I currently live in, and am active in issues related to, a non-profit SRO hotel in the Tenderloin, and I volunteer for the Mission SRO Collaborative. In terms of diversity, I am a millennial disabled (specifically Aspergers and mental health) transgender lesbian woman. See attached letter for further explanation.

Dear Board of Supervisors Rules Committee,

Please accept this letter as a supplement to my application for the vacant tenant position (seat 9) on the SRO Task Force. Since October 2015, I have been a resident of a hotel managed by the Tenderloin Housing Clinic. I have been an active voice in tenant meetings, and have frequently been engaged with the issues facing the hotel. One organizing victory that I am proud of is that I led the campaign to remove gender-specific signage from the (single-occupancy) shower rooms, thus creating a safer space for transgender and disabled tenants.

Since February of 2016, I have served as a volunteer tenant leader in the Mission SRO Collaborative's leadership academy. I entered the Peer Outreach Program (or POP), an intensive six month program where I learned about tenant rights, organizing, city government, and more. I received a Certificate of Honor from the Board of Supervisors upon graduation, and in late 2016, came back for MSROC's year-long Tenants Are Rising program, focusing on facilitation, outreach, public speaking, and other advanced leadership skills. Highlights include teach-ins on ableism, accessibility, and non-profits as well as speaking at the press conference for Supervisor Aaron Peskin's amendments to the Hotel Conversion Ordinance, which passed in February 2017.

It is through MSROC that I continue to grow as an advocate for the rights of SRO tenants, especially those who are marginalized. In December 2014, I came to San Francisco from Pennsylvania homeless due to lack of services, much less culturally competent for disabled transwomen. The organization has helped me get back on track and realize my potential, and I would not be seeking to serve on the SRO Task Force if my MSROC mentors didn't highly recommend me to do so. (See attached letter of recommendation)

Independently, I have been a frequent speaker at board committees concerning issues around tenant, housing, and homeless rights in the city. Furthermore, I am in discussions with several supervisors concerning potential action to improve the lives of SRO tenants (especially those with disabilities), and those who are living in non-profit hotels, who often face similar health, safety, and building issues to those living in private hotels, but face a lack of legal protections and infantilizing policies, such as the inability for tenants like myself to pay rent by check and frequent elevator malfunctions, which hopefully will be addressed in the coming months.

Lastly, I would like to clarify that I have not been able to attend any meetings of the SRO Task Force, due to the fact that meetings restarted only a month ago after a gap of several years. However, I have reviewed minutes of past meetings and understand the functions of the task force as well as the general meeting structure, and would be able to meet the attendance policies.

Should you need to reach me or have any questions, my number is 415-499-2563

Sincerely,

Jordan Davis

Wednesday, March 8, 2017

Dear Board of Supervisors Rules Committee:

I am writing to recommend Jordan Davis fill the vacant seat in the SRO Task Force for SRO Tenant Representative. She has been living at the Hartland Hotel for a year and a half, and in her time at the SRO, she has been very involved in the community at her building. She gets a fair assessment of what is needed at her hotel and goes through the proper measures for the needs to be addressed in diplomatic manner.

Jordan has been trained on code enforcement in the Mission SRO Collaborative's Peer Outreach Program and Tenants Are Rising Program over the past year. She understands the process and inner workings of city agencies who work to keep SROs safe and healthy places to live. Since Jordan has gotten involved in our organization, she has been quite engaged in housing and SRO issues that come about in City Hall, as well.

Jordan is very respectful, professional and well-spoken, and she provides a valuable tenant perspective that is vital to the conversation that takes place at the SRO Task Force. The Mission SRO Collaborative staff highly recommends Jordan to be the tenant representative on the SRO Task Force.

To Whom It May Concern:

I recommend Jordan Davis for the tenant position with the SRO Task Force. She has been involved with the Mission SRO Collaborative Outreach program for almost two years.

I supervised Jordan at the Women’s Community Clinic and Mission Neighborhood Resource Center collaborative program called Lternship1 and Lternship2 where she participated in twenty harm reduction based trainings .The trainings covered a wide range of topics including organizing, social justice, planning campaigns and community actions, tenant rights, healthy relationships, women’s health and facilitation.

Jordan proved to be a natural leader and strong voice for the community during her time in Lternship and continued to stay engaged after her internship was completed .Last winter she received a Certificate of Honor from the Board of Supervisors for her work as part of the Mission SRO Collaboratives Peer Outreach Program (POP) . She will graduate from Tenant Are Rising (TAR) internship in August 2017 where she is currently working in the community providing tenant rights education and referrals to the SRO community in the Mission District. She has been a vocal advocate at City Hall fighting for housing and social justice.

