident or San Francisco Resident to a union hall for referral in accordance with a collective bargaining agreement and the union did not refer the qualified Project Area or San Francisco Resident back for employment or when the union referral process impedes the Contractor's ability to meet its obligations under this Policy. Nothing in this Policy shall be interpreted to interfere with or prohibit existing labor agreements or collective bargaining agreements.

J. Hiring Apprentices

A Contractor may meet part of the Construction Workforce Goal by hiring apprentices. However, hiring an apprentice does not satisfy or waive the trainee hiring obligation, if any, for design professionals. Unless otherwise permitted by law, apprentices must be trained pursuant to training programs approved by the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training or the California Department of Industrial Relations, Division of Apprenticeship Standards. Credit towards compliance will only be given for paid apprentices actually working on the project. No credit is available for apprentices while receiving class room training. Under no circumstances shall the ratio of apprentices to journeymen in a particular trade or craft exceed 1:5.

K. Termination and Replacement of Referrals

If at any time it becomes necessary to terminate for cause a construction worker who was hired under this Policy, the Contractor shall notify CityBuild in writing via fax or email and submit a report of termination pursuant to Section (B)(4). If the Contractor intends to fill the vacant position, then the Contractor shall follow the process set forth in this Policy beginning at Section (A)(6).

V. REPORTING REQUIREMENTS.

A. Submission of Certified Payroll Reports

Each Contractor subject to this Policy shall submit to the Agency a certified payroll report for the preceding work week on each of its employees. The Owner is ultimately responsible for the submission of these reports by the Contractors. The certified payroll report is due to the Agency by noon each Wednesday. To facilitate compliance, the Agency uses an online Project Reporting System (PRS) for submission of certified payroll reports. This system is available at no cost to the Contractor. Training and educational materials for PRS are available at no cost online and through the Compliance Officer. Contractors are required to report certified payroll using PRS. However, a waiver may be granted to any Contractors who do not have a computer or online access.

B. Additional Information

In order to prevent unlawful discrimination in the selection, hiring and termination of employees on the basis of race, ethnicity, gender or any other basis prohibited by law and to identify and correct such unlawful practices, the Agency will monitor and collect information on the ethnicity and gender of each construction worker and apprentice. If an identifiable pattern of apparent discrimination is revealed by this additional information, it will be treated as a breach of this Policy and may be addressed as set forth in the arbitration provisions included in Agency contracts.

C. Report on Terminations

In the event a Project Area Resident or San Francisco Resident hired pursuant to this Policy is terminated for cause, the responsible Contractor shall within two (2) days fax or email a termination report to CityBuild with a copy to the Compliance Officer stating in detail: (1) the name of the worker(s) terminated; (2) his/her job title and duties; (3) the reasons and circumstances leading to the termination(s); (4) whether the Contractor replaced the construction worker(s); and (5) whether the replacement worker(s) were Project Area Resident(s) or San Francisco Resident(s).

D. Inspection of Records

The Owner and each Contractor shall make the records required under this Agreement available for inspection or copying by authorized representatives of the Agency and its designated Compliance Officer, and shall permit such

representatives to interview construction workers and apprentices during working hours on the job.

E. Failure to Submit Reports

If a Contractor fails or refuses to provide the reports as required it will be treated as a breach of this Agreement and the Policy, and may be addressed under arbitration provisions pursuant to Article VII (Arbitration of Disputes) of this Agreement.

F. Submission of Good Faith Effort Documentation

If the Owner's or Contractor's good faith efforts are at issue, the Contractor shall provide the Agency or its designated Compliance Officer with the documentation of its efforts to comply with this Policy and the Agreement. The Owner or Contractor must maintain a current file of the names, addresses and telephone numbers of each Project Area Resident or San Francisco Resident applicant referral (whether a self-referral or a referral from a union, CBO or CityBuild referral) and what action was taken with respect to each such individual.

G. Coding Certified Payrolls

Each Contractor shall include, on the weekly payroll submissions, the proper job classification (as approved by the California Department of Industrial Relations), apprentice's craft (if applicable), skill level, protected class status, and domicile of each construction worker.

