Ms. Angela Calvillo, Clerk
Honorable Supervisor Melgar
Board of Supervisors
City and County of San Francisco
City Hall, Room 244
1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Re: Transmittal of Planning Department Case Number 2023-000413PCAMAP
Family Housing Opportunity Special Use District; Design Controls and Review Procedures
Board File No. 230026

Planning Commission Recommendation: Approval with Modification

Dear Ms. Calvillo and Supervisor Melgar,

On June 1, 2023, the Planning Commission conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Ordinance, introduced by Supervisor Melgar that would amend Planning Code Section 249.94. At the hearing the Planning Commission recommended approval with modification.

The Commission’s proposed modifications were as follows:

1. Amend eligibility criterion to also allow projects within the RM-1 Zoning District.
2. Amend the density exceptions for Single-Lot and Lot-Merger projects to also allow up to one unit per 1,000 square feet of lot area, whichever is greater.
3. For the Single-Lot Density Exception, allow four units to be proposed in primary structure.
4. For the Lot-Merger Density Exception, require at least one of the following:

	Two-Lot Merger	Three-Lot Merger
<i>Two-Bedroom Units</i>	Two (2)	Three (3)
<i>Three-Bedroom Units</i>	One (1)	Two (2)

PLANNING COMMISSION RESOLUTION NO. 21327

HEARING DATE: JUNE 1, 2023

Project Name: Family Housing Opportunity Special Use District; Design Controls and Review Procedures
Case Number: 2023-000413PCAMAP [Board File No. 230026]

RESOLUTION APPROVING WITH MODIFICATION A PROPOSED ORDINANCE THAT WOULD AMEND 1) THE PLANNING CODE TO CREATE THE FAMILY HOUSING OPPORTUNITY SPECIAL USE DISTRICT; 2) THE PLANNING CODE TO AUTHORIZE UP TO FOUR UNITS ON INDIVIDUAL LOTS, UP TO TWELVE UNITS ON MERGED LOTS IN RH-1 DISTRICTS, AND GROUP HOUSING IN RH-1 DISTRICTS FOR ELIGIBLE PROJECTS IN THE SPECIAL USE DISTRICT; 3) THE PLANNING CODE TO EXEMPT ELIGIBLE PROJECTS IN THE SPECIAL USE DISTRICT FROM CERTAIN HEIGHT, OPEN SPACE, DWELLING UNIT EXPOSURE, AND REAR-YARD SETBACK REQUIREMENTS, CONDITIONAL USE AUTHORIZATIONS, AND NEIGHBORHOOD NOTIFICATION REQUIREMENTS; 4) THE SUBDIVISION CODE TO AUTHORIZE ELIGIBLE PROJECTS IN THE SPECIAL USE DISTRICT TO QUALIFY FOR CONDOMINIUM CONVERSION OR A CONDOMINIUM MAP THAT INCLUDES THE EXISTING DWELLING UNITS AND THE NEW DWELLING UNITS THAT CONSTITUTE THE PROJECT; 5) THE ADMINISTRATIVE CODE TO REQUIRE NEW DWELLING OR GROUP HOUSING UNITS CONSTRUCTED PURSUANT TO THE DENSITY LIMIT EXCEPTION TO BE SUBJECT TO THE RENT INCREASE LIMITATIONS OF THE RENT ORDINANCE; 6) THE ZONING MAP TO SHOW THE FAMILY HOUSING OPPORTUNITY SPECIAL USE DISTRICT; AND AFFIRMING THE PLANNING DEPARTMENT’S DETERMINATION UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT, AND MAKING FINDINGS OF CONSISTENCY WITH THE GENERAL PLAN, AND THE EIGHT PRIORITY POLICIES OF PLANNING CODE, SECTION 101.1, AND FINDINGS OF PUBLIC NECESSITY, CONVENIENCE, AND WELFARE UNDER PLANNING CODE, SECTION 302.

WHEREAS, on January 10, 2023 Supervisor Melgar introduced a proposed Ordinance under Board of Supervisors (hereinafter “Board”) File Number 230026, which amend 1) the Planning Code to create the Family

Housing Opportunity Special Use District; 2) the Planning Code to authorize up to four units on individual lots, up to twelve units on merged lots in RH-1 districts, and Group Housing in RH-1 districts for eligible projects in the Special Use District; 3) the Planning Code to exempt eligible projects in the Special Use District from certain height, open space, dwelling unit exposure, and rear-yard setback requirements, conditional use authorizations, and neighborhood notification requirements; 4) the Subdivision Code to authorize eligible projects in the Special Use District to qualify for condominium conversion or a condominium map that includes the existing dwelling units and the new dwelling units that constitute the project; 5) the Administrative Code to require new dwelling or group housing units constructed pursuant to the density limit exception to be subject to the rent increase limitations of the Rent Ordinance; and 6) the Zoning Map to show the Family Housing Opportunity Special Use District (SUD);

WHEREAS, the Planning Commission (hereinafter “Commission”) conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Ordinance on June 1, 2023; and,

WHEREAS, the proposed amendments were covered in the San Francisco Housing Element 2022 Update Environmental Impact Report (EIR) certified on November 17, 2022; and

WHEREAS, the Planning Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of Department staff and other interested parties; and

WHEREAS, all pertinent documents may be found in the files of the Department, as the Custodian of Records, at 49 South Van Ness Avenue, Suite 1400, San Francisco; and

WHEREAS, the Planning Commission has reviewed the proposed Ordinance; and

WHEREAS, the Planning Commission finds from the facts presented that the public necessity, convenience, and general welfare require the proposed amendment; and

MOVED, that the Planning Commission hereby **approves with modifications** the proposed ordinance. The Commission’s proposed recommendations are as follows:

1. Amend eligibility criterion to also allow projects within the RM-1 Zoning District.
2. Amend the density exceptions for Single-Lot and Lot-Merger projects to also allow up to one unit per 1,000 square feet of lot area, whichever is greater.
3. For the Single-Lot Density Exception, allow four units to be proposed in primary structure.
4. For the Lot-Merger Density Exception, require at least one of the following:

	Two-Lot Merger	Three-Lot Merger
<i>Two-Bedroom Units</i>	Two (2)	Three (3)
<i>Three-Bedroom Units</i>	One (1)	Two (2)

5. Add eligibility criteria to the SUD protecting rent-controlled buildings and prohibiting buildings with tenants and a no-fault eviction history from taking part in the proposed program.
 - (1) No more than two units subject to rent control are being demolished.
 - (2) The units to be demolished are not tenant occupied and are without a history of evictions under Administrative Code Sections 37.9(a)(8)-(12) or 37.9(a)(14)-(16) (*aka No-Fault Evictions*) within last 5 years.

6. Clerical changes:
 - a. Revise “Group Housing unit” to state “Group Housing bedroom”.
 - b. Clarify that projects cannot propose a combination of Dwelling Units and Group Housing.
 - c. Clarify that Unauthorized Dwelling Units do not count for the purposes of calculating existing Dwelling Units on the property at the time of application.
 - d. Clarify that existing Dwelling Units qualify for the two-bedroom (and/or three-bedroom) requirement.

Findings

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

The proposed Ordinance will streamline review of qualifying housing projects.

The proposed Ordinance focuses on increasing housing production in the Well-Resourced neighborhoods.

General Plan Compliance

The proposed Ordinance and the Commission’s recommended modifications are consistent with the following Objectives and Policies of the General Plan:

HOUSING ELEMENT

OBJECTIVE 1.A

Ensure housing stability and healthy homes.

OBJECTIVE 3.B

Create a sense of belonging for all communities of color within well-resourced neighborhoods through expanded housing choice.

OBJECTIVE 4.A

Substantially expand the amount of permanently affordable housing for extremely low- to moderate-income households.

OBJECTIVE 4.B

Expand small and mid-rise multi-family housing production to serve our workforce, prioritizing middle-income households.

OBJECTIVE 4.C

Diversify housing types for all cultures, family structures, and abilities.

POLICY 19

Enable low and moderate-income households, particularly American Indian, Black, and other people of color, to live and prosper in Well-resourced Neighborhoods by increasing the number of permanently affordable housing units in those neighborhoods.

POLICY 20

Increase mid-rise and small multi-family housing types by adopting zoning changes or density bonus programs in Well-resourced Neighborhoods and adjacent lower-density areas near transit, including along SFMTA Rapid Network33 and other transit.

POLICY 25

Reduce governmental constraints on development in Well-resourced Neighborhoods to enable small and mid-rise multi-family buildings providing improved housing choice and affordability.

POLICY 26

Streamline and simplify permit processes to provide more equitable access to the application process, improve certainty of outcomes, and ensure meeting State- and local-required timelines, especially for 100% affordable housing and shelter projects.

POLICY 32

Promote and facilitate aging in place for seniors and multi-generational living that supports extended families and communal households.

POLICY 33

Prevent the outmigration of families with children and support the needs of families to grow.

The proposed Ordinance aligns with the Housing Element's goal of providing a diverse stock of housing to meet existing and future residents' needs. This legislation especially responds to Policy 26 by eliminating procedural barriers through new streamlining opportunities for qualifying projects within the proposed Family Housing Opportunity SUD. The proposed Ordinance also focuses development opportunities within the Well-Resourced Neighborhoods identified in San Francisco. This directly supports Policy 25 by eliminating development constraints within the Well-Resourced Neighborhoods and Policy 19 by increasing small-and mid-rise buildings within the Well-Resourced Neighborhoods or within low-density neighborhoods. Collectively, this Ordinance supports the Housing Element's goal of "housing for all".

Planning Code Section 101 Findings

The proposed amendments to the Planning Code and Zoning Map are consistent with the eight Priority Policies set forth in Section 101.1(b) of the Planning Code in that:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

The proposed Ordinance would not have a negative effect on neighborhood serving retail uses and will not have a negative effect on opportunities for resident employment in and ownership of neighborhood-serving retail.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

The proposed Ordinance would not have a negative effect on housing or neighborhood character.

3. That the City's supply of affordable housing be preserved and enhanced;

The proposed Ordinance would not have an adverse effect on the City's supply of affordable housing.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

The proposed Ordinance would not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

The proposed Ordinance would not cause displacement of the industrial or service sectors due to office development, and future opportunities for resident employment or ownership in these sectors would not be impaired.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

The proposed Ordinance would not have an adverse effect on City's preparedness against injury and loss of life in an earthquake.

7. That the landmarks and historic buildings be preserved;

The proposed Ordinance would not have an adverse effect on the City's Landmarks and historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

The proposed Ordinance would not have an adverse effect on the City's parks and open space and their access to sunlight and vistas.

Planning Code Section 302 Findings.

The Planning Commission finds from the facts presented that the public necessity, convenience and general welfare require the proposed amendments to the Planning Code as set forth in Section 302.

NOW THEREFORE BE IT RESOLVED that the Commission hereby APPROVES WITH MODIFICATIONS the proposed Ordinance as described in this Resolution.

I hereby certify that the foregoing Resolution was adopted by the Commission at its meeting on June 1, 2023.

Jonas P. Ionin
Commission Secretary

AYES: Braun, Diamond, Koppel, Imperial, Moore, Tanner

NOES: None

ABSENT: Ruiz

ADOPTED: June 1, 2023

5. Add eligibility criteria to the SUD protecting rent-controlled buildings and prohibiting buildings with tenants and a no-fault eviction history from taking part in the proposed program.
 - a. No more than two units subject to rent control are being demolished.
 - b. The units to be demolished are not tenant occupied and are without a history of evictions under Administrative Code Sections 37.9(a)(8)-(12) or 37.9(a)(14)-(16) (aka No-Fault Evictions) within last 5 years.

6. Clerical changes:
 - a. Revise “Group Housing unit” to state “Group Housing bedroom”.
 - b. Clarify that projects cannot propose a combination of Dwelling Units and Group Housing.
 - c. Clarify that Unauthorized Dwelling Units do not count for the purposes of calculating existing Dwelling Units on the property at the time of application.
 - d. Clarify that existing Dwelling Units qualify for the two-bedroom (and/or three-bedroom) requirement.

