Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Mary C McKeon

Dear Whom It May Concern,

I am writing in my personal capacity to express my strong support for Supervisor Alan Wong's resolution establishing the Sunset Irish Cultural District.

The Irish and Irish American community has been an integral part of San Francisco since the Gold Rush era, enduring hardship, building institutions, and contributing meaningfully to the city's civic, cultural, and political life. For generations, the Sunset District has served as the heart of this community, home to the United Irish Cultural Center, traditional music and dance academies, Gaelic athletic organizations, and the families who continue to sustain and evolve these traditions.

San Francisco has long recognized that its strength lies in the richness and diversity of its communities. Through my involvement with the Sunset Chinese Cultural District, I have seen how formal recognition can help preserve cultural heritage, support local institutions, and strengthen community identity. I share this perspective as an individual, not on behalf of the organization.

Establishing the Sunset Irish Cultural District would extend that same opportunity and support to another deeply rooted community in the Sunset.

I respectfully urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has contributed so much to San Francisco.

Sincerely,
Jessica Ho

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Kate O'Connor
Sunset - SF Native

Thanks,
Kate

Subject: Please support Supervisor Wong's resolution to establish the Irish Cultural District
Date: Tuesday, March 17, 2026 1:52:50 PM

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Sunset District has been home to generations of Irish-Americans looking to become a part of San Francisco. My grandparents immigrated from Cork and Leitrim to the city back in the 40's. They met when my grandfather played Gaelic football in Golden Gate Park. When they were ready to buy a home, they chose the Sunset. I used to believe that it's because unlike the Mission, the weather reminded them of Ireland.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Megan McTiernan
3rd generation Irish-American in the Sunset

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Tyrone Dorian
Sunset/Irish Cultural Center

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Caileen Viehweg
Sunset District

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

James F. Cunningham

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Sherrie Ayers
Sunset

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center (where I worked as a volunteer for the IIPC in the past), traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,

Dr. Jacqueline Fulmer

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Jeramiah Cadigan
United Irish Cultural Center

Dear my niece Eileen McHugh and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

I moved to San Francisco, July 14, 1979 with my six week old baby (Erin). My husband and his sister had already driven across the country with our car.

That baby lives in the family home on 27th Avenue at Santiago with two daughters, one who has Irish danced for years. The Irish Center was a second home as my daughters grew up.

My first impression when I moved here and settled on this side of the city was that San Francisco was one third Irish Catholic and therefore friends of the McHugh's, one third Asian and one third gay. I have loved every second of this wonderful city and its diversity, it's what makes us great and loving. It's time to recognize the Irish and their great contribution to this city. The McHugh family roots run deep, my husband is buried at Holy Cross with his grandmother that was born here and was a young woman during the 1906 quake. My second daughter (Colleen) is a fourth generation San Franciscian of Irish descent.

Thank, Dottie (Dorothy) McHugh

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Maeve Smith
Sunset district

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
David Cuadro

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Kathleen Kelly-Breitler

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution to establish the Sunset Irish Cultural District.

The Irish and Irish American community has been an integral part of San Francisco since the Gold Rush, contributing significantly to the city's civic, cultural, and political life. The Sunset District serves as the heart of this community, hosting the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and many families dedicated to preserving these traditions.

San Francisco's strength is rooted in its diverse communities. Establishing the Sunset Irish Cultural District would provide the Irish and Irish American community with the formal recognition and institutional support that other cultural communities in our city already receive.

I urge the Board of Supervisors to support this resolution and honor a community that has contributed so much to San Francisco.

Sincerely,

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Ess Goldsworthy
United Irish Cultural Center

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Matthew finnerty rhoa
Irish American caucus

Dear Clerk of the Board and Members of the Board of Supervisors, I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District. The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing. San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy. I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco. Sincerely, Eric Reiser Ingleside

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Jessica Dowling Hammer

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Elaine Esler
San Rafael, Marin County

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Bonnie Quinn
Sunset District

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
ashley wessinger
District 2

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Craig Viehweg
Sunset Irish Center

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Stephen Major
United Irish Cultural Center

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Peter Van Zandt
Sunset District

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Sean Birmingham
Sunset district

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Jillian Flannery

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,

Lisa Brinkmann

Kolping Society of San Francisco

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Alison Verzosa
Sunset

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Paddy O'Leary
Richmond District

The Irish community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing. San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy. I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

The [United Irish Cultural Center](#) is a shining example of service to the enduringly vibrant Irish community of San Francisco and to our greater San Francisco community. The **Sunset Irish Cultural District** designation honors the founding parents of San Francisco who helped build our city, and it will honor all of the City's Irish citizens, past and present, who have kept faith with the traditional Irish values of community, generosity, and hospitality.

