19 Section 1. Background and Findings.

20 (a) The western portion of the Marina Yacht Harbor ("West Harbor") is a recreational
21 boating harbor with a clubhouse, grounds, parking area, and berth space, under the
22 jurisdiction of the Recreation and Park Commission ("Commission") and managed by the
23 Recreation and Park Department ("Department").

24 (b) Under Chapter 437 of the California Statutes of 1935, as amended, a copy of which
25 is on file with the Clerk of the Board of Supervisors in File No. 190464, the West Harbor must
be used for aquatic, recreational, boulevard, park, and playground purposes, and can be
leased to non-profit entities organized to develop and promote aquatic sport.

1 (c) Under Charter Section 4.113, the Department is directed to promote and foster a
2 program providing for organized public recreation of the highest standard.

3 (d) Under a lease dated as of July 25, 1991, as modified by a first amendment dated
4 as of February 1, 1999 (as amended, the "Original Lease"), a copy of which is on file with the
5 Clerk of the Board of Supervisors in File No. 190464, The Golden Gate Yacht Club, a
6 California non-profit corporation ("Tenant"), leases the portion of the West Harbor known as 1
7 Yacht Road for use as a non-profit recreational boating and racing oriented yacht club.

8 (e) The Original Lease is on a month-to-month basis. The Tenant and the Department
9 have negotiated a new 18-year lease ("New Lease"), a copy of which is on file with the Clerk
10 of the Board of Supervisors in File No. 190464, for 1 Yacht Road ("Premises") as described
11 and depicted in the New Lease.

12 (f) To ensure the Premises are available to the general public for aquatic, recreational,
13 boulevard, park, and playground purposes, and to further a public purpose, the New Lease
14 requires the Tenant to provide a youth sailing program, allow certain public access to the
15 Premises for a daily use fee, make its membership open to the general public on a first-come,
16 first-served basis subject to reasonable limitations, and to obtain the Commission's prior
17 approval to any changes to the Tenant's bylaws, membership policies, public access fees, or
18 dues.

19 (g) The proposed rent for the New Lease reflects the Tenant's public access and
20 programming obligations.

21 (h) On September 20, 2018, the Commission adopted Resolution No. 1809-007 to
22 recommend that the Board of Supervisors approve the New Lease. A copy of said Resolution
23 is on file with the Clerk of the Board of Supervisors in File No. 190464.

24 ///

25 ///

1 Section 2. Waiver of Administrative Code Requirement for Market Rent Determination.

2 (a) The New Lease requires initial annual rent at the greater of 10% gross receipts or
3 \$85,000. Because the Premises can only be used for aquatic, recreational, boulevard, park
4 and playground purposes, and the New Lease requires Tenant to provide youth programming
5 and certain general public access, it is not appropriate to determine the Market Rent, as
6 defined in Administrative Code Section 23.2, of the Premises.

7 (b) Accordingly, the Market Rent determination requirement in Administrative Code
8 Section 23.30 is hereby waived for the New Lease.

9 Section 3. Environmental Findings.

10 In a letter dated May 29, 2019, a copy of which is on file with the Clerk of the Board of
11 Supervisors in File No. 190464, the Planning Department has determined that the actions
12 contemplated in this ordinance comply with the California Environmental Quality Act
13 (California Public Resources Code Sections 21000 et seq.). The Board of Supervisors affirms
14 this determination.

15 Section 4. Approval of New Lease.

16 (a) The Department's General Manager is authorized to execute and deliver the New
17 Lease, to perform all acts required of the City under the New Lease, and to enter into
18 amendments or other modifications to the New Lease (including, without limitation, attaching
19 and modifying its exhibits) that the General Manager, in consultation with the City Attorney,
20 determines are in the best interest of the City, do not materially decrease the City's benefits,
21 do not materially increase the City's obligations or liabilities, do not authorize any activities
22 without pursuing all required regulatory and environmental review and approvals, and are
23 necessary or advisable to complete the transactions which the New Lease contemplates and
24 effectuate the purpose and intent of this ordinance.

25 ///

1 (b) Within 30 days of the New Lease being fully executed by all parties, the
2 Department shall provide the final lease agreement to the Clerk of the Board of Supervisors
3 for inclusion in File No. 19046A, the official file for this ordinance.

4 Section 5. Effective Date. This ordinance shall become effective 30 days after
5 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
6 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
7 of Supervisors overrides the Mayor's veto of the ordinance.

MANDATE STATEMENT

City Charter Section 9.118(c) states that any modification, amendment or termination of a lease that had an initial term of ten years or more, including options to extend, or that had anticipated revenues of \$1 million or more is subject to Board of Supervisors approval.

BACKGROUND

The Golden Gate Yacht Club (GGYC) is a non-profit organization that was founded in 1939. Its location at 1 Yacht Road near the Marina Green comprises approximately 22,000 total square feet of land and water area, including a clubhouse, grounds, dock space, a parking area, and nine boat berths, with about 370 linear feet of berth. GGYC currently has over 300 members and also allows docking and clubhouse access for non-members.

After incurring severe damage in the 1989 Loma Prieta earthquake, GGYC received a renovation loan of \$369,900 from the U.S. Small Business Administration (SBA) in 1990, with a loan increase of \$37,400 in 1992. In April 1992, the Board of Supervisors approved a lease between the Recreation and Park Department (RPD) and GGYC for a term of 40 years, from June 1992 through May 2032, and rent equal to 10 percent of gross revenues, with initial minimum annual rent of \$18,000. In February 1999, the Board of Supervisors approved the First Amendment to the lease, reducing the term to 25 years through May 2017, with a five-year option to extend through May 2022, reducing the percentage rent to 7.5 percent of gross revenues for the period of March 1993 through January 1999, and increasing the initial minimum annual rent to \$54,000 (File 98-1923, Ordinance 16-99). The option to extend was not exercised, and the lease has been in holdover status since May 31, 2017. According to Ms. Jackie Suen, RPD Property Manager, a new lease was needed to document new information regarding GGYC's requirements at the premises, such as new berth assignments in the Marina Harbor, a requirement for an educational youth sailing program (with financial aid available), and a requirement for GGYC to fund a maintenance account for their maintenance obligations at the clubhouse.

RPD and GGYC have negotiated a new lease. In September 2018, the Recreation and Park Commission approved the lease. According to Ms. Suen, the nearly two-year delay between the expiration of the existing lease in May 2017 and introduction to the Board of Supervisors in April 2019 was due to lease negotiations related to the harbor maintenance fund. During the two-year holdover period, GGYC paid rent of \$155,783.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would approve a new lease between RPD and GGYC, for a term of 18 years, from approximately July 2019 through June 2037, and rent equal to 10 percent of gross revenues, with initial minimum annual rent of \$85,000. The minimum annual rent would be adjusted annually based on the Consumer Price Index (CPI). Additionally, GGYC would pay a Harbor Maintenance Surcharge Fee equal to 10 percent of membership fees and dock fees, which would be used for harbor maintenance costs, such as dredging. GGYC would also deposit the lesser of three percent of gross receipts or \$45,000 into a maintenance fund, with an

annual spending plan that must be approved by RPD. The key provisions of the lease are shown in Table 1 below.

Table 1: Key Provisions of GGYC Lease

Premises	Approximately 22,000 square feet of land and water area
Term	18 years
Percentage Rent	10% of gross revenues
Initial Minimum Annual Rent	\$85,000
Minimum Annual Rent Adjustment	Annually based on Consumer Price Index (CPI)
Harbor Maintenance Surcharge Fee	10% of membership fees and dock fees
Maintenance Fund	Lesser of 3% of gross revenues or \$45,000
Security Deposit	\$5,000 (retained from previous lease)
Taxes, Assessments, & Licenses	Paid by tenant
Utilities	Paid by tenant

The lease also requires GGYC to continue operating its youth sailing programs and providing public access. Any changes to GGYC bylaws, membership policies, public access fees, and dues would require Recreation and Park Commission approval.

The proposed ordinance would waive the Administrative Code requirement to determine fair market rent. According to Ms. Suen, RPD is seeking to waive this requirement because the purpose of the lease is to ensure public access to sailing recreation. Under City Charter Section 4.113, RPD must promote and foster a program of organized public recreation of the highest standards. To meet this goal, GGYC must keep its membership and day usage open and affordable to the general public, ensuring a public recreational benefit and not an exclusive benefit only enjoyed by members of a private club.

The proposed ordinance would also affirm the Planning Department’s determination with the California Environmental Quality Act (CEQA).

FISCAL IMPACT

Over the 18-year term of the lease, RPD would receive at least \$1,530,000 in minimum rent. According to Ms. Suen, RPD expects to receive the minimum rent, which would be below the percentage rent.

According to Ms. Suen, the initial minimum rent of \$85,000 was determined through RPD’s negotiations with GGYC and a CPI adjustment from the original date through 2018.

POLICY CONSIDERATION

Under City Charter Section 4.113, RPD must promote and foster a program of organized public recreation of the highest standards. According to Recreation and Park Commission policy, Recreation and Park Department property leased to private organizations is to be accessible to the public on the same terms as the members of the private organization. According to Ms. Suen, GGYC is currently open the same days and hours for both members and non-members.¹

¹ GGYC is currently open Thursdays 4-10 pm, Fridays 4-8 pm, Saturdays 12-8 pm, and Sundays 12-7 pm.

However, the lease only requires GGYC to be open for public access one half of total days and hours it is open to members, with at least one weekend day and evening per week. The Budget and Legislative Analyst recommends amending the proposed ordinance to urge that the GGYC site be accessible to the public on the days and hours that GGYC is open to members.

RECOMMENDATIONS

1. Amend the proposed ordinance to provide that the GGYC site be accessible to the public on the days and hours that GGYC is open to members.
2. Approve the proposed ordinance as amended.

GOLDEN GATE YACHT CLUB LEASE

AT

1 YACHT ROAD
MARINA YACHT HARBOR,

SAN FRANCISCO

This Lease, dated as of June __, 2019, is by and between the City and County of San Francisco, a municipal corporation ("City" or "Lessor") acting by and through its Recreation and Park Commission ("Commission"), and The Golden Gate Yacht Club, a California corporation ("Lessee").

RECITALS

A. City and Lessee entered into that certain Golden Gate Yacht Club Lease at Marina Yacht Harbor, San Francisco, dated as of July 25, 1991 (the "Original Lease"), as amended by that certain First Amendment to the Golden Gate Yacht Club Lease dated February 1, 1999 (the "First Amendment"). The Original Lease, as amended by the First Amendment, shall be referred to as the "1991 Lease".

B. Under the 1991 Lease, Lessee leased from City certain land and water in the San Francisco Marina Small Craft Harbor described as the "Demised Premises" in Section 1 of the Original Lease ("Original Premises"), for the purpose of operating and maintaining a first rate and complete nonprofit recreational boating and racing oriented yacht club.

C. The term of the 1991 Lease expired on May 31, 2017, and Lessee has since remained at the Original Premises with City's permission on a month to month holdover basis.

D. The Original Premises is within the area sometimes known as the "West Harbor", which was transferred by the State of California to City under Chapter 437 of the Statutes of 1935, as amended by Chapter 670 of the Statutes of 1970 (as amended the "State Grant"). The State Grant requires the Original Premises to be used solely for aquatic, recreational, boulevard, park, and playground purposes, and restricts any City lease of the Original Premises to no more than forty (40) years.

E. City performed a major improvement project in the West Harbor (the "Harbor Renovation Project"), and as a result of such Harbor Renovation Project, certain berths in the Original Premises have been reconfigured.

F. The parties presently desire to terminate the 1991 Lease and enter into a new lease for the reconfigured premises, all on the terms and conditions more particularly set forth below.

AGREEMENT

NOW, THEREFORE, in consideration of the matters described in the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are mutually acknowledged, City and Lessee agree as follows:

I. PREMISES

(a) Lease. Subject to the terms, covenants and conditions of this Lease, City leases to Lessee and Lessee leases from City, the real property outlined and labeled "Premises" on the attached Exhibit A (the "Premises"), which is comprised of a total land and water area of

approximately 22,000 square feet, a clubhouse, grounds, dock space, parking area, and nine (9) boat berths, and occupies 370 linear feet of berth. The Premises are under the jurisdiction of the City's Recreation and Park Department ("Department").

(b) Condition of Premises. Lessee acknowledges it has occupied the Premises pursuant to the Original Lease since June 1, 1992, and is aware of its condition. Lessor does not warrant the condition of the Premises in regard to safety, repair, fitness for use or otherwise, and Lessee hereby accepts the Premises in the condition in which the same may be on the day and at the time authorized herein and Lessor shall not be responsible for any loss, damage, or injury thereby. Lessee will not commit or permit any waste or injury or damage to any part of the Premises, or properties adjacent thereto, and will maintain and return the Premises at the expiration of the Term (as defined in Section 5) in as good condition and repair as of the Commencement Date (as defined in Section 5), reasonable and ordinary wear and tear thereof excepted.

(c) Unique Nature of Premises. Lessee acknowledges (a) the Premises are located along the waterfront and protected by a structure that is in a marine environment ("Seawall"), (b) there is a risk that all or a portion of the Premises and adjacent improvements and real property owned by City, including roads (collectively, the "Adjacent City Property"), will be inundated with water due to floods or sea level rise, (c) there is a risk that sea level rise will increase the cost of maintenance, repairs, and any alterations to the Premises, and (d) City does not guarantee the Seawall will adequately support the Premises, keep it above sea levels during the entire Term, or support or keep the Adjacent City Property above sea levels.

In addition, Lessee acknowledges that on September 21, 2007, the Federal Emergency Management Agency ("FEMA") issued a preliminary Flood Insurance Rate Map ("FIRM") tentatively identified the shoreline in and along the San Francisco Bay area as a special flood hazard area subject to inundation during a flood having a 1% chance of occurrence in a given year (also known as a "base flood" or "100-year flood" and consisting of "A zones" (areas subject to inundation by tidal surge) and "V zones" (areas subject to the additional hazards that accompany wave action). This area and these zones generally affect the Premises. FEMA has not yet issued a final FIRM for the Francisco Bay area. City's Board of Supervisors has further adopted a floodplain management ordinance governing new construction and substantial improvements in flood-prone areas of San Francisco (as amended, the "Floodplain Ordinance"), including the Premises. The Floodplain Ordinance imposes requirements on any new construction or substantial improvement of structures in such City-designated flood areas to minimize or eliminate flood hazard risks.

Finally, Lessee acknowledges that according to the United States Geological Survey, roughly one-quarter of the San Francisco Bay region may be exposed to liquefaction. More information about the potential liquefaction areas is at: <http://geomaps.wr.usgs.gov/sfgeo/liquefaction/susceptibility.html>. Lessee assumes the risk of the Seawall failing, the Premises and Adjacent City Property being inundated by floods, and the Premises and Adjacent City Property being damaged by liquefaction and agrees City has no obligation under this Lease to protect the Premises or the Adjacent City Property from flooding or to repair any damage to the Premises or the Adjacent City Property caused by flooding or to maintain, repair, or replace the Seawall or any other Adjacent City Property.

(d) Dredging. Lessee acknowledges City shall have no obligation to dredge the Premises or any other portion of the San Francisco Marina Small Craft Harbor, comprised of the East and West Harbors (collectively, the "Harbor"), under this Lease. Lessee shall not perform any dredging or dredging-related activities of the Harbor ("Dredging Work") without the prior written consent of the Department's General Manager ("General Manager"), which shall not be unreasonably withheld as long as the proposed Dredging Work is within the "Permitted Dredge Area" depicted in the attached Exhibit B. Lessee shall also obtain the prior written consent of the San Francisco Harbor Master to the proposed Dredging Work schedule so City can provide appropriate notice to its tenants in the area and coordinate safe water travel during the

performance of the proposed Dredging Work. If the General Manager consents in writing to any proposed Dredging Work, Lessee shall be solely responsible performing such proposed Dredging Work in compliance with all applicable laws and shall bear all costs associated with the Dredging Work, including hydrographic surveys, pre-dredge testing, sampling, chemical analyses, bioassays permitting, obtaining all necessary regulatory approvals and permits, and all consultant and dredging contracts. Lessee, at its sole cost, shall promptly provide copies to City of all pre-dredge and post-dredge surveys, submittals to all regulatory agencies with jurisdiction over the Dredging Work, soundings, reports, data, and any other information obtained in connection with the Dredging Work. Lessee shall be responsible for testing, sampling, removing, and disposing of the sediment, debris, and other materials it elects to dredge from the Marina Harbor all in accordance with this Lease. Dredging Work shall be performed in accordance with the requirements of the permit issued to Lessee by the Dredged Material Management Office. For avoidance of doubt, Lessee has no obligation to perform any dredging and the dredging requirements in this Section shall only apply if Lessee elects, in its sole discretion, to perform any dredging.

(e) Accessibility Disclosure. California Civil Code Section 1938 requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist ("CASp") to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Lessee is hereby advised that the Premises have not been inspected by a CASp. A CASp can inspect the Premises and determine if they comply with all the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the Premises, City may not prohibit Lessee from obtaining a CASp inspection of the Premises for the occupancy or potential occupancy of Lessee if requested by Lessee. City and Lessee shall mutually agree on the arrangements for the time and manner of such CASp inspection, the payment of the CASp inspection fee, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Premises.

2. USE OF PREMISES

(a) Yacht Club. Lessee is granted the exclusive right to occupy and use the Premises to operate and maintain a first rate and complete nonprofit recreational boating and racing-oriented yacht club. Lessee shall provide on the Premises (1) a clubhouse with amenities for family-type participation, and (2) meeting room and dining facilities for the use of marine-oriented organizations and for yacht club functions and for banquet and event functions. It is further understood and agreed that the articles sold within the Yacht Club shall be of a general marine oriented character and nothing shall be sold therein which will be inappropriate to the end of maintaining the boating and yachting spirit. Lessee shall cooperate with the Commission in the development and implementation of programs to facilitate youth involvement in watercraft education and watercraft activities. Such involvement may include use of the club facilities.

