19 Be it ordained by the People of the City and County of San Francisco:

20 Section 1. The Police Code is hereby amended by adding Article 58, consisting of  
21 Sections 5800 - 5813, to read as follows:

22 **ARTICLE 58: TENDERLOIN RETAIL ESTABLISHMENT PILOT PROGRAM**

23 **SEC. 5800. FINDINGS AND PURPOSE.**

24 *(a) There is a worsening epidemic of opioid addiction and use in San Francisco, as in other*  
25 *major U.S. cities.*

1           (b) San Francisco’s Tenderloin police district (the “Tenderloin”) has the City’s highest rate of  
2 drug-related crime, including narcotics offenses and gun-related crimes frequently connected with drug  
3 offenses. The Tenderloin is also home to a high density of low- and middle-income families, including  
4 many families with children.

5           (c) The high rate of drug-related crime in the Tenderloin leads individuals and families that  
6 live, work, and attend school in the neighborhood to believe they face health and safety risks, including  
7 exposure to drugs, needles, human waste, uncontained refuse, and other hazardous materials that are  
8 left on sidewalks and streets. People who live, work, and attend school in the neighborhood have also  
9 expressed fear about exposure to drug sales and use, gunshots, physical assault and intimidation by  
10 individuals or groups engaged in illegal activity, and property crimes such as theft and damage to  
11 storefronts and vehicles.

12           (d) The prevalence of drug sales and use in the Tenderloin prompted the City to launch the  
13 Drug Market Agency Coordinated Command, led by the Police Department, to coordinate City, state,  
14 and federal resources to abate drug sales and use, and related criminal conduct, in the Tenderloin.

15           (e) Outdoor, public drug sales and use in the Tenderloin are common and cause particularly  
16 acute public health and safety risks late at night (including in the very early hours of the morning),  
17 when large groups gather in lighted areas adjacent to open retail food and tobacco businesses to  
18 engage in drug sales and use.

19           (f) Large gatherings of people engaged in drug sales and use are particularly prevalent in the  
20 area of the Tenderloin bounded to the north by O’Farrell Street, to the south by McAllister Street, to  
21 the east by Jones Street, and to the west by Polk Street (an area referred to in this Article 58 as the  
22 “Tenderloin Public Safety Area”). The Police Department has analyzed 2023 incident reports for  
23 narcotics crimes and other crimes frequently connected with drug activity in the Tenderloin, and  
24 determined that a relatively high concentration of these incidents between the hours of 12:00 a.m. and  
25 5:00 a.m. were reported in the Tenderloin Public Safety Area. The Police Department has also

1 observed that, as compared with similar-sized areas in the City, including other areas in the  
2 Tenderloin, the Tenderloin Public Safety Area has the highest concentration of large groups engaged in  
3 drug sales and use in public, outdoor spaces during late night (which includes very early morning)  
4 hours.

5 (g) Large groups of people engaged in drug sales and use in the Tenderloin Public Safety Area  
6 generally form and congregate in the vicinity of retail businesses selling food and tobacco products  
7 that are open to the public during those hours. By being open so late, these retail food and tobacco  
8 establishments in effect facilitate the late nighttime drug market by providing a lighted gathering point  
9 for drug users and dealers, by enabling drug user and dealers to take cover indoors to avoid police  
10 patrols, and, in some cases, by selling tobacco, tobacco paraphernalia, and other retail goods used by  
11 people engaged in drug use and sales.

12 (h) The Police Department compared 2023 data regarding narcotics offenses and other  
13 serious crimes often connected with narcotics – including homicide, rape, robbery, assaults, and  
14 shootings – that occurred between 12:00 a.m. and 5:00 a.m. in the Tenderloin Public Safety Area with  
15 the same data from an area around Portsmouth Square in Chinatown. The selected Portsmouth Square  
16 area is equivalent to the Tenderloin Public Safety Area in size and in its combination of commercial  
17 and residential uses, but in contrast to the Tenderloin Public Safety Area, the Portsmouth Square area  
18 has few or no retail food and tobacco businesses open to the public late at night. The Police  
19 Department found that the rate of serious crime between 12:00 a.m. and 5:00 a.m. was significantly  
20 higher in the Tenderloin Public Safety Area than in the Portsmouth Square area: Approximately 190  
21 incidents of serious crime occurred in the Tenderloin Public Safety Area between 12:00 a.m. and 5:00  
22 a.m. during 2023, as compared with approximately 30 such incidents in the targeted Portsmouth  
23 Square area.

