[Funding Reallocation - Homelessness Gross Receipts Tax - Our City, Our Home Fund - Services to Address Homelessness - \$88,495,000 Plus Future Revenue - Through FY2027-2028]

**Ordinance authorizing the City to reallocate approximately \$88,495,000 in prior appropriated revenue and unappropriated earned interest within the Our City, Our Home (“OCOH”) Fund, to allow the City to use revenues from the Homelessness Gross Receipts Tax through Fiscal Year (FY) 2027-2028 for certain types of services to address homelessness, notwithstanding the expenditure percentages set forth in Business and Tax Regulations Code, Section 2810; authorizing the City to expend future revenues deposited in the OCOH Fund through Fiscal Year 2027-2028 on any programs to address homelessness as described in Business and Tax Regulations Code, Section 2810, without regard to the expenditure percentages in that section; temporarily suspending the limit on funding for short-term rental subsidies; and finding that these reallocations are necessary to achieve the purposes of the Our City, Our Home Fund pursuant to Business and Tax Regulations Code, Section 2811.**

Be it ordained by the People of the City and County of San Francisco:

Section 1. Background and Findings.

(a) In November 2018, the voters approved Proposition C and imposed a Homelessness Gross Receipts Tax to fund programs to prevent and address homelessness.

1 As stated in the measure, “San Francisco is experiencing a housing crisis of historic  
2 proportions that has led to a major humanitarian and public health crisis in large-scale  
3 homelessness for which the City has insufficient resources to address.”

4 (b) Recognizing the scope of the crisis, the voters identified a range of purposes for  
5 the tax, the proceeds of which the City deposits in the Our City, Our Home (“OCOH”) Fund.  
6 Among other things, the tax is intended to help the City house the homeless; expand the  
7 number of shelter beds; eliminate waiting periods for shelter; decrease the visible presence of  
8 homeless people and tent encampments on City streets; move unhoused people into stable  
9 housing; fund legal assistance, rent subsidies, mental health services, and substance abuse  
10 services to keep people housed; reduce overall costs for the City; and fund certain specified  
11 programs. The purposes of November 2018 Proposition C are codified at Business and Tax  
12 Regulations Code Section 2802.

13 (c) To achieve these purposes, Business and Tax Regulations Code Section 2810  
14 identifies four eligible programs that the City may spend OCOH funds on – Permanent  
15 Housing, Homeless Shelters, Homelessness Prevention, and Mental Health Treatment for  
16 Homeless Individuals – and identifies a maximum or minimum percentage of the total OCOH  
17 Fund balance that each eligible program receives. Section 2810 further states that OCOH  
18 funds shall be appropriated subject to the budgetary and fiscal provisions of the Charter, and  
19 that any amounts remaining in the OCOH Fund at the end of a fiscal year shall be held in the  
20 OCOH Fund to be added to amounts available for appropriation on eligible programs in any  
21 future year. In Section 2811, the voters also authorized the Board of Supervisors to amend  
22 the measure, by ordinance, by a two-thirds vote and only to further the findings and intent  
23 summarized above in subsection (b). Accordingly, in 2023 and 2024, the Board adopted  
24 Ordinance Nos. 185-23 and 202-24, which together reallocated more than \$30,000,000 in  
25 interest income from the Fund so that the City could more effectively address homelessness

1 in fiscal years 2023-2024 and 2024-2025, despite the specific expenditure percentages that  
2 otherwise would have applied in those fiscal years.

3 (d) The City continues to fund all implemented programs recommended by the  
4 OCOH Oversight Committee, which makes recommendations for the use of the Fund. And  
5 yet, there is a significant unencumbered balance in the Fund (approximately \$59,517,000)  
6 and estimated interest earnings on these balances (approximately \$28,978,000), in large part  
7 because the City has obtained approximately \$100 million in state grants for permanent  
8 housing, including projects dedicated to families and transitional age youth. The original  
9 percentage allocations in Section 2810 are based estimates of annual revenue and did not  
10 anticipate these additional revenues and accrued interest earnings. As this Fund balance sits  
11 unspent, the Fund will also continue to receive additional revenue in the coming fiscal years,  
12 but thousands of people are still on the streets without adequate shelter, interim housing, and  
13 mental health treatment. In the immediate term, there is a particular need to direct more  
14 funding to shelter and hygiene programs. The Board of Supervisors finds that to achieve the  
15 purposes of the November 2018 Proposition C, the City must meet the crisis where it is  
16 currently most acute, and hereby approves a reallocation of the existing unencumbered  
17 revenues and interest earnings over the next three fiscal years to shelter and hygiene  
18 programs, and also approves a reallocation of the additional revenues that the Fund will earn  
19 during those fiscal years, so that the City can spend these revenues on eligible expenditures  
20 defined in Section 2810 to prevent and address homelessness.

