Planning Department Executive Summary

LANDMARK DESIGNATIONS RECOMMENDATION EXECUTIVE SUMMARY

HEARING DATE: JANUARY 21, 2026

Record Nos. / Names /

Addresses / APNs:

2025-010434DES - American Indian Historical Society / Chautauqua House
(1451 Masonic Avenue, 1270/002)

2025-010430DES - Mission Folk Victorian Home (361 San Jose Avenue, 6531/021A)

2025-010429DES - Geilfuss on Guerrero (102 Guerrero Street, 3534/068)

2025-010428DES - Engine Company No. 13 (1458 Valencia Street, 6531/011)

2025-010411DES - Firehouse : Hose Company #30 (1757 Waller Street, 1250/029)

2025-010416DES - Saint Paul's Church (1660 Church Street, 6619/001)

2025-010414DES - St. Nicholas Cathedral (2005 15th Street, 3558/074)

2025-010415DES - St. Matthew's Church (3281 16th Street, 3567/034)

2025-010431DES - Bank of Italy Branch Building (400-410 Castro Street, 2647/035)

2025-010441DES - Most Holy Redeemer Church Complex

(110 Diamond Street, 2693/001; 100 Diamond Street, 2693/002; 115 Diamond Street, 2694/033
and 117 Diamond Street, 2694/028)

2025-010439DES - Sha'ar Zahav (Historic Location) (220 Danvers Street, 2702/019)

2025-010435DES - Maud's (925-941 Cole Street, 1272/003)

2025-010443DES - Bob Ross House (4200 20th Street, 2696/014A)

2025-010438DES - Full Moon Coffeehouse (4416 18th Street, 2650/017)

2025-010437DES - Castro Rock Steam Baths (578-582 Castro Street, 2695/013)

2025-010436DES - San Francisco AIDS Foundation (514-520 Castro Street, 2695/002)

Zoning:

RH-2 (Residential-House, Two Family) Zoning District / 40-X Height and Bulk District : 1451
Masonic Avenue, 220 Danvers Street

RH-3 (Residential-House, Three Family) Zoning District / 40-X Height and Bulk District : 100-117
Diamond Street, 4200 20th Street, 4416 18th Street

RM-2 (Residential-Mixed, Moderate Density) Zoning District / 40-X Height and Bulk District : 361
San Jose Avenue

RTO (Residential Transit District) / 50-X Height and Bulk District : 102 Guerrero Street, 2005 15th
Street

RM-1 (Residential-Mixed, Low Density) / 40-X Height and Bulk District : 1660 Church Street, 3281
16th Street

NCT (Valencia Street Neighborhood Commercial Transit) / **55-X** Height and Bulk District : 1458 Valencia Street

NCD (Haight Street Neighborhood Commercial) / **40-X** Height and Bulk District : 1757 Waller Street

NCD (Castro Street Neighborhood Commercial) / **65-B** Height and Bulk District : 400-410 Castro Street, 582 Castro Street, 514-520 Castro Street

NCD (Cole Valley Neighborhood Commercial) / **40-X** Height and Bulk District : 929-941 Cole Street

Cultural Districts: **Castro LGBTQ Cultural District** (400-410 Castro Street, 100-117 Diamond Street, 220 Danvers Street, 4200 20th Street, 4416 18th Street, 582 Castro Street, 514-520 Castro Street)
American Indian Cultural District (102 Guerrero Street, 2005 15th Street, 3281 16th Street)

Environmental Review: Categorical Exemption

RECOMMENDATION: Recommend Landmark Designations to Board of Supervisors

Background

The Family Zoning Plan (FZP) Landmark Designation Program (Program) is being undertaken in conjunction with the implementation of FZP, with the objective of allowing for more housing, while still preserving San Francisco's most cherished architectural, cultural, and/or historical resources. This Program is being overseen by the Planning Department in conjunction with District Supervisors and project partners. The Program includes designating properties which are currently identified as Category A-rated historical resources through past Surveys and Historic Resource Reviews, as Planning Code Article 10 Landmarks. Phase 1 of this effort focuses on properties outside of Public and RH Zoning Districts, with 0-1 dwelling units. In addition, properties with strong underrepresented community associations as identified in Cultural Historic Context Statements, are also being considered. Later phases of the Program will recommend additional Article 10 Landmarks that fall within the RH Zoning Districts, are identified through the San Francisco Citywide Cultural Resources Survey, and/or are identified through future Cultural Historic Context Statements.

At the July 29th, 2025 Board of Supervisors hearing, District 8 Supervisor Rafael Mandelman initiated sixteen properties as outlined in this case report, as the Program's District 8 Phase 1 Article 10 Landmarks. Of the initiated landmarks, eight properties have known underrepresented community associations, including seven properties from the adopted LGBTQ Historic Context Statement, and one property from the draft American Indian Historic Context Statement. The other eight properties are existing Category A-rated historic resources,

with 0-1 dwelling units, outside of Public and RH Zoning Districts, that were identified by Planning Department Preservation Staff as having exemplary architectural, historical and/or cultural significance. Subsequent to initiation, the sixteen landmark designation initiation resolutions were recommended by the Land Use and Transportation Committee on October 6, 2025, adopted by the Board of Supervisors on October 21, 2025, and signed by Mayor Daniel Lurie on October 24, 2025. Planning Department staff have concurrently been working with other San Francisco District Supervisors on identifying potential Article 10 Landmarks in their respective districts as part of the Program.