24 (i) The gatherings of large groups engaged in drug activity late at night in the Tenderloin  
25 Public Safety Area present particular health and safety risks and give rise to feelings of insecurity and

1 fear on the part of local residents. The large groups contribute to property crimes and violent crime in  
2 the area. They leave large amounts of debris on the streets and sidewalks, creating unsanitary  
3 conditions. Residents living closest to congregation points for these groups, especially seniors and  
4 families with children, have expressed that they are so anxious about the hostile conditions they  
5 encounter on neighborhood sidewalks that they feel fearful to walk outdoors during the nighttime and  
6 early morning hours, when they are likely to encounter these groups engaged in drug-related activity  
7 and the debris generated by the groups. Residents must move past and through these large crowds in  
8 order to access or leave their homes; they describe feeling threatened and unsafe.

9 (j) Large groups engaged in drug use and sales late at night also present serious challenges to  
10 effective law enforcement. Large groups are difficult for the police to control and pose safety risks for  
11 officers, as the people engaged in illegal activity typically outnumber police officers on patrol. It is  
12 more difficult for police officers to observe and document behavior by individuals that would establish  
13 the reasonable suspicion or probable cause required for officers to initiate enforcement actions when  
14 individuals engaged in criminal conduct are embedded in a large crowd. Individuals are easily lost or  
15 concealed in a crowd, particularly when the crowd is comprised of many people engaging in illegal  
16 activity. And proximity to open retail businesses enables individuals engaged in criminal activity to  
17 take cover inside the open retail business when a police patrol appears.

18 (k) The Office of the Mayor and the Police Department assert that ~~B~~barring retail food  
19 and tobacco establishments from being open to the public between 12:00 a.m. and 5:00 a.m. is likely to  
20 yield public safety gains for local residents and visitors. Eliminating the nighttime safety problems is  
21 likely to increase the overall vibrancy of the Tenderloin, which could yield economic benefits to  
22 businesses impacted by the restriction on hours of operation.

23 (l) In spite of the Department of Health's 2022 Overdose Prevention Plan, which  
24 committed to open multiple "Wellness Hubs" across San Francisco in various impacted  
25 neighborhoods to reach people who use drugs, provide overdose prevention services, and

1 ultimately help improve street conditions in San Francisco, the City has not operated any such  
2 sites since the closure of the Tenderloin Center, in December 2022.

3 (m) Some businesses in the Tenderloin Public Safety Area, as of June 2024, have  
4 an active liquor license from the California Department of Alcoholic Beverage Control (ABC),  
5 and are already highly regulated, required to close by 2:00 a.m., and required to adhere to  
6 strict operating standards as a condition of their license.

7 (n) Based on the foregoing, †The Office of the Mayor and the Police Department  
8 assert that the requirements imposed in this Article 58 are likely to improve public safety in the  
9 Tenderloin. This pilot program, prohibiting for two years retail food and tobacco establishments in the  
10 Tenderloin Public Safety Area from being open to the public between 12:00 a.m. and 5:00 a.m., or  
11 between 2:00 a.m. and 5:00 a.m. if they are ABC licensees, will enable the Police Department  
12 and certain other City departments to evaluate the effectiveness of this restriction in improving  
13 public safety in the Tenderloin. This will inform the judgment of the Police Department and  
14 policymakers as to next steps to take to maintain public safety in the Tenderloin.

15 (o) While the restrictions in Article 58 may affect some businesses and may result in  
16 some level of hardship for those businesses, the City, in reliance upon the judgment of the  
17 Police Department, has determined that the potential benefits of these restrictions outweigh  
18 the potential harms, as the restrictions are attempting to address the urgent needs and  
19 conditions that exist in the Tenderloin Public Safety Area.

20 (p) To ensure positive investment in the community during the pilot program, the  
21 City should ensure that community ambassadors, enhanced regular street and sidewalk  
22 cleaning, and trash pickup are prioritized within the Tenderloin Public Safety Area.

23 (q) This Article 58 is not intended to limit the enforcement of other laws and  
24 regulations by City departments, including but not limited to the City Attorney, Department of  
25 Public Health, Police Department, and Sheriff's Office, to address the conditions noted herein.

1 and any state or federal agencies and regulators with jurisdiction to address matters that arise  
2 within the Tenderloin Public Safety Area.

3 (r) The Board of Supervisors urges the Office of the Mayor, the Police Department,  
4 and other City departments, as applicable, to continue to undertake enforcement efforts  
5 during this pilot program against businesses that are engaged in conduct that is already  
6 illegal, including illegal onsite gambling, fraud, and health and safety violations.