Lessee shall, at all times during the Term hereof, actively use the Premises for the above purposes, and shall not at any time leave the Premises without written consent of Lessor. Lessee shall not permit anything to be done in or about the Premises, or bring or keep anything therein which will in any way conflict with any law, ordinance, rule, regulations or commit or suffer to be committed any waste upon the Premises, or use, or allow the Premises to be used for any improper, immoral or unlawful purpose, or place any load upon the floors, walls, ceiling or decking, moorings slips and docks which endanger the structures or obstruct the passageways in or about the Premises.

(b) Youth Educational Programs. Commencing not later than 30 days after the Commencement Date, Lessee shall implement the youth educational programs described in the attached Exhibit C.

(c) City Construction Projects. Notwithstanding Lessee's permitted use of the Premises, Lessee acknowledges and agrees that City reserves the right to conduct construction projects in the vicinity of the Premises that may impact Lessee's use of the Premises. Lessee waives all claims against City with respect to any such City construction-related impacts as long as City uses reasonable efforts to conduct such construction in a manner that minimizes impacts on Lessee's use of the Premises. Lessee agrees such reasonable efforts do not include those that would increase City's costs or cause it to incur construction delays.

3. OWNERSHIP OF IMPROVEMENTS; SBA LOAN

Lessee represents and warrants it has made the clubhouse improvements and alterations detailed in the attached Exhibit D (the "2018 Improvements") in compliance with all applicable laws and the terms set forth in Section 23 of the 1991 Lease. In consideration of the improvements (including the 2018 Improvements) made to the Premises by the Lessee prior to the Commencement Date, it is acknowledged that title to buildings and other improvements made within the Premises has historically rested with the Lessee. City and Lessee acknowledge the existing improvements and any contemplated improvements to the Premises will be the full responsibility of the Lessee and belong to the Lessee during the Term. All such improvements shall become the property of the Lessor immediately upon the expiration or earlier termination of the Term.

Lessee, during the Term, shall have no right to convey any interest in the improvements it makes to the Premises to any third party other than the Small Business Administration ("SBA") pursuant to that certain Loan Authorization and Agreement ("Loan Agreement") for Loan No. DLB-41326230-08 ("SBA Loan") between Lessee and the SBA dated as of June 12, 1990, as amended by a letter from the SBA to Lessee dated as of August 31, 1992, and countersigned by Lessee as of September 16, 1992, which among other things, increased the original principal amount of the SBA Loan to \$406,300. Lessee shall not modify the Loan Agreement or any related documents made by Lessee in connection with the SBA Loan in any manner that extends or expands the SBA's lien as to this Lease or the improvements at the Premises without first obtaining the General Manager's prior written consent. As of May _____, 2019, Lessee represents the outstanding principal amount of the SBA Loan is \$ _____, with a maturity date of August 1, 2022, and monthly payments of \$1,944.00 that are fully amortizing over the remainder of the SBA Loan term.

4. POSSESSION OF PREMISES

Lessee shall have exclusive possession and control of the Premises subject to Lessor's right to inspect and to public access requirements, and may allow any assurances to the SBA for their access pursuant to the Loan Agreement.

5. TERM

The term of this Lease (the "Term") will commence on the full execution of this Lease (the "Commencement Date"), and shall terminate at 12:01 am on the eighteenth (18th) anniversary of such date; provided, however, that if Lessee is in default under the 1991 Lease and fails to cure such default within ten (10) days after receiving written notice of such default from City, City shall have the right to terminate this Lease by delivering written notice of such termination to Lessee. Provided City does not terminate this Lease pursuant to the foregoing sentence, the 1991 Lease shall terminate at 11:59 pm on the day immediately preceding the Commencement Date, provided, however, that the parties' indemnification obligations under the 1991 Lease shall survive such termination with respect to all claims, injuries, losses, damages, costs and expenses, including attorneys' fees, arising from or connected with circumstances, actions or omissions that occurred prior to such time.

6. RENT; ANNUAL MINIMUM RENT GUARANTEE; ADJUSTMENT TO ANNUAL MINIMUM RENT GUARANTEE.

(a) Percentage Rent; Rent. On or before the fifteenth day of each month during the Term, Lessee shall make monthly payments of ten percent (10%) of all its Gross Receipts (as defined in Section 7) for the preceding month to City ("Percentage Rent"). "Rent" shall mean Percentage Rent and all other payments to be made by Lessee to City under this Lease, whether or not any such amounts are specifically characterized as rent.

(b) Annual Minimum Rent Guarantee. Each year during the Term, Lessee shall pay Percentage Rent monthly as set forth above, but in no event shall the total Percentage Rent paid for any calendar year be less than less than \$85,000 per year (the "Annual Minimum Rent Guarantee"); provided that if the Commencement Date occurs, or this Lease expires or terminates, on a day other than December 31, the Annual Minimum Rent Guarantee for that partial year shall be prorated based on a 365-day year. On or before the date which is ninety (90) days following the close of each calendar year during the Term and ninety (90) days following the expiration or earlier termination of this Lease, Lessee shall deliver to Lessor a statement (the "Annual Gross Receipts Statement"), certified as correct by an officer of Lessee and otherwise in form satisfactory to Lessor. The Annual Gross Receipts Statement shall set forth the Gross Receipts as shown on Lessee's books, for the calendar year (or partial calendar year, as applicable) just concluded broken down by category, and the Percentage Rent paid during such calendar year (or partial calendar year, as applicable), and at the time Lessee delivers the Annual Gross Receipts Statement, Lessee shall pay Lessor any deficiency necessary to make up the Annual Minimum Rent Guarantee for the calendar year (or partial calendar year, as applicable) covered by such statement.

Commencing on January 1, 2021, on each January 1 of the Term (each such date an "Adjustment Date"), the Annual Minimum Rent Guarantee shall be adjusted as follows:

The Consumer Price Index All Urban Consumers (base years 1982-1984 = 100) for San Francisco-Oakland-Hayward area published by the United States Department of Labor, Bureau of Labor Statistics (the "Index") published most immediately preceding the Adjustment Date ("Adjustment Index"), shall be compared with the Index published most immediately preceding the Commencement Date (the "Beginning Index").

If the Adjustment Index has increased over the Beginning Index, the Annual Minimum Rent Guarantee on and after the Adjustment Date shall be set by multiplying the Annual Minimum Rent Guarantee by a fraction, the numerator of which is the Adjustment Index and the denominator of which is the Beginning Index. In no event shall the Annual Minimum Rent Guarantee on or after the Adjustment Date be less than Annual Minimum Rent Guarantee in effect immediately prior to the Adjustment Date.

If the Index is changed so that the base year differs from that used as of the date most immediately preceding the Commencement Date, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the Term, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index had not been discontinued or revised.

(c) Harbor Maintenance Surcharge Fee. In addition to the Percentage Rent and Annual Minimum Rent Guarantee, on or before the fifteenth day of each month during the Term, Lessee shall make monthly payments to City equal to ten percent (10%) of the membership fees and dock fees actually collected by Lessee for the month immediately preceding such payment (collectively, the "Harbor Fees"). The Harbor Fees shall be City's property, provided that City will only use the Harbor Fees for major Harbor maintenance costs (which include, but are not limited to, dredging). City will use good faith efforts to use the Harbor Fees it receives for major Harbor maintenance during the Term; provided, however, that if the General Manager reasonably determines the Department will not have sufficient funds for major Harbor

maintenance during the Term, City will suspend Lessee's obligation to pay Harbor Fees. Such suspension shall not require City to return any delivered Harbor Fees.

To further supplement major Harbor maintenance costs, if City enters into any written agreement during the Term that grants a party the right to use Harbor berths, or amends during the Term any existing agreement that grants a party the right to use Harbor berths, City will require such party to contribute towards major Harbor maintenance costs. Nothing in the foregoing sentence will require City to include such requirement in any berth agreement resulting from actual or threatened eminent domain. Subject to City's specific obligations in this subsection, Lessee agrees City has no obligation to perform any Harbor maintenance (major or routine) under this Lease.

(d) Payments; Gross Receipts Statements. Each payment of Percentage Rent and Harbor Fees shall be accompanied with a fully completed concessionaire payment statement showing the Gross Receipts for the period applicable to such payment. Such statements shall comply in form and methods of accounting as reasonably directed by the City's Controller, as customary for similarly situated tenants.

It shall be Lessee's responsibility to see that all payments are postmarked by the due date and delivered to Lessor. All payments shall be made payable to the Recreation and Park Department, Property Management Office, McLaren Lodge, Golden Gate Park, 201 Stanyan Street, San Francisco, CA 94117. Lessee hereby acknowledges and agrees that if payment is not made within five (5) days after written notice from City, Lessee will be assessed a late charge of five percent (5%), of the amount due for the period of time which the payment is late and said late charges shall be due and payable on demand by Lessor. Rents not paid when due shall bear interest from the date due until paid at one percent (1%) per month.

Acceptance of any late charge shall not constitute a waiver of Lessee's default with respect to the overdue amount, or prevent the Department from exercising any of the other rights and remedies available to the Department.

Lessee shall maintain adequate documentation to support its reports of Gross Receipts, including a general ledger, monthly income statements, daily sales summaries, and cash register tapes that have non-resettable features. Lessee shall use a system for itemizing Gross Receipts with a computerized cash register system or other approved point of sale system with non-resettable features, which shall be used for all its monetary transactions with respect to the Premises.

7. DEFINITION OF GROSS RECEIPTS

The term "Gross Receipts" as herein used is defined to mean the total gross revenues derived from dues and assessments to members, day use fees, guest berth fees, earned income and all other revenues derived by Lessee or any other person, firm or corporation from operations of Lessee on the Premises, however, that only the commissions received by Lessee from operations of vending machines at the Premises by an independent third party shall be and become a part of "Gross Receipts" within the meaning hereof.

The following are the only sums which may be deducted from "Gross Receipts" for the purposes of calculating percentage rent:

1. Taxes, such as California sales tax, collected from patrons and payable directly to the taxing authority;
2. The monthly payments of \$1,944.00 made by Lessee to the SBA through the SBA Loan maturity date of August 1, 2022, or the monthly payment of any loan obtained by Lessee to refinance the SBA Loan if the General Manager has approved such refinancing and the amount of such monthly payment in writing; and

3. Possessory interest taxes owed by Lessee as a result of this Lease, if any.

8. ACCOUNTING AND RECORDS

Lessee shall install and maintain such bookkeeping and accounting methods, and methods of collection of monies as shall permit the Lessor accurately to compute the "Gross Receipts" from all operations of Lessee and said records shall be made reasonably available to Lessor for such purpose. The Controller of the City and County of San Francisco, or any other authorized representative of the City and County of San Francisco, or the Lessor shall have the right to examine the books and records of the Lessee at any reasonable time for the purpose of auditing the same.

Lessee shall keep full, true and correct books of account showing the amounts and character of items and articles sold or charged in or about the Premises and said books of account shall at all times be open and available for inspection by Lessor or its representatives. Lessee shall also use a cash register, with tape, built-in features such as the non-resettable sequential transactions, date, and time on which all sales shall be recorded. Lessee shall retain until needed hereunder such original source documents as are necessary for verification of Lessee's reports of gross sales, according to the requirements of the Controller's office, City and County of San Francisco.

9. AUDIT OF BOOKS

The books of accounts and records of Lessee covering the Gross Receipts shall, at the cost and expense of Lessee, be audited annually by a certified public accountant firm. On or before the thirtieth (30th) day of each April in the Term, and the ninetieth (90th) day immediately following the expiration or earlier termination of this Lease, a certified copy of the report of such audit for the previous calendar year (or partial calendar year, as applicable) shall be furnished to the General Manager. Lessee shall have available at all times the books of accounts and records of Lessee's operation upon request for inspection by the Recreation and Park Department and the Controller. Lessee will also cooperate with any San Francisco Budget Analyst management audit of Lessee's financial records to investigate whether Lessee is operating as efficiently, effectively, and economically as reasonably possible. Lessee will use good faith efforts to implement any reasonable recommendations resulting from the audit.

10. MAINTENANCE ACCOUNT

Lessee shall establish a segregated interest-bearing depository account for use for the purposes set forth in this Section, with a depository institution reasonably approved by City in writing (the "Maintenance Account"). In addition to Rent described in this Lease, on each June 1 of the Term, commencing on June 1, 2020, Lessee shall deposit into the Maintenance Account the lesser of 3% of Gross Receipts for the prior calendar year or Forty-Five Thousand Dollars (\$45,000), subject to a credit for Qualifying In-Kind Contributions actually received in the previous twelve (12) month period, as described below. The funds in the Maintenance Account (the "Maintenance Funds") shall be used solely for the payment of Qualifying Non-Routine Work. Commencing on June 1, 2020, Lessee shall annually submit to City a maintenance plan, reasonably detailing anticipated non-routine improvement, repair, replacement and maintenance work to be performed to the Premises and an estimated budget for such work, and the General Manager shall confirm in writing whether the proposed work would qualify as appropriate non-routine improvement, repair, replacement or maintenance of the Premises (which confirmation shall not be unreasonably withheld or delayed). Lessee may update the maintenance plan and estimated budget from time to time during the year by written notice to City.

"Qualifying Non-Routine Work" means the non-routine improvement, repair, replacement or maintenance of the Premises that has been proposed by Lessee and confirmed as appropriate in advance by the General Manager in writing as provided above. If part or all of the

materials or labor required to perform Qualifying Non-Routine Work is donated to Lessee, Lessee shall provide City with reasonable written documentation of the donation (such as signed and dated time sheets or signed and dated receipts for materials) and value thereof, based on standard objective sources reasonably approved by the General Manager, and provided that the General Manager approves the documentation and the valuation (which approval shall not be unreasonably withheld), the approved value of the donated materials or labor (the "Qualifying In-Kind Contributions") shall be credited against the next deposit into the Maintenance Account due hereunder. If the Qualifying Non-Routine Work (including, if applicable, the portion thereof provided through Qualifying In-Kind Contributions) exceeds the minimum annual deposit into the Maintenance Fund required by this Section for any particular year or years, then the amount of such overage shall be credited to the deposit requirements for subsequent years.

Lessee shall keep accurate books and records of all costs incurred in connection with the Qualifying Non-Routine Work in accordance with accounting principles generally accepted in the construction industry and retain copies of the deposit slips (or other documentation of the deposits required hereunder) and documentation of the Qualifying In-Kind Contributions as permanent records, and City may at City's election review any such records from time to time and upon reasonable notice. Commencing on June 1, 2020, and on each June 1 thereafter, Lessee shall deliver to City an itemized statement of the payments made by Lessee from the Maintenance Account during the preceding twelve month period, accompanied by reasonable documentation substantiating such expenditures and the applicable dates such expenditures were made.

The insufficiency of the balance in the Maintenance Account shall not abrogate Lessee's obligation to fulfill the preservation and maintenance covenants in this Lease. Upon termination of this Lease, any unexpended monies within the Maintenance Account shall become the property of the City.

11. SECURITY DEPOSIT

At Lessee's direction, City retained the \$5,000 security deposit made by Lessee under the Original Lease as a security deposit ("Security Deposit") to guarantee Lessee's payment of Rent and faithful performance of all of the terms and conditions of this Lease. City shall be entitled to retain such deposit or such portion thereof as shall be sufficient to reimburse loss or damages it incurs in the event of breach by Lessee of any or all of the terms, covenants and conditions of this Lease. The Security Deposit shall be returned to Lessee following expiration of the Lease if Lessee has fully and faithfully performed all of the terms, covenants and conditions hereof.

12. TAXES, ASSESSMENTS AND LIENS

Lessee shall pay for and obtain all licenses and permits necessary for the operations hereunder and shall pay all fees, taxes, including possessory interest taxes, and charges lawfully assessed against it. Should Lessee desire to contest the legal validity thereof, the same may be paid under protest. Lessee agrees not to suffer any lien to be imposed upon the Premises or upon any equipment or personal property located thereon without promptly discharging the same.

13. UTILITIES

Lessee hereby agrees to pay for all costs of utility services including, but not limited to, gas, electricity, telephone service, water, sewer and all other services necessary and required for the occupancy and use of the Premises under the terms of this Lease from the meters in to the Premises, including the cost of bringing the utilities to the locations where needed or required. Lessee shall be responsible for maintenance of the sewer line which runs underneath the channel, and for any upgrade of the sewer service. Lessee shall be responsible for compliance with all applicable codes regarding utility services and connections. Lessee shall be responsible for

reasonable accommodation which may be necessary within the Premises during any dredging which shall be done within the Marina Yacht Harbor.

14. DAYS AND HOURS OF OPERATION

Lessee shall actively operate the Premises and use its best business-like efforts to further the operations thereof. Lessee shall be open for business at least Friday evenings and weekends.

15. QUALITY OF SERVICE

Lessee hereby agrees that all goods offered for sale shall be of good quality and quantity and that the service shall be prompt, clean, courteous and efficient. Lessor shall have the right to raise objections to the conditions of the Premises, and quality of the food, items or articles sold, as well as the character of the service rendered and to require all objectionable practices discontinued and remedied. All waste material shall be stored in a manner satisfactory to Lessor and Lessee agrees to promptly dispose of all waste material at its own expense.

16. PUBLIC ACCESS

Lessee acknowledges the provisions of Commission Resolution 11189, a copy of which is attached hereto as Exhibit E. Lessee further agrees that Lessee shall obtain the prior written approval of the Lessor for its method of operation in connection with the manner by which members of Lessee and non-members gain access to the Premises and are permitted the use of facilities, equipment and areas on or about the Premises, including any conditions imposed on members of Lessee or non-members before such persons are entitled to use the facilities and amenities of the Lessee. The method of operation described herein and proposed by Lessee shall be filed with the Lessor and said method of operation shall not be altered by Lessee without the written approval of Lessor first had and obtained.