The proposed amendments are not defined as a project under CEQA Guidelines Section 15060(c) and 15378 because they do not result in a physical change in the environment.

Supervisor, please advise the City Attorney at your earliest convenience if you wish to incorporate the changes recommended by the Commission.

Please find attached documents relating to the actions of the Commission. If you have any questions or require further information, please do not hesitate to contact me.

Sincerely,

Aaron D. Starr
Manager of Legislative Affairs

Planning Department Executive Summary

EXECUTIVE SUMMARY

PLANNING CODE TEXT & ZONING MAP AMENDMENT

HEARING DATE: June 1, 2023

90-Day Deadline: August 20, 2023

Project Name: Family Housing Opportunity Special Use District; Design Controls and Review Procedures
Case Number: 2023-000413PCAMAP [Board File No. 230026]
Initiated by: Supervisor Melgar / Introduced January 10, 2023
Staff Contact: Veronica Flores, Legislative Affairs

Recommendation: Approval with Modifications

Planning Code and Zoning Map Amendment

The proposed Ordinance would amend 1) the Planning Code to create the Family Housing Opportunity Special Use District; 2) the Planning Code to authorize up to four units on individual lots, up to twelve units on merged lots in RH-1 districts, and Group Housing in RH-1 districts for eligible projects in the Special Use District; 3) the Planning Code to exempt eligible projects in the Special Use District from certain height, open space, dwelling unit exposure, and rear-yard setback requirements, conditional use authorizations, and neighborhood notification requirements; 4) the Subdivision Code to authorize eligible projects in the Special Use District to qualify for condominium conversion or a condominium map that includes the existing dwelling units and the new dwelling units that constitute the project; 5) the Administrative Code to require new dwelling or group housing units constructed pursuant to the density limit exception to be subject to the rent increase limitations of the Rent Ordinance; and 6) the Zoning Map to show the Family Housing Opportunity Special Use District (SUD).

The Way It Is Now:

The RH Districts are composed of five separate classes of districts, defined by the number of units permitted in each (see below). Projects trigger a Conditional Use Authorization (CUA) if the project is tantamount to demolition and neighborhood notification if the proposal involves a building expansion.

RH-1(D) Districts	1 unit max. per lot
RH-1 Districts	1 unit max. per lot or 1 unit per every 3,000sqft of lot area with a CUA, but in no case more than 3 units per lot
RH-1(S) Districts	1 unit max. per lot, though a small second unit is allowed if it is 600sqft or less, or 1 unit per every 3,000sqft of lot area with CUA, but in no case more than 3 units per lot
RH-2 Districts	2 unit max. per lot or 1 unit per every 1,500sqft of lot area with CUA;
RH-3 Districts	3 unit max. per lot, or 1 unit per every 1,000sqft of lot area with CUA

Accessory Dwelling Units (ADUs) may also be built in addition to the base density allowances in RH districts.

The Way It Would Be:

The proposed Ordinance would establish the Family Housing Opportunity SUD. The boundaries would be generally coterminous with the areas designated as high-resource and highest-resource neighborhoods in the “Well-Resourced Neighborhoods Map” of the 2023-2031 Housing Element (see Exhibit C). Eligible projects would be exempt from CUAs per Section 303, and the neighborhood notification and public-initiated Discretionary Review (DR) procedures in Section 311. All projects would be required to record a Notice of Special Restrictions (NSR) describing the approved uses, restrictions, and development controls. Such NSR would need to be signed by the City and recorded against the property prior to building permit issuance.

The Family Housing Opportunity SUD would allow projects with the following densities (exclusive of any Accessory Dwelling Units (ADUs)):

- Single-Lot Development Project: The construction, including the alteration of an existing structure, of at least two and no more than four dwelling units on a single lot, inclusive of any existing dwelling units on the site. For a project proposing four dwelling units, the fourth dwelling unit shall be constructed in the rear yard. For a project proposing fewer than four dwelling units, up to one unit may be in the rear yard.
- Lot-Merger Development Project in RH-1 Districts. A merger of up to three lots in RH-1, RH-1(D), or RH-1(S) districts and the construction of at least six units but no more than eight units on a two-lot merger or at least nine units but no more than 12 dwelling units on a three-lot merger.
- Group Housing Development Project: A Single-Lot project and a Lot-Merger project may also propose the construction of up to one Group Housing unit per 415 square feet of lot area or currently permitted under the Planning Code, whichever is greater.

To be eligible for this residential density limit exception, projects must demonstrate the following criteria:

- is located in an RH district within the Family Housing Opportunity SUD;
- not combined with the State Density Bonus or HOME-SF programs;
- not proposed on a property resulting from a lot-split under Senate Bill 9;
- contains at least two dwelling units with two or more bedrooms (not applicable to Group Housing);
- includes more dwelling units than are existing on the site at the time of application (Group Housing projects need to provide at least as many bedrooms as the project would demolish);

- does not propose the demolition of a known historic building;
- complies with Code and applicable design guidelines and strives for consistency with the Residential Design Guidelines (RDGs);
- complies with Senate Bill 330 unit replacement requirements for protected units; and
- the project sponsor needs to have owned the property for one year prior to application submittal.

The Ordinance also include other controls for these projects:

- the height limit shall be 40 feet, notwithstanding Section 261 special height requirements;
- for Single-Lot projects proposing a detached rear yard unit:
 - the detached rear yard units would require a four-foot setback from the rear and side property lines and be no greater than 20 feet tall as measured from grade;
 - open space requirements for each unit on the property shall be at least 100 square feet for private, and 133 square feet if common;
 - the units shall face onto an open space that is no less than 25 feet and such open area is not required to expand in every horizontal dimension at each subsequent floor;
- for Lot-Mergers projects: the minimum densities shall be at least six units for a two-lot merger and at least nine units for a three-lot merger;
 - open space requirements for each unit on the property shall be at least 100 square feet for private, and 133 square feet if common;
- the required rear yard shall be 30% (except when proposing a detached rear yard unit, in which case a minimum of 25 feet separation is required); and
- Dwelling Units built over the base density are subject to price controls and eviction controls under the Rent Ordinance (except Affordable Units provided through the Inclusionary Affordable Housing Program).

The Department shall include an update on the location and number of the units resulting from this SUD within the Housing Inventory Report. Additionally, the Department shall prepare a report containing recommendations to this SUD, including recommendations on the boundaries, prior to December 31, 2030 which is the conclusion of the current Housing Element Cycle.

Background

The City recently passed legislation (Four-plex Program) allowing increased density of up to four Dwelling Units per lot, and up to six Dwelling Units per lot in Corner Lots, in all RH zoning districts;¹ however, this Ordinance kept in place all existing procedural requirements, such as neighborhood notification (311 Notification) and Conditional Use requirements for demolishing existing housing (Planning Code Section 317). The process requirements help make housing construction less feasible by increasing time and costs associated with the project. This Ordinance seeks to eliminate these constraints by creating a Family Housing Opportunity SUD to streamline qualifying housing projects seeking such density limit exceptions. The proposed Ordinance also expands on the density limit exception by carving out a new Lot-Merger density exception described later in this report.

¹ [Ordinance 210-22, Board File No. 210866](#)

Competing Ordinances

Mayoral Executive Directive 23-01 centered on the goal of “Housing for All” and called on all City agencies to create clear action plans to implement the 2022 Housing Element. Specifically, the mayor sought ways to eliminate procedures to streamline housing construction. As part of this effort, Mayor Breed and Supervisor Engardio introduced separate legislation under Board File 230446 to reduce housing constraints and eliminate procedural barriers. The mayor’s Ordinance goes beyond the scope of Supervisor Melgar’s Ordinance and includes changes like standardizing rear yard requirements and setting minimum lot size and lot frontage for the entire city; however, there are significant overlaps between the two Ordinances.

Within that overlap, there are three main differences between Supervisor Melgar’s Ordinance and the mayor’s Ordinance. The first is that Supervisor Melgar’s Ordinance creates an SUD based on the Well-Resourced Neighborhoods within which projects are exempt from procedural requirements if they meet the eligibility requirements. The mayor’s Ordinance also creates an SUD but bases it off the Priority Equity Geographies and uses it to preserve existing review procedures within that area; moreover, both Ordinances seek to increase development within Well-Resourced Neighborhoods. The second main difference is that Supervisor Melgar’s Ordinance applies only to RH zoning district within the proposed SUD, while the mayor’s process changes are not limited to RH zoning districts. The third main difference is that Supervisor Melgar’s Ordinance seeks to replicate the density bonus provisions in the recently passed Four-plex Ordinance to create process improvements for those projects. The mayor’s Ordinance does not increase density, but instead relies on existing density, the framework of the existing Four-plex Ordinance, and anticipated zoning changes from the Housing Element implementation process. A comparison of the two Ordinances can be found in Exhibit D. The mayor’s Ordinance is scheduled to be heard by this commission on June 15, 2023.

Issues and Considerations

Housing Affordability Crisis

San Francisco has faced housing affordability challenges for decades including prices and rents that have increased to be among the highest in the nation. Most lower income renters struggle to afford their rent and homeownership is out of reach to all but those with the highest incomes or wealth. Over 85,000 renters and 39,000 owners spend more than 30% of income on housing and are considered cost burdened.^{2, 3} The most recent Point-in-Time (PIT) Count in 2022 found 7,754 people experiencing homelessness, more than 4,000 of whom are unsheltered.⁴ This was a slight decrease compared to the 2019 PIT Count, partially due to the mayor’s Homelessness Recovery Plan; however, housing for all is still an issue, nonetheless.

Households of many types face housing challenges; however, the most heavily impacted households are people living alone, who make up most severely burdened renters (spending 50% or more on rent) and families with children. This latter group faces elevated rates of cost burden and makes up nearly half of overcrowded households despite being just 18% of all households. People impacted by lack of housing options are extremely diverse. They include seniors on fixed incomes, people with physical and mental disabilities who want to live

² [Housing Needs Assessment and Assessment of Fair Housing, Housing Element 2022 Update, page 68](#)

³ HUD defines cost-burdened families as those “who pay more than 30% of their income for housing” and “may have difficulty affording necessities such as food, clothing, transportation, and medical care.” Severe rent burden is defined as paying more than 50% of one’s income on rent.

⁴ [2022 Homeless Count and Survey Comprehensive Report, page 19](#)

independently, college students, young adults trying to move out of their parents' homes, low- and moderate-income workers, middle-income homebuyers, families with children including single parents, and extended families with multiple generations living together.

People of color in San Francisco have substantially lower incomes than White residents and less housing access due to discriminatory policies. Today, Black, American Indian, and Latino residents have lower rates of home ownership than average, higher rates of cost burden, and experience homelessness at disproportionate rates. Asian residents also have higher cost burdens and, along with Latino residents, face higher rates of housing overcrowding than average.

Recent Development Patterns

In recent decades, housing was primarily built in nine neighborhoods located on the eastern half of the city where form-based, multi-family housing is more widely allowed. These neighborhoods include the Financial District / South Beach, South of Market, Mission Bay, Potrero Hill, Bayview Hunters Point, the Mission, Tenderloin, Hayes Valley, and Western Addition (see darker areas on map). Sixty percent (60%) of San Francisco's affordable units are in five neighborhoods on the eastern side of the city: the Tenderloin, South of Market, Western Addition, Mission, and Bayview-Hunters Point.⁵ The concentration of affordable housing in neighborhoods that are historically lower income and predominantly communities of color has helped stabilize vulnerable communities. However, it has also meant that affordable housing has been concentrated in neighborhoods that may lack access to good environmental quality, schools, job opportunities or transportation, as well as other services and amenities.