Sincerely, Tevis Jones

31-year resident of The Sunset & Supporter of The Sunset District Irish Cultural Center

March 17, 2026

Happy 2026 St. Patrick's Day! 🍀 May the many roads of San Francisco named after Irish immigrants who built our city rise to meet you & bless you.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
The Pizza Place

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Stephen J. Gorski
D4 resident for 45+ years

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District. The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the **Sunset District** has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs,

and the families who have kept these living traditions alive and growing. San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy. I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco. Sincerely, **Tessa Nicholls** Sunset District

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,

David J. Philpott

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Mary Faherty
Sunset District/United Irish Cultural Center

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
James McGuigan
Sunset District/UICC

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Daniel McAuliffe
Charter Member, United Irish Cultural Center

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Patrick Ball

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors, I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District. The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart

of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing. San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy. I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely, Karl Jurado Sunset

Dear Clerk of the Board and Members of the Board of Supervisors, I am writing to express my support for Supervisor Wong's resolution for the City and County of San Francisco to move toward establishing the Sunset Irish Cultural District.

Long has this neighborhood been bonded by love for and service to the City. The United Irish Cultural Center deserves special recognition for its exemplary dedication to maintaining a community space for the preservation and celebration of Irish

heritage in San Francisco and beyond. The Irish Center has been a home base for generations of Sunset residents -- from weddings to wakes and everything in between. So, let's make it official!

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing. Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Erin McClure
Sunset

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the

Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,

Christian Averill

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the

Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Megan Hourican
Russian Hill/First Generation Irish American in SF

Subject: Please support Supervisor Wong's resolution to establish the Irish Cultural District

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Patricia Carlin
Forest Hill Extension

Subject: Please support Supervisor Wong's resolution to establish the Irish Cultural District

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors, I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District. The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center,

traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing. San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy. I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco. Sincerely, **Gregory Coffey**

Mission District

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Frank Hagan
Sunset District UICC

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Pio McGarr

Subject: Please support Supervisor Wong's resolution to establish the Irish Cultural District

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the

Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Christian Burke

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors, I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District. The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the **United Irish Cultural Center**, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing. I take Irish lessons there every Saturday

morning and enjoy spending the day in the Sunset. San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy. I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco. Sincerely, Kirsten Strobel United Irish Cultural Center Member & SF Resident

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to

establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community, home to the United Irish Cultural Center, traditional music and Irish dancing, Gaelic, soccer and rugby sporting clubs, and the families who have kept these living traditions alive and growing. San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. And this is somewhere I intend to bring my children one day to continue our families traditions and friendships built across the years and generations. It's a place that feels at home.

As someone who was born and raised in the Sunset District, this community is deeply personal to me. It is where I grew up attending family events, celebrating culture, and building a sense of belonging. These spaces are more than gathering places, they are what keep traditions alive and allow culture to be passed down through generations. Without intentional support and recognition, there is a real risk that these traditions and the community built around them could slowly fade.

San Francisco is a city that prides itself on embracing diversity and uplifting cultural identity. Other communities have long-established cultural districts and centers such as those in North Beach and beyond, and the Irish community deserves that same recognition and support. Cities like New York have demonstrated the value of preserving and celebrating Irish heritage through dedicated spaces, and San Francisco has the opportunity to do the same.

The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already

enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Best,

Saoirse McCormack

San Francisco native, raised in the Sunset District to Irish Immigrant parents

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Daire lyne
Sunset

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Catherine Thorsen

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Jonathan Major
United Irish Cultural Center

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the

Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,

Rebecca Brooke Saunders - A true San Francisco native of 35 years, born at SF Children's Hospital! Currently a proud Marina resident!