Lessee will provide access to the public according to the provisions of Commission Resolution #11189, and with the following specifications:

(a) Restrooms must be available for free public use whenever the Premises is open for Lessee's members.

(b) The Premises must be made available to the public at least one-half of the total days and hours they are open for Lessee's members, including at least one weekend day and evening per week.

(c) A \$10 day-use fee per person will be charged for non-member access to the Premises. Any changes in such day-use fees must be set by the Commission.

(d) Notices shall be posted conspicuously at all entrances to the Premises, advising members of the public (i) that the property is a public park facility operated on behalf of the Commission by Lessee and open to the general public on the same terms and conditions it is available to Tenant's members, (ii) of the hours during which the property is open or otherwise available to the public, (iii) of the procedures and fees for use of the property, and (iv) that membership in Lessee is open and available to all interested parties.

17. RATES AND CHARGES

Rates and charges for the following activities shall be filed with and subject to prior approval by Commission. Any change in the rates or charges shall be subject to prior approval by the Commission: (a) membership dues and initiation fees; (b) special assessments charged to members; and (c) day use fees for the Premises by non-members.

18. USE OF GUEST BERTHS

Lessee agrees that guest berths are to be used only by bonafide guests of the Lessee or visiting guests of Lessee's members, or in connection with Lessee-sponsored activities such as competitive boating events. No boat, which is not owned by the club, may be berthed at Lessee guest berths for longer than fourteen days without prior notification to the Harbormaster's office. Long-term berthing at designated guest berths is not permitted. Restrictions on use of guest berths will not apply during the months November through March of each year. Rental rates for guest berths shall be established by the Lessee. Visiting members of the public may use guest berths to the extent they are not required for club activities by payment of the day use fee and the guest berth rental.

19. PREMISES TO BE KEPT CLEAN

Lessee agrees to keep the Premises and all fixtures and equipment clean, neat, safe, and sanitary and in good order at all times. Lessee agrees to remove all waste, trash, rubbish, papers, cartons and refuse from the Premises used solely for and by Lessee in containers provided for that purpose by Lessee. Lessee also agrees to keep all waste, trash, rubbish, papers, cartons, and refuse in a dumpster and keep dumpster area clean, neat, safe, sanitary and in good order at all times. If Lessee fails after notice from Lessor to maintain, repair or keep the Premises clean and orderly, such action shall be constituted a breach of the Lease.

21. NO REPAIRS BY LESSOR

Under no circumstances shall City be responsible for repairing the Premises, including but not limited to its improvements, personal property, equipment, machinery, landscaping, parking lot area and guest berths. Lessee expressly waives the benefit of any existing or future laws or judicial or administrative decision that would otherwise permit it to make repairs or replacements at City's expense, or to terminate this Lease because of City's failure to keep the Premises or any adjoining property (including, without limitation, access roads, utilities and other infrastructure serving the Premises) or any part thereof in good order, condition or repair, or to abate or reduce any of Lessee's obligations under this Lease on account of the Premises or any adjoining property (including, without limitation, access roads, utilities and other infrastructure serving the Premises) or any part thereof being in need of repair or replacement. Without limiting the foregoing, Lessee expressly waives the provisions of California Civil Code Sections 1932, 1941 and 1942 or any similar Laws with respect to any right of Lessee to terminate this Lease and with respect to any obligations of City for tenantability of the Premises and any right of Lessee to make repairs or replacements and deduct the cost thereof from Rent.

22. LESSEE TO PAY FOR SERVICES AND DAMAGES

Lessee hereby agrees to pay promptly all persons, firms, and corporations, including the Lessor, all amounts due under the terms of this Lease and all amounts due for telephone services, gas and other services, wages, equipment, materials, supplies, merchandise and commodities furnished to said Lessee or used in connection with the construction, installation, operation and maintenance of the Premises and all damages to persons or property due to any negligence, wantonness, malice or other act or omission of the Lessee or of any person in the employ or acting in the interest of or under the direction of the Lessee.

23. REPAIR, MAINTENANCE AND IMPROVEMENTS BY LESSEE

Lessee, at its own cost and expense, shall keep and maintain the Premises and all improvements thereon and such improvements as will be constructed thereon in good order and repair and in good and safe condition and shall make all repairs necessary thereto. All alterations, improvements and repairs shall be in conformity with the general architectural requirements of the City, acting in its regulatory capacity, and shall meet all health and building codes and

ordinances as well as applicable State and Federal regulations. Before any alterations, improvements and repairs are done to the Premises, Lessee must obtain all necessary permits. Any alterations, improvements and repairs to the Premises must be inspected by the appropriate City agencies as well as by the Department.

Lessee shall not construct, install or otherwise place any improvements or make or permit any alterations in, to or about the Premises without the prior written consent of the General Manager in each instance, which the General Manager may give or withhold in his or her sole and absolute discretion with respect to any improvements or alterations visible from the exterior of the buildings and in his or her reasonable discretion with regard to any interior improvements or alterations not visible from the exterior of the buildings.

Subject to the General Manager's consent as provided above, any permitted improvements or alterations shall be done at Lessee's sole expense (i) in strict accordance with designs, plans and specifications approved in advance by the General Manager in writing, (ii) by duly licensed and bonded contractors or mechanics approved by the General Manager, (iii) in a good and professional manner, (iv) in strict compliance with all laws (including, without limitation, all health, disabled access and building codes and ordinances), and (v) subject to all other conditions that the General Manager or the San Francisco Recreation and Park Commission may reasonably impose, including, without limitation, provision of such completion security as is reasonably acceptable to City.

In no event shall the construction or installation of any such improvements or the making of any alterations impair the use or operation of Department facilities, or any portion thereof, or the Department's access thereto. Prior to the commencement of any work on the premises to construct any permitted improvements or make any permitted alterations, Lessee, at its sole expense, shall procure all required permits and approvals and shall promptly upon receipt deliver copies of all such documents to City. No material change from the plans and specifications approved by City may be made without City's prior written consent. City and its agents, employees, officers, contractors and representatives ("Agents") shall have the right to inspect the course of such construction at all reasonable times upon reasonable notice. Upon completion of such improvements or alterations, upon City's request, Lessee shall furnish City with a complete set of final as-built plans and specifications. Lessee shall require from each contractor and subcontractor performing any work on or about the premises a policy of commercial general liability insurance, with such limits as may reasonably be required by City from time to time, but in any event not less than Two Million Dollars (\$2,000,000) combined single limit.

24. IMPROVEMENTS BECOME CITY'S PROPERTY

Any alterations, additions, improvements and repairs affixed to the Premises shall become the City's property immediately upon the expiration or earlier termination of this Lease, and shall remain upon and be surrendered with the Premises upon expiration or sooner termination of this Lease, except that Lessee shall retain ownership and shall have the right to remove all fixtures, furniture, furnishings and personal property that were used by Lessee in the operation of the Premises, were purchased by or added to the Premises of Lessee, and can be removed from the Premises without damage to the walls, floors or other appurtenances. Lessee shall obtain City's written approval before making any alterations or improvements and repairs performed by Lessee shall meet all health and building codes and ordinances as well as applicable State and Federal regulations. City agrees not to unreasonably withhold its consent to such requested alterations, additions, improvements and repairs.

25. EQUIPMENT/TRADE FIXTURES/MATERIALS/SUPPLIES

Lessee hereby agrees to, at Lessee's own expense, furnish and install any and all equipment, trade fixtures, materials and supplies, as well as any and all other items and services necessary and required for the proper operation and maintenance of the Premises.

26. CODE COMPLIANCE

Lessee agrees that they will abide by all laws and governmental orders or regulations, and amendments thereto, controlling or limiting the use of the Premises. Lessee agrees that they will use the Premises herein designated for no purpose other than herein above specified. Lessee does hereby agree to comply with all police, health, fire and safety rules and regulations of the City and County of San Francisco and the State of California pertaining to the operations hereunder and to the sale of food and refreshments and to secure all necessary permits prior to the first day of operation under the terms of this Lease.

27. HAZARDOUS MATERIALS/PESTICIDES

(a) No Hazardous Materials. Lessee covenants and agrees that neither Lessee nor any of its Agents or clients, customers, invitees, guests, members, licensees, vendors, assignees and sublessees ("Invitees") shall cause or permit any Hazardous Material (as defined below) to be brought upon, kept, used, stored, generated or disposed of in, on or about the Premises or any improvements thereon ("Improvements") or transported to or from the Premises or any Improvements, other than typical cleaning products, typical material used for office work at the Premises, and fuel and oil stored within vessels parked in the boat slips, all in compliance with applicable laws. Notwithstanding the foregoing, Lessee shall not be responsible for any handling of Hazardous Materials by members of the public outside of Lessee's control outside of the interior of buildings on the Premises or the handling of Hazardous Materials by City, except to the extent such handling is caused by, arises from, or is exacerbated by the negligence or willful misconduct of Lessee or any Agent or Invitee of Lessee.

Lessee shall immediately notify City if and when Lessee learns or has reason to believe there has been any Release (as defined in the following subsection) of Hazardous Material in, on or about the Premises or any Improvements. City may from time to time request Lessee to provide adequate information for City to determine that any Hazardous Material permitted hereunder is being handled in compliance with all applicable present or future federal, state or local Laws or policies relating to Hazardous Material (including, without limitation, its use, handling, transportation, production, disposal, discharge or storage) or to human health and safety, industrial hygiene or environmental conditions in, on, under or about the Premises (including any permitted Improvements) and any other property, including, without limitation, soil, air and groundwater conditions ("Environmental Laws"), and Lessee shall promptly provide all such information. Without limiting City's right to access the Premises pursuant to the terms and conditions of this Lease or as provided by applicable law, City and its Agents shall have the right to inspect the Premises for Hazardous Material and compliance with the provisions hereof at all reasonable times upon reasonable advance oral or written notice to Lessee (except in the event of an emergency).

As used herein, "Hazardous Material" means any material that, because of its quantity, concentration or physical or chemical characteristics, is deemed by any federal, state or local governmental authority to pose a present or potential hazard to human health or safety or to the environment. Hazardous Material includes, without limitation, any material or substance defined as a "hazardous substance," or "pollutant" or "contaminant" pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA", also commonly known as the "Superfund" law), as amended, (42 U.S.C. Sections 9601 et seq.) or pursuant to Section 25281 of the California Health & Safety Code; any "hazardous waste" listed pursuant to Section 25140 of the California Health and Safety Code; any asbestos and asbestos containing materials whether or not such materials are part of the structure of any existing improvements on the Premises, any improvements to be constructed on the Premises by or on behalf of Lessee, or are naturally occurring substances on, in or about the Premises; and petroleum, including crude oil or any fraction thereof, and natural gas or natural gas liquids.

(b) Lessee's Environmental Indemnity. If Lessee breaches any of its obligations contained in the foregoing subsection (a), or, if any act or omission or negligence of Lessee or any of its Agents or Invitees results in any Release (as defined below) of Hazardous Material in, on, under or about the Premises (including any Improvements thereon) or any other City property, without limiting Lessee's general indemnity contained in this Lease, Lessee, on behalf of itself and its successors and assigns, shall indemnify, protect, defend and hold harmless City, including, but not limited to, all of its boards, commissions, departments, agencies and other subdivisions, including, without limitation, the Department, and all of its and their respective Agents, and their respective heirs, legal representatives, successors and assigns, and each of them (collectively, the "Indemnified Parties") from and against all Hazardous Materials claims arising during or after the Term of this Lease to the extent relating to such Release. The foregoing Indemnity includes, without limitation, all costs associated with the Investigation and Remediation (as such terms are defined below) of Hazardous Material and with the restoration of the Premises or any other City property to its prior condition including, without limitation, fines and penalties imposed by regulatory agencies, natural resource damages and losses, and revegetation of the Premises or other City property to the extent relating to such Release. Without limiting the foregoing, if Lessee or any of Lessee's Agents or Invitees, causes or permits the Release of any Hazardous Materials in, on, under or about the Premises or any other City property, Lessee shall, immediately, at no expense to City, take any and all appropriate actions to return the Premises or other City property affected thereby to the condition existing prior to such Release and otherwise Investigate and Remediate the Release in accordance with all Environmental Laws. Lessee shall provide City with written notice of and afford City a full opportunity to participate in any discussions with governmental regulatory agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree, permit, approvals, or other compromise or proceeding involving Hazardous Material.

As used in this Lease, (i) "Release" means any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into or inside any improvements, or in, on, under or about the Premises or Recreation and Park Department facilities or any portion thereof, (ii) "Investigation" means any activity undertaken to determine the nature and extent of Hazardous Material that may be located in, on, under or about the Premises, any improvements or any portion thereof or which have been, are being, or threaten to be Released into the environment, including, without limitation, preparation of site history reports and sampling and analysis of environmental conditions in, on, under or about the Premises or any improvements, and (iii) "Remediation" means any activities undertaken to clean up, remove, contain, treat, stabilize, monitor or otherwise control any Hazardous Material located in, on, under or about the Premises or Recreation and Park Department facilities or which have been, are being, or threaten to be Released into the environment, and includes, without limitation, those actions included within the definition of "remedy" or "remedial action" in California Health and Safety Code Section 25322 and "remove" or "removal" in California Health and Safety Code Section 25323.

(c) Hazardous Substance Disclosure. California law requires landlords to disclose to tenants the presence or potential presence of certain Hazardous Materials. Accordingly, Lessee is hereby advised that occupation of the Premises may lead to exposure to Hazardous Materials such as, but not limited to, gasoline, diesel and other vehicle fluids, vehicle exhaust, cleaning fluids, tobacco smoke, methane and building materials containing chemicals, such as formaldehyde. Lessee further acknowledges it has been in sole possession of the Premises since pursuant to the Original Lease since June 1, 1992. By execution of this Lease, Lessee acknowledges that the notices and warnings set forth above satisfy the requirements of California Health and Safety Code Section 25359.7 and related statutes.

(d) Restrictions on Use of Pesticides. Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Lessee shall not use or apply or allow the use or application of any pesticides on the Premises or

contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Lessee may need to apply to the Premises during the term of this Lease, (ii) describes the steps Lessee will take to meet the City's IPM Policy described in Section 300 of the IPM Ordinance and (iii) identifies, by name, title, address and telephone number, an individual to act as the Lessee's primary IPM contact person with the City. Lessee shall comply, and shall require all of Lessee's contractors to comply, with the IPM plan approved by the City and shall comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Lessee were a City department. Among other matters, such provisions of the IPM Ordinance: (A) provide for the use of pesticides only as a last resort, (B) prohibit the use or application of pesticides on property owned by the City, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (C) impose certain notice requirements, and (D) require Lessee to keep certain records and to report to City all pesticide use at the Premises by Lessee's staff or contractors. If Lessee or Lessee's contractor will apply pesticides to outdoor areas at the Premises, Lessee must first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and any such pesticide application shall be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website.

28. RIGHTS NOT TRANSFERABLE

It is expressly agreed that this Lease is granted based in part on the personal qualifications of Lessee in the conduct of the yacht club as stipulated in this Lease. The rights and privileges herein given are granted to Lessee and the same shall not be transferable by operation of law. Lessee shall not assign or transfer any right, privilege or license conferred by this Lease, either in whole or in part, or sublet the Premises without having obtained in advance the written consent of the Lessor. However, Lessee shall have the right to assign this Lease to an entity that is an affiliate of Lessee or a successor entity that will operate the yacht club for the same purposes as Lessee subject to the prior written consent of the General Manager, which consent shall not be unreasonably withheld.

The Lease shall not be assignable except to the SBA and may be re-assigned by SBA upon Lessee's default under either this Lease or the Loan Agreement. Lessee understands and agrees that City shall have the absolute right to withhold consent to any other proposed assignment or sublease to any third party for any reason. Until the SBA Loan is paid in full or otherwise satisfied (the "SBA Completion Event"), it is expressly agreed that SBA is a third party beneficiary under this Lease and any successive Lease and provisions for the protection of the interests of SBA are set forth in Section 40. It is further agreed by the parties hereto that the SBA's rights under this Lease and an Assignment of Real Estate Lease and Agreement dated as of _____, 201__, by and between the SBA and Lessee, consented to by City, and attached as Exhibit E, shall be cumulative and not alternate and shall be in addition to any and all rights which SBA may have as a matter of law.

29. INDEMNIFICATION

(a) Waiver of Claims. Lessee covenants and agrees that City shall not be responsible for or liable to Lessee for, and, to the fullest extent allowed by Law, Lessee hereby waives all rights against City and its Agents and releases City and its Agents from, any and all claims, demands, losses, liabilities, damages, liens, injuries, penalties, fines, lawsuits and other proceedings, judgments and awards and costs and expenses, including, without limitation, reasonable attorneys' and consultants' fees and costs ("Losses"), including, but not limited to,

incidental and consequential damages, relating to any injury, accident or death of any person or loss or damage to any property, in or about the Premises or any other City property, from any cause whatsoever. Nothing herein shall relieve City from liability to the extent caused by the gross negligence or willful misconduct of City or its Agents or bar Lessee from enforcing the terms and conditions of this Lease, but City shall not be liable under any circumstances for any consequential, incidental or punitive damages. Without limiting the foregoing:

(i) Lessee expressly acknowledges and agrees that the rent payable hereunder does not take into account any potential liability of City for any consequential or incidental damages including, but not limited to, lost profits arising out of disruption to the Improvements or Lessee's uses hereunder. City would not be willing to enter into this Lease in the absence of a complete waiver of liability for consequential or incidental damages due to the acts or omissions of City or its Agents, and Lessee expressly assumes the risk with respect thereto. Accordingly, without limiting any indemnification obligations of Lessee or other waivers contained in this Lease and as a material part of the consideration for this Lease, Lessee fully RELEASES, WAIVES AND DISCHARGES forever any and all claims, demands, rights, and causes of action against City for consequential and incidental damages (including without limitation, lost profits), and covenants not to sue for such damages, City, its departments, commissions, officers, directors and employees, and all persons acting by, through or under each of them, arising out of this Lease or the uses on the Premises authorized hereunder, including, without limitation, consequential and incidental damages arising as a result of any interference with uses conducted by Lessee pursuant to this Lease regardless of the cause, and whether or not due to the negligence or gross negligence of City or its Agents.

