RE: SUBJECT: REFERRAL FROM BOARD OF SUPERVISORS

At its virtual meeting on Monday, November 14th, 2022, the San Francisco Youth Commission Transformative Justice Committee supports the approval of File No. 221093 with the following feedback and recommendations:

1. The Youth Commission supports the hearing to discuss a citywide approach to address gun violence in San Francisco.
2. The Youth Commission recognizes that gun violence has been prevalent in the City and County of San Francisco and across the nation.
3. The San Francisco Youth Commission Transformative Justice Commission seeks clarification on what on the ground work will be done to minimize gun violence or will there only be approaches to support individuals mental and physical health in the aftermath of gun violence with the citywide approach to address the issue.

Please do not hesitate to contact Youth Commissioners or Youth Commission staff (415) 554-6446 with any questions. Thank you.