21  
22 Section 2. Under the authority in Business and Tax Regulations Code Section 2811,  
23 for fiscal year 2025-2026:

24 (a) Expenditures on short-term rental subsidies may exceed the percentage  
25 specified in Business and Tax Regulations Code subsection 2810(b)(3)(A)(i); and,

1 (b) Up to \$14,487,000 of interest earned in the Fund, which otherwise would have  
2 accrued to general permanent housing (\$6,129,000), permanent housing for homeless youth  
3 aged 18 through 29 (\$2,229,000), permanent housing for homeless families with children  
4 (\$2,786,000), and homelessness prevention (\$3,343,000), shall instead be allocated to  
5 shelters and hygiene programs (subsection 2810(b)(3)(B)).  
6

7 Section 3. Under the authority in Business and Tax Regulations Code Section 2811, for  
8 fiscal year 2026-2027:

9 (a) Expenditures on short-term rental subsidies may exceed the percentage  
10 specified in Business and Tax Regulations Code subsection 2810(b)(3)(A)(i); and,

11 (b) Up to \$36,516,000 in the Fund, comprised of approximately \$22,025,000  
12 of unencumbered Fund balance and \$14,491,000 of earned interest, which otherwise would  
13 have accrued to general permanent housing (\$12,423,000), permanent housing for homeless  
14 youth aged 18 through 29 (\$8,523,000), permanent housing for homeless families with  
15 children (\$9,080,000), and homelessness prevention (\$6,490,000), shall instead be allocated  
16 to shelters and hygiene programs (subsection 2810(b)(3)(B)).  
17

18 Section 4. Under the authority in Business and Tax Regulations Code Section 2811, for  
19 fiscal year 2027-2028:

20 (a) Expenditures on short-term rental subsidies may exceed the percentage  
21 specified in Business and Tax Regulations Code subsection 2810(b)(3)(A)(i); and,

22 (b) Up to \$37,492,000 in unencumbered Fund balance, which otherwise  
23 would have accrued to general permanent housing (\$8,888,000), permanent housing for  
24 homeless youth aged 18 through 29 (\$20,662,000), and permanent housing for homeless  
25

1 families with children (\$7,942,000), shall instead be allocated to shelters and hygiene  
2 programs (subsection 2810(b)(3)(B)).  
3

4 Section 5. Under the authority in Business and Tax Regulations Code Section 2811,  
5 the Board of Supervisors authorizes the City to expend future revenues that will be deposited  
6 in the OCOH Fund through fiscal year 2027-28, after addressing the specified costs required  
7 under subsections 2810(b)(1) and (2), among any or all of the eligible programs to address or  
8 prevent homelessness as described in subsections 2810(b)(3)(A)-(D), notwithstanding the  
9 specific percentage allocations that would otherwise apply.  
10

11 Section 6. Prerequisites for Enactment; Super-Majority Vote Requirement. The  
12 enactment of Sections 2, 3, 4, and 5 of this ordinance are subject to Section 2811 of the  
13 Business and Tax Regulations Code, which requires the amendments to be approved by a  
14 supermajority vote of at least eight members of the Board of Supervisors.  
15

16 Section 7. Effective Date. This ordinance shall become effective 30 days after  
17 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
18 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
19 of Supervisors overrides the Mayor's veto of the ordinance.  
20

21 Section 8. Undertaking for the General Welfare. In enacting and implementing this  
22 ordinance, the City is assuming an undertaking only to promote the general welfare. It is not  
23 assuming, nor is it imposing on its officers and employees, an obligation for breach of which it  
24 is liable in money damages to any person who claims that such breach proximately caused  
25 injury.

Section 9. Severability. If any section, subsection, sentence, clause, phrase, or word of this ordinance, or any application thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions or applications of the ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this ordinance or application thereof would be subsequently declared invalid or unconstitutional.

Section 10. No Conflict with Federal or State Law. Nothing in this ordinance shall be interpreted or applied so as to create any requirement, power, or duty in conflict with any federal or state law.