(ii) In connection with the foregoing releases, Lessee acknowledges that it is familiar with Section 1542 of the California Civil Code, which reads:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Lessee acknowledges that the releases contained herein include all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims of the type released hereunder. Lessee realizes and acknowledges that it has agreed upon this Lease and the Second Amendment to this Lease in light of this realization and, being fully aware of this situation, it nevertheless intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect. The releases contained herein shall survive any termination of this Lease.

(b) Lessee's Indemnity. Lessee, on behalf of itself and its successors and assigns, shall indemnify, protect, defend and hold harmless City and the other Indemnified Parties from and against any and all Losses to the extent incurred in connection with or arising directly or indirectly, in whole or in part, out of: (i) any accident, injury to or death of a person, including, without limitation, Agents and Invitees of Lessee, or loss of or damage to property (including, without limitation, the Recreation and Park Department facilities) howsoever or by whomsoever caused, occurring in, on or about the Premises or any other City property; (ii) any default by Lessee in the observation or performance of any of the terms, covenants or conditions of this Lease to be observed or performed on Lessee's part; (iii) the use, occupancy, conduct or management, or manner of use, occupancy, conduct or management by Lessee, its Agents or Invitees or any person or entity claiming through or under any of them, of the Premises or any Improvements; (iv) the condition of the Premises or any Improvements constructed by or on behalf of Lessee, or Lessee's failure to properly repair or maintain any Improvements on the Premises; (v) any construction or other work undertaken by Lessee on or about the Premises or any Improvements whether before or during the Term of this Lease; or (vi) any acts, omissions

or negligence of Lessee, its Agents or Invitees, or of any trespassers, in, on or about the Premises or any Improvements; all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that such Indemnity is void or otherwise unenforceable under applicable Law in effect on or validly retroactive to the date of this Lease and further except only such Losses to the extent caused by the gross negligence or intentional wrongful acts and omissions of the Indemnified Parties. The foregoing Indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any Loss. Lessee specifically acknowledges and agrees that it has an immediate and independent obligation to defend City and the other Indemnified Parties from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Lessee by City and continues at all times thereafter. Lessee's obligations under this Section shall survive the expiration or sooner termination of the Lease.

30. INSURANCE

After the SBA Completion Event occurs, City shall be designated a sole Loss-Payee on the insurance policy insuring against the aforesaid perils.

(v) Sexual molestation and abuse coverage with minimum limits of Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) in the aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or Errors and Omissions policy.

(b) Endorsements. All insurance policies described above shall be endorsed to provide the following:

(i) Name as Additional Insureds the City and County of San Francisco, Recreation and Park Department, its officers, agents and employees.

(ii) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Lease, and that insurance applies separately to each insured against whom claim is made or suit is brought.

(iii) That with respect to the City and County of San Francisco, the insurance will operate as primary insurance and no other insurance effected by said City and County of San Francisco will be called on to contribute to a loss covered by said policy or policies. If such policy or policies also provides insurance for Lessee or anyone other than said City and County of San Francisco, then such policy or policies shall also contain a standard cross liability endorsement. Said policy or policies shall be effected in insurance company or companies having a policy holder's surplus of at least \$10,000,000.

(iv) All policies shall be endorsed to provide thirty (30) days advance written notice to the City of cancellation, non-renewal or reduction in coverage, mailed to the following:

(c) Certificates. Certificates of insurance evidencing all coverage above shall be furnished to the City ten (10) days before the Commencement Date. If City has not received satisfactory evidence of the required insurance coverage by the stated deadline, City may proceed with obtaining insurance to protect its interests at the expense of the Lessee.

31. WAIVER OF DAMAGE

Lessee hereby expressly waives any and all claims for compensation for any and all loss or damage sustained by reason of any defect, deficiency, failure or impairment of any services to, in or about the Premises and against the City and County of San Francisco and further releases and discharges the Lessor, the City and County of San Francisco, its commissioners, officers, servants, agents and employees from any and all demands, claims, judgements, actions and causes arising from any of the causes aforesaid, excepting matters caused by Lessor's willful act, or from Lessor's failure to keep the surrounding area in good condition.

32. WAIVER OF BREACH

The waiver by Lessor of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition for any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of rent hereunder by Lessor shall not be deemed a waiver of any prior occurring breach by Lessee of any term, covenant or condition herein contained regardless of the Lessor's knowledge of such prior existing breach at the time of acceptance of such rent.

33. RIGHT TO AMEND

City and Lessee reserve the right to amend by supplementing this Lease at any time by mutual consent for any purpose related to the functions herein and the administration thereof or to overcome any unforeseen problems arising hereafter. Furthermore, it is mutually understood and agreed no alteration or variation of the terms of this Lease shall be valid unless made in writing and signed by the parties hereto, and that no oral understandings or agreements not incorporated herein, and no alteration or variations of the terms hereof, unless made in writing between the parties hereto, shall be binding on any of the parties hereto. Until the SBA Loan is

fully paid or otherwise satisfied, no amendments will be made to the Lease without the written consent of SBA, which shall not be unreasonably withheld.

34. RENT CREDIT

If City requires and authorizes improvements to be made by Lessee to the Premises beyond those contemplated in this Lease, Lessee may be allowed rent credits for those authorized improvements, with the General Manager's prior written approval.

35. DESTRUCTION OF PREMISES

In the event of the destruction of the Premises, or any part thereof, in which the operation is situated so as to make the service untenable and which destruction Lessee elects not to repair, the rights and privileges granted hereunder may be terminated by City without any legal obligation to Lessee by reason of said termination. If City terminates this Lease pursuant to this Section, Lessee shall be relieved of all obligations to make payments of Rent that accrue between the date of such destruction and such termination.

36. FORCE MAJEURE

Should any matter or condition beyond the control of either party hereto, such as war, public emergency or calamity, fire, earthquake, flood, Act of God, strike, epidemic outbreaks, or any other labor disturbance, or any governmental restriction, prevent performance of this Lease in accordance with the provisions hereof, this Lease, together with the rights and privileges granted herein, shall be immediately suspended or terminated and Lessor shall be under no legal obligation to Lessee by reason of said suspension or termination.

37. CONDEMNATION

If there are any condemnation proceedings for any portion of the Premises during the pendency of this Lease, this Lease shall terminate at the option of either party hereto and Lessee hereby waives and surrenders any rights to compensation from City or Commission in said proceedings founded upon the existence of this Lease.

38. BANKRUPTCY OR REORGANIZATION PROCEEDINGS

If Lessee files a voluntary petition in bankruptcy or proceedings in bankruptcy are instituted against Lessee and Lessee is thereafter adjudicated bankrupt pursuant to such proceedings, or a court takes jurisdiction of Lessee and its assets pursuant to proceedings brought under the provisions of any Federal Reorganization Act, or a receiver of Lessee's assets is appointed, or if Lessee executes an assignment for the benefit of its own creditors, Lessor shall have the right to terminate this Lease. Such termination shall, in such instance, be deemed to occur upon the happening of any of said events and from thenceforth Lessee shall have no rights in or to the Premises, or to any of the rights herein conferred, and Lessor shall have the right to take possession of said Premises.

39. DEFAULT

The occurrence of any of the following events shall constitute default under this Lease (each, an "Event of Default"):

(a) Lessee defaults in the due and punctual payment of Rent, and such default continues for five (5) days after written notice from Lessor; however, Lessee will not be entitled to more than one (1) notice for monetary defaults during any twelve (12) month period, and if after such notice any Rent is not paid when due, Default will be considered to have occurred without further notice.

- (b) Lessee vacates or abandons the Premises.
- (c) The appointment of a receiver to take substantially all of the assets of the Lessee.
- (d) A general assignment by the Lessee for the benefit of creditors.
- (e) Lessee files a petition in bankruptcy or insolvency or for reorganization or arrangement under the bankruptcy laws of the United States or under any insolvency act of any state.
- (f) Lessee breaches any of the other agreements, terms, covenants or conditions which this Lease requires Lessee to perform, and such breach continues for a period of fifteen (15) days after written notice from Lessor to Lessee; or if such breach cannot be cured reasonably within such fifteen (15) day period and Lessee fails to commence and proceed diligently to cure such breach within a reasonable time period.
- (g) Lessee defaults in payment of its debt to the SBA, or violates any of the terms and conditions of the Loan Agreement.

On the occurrence of any Event of Default, Lessor may terminate this Lease as provided in Section 40.

40. TERMINATION

Other than in cases where there is a default in any payment of Rent, City may elect to terminate this Lease if the Lessee fails to timely perform its obligations under this Lease or violates any of the terms, conditions, stipulations, or covenants of this Lease, and the Lessee fails to remedy the same within fifteen (15) days after written demand from City to do so, or if the breach is considered by City to be both material and irremediable, then this Lease shall terminate immediately upon a date certain as set by City following Lessee's receipt of City's notice of termination.

If the Lessee fails to timely pay the Rent due hereunder and fails to cure said default within five (5) days after written demand from City to do so, City may elect to terminate this Lease.

If Lessee defaults on this Lease, City shall notify the SBA immediately in writing at 211 Main Street, 4th Floor, San Francisco, CA 94105-1988. City and SBA shall immediately commence joint negotiations regarding the satisfactory disposition of the leasehold created by this Lease. City has executed an Assignment of Real Estate Lease and Agreement in favor of SBA which provides that in the event of default under the Lease or the Loan Agreement, SBA may transfer and assign this Lease to such persons who are qualified to assume the SBA Loan and who meet the City's qualifications. Alternatively, City may terminate this Lease and enter into a new lease with a qualified candidate selected by the SBA. City agrees that any such candidate will be required to assume Lessee's obligation to the SBA under the Loan Agreement either by assuming installment of the SBA Loan or by lump sum payment of the then outstanding balance of the SBA Loan. Under no circumstances shall the City or Commission be liable for any payment whatsoever to the SBA.

City further agrees that, if Lessee's rights in this Lease are terminated, until the SBA Completion Event, no successor lessee under this Lease or any successive lease will occupy the Premises unless the successor lessee and SBA have agreed that the successor lessee will assume installment payment of the SBA Loan or cause the SBA Completion Event. It is the intention of the parties that until the SBA Completion Event, the SBA is a third party beneficiary of this Lease or any successive lease and that the leasehold estate will remain as collateral for the SBA

Loan until SBA Completion Event. Under no circumstances shall SBA be liable to the City of payment of rent or reasonable rental value or for the performance of any other covenant or condition of this Lease.

41. DELIVERY OF POSSESSION BY LESSEE

Lessee agrees to yield and deliver to Lessor possession of the Premises at the expiration or earlier termination of this Lease or as otherwise herein provided, in good condition and in accordance with the express obligation hereunder, except for reasonable wear and tear.

42. STRICT PERFORMANCE

City's failure to insist upon strict performance of any of the terms, conditions and covenants herein shall not be deemed a waiver of any subsequent breach or default in the terms, conditions and covenants herein contained.

It is expressly agreed that each term stipulation, condition and covenant herein to be performed or kept by Lessee is material and is a material consideration to City for the award of this Lease, and Lessee agrees that the breach by it of any one of the within terms, stipulation, rent, payment, conditions or covenants shall be a ground for the termination by Lessor, at its election, of the entire Lease as provided in Section 40.

43. CITY'S RIGHTS CUMULATIVE

City's rights hereunder shall be cumulative and not alternative and shall be in addition to any and all rights which it may have as a matter of law.

44. NOTICES

Except as otherwise expressly provided in this Lease, any notice given hereunder by City or Lessee shall be effective only if in writing and given by delivering the notice in person, or by sending it first-class mail or certified mail with a return receipt requested or reliable commercial overnight courier, return receipt requested, with postage prepaid, to the following addresses or such other address as may be thereafter in writing so designated by either party to the other party:

If to Lessee: Golden Gate Yacht Club
One Yacht Road
San Francisco, CA 94123

If to City: Recreation and Park Department
Property Management
McLaren Lodge Annex
501 Stanyan Street
San Francisco, CA 94117

Any notice hereunder shall be deemed to have been given two (2) days after the date when it is mailed if sent by first-class or certified mail, one day after the date it is made if sent by commercial overnight courier, or upon the date personal delivery is made, and any refusal by City or Lessee to accept the attempted delivery of any notice, if such attempted delivery is in compliance with this Section and applicable laws, shall be deemed receipt of such notice. For convenience of City and Lessee, copies of notices may also be given by electronic mail to the electronic mail address for either party provided from time to time; however, neither party may give official or binding notice by electronic mail. The effective time of a notice shall not be affected by the receipt, prior to receipt of the original, of a copy of the notice by electronic mail or facsimile.

45. AUTHORITY OF CITY AGENTS

No City agent or representative has any authority to modify the terms of this Lease, to extend the rights and privileges, or to make any statements or representations concerning this Lease or the rights and privileges herein set forth, except in writing and only after approval by the General Manager.

46. EACH PROVISION A MATERIAL CONDITION

It is expressly agreed that each term, condition and covenant herein to be performed or kept by Lessee is material and is a material consideration to City for the award of this Lease and Lessee agrees that the breach by Lessee of any one of the within terms, conditions or covenants shall be a material breach of the whole and entire Lease and shall be grounds for the termination by Lessor, at its election, of the entire Lease, except that there shall be no termination until City has given the Lessee notice in writing as required by law.

47. NON-DISCRIMINATION

(a) Covenant Not to Discriminate. In the performance of this Lease, Lessee covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Lessee, in any of Lessee's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Lessee.

(b) Subleases and Other Subcontracts. Lessee shall include in all subleases and other subcontracts relating to the Premises a non-discrimination clause applicable to such sublessee or other subcontractor in substantially the form of subsection (a) above. In addition, Lessee shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all sublessees and other subcontractors to comply with such provisions. Lessee's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Non-Discrimination in Benefits. Lessee does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Condition to Lease. As a condition to this Lease, Lessee shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD 12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division.

(e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Lessee shall comply fully with and

be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Lessee understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Lessee and/or deducted from any payments due Lessee.

48. SIGNS AND ADVERTISING

Lessee hereby agrees not to erect or maintain, nor permit to be erected or maintained, upon any part of the Premises, any signs, without obtaining the General Manager's prior written consent.

49. VENDING MACHINES

All vending machines on the Premises must comply with the food nutritional and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Lessee agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section shall be deemed a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City shall have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements. In addition, any Restaurant (as defined in San Francisco Health Code Section 451(s)) located on the Premises is encouraged to ensure that at least 25% of Meals (as defined in San Francisco Administrative Code Section 4.9-1(c)) offered on the menu meet the nutritional standards set forth in San Francisco Administrative Code Section 4.9-1(e), as may be amended.

50. LEASE MADE IN CALIFORNIA

This Lease shall be deemed to be made in and shall be construed in accordance with the laws of the State of California.

51. INDEPENDENT CONTRACTOR

Lessee shall perform its work under this Lease as an independent contractor and not as City's agent or employee. Lessee has and hereby retains the right to exercise full control and supervision of the services and full control of employment, direction, compensation and discharge of all persons assisting it in the performance of services hereunder. Lessee agrees to be solely responsible for all matters relating to payment of its employees, including compliance with Social Security, withholding, and all other regulations governing such matters. Lessee agrees to be solely responsible for its own acts and those of its subordinates and employees during the term of this Lease.

52. CONFLICT OF INTEREST

Lessee covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which could conflict in any manner or degree with the faithful performance of this Lease. Lessee acknowledges that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which would constitute a violation of such provisions, and agrees that if Lessee becomes aware of any such fact during the term of this Lease, Lessee shall immediately notify City.

53. EMPLOYEES OF LESSEE

Lessee shall at all times employ only those persons of good moral character and each person so employed by Lessee shall be neatly dressed and courteous at all times.

54. LOITERING

Lessee hereby agrees that there shall be no undue loitering in or about the Premises and no boisterous or objectionable conduct. The privileges granted herein shall be conducted in a first class manner and in the conduct thereof, Lessee shall comply with all laws and ordinances applicable thereto and such rules and regulations as Lessor may from time to time reasonably prescribe.

55. TRESPASS

Lessee shall at all times exercise reasonable diligence and care to protect the Premises from trespass and improper use.

56. INSPECTION AND USE OF PREMISES BY LESSOR

Lessee will permit City, its agents and employees to enter into and upon the Premises at all reasonable times for the purpose of inspection the same. All requirements of the City or State Board of Health contained in health or sanitary regulations adopted by the City or any legal authority shall be fully met by Lessee and Lessee shall give access for inspection purposes to any duly authorized representative of the applicable City departments.

57. APPLICATION OF PROVISION OF CHARTER

All terms of this Lease shall be governed by and shall be subject to the fiscal and other provisions of the City's Charter.

58. HOLDING OVER

Any holding over of the term created shall be a tenancy from month to month only on the same terms and conditions herein specified.

59. FIRST SOURCE HIRING ORDINANCE

Lessee and City are parties to the First Source Agreement attached to this Lease as Exhibit G pursuant to San Francisco Administrative Code, Chapter 83 (the "First Source Agreement"). Any default by Lessee under the First Source Agreement shall be a default under this Lease.

