Office of Contract Administration

Board of Supervisors' Budget and Finance Committee  
May 8, 2024

# Official & Outreach Advertising: **Background**

---

- In 1994, voters passed Proposition J which mandates the Board of Supervisors to designate, each Fiscal Year, for the purpose of publishing official City notices:
  - Up to one *daily* “Official” newspaper (SF Administrative Code Sec. 2.81 and Sec. 2.81-1);
  - Up to one *weekly* “Community-Based” outreach periodical for each San Francisco community (SF Administrative Code Sec. 2.81-3); and
  - Where the Board of Supervisors finds that certain neighborhoods are not being adequately served by the Official newspaper and the Community-Based outreach periodicals, up to one *monthly* “Neighborhood-Based” outreach periodical for each San Francisco Neighborhood. (SF Administrative Code Sec. 2.81-4).

# Selection Process

---

- Pursuant to Administrative Code Sections 2.81 through 2.81-4:
  - Each fiscal year, the Office of Contract Administration (OCA) must issue solicitations for the selection of an Official Newspaper, Community-Based outreach periodicals, and Neighborhood-Based outreach periodicals.
  - Upon receiving and reviewing the proposals, OCA makes recommendation for award to the Board of Supervisors who, by resolution, designates Official Newspaper, Community-Based" outreach periodicals, and Neighborhood-Based outreach periodicals for that fiscal year.

# The Clearinghouse Process

---

- Historically, the City has used a competitively selected clearinghouse to act as the central point of contact between the City and the various publications through which advertisements are placed. In this role, the clearinghouse receives and coordinates the placement of advertisement through the selected publications, timely processes payments to each publication, and then bills City on their behalf. This ensures publications, particularly small ones, are paid in a timely and efficient manner. It also reduces the administrative burden on City staff.
- Beginning in FY24-25, and consistent with the historical practice describe above, each awardee will be added as a subcontractor to the clearinghouse's contract with City, rather than signing a direct agreement with the City. This will reduce the current administrative burden on OCA, as well as the publications, almost all of whom are small operations with little capacity to enter into and manage a direct contract with the City.