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,

Pilar Manning

Sunset District/United Irish Cultural Center

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Tim. Murphy
Sunset

For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their

roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Daniel Manning
Lakeshore

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the

Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Carolyn Fogarty

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Board of Supervisors,

Good afternoon. I am Hilda Kissane, president of the United Irish Societies, native San Franciscan, and concerned citizen. Supervisor Wong's initiative to

create an Irish Cultural District is an idea which should be embraced whole heartedly by the City and County of San Francisco. After literally building the City, the Irish made their way west to the Sunset and created a family friendly enclave which is as rich and vibrant as ever. This legislation is timely (on the heels of our very successful 175th St. Patrick's Day Parade and Youth Sports Day). I am writing to express my strong support for this resolution and can be counted on to help in any way possible. I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Very kind regards,

Hilda A. Kissane

UIS President

To whom it concerns,

I, James Quinn of the United Irish Societies and the Director of the Saint Patrick's Day

Parade I fully support Supervisor Alan Wong's effort to establish an Irish Cultural District.

When I first took over the St Patrick's Day Parade in 2024 , I only learned about the other 11 Cultural Districts and was shocked that we the Irish don't have one!!!

I fully support all the efforts to make this happen.

We had an absolutely amazing Parade, Youth Sports Day and UniteSF Festival this weekend. This would be the proverbial cherry on top!!!

Sincerely,

James Quinn

Director St Patrick's Day Parade

Subject: Please support Supervisor Wong's resolution to establish the Irish Cultural District

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's

civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,

Franco Finn
Sunset District - Native San Franciscan
Film SF Commissioner

Dear Clerk of the Board and Members of the Board of Supervisors,

As a fifth-generation San Franciscan, I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has been part of San Francisco since the Gold Rush, overcoming hardship while helping build the institutions, neighborhoods, and civic life that define the city today. For generations, the Sunset District has served as the heart of that community—home to the United Irish Cultural Center, traditional music and dance schools, Gaelic sports clubs, and the families who have preserved and passed down these living traditions.

San Francisco has long recognized that its strength comes from the diversity of its communities and the depth of their histories. Establishing the Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and cultural support that many other communities across the city already enjoy.

I respectfully urge the Board of Supervisors to support this resolution and take this meaningful step toward honoring a community that has contributed so much to San Francisco.

Sincerely,

Geoff

I support the Irish Cultural Center. My Dad for his Irish heritage wanted us to have continued involvement through his and our lives at this center. He paid \$250 to help build the center. We had very little money and he had a wife and 5 kids with lots of needs. I,m so happy he did it.

Please support my heritage and give support as much as possible so we are heard and

have our center and all it has to offer.

Thank you, Karen Taylor

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

As a member of a local family with mixed Irish heritage it would be meaningful to have the City

designate the Irish Cultural District. My paternal grandparents were both from Ireland and happily made San Francisco their home. They met in San Francisco and raised their family here (in the Parkside neighborhood). I am second-generation San Francisco Native, and have raised my daughter as a third-generation SF Native. Our family has served San Francisco as civil servants for decades. My grandfather, Thomas Patrick Mullaney, helped with the Golden Gate Bridge as a civil engineer, then went on to work for the City on many projects, including the Broadway Tunnel. My father, Thomas Anthony Mullaney was a civil engineer for the City for decades as well. My brother, Patrick Mullaney retired as a Fire Captain after serving the City as a firefighter for several decades. Our family with Irish heritage has served San Francisco for over 75 years. Having the City acknowledge the Irish heritage as an integral part of this beautiful, diverse City, would be so heartening.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my support for Supervisor Alan Wong's resolution recognizing the importance of the Junior Reserve Officers' Training Corps (JROTC) program and encouraging the continued availability of the program in San Francisco Unified School District high schools.

For many students, JROTC provides valuable opportunities for leadership development, teamwork, discipline, and community service. The program has been part of San Francisco schools for decades and continues to serve hundreds of students across the city.

I respectfully urge the Board of Supervisors to support this resolution.

Sincerely,

As a fourth generation Irish-American born in San Francisco, I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its

communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Geri Webb

Dear Clerk of the Board and Members of the Board of Supervisors,

I'm reaching out to voice my strong support for Supervisor Alan Wong's resolution to establish the Sunset Irish Cultural District in San Francisco.

The Irish community has been part of this City since its beginning.

The Sunset District has long been the soul of that community, home to the United Irish Cultural Center (which we attend with my three kids at least twice per week for dancing and music), Gaelic football clubs, and the many many families who have kept these traditions alive.

San Francisco prides itself on honoring the diversity of its communities.

Establishing the Sunset Irish Cultural District would give the Irish and Irish American community the same formal recognition and support that so many other cultural communities in this city already receive.

I hope the Board will vote in favor of this resolution and take this meaningful step toward recognizing a community that has given so much to San Francisco.