Property Descriptions

The following sixteen properties are recommended as the Program's District 8 Phase 1 Article 10 Landmarks:

1451 Masonic Avenue (American Indian Historical Society / Chautauqua House) is a two-story single-family residential property with attached garage in the Ashbury Heights neighborhood near Buena Vista Park, constructed circa 1900. The property includes smooth stucco siding, a hipped roof, wood windows, and appears to have been subject to few exterior alterations. From 1967-1986 the property served as the headquarters of the American Indian Historical Society, also known as the Chautauqua House.

361 San Jose Avenue (Mission Folk Victorian Home) is one-and-a-half story, single-family residential property in the lower Mission neighborhood, near the boundaries of Bernal Heights and Noe Valley. Amongst the oldest extant buildings in the neighborhood, the wood-framed property is a rare example of Folk Victorian architecture in San Francisco with intact features including its full length front porch and square capitals with sawn ornamental wood brackets. The property was built circa 1865, pursuant to an 1869 U.S. Coast Survey Map.

102 Guerrero Street (Geilfuss on Guerrero) is a two-story residential property in the upper Mission neighborhood, near the boundaries of the Castro/Upper Market neighborhood. Constructed in 1873, the home was designed by prominent San Francisco based architect Henry Geilfuss, and restored in 1980. The home displays exemplary features characteristic of Stick-Eastlake style including style including elongated brackets extending the full length of the building, elaborate wooden ornamentation, and applied stickwork mimicking interior structural supports.

1458 Valencia Street (Engine Company No. 13) is a two-story residential property in the lower Mission neighborhood near the boundaries of Bernal Heights and Noe Valley. Constructed in 1883, the property is San Francisco's oldest firehouse, and served as such until 1958. The property is a rare brick firehouse in Italianate design and has been subject to few exterior alterations.

1757 Waller Street (Firehouse: Hose Company #30) is a two-story office building in the Haight Ashbury neighborhood near the eastern boundary of Golden Gate Park. The property was constructed as a firehouse in 1895, and served as such in 1956. The building is constructed of granite and wood in the Italianate style.

1660 Church Street (Saint Paul's Church) is a one-story church in the Noe Valley neighborhood, near the boundaries of Bernal Heights and Glen Park. Constructed in 1901, the property is an exemplary example of Gothic Revival architecture, designed by Shea and Shea which included Architect of Merit Frank Shea. The

property is clad in stone with decorative features including lancet windows, rose windows, and copper capped spires.

2005 15th Street (St. Nicholas Cathedral) is a two-story church in the Castro/Upper Market neighborhood, just southeast of Market Street, near the western boundary of the Mission. Constructed in 1904, the property is an exemplary example of Gothic Revival architecture. Originally constructed as St. Luke's German Evangelical Church, the property was acquired by the Russian Orthodox Church and renamed St. Nicholas Cathedral in 1960, at which point the onion domed finial and Orthodox cross were added.

3281 16th Street (St. Matthew's Church) is a two-story church in the Mission neighborhood near Mission Dolores. Constructed in 1907, the property is an exemplary example of Gothic Revival architecture. The wood clad building includes decorative features such as a rose window, lancet openings, and pyramidal hipped roof and cross.

400-410 Castro Street (Bank of Italy Branch Building) is a two-story, commercial building in the Castro/Upper Market neighborhood, at the southwest corner of the Castro and Market Streets intersection near other existing Article 10 landmarks including Twin Peaks Tavern, the Castro Theatre and the Rainbow Flag Installation at Harvey Milk Plaza. The property was constructed in 1922 as the Bank of Italy, and later became a Bank of America branch, followed by continued commercial uses. The building includes a non-historic southern addition built past the period of significance. The building is an intact example of Beaux Arts architecture.

100-117 Diamond Street (Most Holy Redeemer Church Complex) consists of four buildings including the Church (110 Diamond Street), Rectory (100 Diamond Street), Convent (115 Diamond Street), and School (117 Diamond Street) in the Castro/Upper Market neighborhood near the Eureka Valley Recreation Center. The buildings were constructed independently between the years of 1901-1939. The Complex has a layered history, including initially serving as an important turn-of-the-century religious and social hub for Eureka Valley's immigrant communities including Irish, German and Italian residents. The Complex's later significance includes the Coming Home Hospice in the former convent, which was established in 1987 as reportedly the nation's first AIDS hospice.

220 Danvers Street (Sha'ar Zahav (Historic Location)) is a single-family two-story dwelling in the Castro/Upper Market neighborhood near Kite Hill Open Space and Twin Peaks. The building was constructed as a church in 1904, serving as the Church of Jesus Christ of Latter Day Saints until it was purchased by Sha'ar Zahav, San Francisco's first gay Jewish synagogue, in 1983. Sha'ar Zahav, then occupied the property until 1998 when it moved to its present location on Dolores Street. The property was then converted to a residence, though the wood framed building retains features characteristic of religious properties including lancet windows and a front tower.

925-941 Cole Street (Maud's) is a one-story commercial property in Cole Valley, near Golden Gate Park. Constructed in 1916, the one-story, double height, brick clad building includes several commercial storefronts. From 1967-1986 the middle two storefronts were occupied by Maud's, one of San Francisco's earliest, most popular, and longest running lesbian bars. The storefronts have been subject to exterior alterations since construction, though the center two storefronts have not been significantly altered from its period of significance, and the former Maud's location continues to be used as a bar.

4200 20th Street (Bob Ross House) is a single-family one-story over garage corner residential property clad in stucco and brick in the Castro/Upper Market neighborhood near the Noe Valley boundary. The property was constructed in 1916 by builders Orrin Knox and Son, with a detached garage constructed at the western end of the lot in 1925. From 1977-1993, the property served as the home of Bay Area Reporter co-founder Bob Ross who was instrumental in helping Harvey Milk win the Board of Supervisors election, and held frequent political and professional events out of the property.