7

5 **SEC. 5802. ESTABLISHMENT OF TWO-YEAR PILOT PROGRAM TO PROHIBIT**  
6 **OPERATION OF RETAIL ESTABLISHMENTS IN THE TENDERLOIN PUBLIC SAFETY**  
7 **AREA DURING RESTRICTED HOURS.**

8 (a) For a two-year period beginning on the effective date of this Article 58, no Retail  
9 Establishment as defined in section 5801 that is located in the Tenderloin Public Safety Area may  
10 be open to the public during applicable Restricted Hours.

11 (b) At least 15 days prior to the start of the pilot program, DPH and OEWD shall  
12 contact all Retail Establishments (including ABC Licensees) to explain the new restrictions  
13 and restricted hours. Such contact shall be conducted in the appropriate language to ensure  
14 that the operator of the establishment is able to understand the new restrictions. In addition,  
15 OEWD shall create a way for businesses in the Tenderloin Public Safety Area to provide  
16 feedback to the City regarding the pilot program, its enforcement, and its effects.

17  
18 **SEC. 5803. ADMINISTRATIVE ENFORCEMENT – DEPARTMENTS.**

19 (a) Enforcing Department. This Article 58 shall be administered and enforced by the  
20 Department of Public Health (DPH). The Director may adopt rules, regulations, and guidelines to  
21 carry out the provisions and purposes of this Article.

22 (b) Supporting Department. The Police Department shall ensure that its members document  
23 violations of Section 5802 in incident reports or other formats, such as body-worn camera footage,  
24 provided those other formats capture the information typically included in an incident report, and shall  
25 refer documented violations to DPH for enforcement. The Police Department shall assist in DPH’s

1 administrative enforcement as requested by DPH, including by providing incident reports or equivalent  
2 documentation and other evidence when requested by DPH, and by making Police Department  
3 members available to provide declarations and/or testimony at hearings when requested by DPH.

4  
5 **SEC. 5804. ADMINISTRATIVE ENFORCEMENT PROCEDURE – NOTICE OF**  
6 **VIOLATION, HEARING, AND ORDER.**

7 (a) If the Director determines that a Retail Establishment (including an ABC Licensee) has  
8 violated Section 5802, the Director may issue a Notice of Violation to the Retail Establishment, the  
9 owner of real property where the violation occurred, and/or other person(s) the Director deems  
10 responsible for causing the violation (collectively, “Responsible Parties”). The issuance of the Notice  
11 of Violation may be by hand delivery, registered mail, or electronic mail. The Notice of Violation may  
12 be directed at one or more Responsible Parties; use herein of the singular term “Responsible Party” is  
13 merely for ease of reference.

14 (b) The Notice of Violation shall include the following information:

15 (1) That the Director has determined that the Retail Establishment has operated in  
16 violation of this Article 58;

17 (2) The alleged acts or failures to act that constitute the basis for the Director’s  
18 determination;

19 (3) That the Director intends to take enforcement action against the Responsible Party,  
20 and the nature of that action, including the administrative penalty and enforcement costs to be  
21 imposed;

22 (4) That the Responsible Party has the right to request a hearing before the Director  
23 within 15 days after the Notice of Violation is issued, which request must be made in writing.

24 (c) If no request for a hearing is filed with the Director within the appropriate period, the  
25 right to request a hearing shall be deemed waived, and the Director’s determination shall become final

1 and effective 15 days after the Notice of Violation was issued. The Director shall issue an order  
2 imposing the enforcement action, and shall send the order to the Responsible Parties by hand  
3 delivery, registered mail, or electronic mail. In subsequent civil proceedings, such violations shall be  
4 deemed not to have been corrected. The failure of the Responsible Party to request a hearing shall  
5 constitute a failure to exhaust administrative remedies and shall preclude the Responsible Party from  
6 obtaining judicial review of the validity of the enforcement action.

7 (d) Upon a timely request for a hearing, the Director shall, within 15 days of the request,  
8 notify the Responsible Party of the date, time, and place of the hearing. Such notification may be made  
9 by hand delivery, registered mail, or electronic mail. The Director shall make available to the  
10 Responsible Party any evidence obtained in support of the Notice of Violation. Such hearing shall be  
11 held no later than 60 days after the Director receives the request, unless time is extended by mutual  
12 agreement of the Responsible Party and the Director.

13 (e) The Director shall serve as hearing officer and conduct the hearing, or the Director shall  
14 designate another person to serve as hearing officer, who shall have the same authority as the Director  
15 to hear and decide the case and make any orders consistent with this Article 58. The Responsible Party  
16 may present evidence for consideration, subject to any rules adopted by the hearing officer for the  
17 orderly conduct of the hearing. Within 60 days of the conclusion of the hearing, the hearing officer  
18 shall render a decision in the form of a written order, which the Director shall promptly serve on the  
19 Responsible Parties. Service of the written order may be made by hand delivery, registered mail, or  
20 electronic mail. The order shall state whether the Notice of Violation has been upheld (in whole or in  
21 part), and the enforcement action taken against each party.

