**RE: Resolution authorizing the San Francisco Department of Public Health (SFDPH) to apply for the Integrated HIV Surveillance and Prevention Programs for Health Departments (CDC)**

Dear Ms. Calvillo:

Attached please find an original and four copies of a proposed resolution for the approval of the Board of Supervisors, which authorizes the San Francisco Department of Public Health (SFDPH) to submit an application to the Centers for Disease Control and Prevention (CDC) for the **Integrated HIV Surveillance and Prevention Programs for Health Departments** grant. This application represents approximately \$7,008,377 in HIV prevention & surveillance and Component B funding for San Francisco for calendar year 2021.

This resolution is required by Ordinance No. 265-05, which amends Section 10-170 of the Administrative Code to require Board of Supervisors review of recurring grant applications of \$5,000,000 or more prior to their submission. SFDPH received from CDC the application guidance on July 20, 2020. The application deadline is September 14, 2020.

I hope that the Board will support this resolution. If you have any questions regarding the City and County Plan or this resolution, please contact Tracey Packer, Director of Community Health Equity & Promotion.

Sincerely,
