CHANGING TIMES

Dear Friends and Neighbors,

This 2019-2020 fiscal year spanned two dramatically different realities as the pandemic first closed our great City in March. In the eight months prior to the pandemic hitting the U.S., we helped launch the Yerba Buena Gardens Conservancy with support and financing. We initiated and broke ground on improvement projects including the plaza at Market and north Annie streets. We expanded important programs that enhanced the quality and character of our shared public spaces including adding art in surprising and unexpected places such as our Big Belly art program. We continued our commitment to ensuring cleanliness of our streets and sidewalks and sharing the unique sights and stories of our neighborhood. Our Clean Team removed hundreds of graffiti tags, hundreds of thousands of pounds of trash, and our Community Guides helped visitors navigate, explore, and enjoy Yerba Buena.

After the pandemic hit San Francisco, we changed direction and refocused on ways to best support our community. Our priority was to protect the health of our teams, volunteers, staff, and community. We adjusted our operations and implemented plans that allowed our organization to continue to provide essential services in the context of the pandemic. Our administrative operations and all Board and Committee activities continued at full pace and became virtual.

We witnessed Yerba Buena businesses and nonprofits struggle to survive without the symbiotic relationship between guests and patrons of the convention center, museums, hotels, restaurants, and shops. To assist, we developed new grant-based programs to support nonprofits and small businesses in their efforts to weather the many hardships of the past 12 months and to be able to reopen when possible. In addition to grant funding, we were able to supply neighborhood businesses with personal protective equipment and provide reimbursements to small businesses for property protections, such as plywood. We remain vigilant in providing the services needed to support the recovery of our neighborhood.

As we move forward in 2020-2021, we will continue providing essential services, supporting businesses, nonprofits, and cultural organizations in relevant ways, and supporting the recovery of our vibrant neighborhood. We hope to open with new spaces and neighborhood amenities such as Annie Street North Plaza and new dog spots at Yerba Buena Gardens in time. When it is safe to do so, we plan to celebrate the 10th Yerba Buena Night with a free night of music, dance and art. Throughout this period of truly unprecedented change, our partnerships with the City and connections to the many sectors that make our neighborhood so distinctive have only grown stronger.

In Yerba Buena, we remain optimistic and believe that because of our neighborhood's unique creativity, perseverance, and commitment that better days lie ahead. Each day there is renewed hope, sense of purpose, and belonging as we continue to come together to help each other and restate our commitment to our community.

The YCBCD Board of Directors, committees and staff, and our exceptional teams in the field, are dedicated to making our neighborhood cleaner, safer, and even more inviting for all. I want to thank each of you for your unwavering commitment to our neighborhood.

Sincerely,

Noah Bartlett

Chair, YCBCD Board of Directors

OUR MISSION

WHAT WE DO + WHERE

Every day, our organization dedicates itself to help make Yerba Buena — San Francisco’s cultural hub — a thriving, welcoming, and vibrant downtown neighborhood. To sustain that goal, our district must be clean, safe, and welcoming.

Since 2008, we’ve been working with our volunteer Board of Directors, committees, and community partners on ways to improve Yerba Buena, and in 2015 district property owners renewed our services for 15 more years. The YBCBD’s services focus on cleaning, safety, marketing, events, and more. Our Clean Team scours our streets, sidewalks, and public spaces. Trained Community Guides assist residents, visitors, and people in need, and keep an eye out to report areas in need of cleaning or safety issues. We fund an SFPD Bike Patrol officer to help keep us safe, and we have a Social Service Specialist to help our street population find services.

Our services and programs stretch from Second to Fifth and Market to Perry streets, serving a neighborhood that residents share with world-class museums, convention space, public gardens, and educational institutions, and enjoy exceptional dining, shopping, and entertainment.

SPECIFIC SERVICES AND PROGRAMS

CLEAN TEAM. Our team sweeps and steam-cleans sidewalks, removes graffiti, picks up litter, and responds to immediate neighborhood cleaning needs every day.

SFPD BIKE OFFICER. On top of existing police services, the YBCBD funds an SFPD bike patrol officer to keep us safer seven days a week.

COMMUNITY GUIDES. Our Guides not only assist people in the neighborhood by directing visitors to local businesses, they contact our dispatcher to have areas cleaned, report safety issues, and help those in need every day.

SOCIAL SERVICES SPECIALIST. Our specialist compassionately connects people living on our neighborhood streets to available services.

MARKETING & EVENTS. We promote Yerba Buena with websites, events, social media, street banners and more in support of neighborhood businesses and organizations.

COMMUNITY BENEFIT FUND. We give grants to neighborhood nonprofits that support family programs, public art projects, cultural exhibits, and public safety.

PUBLIC REALM IMPROVEMENTS. We fund and advocate for streetscape projects – large and small – to improve our public spaces.

HOW TO REPORT CLEANLINESS AND NON-EMERGENCY ISSUES

Anyone can report neighborhood cleanliness and non-emergency issues to YBCBD's dispatcher by calling (415) 543-9223, texting (415) 559-1362, emailing dispatch@ybcbd.org, using our free mobile app, YBCBD Assist, or on our website, www.YBCBD.org.