Jordan has an obvious passion for working with women and underserved communities, especially low-income populations or those who typically marginalized .Jordan is a smart and resourceful woman and I have been impressed with her clear understanding of the tenant rights and political process, ability to troubleshoot challenging situations and still be clear and direct with the goal of creating positive change.Jordan is remarkable, she is honest and lives without apology. a natural born leader who takes initiative and communicates with skill and seems to know what her boundaries are .

I am confident that Jordan will be an excellent tenant representative on the SRO Task Force.

To Whom It May Concern:

My name is Sanyika Bryant and I am a tenant rights counselor with Causa Justa:: Just Cause. As part of my duties I work closely with the Mission SRO Collaborative (MSROC) providing rights-based tenant rights services to SRO residents in the Mission. I am writing to express my support the candidacy of Jordan Gwendolyn Davis to the SRO Taskforce

Jordan is a fierce and committed activist for the rights of SRO tenants. She has participated in community organizations for several years and has become a knowledgeable and principled leader in her community. She is intimately familiar with the conditions and struggles of SRO residents in both Non-Profit and Private hotels.

As a member of the SRO Taskforce, Jordan will have a stronger platform to serve her community. Jordan is the type of leader the community needs to represent their interests on the SRO Taskforce. She will bring the same passion, integrity and commitment she's shown through her work with MSROC to the SRO Taskforce. You couldn't pick a better candidate.

San Francisco SRO Taskforce

To Whom It May Concern:

This letter is to enthusiastically recommend Jordan Davis for her candidacy to the SF SRO Taskforce. My name is Laura Guzmán, and I am Director of the Mission Neighborhood Resource Center (MNRC) and a long-time member of the SF Local Homeless Coordinating Board. MNRC is a safe and clean space for the homeless communities of the Mission district, and a partner of the Mission SRO Collaborative (MSROC), which provides outreach, education, leadership development and social services support to Mission SRO Tenants.

I met Jordan initially through our L-Internship program, which promotes health education and leadership development to our women's community. Jordan was an exceptional Intern, and upon graduation, she applied as a Tenant leader for the MSROC. Since then, Jordan has participated in numerous local and citywide grassroots efforts, including fighting anti-homeless measures and Mission low income residents' displacement, and as Tenant leader, outreaching to, educating, and organizing along SRO hotel residents. Jordan knows the very issues that impact SRO tenants, including the lack of City Departments' follow through of SRO hotel violations, the impact of inhabitable units and fire displacement, stress and trauma, and, at the same time, she knows the critical importance of preserving SRO housing units for very low income individuals and families.

As an appointed member of the Local Homeless Coordinating Board, I am very confident that by appointing Jordan Davis the SRO Taskforce will be a much stronger and impactful body in order to address the City's neglect of SRO hotels and tenants and the actual preservation of SRO units - some of the few most important strategies to alleviate homelessness and displacement in San Francisco today.

Should you have any further questions, do not hesitate to contact me via email at lauraguzman@mnhc.org.

Sincerely yours,

Laura Guzmán, Director
Mission Neighborhood Resource Center

To Whom It May Concern:

I am giving my full recommendation on behalf of Jordan Davis for the tenant position within the SRO Task Force. I've had the honor of working with her in our tenant leadership programs. Not only is she passionate about tenant rights and knowledgeable about housing issues, but she also has her heart in the right place. I have not met someone who is more inclusive in the fight for marginalized peoples. I can vouch that she will work hard to ensure that she can be a fair voice for the tenants that she seeks to serve.

In addition, she also has the experience to merit her role in the position. She has served in various community leadership and housing rights programs, including the Peer Outreach Program and the Tenants Are Rising Program, a program that I coordinate of which she is actively involved. As a part of the program, she goes door to door every week meeting tenants and letting them know their rights as well as how they can be involved in tenants rights. She also helps facilitate tenant meetings and attends trainings about topics ranging from gentrification, social justice organizing, and code enforcement.

Aside from tenants rights, Jordan is a transgender rights activist as well as a strong advocate for disability rights. She volunteers with the Women's Community Clinic and can be often found at city hall speaking her mind at public comments sessions in front of the Board of Supervisors. Clearly, she is a wonderful steward of the community. There is no doubt in my mind that she would make a vital addition to the SRO Task Force. If there are any questions at all, I am more than happy to answer any questions regarding Jordan Davis.

