Mr. Philip A. Ginsburg
General Manager
San Francisco Recreation and Parks Department
30 Van Ness Avenue, 5th Floor
San Francisco, CA 94102

Dear Mr. Ginsburg:

The Department of Housing and Community Development (Department) is pleased to announce the City and County of San Francisco as a recipient of a Housing Related Parks (HRP) Program award. Funding for the HRP Program is available pursuant to the Housing and Emergency Shelter Trust Fund Act of 2006 (Proposition IC). The goal of the HRP Program is to encourage and incentivize new housing affordable to lower-income households and reward local governments for approving housing projects affordable to lower-income households and the workforce. The HRP Program reflects the Department's commitment to work in partnership with local governments to address California's critical housing and community development needs, recognizing and reinforcing the critical linkages between housing, jobs, and the economy in creating vital, livable communities.

As you know, all local government applicants with housing starts for new rental or ownership housing units affordable to lower-income households and which are in compliance with State housing element law, are eligible to receive HRP Program grant funds for use in local capital improvement park-related projects. The application submitted in response to the Department's HRP Program DPY 2011 Notice of Funding Availability (NOFA) indicated the City and County of San Francisco met these program requirements and has implemented the objectives of the Program. This letter, therefore, constitutes a conditional commitment of grant funds in the amount of \$776,500.

Staff will be contacting you shortly to initiate the process of preparing the Standard Agreement for fund distribution. Please note, no funds may be expended, nor any costs incurred, until a contract is fully executed. Again, congratulations on meeting the goals of the HRP Program. For further information concerning this award, please contact Jennifer Seeger, Program Manager, at jseeger@hcd.ca.gov or (916) 445-4728.

Sincerely,

Linn Warren
Director

Such expenses include costs associated with planning, engineering, construction management, environmental impact reports, appraisals, site acquisitions, or necessary easements.
- C. Grant funds shall not be expended for the administrative costs of persons directly employed by the Contractor or for other "soft" costs that are not directly related to the construction, rehabilitation or acquisition of capital assets.

2. Performance

Contractor shall take such actions, pay such expenses and do all things necessary to complete the Work specified in Exhibit A in accordance with the schedule for completion set forth therein and within the terms and conditions of this Agreement.

3. Fiscal Administration

- A. Term: The effective date of this Agreement is the date upon which it is executed by the State (the date stamped in the lower right portion of the Standard Agreement (Std. 213) through September 30, 2016. All funds must be requested by the Contractor by April 30, 2016 and expended by June 30, 2016. This Agreement shall terminate September 30, 2016.
- B. The Contractor shall make any and all request(s) for disbursement no earlier than ninety (90) days from the anticipated need for the funds, using the forms provided by the State. The forms will be made available at <http://www.hcd.ca.gov/hpd/hrpp>. The Contractor shall expend the funds within 90 days from the date of receipt from the State, or by June 30, 2016, whichever occurs earlier and subsequent supporting documentation shall be submitted to the Department.
- C. Failure to expend contract funds in a timely manner may affect future funding.

EXHIBIT B

All funds not expended within 90 days of receipt, or by June 30, 2016, as applicable, shall be returned to the State with accrued interest.

Contractor shall provide the State with a letter of request that describes the additional project(s) to be funded.
- G. The Contractor shall immediately inform the State, no later than December 31, 2015, if the Contractor anticipates it will not be able to expend all Grant funds by June 30, 2016.
- H. The Contractor is responsible for maintaining records which fully disclose the activities funded by the Grant. Adequate documentation of each transaction shall be maintained to permit the determination, through an audit if requested by the State, of the accuracy of the records and the allowability of expenditures charged to Grant funds. If the allowability of expenditure cannot be determined because records or documentation are inadequate, the expenditure may be disallowed, and the State shall determine the reimbursement method for the amount disallowed. The State's determination of the allowability of any expense shall be final, absent fraud, mistake or arbitrariness.
- I. Funds will be disbursed upon receipt by the Department of documentation of a certificate of occupancy, final inspection, or other comparable local approval evidencing completion of the Eligible Units by which the applicant qualified for Program funding. All such documentation shall be subject to the approval of the Department. If the Department determines that any of the Eligible Units, which qualified the applicant for Program funding, were not completed, then the Grant will be reduced to an amount corresponding to the actual number of completed Eligible Units.