2019-2020 HIGHLIGHTS

CLEAN + SAFE

- Continued daily work to address graffiti, sweeping and steam cleaning sidewalks, cleaning and weeding tree wells, painting poles, mail boxes and fire plugs, monitoring public trash receptacles, and reporting large items to the City for removal.
- Updated and upgraded the app to report cleaning issues from YCBCD Assist to District Report.
- Added 13 more Bigbelly trash receptacles, bringing the neighborhood total to 22.

PROMOTING ARTS, CULTURE + BUSINESS

- Installed new artistic graphics on nine Bigbelly receptacles throughout the district, and celebrated with the artists and Supervisor Matt Haney at a February 2020 ribbon cutting event.
- Redesigned and launched a new promotional website www.visityerbabuena.org to help visitors navigate and access neighborhood retail, restaurants, museums, and activities.
- Worked with local small businesses to create individually produced promotional videos to help them reach a wider audience.
- Awarded grants from our Community Benefit Fund for: an outdoor art installation at the Yerba Buena Center for the Arts; Business

acceleration services with the Renaissance Entrepreneurship Center; Women's Suffrage exhibit at the American Bookbinders Museum; Family activities at the Children's Creativity Museum; Free community day at the Contemporary Jewish Museum; Creating Model Places exhibit at SPUR; and, Halloween Hoopla and the Yerba Buena Gardens Festival.

IMPROVING STREETSCAPES

- Continued working with the Planning Department, Public Works, and a diversity of community stakeholders to discuss a long-term project that will connect Yerba Buena and the Salesforce Transit Center along Natoma and Minna streets.
- Broke ground on the plaza improvement project at Market and North Annie Streets.
- Established and approved a community Matching Grant Program for property owners and tenants interested in making improvements to their buildings that contribute to a safer, more inviting public realm.
- Hosted the YCBCD activity hub between 3rd and 4th Streets as part of the 2nd Sunday Streets SoMa Route in August 2019.

COLLABORATION + ADVOCACY

- Supported public art, community engagement, streetscape improvements, and public safety enhancements through the YCBCD Community Benefit Fund.
- Served on advisory panels to promote the neighborhood's interests such as: the SFPD Southern Station Community Police Advisory Board; Yerba Buena Gardens Conservancy Board; Tourism Improvement District Board; Better Market Street Community Advisory Committee; Clean Civil Sidewalks Coalition; CleanSafe365 Coalition; San Francisco CBD Consortium; and the Healthy Streets Operation Center (to inform the City of street conditions in Yerba Buena).
- Hosted presentations and discussions on important topics, such as mental health reform; BART canopy project; an Office of Economic and Workforce Development presentation on the pandemic response; new neighborhood businesses; and the fiscal year audit.

PANDEMIC RESPONSE

SUPPORT FOR SMALL BUSINESS, ARTS + NONPROFITS

- Created the Small Business Support Committee to develop a framework to support small businesses in Yerba Buena in their response to the pandemic
 - Reconfigured grant allocations to support small businesses and nonprofits, and provided \$200,000 in grants to nonprofits and small businesses to defray operational costs and for personal protective equipment, and reimbursed small businesses using funds for property protection, such as plywood.
 - Made grants to nonprofits headquartered in the neighborhood with budgets less than \$5 million, such as: American Bookbinders Museum; California Historical Society; Children’s Creativity Museum; Museum of the African Diaspora; Renaissance Entrepreneurship Center; Yerba Buena Arts & Events.
 - Awarded the first Public Realm Improvement Matching Grant to the Academy of Art to install student artwork on the plywood window coverings at both of their New Montgomery locations for temporary display and public enjoyment.
- Provided funding for the Yerba Buena Gardens Lawn Art project, which works with local artists to create artful social distancing designs in the Yerba Buena Gardens as a means of encouraging safe outdoor recreation and engagement.

CLEAN + SAFE

- Secured donation of personal protective equipment for our street teams in collaboration with the Office of Economic and Workforce Development.
- Created and updated a COVID resource page to help people find help in one online location.
- Adjusted the focus for our Community Guides to check in with neighborhood merchants and businesses to assist them during the incremental reopening of the economy, and assist Clean Team colleagues in disinfecting high-touch public surfaces, and continue to report cleaning and safety issues.

AREA MAP OF THE YERBA BUENA COMMUNITY BENEFIT DISTRICT

Yerba Buena bustles with world-class museums, shopping, dining, convention space, hotels, and educational institutions. Senior housing blends with live/work lofts and condominiums.

New district boundaries shown were approved as part of the YCBCD renewal in 2015. The district includes parcels from Second to Fifth streets and Market to Perry streets. Specific information on YCBCD boundaries is in the District Management Plan at www.YCBCD.org.

ASSESSMENT METHODOLOGY AND CALCULATION

The YCBCD is funded through an annual assessment from district property owners. A new methodology for annual assessments was approved as part of the district renewal. The calculation for each property assessment is based on a formula that weighs the benefit of the YCBCD's services for all types of properties in the district.

The formula assigns values to Land Use, Benefit Zone, Linear Street Frontage, and Building Square Footage to determine benefit points for each parcel. The parcel benefit point total is then multiplied by \$9.88 based on the FY18-19 YCBCD Budget to calculate the assessment.