4416 18th Street (Full Moon Coffeehouse) is a mixed-use building in the Castro/Upper Market neighborhood. The three-story building includes ground floor commercial below two stories of residential units. Constructed in 1908, the building retains Classical Revival features including a bracketed cornice and angled bays, though the windows have been replaced. From 1974-1977 the ground level commercial space served as the Full Moon Coffeehouse, credited as San Francisco's first women-only establishment, and a popular social space for lesbians at a time when the Castro was largely dominated by gay men.

578-582 Castro Street (Castro Rock Steam Baths) is a three-story mixed-use building in the Castro/Upper Market neighborhood near the Eureka Valley Recreation Center. The property was constructed in 1895 by builder Fernando Nelson, and retains Stick-Eastlake features including elaborate wooden ornamentation and elongated brackets at the cornice line extending down the building. From 1971-1977 the Castro Rock Steam baths occupied the lower portion of the building, which was an important social center for gay men in the Castro's 1970s heydays before the onset of AIDS.

514-520 Castro Street (San Francisco AIDS Foundation) is a two-story mixed-use building with ground floor retail in the Castro/Upper Market neighborhood. Constructed in 1906, the property includes Mediterranean Revival features such as red Spanish clay tile roofs, ornamental molding, and a decorative beltcourse, though ground level storefronts are fairly altered. In 1982, the property served as the original home of the San Francisco AIDS Foundation, one of the nation's first AIDS organizations.

Compliance With Planning Code

Article 10 of the Planning Code

The executive summary and analysis under review was prepared by Department preservation staff, who meet the Secretary of the Interior's professional qualifications. The Department has determined that the subject properties meet the requirements for eligibility as individual landmarks pursuant to Article 10 of the Planning Code. The justification for its inclusion is explained in detail in the attached Landmark Designation Fact Sheets, and briefly in this Executive Summary.

Significance:

Underrepresented Landmark Types: Several of the proposed landmark designations address one of the priorities established by the Historic Preservation Commission for new landmarks, specifically due to associations with underrepresented communities, as follows:

- **American Indian** - If designated, the American Indian Historical Society / Chautauqua House at 1451 Masonic Avenue would be the first Article 10 Landmark specifically designated for its association with American Indian history. To date, there are no Article 10 Landmarks designated for their associations with San Francisco's American Indian community. While certain existing Landmarks, such as Mission Dolores (Article 10 Landmark #1) have associations with American Indian history, the designation report completely ignores the American Indian association and the harmful impact of colonization.
- **LGBTQ** – Of the Program's sixteen District 8 Phase 1 Article 10 Landmarks, seven have LGBTQ associations as listed below. To date, ten out of 321 Article 10 Landmarks have been designated specifically for their associations with LGBTQ History.
 - 100-117 Diamond Street (Most Holy Redeemer Church Complex) – significant for its history of Roman Catholic relations with LGBTQ communities, and for its use as the Coming Home Hospice, reportedly the nation's first AIDS hospice.
 - 220 Danvers Street (Sha'ar Zahav (Historic Location)) – significant for its historical association with San Francisco's LGBTQ Jewish community as the original home of Sha'ar Zahav, San Francisco's first gay synagogue.
 - 925-941 Cole Street (Maud's) – significant as the location of one of San Francisco's earliest, most popular and longest running lesbian bars.
 - 4200 20th Street (Bob Ross House) – significant as the former residence of Bay Area Reporter co-founder Bob Ross, who held frequent political and professional events out of the property.
 - 4416 18th Street (Full Moon Coffeehouse) – significant as the location of San Francisco's first women only establishment.
 - 582 Castro Street (Castro Rock Steam Baths) – significant as an important social center for gay men in the 1970s.
 - 514-520 Castro Street (San Francisco AIDS Foundation) – significant as the original location of one of the nation's first AIDS organizations in the early 1980s.
- **Women** – Two of the proposed LGBTQ landmarks, have strong associations with San Francisco Lesbian history; specifically 925-941 Cole Street (Maud's) and 4416 18th Street (Full Moon Coffeehouse). To-date

only one out of 321 existing designated Article 10 landmark has a particularly strong association with Lesbian history, specifically the Lyon-Martin House (Article 10 Landmark #292 at 651 Duncan Street). Approximately eight additional Article 10 landmarks have known associations with other facets of women's history, though in many cases the designation reports do not discuss this history in detail.

- **Jewish** – One of the proposed LGBTQ Landmarks, also has a strong association with San Francisco Jewish American history. Specifically, 220 Danvers Street as the historic location of Sha'ar Zahav, San Francisco's first Gay Jewish synagogue. To date, seven of the existing Article 10 Landmarks have known Jewish American associations, though in many cases the designation reports do not discuss this history.