VI. RECORDKEEPING REQUIREMENTS.

Contractor shall comply with the requirements of California Labor Code Section 1776, as amended, regarding the keeping, filing and furnishing of certified copies of payroll records of wages paid to its employees and to the employees of its subcontractors of all tiers.

In addition, each Contractor shall keep, or cause to be kept, for a period of four years from the date of substantial completion of Improvements, certified payroll and basic records, including time cards, tax forms, and superintendent and foreman daily logs, for all workers within each trade performing work on the Improvements. Such records shall include the name, address and social security number of each worker who worked on the covered project, his or her classification, a general description of the work each worker performed each day, the apprentice or journey-level status of each worker, daily and weekly number of hours worked, the self-identified race, gender, and ethnicity of each worker, whether or not the worker was a local resident or disadvantaged worker, and the referral source or method through which the Contractor hired or retained that worker for work on the Improvements (e.g., core workforce, name call, union hiring hall, City-designated referral source, or recruitment or hiring method). Contractor may verify that a worker is a local resident through the worker's possession of a valid SF City ID Card or other government- issued identification. OCII may require additional records to be kept with regard to Contractor's compliance with this Agreement. All records described in this section shall at all times be open to

inspection and examination by the duly authorized officers and agents of OCII, including representatives of the OEWD.

VII. ARBITRATION OF DISPUTES.

- A. **Arbitration** by **AAA**. Any dispute regarding this Construction Work Force Agreement shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further revisions thereof. The arbitration shall take place in the City and County of San Francisco.
- B. **Demand for Arbitration**. Where the Owner disagrees with the Agency's Notice of Non-Qualification or Notice of Non-Compliance, **the Owner shall have seven (7) business days, in which to file a Demand for Arbitration**, unless otherwise stipulated by the parties. The Demand for Arbitration shall contain at a minimum: (1) a cover letter demanding arbitration under this provision and identifying entities believed to be involved in the dispute; (2) a copy of the Notice of Non-Qualification or Notice of Non-Compliance; and (3) any written response to the Notice of Non-Qualification or Notice of Non-Compliance. If the Owner fails to file a timely Demand for Arbitration, the Owner shall be deemed to have accepted and to be bound by the finding of Non-Qualification or the findings and recommendations contained in the Notice of Non-Compliance.
- C. **Parties' Participation**. The Agency and all persons or entities that have a contractual relationship affected by the dispute shall be made an Arbitration Party. Any such person or entity not made an Arbitration Party in the Demand for Arbitration may intervene as an Arbitration Party and in turn may name any other such person or entity as an Arbitration Party, provided however, that the Owner made an initial timely Demand for Arbitration pursuant to Section VII.B. above.
- D. **Agency Request to AAA**. Within seven (7) business days after service of a Demand for Arbitration, the Agency shall transmit to AAA a copy of the Demand for Arbitration, the Notice of Non-Qualification or Notice of Non-Compliance, and any written response thereto from the affected party. Such material shall be made part of the arbitration record.
- E. **Selection of Arbitrator**. One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators from AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the Arbitration Parties fail to agree on an arbitrator within seven (7) days from the receipt of the panel, AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within ninety (90) days from the arbitrator's fulfillment of the disclosure requirements set forth in California Code of Civil Procedure Section 1281.9.

- F. **Setting of Arbitration Hearing.** A hearing shall be held within ninety (90) days of the date of the filing of the Request, unless otherwise agreed by the parties. The arbitrator shall set the date, time and place for the arbitration hearing(s) within the prescribed time periods by giving notice by hand delivery or first class mail to each Arbitration Party.
- G. **Discovery.** In arbitration proceedings hereunder, discovery shall be permitted in accordance with Code of Civil Procedure §1283.05.
- H. **Burden of Proof.** The burden of proof with respect to Construction Work Force compliance and/or Good Faith Efforts shall be on the Owner. The burden of proof as to all other alleged breaches by the Owner shall be on the Agency.
- I. **California Law Applies.** Except where expressly stated to the contrary in this Construction Work Force Agreement, California law, including the California Arbitration Act, Code of Civil Procedure §§ 1280 through 1294.2, shall govern all arbitration proceedings.
- J. **Arbitration Remedies and Sanctions.** The arbitrator may impose only the remedies and sanctions set forth below:
1. Order specific, reasonable actions and procedures, in the form of a temporary restraining order, preliminary injunction or permanent injunction, to mitigate the effects of the non-compliance and/or to bring any non-compliant Arbitration Party into compliance.
 2. Require any Arbitration Party to refrain from entering into new contracts related to work covered by the Owner or this Construction Work Force Agreement, or from granting extensions or other modifications to existing contracts related to services covered by the Owner or this Construction Work Force Agreement, other than those minor modifications or extensions necessary to enable compliance with this Construction Work Force Agreement.
 3. Direct any Arbitration Party to cancel, terminate, suspend or cause to be cancelled, terminated or suspended, any contract or portion(s) thereof for failure of any party to the arbitration to comply with any of the Agency's Work Force policy requirements. Contracts may be continued upon the condition that a program for future compliance is approved by the Agency.
 4. If any Arbitration Party is found to be in willful breach of its obligations hereunder, the arbitrator may impose a monetary sanction not to exceed Fifty Thousand Dollars (\$50,000.00) or ten percent (10%) of the base amount of the breaching party's contract, whichever is less, for each