For example, a commercial property (Land Use, 4) in Benefit Zone 1 (Zone Factor, 1.5) that has 50 feet of linear frontage (Linear Frontage, 50) and 5,000 building square footage (Building Factor, 2) would calculate their assessment as follows:

[(Linear Frontage + Building Factor) x Zone Factor] x Land Use = Total # of Benefit Points

[(50 + 2) x 1.5] x 4 = 300 Benefit Points

300 x \$9.88 = \$2,964.00 Total Assessment

As a result, properties like hotels, office buildings, museums and retailers with substantial street frontage, higher volumes of pedestrian traffic and more overall building square footage have different assessments than residential units because they benefit more from the YCBCD's services. Details of the annual assessment calculation are in the District Management Plan at www.YCBCD.org.

Report of Independent Auditors

To the Board of Directors
Yerba Buena Community Benefit District

Report on the Financial Statements

We have audited the accompanying financial statements of Yerba Buena Community Benefit District, which comprise the statements of financial position, as of June 30, 2020 and 2019, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Yerba Buena Community Benefit District, as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Yerba Buena Community Benefit District

Notes to Financial Statements

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and nature of activities – The Yerba Buena Community Benefit District (the “YBCBD”) was formed in 2008 by property owners to improve the quality of life in the neighborhood by making the area cleaner, safer, and more vibrant. The YBCBD has a contract with the City and County of San Francisco (the “City”) for a term of 15 years, expiring on June 30, 2030. The YBCBD stretches from about Second to Fifth and Market to Harrison Street in San Francisco, California.

The YBCBD exists to implement programs to create a neighborhood that is safer, cleaner, greener and a better place to conduct business and live. These programs and services are funded by district property owners in the Yerba Buena neighborhood.

The YBCBD’s mission statement is as follows:

The Yerba Buena Community Benefit District will advance the quality of life for residents and visitors in the Yerba Buena Neighborhood and San Francisco on an ongoing basis by fostering a safer and more secure community, enhancing environmental quality and beauty, and reinforcing the viability of our economic base.

Programs and services provided by the YBCBD include:

- **Clean Team** – The Clean Team (“Team”) works to improve the appearance and cleanliness of the district daily from 6:00am to 9:00pm. The Team steam cleans all sidewalks in the district once or twice a month, works daily on sidewalk cleaning and gutter sweeping, and removes trash on a frequent basis. The Team also pulls weeds, cleans tree wells, removes graffiti, and paints poles, and mailboxes.
- **Community Guides Program** – The Community Guides (“Guides”) serve as goodwill ambassadors in the neighborhood. Guides provide information, directions, and connect those who need help to the right social services. Guides report maintenance issues such as areas in need of cleaning. Guides do not provide emergency response, but will call emergency dispatch to report issues. Up to six guides work 6:00am to midnight, seven days a week. The YBCBD also engages two Social Services Specialists to work with the street population and connect them to services.
- **SFPD 10B Officer** – In addition to existing police services, the San Francisco Police Department (“SFPD”) provides officers to the YBCBD under City Administrative Code Section 10B. These officers are funded by the YBCBD and work 14 hours a day, 7 days a week. The 10B Officer primarily addresses quality of life issues within the neighborhood and within the purview of SFPD, such as issuing citations for drinking, trespassing, permit violations, littering, and pedestrian safety infractions. The additional police presence adds 84 hours per week of police time to the 5,000 hours a week already provided by the Southern District Police Station.
- **Marketing and Branding** – Marketing programs help strengthen the area’s economic viability to make it more inviting to businesses and visitors. The YBCBD established a name and brand for the neighborhood, along with a neighborhood website that lists all businesses, events, and neighborhood news. The YBCBD also coordinates events that bring people to the neighborhood.

Yerba Buena Community Benefit District

Notes to Financial Statements

- **Streetscape Improvements** – Guided by the Yerba Buena Street Life Plan, the YBCBD invests in public realm improvements, including greening, public art, pedestrian and bicycle improvements, as well as advocates for real public benefits related to neighborhood development projects.
- **Community Benefit Fund** – The YBCBD Community Benefit Fund supports district initiatives by providing small grants to organizations in the neighborhood that help to achieve the mission of the YBCBD.
- **Annie Street Project** – The Annie North Plaza project is made possible through a public private partnership between San Francisco Public Works, the YBCBD, and the adjacent property owners to the plaza. The new design will remove old planters at the intersection of Market Street and Annie Alley to meet several goals of the YBCBD's 2019 Street Life Plan, such as creating more flexible open space, and establishing better connections to alleyways (Annie, Jessie, and Stevenson). The project broke ground in calendar year 2019 and is expected to be completed in calendar year 2020.

Basis of accounting – The YBCBD prepares its financial statements in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”), which involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred regardless of the timing of cash flows.

Classification of net assets – U.S. GAAP requires that YBCBD report information regarding its financial position and activities according to two classes of net assets: with donor restrictions and without donor restrictions. Accordingly, the net assets of the YBCBD are classified and reported as described below:

Without donor restrictions: Those net assets and activities which represent the portion of expendable funds that are available to support YBCBD's operations. A portion of these net assets may be designated by the Board of Directors for specific purposes. Board-designated net assets were \$4,646,839 and \$4,562,125 as of June 30, 2020 and 2019.