60. NOTIFICATION OF LIMITATIONS ON CONTRIBUTIONS

Through its execution of this Lease, Lessee acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City whenever such transaction would require approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves, from making any campaign contribution to (a) the City elective officer, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Lessee acknowledges that the foregoing restriction applies only if the contract or a

combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Lessee further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Lessee's board of directors, and Lessee's chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than twenty percent (20%) in Lessee; any subcontractor listed in the contract; and any committee that is sponsored or controlled by Lessee. Additionally, Lessee acknowledges that Lessee must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. Lessee further agrees to provide to City the name of the each person, entity or committee described above.

61. PRESERVATIVE-TREATED WOOD CONTAINING ARSENIC

Lessee may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Lessee may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Lessee from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

62. FOOD SERVICE AND PACKAGING WASTE REDUCTION REQUIREMENTS

Lessee agrees to comply fully with and be bound by all of the provisions of the Food Service and Packaging Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Lease as though fully set forth. This provision is a material term of this Lease. By entering into this Lease, Lessee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, without limiting City's other rights and remedies, Lessee agrees that the sum of \$100 liquidated damages for the first breach, \$200 liquidated damages for the second breach in the same year, and \$500 liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Lease was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Lessee's failure to comply with this provision.

63. GRAFFITI REMOVAL

Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti. Lessee shall remove all graffiti from the Property within forty eight (48) hours of the earlier of Lessee's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. The term "graffiti"

means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. Sections 101 et seq.). Any failure of Lessee to comply with this Section of this Lease after notice and a reasonable opportunity to cure such breach shall constitute an event of default of this Lease.

64. SUNSHINE ORDINANCE

In accordance with Section 67.24(e) of the San Francisco Administrative Code, contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between City and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

65. SUSTAINABLE FOODS

Sustainable foods are those which, through their production, purchase, and consumption, enhance the health of the environment, producers and consumers through one or more of these methods: growing, processing and distributing locally; using low or no synthetic agricultural chemicals; fairly trading with developing countries; meeting animal welfare standards; processing minimally; no genetic modification; no unnecessary antibiotics; and no added growth hormones. Lessee shall use commercially reasonable efforts to incorporate sustainable food concepts into everyday operations of the business on the Premises. City encourages Lessee to source sustainable foods by buying certified and/or locally produced food products. Acceptable sustainability certifications are limited to organic certification under the National Organic Standards Act ("USDA Organic), Fair Trade certification, Protected Harvest certification, Food Alliance certification, Rainforest Alliance certification, Certified Humanely Raised and Handled certification, American Humane certification, Marine Stewardship Council certification, and Salmon-Safe certification. Sustainability-related product claims that are acceptable under this clause include "grass-fed" claims, "not treated with artificial growth hormones (RBGH)" claims," produced without the nontherapeutic use of antibiotics" claims, and "raised without added hormones/no hormones added" claims. Locally produced food products are produced within 200 miles of San Francisco including the following counties in the North Coast, Central Coast, Sacramento and San Joaquin Valleys: Alameda, Amador, Butte, Calaveras, Colusa, Contra Costa, El Dorado, Fresno, Glenn, Kern, Kings, Lake, Madera, Marin, Mariposa, Mendocino, Merced, Monterey, Napa, Nevada, Placer, Plumas, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Clara, Santa Cruz, Sierra, Solano, Sonoma, Stanislaus, Sutter, Tehama, Tulare, Tuolumne, Yolo, and Yuba counties. At City's request made not more frequently than annually, Lessee shall provide an report outlining how Lessee incorporated these sustainable food concepts into everyday operations of the food and beverage concession and how Lessee informed customers and the youth employed by the Lessee, if any, regarding sustainable foods. This report shall include the percentage of total sales that were products certified as sustainably produced.

66. WAGES AND WORKING CONDITIONS

(a) Generally. Any undefined, initially-capitalized term used in this subsection shall have the meaning given to such term in San Francisco Administrative Code Section 23.61. Lessee require its Contractors and Subcontractors performing (i) labor in connection with a “public work” as defined under California Labor Code Section 1720 et seq. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or (ii) Covered Construction, at the Premises to (1) pay workers performing such work not less than the Prevailing Rate of Wages, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, “Prevailing Wage Requirements”). Lessee agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. Lessee shall include, and shall require its sublessees and Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Lessee’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A Contractor’s or Subcontractor’s failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. For the current Prevailing Rate of Wages, see www.sfgov.org/olse/prevailingwages or call the City’s Office of Labor Standards Enforcement at 415-554-6235.

(b) Prevailing Wages for Theatrical Workers, Trade Shows and Special Event Work, and Off-Street Parking Lot, Garage or Automobile Storage Facility. Lessee shall pay, and shall require its sublessees, and contractors and subcontractors (regardless of tier) to pay, prevailing wages, including fringe benefits or the matching equivalents thereof, to persons performing services for the following activity on the Premises as set forth in and to the extent required by San Francisco Administrative Code Chapter 21C: a Public Off-Street Parking Lot, Garage or Automobile Storage Facility (as defined in Section 21C.3), a Show (as defined in Section 21C.4), a Trade Show or Special Event (as defined in Section 21C.8), Broadcast Services (as defined in Section 21C.9), Commercial Vehicles, Loading and Unloading for Shows and Special Events (as defined in Section 21C.10), and Security Guard Services for Events (as defined in Section 21C.11).

If Lessee, or its sublessees, contractors, and subcontractors fail to comply with the applicable obligations in San Francisco Administrative Code Chapter 21C, City shall have all available remedies set forth in Chapter 21C and the remedies set forth in this Lease. City may inspect and/or audit any workplace, job site, books and records pertaining to the applicable services and may interview any individual who provides, or has provided, such services. Lessee shall provide to City (and to require any sublessee, contractor or subcontractor who maintains such records to provide to City) immediate access to all workers’ time sheets, payroll records, and paychecks for inspection on request to the extent they relate to such services.

The types of covered services related to a Show includes individuals engaged in theatrical or technical services, including rigging, sound, projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion picture services.

The types of covered services related to a Special Event includes individuals engaged in on-site installation, set-up, assembly, and dismantling of temporary exhibits, displays, booths,

modular systems, signage, drapery, specialty furniture, floor coverings, and decorative materials in connection with trade shows, conventions, expositions, and other special events on City property.

The types of covered services related to Broadcast Services includes individuals engaged in the electronic capture and/or live transmission of on-site video, digital, and/or video content for commercial purposes through the use of a remote production or satellite trust on-site, including any technical director, video controller, assistant director, and stage manager, and individuals engaged in audio, camera, capture and playback, graphics and utility functions.

67. LOCAL HIRING REQUIREMENTS FOR IMPROVEMENTS AND ALTERATIONS

Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). Improvements and Alterations are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit or (ii) meets any of the other exemptions in the Local Hiring Requirements. Lessee agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Improvement or any Alteration, Lessee shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project").

Lessee shall include, and shall require its sublessees to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Lessee shall cooperate, and require its sublessees to cooperate, with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Lessee's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

68. INTELLECTUAL PROPERTY; MUSIC BROADCASTING RIGHTS

Lessee shall be solely responsible for obtaining any necessary clearances or permissions for the use of intellectual property on the Premises, including, but not limited to musical or other performance rights.

69. SUPERVISION OF MINORS

(a) Records Request. If any person applies for employment or for a volunteer position with Lessee, or any sublessee or subcontractor, in which such applicant would have supervisory or disciplinary power over a minor or any person under such applicant's care, then Lessee, and any sublessee or subcontractors providing services at the Premises, shall request from the California Department of Justice records of all convictions or any arrest pending adjudication of such applicant involving the offenses listed in Welfare and Institution Code Section 15660(a), in accordance with the procedures established in California Penal Code Section 11105.3.

(b) Restriction on Hires for Recreational Sites. If Lessee, or any sublessee or subcontractor, is providing services under this Lease at a City park, playground, recreational center or beach (separately and collectively, "Recreational Site"), Lessee shall not hire, and shall prevent its subcontractors from hiring, any person for employment or a volunteer position to provide supervisory or disciplinary power over a minor or any person under his or her care if that

person has been convicted of any offense listed in Welfare and Institution Code Section 15660(a).

(c) Notice Required for Sites Other Than Recreational Sites. If Lessee, or any of its sublessees or subcontractors, hires an employee or volunteer to provide services to minors at any location other than a Recreational Site, and that employee or volunteer has been convicted of an offense specified in Penal Code Section 11105.3(c), then Lessee shall comply, and cause its sublessees and subcontractors to comply, with Penal Code Section 11105.3(c) and provide written notice to the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer not less than ten (10) days prior to the day the employee or volunteer begins his or her duties or tasks. Lessee shall provide, or cause its sublessees or subcontractors to provide, City with a copy of any such notice at the same time that it provides notice to any parent or guardian, to the extent permitted by law.

(d) General Requirements. Lessee shall expressly require any of its subcontractors with supervisory or disciplinary power over a minor to comply with this Section as a condition of its contract with the subcontractor. Lessee acknowledges and agrees that failure by Lessee or any of its subcontractors to comply with any provision of this Section of this Lease shall constitute an event of default. Lessee further acknowledges and agrees that such event of default shall be grounds for the City to terminate the Lease, partially or in its entirety, to recover from Lessee any amounts paid under this Lease, and to withhold any future payments to Lessee. The remedies provided in this Section shall not limited any other remedy available to the City hereunder, or in equity or law for an event of default, and each remedy may be exercised individually or in combination with any other available remedy. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

70. SAN FRANCISCO PACKAGED WATER ORDINANCE

Lessee agrees to comply with San Francisco Environment Code Chapter 24 ("Chapter 24"). Lessee shall not sell, provide or otherwise distribute Packaged Water, as defined in Chapter 24 (including bottled water), in the performance of this Lease or on City property unless Lessee obtains a waiver from the City's Department of the Environment. If Lessee violates this requirement, City may exercise all remedies in this Lease and the Director of the City's Department of the Environment may impose administrative fines as set forth in Chapter 24.

71. CRIMINAL HISTORY IN HIRING AND EMPLOYMENT DECISIONS

(a) Unless exempt, and subject to the provisions of Section 73 above, Lessee agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "Chapter 12 T"), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Lessee who would be or are performing work at the Premises.

(b) Lessee shall incorporate by reference the provisions of Chapter 12T in all subleases of some or all of the Premises, and shall require all sublessees to comply with such provisions, subject to the provisions of Section 73 above. Lessee's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Lessee and sublessees shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a

Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(d) Lessee and sublessees shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Lessee and sublessees shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(e) Lessee and sublessees shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Lessee or sublessee at the Premises, that the Lessee or sublessee will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) Lessee and sublessees shall post the notice prepared by the Office of Labor Standards Enforcement ("OLSE"), available on OLSE's website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

(g) Lessee and sublessees understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T or this Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Lease.

(h) If Lessee has any questions about the applicability of Chapter 12T, it may contact the Department for additional information. The Department may consult with the Director of the City's Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

72. VENDING MACHINES; NUTRITIONAL STANDARDS

Lessee shall not install or permit any vending machine on the Premises without the prior written consent of the General Manager. Any permitted vending machine must comply with the food nutritional and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Lessee agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 76 shall be deemed a material breach of this Lease. Without limiting Landlord's other rights and remedies under this Lease, Landlord shall have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements. In addition, any restaurant located on the Premises is encouraged to ensure that at least 25% of Meals offered on the menu meet the nutritional standards set forth in San Francisco Administrative Code Section 4.9-1(e), as may be amended.

73. ALL-GENDER TOILET FACILITIES

If applicable, Lessee shall comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of any new building on City-owned land and within existing buildings leased by the City where extensive renovations are made. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex

or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by this section. If Lessee has any question about applicability or compliance, Lessee should contact the General Manager for guidance.

74. POSSESSORY INTEREST TAXES

(a) Lessee recognizes and understands that the Lease may create a possessory interest subject to property taxation and that Lessee may be subject to the payment of property taxes levied on such interest.

(b) Lessee agrees to pay taxes of any kind, including possessory interest taxes, that may be lawfully assessed on the leasehold interest hereby created and to pay all other taxes, excises, licenses, permit charges and assessments based on Lessee's usage of the Premises that may be imposed upon Lessee by law, all of which shall be paid when the same become due and payable and before delinquency.

(c) Lessee agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Lessee, if so desiring, may have reasonable opportunity to contest the validity of the same.

(d) San Francisco Administrative Code Sections 23.38 and 23.39 require that City report certain information relating to the creation, renewal, extension, assignment, sublease, or other transfer of the Lease to the County Assessor within sixty (60) days after any such transaction, and that Lessee report certain information relating to such matters to City within thirty (30) days after the applicable transaction. Lessee agrees to provide such information as may be reasonably requested by City to enable it to comply with this requirement.

75. DRUG-FREE WORKPLACE

Lessee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Tenant agrees that any violation of this prohibition by Lessee, its Agents or assigns shall be deemed a material breach of this Lease.

76. TROPICAL HARDWOOD AND VIRGIN REDWOOD BAN

Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environment Code, Lessee shall not provide or permit the use of any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product in the performance of any alterations or improvements in or on the Premises or otherwise in the performance of this Lease. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. In the event Lessee fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environment Code, Lessee shall be liable for liquidated damages for each violation in any amount equal to Lessee's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

77. TOBACCO PRODUCT ADVERTISING AND SALE PROHIBITION

Lessee acknowledges and agrees that no advertising or sale of cigarettes (including electronic cigarettes, as defined in the San Francisco Health Code) or tobacco products is allowed under this Lease. This advertising prohibition includes the placement of the name of a

company producing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product.

78. ATTORNEYS FEES

If a dispute arises concerning this Lease, the party not prevailing in such dispute shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees. For purposes of this Lease, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

79. COOPERATIVE DRAFTING

This Lease has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the Lease reviewed and revised by legal counsel. No party shall be considered the drafter of this Lease, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this Lease.

80. NO THIRD PARTY BENEFICIARIES

This Lease shall not be deemed to confer any rights or benefits on any party other than the parties hereto; provided, however, that the SBA shall be a third party beneficiary with respect to Section 24 and Section 28 until the SBA Completion Event.

81. EFFECTIVE DATE

This Lease shall become effective as on the date on which (i) legislation adopted by the Board of Supervisors to approve City's execution of this Lease becomes effective, and (ii) this Lease is duly executed and exchanged by the parties hereto.

82. COMPLIANCE WITH CITY BUSINESS AND TAX AND REGULATIONS CODE

Lessee acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code. If any payment City is required to make to Lessee under this Lease is withheld under that authority, then City will not be in breach or default under this Lease, and the Treasurer and Tax Collector will authorize release of any payments withheld under this Section to Lessee, without interest, late fees, penalties, or other charges, once Lessee returns to compliance with its San Francisco Business and Tax Regulations Code obligations.

83. MISCELLANEOUS

(a) This Lease is the entire agreement of the parties concerning the subject matter hereof, and supersedes and conceals any and all previous negotiations, agreements, or understandings, if any, regarding the matters contained herein. (b) The execution of this Lease shall not constitute a waiver or relinquishment of any rights or remedies that City may have relating to the Lessee's obligations under 1991 Lease accruing prior to the Commencement Date. (c) City and Lessee agree to execute such further instruments and to take such further actions as may be reasonably required to carry out the intent of this Lease. (d) This Lease shall be governed by, construed and enforced in accordance with the laws of the State of California. (e) This Lease shall not be

effective for any purpose whatsoever until legislation approving it is adopted by the City's Board of Supervisors. (f) Neither this Lease nor any activity by City hereunder creates a partnership or joint venture between City and Lessee relating to this Lease or otherwise. This Lease does not constitute authorization or approval by City of any activity conducted by Lessee, and City shall in no way be responsible for the acts or omissions of Lessee on the Premises or otherwise. (g) Time is of the essence of this Lease and every part hereof. (h) If this Lease is executed in counterparts, each shall be deemed an original. (i) The section and paragraph headings contained herein are for convenience in reference and are not intended to define or limit the scope of any provision of this Lease.

IN WITNESS WHEREOF, the parties hereto have executed this Lease as of the date first above written.

Commission Resolution 11189 and 16169a

COMMISSION RESOLUTION #11189

RESOLUTION GOVERNING THE USE OF RECREATION AND PARK DEPARTMENT PROPERTIES BY PRIVATE ORGANIZATIONS.

WHEREAS, the policy of the Recreation and Park Commission is mandated by Section 3.552 of the San Francisco City Charter to be the promotion and fostering of a program providing for organized public recreation of the highest standard; and

WHEREAS, park property dedicated to public use is for the benefit and enjoyment of all members of the public; and

WHEREAS, park property is not lawfully used by private organizations or individuals to the exclusion of the general public for extended periods of time; and

WHEREAS, private organizations can promote public recreational use of park property by organizing and directing recreational activities on park property;

NOW THEREFORE BE IT RESOLVED, that notwithstanding any provision in any existing lease or other agreement between the Recreation and Park Commission or Recreation and Park Department and a private organization concerning the use of park property, every lease to a private organization of park property dedicated to public use and every agreement whereby a private organization is allowed to use such park property for an extended period of time is subject to the following conditions:

When the property leased or used by the private organization is open and available to members of the organization, it shall also be open and available to members of the general public on the same terms as it is open and available to members of the organization. Thus, no member of the public shall be excluded from the property so long as such person uses the property for the recreational purpose for which the lease or agreement was entered into and so long as such person obeys all reasonable rules and regulations of the organization pertaining to proper use of the facilities.

If the property leased or used by the private organization is not open on a daily basis, or if the hours during which the property is open cannot accommodate the demands of all members of the public seeking to make use of the property, then the organization shall establish a procedure whereby non-members may reserve use of the property upon request. If a private organization has control of property which is used primarily for storage and opened only occasionally to its members, the organization shall establish a procedure whereby non-members are allowed use of the storage space and access to it for the same purposes and on the same terms as are members.

Since making the property leased or used available to persons who are not members of the organization may involve additional expense, the organization may charge such persons a fee for use of facilities on the property, so long as such fee is reasonably related to the additional costs involved and are not so high as to make use of the facilities prohibitive.