The neighborhoods where multi-family housing is allowed often have larger lots and higher permitted heights, resulting in larger housing projects. Because much of the rest of the city has far more restrictive rules on housing, few smaller projects on smaller lots are possible. The tendency toward larger projects on larger parcels limits options for adding housing, especially for smaller property owners, contractors, and builders who do not have the capital or scale to work on larger developments. Residents ultimately bear the brunt of these restrictions, finding limited available and affordable housing options, particularly in higher opportunity areas of the city.

Well-Resourced Neighborhoods

The proposed Ordinance focuses on development opportunities within Well-Resourced Neighborhoods as defined as the high- and highest-resource by the California Tax Credit Allocation Committee (TCAC). Well-Resourced Neighborhoods have a higher concentration of and greater access to parks, quality schools, better environmental conditions, and have higher median incomes. Collectively, these identified characteristics have

⁵ [Housing Needs Assessment and Assessment of Fair Housing. Housing Element 2022 Update. page 46](#)

been shown by research to support positive economic, educational, and health outcomes for low-income families – particularly long-term outcomes for children.

Despite having a higher concentration of resources, the Well-Resourced Neighborhoods have had low rates of housing production.

Since 2005, just 10% of all new housing in San Francisco and 10% of new affordable housing has been built in Well-Resourced Neighborhoods though these areas cover almost 52% of all the residential zoned land in the city.⁶ Exhibit C, which is based off the 2021 Opportunity Map, shows that the Well-Resourced Neighborhoods are mostly concentrated on the western side of the city. Well-Resourced Neighborhoods have experienced the lowest rates of new housing development over the last few decades. This may be partially due to recent rezoning in the inverse geographies since much of the eastern side of the city has established form-based zoning. Additionally, small projects have historically faced strong neighborhood opposition on the western side of the city.

The proposed Ordinance seeks to increase housing production within these Well-Resourced Neighborhoods by providing density limit exceptions as of right and adding more development opportunities through a Lot-Merger density exception. Additionally, this proposed Ordinance helps combat the housing affordability crisis by creating new rent-controlled and Affordable Units.

Eliminating Procedural Barriers for Increased Housing Production

The proposed Ordinance expands on prior legislation that created density limit exceptions throughout the city by removing development hurdles that often delay or kill housing projects, particularly on the west side. This proposed legislation removes the CUA and neighborhood notification requirements, as well as eliminates the public-initiated DR process for all qualifying projects. All these projects would need to comply with the criteria and development controls of the Family Housing Opportunity SUD to have the streamlined benefits. These streamlining benefits are available to projects not seeking a density exception. For example, if a project proposes a total of three units on an RH-3 lot, they will still receive the same streamlining benefits and development controls of the proposed Ordinance.

Development Controls

Height/Bulk Districts

Each parcel in the city has a designated Height/Bulk District outlining the maximum height for development. Section 261 includes additional controls within the RH districts including:

- no portion of a dwelling in any RH-1(D), RH-1 or RH-1(S) District shall exceed a height of 35 feet (with some exceptions due to topographical limitations of the parcel) and
- the height limit for RH-1(D), RH-1, RH-1(S) and RH-2 Districts shall be 30 feet at the front lot line, legislated setback line, or required front setback, and shall increase at an angle of 45 degrees from the horizontal toward the rear of the lot until the height limit (see Figure A).

⁶ [San Francisco Housing Element 2022 Update, page 39](#)

Figure A: Height Limits Applicable to Front Portion of the Property

[Source: San Francisco Planning Code, Section 261](#)

These additional height restrictions limit some development opportunity to build a Dwelling Unit or residential building up to 40 feet tall despite being located within a Height/Bulk District of 40-X. The proposed Ordinance seeks to alleviate some of these development constraints and make it easier to construct housing, particularly when eliminating the restrictions at the front of the property.

Design Review

The proposed Ordinance does not bypass design review and the RDGs would still apply to the extent compliance with the guidelines is feasible; however, to further achieve streamlining benefits, the city needs to move away from subjective design review (such as the RDGs) and instead review housing projects against objective design standards. The Department is currently working on objective design standards in conjunction with the rezoning effort to implement the Housing Element. Once adopted, this could further expedite review of all housing projects.

Rent Control

The Rent Ordinance provides two major types of tenant protections including 1) limits on rent increases and 2) eviction protections. The first piece limits a landlord to increasing annual rent by a certain percentage each year based on the Bay Area Consumer Price Index. It is important to note that rent control does not limit the rental price when a unit first comes onto the market or after a tenant vacates the unit. This contrasts with Inclusionary Housing where rents are limited throughout the life of the building. Even without this price cap, rent control is still highly attractive for tenants as it guarantees that the rent is only increased based on the Consumer Price Index. This helps protect against extreme or arbitrary rent increases.

The second piece related to eviction protections means a landlord can only evict a tenant based on the 16 “just causes” outlined in the Rent Ordinance. One example of a “just cause” includes nonpayment of rent or habitually late payments from a tenant, and another example includes owner move-in. These “just cause” eviction protections mean that a landlord cannot wrongfully evict a tenant based on arbitrary reasons. If there are any grievances related to these protections, a tenant can file a petition with the Rent Board. The Rent Board would then conduct an evidentiary hearing to make an official determination.

For many San Franciscans, having a rent-controlled apartment is the only way they are able move to or stay in the city. Rent-controlled units are highly sought after with only a limited stock of units based on the unit's first Certificate of Occupancy (COO). Generally, only dwelling units within a pre-1979 building or added as an ADU through the Local ADU Program are subject to rent control. In the past year, the City also passed the Four-plex program and amendments to the City's local bonus program (HOME-SF) that include provisions for new rent-controlled units. There is also the Housing Crisis Act of 2019 and Senate Bill 330 also allows a City to replace any rent-controlled units that are demolished as part of a housing development. Prior to this, replacing rent-controlled units was done only intermittently through Development Agreements limiting the number of new protected units.

As drafted, the Ordinance requires units seeking a density exception to be subject to rent control. The only exception would be for units that are required to be Affordable Units. Using the same example as described earlier, if a project proposes a total of three units on an RH-3 lot, it would not be required to provide rent-controlled units. In this scenario, the project is not seeking a density exception but is taking advantage of the proposed streamlining benefits. Under the Lot-Merger project path, the Ordinance would potentially yield larger batches of rent-controlled units (sans any required Affordable Units).

General Plan Compliance

The proposed Ordinance aligns with the Housing Element's goal of providing a diverse stock of housing to meet existing and future residents' needs. This legislation especially responds to Policy 26 by eliminating procedural barriers through new streamlining opportunities for qualifying projects within the proposed Family Housing Opportunity SUD. The proposed Ordinance also focuses development opportunities within the Well-Resourced Neighborhoods identified in San Francisco. This directly supports Policy 25 by eliminating development constraints within the Well-Resourced Neighborhoods and Policy 19 by increasing small-and mid-rise buildings within the Well-Resourced Neighborhoods or within low-density neighborhoods. Collectively, this Ordinance supports the Housing Element's goal of "housing for all".

Racial and Social Equity Analysis

This analysis builds on the efforts to review Supervisor Mandelman's recent legislation to create the four-unit density exception for Residential Districts. That analysis found that the most likely existing housing typology to be affected by the legislation was small, single-family homes. This was because demolition of multi-unit buildings to increase the existing density by a few units was not financially feasible. This proposed Ordinance alleviates some of those financial constraints by allowing qualifying housing projects as of right, instead of requiring additional CUA entitlements.

Reduce Potential Vulnerability of Single-Family Homeowners

Despite high home prices, 50% of single-family homes are owned by moderate- or low-income owners. Single-family homes have much lower turnover than multi-family ownership units or rental units. 46% of single-family homes have been occupied for 20 years or more and 70% occupied for 10 years or more. Length of ownership may explain why so many single-family homes have owners with low and moderate incomes even though

current housing prices are unaffordable. These households may have purchased a house when prices were lower, inherited a home, or their income may have been higher when they purchased the property (*i.e., retirees*).⁷

Over 39,000 owners report facing cost burdens, comprising about 30% of all owners. A little less than half of burdened owners experience severe burdens, paying more than 50% of income in housing costs (over 19,000 owners).⁸ Middle income owners are more likely to be cost burdened than renters but more than 80% of severely burdened owners are lower income. People of color are disproportionately impacted by owner cost burden, likely due to disproportionately lower incomes. Black or African American owners, as well as Hispanic or Latino, Native Hawaiian or Pacific Islander, and Asian owners, experience elevated rates of owner cost burden. While rents have dropped, the single-family home market has been highly active. Prices have only gone up in the past couple of years indicating that the pressures that might encourage these homeowners to sell their properties is powerfully in action *now*. Changing density limits is unlikely to make a significant difference in the choices these families currently face.

Aging In Place

Asian and Hispanic households are typically more likely than White households to opt into multi-generational living. The proposed density limit exceptions are especially appealing for multi-generational families looking to live collectively under one roof but still maintain their own independence by having distinct Dwelling Units. This also provides additional opportunities for seniors to age in place by relocating to a new unit on the ground floor or even a detached unit in the rear yard.

The Lot-Merger projects is envisioned to provide homeowners with limited liquid savings to be able to pool their resources together and increase housing opportunities and communal amenities on site. This requires a convergence of financial mechanisms, potential public-private partnerships, and interested property owners or available lots adjacent to each other to be able to pursue such lot mergers. If achieved, this increases the flexibility for the building configurations and unit types within a proposed housing project. This could also help families increase their equity in the long run, further cementing or enhancing their ability to age in place.

Making Well-Resourced Neighborhoods More Inclusive

The proposed Ordinance concentrates on increasing housing production within Well-Resourced Neighborhoods. Traditionally, low-income households are limited in their housing choices, often only able to rent or purchase in neighborhoods with fewer resources. The proposed Ordinance aligns with the Housing Element goal to open wealthy, predominantly white, and well-resourced neighborhoods to all communities of color and low-income households. This initiative seeks to provide access to high-quality neighborhood resources that foster positive economic and health outcomes.

Implementation

The Department has determined that this Ordinance eliminates procedural barriers and streamlines review for qualifying projects within the proposed Family Housing Opportunity SUD. Additionally, the proposed Ordinance will impact our current implementation procedures in the following ways:

⁷ [Housing Needs Assessment and Assessment of Fair Housing. Housing Element 2022 Update. page 37](#)

⁸ [Housing Needs Assessment and Assessment of Fair Housing. Housing Element 2022 Update. page 73](#)

- Create a new Family Housing Opportunity SUD Informational and Supplemental Application Packet;
- Require applications to submit the above Supplemental Application prior to submitting a Lot Line Adjustment (LLA) application to Public Works;
- Create a Regulatory Agreement template to designate rent-controlled units; and
- Create a new NSR template outlining the approved uses, restrictions, and development controls.

The items described above will take lead time at the front end and should not increase staff review time or costs. These efforts will be beneficial for the applicants as they will better understand upfront the new options available to them. Additionally, the revisions to the Regulatory Agreement designating the new rent-controlled units can also use the Below Market Rate designation process as a model. Therefore, staff does not anticipate revising the Regulatory Agreements will require a lengthy process.

Recommendation

The Department recommends that the Commission *approve with modifications* the proposed Ordinance and adopt the attached Draft Resolution to that effect. The Department’s proposed recommendations are as follows:

1. Amend eligibility criterion to also allow projects within the RM-1 Zoning District.
2. Amend the density exceptions for Single-Lot and Lot-Merger projects to also allow up to one unit per 1,000 square feet of lot area, whichever is greater.
3. Eliminate the reference to RDGs or replace with “adopted objective design standards”.
4. Eliminate the one-year ownership requirement.
5. For the Single-Lot Density Exception, allow four units to be proposed in primary structure.
6. For the Lot-Merger Density Exception, require at least one of the following:

	Two-Lot Merger	Three-Lot Merger
<i>Two-Bedroom Units</i>	Two (2)	Three (3)
<i>Three-Bedroom Units</i>	One (1)	Two (2)

7. Add eligibility criteria to the SUD protecting rent-controlled buildings and prohibiting buildings with tenants and a no-fault eviction history from taking part in the proposed program.

