**Re: File No. 100963 [Healthy Nail Salon Recognition Program.]**

Small Business Commission Recommendation: **Approval with Modification**

Dear Ms. Calvillo:

On August 9, 2010, the Small Business Commission heard and recommended approval with modification of Board of Supervisors File No. 100963. Supervisor David Chiu has agreed to add the Office of Small Business as an entity that will work with the Department of the Environment under section 27.3 to help create and support the Healthy Nail Salon Recognition Program. The Office of Small Business will be able assist with outreach and provide business counseling to nail salon owners in need of financial and technical assistance.

The Commission thanks Supervisor Chiu for recognizing that an incentive approach to reducing the amount of toxic chemicals is an appropriate and positive step. The SBC also thanks Supervisors Maxwell, Alioto-Pier, and Chu for co-sponsoring this legislation.

Sincerely,

Regina Dick-Endrizzi  
Director, Office of Small Business