22 (f) If the order directs the Responsible Party to pay an administrative penalty and/or  
23 enforcement costs, such amount shall be paid within fifteen days from the mailing of the order; the  
24 order shall inform the Responsible Party of such deadline for payment.

1            **SEC. 5805. VIOLATIONS, ADMINISTRATIVE PENALTIES, AND ENFORCEMENT**

2            **COSTS.**

3            (a) Violations Subject to Penalties. For purposes of assessing penalties for violation of  
4            Section 5802, each one-hour period within Restricted Hours during which, at any time, a Retail  
5            Establishment is open to the public in violation of Section 5802 is a separate violation. A Responsible  
6            Party may not be cited or found civilly liable for multiple violations of Section 5802 in a single 12 a.m.-  
7            to-5 a.m. period (or 2 a.m.-to 5-a.m. period in the case of ABC Licensees), unless (1) the  
8            violations are at least one hour apart from one another, and (2) at the time of the preceding violation,  
9            the Responsible Party receives warning of its violation of Section 5802 and continues to operate or  
10           operates again in violation of Section 5802 after such warning has been given.

11           (b) Penalty Amounts. In setting the amount of the administrative penalty, which shall not  
12           exceed \$1,000 per violation, the Director may consider any one or more mitigating or aggravating  
13           circumstances presented, including, but not limited to, the following: the nature and seriousness of the  
14           misconduct giving rise to the violation, the number of violations, the persistence of the misconduct, the  
15           length of time over which the misconduct occurred, the willfulness of the Responsible Party's  
16           misconduct, and the responsible party's assets, liabilities and net worth.

17           (c) Enforcement Costs. In any action where a violation is found, the Director shall assess  
18           DPH's costs of enforcement against the Responsible Party.

19           (d) Payment and Collection of Administrative Penalty and Enforcement Costs. Any  
20           administrative penalty and/or enforcement costs assessed under this Article 58 is a debt to the City and  
21           shall be paid to the Treasurer of the City and County of San Francisco. Any amount paid late shall be

23           10% late fine shall accrue interest at the rate of 1% per month (or fraction thereof) until fully paid; any  
24           partial payments made shall first be applied to accrued interest. The City may file a civil action or

2 for the costs and attorneys' fees incurred by the City in bringing such civil action.

3 (e) Lien for Administrative Penalty. Where an activity or condition on San Francisco real

7 be imposed in accordance with Administrative Code Sections 10.230-10.237, or any successor

18 (a) The City Attorney may at any time institute civil proceedings for injunctive and monetary

20 regard to whether the Director has issued a notice of violation, instituted abatement proceedings,  
21 scheduled or held a hearing on a notice of violation, or issued a final decision.

22 (b) At any time, the Director may refer a case to the City Attorney's Office for civil  
23 enforcement, but a referral is not required for the City Attorney to bring a civil action under subsection  
24 (a).

1           (c) Action for Injunction and Civil Penalty. Any Retail Establishment that violates Section  
2 5802 shall be enjoined and shall be subject to a civil penalty in an amount not to exceed \$1,000 per

4 and recovered in a civil action brought in the name of the people of the City and County of San  
5 Francisco by the City Attorney in any court of competent jurisdiction. In assessing the amount of the  
6 civil penalty, the court shall consider any one or more of the relevant circumstances presented by any

**REVISED LEGISLATIVE DIGEST**  
*(Amended in Committee – June 17, 2024)*

[Police Code - Tenderloin Retail Hours Restriction Pilot Program]

**Ordinance amending the Police Code to create a two-year pilot program, during which retail food and tobacco establishments in a high-crime area of the Tenderloin police district are prohibited from being open to the public from 12:00 a.m. to 5:00 a.m., or from 2:00 a.m. to 5:00 a.m. if subject to regulation by the California Department of Alcoholic Beverage Control; authorizing the Department of Public Health to impose administrative fines for violation of the hours restrictions; declaring an establishment’s operation in violation of the hours restrictions to be a public nuisance; authorizing enforcement actions by the City Attorney; and creating a private right of action for persons harmed by a violation of the hours restriction.**

Amendments to Current Law

This ordinance would establish a two-year pilot program during which food markets and tobacco establishments (“Retail Establishments”) in a section of the Tenderloin bounded to the north by O’Farrell Street, to the south by McAllister Street, to the east by Jones Street, and to the west by Polk Street (the “Tenderloin Public Safety Area”) would be prohibited from being open to the public between 12:00 a.m. and 5:00 a.m. If a Retail Establishment had a license to sell from the California Department of Alcoholic Beverage Control (“ABC”), then the prohibition would apply from 2:00 a.m. to 5:00 a.m.