RE: Letter of Support for Jordan Davis Appointment to SRO Task Force

Dear Board of Supervisors:

The Harvey Milk Democratic LGBT Club hereby supports the appointment of Jordan Davis to the Single Room Occupancy Task Force. Ms. Davis is a disabled queer formerly homeless transwoman who currently lives in a non-profit SRO.

The lack of affordable housing and homelessness are some of the most pressing issues in San Francisco today. It is important that the policies that directly affect those who live in SRO's are informed by people who have been directly impacted homelessness.

Ms. Jordan has worked tirelessly to improve the quality of live for those living in San Francisco SRO's. She has brought issues relating to non-profit housing to the conscious of the Board of Supervisors and the Harvey Milk Democratic Club and many housing justice advocates. She currently serves in the Mission SRO Collaborative leadership academy.

Ms. Jordan is an ardent advocate for our community and she will continue to advocate for all underrepresented communities as a member of the SRO Task force. We wholeheartedly recommend that the Rules committee support Ms. Davis for an appointment to the San Francisco Single Room Occupancy Taskforce.

Sincerely,

Kimberly Alvarenga & Carolina Morales, Co-Presidents

My name is Roshann Pressman, Families Coordinator for the Mission SRO Collaborative, and I would like to take this opportunity to highly recommend Jordan Davis for a seat on the SRO Task Force.

Jordan has been enthusiastically involved with our program and with the SRO community for several years. Jordan is an extremely dedicated, passionate and forthright advocate for SRO tenants. Jordan has developed an impressive skill set through organizing and engaging community members in local housing initiatives towards bettering living conditions in San Francisco. She has also been a strong ally for our undocumented SRO families in the Mission District, consistently showing up for and upholding the connection of housing rights as human rights.

Despite the vigorous nature of this work, Jordan never fails to speak up and give her all. The amount of determination and aspiration that Jordan possesses is quite inspiring. Jordan's unique experiences and perspectives would be a tremendous asset to the SRO Task Force.

Please feel free to contact me with any questions.

Dear Supervisors Fewer,Safai and Yee,

I'm writing to you today in support of Jordan Davis for the position of SRO Task Force Tenant Representative.

I've known Jordan for well over a year. She is a thoughtful and actively involved community member who has contributed countless of hours to support disability and LGBT rights and affordable housing.

As a former SRO resident, I think it's key to have representatives who've experienced living in similar circumstances; the improvement of their living conditions depends on it. In addition, Jordan is a young woman, one of the most underrepresented demographics in public office today and I'm hoping you'll all agree, that needs to be reversed soon.

Please do not hesitate to reach out to me if you have any further questions about my recommendation.

Sincerely,

San Francisco Board of Supervisors
1 Dr Carlton B Goodlett Pl #244
San Francisco, CA 94102

Dear Board of Supervisors,

It is with great honor that I write you today to recommend Jordan Davis to serve on the Single Room Occupancy (SRO) Task Force. I have followed Jordan's activism since she was living in Philadelphia where she was active in LGBTQ organizing, and it's been an absolute pleasure to see her grow into her leadership as a housing rights advocate in San Francisco.

Jordan Davis is a resilient formerly homeless, disabled transgender woman who is deeply committed to making her community a better place. Even while dealing with homelessness, she was still persistent in giving back to her community through online activism, sharing resources with other homeless women, speaking at political rallies, and attending meetings at City Hall. She currently lives in a non-profit hotel and she has campaigned for gender neutral signage on the common shower room.

Jordan has been volunteering as an outreach worker to bring resources and referrals to other residents of mostly privately owned SROs in the Mission. She is currently an active member of the Leadership Academy at the Mission SRO Collaborative. I know that if the SRO task force had been meeting regularly that she would have already attended the meetings. If Jordan is appointed to the SRO Task Force, I have complete faith in her ability to bridge the concerns she hears from other community members living in SROs, her own lived experience, and her institutional knowledge of housing issues.

I'm happy to answer any questions you have about Jordan's qualifications by e-mail at MiaSatyaSF@gmail.com

In Community,
Mia Satya

To Whom It May Concern,

My name is Jadma Noronha, and I am the former Program Manager for the Mission SRO Collaborative. I have ten plus years of experience working in nonprofits that advocates and empower vulnerable populations through advocacy, leadership development, and services.

I write this letter in enthusiastic support of Jordan Davis application to the tenant seat at the San Francisco Single Room Occupancy Task Force. I had the opportunity to work with Ms. Davis while at the Mission SRO Collaborative, and witnessed her dedication to improving conditions in SROs, and advocating with the city for better legislations to support the most vulnerable in our communities. She completed the Peer Outreach Program and continued to the Tenants Are Rising program, showing consistence and commitment to improving conditions in SROs, conducting regular outreach and building relationships with the community.