Public/Neighborhood Input

Planning Department staff conducted outreach and engagement for property owners, occupants and other interested community members, as follows:

- **Castro LGBTQ Cultural District** – On 2/12/2025, Planning Department staff presented to the Castro LGBTQ Cultural District Land Use Committee, specifically highlighting the proposed landmarks with LGBTQ associations located within the Cultural District's boundaries.
- **American Indian Cultural District** – On 3/5/2025, Planning Department staff presented to the American Indian Cultural District, given the historical association of 1451 Masonic Avenue (American Indian Historical Society / Chautauqua House). San Francisco Heritage staff also attended the meeting.
- **Community Forums** – In conjunction with District 8 Supervisor Rafael Mandelman's office, the Planning Department hosted an in-person and virtual community forum (4/2/2025 and 4/3/2025, respectively) on the proposed FZP District 8 Phase 1 Landmarks. Property owners, occupants, and registered neighborhood groups were invited to attend. The forums provided an opportunity for attendees to learn more about the FZP Landmark Program, as well as benefits and requirements associated with landmarked properties.
- **Property Owner Conversations** - Since the April 2025 Community Forums, Planning Department staff have had subsequent meetings and/or phone conversations with property owners on a case-by-case basis, including the property owners of 925-941 Cole Street and 4200 20th Street. Additionally, Department received an email in support of landmark designation from the property owners of 361 San Jose Avenue which is attached to this case report.
- **Property Owner Notification** – Consistent with Article 10 of the Planning Code, property owners of all sixteen proposed landmarks were provided with a written 20 day notice of this Historic Preservation Commission hearing.

Additionally, the Program has been featured by the press including articles in the Bay Area Reporter (4/10/2025, 10/3/25, and 10/21/25), and the SF Examiner (9/26/2025).

Issues & Other Considerations

- **Past Historic Resource Surveys** – To identify the Program’s proposed landmarks, properties which were already identified as Category A historic resources, through past historic resource surveys, were reviewed. Relevant past historic resource surveys include:
 - Here Today, San Francisco’s Architectural Heritage. Text by Roger Olmstead and T.H. Watkins, San Francisco, CA, Chronicle Books, 1968 – This 300+ book includes the Junior League of San Francisco Inc.’s survey information of over 2,500 buildings. The findings of this survey were adopted by the Board of Supervisors on May 11, 1970; Resolution No. 268-70.
 - Inner Mission North Historic Resource Survey – Completed in 2011, this multi-phased survey built upon a 2004 Historic Context Statement, and evaluated buildings for historical significance and integrity. The Survey area was roughly bound by Duboce Avenue to the north, Shotwell Street to the east, 20th Street to the South, and Dolores Street to the west.
 - Market and Octavia Plan Historic Resource Survey – Adopted in 2009, the Market and Octavia Plan Historic Resource Survey was completed by the community in partnership with the Planning Department, with consultants Page & Turnbull, following the adoption of the Market & Octavia Plan.
 - South Mission Historic Resource Survey – Adopted in 2010, the South Mission Historic Resource Survey documented and assessed approximately 3,800 individual buildings, including nearly 1,00 individual properties and contributors to 13 historic districts.
- **Citywide Historic Context Statement for LGBTQ History in San Francisco** – In 2016, the Historic Preservation Commission adopted the Citywide Historic Context Statement for LGBTQ History in San Francisco, authored by Donna J. Graves and Shayne E. Watson. The 400+ page document provides a detailed history of San Francisco’s robust LGBTQ history through the 1990s. The document also provides recommendations for protecting and interpreting LGBTQ historic properties in San Francisco, with a list of properties that may be eligible for City Landmark, California Register, and/or National Register status. Six of the proposed landmarks as outlined in this case report came from this list of recommendations including the Coming Home Hospice, Most Holy Redeemer Church Complex, Sha’ar Zahav (Historic Location), Maud’s, the Full Moon Coffeehouse, Castro Rock Steam Baths, and the San Francisco AIDS Foundation.
- **Castro LGBTQ Cultural District CHHESS Report** – In 2024 the Castro LGBTQ Cultural District completed their Cultural History, Housing, and Economic Sustainability Strategies (CHHESS Report). The CHHESS Report included the following Heritage Recognition & Preservation strategy:
 - Ensure the Historic Preservation Commission and/or the Board of Supervisors prioritize further municipal landmarking and state and national nomination of Castro LGBTQIA+ historical sites, notably those representing the experiences of women, BIPOC individuals, bisexuals, and transgender and gender-nonconforming people, as well as histories of neighborhood debates over diversity, belonging displacement, and gentrification. Pursue landmarking the five additional Castro sites referenced in the Citywide LGBTQ+ Cultural Heritage Strategy (2020) “that

may be eligible for City Landmark, California Register, or National Register status,” as well as the home of Bay Area Reporter publisher Bob Ross (4200 20th St.) as suggested in the Eureka Valley Historic Context Statement (adopted by the Planning Commission on December 20, 2017).

Five of the proposed landmarks, as outlined in this case report, are located within the Cultural District’s boundaries, and were identified in the LGBTQ Historic Context Statement. The proposal of these five properties, along with the Bob Ross House, support the Castro LGBTQ Cultural District’s CHHESS Report strategy as listed above.

- **American Indian Historic Context Statement** – The San Francisco Planning Department, in collaboration with the American Indian Cultural District and the Association of Ramaytush Ohlone is developing the San Francisco American Indian National Register Multiple Property Document and Historic Context Statement (AIHCS) to document the history of American Indians in San Francisco from time immemorial to the present day, including highlighting significant places, stories and cultural traditions. The history and significance of the American Indian Historical Society / Chautauqua House (1451 Masonic Avenue), will be discussed in greater detail in the AIHCS.

Basis for Recommendation

The Department recommends that the Historic Preservation Commission recommend to the Board of Supervisors landmark designation of the sixteen Family Zoning Plan District 8 Phase 1 Landmark Designations as outlined in this case report as they meet the provisions of Article 10 of the Planning Code regarding Landmark Designation.