## **LEGISLATIVE DIGEST**

[Funding Reallocation - Homelessness Gross Receipts Tax - Our City, Our Home Fund - Services to Address Homelessness - \$88,495,000 Plus Future Revenue - Through FY2027-2028]

**Ordinance authorizing the City to reallocate approximately \$88,495,000 in prior appropriated revenue and unappropriated earned interest within the Our City, Our Home (“OCOH”) Fund, to allow the City to use revenues from the Homelessness Gross Receipts Tax through Fiscal Year (FY) 2027-2028 for certain types of services to address homelessness, notwithstanding the expenditure percentages set forth in Business and Tax Regulations Code, Section 2810; authorizing the City to expend future revenues deposited in the OCOH Fund through Fiscal Year 2027-2028 on any programs to address homelessness as described in Business and Tax Regulations Code, Section 2810, without regard to the expenditure percentages in that section; temporarily suspending the limit on funding for short-term rental subsidies; and finding that these reallocations are necessary to achieve the purposes of the Our City, Our Home Fund pursuant to Business and Tax Regulations Code, Section 2811.**

### **Existing Law**

November 2018’s Proposition C, codified at Article 28 of the Business and Tax Regulations Code, imposed a Homelessness Gross Receipts Tax to help fund programs to prevent and address homelessness. The City deposits the proceeds of this tax in the Our City, Our Home (“OCOH”) Fund. The City may use the OCOH Fund on four “eligible programs,” as follows:

- At least 50% for permanent housing, of which up to 12% may fund short-term rental subsidies, at least 20% must support homeless youth aged 18 through 29, and at least 25% must support homeless families with children under 18.
- Up to 10% for shelters and hygiene programs.
- Up to 15% for homelessness prevention.
- At least 25% for mental health for homeless individuals.

The Board of Supervisors may amend Article 28 by ordinance, by a two-thirds vote and only to further the overall findings and intent of Proposition C.

### **Amendments to Current Law**

The ordinance would authorize an \$88,495,000 OCOH funding increase across Fiscal Years 2025-26, 2026-27, and 2027-28 for shelter and hygiene programs, despite the expenditure

percentages that would otherwise apply to that category. The City would pay for this by reallocating existing unencumbered OCOH funds and earned interest that will have accrued in the Fund, from the categories of general permanent housing (\$27,440,000), permanent housing for homeless youth aged 18 through 29 (\$31,414,000), permanent housing for homeless families with children (\$19,808,000), and homelessness prevention (\$9,833,000). The ordinance would also allow expenditures above the 12% cap for short-term rental subsidies.

The ordinance would also allow the City to expend future revenues that will be deposited in the OCOH Fund through fiscal year 2027-28, among any or all of the eligible programs to address or prevent homelessness described above, notwithstanding the specific percentage allocations that would otherwise apply. Funds received after Fiscal Year 2027-28 would remain subject to the expenditure percentages specified in Article 28.

#### Background Information

The ordinance reallocates current and future OCOH Funds that are available in large part because the City obtained approximately \$100 million in state grants for permanent housing, including projects dedicated to families and transitional age youth. The original percentage allocations in Section 2810 are based estimates of annual revenue and did not anticipate these additional revenues and accrued interest earnings. Given the current state of the homelessness crisis, it is necessary to reallocate funds to where they are most needed.

## MANDATE STATEMENT

Charter Section 2.105 requires that legislative acts be accomplished by ordinance, subject to approval by a majority of the Board of Supervisors.

Business and Tax Regulations Code Section 2811 states that amendments to the Homeless Gross Receipts Tax are subject to Board of Supervisors approval by a two-thirds vote. Such amendments may only be to further the purpose of the tax.

## BACKGROUND

The Homelessness Gross Receipts Tax was authorized by voters in November 2018 with the passage of Proposition C and became effective in January 2019. The tax added between 0.175% to 0.69%, depending on the business type, to the gross receipts tax on businesses earning over \$50 million in a given year. The tax was adjusted by Proposition M (November 2024), which lowered the eligibility threshold from \$50 million to \$25 million in annual gross receipts and adjusted the tax rate to 0.164% to 1.64%, depending on the type of business and annual revenues in San Francisco.

