City Administrator

Subject: Resolution Approving Four Technology Marketplace Tier 1B Contracts.

The Office of Contract Administration is submitting the enclosed resolution that would authorize the Office of Contract Administration to execute four Tier 1B Technology Marketplace contracts, pursuant to Charter Section 9.118(b).

Request for Proposal 95270 for Technology Marketplace allows the Office of Contract Administration to conduct additional Request for Proposals, Request for Qualifications, and negotiate agreements or use other procurement processes as needed. The proposed Tier 1B contracts will be added to the existing Technology Marketplace contracts approved by Board Resolution 362-14.

The initial proposed contract amounts for each of these four Tier 1B contracts is \$12,000,000, which is equal to the contract amount of each of the existing Tier 1B contracts for Products and Services approved under the Technology Marketplace.

The initial term of the proposed contracts will be three years, to commence following Board approval, with two options to extend the contracts for up to one year each at the City's sole and absolute discretion.

The following is a list of accompanying documents:

- Form SFEC-126: Notification of Contract Approval (Cornerstone Consulting & Technology)
- Form SFEC-126: Notification of Contract Approval (Learn iT., Inc.)
- Form SFEC-126: Notification of Contract Approval (Softnet Solutions Inc.)
- Form SFEC-126: Notification of Contract Approval (United Layer)

If you have any questions, please contact Cameron Langner at 415-554-7799. Thank you for your consideration.
