Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

As a resident of the Tenderloin neighborhood for roughly 16 years, a mother of a small child, an immigrant, and as a community leader I have a rich and unique experience from which to draw. In my community organizing work with La Voz Latina, a program that works to empower the Latino immigrant community in the Tenderloin, I have been working on issues of public safety as they relate to open spaces in my community. I'm invested in the health and safety of parks and other open spaces as a resident of the most densely populated neighborhood in San Francisco and also as a mother with a small child who needs safe and healthy open spaces in which to play and grow. Additionally, my academic background in Anthropology has both prepared me for and nurtured my appreciation of working with culturally diverse communities. I also believe that my training in statistical data analysis would prove a tremendous asset to this committee.

Business and/or professional experience:

As previously stated, I am currently participating in the leadership development program at La Voz Latina. In this position I am developing my community organizing and leadership skills, including acting as representative at the City level for my neighborhood and my community.

Asian Art Museum-I worked for 1 year as an Admission Attendant. While working there I learned a lot about the diversity of different Asian cultures as represented in their artwork. In addition to my operational duties I was responsible for guiding and providing directions to large crowds of visitors. During the time I worked there, perhaps my favorite part of the position was the fact that I was given the opportunity to learn other aspects of the work beyond my specific responsibilities.

Civic Activities:

I was a member of the Anthropology Student Association for 1 year. I was in charge of the organization's financials, attended weekly meetings, participated in the democratic decision-making process, did outreach to other students in the department, and various other responsibilities.

Have you attended any meetings of the Board/Commission to which you wish appointment? Yes No

For appointments by the Board of Supervisors, appearance before the RULES COMMITTEE is a requirement before any appointment can be made. *(Applications must be received 10 days before the scheduled hearing.)*

Supervisor Jane Kim
City Hall
1 Dr. Carlton B. Goodlett Place, Room 244
San Francisco, Ca 94102-4689

Dear Supervisor Kim,

The Friends of Boeddeker Park is very pleased to nominate Ana Teresa Gee for Seat #17 on the Park, Recreation, and Open Space Advisory Committee (PROSAC).

Ms. Gee is a long-time Tenderloin resident, a mother and an organizer in the Tenderloin community with La Vox Latina. She has especially devoted much of her time to improving one of the Tenderloin's small children's parks, Sgt. John Macaulay Park at Larkin and O'Farrell. As you know there is very little open space for children to play in the Tenderloin neighborhood and Ms. Gee's work to improve this small pocket park is much needed. She is now collecting surveys of the community to see what they want for the park, leading the effort for community input. She is also organizing monthly family events at Sgt. John Macaulay Park to encourage the many families who live in the area to bring their children there to play.

We believe it is very important that a member of the Tenderloin be on the Park, Recreation, and Open Space Advisory Committee, and Ana Teresa Gee is a wonderful choice as a Latina, a mother, and a proven parks organizer in the neighborhood. We believe she will be a valuable asset to PROSAC.

We wholeheartedly support her placement on PROSAC.

Sincerely,

Betty L. Traynor, Coordinator

Dear Sirs,

Re: Application by Ana Gee for the Park, Recreation and Open Space Advisory Committee

I write in support of the application by Ana Gee to PROSAC Seat 17. We understand Ana has been nominated by the Friends of Boeddeker Park and support that nomination. Ana is a longstanding Tenderloin community champion, working through La Voz Latina on behalf of Tenderloin families. In particular, Ana has been active in raising awareness and advocating for improvements at Sgt. Macaulay Park and Turk and Hyde Mini Park as part of a larger effort toward clean and safe parks in the Tenderloin neighborhood.

The Tenderloin Health Improvement Partnership (Tenderloin HIP), spearheaded by Saint Francis Foundation and Saint Francis Memorial Hospital, supports the activation and improvement of Tenderloin parks and open spaces as part of its commitment to improving community health, safety and well-being for the more than 33,000 individuals and families who live in the Tenderloin. To achieve better health outcomes, Tenderloin HIP is working collaboratively with nonprofits, government agencies and private companies to impact the upstream social, economic and environmental determinants that contribute to poor health and chronic illness, while mitigating the underlying health disparities and inequities that persist in this neighborhood.

Tenderloin HIP challenges its multi-sector partners to work better together within a collective impact framework - to proactively collaborate, expand and strengthen their network of cross-sector relationships and align to a common agenda. La Voz Latina is a trusted collaborative partner, working with committed residents like Ana Gee to improve conditions in the neighborhood for Tenderloin residents.

We support her application to PROSAC and applaud her efforts.

Sincerely,

Kevin Causey
President
