Dear Commissioners:

On October 8, 2013, Supervisor Wiener introduced the following **substitute** legislation:

**File No. 130938-2**

Ordinance amending the Planning Code to revise deadlines for certain Transit Impact Development Fee (TIDF) exemptions; eliminate project-specific references in exemptions applicable to redevelopment areas, and make such exemptions dependent on the terms of the controlling development agreement, redevelopment plan, interagency agreement or other contract entered into by the City; require that the TIDF be calculated based on the rate in effect and the time of issuance of the first construction document; and making environmental findings, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

The proposed ordinance is being transmitted pursuant to Planning Code Section 302(b) for public hearing and recommendation. The ordinance is pending before the Land Use & Economic Development Committee and will be scheduled for hearing upon receipt of your response.