Notice shall be posted conspicuously at all entrances, advising members of the public that the property is a public park facility operated on behalf of the Recreation and Park Commission by the organization, that the property is open to the general public on the same terms and conditions as it is available to members of the organization, of the hours during which the property is open or otherwise available, and of the procedures and fees for use, and that membership in the administering organization is open and available to all interested persons.

The charter of by-laws of the organization shall provide the following:

1. The purpose of the organization, so long as it occupies public park property, shall be to operate and maintain said property on behalf of the Recreation and Park Commission, in accordance with such policies, rules, regulations and purposes as said Commission may decree from time to time.

2. Applicants for membership to the organization shall not be discriminated against on the basis of race, color, religion, age, ancestry, national origin, sex, political affiliation, sexual orientation, disability, or any other grounds prohibited by law. Each membership applicant shall be given a copy of these bylaws at the time he or she receives the application form.

3. Each application form for membership to the organization shall have printed upon it in a conspicuous place, the following statement:

This is a public park facility operated and maintained on behalf of the City and County of San Francisco for the benefit of the public desiring to use these public recreation facilities by (name of organization), a non-profit organization. It is unlawful for any such organization to discriminate in its membership application or acceptance procedures on the basis of race, color, religion, age, ancestry, national origin, sex, political affiliation, sexual orientation, disability, or any other grounds prohibited by law. Any complaint concerning allegations of discrimination shall be reported to the Recreation and Park Department of the City and County of San Francisco, McLaren Lodge, Golden Gate Park.

4. An applicant for membership shall be rejected only for good cause and shall be notified in writing by an appropriate officer or committee of the reason for the rejection of the application and all money submitted with the application shall be returned to the applicant. An applicant shall be deemed accepted to membership in the club unless, within 45 days from the date of application, the applicant is notified in writing of the rejection and the reason therefor. An applicant otherwise eligible but for lack of space shall be placed on a waiting list on a first come first serve basis.

5. Good cause for rejection of applicants for membership must be defined and must be based on a record of past acts or conduct demonstrating that the admission of the applicant would substantially impair the public recreational purpose of the property, the health, safety, or welfare of its intended users, or the preservation or maintenance of the property.

6. An applicant, having been rejected, shall be eligible to re-apply for membership within a specified period of time, not to exceed three (3) months, after rejection for membership.

7. No member may be expelled unless the organization provides a hearing in order to determine that good cause for expulsion exists. "Good cause" shall be defined according to the requirements set out in (5) above. The member shall be given at least thirty (30) days notice in writing of the purpose of the hearing, and the charges against such member, and the names of the parties making such charges. At such hearing, said member shall be given an opportunity to be advised of the charges, and an opportunity to meet them and to present a defense. A finding of good cause for expulsion shall be made and communicated, in writing, to such member. Youth Educational Programs

MAIN POINTS:

- A. Lessee has the only youth sailing program that promotes San Francisco public high school team sailing.
- B. Lessee offers low cost of entry to sailing for San Francisco students.
- C. Lessee's youth sailors come from mixed schools and socioeconomic backgrounds and traditionally form long term bonds.
- D. Lessee's Youth Sailing Foundation provides scholarships to students who request them.
- E. The goal of Lessee's Foundation is to provide sailing lessons to the children of our community with emphasis on safety, team interaction, and environmental respect for our waters.

DETAILS:

Lessee will offer a school term program over three separate sessions. Students will pay nominal fee for approximately nine (9) weeks of professional instruction. The use of boats is included at no additional cost. Lessee's youth program seeks to offer affordability and accessibility without sacrifice to quality.

Lessee's Youth Sailing Foundation will also provide sailing scholarships to any San Francisco student who wants to learn to sail but does not have the funds or access to do so. Lessee strives to provide scholarships to every student who requests one. The scholarship program is comprised of a mixed group of students from various schools, economic backgrounds and varying degrees of sailing experience from zero to race-ready.

Lessee is one of the smaller Bay Area programs, yet we typically take three teams to each regatta venue from San Francisco locations to as far away as Long Beach, CA. Typically, the Lessee's program will receive 20-25 students each fall which practice two-three afternoon sessions per week. In addition, Lessee will occasionally offer private weekend sessions for larger groups. Some students simply come out for the fun of sailing and don't have time to compete. Lessee encourages competition whenever possible.

Aside from developing competent sailors, the most beneficial outcome of the Lessee's program is the cross-cultural bonding. Students from various schools and different backgrounds learn to trust each other and create long-term relationships with group members.

Sharmaine Ramasamy is the Program Manager for the GGYC Youth Sailing Program. GGYC has five coaches for the Youth Sailing Program: Mills Forni, Alberto Ricera, Brett Davis, Sarah Davis, Chris Johnson, Natasha Jarett, and Brett Bastien.

Lessee defaults in the due and punctual payment of Rent, and such default continues for five (5) days after written notice from Lessor; however, Lessee will not be entitled to more than one (1) notice for monetary defaults during any twelve (12) month period, and if after such notice any Rent is not paid when due, Default will be considered to have occurred without further notice;
- b. Lessee vacates or abandons the Premises;
- c. The appointment of a receiver to take substantially all of the assets of the Lessee.
- d. A general assignment by the Lessee for the benefit of creditors.
- e. Lessee files a petition in bankruptcy or insolvency or for reorganization or arrangement under the bankruptcy laws of the United States or under any insolvency act of any state.
- f. Lessee fails to finalize a loan agreement with the SBA within six months after the Commencement of the term hereof.

- g. Lessee breaches any of the other agreements, terms, covenants or conditions which this Lease requires Lessee to perform, and such breach continues for a period of ten (10) days after written notice from Lessor to Lessee; or if such breach cannot be cured reasonably within such ten (10) day period and Lessee fails to commence and proceed diligently to cure such breach within a reasonable time period.
- h. Lessee defaults in payment of its debt to the SBA, or violates any of the terms and conditions of the loan agreement.

Upon the occurrence of any of said events constituting a default, Lessor may terminate this Lease as provided in Section 41 ("Termination") hereof.

41. TERMINATION

Other than in cases where there is a default in the payment of rent, the Lessor may elect to terminate this Lease if the Lessee fails to timely perform his obligations under this Lease or if the Lessee violates any of the terms, conditions, stipulations, or covenants of this Lease, and the Lessee fails to remedy the same within ten days after written demand from Lessor to do so, or if the breach is considered by Lessor to be both material and irremediable, then this Lease shall terminate immediately upon a date certain as set by Lessor following Lessee's receipt of Lessor's notice of termination.

If the Lessee fails to timely pay the rent due hereunder and fails to cure said default within three days after written demand from Lessor to do so, the Lessor may elect to terminate this Lease.

In the event the Lessee defaults on the Lease, Lessor shall so notify the SBA immediately in writing at 211 Main Street, 4th Floor, San Francisco, CA 94105-1988. Lessor and SBA shall immediately commence joint negotiations regarding the satisfactory disposition of the leasehold. Lessee agrees to execute an "Assignment of Real Estate Lease and Agreement" in favor of SBA which provides that in the event of default under the Lease or the Loan Agreement, SBA may transfer and assign the Lease to such persons who are qualified to assume the SBA loan and who meet the Lessor's qualifications. Alternatively, Lessor may terminate the Lease and Lessor may enter into a new lease with a qualified candidate. Lessor agrees that any such candidate will be required to assume Lessee's obligation to the SBA either by assuming installment of the loan or by lump sum payment of the then outstanding loan balance. Under no circumstances shall the City or Commission be liable for any payment whatsoever to the SBA.

Lessor further agrees that, if Lessee's rights in the Lease are terminated, no successor Lessee, under this or any successive lease will occupy the leased property unless the successor Lessee and SBA have agreed that the successor Lessee will assume installment payment of the SBA loan or the SBA loan is paid in full. It is the intention of the parties that the SBA is a third party beneficiary of this Lease or any successive lease and that the leasehold estate will remain as collateral for the SBA loan until the loan is paid in full. Under no circumstances shall SBA be liable to the City of payment of rent or reasonable rental value or for the performance of any other covenant or condition of the Lease.

42. DELIVERY OF POSSESSION BY LESSEE

Lessee agrees to yield and deliver to Lessor possession of the premises at the termination of this Lease or as otherwise herein provided, in good condition and in accordance with the express obligation hereunder, except for reasonable wear and tear.

43. STRICT PERFORMANCE

Failure of Lessor to insist upon strict performance of any of the terms, conditions and covenants herein shall not be deemed a waiver of any subsequent breach or default in the terms, conditions and covenants herein contained.

It is expressly agreed that each term stipulation, condition and covenant herein to be performed or kept by Lessee is material and is a material consideration to Lessor for the award of this Lease, and Lessee agrees that the breach by it of any one of the within terms, stipulation, rent, payment, conditions or covenants shall be a ground for the termination by Lessor, at its election, of the entire Lease as provided in Section 41 ("Termination") hereof.

44. LESSOR'S RIGHTS CUMULATIVE

The rights of Lessor hereunder shall be cumulative and not alternative and shall be in addition to any and all rights which Lessor may have as a matter of law.

All notices required to be given to Lessor hereunder shall be mailed postage prepaid, by Lessee to Lessor addressed to the RECREATION AND PARK COMMISSION, McLaren Lodge, Golden Gate Park, Fell and Stanyan Streets, San Francisco, CA 94117.

46. AUTHORITY OF AGENTS OF LESSOR

No agents or representative of the Lessor has any authority to vary the terms of this Lease, or to extend the rights and privileges, as herein set forth in writing and approved by Commission, or to make any statements or representations concerning this Lease, or the rights and privileges herein set forth, except such as may be endorsed herein in writing, and then only after approval by the General Manager of the Recreation and Park Department.

47. EACH PROVISION A MATERIAL CONDITION

It is expressly agreed that each term, condition and covenant herein to be performed or kept by Lessee is material and is a material consideration to Lessor for the award of this Lease and Lessee agrees that the breach by Lessee of any one of the within terms, conditions or covenants shall be a material breach of the whole and entire Lease and shall be grounds for the termination by Lessor, at its election, of the entire Lease, except that there shall be no termination until Lessor has given the Lessee notice in writing as required by law.

48. HEADINGS

The article and paragraph headings contained herein are for convenience in reference and are not intended to define or limit the scope of any provision of this Lease.

Lessee agrees to be solely responsible for all matters relating to payment of employees, including compliance with Social Security, withholding and all other regulations governing such matters. Lessee agrees to be solely responsible for its own acts and those of its subordinates and employees during the life of this Lease.

55. CONFLICT OF INTEREST

Lessee covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which could conflict in any manner or degree with the faithful performance of this Lease.

56. EMPLOYEES OF LESSEE

Lessee shall at all times employ only those persons of good moral character and each person so employed by Lessee shall be neatly dressed and courteous at all times.

57. LOITERING

The privileges granted herein shall be conducted in a first class manner and in the conduct thereof, Lessee shall comply with all laws and ordinances applicable thereto and such rules and regulations as Lessor may from time to time reasonably prescribe.

58. TRESPASS

Lessee shall at all times exercise reasonable diligence and care to protect the premises from trespass and improper use.

59. INSPECTION AND USE OF PREMISES BY LESSOR

COMMISSION RESOLUTION #11189

RESOLUTION GOVERNING THE USE OF RECREATION AND PARK DEPARTMENT PROPERTIES
BY PRIVATE ORGANIZATIONS.

WHEREAS, the policy of the Recreation and Park Commission is mandated by Section 3.552 of the San Francisco City Charter to be the promotion and fostering of a program providing for organized public recreation of the highest standard; and

WHEREAS, park property dedicated to public use is for the benefit and enjoyment of all members of the public; and

WHEREAS, park property is not lawfully used by private organizations or individuals to the exclusion of the general public for extended periods of time; and

WHEREAS, private organizations can promote public recreational use of park property by organizing and directing recreational activities on park property;

NOW THEREFORE BE IT RESOLVED, that notwithstanding any provision in any existing lease or other agreement between the Recreation and Park Commission or Recreation and Park Department and a private organization concerning the use of park property, every lease to a private organization of park property dedicated to public use and every agreement whereby a private organization is allowed to use such park property for an extended period of time is subject to the following conditions:

When the property leased or used by the private organization is open and available to members of the organization, it shall also be open and available to members of the general public on the same terms as it is open and available to members of the organization. Thus, no member of the public shall be excluded from the property so long as such person uses the property for the recreational purpose for which the lease or agreement was entered into and so long as such person obeys all reasonable rules and regulations of the organization pertaining to proper use of the facilities.

If the property leased or used by the private organization is not open on a daily basis, or if the hours during which the property is open cannot accommodate the demands of all members of the public seeking to make use of the property, then the organization shall establish a procedure whereby non-members may reserve use of the property upon request. If a private organization has control of property which is used primarily for storage and opened only occasionally to its members, the organization shall establish a procedure whereby non-members are allowed use of the storage space and access to it for the same purposes and on the same terms as are members.

Since making the property leased or used available to persons who are not members of the organization may involve additional expense, the organization may charge such persons a fee for use of facilities on the property, so long as such fee is reasonably related to the additional costs involved and are not so high as to make use of the facilities prohibitive.

Notice shall be posted conspicuously at all entrances, advising members of the public that the property is a public park facility operated on behalf of the Recreation and Park Commission by the organization, that the property is open to the general public on the same terms and conditions as it is available to members of the organization, of the hours during which the property is open or otherwise available, and of the procedures and fees for use, and that membership in the administering organization is open and available to all interested persons.

The charter of by-laws of the organization shall provide the following:

1. The purpose of the organization, so long as it occupies public park property, shall be to operate and maintain said property on behalf of the Recreation and Park Commission, in accordance with such policies, rules, regulations and purposes as said Commission may decree from time to time.

2. Applicants for membership to the organization shall not be discriminated against on the basis of race, color, religion, age, ancestry, national origin, sex, political affiliation, sexual orientation, disability, or any other grounds prohibited by law. Each membership applicant shall be given a copy of these bylaws at the time he or she receives the application form.

3. Each application form for membership to the organization shall have printed upon it in a conspicuous place, the following statement:

This is a public park facility operated and maintained on behalf of the City and County of San Francisco for the benefit of the public desiring to use these public recreation facilities by (name of organization), a non-profit organization. It is unlawful for any such organization to discriminate in its membership application or acceptance procedures on the basis of race, color, religion, age, ancestry, national origin, sex, political affiliation, sexual orientation, disability, or any other grounds prohibited by law. Any complaint concerning allegations of discrimination shall be reported to the Recreation and Park Department of the City and County of San Francisco, McLaren Lodge, Golden Gate Park.

4. An applicant for membership shall be rejected only for good cause and shall be notified in writing by an appropriate officer or committee of the reason for the rejection of the application and all money submitted with the application shall be returned to the applicant. An applicant shall be deemed accepted to membership in the club unless, within 45 days from the date of application, the applicant is notified in writing of the rejection and the reason therefor. An applicant otherwise eligible but for lack of space shall be placed on a waiting list on a first come first serve basis.

5. Good cause for rejection of applicants for membership must be defined and must be based on a record of past acts or conduct demonstrating that the admission of the applicant would substantially impair the public recreational purpose of the property, the health, safety, or welfare of its intended users, or the preservation or maintenance of the property.

6. An applicant, having been rejected, shall be eligible to re-apply for membership within a specified period of time, not to exceed three (3) months, after rejection for membership.

7. No member may be expelled unless the organization provides a hearing in order to determine that good cause for expulsion exists. "Good cause" shall be defined according to the requirements set out in (5) above. The member shall be given at least thirty (30) days notice in writing of the purpose of the hearing, and the charges against such member, and the names of the parties making such charges. At such hearing, said member shall be given an opportunity to be advised of the charges, and an opportunity to meet them and to present a defense. A finding of good cause for expulsion shall be made and communicated, in writing, to such member. A finding of good cause for expulsion shall be subject to review, at the member's election, by the Recreation and Park Department of the City and County of San Francisco.

The only initiation fee charged new members shall be in the form of a membership application fee and such fee shall be reasonably related to the costs incurred in processing applications and performing any routine tasks necessary to make the facilities available to the new member. Annual dues shall be limited to the amount necessary to meet the current operating expenses and to maintain and preserve the property in accordance with all regulations, rules and policies of the Commission. Any other funds required by the organization shall be raised by special assessment, approved at a meeting of the membership of the club, by a majority of the members present, and notice of said meeting and its purpose, at which the special assessment is to be put to a vote, shall be given to each member at least two weeks prior to the date of the meeting. All fees, dues, assessments and membership application rates charged to members and daily use rates charged to non-members shall be subject to the approval of the Commission.

Refusal to enforce any policy or procedure required by the Commission concerning fees, dues, assessments, membership application rates, daily use rates or public access to property shall constitute grounds for immediate termination of the lease or agreement whereby the organization is using the property.

This resolution shall apply to clubs or private organizations using or having access to park property on a daily basis for a period exceeding 29 days within a calendar year. It does not apply to:

1. Clubs or private organizations which lease or use park property for special events which do not exceed 29 days within a calendar year.
2. Leases with professional athletic organizations.
3. Any lease of Candlestick Park, Kezar Stadium, Kezar Pavilion, or Balboa Park Stadium.
4. The operation of a concession. (A concession shall be defined as an agreement whereby an individual, partnership or corporation is granted permission by the Recreation and Park Commission to provide goods or services on park property to the public at a price which enables such individuals, partnership or corporation to make a profit.)

2 and detrimentally affect the peace and harmony that
3 must exist among the richly diverse population of
4 the City and County of San Francisco; and

5 The Board further finds it is necessary, in complying
6 with the intent of this Ordinance, that within one hundred and
7 twenty (120) days of its enactment, appropriate rules,
8 regulations and procedures be developed, adopted, and publicly
9 promulgated by the Human Rights Commission; and that the public
10 and affected agencies have the opportunity to provide input to
11 and comment on the regulations prior to their formal adoption.