With donor restrictions: Those net assets and activities which are donor restricted for (a) support of specific operating activities; (b) investment for a specified term; (c) use in a specified future period; or (d) acquisition of long-lived assets. Those also include (a) assets donated with stipulations that they be used for a specified purpose, be preserved, and not be sold, or (b) assets donated with stipulations that they be invested to provide a permanent source of income.

Fair value of financial instruments – Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The carrying amounts of cash and cash equivalents, certificates of deposit, receivables, and accounts payable approximate fair value because of the short-term maturity of these instruments.

Cash and cash equivalents – The YBCBD considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Certificates of deposit – The YBCBD's certificates of deposit are valued using maturity and interest rates as observable inputs.

Assessments receivable – Assessments receivable represents obligations of local property owners due to the YBCBD. Unpaid receivables do not accrue interest.

Yerba Buena Community Benefit District Notes to Financial Statements

The YBCBD uses the allowance method to account for uncollectible assessments. The allowance for uncollectible assessments receivable reflects management's best estimate of the amounts that will not be collected based on historical experience and an evaluation of the outstanding receivables at the end of the year. As of June 30, 2020 and 2019, the allowance for uncollectible assessments was \$162,653 and \$148,138, respectively.

Loan receivable – The YBCBD approved an interest free, unsecured loan to the Yerba Buena Gardens Conservancy (formerly a fiscally sponsored project that obtained exempt status from federal income taxes under §501(c)(3) of the Internal Revenue Code) for up to \$300,000 to help fund start-up costs. The total loan amount was repaid in the current year before the due date of July 1, 2020. As of June 30, 2020 and 2019, the loan receivable balance was \$0 and \$300,000, respectively.

Capital assets – The YBCBD capitalizes acquisitions of capital assets with a cost or value in excess of \$1,000 and with an estimated useful life beyond one year. Purchased assets are recorded at cost; donated assets are recorded at estimated fair value at the date of acquisition. Depreciation on furniture and equipment and public art are calculated using the straight-line method based upon estimated useful lives ranging from 3 to 10 years. Website development costs are amortized using the straight-line method over 3 years. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized. The cost and accumulated depreciation of assets sold or retired are removed from the respective accounts and any gain or loss is reflected in the statements of activities and changes in net assets.

Impairment of long-lived assets – Long-lived assets are reviewed for impairment when circumstances indicate the carrying value of an asset may not be recoverable. For assets that are held and used, an impairment is recognized when the estimated undiscounted cash flows associated with the asset or group of assets is less than their carrying value. If impairment exists, an adjustment is made to write the asset down to its fair value, and a loss is recorded as the difference between the carrying value and fair value. Fair values are determined based on quoted market values, discounted cash flows or internal and external appraisal, as applicable. Assets to be disposed of are carried at the lower of carrying value or estimated net realizable value. No impairment losses were incurred during the years ended June 30, 2020 and 2019.

Accrued vacation – Full-time employees may accrue up to 13.33 hours per month depending on the number of years employed. Part-time employees accrue vacation on a prorated basis. Employees can accrue a maximum of 160 vacation hours. Accrued vacation as of June 30, 2020 and 2019, was \$27,971 and \$20,422, respectively.

Assessment revenue – The YBCBD receives its support primarily from a special assessment levied by the City on properties located within the YBCBD in accordance with City Ordinance. The assessment is recorded by the YBCBD when assessed by the City. The City remits the assessments to the YBCBD as the assessments are collected from the property owners. Interest is not charged on late assessments; however late penalties are charged in accordance with the City's policy.

Contributions – The YBCBD recognizes all contributions when they are received or unconditionally promised, regardless of compliance with restrictions. Contributions without donor-imposed restrictions are reported as support under net assets without donor restrictions. Contributions with donor-imposed restrictions are reported as support under net assets with donor restrictions.

Yerba Buena Community Benefit District

Notes to Financial Statements

The satisfaction of a donor-imposed restriction on a contribution is recognized when the corresponding expenditures are incurred or when the time restriction expires. This occurs by increasing one class of net assets and decreasing another in the statements of activities and changes in net assets. Such transactions are recorded as net assets released from restrictions and are reported separately from other transactions.

Contributed goods and services – Donated material and equipment are recorded as contributions at their estimated value on the date of receipt. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use are reported as donor restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the YBCBD reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The YBCBD reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. For the years ended June 30, 2020 and 2019, the YBCBD did not receive donated material and equipment.

The YBCBD records contribution revenue for certain services received at the fair value of those services, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would be purchased if not donated.

For the years ended June 30, 2020 and 2019, the YBCBD received contributed goods and services in the amounts of \$25,604 and \$43,999, respectively.

Advertising – The costs of advertising are charged to expense as incurred. Advertising expense for the years ended June 30, 2020 and 2019, was \$24,184 and \$27,191, respectively.

Grants – Grants are recognized when the unconditional promise to give is approved. Conditional promises to give are recognized as grant expense in the period in which the recipient meets the terms of the condition. As of June 30, 2020 and 2019, there were no conditional grants.

Income taxes – The YBCBD is a qualified organization exempt from federal and state income taxes under §501(c)(3) of the Internal Revenue Code (“IRC”) and §23701d of the California Revenue and Taxation Code, respectively.

