Attention Angela Calvillo;

I am writing to you on behalf of myself, Monica Jordan, Michael Daini, Loana Bozzetto and Umberto Bozzetto. We are the owners of the property located at 2001 Polk Street, San Francisco CA 94109. The parcel number for this property is 0574/006 and also includes 1602 Pacific Avenue and 1604 Pacific Avenue.

We have been notified of a meeting that will be taking place tomorrow at 3 PM, regarding the Discover Polk Community Benefit District, and unfortunately we will not be able to attend this meeting. We would like to voice our opinion and weight in on this decision. We are vehemently against this "Benefit District". We pay our taxes and we have always kept our property clean and tidy. We see no benefit to us, and we believe that anybody who doesn't take care of their own properties should be charged by the city for the cleanup that is required.

We stand firm with our belief that this is an unnecessary expenditure that we shouldn't have to be a part of or be billed for and we would like it to be noted that we do not agree with this, not by a long shot!!

Thank you for your time.

*Monica Jordan.*

I am a Russian Hill resident and a renter since 1990. I am eager to see the formation of a CBD on Russian Hill to help combat the problems of the neighborhood and increase the quality of life here for all residents. The Discover Polk CBD will help to connect and expand the work of the Lower Polk and Fisherman's Wharf efforts to clean up our streets and offer assistance to those in need.

Thank you,

Amy

Hello Board of Supervisors,

My name is Chris Bluse and I am a member of the steering committee for the Discover Polk Community Benefit District ("DPCBD").

I have been working with Suzanne Markel-Fox and OEWD (Chris Corgas) to raise awareness and gather support in our community for over 2 years and based on feedback from homeowners, commercial property owners and business owners, the community is in favor of establishing the DPCBD.

I spoke at the last hearing related to the DPCBD on May 16, of this year to show support for this organization that I know will have an immediate impact in my community. Being a homeowner in the community with a 10 month old son and one more on the way I have a specific interest in making Polk Street a great place to live, work and play so that my children, other families in the neighborhood and people visiting San Francisco get to experience a clean, safe and economically vibrant community that will leave a lasting positive memory of their walk down Polk Street.

I ask that you join me and my other Steering Committee Members in supporting the formation of the DPCBD so that the interim CBD Board may begin the work of making the vision of the DPCBD a reality.

Thank you for your support of the DPCBD,

Chris Bluse

Dear Supervisors,

I am a SF native who just returned after 30 years in NY and am writing to express my very strong support for the Discover Polk CBD. It pains me to say this but the environs around my NYC apartment are infinitely better kept than those in my Polk Gulch neighborhood. NYC used to be the dirty city that SF has become. And NYC feels safer. One of the reasons NY has succeeded is because of business improvement districts. We need them here in SF. Please support the Discover Polk CBD. Thank you.