The Department of Public Health would be responsible for administrative enforcement of the prohibition, with support from the Police Department. A violator could be liable for administrative fines of up to \$1,000 per violation, together with enforcement costs, with a single violation defined on a per-hour basis, though a violator could face multiple citations in a single 12:00 a.m. to 5:00 a.m. period (or in a single 2:00 a.m. to 5:00 a.m. period, in the case of an ABC licensee) only if they received written warning following the first violation and again operated in violation of the hours restriction. A violator could also be liable for civil penalties pursued by the City Attorney in a civil action, and attorneys’ fees and costs. The ordinance also declares a business’s operation in violation of the ordinance to be a public nuisance, and creates a private right of action for a person able to prove in a civil action that they were harmed by an establishment’s operation in violation of the hours restriction.

Background Information

The Police Department has documented through crime data, photographs, and patrol officers’ observations that large groups of people engaged in illicit drug sales and use congregate close to open food markets and tobacco establishments in the late night and early morning hours in the Tenderloin Public Safety Area. These late-night gatherings contribute to various

types of criminal activity, impede law enforcement operations, leave behind significant debris and unsanitary waste, and lead residents of the area to feel unsafe and reluctant to venture outside during nighttime hours.

The Police Department believes that restricting food markets and tobacco establishments in the Tenderloin Public Safety Area from being open to the public between the hours of 12:00 a.m. and 5:00 a.m. will help limit the congregation of large groups engaged in drug activity, and thereby facilitate effective law enforcement in the area, reduce the accumulation of unsafe and unsanitary debris, and reduce residents' fear and insecurity related to these nighttime conditions.

This version of the digests reflects amendments in Committee, to provide that Retail Establishments that have ABC licenses are prohibited from being open to the public only between 2:00 a.m. and 5:00 a.m., and to require that a progress report be submitted to the Board of Supervisors six months following the start of the pilot program.

## **Amendments to Mayor's Tenderloin Business Closure Legislation**

June 17, 2024

This updates our summary of June 14, 2024 to reflect a negotiated compromise with the Mayor's Office and stakeholders.

Our office has spent the past month speaking to residents, merchants, and other community stakeholders about the Mayor's proposal to shut down retail establishments in the Tenderloin after midnight. Through these discussions, one thing has become clear: everyone agrees that nighttime conditions in the Tenderloin need to change, and that the City isn't doing enough to address these conditions. We need to come together to support the residents and small businesses in the difficult environment in the Tenderloin.

Based on the feedback and negotiations with the Mayor's office and stakeholders, we have reached a deal that adds amendments that will protect vulnerable businesses in the neighborhood, including corner stores that serve the community at night. The amendments will allow corner stores (already strictly regulated by ABC) to stay open until 2am; modify the enforcement provisions to protect businesses from frivolous lawsuits; and add provisions to require outreach to businesses in language, enhanced neighborhood services, and a 6-month report on the impact of the pilot on small businesses and the neighborhood. The amendments also call on departments to undertake enforcement against businesses that are engaged in conduct that is already illegal, including illegal onsite gambling, fraud, or other health and safety violations.

We believe that these changes will allow the City to pilot this ordinance and work to address street conditions in the Tenderloin during nighttime hours while also protecting small businesses that are not doing anything wrong from unfair punishment. We want to thank all stakeholders for their collaboration and good faith efforts to come together around these improvements to the Ordinance.

RE: Item 4. File 240407 [Police Code - Tenderloin Retail Hours Restriction Pilot Program]

Honorable Supervisors,

The Neighborhood Business Alliance is born out of decades of merchant organizing in the Arab, African, South Asian and minority-owned retailer communities in the Bay Area. The Arab American Grocers Association formed the Independent Grocers Association and the Tenderloin Merchants in the 1990s. Today, our Tenderloin-based merchants have been battling the severe conditions on the streets and continue to serve the public, keeping business open in equity neighborhoods. During the COVID-19 shutdowns, our sector was met with SFPD shutting stores down by Mayoral Health Order without prior notice. During the Health Crisis, we activated strong mutual-aid and free produce efforts that reinforced the bridge between corner markets and residents. We ask now, considering the proposed legislation to limit business hours, the sector is approached as a partner in bettering our neighborhoods and will be met with goodwill. The systemic forces that create poverty on our streets are reflective of the systemic barriers facing the urban retail sector and the communities supported by them, and we must address this change wholesomely.