12 Sec. 12D.3. Declaration Of Policy.

13 It is the policy of the City and County of San Francisco to
14 ensure the full and equitable participation by Minority Business
15 Enterprises and Women Business Enterprises, and by local
16 businesses, as prime contractors in the provision of goods and
17 services to the City and County on a contractual basis. The
18 thrust of this program is to ensure the award of prime contracts
19 to MBE/WBEs and local businesses and to develop their status and
20 capability as prime contractors of the City and County of San
21 Francisco. The ultimate goal of this Ordinance is to eliminate
22 the effects of historic discrimination which is manifested in the
23 present low levels of MBE and WBE participation in City
24 contracting, and to offset some of the economic disadvantages
25 faced by local businesses.

26 3/26/84

1 The City will rely on the relationship between the
2 percentages of minorities and women in the community and their
3 respective shares of city contracts as a measure of the
4 effectiveness of this Ordinance in remedying the effects of all
5 mentioned discrimination. The immediate aim is to achieve annual
6 City and County-wide goals of not less than thirty percent (30
7 for Minority Business Enterprises and not less than ten percent
8 (10%) for Women Business Enterprises.

9 The City and County of San Francisco is utilizing a
10 preference for local business in the award of City and County
11 contracts in order to encourage business to locate and remain in
12 San Francisco and thereby increase the number of employed persons
13 living in San Francisco. The additional cost to businesses
14 located in San Francisco has been estimated as high as 15%: a
15 preference of 5% for local businesses bidding on City contracts
16 constitutes "good faith" on the part of the City in support of
17 businesses which contribute to the economic health of the City.
18 The percentage is a reasonable expression of that good faith,
19 does not unduly hamper non-local businesses in the contracting
20 process, and parallels the preferences awarded in many other
21 local jurisdictions.

22 Sec. 12D.4. Scope.

23 The provisions of this Ordinance shall apply to all
24 contracts awarded by the City and County and services utilized
25 the City and County except as may be hereinafter specifically
26 exempted, and shall be liberally construed to accomplish its

(c) The proposed affirmative action program required to be submitted under Section 12B.4 hereof, and the pre-bid or pre-award conference which may be required by Human Rights Commission, shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:

(e) Any job training or education program using the funds, facilities, or services of the City and County of San Francisco which, in the judgment of the Board of Supervisors or the Human Rights Commission, can make a contribution to the implementation of this ordinance shall submit reports to the Human Rights Commission as requested and shall be required to cooperate with the contractors, subcontractors, suppliers and unions and with the Human Rights Commission for the effectuation of the affirmative action nondiscrimination programs developed under this ordinance. (Amended by Ord. 498-75, App. 1/5/75)

SEC. 12B.5. CHAPTER APPLIES ONLY TO DISCRIMINATORY EMPLOYMENT PRACTICES. This Chapter shall not confer upon the City and County of San Francisco or any agency, board or commission thereof any power not otherwise provided by law to determine the legality of any existing collective bargaining agreement and shall have application only to discriminatory employment practices by contractors, subcontractors or suppliers engaged in the performance of City and County contracts.

(a) The Board of Supervisors shall appropriate such funds from the General Fund of the City and County of San Francisco, subject to budgetary and fiscal provisions of the Charter, as it may deem necessary for the enforcement of this ordinance. (Amended by Ord. 340-68, App. 12/6/68)

SEC. 12B.6. SEVERABILITY. If any clause, sentence, paragraph or part of this Title or the application thereof to any person or circumstances, shall, for any reason, be adjudged by a court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this title. (Amended by Ord 261-66, App. 10/21/66)

SEC. 12B.2. NONDISCRIMINATION PROVISIONS OF CONTRACT. Every contract or subcontract for or on behalf of the the City and County of San Francisco, as provided in Section 12B.1 hereof, shall contain the provisions following which shall be known as the nondiscrimination provisions of such contract.

In the performance of this contract, the contractor, subcontractor or supplier agrees as follows:

(a) Whenever the work is performed or supplies are manufactured in the United States, the contractor, subcontractor or supplier will not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, age, sex, sexual orientation, disability or AIDS/ARC. Discrimination on the basis of sex includes sexual harassment as defined in Section 6.9-25(b) of this Code. The contractor, subcontractor or supplier will take affirmative action to ensure that applicants are employed, and that employees are treated equally during employment, without regard to their race, color, religion, ancestry, national origin, age, sex, sexual orientation, disability or AIDS/ARC. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeship. Nothing in this ordinance shall require or prohibit the establishment of new classifications of employees in any given craft. The provisions of this section with respect to age shall not apply to (1) termination of employment because of the terms or conditions of any bona fide retirement or pension plan, (2) operation of the terms or conditions of any bona fide retirement or pension plan which has the effect of a minimum service requirement, (3) operation of the terms or conditions of any bona fide group or insurance plan. The contractor, subcontractor or supplier agrees to post in conspicuous places, available to employees and applicants or employees and applicants for employment, notices in such form and content as shall be furnished or approved by the awarding authority setting forth the provisions of this Section.

(b) Except as in this Section provided or in cases where the law compels or provides for such action any provisions in any contract agreement or undertaking entered into on or after the effective date of this Chapter which prevent or tend to prevent the employment of any person solely by reason of his or her age, who has attained the age of 40 years and has not attained the age of 65 years shall be null and void.

(c) The contractor, subcontractor or supplier shall provide reasonable accommodation for qualified applicants for employment and for qualified disabled employees. Said contractor, subcontractor or supplier need not provide reasonable accommodation if such would present an undue hardship. An undue hardship may include but not be limited to deminimus cost, violation of the seniority rights of other co-workers as established by a bona fide seniority system, or would present a health or safety risk to the employee or co-employees. The burden of establishing an undue hardship rests on the employer.

(d) The contractor, subcontractor or supplier will in all solicitations or advertisements for employees placed by or on his or her behalf, state that qualified applicants will receive consideration for employment without regard to race, creed,

color, ancestry, national origin, age, sex, sexual orientation or disability. Any solicitations or advertisements that satisfy similar requirements under federal law, subject to the approval of the awarding authority, will also satisfy this requirement.

(e) The contractor, subcontractor or supplier will send to each labor union or representative of workers with which he or she has a collective bargaining agreement or other contract or understanding, a notice, in such form and content as shall be furnished or approved by the awarding authority, advising the said labor union or workers' representative of the contractor's, subcontractor's or supplier's commitments under this Section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(f) The contractor, subcontractor or supplier will permit access to his records of employment, employment advertisements, application forms, and other pertinent data and records by the awarding authority, the Fair Employment Practices Commission or the San Francisco Human Rights Commission, for the purposes of investigation to ascertain compliance with the nondiscrimination provisions of this contract, and on request provide evidence that he or she has or will comply with the nondiscrimination provisions of this contract.

(g) That contractor, subcontractor or supplier shall be deemed to have breached the nondiscrimination provisions of this contract upon:

(1) A finding by the director of the San Francisco Human Rights Commission, or such other official who may be designated by the Human Rights Commission, that contractor, subcontractor, or supplier has wilfully violated such nondiscrimination provisions; or

(2) A finding by the Fair Employment Practices Commission of the State of California that a contractor, subcontractor or supplier has violated any provision of the Fair Employment Practices Act of California or the nondiscrimination provisions of this contract; provided, that the Fair Employment Practices Commission has issued a final order pursuant to Section 1426 of the Labor Code, or has obtained a final injunction pursuant to Section 1429 of the Labor Code; provided further, that for the purposes of these provisions, an order or injunction shall not be considered final during the period within which (1) appeal may be taken, or (2) the same has been stayed by order of court, or (3) further proceedings for vacation, reversal or modification are in progress before a competent administrative or judicial tribunal.

FIRST AMENDMENT
TO GOLDEN GATE YACHT CLUB LEASE

THIS FIRST AMENDMENT TO GOLDEN GATE YACHT CLUB LEASE (this "First Amendment") dated as of February 1, 1999, is between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation, acting by and through its Recreation and Park Commission ("City") and GOLDEN GATE YACHT CLUB, a California corporation ("Tenant").

THIS FIRST AMENDMENT is made with reference to the following facts and circumstances:

A. City and Tenant entered into a lease dated July 25, 1991 (the "Lease"), under which the City leased to Tenant, and Tenant leased from the City, certain land and water area in the Marina Yacht Harbor, as more particularly described as the "Demised Premises" in Section 1 of the Lease, for the purposes of operating and maintaining a first rate and complete non-profit recreational boating and racing oriented yacht club. The Board of Supervisors of the City approved the Lease under Ordinance No. 125-92, adopted April 27, 1992. Unless otherwise referred to in this First Amendment, capitalized terms shall have the meanings ascribed to them in the Lease.

B. On or about the date of the Lease, Tenant mortgaged its leasehold interest under the Lease to the Small Business Administration ("SBA") as security for the repayment of a construction loan from the SBA, the proceeds of which Tenant used to finance improvements to the Demised Premises.

C. On April 10, 1997, the City gave a notice of default to Tenant regarding certain alleged breaches by the Tenant of its obligation to pay percentage rent, install and maintain bookkeeping and accounting methods, maintain adequate books and records and provide auditors reports to the City pursuant to the Lease. Tenant disputed such allegations.

D. The parties now wish to resolve their dispute and enter into this Agreement to amend the Lease for the purpose of (i) providing for the payment of past due rent, (ii) reducing the percentage rate applicable to percentage rent, (iii) providing for an appraisal mechanism to adjust percentage rent in the future, and (iv) reducing the term of the Lease, all on the terms and conditions more particularly set forth below.

ACCORDINGLY, in consideration of the matters described in the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are mutually acknowledged, the City and Tenant agree as follows:

1. Payment of Past Due Percentage Rent.

1.1 Reduction in Percentage Rental Rate Through 10th Anniversary of the Lease Term. For the period beginning on March 1, 1993 and ending on January 15, 1999 the percentage rent specified in Section 6(I) of the Lease shall be reduced from ten percent (10%) to seven and one-half percent (7.5%) of all Gross Receipts. From and after January 15, 1999, until the termination of the Lease, the percentage rent specified in Section 6(I) of the Lease shall be ten percent (10%).

1.2 Payment of Past Due Rent. As of January 15, 1999, the date on which the first installment of past due rent is due, past due rent is One Hundred Twenty-Two Thousand Three Hundred Eighty-Eight Dollars (\$122,388) (the "Past Due Rent"). Past Due Rent shall be payable as follows: on or before the 15th day of each month, Tenant shall pay to the City sum of Two Thousand Four Hundred Twenty-Three Dollars (\$2,423) beginning on January 15, 1999, and continuing until December 15, 2003. Time is of the essence with respect to the provisions of this Section.

1.3 Penalties and Interest. The City agrees to waive any penalties and interest provided under Section 7 of the Lease for the Past Due Rent through the date of this First Amendment; provided, however, should Tenant fail to pay any monthly installment of Past Due Rent on or before the 15th day of each month as specified in Section 1.2 above, then all penalties and interest provided for under Section 7 of the Lease shall apply on the unpaid portion of such installment from date such installment was due through the date of payment in full.

1.4 Default. Any failure to pay any installment of Past Due Rent on or before the 15th day of each month as specified in Section 1.2 of this First Amendment shall be deemed a material default on the part of Tenant under the Lease without the need of the City to give Tenant any notice under the Lease (including any notice required under Section 40(a)), and shall afford the City all of the rights and remedies the City would otherwise have under the Lease, at law or in equity with respect to a failure to pay rent.

1.5 Exclusion from Gross Receipts. In the event Tenant elects to impose an additional dues charge on its members to pay the Past Due Rent to the City, then the revenues received by Tenant from such additional charge shall be excluded from Gross Receipts for the purpose of determining percentage rent, to the extent Tenant actually uses such revenues to pay the Past Due Rent in accordance with the provisions of this First Amendment. Otherwise, member dues shall continue to be included in Gross Receipts, consistent with the Lease.

1.6 Payment of Percentage Rent; Representations, Covenants and Warranties.

(a) All percentage rent payable from and after the effective date of this First Amendment shall be in strict compliance with the procedures and requirements in Section 7, 8, 9 and 10 of the Lease. Without limiting the foregoing, Tenant shall report all Gross Receipts by completely filling out the concessionaire payment statements to include Gross Receipts

information with its monthly rent payments to the City, and Tenant shall maintain adequate documentation to support its reports of Gross Receipts, including a general ledger, monthly income statements, daily sales summaries and cash register tapes which shall have non-resettable features as further provided in the Lease.

(b) Tenant represents, warrants and covenants to the City as follows:

(i) As of the date of this First Amendment, Tenant has installed a computerized cash register system with nonresettable features and shall continue to use such registers as required by the Lease, and Tenant has installed a system of itemizing gross receipts.

(ii) As of the date of this First Amendment, Tenant has delivered to the City complete and accurate signed copies of all of the SBA loan documents, including any amendments or modifications thereto. As of the date of this First Amendment, the outstanding principal amount of the SBA loan is \$355,370.83, the maturity date of the loan is August 1, 2022, the monthly payment under the loan is \$1,944, and the loan is fully amortizing over its term. Such monthly payment under the SBA loan shall be the amount deducted from Gross Receipts pursuant to Section 8 of the Lease (number 2 of the exclusions) for purposes of determining percentage rent owing to the City. The reference in Section 2 of the Lease to \$369,000 as the amount of the SBA loan shall be amended by substituting the sum of \$406,300 in its place.

(iii) As of the date of this First Amendment, Tenant has delivered to the City a certified copy of the annual audit required under Section 10 of the Lease for each prior season occurring during the term of the Lease, and Tenant shall provide such audits for the current and any future seasons to the City in a timely manner in strict accordance with the Lease.

(iv) As of the date of this First Amendment, Tenant has delivered to the City the full Five Thousand Dollar (\$5,000) security deposit required under Section 11 of the Lease.

(v) As of the date of this First Amendment, Tenant has removed all signs from the Demised Premises stating that the Demised Premises is a private club, and Tenant has posted notices, as required by Recreation and Park Commission Resolution number 11189 at all entrances of the Demised Premises advising members of the public that the Demised Premises is a public park facility operated on behalf of the Recreation and Park Commission by Tenant, that the property is open to the general public on the same terms and conditions as it is available to members of Tenant, of the hours during which the Demised Premises is open or otherwise available, of the procedures and fees for use, and that membership in Tenant is open and available to all interested parties.

(vi) In cooperation with the Recreation and Park Department of the City, Tenant will use its best efforts to provide a Junior Sailing Program.

(vii) By March 1, 1999, Tenant will submit to the Recreation and Park Department of the City a business plan proposing strategies to enhance Tenant's revenues.

(viii) Tenant will cooperate with the San Francisco Budget Analyst's management audit of Tenant's financial records for the purpose of investigating whether Tenant is operating as efficiently, effectively, and as economically as possible. Tenant will allow the Budget Analyst's audit to proceed before any other audits of Tenants financial records. Tenant will use good faith efforts to implement any recommendations resulting from the audit.

2. Prospective Annual Minimum Rent Guarantee. In no event shall the total percentage rent paid be less than the Annual Minimum Rent Guarantee. For each year beginning January 1, 2000, the percentage Annual Minimum Rent Guarantee for the previous year shall be \$54,000.

3. Reduction in Lease Term. Section 5 of the Lease is amended to reduce the term of the Lease from forty (40) years to twenty five (25) years from the Commencement Date. Accordingly, the term of the Lease shall end at 11:59 p.m. on May 31, 2017 (the "Expiration Date"), unless the Lease is earlier terminated in accordance with its terms. The parties acknowledge that the condition contained in the second paragraph of Section 5 of the Lease has been satisfied and no longer.

4. Lease Extension.

4.1 Option to Extend Term. City grants to Tenant a one-time option to extend the Term of this Lease as to the entire Demised Premises only (the "Extension Option") for an additional five (5) years (the "Extension Term") commencing upon the Expiration Date upon the following terms and conditions. Tenant may exercise the Extension Option at any time during the Term of the Lease, but if it determines to do so it must give written notice to the City thereof not less than one hundred fifty (150) days prior to the Expiration Date. Any such notice by Tenant shall be irrevocable by Tenant. Time is of the essence with respect to the date of delivery of Tenants notice of exercise of the Extension Option to the City. If any event of default by Tenant is outstanding hereunder either at the time of Tenant's exercise of the Extension Option or at any time prior to the first day of the Extension Term (or if any event shall have occurred which with the giving of notice or the passage of time or both would constitute such a default), then city may elect by notice to Tenant to reject Tenant's exercise of the Extension Option, whereupon the Extension Option shall be null and void. City shall also have the right to void Tenant's Extension Option if Tenant has assigned its interest hereunder or sublet more than fifty percent (50%) of the Demised Premises. If Tenant exercises the Extension Option, all references to the Term of this Lease shall include the Extension Term.