such willful breach; provided that, in determining the amount of any monetary sanction to be assessed, the arbitrator shall consider the financial capacity of the breaching party. No monetary sanction shall be imposed pursuant to this paragraph for the first willful breach of this Construction Work Force Agreement unless the breaching party has failed to cure after being provided notice and a reasonable opportunity to cure. Monetary sanctions may be imposed for subsequent willful breaches by any Arbitration Party whether or not the breach is subsequently cured. For purposes of this paragraph, "willful breach" means a knowing and intentional breach.

5. Direct any Arbitration Party to produce and provide to the Agency any records, data or reports which are necessary to determine if a violation has occurred and/or to monitor the performance of any Arbitration Party.
- K. **Arbitrator's Decision.** The arbitrator shall make his or her award within twenty (20) days after the date that the hearing is completed; provided that where a temporary restraining order is sought, the arbitrator shall make his or her award not later than twenty-four (24) hours after the hearing on the motion. The arbitrator shall send the decision by certified or registered mail to each Arbitration Party.
- L. **Default Award; No Requirement to Seek an Order Compelling Arbitration.** The arbitrator may enter a default award against any person or entity who fails to appear at the hearing, provided that: (1) said person or entity received actual notice of the hearing; and (2) the complaining party has a proof of service for the absent person or entity. In order to obtain a default award, the complaining party need not first seek or obtain an order to arbitrate the controversy pursuant to Code of Civil Procedure §1281.2.
- M. **Arbitrator Lacks Power to Modify.** Except as otherwise provided, the arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter the terms of this Construction Work Force Agreement or any other agreement between the Agency and Owner or to negotiate new agreements or provisions between the parties.
- N. **Jurisdiction/Entry of Judgment.** The inquiry of the arbitrator shall be restricted to the particular controversy which gave rise to the Demand for Arbitration. A decision of the arbitrator issued hereunder shall be final and binding upon all Arbitration Parties. The non-prevailing Arbitration Party(ies) shall pay the arbitrator's fees and related costs of arbitration (or reimburse the Arbitration Parties that advanced such arbitration fees and costs). Each Arbitration Party shall pay its own attorneys' fees, provided, however, that attorneys' fees may be awarded to the prevailing party if the arbitrator finds that the arbitration action was instituted, litigated, or defended in bad faith. Judgment upon the arbitrator's decision may be entered in any court of

competent jurisdiction.

