2
3 **Describing and setting forth a proposal to the voters to amend the Charter of the City and**
4 **County of San Francisco to allow City employees who qualify to take leave for the birth or**

6 **for which they qualify, and to permit City employees to retain 40 hours of accrued sick**

8 Section 1. The Board of Supervisors hereby submits to the qualified voters of the City
9 and County, at an election to be held on November 3, 2015, a proposal to amend the Charter of
10 the City and County by revising Sections A8.365, A8.365-1, A8.365-2, A8.365-3, and A8.365-4,
11 to read as follows:

12 NOTE: **Unchanged Charter text and uncodified text** are in plain font.
13 **Additions** are *single-underline italics Times New Roman font*.
14 **Deletions** are ~~*strike-through italics Times New Roman font*~~.
15 **Asterisks (* * * *)** indicate the omission of unchanged Charter
16 subsections.

17 **A8.365 COMPENSATION DURING PARENTAL LEAVE**

18 Under federal, state and local law, employees are entitled to take an unpaid leave of
19 absence in the event of pregnancy disability or to care for a child after birth or placement for
20 adoption or foster care. But employees may not have the financial resources to take advantage of
21 this leave. This section provides compensation to supplement state disability insurance
22 payments, paid sick leave, compensatory time, and other forms of paid leave, to ensure that an
23 employee will receive the equivalent of the employee's salary for 12 weeks, or, if the employee is
24 temporarily disabled by pregnancy, up to 16 weeks, while on approved leave.

25 In accordance with this section, eligible employees on approved Parental Leave shall
receive Ssupplemental Compensation as set forth herein.

1 Nothing in this section shall be construed to expand, reduce or otherwise affect the total
2 amount of leave time available to employees under federal, state, or local law, Civil Service
3 Commission rules, or applicable memoranda of understanding between the City and County of
4 San Francisco and employee organizations. This section is intended to supplement other
5 available sources of income during specified periods of leave to which the employee is otherwise
6 eligible. Except for leave mandated by law, requests for leave continue to be subject to the
7 approval of the appointing officer.

8 **A8.365-1 DEFINITIONS**

9 The following words and phrases as used in this section, unless a different meaning is
10 plainly required by the context, shall have the following meaning:

11 "Domestic Partner" shall have the same meaning as set forth in Administrative Code
12 Section 62.1 et seq.

13 "Employee" shall mean any person who is appointed to a position created by or which is
14 under the jurisdiction of the City and County, whose compensation is paid by the City and
15 County, and who is under the control of the City and County as to employment, direction and
16 discharge and does not include persons who occupy classified or certificated positions with the
17 San Francisco Unified School District or the Community College District or who work for the
18 City as independent contractors.

19 "Paid Leave" shall mean all paid time-off provided by the Charter, the Administrative
20 Code, the Civil Service Rules or through a collective bargaining agreement and shall include but
21 not be limited to vacation, sick leave, compensatory time, administrative or executive leave and
22 floating holidays. For purposes of this section, "Paid Leave" shall not include statutory holidays.

23 "Parental Leave" shall mean (a) Family Medical Leave as defined below; (b) Temporary
24 Pregnancy Disability Leave as defined below:

1 (a) "Family Medical Leave" shall mean leave taken pursuant to the Family
2 and Medical Leave Act, the California Family Rights Act, or Civil Service Commission Rules,
3 where such leave is taken after the birth of a child to the Employee, the Employee's spouse or
4 the Employee's Domestic Partner or for placement of a child with the Employee's family for
5 adoption or foster care, and has been requested and approved in accordance with the procedures
6 set forth in those respective statutes or rules, except to the extent that those statutes, rules, or any
7 associated regulations allow an employer to limit leave to a combined total maximum duration if
8 more than one employee qualifies to take leave for the birth or placement of the same child.
9 Charter Sections A8.365 through A8.365-4 are intended to provide each Employee the
10 maximum duration of Parental Leave to which he or she would otherwise be entitled under its
11 provisions, regardless of the amount of leave taken by another Employee for the birth or
12 placement of the same child.

13 (b) "Temporary Pregnancy Disability Leave" shall mean disability leave taken
14 in accordance with State law or the Civil Service Commission Rules because of an Employee's
15 inability to work, as certified by a health care provider, for reasons of pregnancy, childbirth, or
16 related conditions, as defined by the California Fair Employment and Housing Act, Govt. Code
17 Section 12945.1(b)(2) et seq.