We are willing to support necessary change to conditions in the Tenderloin, as proposed by this legislation, contingent upon the following:

- If private, individual small businesses are to take losses in the form of jobs and revenue, tangible mitigation must be considered as part of this proposal (i.e. financial mitigation in the form of fee reduction, priority permitting for change of use, accessory use etc.)
- Binding language or agreements that ensure transparency and accountability to the street cleaning services meant to serve storefronts, by the City, the Community Benefit Districts or any other intermediary contractors
- 1 year Pilot, with a 6-month Assessment which includes Data and reporting metrics on the efficacy of Pilot
- Pathway for compliant businesses (with or without ABC license, to be able to open until 2AM within proposed pilot period
- Remove the “Private Right to Sue” Clause

Outreach in-language and with a fair implementation and notice of violation procedure should be the baseline and we do not consider to be an added compromise. This sector takes the brunt of the cost in paying for our City’s environmental policies through mandatory existing regulations; i.e. Cans and Bottles CRV redemption and collection fees and Cigarette Litter Abatement Fees which account for 5% of the entire budget being paid for by less than 700 small retailers. We have seen nuisance abatement codes that were meant to be pilots, continue decades without

reassessment or accountability. While we are adding an additional layer of regulatory compliance for this business community, we ask that the Board and Mayor consider removing any other duplicative codes that have rendered themselves unenforceable etc. to streamline the compliance burden for retailers (i.e. see [Economic Mitigation Working Group \(EMWG\) Recommendations and Resolution](#)).

As a result of disproportionate fees and restrictions on our sector, we are asking for increased resources to meet these increased regulations as a pretense for support of this legislation.

On this proposed legislation from Mayor Breed:

**24047 Police Code - Tenderloin Retail Hours Restriction Pilot Program**

Land Use will hear this on Mon 6/17

Would suggest adjusting boundaries to include Market St at least between 6th and 7th St part of MMCBD

There's **Bayfood Market**, 1073 Market St, San Francisco, CA 94103 which posts hours 8-8 but I've seen it open past 1AM located in mid market community benefit district MMCBD

The nightly drug addled are now congregating outside it, please visit after 10PM to see how bad it is, its scary.

As you may be aware there was just a late night shooting nearby.

<https://www.sfchronicle.com/crime/article/man-shot-tenderloin-store-juvenile-arrested-19513247.php>

I'd also suggest the closing time of midnight is too late, if you want to prevent people

from gathering after dark, a cutoff at 8pm might be more appropriate. The shooting happened a little after 11PM.

1 Dr. Carlton B. Goodlett Place

San Francisco, CA 94102 - 4689

To: Land Use and Transportation Committee

Re: Support for Mayor London N. Breed's proposed Tenderloin Retail Hours Restriction Pilot Program.

Dear Supervisors,

On behalf of many residents, working people, and business owners in the Tenderloin community, we urge you to support Mayor Breed's proposed two-year pilot program that would prohibit retail food and tobacco establishments in the 'Tenderloin Public Safety Area' from being open to the public during restricted hours, from 12:00 a.m. to 5:00 a.m.

Over the last few years, we have witnessed a proliferation of Tobacco Paraphernalia Establishments and corner shops over various blocks of the Tenderloin – sometimes between two to four per block – that have also increasingly extended their retail hours 24/7. While SFPD and law enforcement have made notable progress in closing the open-air drug market on the sidewalks during the daytime, families, seniors, working people, and business owners continue to express concern towards the conditions between late night and early morning.

Gathering and congregating in the proximity of retail businesses selling prepackaged food and tobacco products, fences, users, and dealers engage in illegal vending, drug use, and drug sales, until the early hours of the morning. Leaving behind trash, human waste, used needles, and sometimes even bullet casings in their wake, service workers and residents are confronted with threats to their health and safety.

Finding the rate of narcotic offenses and serious crimes – shootings, assaults, homicide, rape, and robberies – to be significantly higher between 12:00 a.m. to 5:00 a.m. in the 'Tenderloin Public Safety Area,' the Police Department's analysis of 2023 incident reports speaks on the dangerous environment that residents and working people are forced to endure. In fact, many

simply refuse to venture out into certain parts of the neighborhood when the sun goes down if they can help it. Unable to walk their dogs, go for a run, or enjoy eating out at a restaurant in the neighborhood after sunset without feelings of fear or insecurity, seniors and families must resign to their homes. Looking at the Tenderloin as an ecosystem, retail stores, whether knowingly or not, facilitate unlawful night markets by providing cheap goods, lighted gathering points, and cover from officers should they need it.