- O. **Exculpatory Clause.** Owner expressly waives any and all claims against the Agency for damages, direct or indirect, including, without limitation, claims relative to the commencement, continuance and completion of construction and/or providing professional and consulting services (“the Work”). Owner acknowledges and agrees that the procedures set forth herein for dealing with alleged breaches or failure to comply with the obligations and requirements of this Construction Work Force Agreement are reasonable and have been anticipated by the parties in securing financing, in inviting, submitting and receiving bids and proposals for the planning, design and construction of the improvements and in determining the times for commencement and completion of the planning, design and construction and/or for providing consulting, professional or personal services.
- P. **Severability.** The provisions of this Construction Work Force Agreement are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of this Construction Work Force Agreement or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of this Construction Work Force Agreement or the validity of their application to other persons or circumstances.
- Q. **Arbitration Notice:** BY INITIALING IN THE SPACE BELOW YOU ARE AGREEING TO HAVE ANY DISPUTE ARISING OUT OF THE MATTERS INCLUDED IN THE "ARBITRATION OF DISPUTES" PROVISION DECIDED BY NEUTRAL ARBITRATION AS PROVIDED BY CALIFORNIA LAW AND YOU ARE GIVING UP ANY RIGHTS YOU MIGHT POSSESS TO HAVE THE DISPUTE LITIGATED IN COURT OR JURY TRIAL. BY INITIALING IN THE SPACE BELOW YOU ARE GIVING UP YOUR JUDICIAL RIGHTS TO DISCOVERY AND APPEAL, UNLESS SUCH RIGHTS ARE SPECIFICALLY INCLUDED IN THE "ARBITRATION OF DISPUTES" PROVISION. IF YOU REFUSE TO SUBMIT TO ARBITRATION AFTER AGREEING TO THIS PROVISION, YOU MAY BE COMPELLED TO ARBITRATE UNDER THE AUTHORITY OF THE CALIFORNIA CODE OF CIVIL PROCEDURE. YOUR AGREEMENT TO THIS ARBITRATION PROVISION IS VOLUNTARY.

EXHIBIT 7-3
Prevailing Wage Policy

These Prevailing Wage Provisions (hereinafter referred to as "Labor Standards") apply to any and all construction of the Improvements and Subtenant Improvements as defined in the underlying agreement between the Tenant and OCII of which this Attachment and these Labor Standards are a part.

11.1 All Contracts and Subcontracts for construction and construction-related improvements shall contain the Labor Standards.

- (a) All specifications relating to the construction of the Improvements shall contain these Labor Standards and the Tenant shall have the responsibility to assure that all contracts and subcontracts, regardless of tier, incorporate by reference the specifications containing these Labor Standards. If for any reason said Labor Standards are not included, the Labor Standards shall nevertheless apply. The Tenant shall supply the Agency with true copies of each contract relating to the construction of the Improvements showing the specifications that contain these Labor Standards promptly after due and complete execution thereof and before any work under such contract commences. Failure to do shall be a violation of these Labor Standards.
- (b) Before close of escrow under the Agreement and as a condition to close of escrow, the Tenant shall also supply a written confirmation to the Agency from any construction lender for the Improvements that such construction lender is aware of these Labor Standards.

11.2 Definitions. The following definitions shall apply for purposes of this Exhibit H:

- (a) "Contractor" is the Tenant if permitted by law to act as a contractor, the general contractor, and any contractor as well as any subcontractor of any tier subcontractor having a contract or subcontract that exceeds \$10,000, and who employs Laborers, Mechanics, working foremen, and security guards to perform the construction on all or any part of the Improvements.

- (a) "Laborers" and "Mechanics" are all persons providing labor to perform the construction, including working foremen and security guards.
- (b) "Working foreman" is a person who, in addition to performing supervisory duties, performs the work of a Laborer or Mechanic during at least 20 percent of the work week.

11.3 Prevailing Wage.

- (a) All Laborers and Mechanics employed in the construction of the improvements will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by §5) the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at the time of payment computed at rates not less than those contained in the General Prevailing Wage Determination (hereinafter referred to as the "Wage Determination") made by the Director of Industrial Relations pursuant to California Labor Code Part 7, Chapter 1, Article 2, sections 1770, 1773 and 1773.1, regardless of any contractual relationship which may be alleged to exist between the Contractor and such Laborers and Mechanics. A copy of the applicable Wage Determination is on file in the offices of the Agency.
- (b) All Laborers and Mechanics shall be paid the appropriate wage rate and fringe benefits for the classification of work actually performed, without regard to skill. Laborers or Mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein provided that the Contractor's payroll records accurately set forth the time spent in each classification in which work is performed.
- (c) Whenever the wage rate prescribed in the Wage Determination for a class of Laborers or Mechanics includes a fringe benefit which is not expressed as an hourly rate, the Contractor shall either pay the benefit in the manner as stated therein i.e. the vacation plan, the health benefit program, the pension plan and the apprenticeship program, or shall pay an hourly cash equivalent thereof.
- (d) If the Contractor does not make payments to a trustee or other third person, the Contractor may consider as part of the wages of any