Attachment 2
1757 Waller Street /
Firehouse: Hose Company #30

[Planning Code - Landmark Designation - Hose Company #30 Firehouse]

Ordinance amending the Planning Code to designate the Hose Company #30 Firehouse, located at 1757 Waller Street, Assessor's Parcel Block No. 1250, Lot No. 029, on the south side of Waller Street between Stanyan and Shrader Streets, as a landmark consistent with the standards set forth in Article 10 of the Planning Code; affirming the Planning Department's determination under the California Environmental Quality Act; and making public necessity, convenience, and welfare findings under Planning Code, Section 302, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.
Additions to Codes are in *single-underline italics Times New Roman font*.
Deletions to Codes are in ~~*strikethrough italics Times New Roman font*~~.
Board amendment additions are in double-underlined Arial font.
Board amendment deletions are in ~~strikethrough Arial font~~.
Asterisks (* * * *) indicate the omission of unchanged Code subsections or parts of tables.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

(a) Environmental and Land Use Findings.

(1) The Planning Department has determined that the Planning Code amendment proposed in this ordinance is subject to a Categorical Exemption from the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq., hereinafter "CEQA") pursuant to Section 15308 of California Code of Regulations, Title 14, Sections 15000 et seq., the Guidelines for implementation of the statute, for actions by regulatory agencies for protection of the environment (in this case, landmark designation). Said determination is on file with the Clerk of the Board of Supervisors in File No.

1 _____ and is incorporated herein by reference. The Board of Supervisors affirms
2 this determination.

3 (2) Pursuant to Planning Code Section 302, the Board of Supervisors finds that
4 the proposed landmark designation of Hose Company #30 Firehouse will serve the public
5 necessity, convenience, and welfare for the reasons set forth in Historic Preservation
6 Commission Resolution No. _____, recommending approval of the proposed
7 designation, which is incorporated herein by reference.

8 (3) The Board of Supervisors finds that the proposed landmark designation of
9 Hose Company #30 Firehouse is consistent with the General Plan and with Planning Code
10 Section 101.1(b) for the reasons set forth in Historic Preservation Commission Resolution No.
11 _____, which is incorporated herein by reference.

12 (b) General Findings.

13 (1) On October 21, 2025, the Board of Supervisors adopted Resolution No.
14 484-25, initiating landmark designation of Hose Company #30 Firehouse as a San Francisco
15 landmark pursuant to Section 1004.1 of the Planning Code. On October 24, 2025, the Mayor
16 approved the resolution. Said resolution is on file with the Clerk of the Board of Supervisors in
17 File No. 250835.

18 (2) Pursuant to Charter Section 4.135, the Historic Preservation Commission
19 has authority “to recommend approval, disapproval, or modification of landmark designations
20 and historic district designations under the Planning Code to the Board of Supervisors.”

21 (3) The Landmark Designation Fact Sheet was prepared by Planning
22 Department Preservation staff. All preparers meet the Secretary of the Interior’s Professional
23 Qualification Standards for historic preservation program staff, as set forth in Code of Federal
24 Regulations Title 36, Part 61, Appendix A. The report was reviewed for accuracy and
25 conformance with the purposes and standards of Article 10 of the Planning Code.

1 (4) The Historic Preservation Commission, at its regular meeting of January 21,
2 2026, reviewed Planning Department staff's analysis of the historical significance of Hose
3 Company #30 Firehouse set forth in the Landmark Designation Fact Sheet dated January 21,
4 2026.

5 (5) On January 21, 2026, after holding a public hearing on the proposed
6 designation and having considered the specialized analyses prepared by Planning
7 Department staff and the Landmark Designation Fact Sheet, the Historic Preservation
8 Commission recommended designation of Hose Company #30 Firehouse as a landmark
9 consistent with the standards set forth in Section 1004 of the Planning Code, by Resolution
10 No. _____. Said resolution is on file with the Clerk of the Board in File No. _____.

11 (6) The Board of Supervisors hereby finds that Hose Company #30 Firehouse
12 has a special character and special historical, cultural, architectural, and aesthetic interest and
13 value, and that its designation as a landmark will further the purposes of and conform to the
14 standards set forth in Article 10 of the Planning Code. In doing so, the Board of Supervisors
15 hereby incorporates by reference the findings of the Landmark Designation Fact Sheet.

16
17 Section 2. Designation.

18 Pursuant to Section 1004.3 of the Planning Code, the Hose Company #30 Firehouse,
19 located at 1757 Waller Street, Assessor's Parcel Block No. 1250, Lot No. 029, is hereby
20 designated as a San Francisco landmark consistent with the standards set forth in Section
21 1004. Appendix A to Article 10 of the Planning Code is hereby amended to include this
22 property.

23
24 Section 3. Required Data.

1 (a) The description, location, and boundary of the landmark site consists of the
2 footprint of the Hose Company #30 Firehouse, located on Assessor's Parcel Block No. 1250,
3 Lot No. 029, on the south side of Waller Street between Stanyan and Shrader Streets in San
4 Francisco's Haight Ashbury neighborhood, as shown in the Landmark Designation Fact
5 Sheet.