The YBCBD recognizes a threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken, or expected to be taken, in a tax return and requires the affirmative evaluation that is more-likely-than-not, based on the technical merits of a tax position, that an organization is entitled to economic benefits resulting from tax positions taken in income tax returns. For tax exempt entities, favorable tax status itself is deemed to be an uncertainty, as events could potentially occur to jeopardize their tax-exempt status. If a tax position does not meet the more-likely-than-not recognition threshold, the benefit of that position is not recognized in the financial statements. The YBCBD’s evaluation on June 30, 2020 and 2019, revealed no tax positions that would have a material impact on the financial statements.

The YBCBD’s tax returns are subject to examination by federal and state taxing authorities. However, management is unaware of any pending examinations nor are there any in progress.

Concentration of Risk

Financial instruments – Financial instruments which potentially subject the YBCBD to concentrations of credit risk consist principally of cash and cash equivalents. The YBCBD maintains its cash in various bank deposit accounts which, at times, may exceed Federal Deposit Insurance Corporation (“FDIC”) thresholds. The YBCBD has not experienced any losses in such accounts. Management believes that the YBCBD is not exposed to any significant credit risk related to concentrations.

Assessments receivable – As of June 30, 2020, 47% of assessments receivable were due from three property owners. As of June 30, 2019, 57% of assessments receivable were due from three property owners.

Functional allocation of expenses – The costs of providing various programs and supporting services have been summarized on a functional basis in the accompanying statements of activities and changes in net assets and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on estimates made by management. Personnel costs are allocated based on estimated time worked in each program area, or on fundraising or administrative tasks. Other shared costs, such as rent and utilities, are based on estimated full time equivalents assigned to each area.

Reclassifications – Certain prior year amounts have been reclassified to conform with current year presentation. The reclassification had no effect on the YBCBD’s financial position, changes in net assets, or cash flows.

Use of estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

New accounting pronouncements – During fiscal year ended June 30, 2020, the YBCBD adopted Accounting Standards Update (“ASU”) No. 2018-08, *Not-for-Profit Entities (Topic 958) – Clarifying the Scope and the Accounting Guidance for Contributions Received and Made*. The adoption did not have a significant impact on the financial statements.

During the fiscal year ended June 30, 2020, the YBCBD also adopted ASU 2016-15, *Statement of Cash Flows (Topic 230) – Classification of Certain Cash Receipts and Cash Payments*. The adoption did not have a significant impact on the financial statements.

Subsequent events – Subsequent events are events or transactions that occur after the statements of financial position date but before the financial statements are available to be issued. The YBCBD recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of financial position, including the estimates inherent in the process of preparing the financial statements. The YBCBD’s financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of financial position but arose after the statements of financial position date and before the financial statements were available to be issued.

NOTE 2 – FAIR VALUE MEASUREMENTS

YBCBD's financial assets and liabilities carried at fair value have been classified, for disclosure purposes, based on a hierarchy that gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). An asset's or a liability's classification is based on the lowest level input that is significant to its measurement. The levels of the fair value hierarchy are as follows:

Level 1 – Inputs are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.

Level 2 – Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads, and yield curves.

Level 3 – Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect YBCBD's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the valuation methodologies during the years ended June 30, 2020 and 2019.

Certificates of deposit: The fair value is based on maturity and interest rates as observable inputs. These securities are classified within Level 2 of the fair value hierarchy.

The following table provides information about YBCBD's financial assets measured at fair value on a recurring basis as of June 30, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Certificates of deposit	<u>\$ -</u>	<u>\$ 248,682</u>	<u>\$ -</u>	<u>\$ 248,682</u>

The following table provides information about YBCBD's financial assets measured at fair value on recurring basis as of June 30, 2019:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Certificates of deposit	<u>\$ -</u>	<u>\$ 997,250</u>	<u>\$ -</u>	<u>\$ 997,250</u>

YBCBD's policy is to recognize transfers in and transfers out as of the actual date of the event or change in circumstance that caused the transfer. YBCBD had no transfers into or out of levels of the fair value hierarchy during the years ended June 30, 2020 and 2019.

NOTE 7 – GRANTS

The YBCBD distributes annual grants called Community Benefit Fund grants to community organizations providing services, within the district, that support the improvements and activities of the YBCBD. Grant expense for the years ended June 30, 2020 and 2019, was \$147,000 and \$152,500, respectively. Grants payable at June 30, 2020 and 2019, were \$0 and \$7,500, respectively, and are payable within one year.

NOTE 8 – RETIREMENT PLAN

The YBCBD established an employer noncontributory defined contribution retirement plan (the “Plan”) for employees. Eligible employees may make voluntary contributions by salary reduction to the Plan, up to the limit allowed by IRC regulations.

NOTE 9 – COMMITMENTS

The YBCBD has a month-to-month operating lease agreement for office space in San Francisco, California.

The YBCBD also is obligated under a non-cancellable lease for office equipment that requires monthly lease payments and expires in November 2022.

The following is a schedule of minimum non-cancellable lease commitments:

<u>Year Ending December 31,</u>	
2021	\$ 37,861
2022	<u>31,401</u>
	<u>\$ 69,262</u>

Rent expense for the years ended June 30, 2020 and 2019, was \$73,549, and \$50,672, respectively.