Laborer or Mechanic the amount of any costs reasonably anticipated in providing benefits under a plan or program of a type expressly listed in the Wage Determination, provided that the Executive Director of the Agency has found, upon the written request of the Contractor, made through the Contractor that the intent of the Labor Standards has been met. Records of such costs shall be maintained in the manner set forth in subsection (a) of §8. The Executive Director of the Agency may require the Contractor to set aside in a separate interest bearing account with a member of the Federal Deposit Insurance Corporation, assets for the meeting of obligations under the plan or program referred to above in subsection (b) of this §4. The interest shall be accumulated and shall be paid as determined by the Agency acting at its sole discretion.

- (e) Regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

11.4 Permissible Payroll Deductions.

The following payroll deductions are permissible deductions. Any others require the approval of the Agency's Executive Director.

- (a) Any withholding made in compliance with the requirements of Federal, State or local income tax laws, and the Federal social security tax.
- (b) Any repayment of sums previously advanced to the employee as a bona fide prepayment of wages when such prepayment is made without discount or interest. A "bona fide prepayment of wages" is considered to have been made only when case or its equivalent has been advanced to the employee in such manner as to give him or her complete freedom of disposition of the advanced funds.
- (c) Any garnishment, unless it is in favor of the Contractor (or any affiliated person or entity), or when collusion or collaboration exists.
- (d) Any contribution on behalf of the employee, to funds established by the Contractor, representatives of employees or both, for the purpose of providing from principal, income or both, medical or hospital care, pensions or annuities on retirement, death benefits, compensation for injuries, illness, accidents, sickness or disability, or for insurance to provide any of the foregoing, or unemployment benefits, vacation pay, savings accounts or

similar payments for the benefit of employees, their families and dependents provided, however, that the following standards are met:

1. The deduction is not otherwise prohibited by law; and
 2. It is either:
 - a. Voluntarily consented to by the employee in writing and in advance of the period in which the work is to be done and such consent is not a condition either for obtaining or for the continuation of employment, or
 - b. Provided for in a bona fide collective bargaining agreement between the Contractor and representatives of its employees; and
 3. No profit or other benefit is otherwise obtained, directly or indirectly, by the Contractor (or any affiliated person or entity) in the form of commission, dividend or otherwise; and
 4. The deduction shall serve the convenience and interest of the employee.
- (e) Any authorized purchase of United States Savings Bonds for the employee.
- (f) Any voluntarily authorized repayment of loans from or the purchase of shares in credit unions organized and operated in accordance with Federal and State credit union statutes.
- (g) Any contribution voluntarily authorized by the employee for the American Red Cross, United Way and similar charitable organizations.
- (h) Any payment of regular union initiation fees and membership dues, but not including fines or special assessments provided, that a collective bargaining agreement between the Contractor and representatives of its employees provides for such payment and the deductions are not otherwise prohibited by law.

11.5 Apprentices and Trainees. Apprentices and trainees will be permitted to work at less than the Mechanic's rate for the work they perform when they are employed pursuant to and are individually registered in an

apprenticeship or trainee program approved by the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training ("BAT") or with the California Department of Industrial Relations, Division of Apprenticeship Standards ("DAS") or if a person is employed in his or her first 90 days of probationary employment as an apprentice or trainee in such a program, who is not individually registered in the program, but who has been certified by BAT or DAS to be eligible for probationary employment. Any employee listed on a payroll at an apprentice or trainee wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate for a Mechanic. Every apprentice or trainee must be paid at not less than the rate specified in the registered program for the employee's level of progress, expressed as a percentage of a Mechanic's hourly rate as specified in the Wage Determination. Apprentices or trainees shall be paid fringe benefits in accordance with the provisions of the respective program. If the program does not specify fringe benefits, employees must be paid the full amount of fringe benefits listed in the Wage Determination.

11.6 **Overtime.** No Contractor contracting for any part of the construction of the improvements which may require or involve the employment of Laborers or Mechanics shall require or permit any such Laborer or Mechanic in any workweek in which he or she is employed on such construction to work in excess of eight hours in any calendar day or in excess of 40 hours in such workweek unless such Laborer or Mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of eight hours in any calendar day or in excess of 40 hours in such workweek, whichever is greater.