6 (b) The characteristics of the landmark that justify its designation are described and
7 shown in the Landmark Designation Fact Sheet and other supporting materials contained in
8 Planning Department Record Docket No. 2025-010411DES. In brief, Hose Company #30
9 Firehouse, located at 1757 Waller Street, is eligible for local designation because it is
10 significant as one of San Francisco's earliest extant firehouses, for its association with Haight
11 Ashbury's early history, as well as an intact example of Italianate architecture. The subject
12 property was constructed in 1895, as a firehouse to house Engine Company Number 30, and
13 operated as such until 1959. The company included 27 firefighters and was disbanded in
14 1918, at which point Chemical Company Number 5 moved into the property. Additionally,
15 Truck Company Number 12 resided at the property from 1912-1956, with a district covering
16 the entire Sunset neighborhood to the Pacific Ocean. The property was constructed at an
17 early point in the neighborhood's history. Late 19th Century development was relatively
18 sparse in the city's western neighborhoods, though the completion of Golden Gate Park
19 supported the neighborhood's development as a recreation hub. The property remains a rare
20 example of an intact non-residential pre-1900 building in the neighborhood. Constructed of
21 granite and wood, the subject property is an intact example of Italianate architecture and
22 retains high integrity.

23 (c) The particular features that should be preserved, or replaced in kind as determined
24 necessary, are those generally shown in photographs and described in the Landmark
25 Designation Fact Sheet, which can be found in Planning Department Record Docket No.

2025-010411DES, and which are incorporated in this designation by reference as though fully set forth herein. Specifically, the features that are character-defining and shall be preserved or replaced in kind are the exterior elevations, form, massing, structure, rooflines, architectural ornament, and materials of the property, identified as:

- (1) Two-story height;
- (2) Full lot width;
- (3) Flat roof with bracketed cornice line;
- (4) Granite and wood construction;
- (5) Symmetrical façade;
- (6) Arched windows;
- (7) Carriage doors below transom windows;
- (8) Street level narrow entry doors with arched windows;
- (9) Denticulated belt course;
- (10) First-story molded panels with lettering (“Chemical 5”, “S.F.F.D.” and “Truck 12”);
- (11) Second story molded panels with circle motif; and
- (12) Decorative Classical-inspired plaster moldings at both levels.

Section 4. Effective Date.

This ordinance shall become effective at 12:00 a.m. on the 31st day after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor’s veto of the ordinance.

RESOLUTION RECOMMENDING TO THE BOARD OF SUPERVISORS LANDMARK DESIGNATION OF THE FIREHOUSE: HOSE COMPANY #30 (1757 WALLER STREET), ASSESSOR'S PARCEL BLOCK NO. 1250, LOT NO. 029, AS LANDMARK NO. XXX CONSISTENT WITH THE PURPOSES AND STANDARDS OF ARTICLE 10.

Preamble

1. WHEREAS, at a public hearing on October 21, 2025, the Board of Supervisors voted to adopt Resolution No. 484-25 to initiate Landmark Designation of 1757 Waller Street, Assessor's Parcel Block No. 1250, Lot No. 029; and
2. WHEREAS, Mayor Lurie signed the Resolution on October 24, 2025 and the Clerk of the Board transmitted it to the Planning Department on November 7, 2025; and
3. WHEREAS, Department staff, who meet the Secretary of Interior's Professional Qualification Standards prepared the Landmark Designation Fact Sheet for the Firehouse: Hose Company #30 which was reviewed for accuracy and conformance with the purposes and standards of Article 10; and

4. WHEREAS, the Historic Preservation Commission, at its regular meeting of January 21, 2026 reviewed Department staff's analysis of the Firehouse: Hose Company #30's historical significance pursuant to Article 10 and recommended Landmark designation through this Resolution; and
5. WHEREAS, the Historic Preservation Commission finds that the Landmark designation for the Firehouse: Hose Company #30 is in the form prescribed by the Historic Preservation Commission and contains supporting historic, architectural, and/or cultural documentation; and
6. WHEREAS, the Historic Preservation Commission finds that the Landmark designation of the Firehouse: Hose Company #30 is proper as an intact example of a granite and wood firehouse in Italianate design with extant facade detailing; and
7. WHEREAS, the Historic Preservation Commission finds that the Landmark designation of the Firehouse: Hose Company #30 is proper as, constructed in 1896, is one of the oldest standing firehouse in San Francisco; and
8. WHEREAS, the Historic Preservation Commission finds that the Landmark designation of the Firehouse: Hose Company #30 is proper as it retains high integrity with extant features including its denticulated beltcourse, bracketed cornice line, molded panels with circle motifs, Classical-inspired plaster moldings, and intact lettering ("Chemical 5", "S.F.F.D." and "Truck 12"); and
9. WHEREAS, the Historic Preservation Commission finds that the Landmark designation of the Firehouse: Hose Company #30 is proper for its historical association with early development of the Haight Ashbury neighborhood; and
10. WHEREAS, the Historic Preservation Commission finds that the Firehouse: Hose Company #30 meets the eligibility requirements of Section 1004 of the Planning Code and warrants consideration for Article 10 landmark designation; and
11. WHEREAS, the Historic Preservation Commission finds that the boundaries and the list of character-defining features, as identified in the Landmark Designation Fact Sheet, should be considered for preservation under the proposed landmark designation as they relate to the Firehouse: Hose Company #30's historical significance and retain historical integrity; and
12. WHEREAS, the proposed designation is consistent with the General Plan priority policies pursuant to Planning Code, Section 101.1 and furthers Priority Policy No. 7, which states that landmarks and historic buildings be preserved, and will serve the public necessity, convenience and welfare pursuant to Planning Code, Section 302; and
13. WHEREAS, the Department has determined that landmark designation is exempt from environmental review, pursuant to CEQA Guidelines Section 15308 (Class Eight - Categorical); and now therefore, be it

RESOLVED, that the Historic Preservation Commission hereby recommends to the Board of Supervisors approval of landmark designation of 1757 Waller Street (aka Firehouse: Hose Company #30), Assessor's Parcel Block No. 1250, Lot No. 029, as a Landmark pursuant to Article 10 of the Planning Code.