Sincerely,

Noel Kearney

Greetings to the Clerk of the Board, and Members of the Board of Supervisors,

I wholeheartedly support Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

Irish settlers and immigrants have called San Francisco home since before the Gold Rush era. My own ancestors called Alta California home, settling in both the north bay

and Sierra foothills.

Generations of Irish immigrants, and Irish-Americans have come enduring hardships, looking for safety, all the while building institutions, infrastructure, and contributing to every corner of the City's civic, cultural, and political life.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition, and institutional support, that other cultural communities across this city already enjoy.

I ask the Board of Supervisors to support this resolution; taking this important step toward honoring a community that has given so much to San Francisco since its inception.

Best to you,

Jennifer Drennan

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

This is important to me and my family as three of my children's grandparents immigrated from different parts of Ireland to settle in San Francisco and created this beautiful community to preserve and share the Irish culture. We have participated in thousands of events supporting the Irish culture while growing up in San Francisco. My husband and I both grew up in the Sunset district. We now live on the east side of the city in the Portola district and have raised 4 children here that have basically grown up at the United Irish Cultural Center. We will continue to support and participate in some if not all Irish cultural events in San Francisco.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Kathleen Martin-Mckeeon
Sunset district/United Irish Cultural Center

-Best

Kathleen Martin-Mckeeon

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the

Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,

Margaret Baglin

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution to establish the Sunset Irish Cultural District.

As a dual citizen of Ireland and the United States, and as someone who has been a homeowner in San Francisco for more than 30 years, this effort means a great deal to me personally and to many families across the city.

The Irish community has been part of the fabric of San Francisco since the Gold Rush. Generations of Irish and Irish American families helped build this city, opened businesses, served in public roles, and contributed to the cultural life that makes San Francisco such a special place. For decades, the Sunset District has been a central gathering place for that heritage, anchored by the United Irish Cultural Center, Irish music and dance, Gaelic sports, and the many families who continue to keep these traditions alive.

San Francisco has always been a city that celebrates its cultural communities and recognizes the role they play in shaping our shared identity. Establishing the Sunset Irish Cultural District would acknowledge the lasting contributions of the Irish and Irish American community and help ensure that these traditions remain visible and vibrant for future generations.

I encourage the Board of Supervisors to support this resolution and take this important step in recognizing a community that has contributed so much to San Francisco.

Thank you,

Kevin Thomas

Subject: Support for Supervisor Wong's Resolution to Establish the Sunset Irish Cultural District

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

As a proud multi-generational Irish American who moved to San Francisco in 1989 from Southern California, I have long appreciated the deep and enduring presence of the Irish community in this

city. For well over a century, Irish immigrants and their descendants have helped shape San Francisco's civic, cultural, and neighborhood life. Their contributions can be seen in our institutions, our traditions, and the strong sense of community that continues to define many parts of the city.

For generations, the Sunset District has been the heart of Irish cultural life in San Francisco. The United Irish Cultural Center, along with traditional music and dance academies, Gaelic athletic clubs, and the many families who have carried these traditions forward, has created a vibrant and living cultural community that enriches the city as a whole.

San Francisco has long recognized that the diversity of its cultural communities is one of its greatest strengths. Establishing the Sunset Irish Cultural District would be a meaningful way to acknowledge the history, heritage, and ongoing contributions of the Irish and Irish American community.

I respectfully urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has contributed so much to the history and character of San Francisco.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the

Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Cian O Braonain
South Beach

Dear Clerk of the Board and Members of the Board of Supervisors,

I am writing to express my strong support for Supervisor Alan Wong's resolution expressing the City and County of San Francisco's intent to establish the Sunset Irish Cultural District.

The Irish and Irish American community has called San Francisco home since the

Gold Rush era, enduring hardship, building institutions, and contributing to every corner of this city's civic, cultural, and political life. For generations, the Sunset District has been the heart of that community—home to the United Irish Cultural Center, traditional music and dance academies, Gaelic sporting clubs, and the families who have kept these living traditions alive and growing.

San Francisco has long recognized that its strength lies in the diversity of its communities and the depth of their roots. The Sunset Irish Cultural District would ensure that the Irish and Irish American community receives the same formal recognition and institutional support that other cultural communities across this city already enjoy.

I urge the Board of Supervisors to support this resolution and take this important step toward honoring a community that has given so much to San Francisco.

Sincerely,
Howard Matis