Ms. Davis was able to build upon her skills and showed high level of communication and knowledge in different areas impacting the SRO community, and the Mission Neighborhood. She is a leader in the community and I am confident that she would do a great job at the SRO Task Force.

I enthusiastically offer my support to her appointment and look forward to hearing some of the SRO Task Force accomplishments in the future.

I am a born and raised San Franciscan, and I grew up as a child of immigrants in the Tenderloin, a neighborhood with the highest concentration of SROs in the City. I personally knew SRO tenants, and managers growing up there, even spent time living in them myself. My family and I were low-income residents in the Tenderloin, I understand the communities who live in SROs. Below you will read how I have spent most of my professional career in San Francisco working with, and for SRO tenants.

Business and/or professional experience:

My current position at Mission Housing, and my previous job at the Mission SRO Collaborative provide ample experience for the SRO Task Force. At Mission Housing, we own multiple SRO buildings, and has given me the insight of working with tenants from a socially just building owner perspective.

While at the Mission SRO Collaborative, I worked with tenants living in both private and non-profit hotels to ensure their quality of life was advocated for. As a staff member, I represented one of the community resources that SRO tenants went to for matters ranging from code enforcement to tenant rights to applying for improved housing opportunities. In addition, through our tenant leadership program, I played a role in helping tenants develop essential skills, and gain necessary knowledge. Lastly, we were also able to work with some managers and property managers to obtain access to buildings, and improve the lives of the tenants living there. I also attended SRO Task Force meetings while at the Collaborative.

Civic Activities:

Sitting on an official body must be taken with a sense of duty, and my participation on the Eastern Neighborhoods CAC reflects my experience in taking on such a role.

I am a regular at City Hall when there needs to be advocacy for some of the most pressing issues in the City, such as affordable housing, and tenants rights.

After working with SRO tenants in San Francisco for two years, I can bring my experience to the SRO Task Force to discuss issues facing SRO tenants. I am passionate about working together with city agencies to improve the quality of living and housing in SROs. As a Latina woman, I see the importance of combating issues that affect the immigrant community, who widely reside in the Mission's SROs. For years, I have given trainings about gender identity, race, immigration status, sexual orientation and disability status and how they intersect with housing justice. I deeply understand the need for a diverse set of voices in the SRO Task Force, and I will strive to represent MSROC's voice with transparency and integrity.

Business and/or professional experience:

I am the Program Manager of the Mission SRO Collaborative at Dolores Street Community Services. I have been working at MSROC for over two years, and in my time there, I have done extensive outreach to get to know the SRO tenant community and learn their needs. In my previous position as Education Leadership Development Coordinator, I worked closely with SRO tenants who strive to educate their community about code enforcement and how to solve issues in SROs.

Civic Activities:

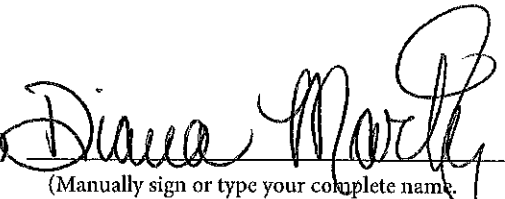

For the past two years, I have been very engaged in City Hall's response to housing and tenants' rights issues, particularly those that affect SROs. I have been to numerous Board of Supervisors and Planning Commission meetings, with a goal of sharing the voice of the SRO experience. I have also been a part of the Code Enforcement Outreach Program with the Department of Building Inspection, and I have attended SRO Task Force meetings. Recently, I have been meeting with City Supervisors to give perspective on the Hotel Conversion Ordinance, and how the new amendments can positively affect SRO housing preservation in the Mission.

To Whom It May Concern:

I am writing to nominate Diana Martinez to fill the vacant Mission SRO Collaborative (MSROC) seat on the SRO Task Force. As the current MSROC Program Manager, and given her previous work as the program's Education and Leadership Development Coordinator, Diana is eminently qualified to serve as the agency's representative. She has a vast knowledge of SRO tenants' experiences in hotels, including their needs and challenges. She is deeply committed to improving living conditions in hotels, preserving accessibility for low- and extremely low-income San Franciscans, and to developing strong working relationships with hotel owners and management. In addition to her passion for supporting tenants, she is keenly interested in engaging in broader conversations that encompass policy and legislation. In short, she is the ideal candidate to serve on the Task force as MSROC's representative.

If you have any questions, feel free to contact me at (415) 282-6209 x.*114. Thank you for your consideration of this nomination.

Sincerely,

Wendy Phillips