I hereby certify that the Historic Preservation Commission **ADOPTED** the foregoing Resolution on January 21, 2026.

ADOPTED: January 21, 2026

Firehouse: Hose Company #30

Period of Significance: 1895

Significance Criteria: 1 (Events) & 3 (Architecture)

Statement of Significance: 1757 Waller Street is significant as one of San Francisco's earliest extant firehouses, for its association with Haight Ashbury's early history, as well as an intact example of Italianate architecture. The subject property was constructed in 1895, as a firehouse to house Engine Company Number 30, and operated as such until 1959. The company included 27 fireman and was disbanded in 1918, at which point Chemical Company Number 5 moved into the property. Additionally, Truck Company Number 12 resided at the property from 1912-1956, with a district covering the entire Sunset neighborhood to the Pacific Ocean.¹ The City and County of San Francisco sold the property at a public auction in 1956, after which it was the building was restored and used as a private residence, followed by its current use as offices.

The property was constructed at an early point in the neighborhood's history. Late 19th century development was relatively sparse in the city's western neighborhoods, though the completion of Golden Gate Park supported the neighborhood's development as a recreation hub.² The property remains a rare example of an intact non-residential pre-1900 building in the neighborhood.

Constructed of granite and wood, the subject property is an intact example of Italianate architecture and retains high integrity. Italianate was the first Victorian era style to gain popularity in San Francisco and remained dominant between 1865 and 1885. The style built on Gothic Revival romanticism, with elements of classical detailing.³

Integrity: Albeit changes in setting, the property retains sufficient integrity.

Character Defining Features: All those exterior elevations, form, massing, structure, rooflines, architectural ornament, and materials of the property identified as:

- Two-story height
- Full lot width
- Flat roof with bracketed cornice line
- Granite and wood construction
- Symmetrical façade
- Arched windows
- Carriage doors below transom windows
- Street level narrow entry doors with arched windows
- Denticulated belt course
- First-story molded panels with lettering ("Chemical 5", "S.F.F.D." and "Truck 12")
- Second story molded panels with circle motif
- Decorative Classical-inspired plaster moldings at both levels

Past Survey(s)/Historic Context Statement(s): Here Today, San Francisco's Architectural Heritage. Text by Roger Olmsted and T. H. Watkins, San Francisco, CA, Chronicle Books, 1968.

Address: 1757 Waller Street

Block/Lot(s): 1250/029

Parcel Area: 6,350 square feet

Zoning: Haight Street NCD

Year Built: 1895

Architect: Unknown

Vintage Firehouses - Engine Company No. 30:

Engine Company No. 30 - 1895

[1757 Waller Street](#) (mapped location)

Neighborhood Haight-Ashbury

Company History:

1895 Engine Co. No. 30 organized and assigned to quarters

1906 Earthquake or Fire damage to the firehouse, \$500

1912 Truck Co. No. 12 organized and assigned to quarters

1916 Converted to motorized apparatus

1918 Engine Co. No. 30 disbanded

1918 Chemical Co. No. 5 relocated from [1340 Powell Street](#)

1936 Chemical Co. No. 5 disbanded and changed over to Tank Wagon Co. No. 5

1952 Auxiliary Engine Co. No. 23 organized and assigned to quarters

1956 May 23rd, Truck Co. No. 12 relocated to new quarters at [1145 Stanyan Street](#)

1956 May 23rd, Tank Wagon Co. No. 5 relocated to new quarters at [1145 Stanyan Street](#)

1956 May 23rd, Auxiliary Engine Co. No. 23 relocated to new quarters at [1145 Stanyan Street](#). Sold at a City & County of San Francisco public auction

Engine Company No. 30, with an assignment of 27 firemen, occupied this large two-story frame firehouse until 1918. The upper story has four arched windows with pilasters and a belt cornice of dentil molding. In 1916 Truck Company No. 12 received a 1915 Schnerr, registry #1, 4 wheel tractor, with a 6 cylinder 80 HP Wisconsin (later the Continental Motor Company) engine, attached to a 1903, previously horse drawn, Kenney city service trailer. The Department purchased five trucks from the Schnerr Truck Company of San Francisco between 1915 and 1916. Truck Company 12 from 1912 through 1950 had an enormous westerly first alarm district reaching over the entire Sunset district extending to the Pacific Ocean. Until the 1940's from the Inner Sunset to the Ocean Beach there were vast expanses of sand dunes. Along the beach front there were summer cottages that were mostly used by downtown home owners. And one of the City's most famous nightclubs, Robert's at the Beach was located at 48th Avenue and Rivera Street. Truck 12 was the first due truck at this area. If you find photographs of SFFD apparatus with what looks like snow chains, they were not used for snow, but tire chains used to move the equipment over the west of Twin Peaks sand dunes of the Sunset and Richmond Districts. The firehouse was closed in 1956 when Truck Company No. 12 and Tank Wagon No. 5 were transferred to new quarters at [1145 Stanyan Street](#). Now privately owned, it is painted in the colorful style of San Francisco's Victorian homes.

together when it arrived. Phelps chose as a setting a four-acre plot at the foot of Buena Vista Hill, a part of which is now the Panhandle of Golden Gate Park. Phelps traveled from here to his law office on Montgomery Street through Hayes Valley. Divisadero Street was then a cow path to pastures in the Mission district.

The house has been moved twice: first, from its site facing east on the western side of Divisadero to a much smaller lot farther west, then to its present location, facing south. Despite the Divisadero Street address, the house is actually situated in the middle of the square block and today can be glimpsed only from Oak Street.