(1) No more than two units subject to rent control are being demolished.

(2) The units to be demolished are not tenant occupied and are without a history of evictions under Administrative Code Sections 37.9(a)(8)-(12) or 37.9(a)(14)-(16) (*aka No-Fault Evictions*)

within last 5 years.

8. Clerical changes:
 - a. Revise “Group Housing unit” to “Group Housing bedroom”.
 - b. Clarify that projects cannot propose a combination of Dwelling Units and Group Housing.
 - c. Clarify that Unauthorized Dwelling Units do not count for the purposes of calculating existing Dwelling Units on the property at the time of application.
 - d. Clarify that existing Dwelling Units qualify for the two-bedroom (and/or three-bedroom) requirement.

Basis for Recommendation

The Department supports the proposed Ordinance because it supports the Housing Element’s goals of increasing housing production and diversifying the housing stock, particularly within the Well-Resourced Neighborhoods. This Ordinance also supports the Mayoral Executive Directive’s goal of “Housing for All”. However, the Department believes the Ordinance would be more effective with the following modifications:

Recommendation 1: Amend eligibility criterion to also allow projects within the RM-1 Zoning District.

The RM-1 Zoning District has a mixture of Dwelling Unit types found within RH Districts, but in addition have a significant number of apartment buildings that broaden the range of unit sizes and the variety of structures. The RM-1 Zoning District permits a density of three units per lot or up to one unit per 800 square feet of lot area. A typical lot in the Sunset neighborhood, for example, has a parcel area of 2,500 square feet and would allow up to three Dwelling Units. The proposed Ordinance should be expanded to include RM-1 so that this zoning district is not less dense than what the proposed density limit exceptions would allow.

Recommendation 2: Amend the density exceptions for Single-Lot and Lot-Merger projects to also allow up to one unit per 1,000 square feet of lot area, whichever is greater.

The proposed Ordinance includes minimum densities for both Single-Lot and Lot-Merger projects but does not consider development potential on larger lots. The legislation should be revised to allow an additional density exemption of up to one unit per 1,000 square feet of lot area or the prescribed density minimum in the proposed Ordinance, whichever is greater (see examples in tables below). This 1,000 square feet threshold is modeled after the current CUA requirement for large lots on RH-3 parcels.

Single-Lot Project Example:

Lot Area in Square Feet	Density exception under proposed Ordinance	Density exception per 1,000 square feet of lot area (recommended modification)
2,500 (typical lot)	Four (4)	Three (3)
7,000	Four (4)	Seven (7)

Three-Lot Merger Project Example:

Lot Area in Square Feet	Density exception under proposed Ordinance	Density exception per 1,000 square feet of lot area (recommended modification)
7,500 (typical lots)	Twelve (12)	Eight (8)
16,000	Twelve (12)	Sixteen (16)

The greater density exception is **bolded** in each example above. This recommendation modification would allow a greater density exception as-of-right in cases of large parcels or resulting lot-mergers.

Recommendation 3: Eliminate the reference to RDGs or replace it with “adopted objective design standards”.

The Department is working on moving away from subjective design review such as the RDGs and instead review housing projects against objective design standards. The Department is currently working on objective design standards in conjunction with the rezoning effort to implement the Housing Element. Once adopted, this could further expedite review of all housing projects.

Recommendation 4: Eliminate the one-year ownership requirement.

The ownership requirement was originally included in the Four-plex program to discourage speculative projects and developers; however, it’s not clear that this stops speculative development or that the City should be discouraging people from investing in housing construction based on how long someone has owned the property. It could take up to a year for an applicant to finalize development plans, but that could also be done in a matter of months. Not allowing the applicant to submit plans when they are ready increases holding costs and ultimately the cost of housing. It also slows down the pace of housing development, and since the City needs 82,000 housing units in the next 8 years setting an arbitrary holding time is counterproductive. Eliminating the ownership requirement allows applicants to start their projects sooner and helps produce housing the housing we desperately need now. This recommendation would also align with Mayor Breed’s a streamlining legislation which eliminates the ownership requirement in the Four-plex program.

Recommendation 5: For the Single-Lot Density Exception, allow four units to be proposed in primary structure.

The current provision for Single-Lot Density Exception only allows four-unit developments to have a three-unit building at the front of the lot, and one unit in the rear yard. This requirement was initially based on the understanding that the building code necessitates an elevator in four-unit buildings. The concern was that the additional height required for an elevator posed challenges during the Supervisor’s outreach. However, there is no prohibition on installing an elevator in a one- or two-unit 40’ building, and an applicant could propose a State ADU within the front building, which may trigger the need for an elevator. Allowing the entire development to take place at the front of the lot maintains the City’s historic development pattern, which offers several environmental benefits and health benefits to residents. Additionally, constructing side yards or fire protected pathways through the front building would be necessary to accommodate development in the rear yard. Given our zero-lot line development pattern and the narrowness of our 25’ lots, developing the rear yard becomes less practical.

Recommendation 6: For the Lot-Merger Density Exception, require at least one of the following:

	Two-Lot Merger	Three-Lot Merger
--	----------------	------------------

Two-Bedroom Units	Two (2)	Three (3)
Three-Bedroom Units	One (1)	Two (2)

The minimum of two units providing at least two bedrooms makes sense for the Single-Lot development projects but should be expanded for the Lot-Merger projects. This recommendation expands the proposed two-bedroom requirement by 1) increasing the number of required two-bedroom units when three lots are merged and 2) allowing an additional option for Lot-Merger projects to comply with unit type requirements. The idea is that a Lot-Merger project will yield more units than a Single-Lot project and thus there is more flexibility in the types of units offered. The recommended amendments align with the intent of the proposed Ordinance to create family-sized Dwelling Units.

Recommendation 7: Add eligibility criteria to the SUD protecting rent-controlled buildings and prohibiting buildings with tenants and a no-fault eviction history from taking part in the proposed program.

- (1) No more than two units subject to rent control are being demolished.
- (2) The units to be demolished are not tenant occupied and are without a history of evictions under Administrative Code Sections 37.9(a)(8)-(12) or 37.9(a)(14)-(16) (*aka No-Fault Evictions*) within last 5 years.

While Supervisor Melgar’s ordinance includes a prohibition on condo conversion for buildings that have a history of no-fault evictions, we believe that this criterion should be used to determine eligibility for the program. We also want to protect multi-unit buildings (three or more units) from being demolished to reduce the loss of existing housing stock and minimize displacement. Supervisor Melgar’s ordinance specifies that replacement, relocation and first right of refusal per SB 330 must be adhered to; however, it does not set a limit on the number of units in this category that could be demolished.

Recommendation 8: Clerical changes:

These changes are recommended to correct the nomenclature and language used within the proposed Ordinance. All changes are more clerical in nature and will not change the intent of the legislation.

Recommendation 8a: Revise “Group Housing unit” to “Group Housing bedroom”.

Group Housing is a different use than a Dwelling Unit. The correct term is “Group Housing bedroom”.

Recommendation 8b: Clarify that projects cannot propose a combination of Dwelling Units and Group Housing.

Density is calculated differently between Dwelling Units and Group Housing bedrooms. Additionally, Group Housing projects require different common space and communal kitchen requirements which should not be applied to Dwelling Units. This clarifies that the separate uses cannot be combined within the proposed SUD.

Recommendation 8c: Clarify that Unauthorized Dwelling Units do not count for the purposes of calculating existing Dwelling Units on the property at the time of application.

Unauthorized Dwelling Units should not be counted as an existing Dwelling Unit because the intent of the legislation is to increase the number of legal Dwelling Units. For example, if there is currently a single-family dwelling with an Unauthorized Dwelling Unit, the final project should include at least two Dwelling Units. This property should not need be required to propose a project with at least three Dwelling Units.

Recommendation 8d: Clarify that existing Dwelling Units qualify for the two-bedroom (and/or three-bedroom) requirement.

The Ordinance should not discount existing Dwelling Units when reviewing for the project's unit types against the eligibility criterion because not all proposed projects would be new construction. For example, if there are currently two (2) two-bedroom units at the property, the project should already meet the eligibility criterion even if they are proposing to add only one (1) new one-bedroom to the property. The eligibility criterion should review the resulting project, not just *new* Dwelling Units.

Required Commission Action

The proposed Ordinance is before the Commission so that it may approve it, reject it, or approve it with modifications.

Environmental Review

The proposed amendments were covered in the San Francisco Housing Element 2022 Update Environmental Impact Report (EIR) certified on November 17, 2022.

Public Comment

As of the date of this report, the Planning Department has not received any public comment regarding the proposed Ordinance.

RESOLUTION APPROVING WITH MODIFICATION A PROPOSED ORDINANCE THAT WOULD AMEND 1) THE PLANNING CODE TO CREATE THE FAMILY HOUSING OPPORTUNITY SPECIAL USE DISTRICT; 2) THE PLANNING CODE TO AUTHORIZE UP TO FOUR UNITS ON INDIVIDUAL LOTS, UP TO TWELVE UNITS ON MERGED LOTS IN RH-1 DISTRICTS, AND GROUP HOUSING IN RH-1 DISTRICTS FOR ELIGIBLE PROJECTS IN THE SPECIAL USE DISTRICT; 3) THE PLANNING CODE TO EXEMPT ELIGIBLE PROJECTS IN THE SPECIAL USE DISTRICT FROM CERTAIN HEIGHT, OPEN SPACE, DWELLING UNIT EXPOSURE, AND REAR-YARD SETBACK REQUIREMENTS, CONDITIONAL USE AUTHORIZATIONS, AND NEIGHBORHOOD NOTIFICATION REQUIREMENTS; 4) THE SUBDIVISION CODE TO AUTHORIZE ELIGIBLE PROJECTS IN THE SPECIAL USE DISTRICT TO QUALIFY FOR CONDOMINIUM CONVERSION OR A CONDOMINIUM MAP THAT INCLUDES THE EXISTING DWELLING UNITS AND THE NEW DWELLING UNITS THAT CONSTITUTE THE PROJECT; 5) THE ADMINISTRATIVE CODE TO REQUIRE NEW DWELLING OR GROUP HOUSING UNITS CONSTRUCTED PURSUANT TO THE DENSITY LIMIT EXCEPTION TO BE SUBJECT TO THE RENT INCREASE LIMITATIONS OF THE RENT ORDINANCE; 6) THE ZONING MAP TO SHOW THE FAMILY HOUSING OPPORTUNITY SPECIAL USE DISTRICT; AND AFFIRMING THE PLANNING DEPARTMENT'S DETERMINATION UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT, AND MAKING FINDINGS OF CONSISTENCY WITH THE GENERAL PLAN, AND THE EIGHT PRIORITY POLICIES OF PLANNING CODE, SECTION 101.1, AND FINDINGS OF PUBLIC NECESSITY, CONVENIENCE, AND WELFARE UNDER PLANNING CODE, SECTION 302.

WHEREAS, on January 10, 2023 Supervisor Melgar introduced a proposed Ordinance under Board of Supervisors (hereinafter "Board") File Number 230026, which amend 1) the Planning Code to create the Family

Housing Opportunity Special Use District; 2) the Planning Code to authorize up to four units on individual lots, up to twelve units on merged lots in RH-1 districts, and Group Housing in RH-1 districts for eligible projects in the Special Use District; 3) the Planning Code to exempt eligible projects in the Special Use District from certain height, open space, dwelling unit exposure, and rear-yard setback requirements, conditional use authorizations, and neighborhood notification requirements; 4) the Subdivision Code to authorize eligible projects in the Special Use District to qualify for condominium conversion or a condominium map that includes the existing dwelling units and the new dwelling units that constitute the project; 5) the Administrative Code to require new dwelling or group housing units constructed pursuant to the density limit exception to be subject to the rent increase limitations of the Rent Ordinance; and 6) the Zoning Map to show the Family Housing Opportunity Special Use District (SUD);

WHEREAS, the Planning Commission (hereinafter “Commission”) conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Ordinance on June 1, 2023; and,

WHEREAS, the proposed amendments were covered in the San Francisco Housing Element 2022 Update Environmental Impact Report (EIR) certified on November 17, 2022; and

WHEREAS, the Planning Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of Department staff and other interested parties; and

WHEREAS, all pertinent documents may be found in the files of the Department, as the Custodian of Records, at 49 South Van Ness Avenue, Suite 1400, San Francisco; and

WHEREAS, the Planning Commission has reviewed the proposed Ordinance; and

WHEREAS, the Planning Commission finds from the facts presented that the public necessity, convenience, and general welfare require the proposed amendment; and

MOVED, that the Planning Commission hereby **approves with modifications** the proposed ordinance. The Commission’s proposed recommendations are as follows:

1. Amend eligibility criterion to also allow projects within the RM-1 Zoning District.
2. Amend the density exceptions for Single-Lot and Lot-Merger projects to also allow up to one unit per

1,000 square feet of lot area, whichever is greater.