11.7 **Payrolls and Basic Records.**

- (a) Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of its construction of the improvements and preserved for a period of one year thereafter for all Laborers and Mechanics it employed in the construction of the improvements. Such records shall contain the name, address and social security number of each employee, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for fringe benefits or cash equivalents thereof), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the wages of any Laborer or Mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program, the Contractor shall maintain records which show the costs anticipated or the actual costs incurred in providing such

benefits and that the plan or program has been communicated in writing to the Laborers or Mechanics affected. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage prescribed in the applicable programs or the Wage Determination.

- (b) The Contractor shall submit to the Agency on each Wednesday at noon a copy of the payrolls for the week preceding the previous week in which any construction of the improvements was performed. The payrolls submitted shall set out accurately and completely all of the information required by the Agency's Optional Form, an initial supply of which may be obtained from the Agency. The Contractor if a prime contractor or the Contractor acting as the Contractor is responsible for the submission of copies of certified payrolls by all subcontractors; otherwise each Contractor shall timely submit such payrolls.

11.8 Each weekly payroll shall be accompanied by the Statement of Compliance that accompanies the Agency's Optional Form and properly executed by the Contractor or his or her agent, who pays or supervises the payment of the employees.

- (a) The Contractor shall make the records required under this §8 available for inspection or copying by authorized representatives of the Agency, and shall permit such representatives to interview employees during working hours on the job. On request the Executive Director of the Agency shall advise the Contractor of the identity of such authorized representatives.

11.9 **Occupational Safety and Health.** No Laborer or Mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous to his or her safety and health as determined under construction safety and health standards promulgated by Cal-OSHA or if Cal-OSHA is terminated, then by the federal OSHA.

11.10 **Equal Opportunity Program.** The utilization of apprentices, trainees, Laborers and Mechanics under this part shall be in conformity with the Agency's equal opportunity program set forth in Attachment 5 of this Lease Agreement.

11.11 **Nondiscrimination Against Employees for Complaints.** No Laborer or Mechanic to whom the wage, salary or other Labor Standards of this

Agreement are applicable shall be discharged or in any other manner discriminated against by the Contractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding under or relating to these Labor Standards.

11.12 **Posting of Notice to Employees.** A copy of the Wage Determination referred to in subsection (a) of §4 together with a copy of a "Notice to Employees," in the form appearing on the last page of these Labor Standards, shall be given to the Contractor at the close of escrow. The Notice to Employees and the Wage Determination shall both be posted and maintained by the Contractor in a prominent place readily accessible to all applicants and employees performing construction of the improvements before construction commences. If such Notice and Wage Determination is not so posted or maintained, the Agency may do so.

11.13 **Violation and Remedies.**

- (a) Liability to Employee for Unpaid Wages. The Contractor shall be liable to the employee for unpaid wages, overtime wages and benefits in violation of these Labor Standards.

- (b) Stop Work--Contract Terms, Records and Payrolls. If there is a violation of these Labor Standards by reason of the failure of any contract or subcontract for the construction of the improvements to contain the Labor Standards as required by §2 ("Non-Conforming Contract"); or by reason of any failure to submit the payrolls or make records available as required by §8 ("Non-Complying Contractor"), the Executive Director of the Agency may, after written notice to the Contractor with a copy to the Contractor involved and failure to cure the violation within five working days after the date of such notice, stop the construction work under the Non-Conforming Contract or of the Non-Complying Contractor until the Non-Conforming Contract or the Non-Complying Contractor comes into compliance.

- (c) Stop Work and Other Violations. For any violation of these Labor Standards the Executive Director of the Agency may give written notice to the Contractor, with a copy to the Contractor involved, which notice shall state the claimed violation and the amount of money, if any, involved in the violation. Within five working days from the date of said notice, the Contractor shall advise the Agency in writing whether or not the violation is disputed by the Contractor and a statement of reasons in support of such dispute (the "Notice of Dispute"). In addition to the foregoing, the Contractor, upon receipt of the notice of claimed

violation from the Agency, shall with respect to any amount stated in the Agency notice withhold payment to the Contractor of the amount stated multiplied by 45 working days and shall with the Notice of Dispute, also advise the Agency that the moneys are being or will be withheld. If the Contractor fails to timely give a Notice of Dispute to the Agency or to advise of the withhold, then the Executive Director of the Agency may stop the construction of the improvements under the applicable contract or by the involved Contractor until such Notice of Dispute and written withhold advice has been received.

