FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. San Francisco is a place where diverse peoples have come to settle and live. This cultural diversity is integral to the City fabric and is what helps make San Francisco a desirable location for living, working and recreating.
2. Cultural heritage is the expression of a way of living. It is developed by a community through objects, beliefs, traditions, practices, artistic interpretation, and significant places. It manifests itself in tangible and intangible elements passed through generations. Examples of these elements include buildings, plazas, crafts, art, festivals, processions, protests, businesses, and other institutions. Losing any of these elements diminishes a community's cultural integrity. Preserving these elements pose preservation challenges requiring distinct strategies according to each community's needs. Often these involve collaboration with partners in local government.
3. During rapid change impacted ethnic and cultural communities need a clear process for establishing cultural districts that help preserve and enhance the indispensable elements of the City's fabric.
4. Notwithstanding, the Ordinance would benefit from amendment to allow the community more flexibility in establishing report deadlines and modifying district boundaries.
5. The City should plan for adequate City resources to support the CHHESS report development for the African American Arts and Cultural District.

6. **General Plan Compliance.** The proposed Ordinance and the Commission's recommended modifications are consistent with the following Objectives and Policies of the General Plan:

COMMERCE AND INDUSTRY ELEMENT

OBJECTIVE 2

MAINTAIN AND ENHANCE A SOUND AND DIVERSE ECONOMIC BASE AND FISCAL STRUCTURE FOR THE CITY.

Policy 2.3

Maintain a Favorable Social and Cultural Climate in the City in order to Enhance its Attractiveness as a Firm Location

Creating the Cultural District will help efforts to preserve and enhance the City's remaining ethnic and cultural enclaves. Their preservation and enhancement also serve the City's interest as an abundance of cultural and recreational activities lends San Francisco a comparative advantage over other municipalities.

BAYVIEW HUNTERS POINT AREA PLAN

OBJECTIVE 15

COMBINE SOCIAL REVITALIZATION WITH PHYSICAL AND ECONOMIC REVITALIZATION EFFORTS.

Policy 15.3

Make maximum use of indigenous community resources to increase civic pride and support physical and economic revitalization.

By establishing the Cultural District, the Ordinance allows the Bayview Hunter Points community to develop and realize a district recognizing and preserving the cultural contributions and community institutions of African Americans in southeast San Francisco.

NOW THEREFORE BE IT RESOLVED that the Commission hereby recommends that the Board **AMEND** the Ordinance with modifications as described in this Resolution.

I hereby certify that the foregoing Resolution was **ADOPTED** by the Historic Preservation Commission on November 28, 2018.