Yerba Buena Community Benefit District Notes to Financial Statements

NOTE 10 – RELATED-PARTY TRANSACTIONS

The property owner of the building the YBCBD leases for office space is a member of YBCBD's Board of Directors (the "Board"). Rent paid for the office lease during the years ended June 30, 2020 and 2019, was \$44,261 and \$45,592, respectively.

Members of the Board are also associated with organizations that received Community Benefit Fund grants from the YBCBD. Pursuant to the YBCBD's conflict of interest policy, all conflicted YBCBD Board members refrain from the decision-making process and abstain from the voting process.

The YBCBD has a written conflict of interest policy that requires, among other things, that no member of the Board can participate in any decision in which the member (or an immediate family member) has a material financial interest. Each Board member is required to certify compliance with the conflict of interest policy on an annual basis and indicate whether the YBCBD does business with an entity in which a Board member has a material financial interest. When such relationships exist, measures are taken to appropriately manage the actual or perceived conflict in the best interests of the YBCBD.

The loan receivable with Yerba Buena Gardens Conservancy is also a related-party transaction. See Note 1.

NOTE 11 – LIQUIDITY AND FUNDS AVAILABLE

The following table reflects YBCBD's financial assets as of June 30:

	<u>2020</u>	<u>2019</u>
Financial assets		
Cash and cash equivalents	\$ 4,394,119	\$ 3,417,854
Certificates of deposit	248,682	997,250
Assessment receivables, net	-	544
Loans receivable, net	<u>-</u>	<u>300,000</u>
Financial assets available to meet cash needs for general expenditure within one year	<u>\$ 4,642,801</u>	<u>\$ 4,715,648</u>

All financial assets are available for general expenditure within one year of June 30, 2020 and 2019. Financial assets are considered unavailable when illiquid or not convertible to cash within one year. The Yerba Buena Community Benefit District derives approximately 95% of its annual budget from assessment payments from property owners. The target minimum funds available in reserve for the YBCBD is eight months of average operating costs. The calculation of average monthly operating costs is based on the YBCBD's annual budget. Board-designated net assets cover most of the general expenditures of YBCBD within a year.

NOTE 12 – SUBSEQUENT EVENTS

In 2020, the World Health Organization declared the novel coronavirus outbreak a public health emergency. The outbreak has disrupted economic markets and increased volatility. The duration and economic impact of the outbreak is uncertain but could have a material impact to the YBCBD's liquidity.

Yerba Buena Community Benefit District Notes to Financial Statements

The YBCBD has evaluated subsequent events through September 18, 2020, which is the date the financial statements were available to be issued.

MEMO

To: Matt Haney, District 6 Supervisor

CC: San Francisco Board of Supervisors

From: Chris Corgas; OEWD Senior Program Manager

RE: Yerba Buena Community Benefit District FY 2019-20 Annual Report

Date: July 22, 2021

This is a memo summarizing the performance of the Yerba Buena Community Benefit District (YBCBD) and an analysis of their financial statements (based on their audit) for the period between July 1, 2019 and June 30, 2020.

Each year the YBCBD is required to submit a mid-year report, an annual report, and a CPA Financial Review or Audit. Yerba Buena CBD has complied with the submission of all these requirements. OEWD staff reviewed these financial documents to monitor and report on whether they have complied with the rules per the Property and Business Improvement District Law of 1994, California Streets and Highways Code Sections 36600 Et Seq.; San Francisco's Business and Tax Regulations Code Article 15; the Yerba Buena's Community Benefit District management contract with the City; and their Management Plan as approved by the Board of Supervisors in 2015.

Also attached to this memo are the following documents:

1. Annual Reports
 - a. FY 2019-2020
2. CPA Financial Review Reports
 - a. FY 2019-2020
3. Draft resolution from the Office of Economic and Workforce Development

Background

Yerba Buena Community Benefit District spans 40 blocks, contains approximately 2,150 parcels, and is divided between two benefit zones. Benefit zones are determined by the property owners who have specified the level of special services they desire.

- July 29, 2008: the Board of Supervisors approved the resolution that established the property-based district called the Yerba Buena Community Benefit District (Resolution #330-08).
- February 10, 2009: the Board approved the contract for the administration and management of the Yerba Buena Community Benefit District (Resolution #44-09).
- June 2, 2015: the Board of Supervisors approved the resolution to renew and expand the Yerba Buena Community Benefit District (Resolution #197-15).
- April 11, 2017: the Board of Supervisors approved the Yerba Buena CBD annual report for FY 2015 – 2016 (Resolution #117-17).
- April 10, 2018: the Board of Supervisors approved the Yerba Buena CBD annual report for FY 2016-2017 (Resolution #095-18).
- October 29, 2019: the Board of Supervisors approved the Yerba Buena CBD annual report for FY 2017-2018 (Resolution #468-19)
- December 1, 2019: the Board of Supervisors approved the Yerba Buena CBD annual report for FY 2018-2019 (Resolution #539-20)

Summary of Service Area Goals

Cleaning and Streetscape Improvement Plan

The Cleaning and Streetscape Improvement Plan is a comprehensive program that aims to ensure the maximum possible cleanliness of sidewalks, curbs, fixtures, landscaping, and building throughout the YBCBD. This includes regular sidewalk and gutter sweeping, scheduled steam cleanings, power washing, refuse removal, graffiti removal and streetscape improvements based on, but not limited to, the Yerba Buena Street Life Plan. The YBCBD also distributes small annual grants to community organizations working to improve the neighborhood through its Community Benefit Fund.