Upon receipt of the Notice of Dispute and withhold advice, any stop work which the Executive Director has ordered shall be lifted, but the Contractor shall continue to withhold the moneys until the dispute has been resolved either by agreement, or failing agreement, by arbitration as is provided in §14.

- (d) Withholding Certificates of Completion. The Agency may withhold any or all certificates of completion of the improvements provided for in this Agreement, for any violations of these Labor Standards until such violation has been cured.
- (e) General Remedies. In addition to all of the rights and remedies herein contained, but subject to arbitration, except as hereinafter provided, the Agency shall have all rights in law or equity to enforce these Labor Standards including, but not limited to, a prohibitory or mandatory injunction. Provided, however, the stop work remedy of the Agency provided above in subsection (b) and (c) is not subject to arbitration.

11.14 Arbitration of Disputes.

- (a) Any dispute regarding these Labor Standards shall be determined by arbitration through the American Arbitration Association, San Francisco, California office ("AAA") in accordance with the Commercial Rules of the AAA then applicable, but subject to the further provisions thereof.
- (b) The Agency and all persons or entities who have a contractual relationship affected by the dispute shall be made a party to the arbitration. Any such person or entity not made a party in the demand for arbitration may intervene as a party and in turn may name any such person or entity as a party.
- (c) The arbitration shall take place in the City and County of San Francisco.

- (d) Arbitration may be demanded by the Agency, the Tenant or the Contractor.
- (e) With the demand for arbitration, there must be enclosed a copy of these Labor Standards, and a copy of the demand must be mailed to the Agency and the Contractor, or as appropriate to one or the other if the Contractor or the Agency is demanding arbitration. If the demand does not include the Labor Standards they are nevertheless deemed a part of the demand. With the demand if made by the Agency or within a reasonable time thereafter if not made by the Agency, the Agency shall transmit to the AAA a copy of the Wage Determination (referred to in §4) and copies of all notices sent or received by the Agency pursuant to §13. Such material shall be made part of the arbitration record.
- (f) One arbitrator shall arbitrate the dispute. The arbitrator shall be selected from the panel of arbitrators of the AAA by the parties to the arbitration in accordance with the AAA rules. The parties shall act diligently in this regard. If the parties fail to select an arbitrator, within seven (7) days from the receipt of the panel, the AAA shall appoint the arbitrator. A condition to the selection of any arbitrator shall be that person's agreement to render a decision within 30 days from appointment.
- (g) Any party to the arbitration whether the party participates in the arbitration or not shall be bound by the decision of the arbitrator whose decision shall be final and binding on all of the parties and any and all rights of appeal from the decision are waived except a claim that the arbitrator's decision violates an applicable statute or regulation. The decision of the arbitrator shall be rendered on or before 30 days from appointment. The arbitrator shall schedule hearings as necessary to meet this 30 day decision requirement and the parties to the arbitration, whether they appear or not, shall be bound by such scheduling.
- (h) Any party to the arbitration may take any and all steps permitted by law to enforce the arbitrator's decision and if the arbitrator's decision requires the payment of money the Contractor shall make the required payments and the Contractor shall pay the Contractor from money withheld.
- (i) Costs and Expenses. Each party shall bear its own costs and expenses of the arbitration and the costs of the arbitration shall be shared equally among the parties.

11.15 **Non-liability of the Agency.** The Contractor and each Contractor acknowledge and agree that the procedures hereinafter set forth for dealing with violations of these Labor Standards are reasonable and have been anticipated by the parties in securing financing, in inviting, submitting and receiving bids for the construction of the improvements, in determining the time for commencement and completion of construction and in proceeding with construction work. Accordingly the Contractor, and any Contractor, by proceeding with construction expressly waives and is deemed to have waived any and all claims against the Agency for damages, direct or indirect, arising out of these Labor Standards and their enforcement and including but not limited to claims relative to stop work orders, and the commencement, continuance or completion of construction.