Though the street-level, open-air drug market that plagues Tenderloin neighborhoods cannot be eliminated through one strategy alone, Mayor Breed’s proposed Tenderloin Retail Hours Restriction Pilot Program was called for by the community and is supported by the community.

Sincerely,

Community stakeholders

PETITION TO THE SAN FRANCISCO COUNTY BOARD OF SUPERVISORS

WE, THE UNDERSIGNED residents, service workers, and business owners implore the San Francisco County Board of Supervisors to approve Mayor Breed's proposed Tenderloin Retail Hours Restriction Pilot Program to improve public safety during the nighttime. Community support arises from the increase in illegal activities within the vicinity of, and sometimes even inside, retail establishments that are open between late night and early morning or 24/7. While the proposal may have come from Mayor Breed's office, the idea itself was called for by community members many months ago.

WE SUPPORT:

1. A two-year pilot program, during which retail food and tobacco establishments are prohibited from being open to the public from 12:00 a.m. to 5:00 a.m.
2. The pilot program will apply to retail stores within an area referred to as the 'Tenderloin Public Safety Area:' between O'Farrell St. to McAllister St., and Polk St. to Jones St.

向三藩市市參市會議會請願書

我們, 與下簽名的居民、服務人員和企業主懇求三藩市市參市會批准市長布利德的擬議田德隆區零售時間限制試點計劃, 以改善夜間公共安全。

社區支持源自於深夜至清晨或 24/7 營業的零售店附近(有時甚至在店內) 非法活動的限制。

雖然儘管該提案來自市長辦公室, 但這個想法是社區成員幾個月前提出的。

### PETITION TO THE SAN FRANCISCO COUNTY BOARD OF SUPERVISORS

WE, THE UNDERSIGNED residents, service workers, and business owners implore the San Francisco County Board of Supervisors to approve Mayor Breed's proposed Tenderloin Retail Hours Restriction Pilot Program to improve public safety during the nighttime. Community support arises from the increase in illegal activities within the vicinity of, and sometimes even inside, retail establishments that are open between late night and early morning or 24/7. While the proposal may have come from Mayor Breed's office, the idea itself was called for by community members many months ago.

#### WE SUPPORT:

1. A two-year pilot program, during which retail food and tobacco establishments are prohibited from being open to the public from 12:00 a.m. to 5:00 a.m.
2. The pilot program will apply to retail stores within an area referred to as the 'Tenderloin Public Safety Area:' between O'Farrell St. to McAllister St., and Polk St. to Jones St.

向三藩市市參市會議會請願書

我們，與下簽名的居民、服務人員和企業主懇求三藩市市參市會批准市長布利德的擬議田德隆區零售時間限制試點計劃，以改善夜間公共安全。

社區支持源自於深夜至清晨或 24/7 營業的零售店附近(有時甚至在店內) 非法活動的限制。

雖然儘管該提案來自市長辦公室，但這個想法是社區成員幾個月前提出的。  
我們支持：

1. 一項為期兩年的試點計劃，在此期間禁止食品和菸草零售店在上午 12 點至凌晨 5 點向公眾開放。
2. 該試點計畫將適用於以下街道之間被稱為 "田德隆公共安全區" 在 O'Farrell 之 McAllister 街和 Polk 之 Jones 街之間。

## 向三藩市市參市會議會請願書

我們，與下簽名的居民、服務人員和企業主懇求三藩市市參市會批准市長布利德的擬議田德隆區零售時間限制試點計劃，以改善夜間公共安全。

社區支持源自於深夜至清晨或 24/7 營業的零售店附近（有時甚至在店內）非法活動的限制。

雖然儘管該提案來自市長辦公室，但這個想法是社區成員幾個月前提出的。  
我們支持：

1. 一項為期兩年的試點計劃，在此期間禁止食品和菸草零售店在上午 12 點至凌晨 5 點向公眾開放。
2. 該試點計畫將適用於以下街道之間被稱為“田德隆公共安全區”在 O'Farrell 之 McAllister 街和 Polk 之 Jones 街之間。

PETITION TO THE SAN FRANCISCO COUNTY BOARD OF SUPERVISORS

WE, THE UNDERSIGNED residents, service workers, and business owners implore the San Francisco County Board of Supervisors to approve Mayor Breed's proposed Tenderloin Retail Hours Restriction Pilot Program to improve public safety during the nighttime. Community support arises from the increase in illegal activities within the vicinity of, and sometimes even inside, retail establishments that are open between late night and early morning or 24/7. While the proposal may have come from Mayor Breed's office, the idea itself was called for by community members many months ago.

