

WHAT IS C-NET?

C-NET IS THE PROGRAM THAT WILL HELP PUT YOU TO WORK

The Custodial and Noncustodial Parent Employment and Training Program (C-NET) is designed to help parents get training and find a job, while offering solutions for barriers to employment such as lack of experience, housing, substance abuse, child support debt, custody and visitation issues, and past incarceration.

In C-NET, you will get help through our partners at Goodwill and Florence Crittenton Services for employment assessment and training, counseling services, substance abuse recovery, and other resources to help you move forward. Child Support Services staff will keep you up-to-date with the most current information on available jobs, recruitments, and job fairs.

Together we will team with you to put you to work!