Safety and Security Program

The Safety and Security Program works with residents, merchants, the SFPD, and greater YCBCD community on a variety of strategies and initiatives to prevent crime and increase pedestrian safety throughout the District. The YCBCD provides Community Guides to assist visitors, connect those in need with social services, and report cleaning and safety issues. They also engage a Social Services Specialist to provide additional services to the street population in the District, spending extra time to meet their needs and connect and/or escort them to appointments for services. The YCBCD also contracts with SFPD for a bike patrol officer to address nuisance and quality of life issues.

Branding, Activation, and Marketing Program

The Branding, Activation, and Marketing Program promotes YCBCD's properties and businesses through specially targeted programs and initiatives. These activities play the dual role of contributing to the economic and social vitality of the area, and helps with the recruitment and retention of businesses and other entities.

The YCBCD also supports the creation and production of special events, such as the annual free outdoor festival Yerba Buena Night that welcomes visitors into the YCBCD area as a means of additional exposure. The YCBCD marketing and promotion services makes sure visitors, employees, patrons, and residents know about area attractions and helps them enjoy their experience within the YCBCD.

Management and Operations

The YCBCD is staffed by a full-time Executive Director who serves as the focal point person and advocate for Yerba Buena CBD as well as a Director of Neighborhood Services and Project, a Director of Branding, Marketing and Activation, and an Administrative Manager. The YCBCD Management Plan calls for 13% of the budget to be spent on administration and corporate operations.

The YCBCD board has twenty-eight (28) members, represented by residents, property owners, community organizations, non-profit arts organizations, government and educational institutions, and businesses. Board member seats are determined using the following guidelines: At-Large (14%), Community Organizations (14%), Government or Education Institutions (14%), Non-Profit Arts (14%), Residents (14%), Commercial (30%). Board members are all asked to actively participate in committees including Community Benefit Fund, Executive, Finance, Marketing, Services, and Streets & Public Space. The YCBCD also has Ad Hoc Audit and Nominating Committees to accomplish specific tasks for a shorter period of time each year. The full board meets five times a year.

The eight committees and meeting times are detailed below:

Standing Committees

- **Community Benefit Fund** – meets the 2nd Monday of March and October
- **Executive** –the fourth Thursday of the month
- **Finance** - the fourth Monday of the month
- **Marketing** - the first Wednesday of the month
- **Services** - the second Thursday of the month
- **Streets and Public Space** –the Second Wednesday of the month

Ad Hoc Committees

- **Audit** –as needed

- **Nominating** – as needed
- **Small Business Support Committee** – as needed

Summary of Accomplishments, Challenges, and Delivery of Service Areas

FY 2019-2020

- Steam cleaned more than 12 million feet of sidewalk frontage
- Removed 2,474 instances of graffiti tags, flyers and stickers
- Completed more than 647 requests for sidewalk sweeping, steam cleaning, and spot cleaning
- Updated and upgraded the app to report cleaning issues
- Supported installation of public art on a private boarded business via a matching grant

Safety and Security

- Community Guides worked 365 days a year to connect those who need help with services, provide information about the neighborhood and serve as an additional set of eyes to report safety issues
- Responded to 1,455 calls for service
- SFPD 10B Bike Patrol officers worked 12-14 hour shifts daily to address quality of life issues and provide a reassuring presence in the district

Branding, Activation, and Marketing

- Installed new artistic graphics on nine Bigbelly receptacles throughout the District.
- Worked with local small business to create individually produced promotional videos to help them reach a wider audience.
- Awarded grants from the Community Benefit Fund for an outdoor art installation at Yerba Buena Center for the Arts, business acceleration services with the Renaissance Entrepreneurship Center, Women’s Suffrage exhibit at American Bookbinders Museum, Halloween Hoopla, and the Yerba Buena Gardens Festival

YBCBD Annual Budget Analysis

OEWD’s staff reviewed the following budget related benchmarks for YBCBD:

- **BENCHMARK 1:** Whether the variance between the budget amounts for each service category was within 10 percentage points from the budget identified in the Management Plan (*Agreement for the Administration of the “Yerba Buena Community Benefit District”, Section 3.9 – Budget*).

- **BENCHMARK 2:** Whether five and eight hundredths percent (5.08%) of actuals came from sources other than assessment revenue (*CA Streets & Highways Code, Section 36650(B)(6); Agreement for the Administration of the “Yerba Buena Community Benefit District”, Section 3.4 - Annual Reports*).
- **BENCHMARK 3:** Whether the variance between the budget amount and actual expenses within a fiscal year was within 10 percent (*Agreement for the Administration of the “Yerba Buena Community Benefit District”, Section 3.9 – Budget*).
- **BENCHMARK 4:** Whether YBCBD is indicating the amount of funds to be carried forward into the next fiscal year and designating projects to be spent in current fiscal year (*CA Streets & Highways Code, Section 36650(B)(5)*).