3. Eliminate the reference to RDGs *or* replace with “adopted objective design standards”.
4. Eliminate the one-year ownership requirement.
5. For the Single-Lot Density Exception, allow four units to be proposed in primary structure.
6. For the Lot-Merger Density Exception, require at least one of the following:

	Two-Lot Merger	Three-Lot Merger
<i>Two-Bedroom Units</i>	Two (2)	Three (3)
<i>Three-Bedroom Units</i>	One (1)	Two (2)

7. Add eligibility criteria to the SUD protecting rent-controlled buildings and prohibiting buildings with tenants and a no-fault eviction history from taking part in the proposed program.

(1) No more than two units subject to rent control are being demolished.

(2) The units to be demolished are not tenant occupied and are without a history of evictions under Administrative Code Sections 37.9(a)(8)-(12) or 37.9(a)(14)-(16) (*aka No-Fault Evictions*) within last 5 years.

8. Clerical changes:
 - a. Revise “Group Housing unit” to state “Group Housing bedroom”.
 - b. Clarify that projects cannot propose a combination of Dwelling Units and Group Housing.
 - c. Clarify that Unauthorized Dwelling Units do not count for the purposes of calculating existing Dwelling Units on the property at the time of application.
 - d. Clarify that existing Dwelling Units qualify for the two-bedroom (and/or three-bedroom) requirement.

Findings

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

The proposed Ordinance will streamline review of qualifying housing projects.

The proposed Ordinance focuses on increasing housing production in the Well-Resourced neighborhoods.

General Plan Compliance

The proposed Ordinance and the Commission's recommended modifications are consistent with the following Objectives and Policies of the General Plan:

HOUSING ELEMENT

OBJECTIVE 1.A

Ensure housing stability and healthy homes.

OBJECTIVE 3.B

Create a sense of belonging for all communities of color within well-resourced neighborhoods through expanded housing choice.

OBJECTIVE 4.A

Substantially expand the amount of permanently affordable housing for extremely low- to moderate-income households.

OBJECTIVE 4.B

Expand small and mid-rise multi-family housing production to serve our workforce, prioritizing middle-income households.

OBJECTIVE 4.C

Diversify housing types for all cultures, family structures, and abilities.

POLICY 19

Enable low and moderate-income households, particularly American Indian, Black, and other people of color, to live and prosper in Well-resourced Neighborhoods by increasing the number of permanently affordable housing units in those neighborhoods.

POLICY 20

Increase mid-rise and small multi-family housing types by adopting zoning changes or density bonus programs in Well-resourced Neighborhoods and adjacent lower-density areas near transit, including along SFMTA Rapid Network³³ and other transit.

POLICY 25

Reduce governmental constraints on development in Well-resourced Neighborhoods to enable small and mid-rise multi-family buildings providing improved housing choice and affordability.

POLICY 26

Streamline and simplify permit processes to provide more equitable access to the application process, improve certainty of outcomes, and ensure meeting State- and local-required timelines, especially for 100% affordable housing and shelter projects.

POLICY 32

Promote and facilitate aging in place for seniors and multi-generational living that supports extended families and communal households.

POLICY 33

Prevent the outmigration of families with children and support the needs of families to grow.

The proposed Ordinance aligns with the Housing Element's goal of providing a diverse stock of housing to meet existing and future residents' needs. This legislation especially responds to Policy 26 by eliminating procedural barriers through new streamlining opportunities for qualifying projects within the proposed Family Housing Opportunity SUD. The proposed Ordinance also focuses development opportunities within the Well-Resourced Neighborhoods identified in San Francisco. This directly supports Policy 25 by eliminating development constraints within the Well-Resourced Neighborhoods and Policy 19 by increasing small-and mid-rise buildings within the Well-Resourced Neighborhoods or within low-density neighborhoods. Collectively, this Ordinance supports the Housing Element's goal of "housing for all".

Planning Code Section 101 Findings

The proposed amendments to the Planning Code and Zoning Map are consistent with the eight Priority Policies set forth in Section 101.1(b) of the Planning Code in that:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

The proposed Ordinance would not have a negative effect on neighborhood serving retail uses and will not have a negative effect on opportunities for resident employment in and ownership of neighborhood-serving retail.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

The proposed Ordinance would not have a negative effect on housing or neighborhood character.

3. That the City's supply of affordable housing be preserved and enhanced;

The proposed Ordinance would not have an adverse effect on the City's supply of affordable housing.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

The proposed Ordinance would not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

The proposed Ordinance would not cause displacement of the industrial or service sectors due to office development, and future opportunities for resident employment or ownership in these sectors would not be impaired.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

The proposed Ordinance would not have an adverse effect on City's preparedness against injury and loss of life in an earthquake.

7. That the landmarks and historic buildings be preserved;

The proposed Ordinance would not have an adverse effect on the City's Landmarks and historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

The proposed Ordinance would not have an adverse effect on the City's parks and open space and their access to sunlight and vistas.

Planning Code Section 302 Findings.

The Planning Commission finds from the facts presented that the public necessity, convenience and general welfare require the proposed amendments to the Planning Code as set forth in Section 302.

NOW THEREFORE BE IT RESOLVED that the Commission hereby APPROVES WITH MODIFICATIONS the proposed Ordinance as described in this Resolution.

I hereby certify that the foregoing Resolution was adopted by the Commission at its meeting on June 1, 2023.

Jonas P. Ionin
Commission Secretary

3 Section 1. CEQA and Land Use Findings.
4

5 (a) The Planning Department has determined that the actions contemplated in this
6 ordinance comply with the California Environmental Quality Act (California Public Resources
7 Code Section 21000 *et seq.*). Said determination is on file with the Clerk of the Board of
8 Supervisors in File No. ____ and is incorporated herein by reference. The Board affirms this
9 determination.

10 (b) On _____, the Planning Commission, in Resolution No. _____,
11 adopted findings that the actions contemplated in this ordinance are consistent, on balance,
12 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The
13 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of
14 the Board of Supervisors in File No. _____, and is incorporated herein by reference.

15 (c) Pursuant to Planning Code Section 302, this Board finds that these Planning Code
16 amendments will serve the public necessity, convenience, and welfare for the reasons set
17 forth in Planning Commission Resolution No. _____, and the Board adopts such
18 reasons as its own. A copy of said resolution is on file with the Clerk of the Board of
19 Supervisors in File No. _____ and is incorporated herein by reference.

20 Section 2. General Findings.
21

22 (a) California faces a severe crisis of housing affordability and availability, prompting
23 the Legislature to declare, in Section 65589.5 of the Government Code, that the state has "a
24 housing supply and affordability crisis of historic proportions. The consequences of failing to
25 effectively and aggressively confront this crisis are hurting millions of Californians, robbing

1 future generations of a chance to call California home, stifling economic opportunities for
2 workers and businesses, worsening poverty and homelessness, and undermining the state’s
3 environmental and climate objectives.”

4 (b) This crisis of housing affordability and availability is particularly severe in San
5 Francisco. It is characterized by dramatic increases in rent and home sale prices over recent
6 years.

7 (c) According to the Planning Department’s 2020 Housing Inventory, the cost of
8 housing in San Francisco has increased dramatically since the Great Recession of 2008-
9 2009, with the median sale price for a two-bedroom house more than tripling from 2011 to
10 2021, from \$493,000 to \$1,580,000. This includes a 9% increase from 2019 to 2020 alone,
11 even in the face of the COVID-19 pandemic. The median rental price for a two-bedroom
12 apartment saw similar although slightly smaller increases, nearly doubling from \$2,570 to
13 \$4,500 per month, from 2011 to 2019, before declining in 2020 due to the pandemic.

14 (d) These housing cost trends come after decades of underproduction of housing in
15 the Bay Area. The City’s Chief Economist has estimated that approximately 5,000 new
16 market-rate housing units per year would be required to keep housing prices in San Francisco
17 constant with the general rate of inflation. To this end, the City’s COVID-19 Economic
18 Recovery Task Force included a recommendation in its October 2020 report to support
19 construction of small multifamily buildings in low density areas to support “missing middle”
20 housing opportunities.

21 (e) Moreover, San Francisco will be challenged to meet increased Regional Housing
22 Needs Allocation (“RHNA”) goals in the 2023-2031 Housing Element cycle, which total 82,069
23 units over eight years, more than 2.5 times the goal of the previous eight-year cycle. At the
24 same time, relatively new State laws like Senate Bill 35 (2017) would limit San Francisco’s
25

1 local zoning control and discretion if the City does not meet these RHNA housing production
2 goals.

3 (f) San Francisco’s new housing production in recent years has been heavily
4 concentrated in the eastern and southeastern parts of the City, with 90% of all new housing
5 produced in just ten eastside and central neighborhoods, according to the 2019 Housing
6 Affordability Strategies Report. These neighborhoods are home to many of the City’s most
7 established communities of color and communities most vulnerable to displacement
8 pressures.

9 (g) The California Fair Housing Task Force annually updates the Tax Credit Allocation
10 Committee/Department of Housing and Community Development Opportunity Map
11 (“TCAC/HCD Opportunity Map”). The TCAC/HCD Opportunity Map identifies high-resource
12 and highest-resource areas in the state whose concentration of resources have been shown
13 to support positive economic, educational, and health outcomes for low-income families —
14 particularly long-term outcomes for children. The 2020 TCAC/HCD Opportunity Map is the
15 basis for the Well-Resourced Neighborhoods Map in the 2023-2031 Housing Element, on file
16 with the Clerk of the Board of Supervisors in File No. 230001. The Well-Resourced
17 Neighborhoods Map is also on file with the Clerk of the Board of Supervisors in File No.
18 _____ and is incorporated herein by reference.

19 (h) Since 2005, just 10% of all new housing in San Francisco and 10% of new
20 affordable housing in San Francisco has been built in high- and highest-resource
21 neighborhoods, though these areas cover nearly 52% of the residential land in the city. In
22 these high-resource neighborhoods, 65% of the land is limited to one or two units. Permitting
23 additional units in high-resource areas will increase the supply of available housing, including
24 the supply of modestly-sized family units that are more affordable than large, single-family
25 homes.

1 (i) While recent legislation has authorized multi-family homes in these neighborhoods,
2 additional procedural requirements may render them too expensive to deliver. Streamlining
3 and simplifying permit processes will help provide more equitable access to the application
4 process and improve certainty of development outcomes for small multifamily buildings in
5 high- and highest-resource neighborhoods.

6 (j) This ordinance creates the Family Housing Opportunity Special Use District (SUD),
7 whose boundaries are generally coterminous with the Well-Resourced Neighborhoods Map in
8 the 2023-2031 Housing Element. This legislation expands upon and complements recently
9 enacted state legislation, such as SB 9, that aims to promote multifamily housing development
10 in single-family neighborhoods. To this end, the legislation provides project sponsors
11 flexibility to choose from a menu of incentives to fit their project needs – be it relief from
12 procedural requirements like conditional use authorizations, neighborhood notification, and
13 public-initiated discretionary review, relief from development standards like density, or a
14 combination of the two.