WE SUPPORT:

1. A two-year pilot program, during which retail food and tobacco establishments are prohibited from being open to the public from 12:00 a.m. to 5:00 a.m.
2. The pilot program will apply to retail stores within an area referred to as the 'Tenderloin Public Safety Area:' between O'Farrell St. to McAllister St., and Polk St. to Jones St.

Good afternoon, Madam Chair, Supervisor Peskins and Supervisor Preston.

My name is Gregg Johnson and for the past several years I have worked side by side with many individuals who make up the Tenderloin. Being a 5<sup>th</sup> generation member of a proud family who has not only worked for this city, but my grandmother turned away nobody because of a lack of money. My values are rooted in this history and today is no different. We have heard from members of the community and business owners. It would seem that everyone has a dog in this fight. This is what I know.

It has taken aggressive action and the knowledge of Federal, State, and local officials to bring pressure to bear upon open air drug sales and usage in the Tenderloin. We were told more than a year ago that we cannot expect to see results overnight. But standing here today, I am telling this committee that we can see NOW what did could not then. There is not one person in this room who will publicly admit that they condone the violence we have seen in the Tenderloin. Likewise, there is no law-abiding citizen here who will admit that they feel safe walking the streets of TL from 12midnight to 5am. And if my grandmother were standing here, she would say that it's the devil's time.

I escorted my dad's sister to an old haunt she loves (the Black Cat) a couple weekends ago – she lives in Bayview and retired from Emporium's when it closed. Sunday morning, we went to Glide. This committee has a letter from her. I told her that we are working to change not simply the image or perception of the Tenderloin but to let everyone know that we are not only here, but we are open for business. I'm here today to say that I am aware of the amount of federal and state money that is received into and being spent within this neighborhood. I have been researching it for a long time and while it is not part of this statement today, I will say that I do not believe that any business operating in the TL will go out of business by closing from 12 to 5am. I walk past street vendors because I am not going to support illegal activities. When I walk into a store to make a purchase, the last thing that I am expecting is to purchase a product that was stolen from Walgreens they did not completely remove the tag. The seller of that product to me is among this audience today. This is why I have not been back into your store.

How many of us, did not think we would see a major improvement in open air drug sales? It did not happen overnight, and the plan of the mayor should be allowed to be put in place, tweaked, take hold, while we support, comment, and offer suggestions on ways to improve. This is not an unreasonable request but a way of being a sense of normalcy back to a neighborhood that has gone too far long without it. None of us can turn back the hands of time to 50 years ago but know that the next 50 will rest squarely on the shoulders of those who will not come to grips with reality and stop putting profits over public safety. My grandmother would tell me, if you are not apart of the solution – you must be a part of the problem.

*Gregg Johnson*

**Subj:** Letter is support of community organizers and the Honorable Mayor Breed's pilot plan to curtail business hours to assist in combating the drug sales/usage and reduce nighttime violence.

*"It's time to put an end to the shenanigans of people who believe they can do as they please at the taxpayer's expense." The Tenderloin is too rich in history to nothing!*

## Madam Chair, and Supervisors Preston and Peskins

My name is Carolyn Duty. I am 79 years young, and I use the pronouns She, Her and Hers. I was employed for thirty-six (36) years by Emporium-Capwell, also known as Weinstock, Capwell, Broadway, Emporium. I retired only because of their closure in 1995. I grew up in the Hunter's Point/Bayview area and spent many nights listening to jazz in either the Fillmore or the Tenderloin. My in-laws were partners in the Black Cat from 1955 to 1963. My brother's son returned here in 2017 after a career with Exxon Oil Company. Between 1996 and 2000, my brothers, sisters, nephews and nieces, cousins and grand children sold their property in San Francisco and moved to Richmond, Vallejo, and Vacaville where they purchased homes in sub-divisions. My oldest brother served this city as a DPW worker for more than 30 years and today several of my nephews work for the city.

This past weekend was the first time in more than 20 years that I visited the Tenderloin with my nephew who talked me into making the excursion and I actually enjoyed myself. I spent a few moments talking to someone I thought had moved on, but she is a fighter and a good soul. The purpose for this letter is to let this commission know that the Tenderloin is worth saving. My nephew assured me that the Tenderloin is much safer today than 3 years ago and I did not believe him. We have lost so much of this city during the past decade and people like my nephew risk it all and I had to ask why. He said, "because it's worth saving for those who will come after me". So, because he showed me a lovely evening Saturday and took me to Sunday services at Glide I stand in support of him, his efforts and those he volunteers with.

Thank you for taking the time to read and consider my letter

Sincerely,  
Ms. Carolyn Duty
