24 Supervisors in File No. 140171 and is incorporated by reference herein; and.

1 WHEREAS, In a letter dated February 13, 2014 (the "OCII Letter"), OCII determined
2 that the proposed vacations and other actions contemplated herein are consistent with the

6 file with the Clerk of the Board of Supervisors in File No. 140171 and incorporated herein by
7 reference, the Director of the Department of Public Works determined that: (a) for those
8 portions of the Vacation Area proposed for conditional vacation, upon satisfaction of the
9 applicable condition or conditions, the respective Vacation Area would no longer be necessary
10 for the City's present or prospective future public street and sidewalk and public service
11 easement purposes; (b) for all other areas, the proposed Vacation Area is no longer
12 necessary for the City's present or prospective future public street and sidewalk and public
13 service easement purposes, (c) for those portions of the proposed Vacation Area to be
14 conditionally vacated, upon satisfaction of the applicable condition or conditions, the right-of-
15 ways and parts thereof proposed for vacation will no longer be useful as a nonmotorized

17 Shipyard Phase II Development Project includes new facilities for bicycle and pedestrian
18 movement that are equal to or in excess of what may currently exist; (d) for all other areas, in

24 Redevelopment Plan and the Hunters Point Shipyard Redevelopment Plan, as both were
25 amended on August 3, 2010, and (f) the value of such exchange for future public right-of-way

1 and other public benefits is equal or in favor of the City, and (g) although the consent of all
2 property owners adjacent to the Vacation Areas was not obtained, the applicant made
3 reasonable attempts to notify and obtain consent from all property owners adjacent to a
4 Vacation Area consisting of a paper street and the proposed street vacations do not deprive
5 any private landowner of access to the built public street grid; and,

6 WHEREAS, The public interest, convenience, and necessity require that the City
7 reserve from the proposed vacation of the Vacation Area non-exclusive easements for the
8 benefit of the City (and subject to possible grants by the City of temporary, immediately
9 revocable licenses by the City in favor of AT&T, PG&E, and any other utilities) for any utilities,
10 telecommunications facilities, or power and gas transmission facilities, respectively, located in,
11 upon, and over any portion of the Vacation Area in which their respective in-place and
12 functioning utilities are located as of the date of the ordinance approving vacation of the
13 Vacation Area, to the extent necessary to maintain, operate, repair, and remove existing lines
14 of pipe, conduits, cables, wires, poles, and other convenient structures, equipment and
15 fixtures for the operation of such utilities. The non-exclusive easements proposed for
16 reservation in this paragraph would be automatically extinguished when replacement utilities
17 serving the affected area have been substantially completed and are operable. Except in the
18 case where the reserved non-exclusive utility easements have merged into a fee interest held
19 by the City (in which case they shall be deemed to be automatically extinguished), the City
20 would execute a quitclaim of its interest in any easement reserved under this paragraph and

23 have been substantially completed and operable; and,

25 reserve from the proposed vacation of the Vacation Area temporary access for the benefit of

1 the public over portions of the Vacation Area to the extent required to preserve access
2 between private property and the system of public streets in existence as of the date of the
3 Ordinance approving the vacation of the Vacation Area. The access proposed for reservation
4 in this paragraph would be automatically extinguished when replacement access serving the
5 affected area has been substantially completed and is open to the public. Except in the case
6 where the reserved access rights have merged into a fee interest held by the City (in which
7 case they shall be deemed to be automatically extinguished), the City would execute a
8 quitclaim of the temporary access reserved under this paragraph and shall cause such
9 quitclaim to be recorded against the subject property upon the servient tenement owner
10 demonstrating to the City that replacement access serving the affected area has been
11 substantially completed and is open to the public; and,

12 WHEREAS, Subject to the reservations and conditions specified in this Resolution, (a)
13 those portions of the Vacation Area proposed to be conditionally vacated will be unnecessary
14 for prospective public use once the applicable condition has been satisfied; and (b) none of
15 the remainder of the proposed Vacation Area is currently necessary for present or prospective
16 public use; and,

17 WHEREAS, The United States Navy has rights for ingress and egress purposes for
18 pedestrian, vehicular and other access to connect other parcels in the Hunters Point Shipyard
19 as reserved in Quitclaim Deed recorded on December 3, 2004 at Reel 1776, Image 0207, as
20 Document No. 2004-H861241-00, Official Records of the City and County of San Francisco,
21 and corrected by Quitclaim Deed recorded on March 31, 2005 in Reel 1858, Image 0396 as

25 and necessity require that no other easements or other rights be reserved for any public or

1 private utility facilities that are in place in the proposed Vacation Area and that any rights
2 based upon any such public or private utility facilities be extinguished upon Board approval of
3 the vacation actions; now, therefore, be it