15 (k) The Family Housing Opportunity SUD permits development of up to four units on
16 an individual parcel in an RH District, provided that the proposed project complies with the
17 heights and bulk specified in the City’s Zoning Maps (Height & Bulk Maps HT01 through
18 HT14), in addition to other eligibility criteria detailed in this ordinance. The SUD also permits
19 up to one Group Housing unit per 415 square feet of lot area in RH-1, RH-1(D), and RH-1(S)
20 districts. In those same districts, the SUD permits up to 12 units if the lot is the result of a
21 merger of three lots, or eight units if the lot is the result of a merger of two lots. This
22 ordinance also streamlines approval by exempting eligible projects from conditional use
23 authorization and neighborhood notification requirements and public-initiated discretionary
24 review hearings in Planning Code Section 311.

1 (l) All parcels affected by this ordinance are considered urban infill sites under
2 California Government Code Section 65913(e)(3). This Board therefore declares that this
3 ordinance is enacted pursuant to California Government Code Section 65913(e)(3).

4 (m) This Board finds that this ordinance is consistent with San Francisco's obligation to
5 affirmatively further fair housing pursuant to California Government Code Section 8899.50, by
6 increasing density for projects that enter into regulatory agreements with the City
7 acknowledging that, in consideration for the density exceptions, the new units shall be subject
8 to local rent control notwithstanding the Costa-Hawkins Rental Housing Act (California Civil
9 Code Section 1954.50 *et seq.*). Increasing density in this manner meaningfully addresses
10 significant disparities in housing needs and access to opportunity. Additionally, this ordinance
11 streamlines the approval process to promote certainty in development outcomes in high- and
12 highest-resource neighborhoods.

13 (n) This Board finds that it is in the public interest to encourage the production of a
14 variety of unit types, sizes, and tenure to accommodate people in different living situations,
15 including a mix of smaller units that can help young adults secure housing and seniors to
16 downsize, and larger units that can help growing or multi-generational families stay
17 adequately housed.

18 (o) This Board recognizes that additional development opportunities may lead to
19 speculative real estate investments that may seek to displace current residents, demolish
20 existing housing stock, build new units, and quickly sell those units. To discourage such
21 speculation, demolition of existing units, and displacement of current residents, this ordinance
22 makes the benefit of the streamlining and development incentives available only to persons
23 who have owned their properties for one year prior to the date of their application, including
24 the ownership duration of their Eligible Predecessor, as defined herein, subject to exceptions
25 for multiple ownership structures and vacant buildings described further in the ordinance.

1
2 Section 3. Article 2 of the Planning Code is hereby amended by adding Section
3 249.94, to read as follows:
4

5 **SEC. 249.94. FAMILY HOUSING OPPORTUNITY SPECIAL USE DISTRICT.**

6 (a) Purpose. To incentivize the development of multifamily housing in the City's well-
7 resourced neighborhoods, a special use district entitled "Family Housing Opportunity Special Use
8 District" is hereby established.

9 (b) Boundaries. The boundaries of the Family Housing Opportunity Special Use District are
10 shown on Special Use District Maps Sheets SU 1, SU 2, SU 3, SU 4, SU 5, SU 6, SU 7, SU 11, SU 12,
11 and SU 13. These boundaries consist generally of the areas designated as high-resource and highest-
12 resource on the Well-Resourced Neighborhoods Map of the 2023-2031 Housing Element.

13 (c) Eligibility. An eligible project under this Section 249.94 shall be a project that complies
14 with all the following criteria:

15 (1) is located in an RH District in the Family Housing Opportunity Special Use
16 District;

17 (2) is not seeking or receiving approval under the provisions of Planning Code Sections
18 206.3, 206.5, or 206.6;

19 (3) is not located on a parcel resulting from a lot split under California Government
20 Code Section 66411.7;

21 (4) proposes any of the following project types:

22 (A) Single-Lot Development Project. The construction, including through the
23 alteration of an existing structure, of at least two and no more than four dwelling units on a single lot,
24 inclusive of any existing dwelling units on the site. For a project proposing four dwelling units, the
25 fourth dwelling unit shall be constructed in the rear yard pursuant to subsection (d)(3) of this Section

1 249.94. For a project proposing fewer than four dwelling units, up to one unit may be located in the
2 rear yard pursuant to subsection (d)(3) of this Section 249.94.

3 (B) **Lot-Merger Development Project in RH-1 Districts.** A merger of up to
4 three lots in RH-1, RH-1(D), or RH-1(S) districts and the construction on the resulting lot of at least
5 nine and no more than 12 dwelling units for a three-lot merger project, or at least six and no more than
6 eight dwelling units for a two-lot merger project. A project proposing a lot merger shall not be eligible
7 to construct a rear-yard unit pursuant to subsection (d)(3) of this Section 249.94.

8 (C) **Group Housing Development Project.** A single-lot project pursuant to
9 subsection (c)(4)(A) of this Section 249.94 and a lot-merger project pursuant to subsection (c)(4)(B) of
10 this Section 249.94 may also propose the construction of Group Housing up to the density limits
11 prescribed in subsection (d)(1)(C) of this Section 249.94 or currently permitted under the Planning
12 Code, whichever is greater. Projects proposing Group Housing units shall not be eligible for
13 condominium subdivision, including but not limited to conversion pursuant to Subdivision Code Section
14 1396.7.

15 (5) contains at least two dwelling units with two or more bedrooms. This provision
16 does not apply to projects where all of the units qualify as Group Housing;

17 (6) includes more dwelling units than are existing on the site at the time of application.
18 In the case of Group Housing, projects utilizing this Section 249.94 shall provide more bedrooms than
19 are existing on the site at the time of application;

20 (7) does not propose the demolition of a building that is:

21 (A) listed as a Contributor to Article 10 Historic Districts;

22 (B) listed as a Landmark under Article 10;

23 (C) located in an Article 11 Conservation District, where the building has a
24 rating of Category I, II, III or IV

1 (D) listed in or determined eligible for listing in the California Register of
2 Historical Resources; or,

3 (E) listed in or determined eligible for listing in the National Register of
4 Historic Places;

5 (8) complies with the Planning Code and any applicable design guidelines, including
6 but not limited to the provisions of this Section 249.94. Notwithstanding the previous sentence, an
7 eligible project shall strive for consistency with the Residential Design Guidelines to the extent
8 feasible;

9 (9) complies with the requirements of Section 66300(d) of the California Government
10 Code, as may be amended from time to time, including but not limited to requirements to replace all
11 protected units and to offer existing occupants of any protected units that are lower income households
12 relocation benefits and a right of first refusal for a comparable unit, as those terms are defined therein;
13 and

14 (10) demonstrates that the project sponsor has owned the subject lot for a minimum of
15 one year prior to the time of the submittal of their application, subject to the following:

16 (A) **Eligible Predecessor.** A property owner who has inherited the subject lot,
17 including any inheritance in or through a trust, from a blood, adoptive, or step family relationship,
18 specifically from either (i) a grandparent, parent, sibling, child, or grandchild, or (ii) the spouse or
19 registered domestic partner of such relations, or (iii) the property owner's spouse or registered
20 domestic partner (each an "Eligible Predecessor"), may add an Eligible Predecessor's duration of
21 ownership of the subject lot to the property owner's duration of ownership of the same lot.

22 (B) **Multiple Ownership.** Whenever property proposed for development is
23 jointly owned, owned as common property or is otherwise subject to multiple ownership, the durational
24 requirements of this subsection (c)(10) must be satisfied by: (i) the majority ownership, whether
25 represented by stock, membership interest, partnership interest, co-tenancy interest, or otherwise, in

1 the case of projects proposed under subsection (c)(4)(A); or (ii) the majority ownership of each lot to
2 be merged, whether represented by stock, membership interest, partnership interest, co-tenancy
3 interest, or otherwise, in the case of projects proposed under subsection (c)(4)(B).

4 (C) **Vacant or Abandoned Property.** The requirement in this subsection (c)(10)
5 that the project sponsor has owned the subject lot for a minimum of one year prior to the time of the
6 submittal of their application shall not apply if the property has been vacant for one or more years at
7 the time of application, or if the property has been registered as a vacant or abandoned building
8 pursuant to Building Code Section 103A.4 et seq.

9 (d) **Other Controls.**

10 (1) **Density Exceptions.** Projects that meet the eligibility criteria in subsection (c) of
11 this Section 249.94 are exempt from residential density limits, calculation of which shall not include
12 any Accessory Dwelling Units permitted under Section 207, as follows:

13 (A) **Single-Lot Density Exception.** For projects eligible under subsection
14 (c)(4)(A), up to four dwelling units per lot are allowable;

15 (B) **Lot-Merger Density Exception.** For projects eligible under subsection
16 (c)(4)(B), up to twelve dwelling units per lot are allowable, if the lot is the result of a merger of three
17 lots, or up to eight dwelling units per lot are allowable, if the lot is the result of a merger of two lots;

18 (C) **Group Housing Density Exception.** For both Single-Lot and Lot-Merger
19 Development Projects under subsection (c)(4)(A) or (B), up to one Group Housing unit per 415 square
20 feet of lot area is allowable in RH-1, RH-1(D), and RH-1(S) districts.

21 (2) **Height.** Notwithstanding any other provision of this Code, including but not limited
22 to Section 261, the height limit for a project that meets the eligibility criteria in subsection (c) of this
23 Section 249.94 shall be 40 feet, if 40 feet is authorized by the Height Map of the Zoning Map.

24 (3) **Construction of Rear-Yard Unit.** Construction of a rear-yard unit shall be
25 governed by the following standards:

1 (A) The subject parcel must be at least 2,400 square feet;

2 (B) The rear-yard unit shall be located at least four feet from the side and rear
3 lot lines and shall not share structural walls with any other structure on the lot;

4 (C) Compliance with minimum rear-yard requirements shall not be required,
5 except that a minimum 25 feet separation shall be provided between the facades that face each other;

6 (D) The dwelling unit exposure requirements of Section 140(a)(2) may be
7 satisfied through qualifying windows facing an unobstructed open area that is no less than 25 feet in
8 every horizontal dimension, and such open area is not required to expand in every horizontal
9 dimension at each subsequent floor;

10 (E) The rear-yard building height shall be limited to 20 feet measured from
11 existing grade at any given point to either i) the highest point of a finished roof in the case of a flat roof
12 or ii) the average height of a pitched roof or stepped roof, or similarly sculptured roof form. The rear-
13 yard building shall not be eligible for any height exemptions in subsection (d)(2) of this Section 249.94
14 or in Section 260(b); and

15 (F) Each dwelling unit shall have at least 100 square feet of usable open space
16 if private, and 133 square feet if common.

17 (4) **Rear-Yard Setback Requirements.** For projects that do not construct a rear-yard
18 unit pursuant to subsection (d)(3) of this Section 249.94, the basic rear yard setback shall be equal to
19 30% of the total depth of the lot on which the building is situated, but in no case less than 15 feet.

20 (5) **Open Space Requirements for Lot-Merger Projects.** For projects eligible under
21 subsection (c)(4)(B) of this Section 249.94, each dwelling unit shall have at least 100 square feet of
22 usable open space if private, and 133 square feet if common.

23 (6) **Minimum Density Requirement on Merged Lots.** For lots merged pursuant to
24 subsection (c)(4)(B) of this Section 249.94, any development on the resulting lot shall be subject to the
25 following minimum densities:

1 (A) six units per lot, if the lot results from a two-lot merger, or

2 (B) nine units per lot, if the lot results from a three-lot merger.

3 **(e) Applicability of Rent Ordinance; Regulatory Agreements.**

4 (1) Sponsors of projects utilizing any of the density exceptions in subsection (d)(1) of
5 this Section 249.94 shall enter into a regulatory agreement with the City subjecting the new units
6 created pursuant to such density exception, except for any required Affordable Units as defined in
7 Planning Code Section 401, to the Residential Rent Stabilization and Arbitration Ordinance (Chapter
8 37 of the Administrative Code), as a condition of approval of the density exception (“Regulatory
9 Agreement”).