In general, under current law, expenditures of Homelessness Gross Receipts Tax revenues must be spent in the following manner:

- At least 50 percent on permanent housing
  - Of which, at least 20 percent must be spent on transitional aged youth (TAY), defined as under age 30
  - Of which, at least 25 percent must be spent on family housing
  - Of which, the remaining portion must be spent on general housing, serving all populations
  - Of which, no more than 12 percent can be spent on short-term (less than five-year) rental subsidies
- Up to 10 percent on shelter and hygiene programs
- Up to 15 percent on prevention programs
- At least 25 percent on mental health services

### Prior Board Actions

In July 2023, the Board of Supervisors approved an ordinance (File 23-0657) that allowed use of up to \$16,360,000 in interest earnings from the Homelessness Gross Receipts Tax fund to fund programming outside of the spending requirements outlined above. The programming amounts in FY 2023-24 were \$4.6 million for prevention and \$1.34 million for shelter. The 2023 ordinance also provided a waiver for the 12 percent cap on short-term rental subsidies for FY 2023-24 and FY 2024-25.

In July 2024, the Board of Supervisors approved an ordinance that allowed use of up to \$16,676,000 in interest earnings for shelter and rapid rehousing for families (File 24-0607).

**DETAILS OF PROPOSED LEGISLATION**

The proposed ordinance would make the following changes to the programmatic allocation requirements for Homelessness Gross Receipt Tax revenue, interest, and unappropriated fund balance for three years, in FY 2025-26, FY 2026-27, and FY 2027-28:

1. Reallocate \$88.5 million in interest revenue and unencumbered fund balance that would otherwise be spent on housing and prevention programs to shelter programs.
2. Suspend all programmatic allocation requirements for new homeless gross receipt tax revenues. During that time, such revenues could be spent on any program addressing homelessness.
3. Suspend the 12 percent spending cap on short-term rental subsidies.

Approval of the proposed ordinance requires at least eight votes from Board of Supervisors, per Article 28 of the Business Tax and Regulations Code.

**Shelter Expansion**

The purpose of reallocating Homelessness Gross Receipts Tax revenues is, in part, to fund the Mayor's *Breaking the Cycle* initiative, which aims to temporarily expand the number of shelter and treatment beds over the next three fiscal years. The Department of Homelessness and Supportive Housing (HSH) reports that the plan includes 630 new shelters and treatment beds across all funding sources. While the Budget and Legislative Analyst's Office has received an overview of the plan, it has not received the underlying analysis that supports it.

According to HSH, the shelter expansion budget includes the following:

- Expansion of existing shelter sites (e.g., the Jerrold Avenue conversion from RVs to congregate shelter, and additional beds in the Bayshore Navigation Center)
- An extension of 110 emergency hotel voucher slots originally funded through the Safer Families Initiative
- 10 emergency hotel voucher slots for victims of domestic violence
- A sober shelter site at the Sharon Hotel on 6th Street
- 448 additional beds, for which the service composition is still to be determined

Certain sites will receive services from both HSH and the Department of Public Health (DPH).

HSH estimates the shelter expansion initiative will cost \$121 million over three years across all funding sources. Of that amount, \$88.5 million would be funded by reallocated interest earnings and the unappropriated fund balance from the Our City, Our Home Fund. The remaining \$32.5 million would be funded through a combination of Our City, Our Home revenues, reallocated General Fund spending, and state grants.

### Rental Subsidies

According to HSH, suspending the rental subsidy cap would allow the Department to continue and expand the current level of service for rapid rehousing subsidies, which are limited to three years for adults and five years for families. The proposed budget includes the following increases to rental subsidies:

- 65 new slots for families living in RVs
- 40 new slots for Transition Age Youth (TAY) as part of the Rising Up Program in FY 2025–26
- Extension of 235 adult subsidy slots that would otherwise expire in FY 2026–27

### Suspension of Programmatic Allocation Requirements

The proposed ordinance allows any new Homelessness Gross Receipt tax revenue to be spent on any program addressing homelessness through FY 2027-28. According to HSH budget staff, the reallocation of interest and fund balance outlined above is the only spending of Homelessness Gross Receipts tax revenue that does not conform to current program allocation requirements. However, this provision in the proposed ordinance would allow the Mayor and Board to reallocate additional funding, including funding for existing programs, simply as a budget action.

### FISCAL IMPACT

Exhibit 1 below shows HSH’s planned use of interest earnings and fund balance, as detailed in the ordinance. The legislation would allow for this money to be spent on shelter rather than prevention and housing programs.