BENCHMARK 4: Whether YCBCD is indicating the amount of funds to be carried forward into the next fiscal year and designating projects to be spent in current fiscal year

ANALYSIS: *YCBCD met this requirement. Please note: There is a period between when the City collects assessment payment and when the City disburses the funds to the CBDAs a result, a CBD typically has a fund balance at the end of the fiscal year that is equal to about 6 months of their annual budget. . Yerba Buena also includes its ongoing Contingency/Reserve fund as part of this reporting. See table below.*

Findings and Recommendations

The Yerba Buena CBD met 3 out of the 4 benchmarks as defined on pages 4 and 5 of this memo. YCBCD missed benchmark 2 which compares assessment revenue with non-assessment revenue. YCBCD can correct this by soliciting both financial and in-kind donations and applying for grants. This deviation is likely caused by the impacts of the Covid-19 global pandemic on the CBD’s donor base and ability to complete restricted projects. YCBCD has a strong history of meeting all of these benchmarks since its inception. OEWD believes that the CBD is well positioned to meet this benchmark in future fiscal years. .

In the first half of FY 2019-2020 the Yerba Buena CBD successfully continued to successfully implement its special cleaning and safety related services. They CBD awarded grants from their Community Benefit Fund for an outdoor art installation at Yerba Buena Center for the Arts, business acceleration services with the Renaissance Entrepreneurship Center, Women’s Suffrage exhibit at American Bookbinders Museum, Halloween Hoopla, and the Yerba Buena Gardens Festival. YCBCD also continued thinking about the long-term health of the neighborhood by working with the Planning Department, Public Works, and community stakeholders to discuss a long-term project to connect the neighborhood with the Salesforce Transit Center along Natoma and Minna streets.

The second half of FY 2019-2020 was particularly challenging for the Yerba Buena CBD as well as property owners and businesses in the area. In February 2020 visitor traffic to the area began to decline due to the emergence of the Covid-19 global pandemic. On March 16, 2020 Mayor London N. Breed announced that that the Health Officer for the City County of San Francisco issued a Public Health Order

requiring residents to remain at home, with the exception of essential needs. Additionally, all businesses other than Essential Businesses and Essential Government Functions, were required to cease all operations. All public and private gatherings of any number of people occurring outside a single family or living unit were also prohibited. This has a significant impact on this CBD due to its proximity to the Moscone Convention Center and downtown offices.

This order was particularly confusing to the Community Benefit District/Business Improvement District community in San Francisco as, by definition, they provide supplemental service and no direction was provided on whether or not they were to cease operations. The Yerba Buena CBD did suspended operations in the early days of the pandemic out of an abundance of caution.. CBD/BIDs played an important role in facilitating communication between the City and their stakeholders throughout the pandemic.

OEWD and the Office of the City Attorney worked to determine if CBD/BIDs must continue their supplemental service despite what decisions each district made in reaction to the pandemic. On March 23, 2020 OEWD issued a memo to all CBD/BIDs stating that, based on the advice of Deputy City Attorney Manu Pradhan, Articles 13 C and D of the California Constitution supersede both gubernatorial and mayoral executive orders. These Constitutional provisions deal with how special benefits are conveyed and each CBD/BID's specific assessment formula. The ramifications of this meant that all CBD/BIDs had to return to full service immediately. OEWD also provided a list of resources to the CBD/BIDs to provide to their employees or contractors. The Yerba Buena CBD reinstated services immediately once this determination was made.

During the pandemic OEWD worked with the Covid Command Center to ensure that CBD/BID essential workers were not forgotten during the Covid response and was able to acquire personal protective equipment and hygiene supplies to keeps workers and the community safe. CBD/BIDs played an important role in facilitating communication between the City and their stakeholders throughout the pandemic. The Yerba Buena CBD worked with the Covid Command Center, through OEWD, to disseminate Covid-19 related information to its stakeholders and provided safety kits to the unhoused community and commuters within the District.

In addition to working with the City and County of San Francisco, the Yerba Buena CBD developed a robust pandemic response of its own. The CBD supported neighborhood nonprofits headquartered in the district, with budgets less than \$5 million, through its Community Benefit Fund. Recipients included American Bookbinders Museum, California Historical Society, Children's Creativity Museum, Museum of the African Diaspora, and Renaissance Entrepreneurship Center. The CBD reconfigured its grant allocations to support small businesses and nonprofits, and provided \$200,000 in grants to nonprofits and small businesses to defray operational costs and for personal protective equipment, and reimbursed small businesses using funds for property protection, such as plywood. They also adjusted the focus for their Community Guides to check in with neighborhood merchants and businesses to assist them during the incremental reopening of the economy, and assist Clean Team colleagues in disinfecting high-touch public surfaces, and continue to report cleaning and safety issues.

Yerba Buena CBD continues to identify needs and solutions to bring back conventioners and office workers to the area which are vital to the economic health for the neighborhoods small businesses.

Conclusion

Yerba Buena CBD has performed incredibly well in implementing their service plan. Yerba Buena CBD has continued to successfully market and produce events such as Yerba Buena Night. Yerba Buena CBD has increased their opportunities in partnering with community stakeholders and numerous municipal agencies for the implementation of the Yerba Buena Street Life Plan and Community Benefit Fund. Yerba Buena CBD is an extremely well run organization with an active board of directors and committee members. OEWD believes the Yerba Buena CBD will continue to successfully carryout their mission and service plans.
