From July 1, 2012 through December 31, 2013, for Dependent Coverage (Employee Plus One; Employee Plus Two More), the City shall contribute up to \$225 per month per employee to provide for dependent coverage for employees with one or more dependents. 1) SINGLE EMPLOYEES

210. Effective January 1, 2014 through December 31, 2014, for “medically single employees” (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the “medically single employee” (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City’s premium contribution will not fall below the lesser of: (a) the “average contribution” as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the “average contribution”, one hundred percent (100%) of the premium.

211b. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

211c. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) Employee Plus One:

211d. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

5) Average Contribution Amount

health insurance through the City's Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

d. Medically Single Employees Outside of Health Coverage Areas

212. The provisions in paragraphs 210~~a~~ and 211, and 211c above shall not apply to "medically single employees" (Employee Only) who are permanently assigned by the City to work in areas outside the health coverage areas of Kaiser and Blue Shield for the term of this Agreement. For such "medically single employees" (Employee Only), the City shall continue to contribute one hundred percent (100%) of the premium for the employees' own health care benefit coverage.

e. Agreement Not to Renegotiate Contributions in 2014

- 212a. The terms described in paragraphs 211b through 211g above will be effective in calendar year 2015, and the parties agree not to seek to modify this agreement through the term of any MOU entered into prior to, or in the spring of, 2014.

f. Other Terms Negotiable

- 212b. While the parties have agreed in paragraph 212a not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).

g. Other Agreements

212c. Should the City and any recognized bargaining unit reach a voluntarily bargained agreement that results in City contributions to health insurance premiums exceeding those provided by the Percentage-Based Contribution Model, the City agrees to offer the entire alternate model to the Union as a substitute.

213. h. The aforesaid payments shall not be considered as part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits or retirement contributions; nor shall such contributions be taken into account on determining the level of any other benefit which is a function of or percentage of salary.

2.3. DENTAL COVERAGE