EXHIBIT 7-5

Health Care Accountability Policy Declaration

What the Policy does. The Office of Community Investment and Infrastructure (“OCII”) (as Successor Agency to the Redevelopment Agency of the City and County of San Francisco) adopted the San Francisco Health Care Accountability Policy (the “HCAP”), which became effective on September 25, 2001. The HCAP requires contractors and subcontractors that provide services to OCII, contractors and subcontractors that enter into leases with OCII, and parties providing services to tenants and sub-tenants on OCII property to offer health plan benefits to their employees.

Specifically, contractors can either: (1) offer the employee minimum standard health plan benefits established by the San Francisco Department of Public Health (“SFPDH”), as approved by the OCII Commission; (2) pay OCII an amount equivalent to the current fee established by the SFPDH for each hour the employee works on the covered contract or subcontract or on property covered by a lease and OCII will appropriate the money for staffing and other resources to provide medical care for the uninsured; or (3) participate in a health benefits program developed and offered by SFPDH. The minimum health plan standards and fees established by SFPDH are published at <https://sfgov.org/olse/health-care-accountability-ordinance-hcao>.

OCII may require contractors to submit reports on the number of employees affected by the HCAP.

Effect on OCII contracting. For contracts and amendments signed on or after September 25, 2001, the HCAP will have the following effect:

- in each contract, the contractor will agree to abide by the HCAP and to provide its employees the minimum benefits the HCAP requires, and to require its subcontractors to do the same.
- if a contractor does not provide the HCAP’s minimum benefits, OCII can award a contract to that contractor **only if** the contract is exempt under the HCAP, or if the contract has received a waiver from OCII.

What this form does. Your signed declaration will help OCII’s contracting practice. Sign this form if you can assure OCII that, beginning with the first OCII’s contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the HCAP to your covered employees, and will ensure that your subcontractors also subject to the HCAP do the same.

If you cannot make this assurance now, please do not return this form.

For more information, please see the complete text of the HCAP, available from the OCII’s Contract Compliance Department at: (415) 749-2400 or <http://sfocii.org/policies-and-procedures>.

This company will give such notice as soon as possible.

EXHIBIT 7-6

Minimum Compensation Policy Declaration

What the Policy does. The Office of Community Investment and Infrastructure (“OCII”) (Successor Agency to the San Francisco Redevelopment Agency) adopted the Minimum Compensation Policy (“MCP”), which became effective on September 25, 2001. The MCP requires contractors and subcontractors to pay Covered Employees a minimum hourly wage and to provide 12 compensated and 10 uncompensated days off per year. The Minimum Compensation rate adjusts automatically to match the wage rate required by the City and County of San Francisco’s Minimum Compensation Ordinance. Contractor is obligated to keep informed of the then-current requirements, which are published at <https://sfgov.org/olse/minimum-compensation-ordinance-mco>.

OCII may require contractors to submit reports on the number of employees affected by the MCP.

Effect on OCII contracting. For contracts and amendments signed on or after September 25, 2001, the MCP will have the following effect:

- in each contract, the contractor will agree to abide by the MCP and to provide its employees the minimum benefits the MCP requires, and to require its subcontractors subject to the MCP to do the same.
- if a contractor does not provide the MCP minimum benefits, OCII can award a contract to that contractor only if the contract is exempt under the MCP, or if the contract has received a waiver from OCII.

What this form does. Your signed declaration will help OCII’s contracting practice. Sign this form if you can assure OCII that, beginning with the first OCII contract or amendment you receive after September 25, 2001 and until further notice, you will provide the minimum benefit levels specified in the MCP to your covered employees, and will ensure that your subcontractors also subject to the MCP do the same.

If you cannot make this assurance now, please do not return this form.

For more information, please see the complete text of the MCP, available from the OCII Contract Compliance Department at (415) 749-2400 or <http://sfocii.org/policies-and-procedures>.

Routing. Return this form to: Contract Compliance Department, Office of Community Investment and Infrastructure (Successor to the San Francisco Redevelopment Agency), 1 South Van Ness, Fifth Floor, San Francisco, CA 94103.

Declaration

covered employees, and will ensure that our subcontractors also subject to the MCP do the same, until further notice. This company will give such notice as soon as possible.