In the middle of the next block south on Divisadero Street stands a particularly good example of how later nineteenth century residential architects used the advantages of a Mansard roof – providing an extra story and roof together. Squared bays with Stick strips, a chastely Classical portico with balustrade and minimal emphasis on ornamentation give 280 Divisadero Street a quietly dignified appearance. Built in 1885, the house has been thoughtfully restored in recent years. Its wide lot permitted a carriage drive down the side; the carriage house and former turn-

around have since been transformed into an apartment with terraced garden.

There are two structures of uncommon interest in the westernmost portion of the Haight-Ashbury district. The first is the Georgian-detailed, hipped-roof house at 1901 Page Street, built in 1896. The general style of the house is Colonial Revival. One of its more notable owners was the late Mrs. E. F. H. N. N.

The old firehouse at 1757 Waller Street was built in 1896 to house Hose Company Number 30 and was used as such until 1959. It has since been carefully restored as a private home. Built of granite and wood along the simplest of elongated lines, the building exudes the character (despite its youth) of a structure of Gold Rush days.

Buildings in and about Buena Vista Park vary greatly in style and age. Most compatible, in terms of era and architecture, are two close neighbors at 1080 and 1081 Haight Street (One Buena Vista East). The former was designed by a German architect named Raven between 1885 and 1890 for Dr. John C. Spencer. At one time it boasted its own plant for distilling and purifying water and, to the rear of the lot, a childrens' playhouse (converted to a garage in

329 Divisadero, hidden in the middle of a square block, is believed to date from 1850 and may be the oldest house in San Francisco

CEQA Exemption Determination

PROPERTY INFORMATION/PROJECT DESCRIPTION

Project Address		Block/Lot(s)
1757 Waller Street		1250029
Case No.		Permit No.
2025-010411PRJ		
☐ Addition/ Alteration	☐ Demolition (requires HRE for Category B Building)	☐ New Construction
Project description for Planning Department approval. Historic Landmark Designation (DES)		

EXEMPTION TYPE

The project has been determined to be exempt under the California Environmental Quality Act (CEQA).	
☐	Class 1 - Existing Facilities. (CEQA Guidelines section 15301) Interior and exterior alterations; additions under 10,000 sq. ft.
☐	Class 3 - New Construction. (CEQA Guidelines section 15303) Up to three new single-family residences or six dwelling units in one building; commercial/office structures; utility extensions; change of use under 10,000 sq. ft. if principally permitted or with a CU.
☐	Class 32 - In-Fill Development. (CEQA Guidelines section 15332) New Construction of seven or more units or additions greater than 10,000 sq. ft. and meets the conditions described below: (a) The project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations. (b) The proposed development occurs within city limits on a project site of no more than 5 acres substantially surrounded by urban uses. (c) The project site has no value as habitat for endangered rare or threatened species. (d) Approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality. (e) The site can be adequately served by all required utilities and public services.
☒	Other _____ Class 8: Actions by Regulatory Agencies for Protection of the Environment
☐	Common Sense Exemption (CEQA Guidelines section 15061(b)(3)). It can be seen with certainty that there is no possibility of a significant effect on the environment.

PROPERTY STATUS - HISTORIC RESOURCE

PROPERTY IS ONE OF THE FOLLOWING:

☒	Category A: Known Historical Resource.
☐	Category B: Potential Historical Resource (over 45 years of age).
☐	Category C: Not a Historical Resource or Not Age Eligible (under 45 years of age).

PROPOSED WORK CHECKLIST

Check all that apply to the project.

☐	Change of use and new construction. Tenant improvements not included.
☐	Regular maintenance or repair to correct or repair deterioration, decay, or damage to building.
☐	Garage work. A new opening that meets the <i>Guidelines for Adding Garages and Curb Cuts</i> , or replacement of a garage door in an existing opening that meets the Residential Design Guidelines.
☐	Deck, terrace construction, or fences not visible from any immediately adjacent public right-of-way.
☐	Mechanical equipment installation that is not visible from any immediately adjacent public right-of-way.
☐	Dormer installation that meets the requirements for exemption from public notification under <i>Zoning Administrator Bulletin No. 3: Dormer Windows</i> .
☐	Addition(s) not visible from any immediately adjacent public right-of-way for 150 feet in each direction; or does not extend vertically beyond the floor level of the top story of the structure, or does not cause the removal of architectural significant roofing features.
☐	Façade or storefront alterations that do not remove, alter, or obscure character -defining features.
☐	Restoration based upon documented evidence of a building's historic condition , such as historic photographs, plans, physical evidence, or similar buildings.
Note: Project Planner must check box below before proceeding.	
☒	Project is not listed.
☐	Project involves scope of work listed above.

ADVANCED HISTORICAL REVIEW

Check all that apply to the project.

☐	Reclassification of property status. (<i>Attach HRER Part I relevant analysis; requires Principal Preservation Planner approval</i>) ☐ Reclassify to Category A ☐ Reclassify to Category C ☐ Lacks Historic Integrity ☐ Lacks Historic Significance
☐	Project involves a known historical resource (CEQA Category A)
☐	Project does not substantially impact character-defining features of a historic resource (see Comments)
☐	Project is compatible, yet differentiated, with a historic resource.
☐	Project consistent with the Secretary of the Interior Standards for the Treatment of Historic Properties
Note: If ANY box above is checked, a Preservation Planner MUST sign below.	
☒	Project can proceed with EXEMPTION REVIEW. The project has been reviewed by the Preservation Planner and can proceed with exemption review.
Comments by Preservation Planner: landmark designation, no physical changes