18 "Supplemental Compensation" shall mean compensation paid by the City to eligible
19 Employees on Parental Leave. The amount of Supplemental Compensation shall be the
20 Employee's regular base wage less (1) all accrued Paid Lease from the City with the
21 exception of 40 hours of sick leave and (2) any payments received by the Employee from a

REVISED LEGISLATIVE DIGEST

(6/2/2015, Substituted)

[Charter Amendment - Enhancement of Paid Parental Leave for City Employees]

Describing and setting forth a proposal to the voters to amend the Charter of the City and County of San Francisco to allow City employees who qualify to take leave for the birth or placement of the same child to each receive the maximum amount of paid parental leave for which they qualify, and to permit City employees to retain 40 hours of accrued sick leave at the end of paid parental leave, at an election to be held on November 3, 2015.

Existing Law

Charter sections A8.365 et seq. provide qualifying City employees with compensation to supplement state disability insurance payments, paid sick leave, compensatory time and other forms of paid leave to ensure that the employee receives the equivalent of the employee's salary for 12 weeks, if leave is taken to care for a child after birth or placement for adoption or foster care, or up to 16 weeks, if the employee is temporarily disabled by pregnancy.

If more than one City employee qualifies to receive supplemental compensation for the birth or placement of a particular child, the combined total maximum duration for which the City will provide them with supplemental compensation is 12 weeks.

Prior to receiving supplemental compensation, an employee must exhaust all other paid leave balances accrued with the City, for example, sick leave, vacation, floating holidays, etc. If the employee chooses not to exhaust these leaves, the total supplemental compensation for which the employee is eligible will be reduced by the amount of paid leave accrued by the employee as of the start of the leave.

Amendments to Current Law

The proposed Charter Amendment would:

1. allow City employees who qualify to take leave for the birth or placement of the same child to each receive the maximum amount of paid parental leave for which they qualify, regardless of the amount of paid parental leave received by another employee for the same event.
2. permit City employees to retain 40 hours of accrued sick leave at the end of paid parental leave.

Background Information

This "Second Draft" of the Charter Amendment is being introduced as a substitute for the original draft introduced on May 19, 2015. This draft of the amendment adds subsection (c), which clarifies that the amendment only applies to City employees who have not yet begun Parental Leave on its effective date, or who have begun Parental Leave but have not yet exhausted all of their accrued sick leave on the effective date of the amendment.

RE: File 150524 – Charter amendment enhancing paid parental leave for City employees

Dear Ms. Calvillo,

Should the proposed charter amendment be approved by the voters, in my opinion, there would be an increase in the cost of government of between \$570,000 and \$1.1 million annually.

The amendment allows City employees whose spouse or partner is also a City employee to receive paid leave for up to 12 weeks upon the birth or adoption of a child. The cost to the City depends on the number of employees whose spouse or partner is a City employee, the amount of City parental leave taken, pay rates, and other factors.

Based upon historical parental leave usage patterns, we estimate a cost of \$100,000 to \$160,000 to pay overtime or hire temporary replacements for employees taking additional parental leave who work in 24-hour operations. If these new users took the full 12-week benefit, the cost to backfill positions would range from \$270,000 to \$410,000 annually. This does not include the cost of replacing employees who are not in 24-hour operations, where a given employee's absence does not reflect an increase in cost but rather a loss of productivity.

Additionally, the amendment allows employees to retain 40 hours of sick leave rather than being required to use those hours prior to using parental leave. The cost to backfill all users of parental leave for the additional 40 hours of leave ranges from \$470,000 to \$700,000 per year. Again, this amount does not include reduced productivity that may result from absences in non-backfilled positions.

Sincerely,

Ben Rosenfield
Controller

Re: SFWPC Support for the Paid Parental Leave Charter Amendment

Dear Supervisor Tang:

On behalf of the San Francisco Women's Political Committee (SFWPC), I am writing in support for the Paid Parental Leave Charter Amendment.

As the largest women's political organization in San Francisco, SFWPC is a strong supporter of family-friendly workplace policies. We believe that the Paid Parental Leave Charter Amendment will have a significant, positive effect on the women and families in San Francisco.

In 2002, San Francisco voters supported the ballot measure creating the City's first Paid Parental Leave program recognizing the importance of investing in San Francisco's families. We are proud that San Francisco's Paid Parental Leave policy is one of the most comprehensive in the United States, but know that we can do more to increase these benefits.

The Paid Parental Leave Charter Amendment strengthens existing policy by addressing two critical aspects of the benefit design:

1. **Sick Time:** Currently, a parent who is a city employee must exhaust their sick time before beginning their Paid Parental Leave benefit. The Charter Amendment would allow the employee to maintain 40 hours of sick time. This would ensure their ability to address health-related needs for themselves or their families when returning to work.
2. **Equal Benefits for City Employees:** Currently, if both parents are city employees, they must split their Paid Parental Leave benefit. The Charter Amendment would allow each parent to their full Paid Parental Leave benefit.

Thank you for your leadership and commitment to families in San Francisco.

Sincerely,

Frances Hsieh
President