10 (2) The property owner and the Planning Director, or the Director’s designee, on
11 behalf of the City, will execute the Regulatory Agreement, which is subject to review and approval by
12 the City Attorney’s Office. The Regulatory Agreement shall be executed prior to the City’s issuance of
13 the First Construction Document for the project, as defined in Section 107 A.13.1 of the Building Code.
14 Following execution of the Regulatory Agreement by all parties and approval by the City Attorney, the
15 Regulatory Agreement or a memorandum thereof shall be recorded in the title records in the Office of
16 the Assessor-Recorder against the property and shall be binding on all future owners and successors in
17 interest.

18 (3) At a minimum, the Regulatory Agreement shall contain the following:

19 (A) A description of the total number of units approved, including the number of
20 units subject to the Rent Stabilization and Arbitration Ordinance and other restricted units, if any, and
21 the location, square footage of dwelling units, and number of bedrooms in each unit;

22 (B) A statement that the new units created pursuant to the density exception are
23 not subject to the Costa-Hawkins Rental Housing Act (California Civil Code Section 1954.50 et seq.)
24 because under Section 1954.52(b), the property owner has entered into and agreed to the terms of the
25 agreement with the City in consideration for an exception from residential density limits, or other

1 direct financial contribution or other forms of assistance specified in California Government Code
2 Section 65915 et seq.;

3 (C) A description of the residential density exception or other direct financial
4 contribution or forms of assistance provided to the property owner; and

5 (D) A description of the remedies for breach of the agreement and other
6 provisions to ensure implementation and compliance with the agreement.

7 (f) **Review and Approvals.** Notwithstanding any other provision of this Code and irrespective
8 of whether a project is utilizing a density exception pursuant to subsection (d)(1) of this Section 249.94,
9 for any project that meets the eligibility criteria in subsection (c) of this Section 249.94 the following
10 shall apply:

11 (1) No conditional use authorization shall be required, including but not limited to the
12 requirements of Sections 303 and 317 of this Code;

13 (2) Compliance with Section 311 of this Code shall not be required; and

14 (3) A Notice of Special Restrictions (“NSR”) shall be recorded on the title of any
15 property receiving approval under this Section 249.94. The NSR shall:

16 (A) Describe the uses, restrictions, and development controls approved under
17 Planning Code Section 249.94, including but not limited to the minimum density restrictions set forth in
18 subsection (d)(6);

19 (B) State that the NSR runs with the land and is binding on all future owners and
20 successors in interest;

21 (C) Provide the Planning Department with the ability to enforce the provisions
22 of this Section 249.94;

23 (D) Describe any other conditions that the Planning Director deems appropriate
24 to ensure compliance with this Section 249.94; and

25

1 (E) Be signed by the City and recorded prior to issuance of the building permit
2 for the project receiving approval under this Section 249.94.

3 (g) **Review of Program.** The Planning Department shall include the location and number of
4 units of projects using this Section 249.94 in the Housing Inventory Report. Prior to December 31,
5 2030, the Planning Department shall prepare a report containing recommendations for modifications
6 to this Section 249.94, including modifications to the boundaries described in subsection (b), to further
7 the goals of the City's Seventh Housing Element Cycle.

8
9 Section 4. Pursuant to Sections 106 and 302(c) of the Planning Code, Sheets SU 1,
10 SU 2, SU 3, SU 4, SU 5, SU 6, SU 7, SU 11, SU 12, and SU 13 of the Zoning Map of the City
11 and County of San Francisco are hereby amended, as follows:

Description of Property	Special Use District Hereby Approved
All parcels within the westernmost boundary of the Great Highway; the northernmost boundary of the City; and the area bounded by Leavenworth between Jefferson and North Point; Columbus between North Point and Chestnut; Chestnut between Taylor and Montgomery; Montgomery between Chestnut and Greenwich; Greenwich between Montgomery and Sansome; Sansome between Greenwich and Vallejo; Vallejo between Sansome and Kearny;	Family Housing Opportunity Special Use District

15
16 Section 5. Article 9 of the Subdivision Code is hereby amended by amending Sections
17 1359, 1396.4,1396.5 and adding Section 1396.7, to read as follows:

18
19 **SEC. 1359. PARCEL MAP.**

20 * * * *

21 (c) In the case of Conversions where a Tentative Map is not required, the
22 requirements of Section 1314 and the requirements of Article 9 on Conversions shall apply,
23 provided that hearings as provided in Sections 1313 and 1332 shall not be required, and
24 provided further that Article 9 shall not be applied to two-unit buildings where both units are
25 owner-occupied for one year prior to the application for Conversion. This exemption for

1 owner-occupied two-unit buildings shall not apply to units legalized pursuant to Section 207.3
2 of the Planning Code or units constructed pursuant to Section 249.94 of the Planning Code.

3 * * * *

4
5 **SEC. 1396.4. CONDOMINIUM CONVERSION FEE AND EXPEDITED**
6 **CONVERSION PROGRAM.**

7 (a) Findings. The findings of Planning Code Section 415.1 concerning the
8 City's inclusionary affordable housing program are incorporated herein by reference and
9 support the basis for charging the fee set forth herein as it relates to the conversion of
10 dwelling units into condominiums.

11 (b) Any building may be exempted from the annual lottery provisions of Section
12 1396 if the building owners for said building comply with either: (1) Section 1396.3(g)(1) and
13 all the requirements of this Section 1396.4; ~~or~~ (2) all the requirements of Section 1396.6; or
14 (3) all the requirements of Section 1396.7. Notwithstanding the foregoing sentence, no property or
15 applicant subject to any of the prohibitions on conversions set forth in Section 1396.2, in
16 particular a property with the eviction(s) set forth in Section 1396.2(b), is eligible for the
17 Expedited Conversion program under this Section 1396.4. Eligible buildings as set forth in this
18 subsection (b) may exercise their option to participate in this program according to the
19 following requirements:

20 * * * *

21
22 **SEC. 1396.5. SUSPENSION OF THE LOTTERY PENDING PRODUCTION OF**
23 **REPLACEMENT UNITS FOR EXPEDITED CONVERSION UNITS.**

24 * * * *

1 (c) Except as otherwise authorized under Section 1396.6 or Section 1396.7, the
2 Department shall not accept an application for the conversion of residential units under
3 Section 1396 nor conduct a lottery under this Article prior to January 1, 2024. Thereafter, the
4 lottery shall resume upon the earlier of the following: (1) the first February following the
5 Mayor’s Office of Housing and Community Development report pursuant to subsection (b)
6 showing that the total number of Conversion Replacement Units produced in the City of San
7 Francisco exceeded the total number of units converted as identified in the Department’s
8 report prepared pursuant to Subsection (a); or (2) completion of the “Maximum Suspension
9 Period” as defined below.

10 * * * *

11
12 **SEC. 1396.7. CONDOMINIUM CONVERSION ASSOCIATED WITH PROJECTS**
13 **CONSTRUCTED PURSUANT TO PLANNING CODE SECTION 249.94.**

14 (a) Findings. The findings of Planning Code Section 415.1 concerning the City’s inclusionary
15 affordable housing program are incorporated herein by reference and support the basis for charging
16 the fee set forth herein as it relates to the conversion of dwelling units into condominiums.

17 (b) Definition. “Existing Dwelling Unit” shall mean the dwelling unit in existence on a lot at
18 the time of the submittal of an application to construct a new dwelling unit pursuant to Planning Code
19 Section 249.94.

20 (c) Notwithstanding Section 1396.4 of this Code and Ordinance No. 117-13, a subdivider of a
21 one-unit building that has obtained a permit to build one or more new dwelling units pursuant to
22 Planning Code Section 249.94, which results in two or more dwelling units, and that has signed an
23 affidavit stating the subdivider’s intent to reside in one of those resulting dwelling units, or in the
24 Existing Dwelling Unit, for a period of three years after the approval of the Certificate of Final
25 Completion and Occupancy for the new dwelling units, shall (1) be exempt from the annual lottery

1 provisions of Section 1396 of this Code with respect to the dwelling units built as part of the Project
2 and (2) be eligible to submit a condominium conversion application for the Existing Dwelling Units
3 and/or include the Existing Dwelling Units in a condominium map application for the project approved
4 pursuant to Planning Code Section 249.94. Notwithstanding the foregoing sentence, no property or
5 applicant subject to any of the prohibitions on conversions set forth in Section 1396.2 of this Code,
6 including but not limited to a property with the eviction(s) set forth in Section 1396.2(b), shall be
7 eligible for condominium conversion under this Section 1396.7. Eligible buildings as set forth in this
8 subsection (c) may exercise their option to participate in this program according to the following
9 requirements:

10 (1) The applicant(s) for the subject building seeking to convert dwelling units to
11 condominiums or subdivide dwelling units into condominiums under this subsection shall pay the fee
12 specified in Section 1315 of this Code.

13 (2) In addition to all other provisions of this Section 1396.7, the applicant(s) shall
14 comply with all of the following:

15 (A) The requirements of Subdivision Code Article 9, Sections 1381, 1382, 1383,
16 1386, 1387, 1388, 1389, 1390, 1391(a) and (b), 1392, 1393, 1394, and 1395.

17 (B) The applicant(s) must certify that within the 60 months preceding the date
18 of the subject application, no tenant resided at the property.

19 (C) The applicant(s) must certify that to the extent any tenant vacated their unit
20 after March 31, 2013, and before recordation of the final parcel or subdivision map, such tenant did so
21 voluntarily or if an eviction or eviction notice occurred it was not pursuant to Administrative Code
22 Sections 37.9(a)(8)-(12) and 37.9(a)(14). If a temporary eviction occurred under Sections 37.9(a)(11)
23 or 37.9(a)(14), then the applicant(s) shall certify that the original tenant reoccupied the unit after the
24 temporary eviction.

1 (3) If the Department finds that a violation of this Section 1396.7 occurred prior to
2 recording of the final map or final parcel map, the Department shall disapprove the application or
3 subject map. If the Department finds that a violation of this Section occurred after recording of the
4 final map or parcel map, the Department shall take such enforcement actions as are available and
5 within its authority to address the violation.

6 (4) This Section 1396.7 shall not prohibit a subdivider who has lawfully exercised the
7 subdivider's rights under Administrative Code Section 37.9(a)(13) from submitting a condominium
8 conversion application under this Section 1396.7.

9 **(d) Decisions and Hearing on the Application.**

10 (1) The applicant shall obtain a final and effective tentative map or tentative parcel
11 map approval for the condominium subdivision or parcel map within one year of paying the fee
12 specified in subsection (e) of this Section 1396.7. The Director of the Department of Public Works or
13 the Director's designee is authorized to waive the time limits set forth in this subsection (d)(1) as it
14 applies to a particular building due to extenuating or unique circumstances. Such waiver may be
15 granted only after a public hearing and in no case shall the time limit extend beyond two years after
16 submission of the application.

17 (2) No less than 20 days prior to the Department's proposed decision on a tentative
18 map or tentative parcel map, the Department shall publish the addresses of buildings being considered
19 for approval and post such information on its website. During this time, any interested party may file a
20 written objection to an application and submit information to the Department contesting the eligibility
21 of a building. In addition, the Department may elect to hold a public hearing on said tentative map or
22 tentative parcel map to consider the information presented by the public, other City department, or an
23 applicant. If the Department elects to hold such a hearing it shall post notice of such hearing and
24 provide written notice to the applicant, all tenants of such building, any member of the public who
25 submitted information to the Department, and any interested party who has requested such notice. In

1 the event that an objection to the conversion application is filed in accordance with this subsection
2 (d)(2), and based upon all the facts available to the Department, the Department shall approve,
3 conditionally approve, or disapprove an application and state the reasons in support of that decision.

4 (3) Any map application subject to a Departmental public hearing on the subdivision
5 or a subdivision appeal shall receive a six-month extension on the time limit set forth in subsection
6 (d)(1) of this Section 1396.7.