4.2 Rent For Extension Term. If Tenant elects to exercise the Extension Option, then the Lease for the Extension Term shall cover the entire Premises and shall be upon all of the terms, covenants, and conditions of this Lease and Lease Amendment, except that the Percentage Rent shall be adjusted in accordance with the prevailing market rate as follows:

(a) Fair Market Percentage Rent. -

(i) As used in this Section, "Fair Market Percentage Rent" means the annual Fair Market Percentage Rental value of the Demised Premises, which shall be expressed as a percentage (to the nearest half of a percentage point) of Gross Receipts and shall be determined as of the commencement of the Extension Term ("date of value"). Such determination of Fair Market Percentage Rent shall be the percentage rent that the City could obtain from a third party willing to lease the Demised Premises for the remainder of the Extension Term, considering the club improvements (in the condition they are required to be maintained pursuant to the Lease), the unique location of the Demised Premises, the amenities associated with the Demised Premises, and all other factors that would be relevant to a third party seeking to lease the Demised Premises for the applicable period, subject to the following considerations. The Fair Market Percentage Rent shall be based on a reasonably achievable development scenario for the Demised Premises consistent with the land use regulations (as defined below) in effect on the date of value. The Parties shall not assume that such land use regulations will be amended or modified after the date of value, other than as permitted under then-existing procedures for exceptions, variances or conditional use authorizations. As used in this Section, the term "land use regulations" means all federal, state and local laws, regulations, rulings, ordinances, codes, resolutions and plans governing the uses of land and the improvements thereon which may be applicable to the Demised Premises, including, without limitation, those relating to urban design, density, height and bulk of structures, parking, compatibility with surrounding land uses, requirements to mitigate or avoid environmental impacts, mitigation fees, and applicable legal limitations under the public trust for commerce, navigation and fisheries, and under Section 4.113 of the City's Charter with respect to property under the jurisdiction of the City's Recreation and Park Commission, as all of the same would reasonably and probably be applied to any particular development proposal at the location of the Demised Premises. The determination of Fair Market Percentage Rent shall exclude consideration of any of the particular terms of the Lease and shall be arrived at as if the Demised Premises were unencumbered by the Lease, except only that such determination shall assume that the base rent is the Annual Minimum Rent Guarantee specified in the Lease. In addition, such determination of Fair Market Percentage Rent shall exclude consideration of any subleases or other use or occupancy agreements related to the Demised Premises, or any portion thereof, under the Lease; any leasehold mortgage or similar financing, any mechanics or materialperson's liens, or any other liens or encumbrances that are attributable to any default by Tenant under the Lease.

(ii) City and Tenant shall attempt in good faith to agree upon the Fair Market Percentage Rent for the Demised Premises in accordance with the provisions hereof. No later than ninety (90) days following Tenant's notice to the City exercising the Extension Option, City shall notify Tenant in writing of City's determination made in good faith of the Fair Market Percentage Rent for the Demised Premises to be used to calculate the percentage rent for purposes of the Lease (as amended hereby).

(iii) Within thirty (30) days after receipt of City's determination of the

Fair Market Percentage Rent, Tenant shall notify City in writing either of (i) Tenant's acceptance of such determination, in which case such determination shall constitute the new percentage rent as of the commencement of the Extension Term, or (ii) Tenant's own good faith determination of the Fair Market Percentage Rent, including written justification for its determination.

(iv) If Tenant provides City with its determination of the Fair Market Percentage Rent pursuant to clause (iii) above, then within thirty (30) days following Tenant's notice to City, the parties shall attempt in good faith to meet no less than two (2) times, at a mutually agreeable time and place, to attempt to resolve in good faith any such disagreement as to the Fair Market Percentage Rent. The parties may mutually agree in writing to extend such 30-day consultation period for a reasonable period to resolve their disagreement if the parties are negotiating in good faith and would be unable to resolve their differences within such 30-day period.

(b) Appraisal. If the Parties have not agreed in writing on the Fair Market Percentage Rent within the consultation period described in subsection (a)(iv) above, then the Fair Market Percentage Rent for the Demised Premises shall be determined by appraisal in accordance with the following procedure.

(i) Appointment of Appraisers; Appraisal Instructions. Each party shall appoint one (1) appraiser within thirty (30) days after the final date for agreement on the Fair Market Percentage Rent in accordance with subsection (a) above. Upon selecting its appraiser, each party shall promptly notify the other party in writing of the name of the appraiser selected. Each such appraiser shall be competent, licensed, qualified by training and experience in the City, and shall be a member in good standing of the Appraisal Institute (MAI), or, if the Appraisal Institute no longer exists, shall hold the senior professional designation awarded by the most prominent organization of appraisal professionals then awarding professional designations. Each such appraiser may have a prior working relationship with either or both of the parties, provided that such working relationship shall be disclosed to both parties. Without limiting the foregoing, each appraiser shall have at least ten (10) years' experience valuing commercial real estate in the City and County of San Francisco and, more specifically, shall also have significant experience valuing commercial recreational facilities on the City's waterfront. If either party fails to appoint its appraiser within such 30-day period, the appraiser appointed by the other party shall individually determine the Fair Market Percentage Rent in accordance with the provisions hereof.

Each appraiser will make an independent determination of the Fair Market Percentage Rent. The appraisers may share and have access to objective information in preparing their appraisals, but they will independently determine the appropriate assumptions to make based on the provisions of this Section and each appraiser's own assessment of the market. Neither of the appraisers shall have access to the appraisal of the other (except for the sharing of objective information contained in such appraisals) until both of the appraisals are submitted in accordance with the provisions of this Section. Neither party shall communicate with the appraiser appointed by the other Party regarding the instructions contained in this Section before

the appraisers complete their appraisals. If either appraiser has questions regarding the instructions in this Section or the interpretation of the Lease, such appraiser shall use his or her own professional judgment and shall make clear all assumptions upon which his or her professional conclusions are based, including any supplemental instructions or interpretative guidance received from the party appointing such appraiser. There shall not be any arbitration or adjudication of the instructions to the appraisers contained in this Section. Each appraiser shall complete, sign and submit its written appraisal setting forth the Fair Market Percentage Rent (to the nearest half percentage point) to the parties within sixty (60) days after the appointment of the last of such appraisers. If the higher appraised Fair Market Percentage Rent is not more than one hundred ten percent (110%) of the lower appraised Fair Market Percentage Rent, then the Fair Market Percentage Rent shall be the average of such two (2) Fair Market Percentage Rent figures (to the nearest half percentage point).

(ii) “Baseball” Appraisal. If the higher appraised Fair Market Percentage Rent is more than one hundred ten percent (110%) of the lower appraised Fair Market Percentage Rent, then the first two appraisers shall agree upon and appoint an independent third appraiser within thirty (30) days after both of the first two (2) appraisals have been submitted to the parties, in accordance with the following procedure. The third appraiser shall have the minimum qualifications as required of an appraiser pursuant to paragraph (i) above, and shall also have experience acting as an third appraiser of disputes involving commercial recreational real estate or real estate development opportunities, including ground leases and rental valuation. The two appraisers shall inform the parties of their appointment at or before the end of the 30-day appointment period. Each party shall have the opportunity to question the proposed third appraiser, in writing only, as to his or her qualifications, experience, past working relationships with the parties, and any other matters relevant to the appraisal set forth in this Lease. Either party may, by written notice to the other party and the two appraisers, raise a good faith objection to the selection of the third appraiser based on his or her failure to meet the requirements of this Section. In such event, if the two appraisers determine that the objection was made in good faith, the two appraisers shall promptly select another third appraiser, subject again to the same process for the raising of objections. If neither party raises a good faith objection to the appointment of the third appraiser within ten (10) days after notice of his or her appointment is given, each such party shall be deemed to have waived any issues or questions relating to the qualifications or independence of the third appraiser or any other matter relating to the selection of the third appraiser under this Lease. If for any reason the two appraisers do not appoint such third appraiser within such 30-day period (or within a reasonable period thereafter not to exceed twenty (20) days in the event a good faith objection is made as provided above), then either party may apply to the Writs and Receivers Department of the Superior Court of the State of California in and for the County of San Francisco for appointment of an third appraiser meeting the foregoing qualifications. If the court denies or otherwise refuses to act upon such application within sixty (60) days from the date on which the party first applies to the Court for appointment of the third appraiser, either party may apply to the American Arbitration Association, or any similar provider of professional commercial arbitration services, for appointment in accordance with the rules and procedures of such organization of an independent third appraiser meeting the foregoing qualifications.

Such third appraiser shall consider the appraisals submitted by the first two appraisers as well as any other relevant written evidence which the third appraiser may request of either or both of the first two appraisers. If either of the first two appraisers shall submit any such evidence to such third appraiser, it shall do so only at the request of the third appraiser and shall deliver a complete and accurate copy to the other party and the appraiser such party selected, at the same time it submits the same to the third appraiser. Neither party, and neither of the appraisers they appoint, shall conduct any ex parte communications with the third appraiser regarding the subject matter of the appraisal. Within thirty (30) days after his or her appointment, the third appraiser shall select the appraised Fair Market Percentage Rent determined by one or the other of the first two (2) appraisers that is the closer, in the opinion of the third appraiser, to the actual Fair Market Percentage Rent. The determination of the third appraiser shall be limited solely to the issue of deciding which of the appraisals of the two appraisers is closest to the actual Fair Market Percentage Rent. The third appraiser shall have no right to propose a middle ground or to modify either of the two appraisals, or any provision of the Lease.

(iii) Conclusive Determination. Except as provided in California Code of Civil Procedure Section 1286.2 (as the same may be amended from time to time), the determination of the Fair Market Percentage Rent by appraisal shall be conclusive, final and binding on the parties. Neither the appraisers nor the third appraiser shall have any power to modify any of the provisions of the Lease (as amended hereby) and must base their decision on the definitions, standards, assumptions, instructions and other provisions contained in this Lease. Subject to the provisions of this Section, the parties will cooperate to provide all appropriate information to the appraisers and the third appraiser. The appraisers (but not the third appraiser) can utilize the services of special experts, including experts to determine property condition, market rates, leasing commissions, renovation costs and similar matters. The appraisers and the third appraiser will each produce their determination in writing, supported by the reasons for the determination.

(iv) Fees and Costs; Waiver. Each party shall bear the fees, costs and expenses of the appraiser it selects under subsection (b)(i) and of any experts and consultants used by the appraiser. The fees, costs and expenses of the third appraiser under subsection (b)(ii) shall be shared equally by City and Tenant. Each party waives any claims against the appraiser appointed by the other party, and against the third appraiser, for negligence, malpractice or similar claims in the performance of the appraisals or arbitration contemplated by this Section.

(c) Delay in Determination of Fair Market Percentage Rent. The Fair Market Percentage Rent determined in connection with the First Adjustment shall be effective beginning at the commencement of the Extension Term and continuing through the end of the term of the Lease. If, either by agreement of the parties or by the appraisal procedure provided above, the Fair Market Percentage Rent is not finally determined by the commencement of the Extension Term, then Tenant shall pay the Fair Market Percentage Rent determined by City until such time as the Fair Market Percentage Rent is finally determined by agreement of the parties or by the

appraisal procedure set forth in this Section, at which time City shall refund any excess amount to Tenant or Tenant shall pay any shortage to City, as the case may be, plus interest on such over or underpayment at the rate of seven percent (7%) per year, compounded monthly, from the date of original payment to the date of payment (or refund) in full of such under-payment or over-payment. No such delay in the determination of Fair Market Percentage Rent shall be deemed to constitute a waiver by either party of the adjustment of Fair Market Percentage Rent as provided in this First Amendment.

5. Effect of Amendment.

5.1 No Waiver of Other Rights. This First Amendment shall not be construed as a waiver of any rights or remedies with respect to the Lease, other than as expressly set forth in Sections 1.1, 1.2 and 1.3 above.

5.2 No Third Party Beneficiaries. This First Amendment shall not be deemed to confer any rights or benefits on any party other than the parties to this agreement.

5.3. Effect on Lease. Except as modified by this First Amendment, the Lease remains unmodified and in full force and effect.

6. General Provisions

6.1 Non-Discrimination. From and after the effective date of this First Amendment, the following provisions shall govern Section 49 of the Lease:

(a) Covenant Not to Discriminate. In the performance of the Lease, Tenant covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Tenant, in any of Tenant's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant.

(b) Subleases and Other Subcontracts. Tenant shall include in all subleases and other subcontracts relating to the Demised Premises and entered into on or after the effective date of this First Amendment a non-discrimination clause applicable to such subtenant or other subcontractor in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of the Lease.

(c) Non-Discrimination in Benefits. Tenant does not as of the date of this First Amendment and will not during the remaining term of the Lease, in any of its operations in San Francisco or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Condition to Lease. Tenant shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" (Form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

6.2 Tropical Hardwood and Virgin Redwood Ban. The Lease is amended by adding the following provision: ~~The City and County of San Francisco~~ urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as permitted by the application of Sections 12I.3.b and 12I.4.b of the San Francisco Administrative Code, Tenant shall not use any tropical hardwoods, tropical hardwood wood products, virgin redwoods and virgin redwood wood products in the construction of the any improvements by or on behalf of Tenant on the Demised Premises.

6.3 MacBride Principles - Northern Ireland. The Lease is amended by adding the following provision:

The City and County of San Francisco urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1, et seq. The City and County of San Francisco also urges San Francisco companies to do business with corporations that abide by the MacBride Principles. Tenant acknowledges that it has read and

understands the above statement of the City and County of San Francisco concerning doing business in Northern Ireland.

6.4 Tobacco Product Advertising Prohibition. The Lease is amended by adding the following provision:

Tenant acknowledges and agrees that no advertising of cigarettes or tobacco products shall be allowed on the Demised Premises. The foregoing prohibition shall include the placement of the name of a company producing, selling or distributing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product or on any sign. The foregoing prohibition shall not apply to any advertisement sponsored by a state, local or nonprofit entity designed to communicate the health hazards of cigarettes and tobacco products or to encourage people not to smoke or to stop smoking.

6.5 Burma (Myanmar) Business Prohibition. The Lease is amended by adding the following provision:

Tenant is not the government of Burma (Myanmar), a person or business entity organized under the laws of Burma (Myanmar) or a "prohibited person or entity" as defined in Section 12J.2(g) of the San Francisco Administrative Code. The City reserves the right to terminate the Lease for default if Tenant violates the terms of this clause. Chapter 12J of the San Francisco Administrative Code is hereby incorporated by reference as though fully set forth herein, and the failure of Tenant comply with any applicable requirements thereof shall be deemed a material breach of the Lease. In the event Tenant fails to comply in good faith with any of the applicable provisions of Chapter 12J of the San Francisco Administrative Code, Tenant shall be liable for liquidated damages for each violation in an amount equal to Tenant's net profit under this Lease, or 10% of the total amount of the Lease, or \$1,000, whichever is greatest. Tenant acknowledges and agrees the liquidated damages assessed shall be payable to the City upon demand and may be set off against any moneys due to Tenant from the City under the Lease.

6.6 Restaurant Uses. Tenant hereby represents and warrants to the City that Tenant does and will not operate a Hotel or Restaurant Project for which the San Francisco Employee Signature Authorization Ordinance (San Francisco Administrative Code Section Chapter 23) is applicable because there are fewer than the equivalent of 50 full or part-time employees in restaurant use on the Demised Premises, and Tenant further covenants that if at any point during the term of the Lease (as amended hereby) Tenant employs more than 50 full or part-time employees in restaurant use on the Demised Premises, Tenant shall comply with the San Francisco Employee Signature Authorization Ordinance to the extent that it is then otherwise applicable.

6.7 Representations and Warranties. Tenant hereby represents, warrants and covenants to the City that this First Amendment has been duly authorized, executed and delivered on the part of Tenant.

6.8 Counterparts. This First Amendment may be executed in counterparts, all of which taken together shall constitute one instrument.

6.9 Effective Date. This First Amendment shall become effective on August 1, 1998.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS FIRST AMENDMENT, TENANT ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS LEASE UNLESS AND UNTIL A RESOLUTION OF CITY'S BOARD OF SUPERVISORS SHALL HAVE BEEN DULY ENACTED APPROVING THIS LEASE AND AUTHORIZING THE TRANSACTION CONTEMPLATED HEREBY. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON ENACTMENT OF SUCH A RESOLUTION, AND THIS FIRST AMENDMENT SHALL BE NULL AND VOID IF CITY'S MAYOR AND THE BOARD OF SUPERVISORS DO NOT APPROVE THIS FIRST AMENDMENT, IN THEIR RESPECTIVE SOLE DISCRETION. APPROVAL OF THIS FIRST AMENDMENT BY ANY DEPARTMENT, COMMISSION OR AGENCY OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH ORDINANCE WILL BE ENACTED, NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.

IN WITNESS WHEREOF, the City and Tenant, being duly authorized, have each executed and delivered this First Amendment as of the date first written above.

Hi Joy,

Is there a form or letter template that I need to fill out regarding the “no project” for the Golden Gate Yacht Club lease and the South End Rowing Club lease?

Thanks!

Hi Joy,

I was saving your emails for my file and noticed that both replies were on the SERC lease email string. I just want to confirm that the following statement will also apply for the GGYC lease:

“Not defined as a project under CEQA Guidelines Sections 15378 and 15060(c)(2) because it would not result in a direct or indirect physical change in the environment.”

Thank you!

Hi Joy,

Here is another that we believe would be a No Project under CEQA. Could you review the below information from Jackie Suen about an upcoming lease and see if you agree? As she notes, the lease does not allow for any permanent physical improvements.

Thank you!
Stacy

Subject: Golden Gate Yacht Club Lease - CEQA determination needed

Hi Stacy,

Below are the links to the staff report for the Golden Gate Yacht Club (GGYC) lease and the exhibits. We're finalizing the draft lease now and plan to bring it to the Board of Supervisors in February 2019. Before going to the Board of Supervisors, I understand that we need a CEQA determination for the file. The GGYC lease does not allow for any

permanent physical improvements. The tenant and their use of the clubhouse will remain unchanged. Here is a quick summary of the lease:

1. New lease term – 18 years
2. Premises to reflect the new berthing configuration increase by 370 linear feet
3. Increase to the minimum guaranteed rent
 - a. The greater of \$85,000 or 10% of gross receipts
4. Adds a rent surcharge payable to the Department for harbor maintenance
 - a. An additional 10% of all membership fees and dock fees
5. Creates a requirement for the continuation of GGYC's youth sailing program
 - a. 3 sessions over the school year
6. Requires GGYC to fund a maintenance fund for their maintenance obligations at the clubhouse
 - a. This is for maintenance of existing building systems and the existing building structure
 - b. GGYC to deposit the lessor of 3% of gross receipts or \$45,000 annually
7. Updates for new City-required lease language