7 (e) Should the subdivision application be denied or be rejected as untimely in accordance with
8 the dates specified in subsection (d)(1) of this Section 1396.7, or should the tentative subdivision map
9 or tentative parcel map be disapproved, the City shall refund the entirety of the application fee.

10 (f) Conversion of buildings pursuant to this Section 1396.7 shall have no effect on the terms
11 and conditions applicable to such buildings under Section 1385A or 1396 of this Code.

12
13 Section 6. Chapter 37 of the Administrative Code is hereby amended by revising
14 Sections 37.2 and 37.3, to read as follows:

15
16 **SEC. 37.2. DEFINITIONS.**

17 * * * *

18 (r) **Rental Units.** All residential dwelling units in the City together with the land and
19 appurtenant buildings thereto, and all housing services, privileges, furnishings, and facilities
20 supplied in connection with the use or occupancy thereof, including garage and parking
21 facilities.

22 * * * *

23 The term “rental units” shall not include:

24 * * * *

1 (4) Except as provided in subsections (A)-(E), dwelling units whose rents are
2 controlled or regulated by any government unit, agency, or authority, excepting those
3 unsubsidized and/or unassisted units which are insured by the United States Department of
4 Housing and Urban Development; provided, however, that units in unreinforced masonry
5 buildings which have undergone seismic strengthening in accordance with Building Code
6 Chapters 16B and 16C shall remain subject to the Rent Ordinances to the extent that the
7 ordinance is not in conflict with the seismic strengthening bond program or with the program's
8 loan agreements or with any regulations promulgated thereunder;

9 * * * *

10 (E) The term "rental units" shall include any new dwelling units created
11 pursuant to the density exception_s set forth in Section_s 207(c)(8) and 249.94 of the Planning
12 Code.

13
14 **SEC. 37.3. RENT LIMITATIONS.**

15 (a) **Rent Increase Limitations for Tenants in Occupancy.** Landlords may impose
16 rent increases upon tenants in occupancy only as provided below and as provided by
17 subsections 37.3(d) and 37.3(g):

18 * * * *

19 (d) **Costa-Hawkins Rental Housing Act (Civil Code Sections 1954.50. et seq.).**
20 Consistent with the Costa-Hawkins Rental Housing Act (Civil Code Sections 1954.50. et seq.)
21 and regardless of whether otherwise provided under Chapter 37:

22 (1) **Property Owner Rights to Establish Initial and All Subsequent Rental**
23 **Rates for Separately Alienable Parcels.**

24 (A) An owner or residential real property may establish the initial and all
25 subsequent rental rates for a dwelling or a unit which is alienable separate from the title to any

1 other dwelling unit or is a subdivided interest in a subdivision as specified in subdivision (b),
2 (d), or (f) of Section 11004.5 of the California Business and Professions Code. The owner's
3 right to establish subsequent rental rates under this paragraph shall not apply to a dwelling or
4 unit where the preceding tenancy has been terminated by the owner by notice pursuant to
5 California Civil Code Section 1946 or has been terminated upon a change in the terms of the
6 tenancy noticed pursuant to California Civil Code Section 827; in such instances, the rent
7 increase limitation provisions of Chapter 37 shall continue to apply for the duration of the new
8 tenancy in that dwelling or unit.

9 * * * *

10 (D) An owner's right to establish subsequent rental rates under
11 subsection 37.3(d)(1) shall not apply to a dwelling or unit that is a new dwelling unit created
12 pursuant to the density exception_s set forth in Section_s 207(c)(8) and 249.94 of the Planning
13 Code.

14 * * * *

15
16 Section 7. The Planning Department, the Department of Public Works, and the Rent
17 Board are authorized to adopt regulations to implement this ordinance.

18
19 Section 8. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors
20 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,
21 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal
22 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment
23 additions, and Board amendment deletions in accordance with the "Note" that appears under
24 the official title of the ordinance.

1 Section 8. Severability. If any section, subsection, sentence, clause, phrase, or word
2 of this ordinance, or any application thereof to any person or circumstance, is held to be
3 invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision
4 shall not affect the validity of the remaining portions or applications of the ordinance. The
5 Board of Supervisors hereby declares that it would have passed this ordinance and each and
6 every section, subsection, sentence, clause, phrase, and word not declared invalid or
7 unconstitutional without regard to whether any other portion of this ordinance or application
8 thereof would be subsequently declared invalid or unconstitutional.

9
10 Section 9. No Conflict with Federal or State Law. Nothing in this ordinance shall be
11 interpreted or applied so as to create any requirement, power, or duty in conflict with any
12 federal or state law.

13
14 Section 10. Effective Date. This ordinance shall become effective 30 days after
15 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
16 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
17 of Supervisors overrides the Mayor’s veto of the ordinance.

18
19 APPROVED AS TO FORM:
20 DAVID CHIU, City Attorney

21 By: /s/ Giulia Gualco-Nelson
22 GIULIA GUALCO-NELSON
23 Deputy City Attorney

EXHIBIT D

	Supervisor Melgar	Mayor Breed	Analysis
SUD	Creates an SUD based on Well-Resourced Neighborhoods map.	Creates a SUD based on Priority Equity Geographies map (excluding areas that overlap with Well-Resourced Neighborhoods).	Some areas of the city aren't covered by either area, and some parts overlap. Using the Priority Equity Geographies as a basis to maintain existing 311 and 317 controls exempts slightly more neighborhoods from 311 and 317 controls, while using the Well-Resourced Neighborhoods as a basis subjects slightly fewer neighborhoods to the proposed exemptions.
Purpose of SUD	Uses the SUD to provide exemptions from 317 and 311 requirements, and additional density allowances based on specific criteria for properties within the Well-resourced Neighborhoods.	Uses the SUD to maintain existing 311 and 317 requirements for the Priority Equity Geographies.	
311 - Neighborhood Notification	Exempts projects from 311 only if the project is eligible under the criteria outlined in the SUD. (see below)	Exempts all projects from 311 notifications, unless they are located with the Priority Equity Geographies SUD.	More projects would be exempt from 311 under the mayor's ordinance, as 311 would only apply to projects within the Priority Equity Geographies. If the mayor's ordinance is adopted as is, it would negate this provision in Melgar's proposed SUD.
317-CU Requirement for Demo or Alteration	<p>Exempts projects from 317 only if the project is eligible under the criteria outlined in the SUD.</p> <p>(1) is located in an RH District in the Family Housing Opportunity Special Use District;</p> <p>(2) is not seeking or receiving approval under HOME SF, State Density Bonus, or Affordable Housing Bonus projects.</p> <p>(3) is not located on lots resulting from a lot split from SB 9</p> <p>(4) proposes a specific list of project types (see below).</p> <p>(5) contains at least two dwelling units with two or more bedrooms.</p> <p><u>(6) includes more dwelling units than are existing on the site at the time of application.</u></p> <p><u>(7) does not propose the demolition of a known historic building.</u></p> <p>(8) Is not seeking a variance, complies applicable design guidelines, complies with the SUD and "strives" to comply with the RDG;</p> <p><u>(9) Complies with the 3 Rs in SB 330;</u></p> <p>(10) The project sponsor has owned the property for at least one year.</p>	<p>Exempts project from 317 if they are not located with the Priority Equity Geographies and meet the following criteria:</p> <p>(1) The units to be demolished are not tenant occupied and are without a history of no fault evictions within the last 5 years;</p> <p>(2) No more than two units that are required to be replaced per subsection (5) below would be removed or demolished;</p> <p><u>(3) The building proposed for demolition of a known Historic Building;</u></p> <p><u>(4) The proposed project is adding at least one more unit than would be demolished; and,</u></p> <p><u>(5) The project complies the 3 Rs in SB 330</u></p>	<p>Several of Melgar criteria (1, 2, 4, 5, 10) appear to be in response to allowing increased density and mirror the four-plex legislation. Whereas the mayor's ordinance relies on the provisions already outlined in the four-plex ordinance, existing zoning and anticipated zoning changes. The mayor's ordinance does not have a one-year ownership requirement to take advantage of process improvements, and projects seeking a variance would still be able to take advantage of process relief (but would still need to be granted a variance). If the mayor's ordinance passed as is, it would negate the 317 exemption controls in Melgar's ordinance.</p>
Additional Density	Allows additional density on lots in RH Districts that meet the criteria in the SUD. Additional density is similar to what is allowed in the Four-plex Program, but also includes merger provisions that allow additional density.	Does not provide any additional density beyond what is allowed in existing zoning or the Four-plex Program.	
Lot Size	Requires eligible projects to have a minimum lot size of 2,400 or greater in order to construct a unit in the required rear yard.	Reduces the minimum lot size city wide to 1,200 sq. ft. and minimum lot frontage to 20'	Because Melgar's SUD only sets a minimum lot size for rear yard development and the mayor's change is to minimum lot sizes city-wide, these two provisions do not conflict.

Height	Limits eligible projects to 40' in height. Also eliminates 35' height limit on residential buildings in RH-1 Districts, the reduced height limit based on topographical conditions and the required sun plane at the front of the property.	Removes the CU to exceed 40' in RH Districts.	Very few lots in RH districts exceed 40', however there are some. The mayor's ordinance removes the CU requirement for projects in RH districts above 40'. Essentially Sup. Melgar would be creating a new control in her program that would limit eligible projects to 40'. These two provisions do not conflict.
Rear Yard	Allows for a 30% rear yard for projects that are eligible under the SUD (except on single-lot developments that are proposing a rear unit in which case the project requires a separation of at least 25 feet)	Changes the rear yard to 30% in RH and RM-1 and RM-2 properties. No eligibility requirement	If the mayor's ordinance passes with this provision, the 30% rear yard requirement in Sup. Melgar's ordinance would be unnecessary; however if they both move forward there isn't a conflict.
Rear Yard Development	Allows qualifying projects to add a unit in the rear yard, with a 25-foot rear yard between buildings	Allows development in the rear yard only for through lots and corner lots.	Sup. Melgar's ordinance outlines very specific types of projects and configurations that are eligible for the streamlined review process. This includes allowing eligible projects to construct detached units in the rear yard on lots greater than or equal to 2,400 sq. ft. The mayor's ordinance relaxes some development controls more widely, like allowing buildings in the required rear yard on through and corner lots without any qualifiers; however, unlike Melgar's it would not permit units in the rear yard on interior lots. Under both programs, a detached State ADU would still be allowed regardless of the lot type. If both ordinances moved forward as is, there would not be a conflict.
Open Space	Reduces open space requirements for qualifying projects to 100 sq. ft. per unit or 133 sq. ft. if common	Does not amend useable open space requirements (excluding minimum dimensions)	Since the mayor's ordinance does not allow for increased density, it does not amend the amount of usable open space that is required per unit. Instead it relies on existing zoning controls for the district, or programs like the four-plex ordinance.
Rent Control	Requires units above the base density to be rent controlled	N/A	Since the mayor's ordinance is not providing for additional density it cannot impose rent control on units above the base density; however, projects that utilize the four plex ordinance would still have a rent control requirement.
Displacement Protections	Includes SB 330 protections for displaced tenants (the 3 Rs) as a criterion to be eligible for the program, and if the property has had a no-fault eviction the units cannot be condo converted.	Includes SB 330 protections for displaced tenants (the 3 Rs), and a prohibition on no-fault evictions within the past 5 years to qualify for exception from 317.	Sup. Melgar is creating Section 1396.7 of the Subdivision Code to prohibit condo conversions for units created by her program where there has been a no fault eviction. They mayor's ordinance makes this a criterion in order to be exempt from 317 CU requirements.
Group Housing	Permits Group Housing in the SUD at 1 room for 415 sq ft. of lot area	Amends the four-plex program to allow Group Housing at 1 room per 415 sq ft of lot area.	Both Amendments can move forward without conflict. Melgar is mirroring the densities allowed in the four-plex ordinance, so it makes sense that both programs should be amended to allow group housing at the same density.
