Section 4.2 of the Lease is deleted in its entirety and is replaced with the following language:

"Base Rent under the Lease shall be increased annually by \$1.00 per sq. ft. per year on each anniversary date of the Effective Date of the Second Amendment, beginning on the first anniversary of the Second Amendment."

"City shall pay to Landlord any charges or other amounts required under this Lease as additional rent ("Additional Charges"), including the charges for Real Estate Taxes and Operating Costs provided for herein below. All such Additional Charges shall be payable to Landlord at the place where the Base Rent is payable. Landlord shall have the same remedies for a default in the payment of any Additional Charges as for a default in the payment of Base Rent. The Base Rent and Additional Charges are sometimes collectively referred to in the Lease as "Rent."

Section 4 of the Lease is amended to add the following provisions:

"4.5 Definitions

For purposes hereof, the following terms shall have the meanings hereinafter set forth:

- (a) "Base Year" means the year specified in the Basic Lease Information.
- (b) "City's Percentage Share" means the percentage specified in the Basic Lease Information.
- (c) "Expense Year" means each calendar year commencing January 1st of each year during the Term, including any partial year in which this Lease commences; provided that Landlord, upon advance written notice to City, may change the Expense Year to any other twelve (12) consecutive month period and, in the event of any such change, City's Percentage Share of Operating Costs shall be equitably adjusted for the Expense Years involved in any such change. Expense Year shall not include the Base Year.
- (d) "Operating Costs" means the total reasonable and prudent costs and expenses actually paid or incurred by Landlord in connection with the management, operation, maintenance and repair of the Building, including, but not limited to: (1) the cost of air conditioning, electricity, steam, water, heating, mechanical, telephone, ventilating, escalator and elevator systems and all other utilities, (2) the cost of repairs and all labor and material costs related thereto, and the cost of general maintenance, cleaning and service contracts and the cost of all supplies, tools and equipment required in connection therewith, (3) the cost incurred by Landlord for all insurance required to be carried on the Building or the use or occupancy thereof, (4) wages, salaries, payroll taxes and other labor costs and employee benefits relating to employees of Landlord or its agents engaged in the operation, repair, or maintenance of the Building, allocated in proportion to the percentage of such person's working time actually spent working in connection with the Building, (5) reasonable management fees, (6) fees, charges and other costs of all independent contractors engaged by Landlord, allocated in proportion to the percentage of such person's working time actually spent working in connection with the Building, (7) accounting and legal expenses, (8) depreciation on personal property, including, without limitation, carpeting in public corridors and Common Areas and window coverings provided by Landlord, (9) the fair market rental value of offices in the Building for the property manager, (10) the cost of capital improvements made to the Building after completion of its construction as a labor-saving or energy saving device or to effect other economies in the operation or maintenance of the Building and which benefit the Premises, or made to the Building after the date of this Lease that are required under any governmental law or regulation that was not applicable to the Building at the time that permits for the construction thereof were obtained, unless caused by Landlord's deliberate or negligent violation of such law, rule or regulation, and except to the extent such improvements are attributable to or are made for the primary benefit of a tenant or occupant other than City, and (11) any other expenses reasonably incurred in connection with the management, operation, maintenance or repair of the Building (other than Real Estate Taxes and any services for which Landlord is separately and directly reimbursed by City or other tenants in the Building) which would, under generally accepted accounting principles, be considered an operating expense. The computation of Operating Costs shall be made in accordance with generally accepted accounting principles. With respect to the costs of items included in Operating Costs under (10), such costs shall be amortized over the useful life thereof, together with interest on the unamortized balance at a rate per annum equal to three (3) percentage points over the Treasury Rate charged at the time such item is constructed, but not more than the maximum rate permitted by law at the time such item is constructed.

In the event that in the Base Year for Operating Costs or in any Expense Year the Building is less than ninety-five percent (95%) occupied, the Operating Costs shall be appropriately adjusted to reflect a ninety-five percent (95%) occupancy level. In no event shall Landlord recapture more than one hundred percent (100%) of the Operating Costs in any Expense Year.

Notwithstanding the foregoing, "Operating Costs" shall exclude the items described on the attached Exhibit E.

(e) "Real Estate Taxes" means all taxes, assessments and charges levied upon or with respect to the portion of the Building owned by Landlord, or Landlord's interest in the Building. Notwithstanding the foregoing, Real Estate Taxes shall exclude (1) franchise, transfer, inheritance, gross receipts, or capital stock taxes or income taxes of Landlord from all sources unless, due to a change in the method of taxation, any of such taxes is levied or assessed against Landlord as a substitute for, or as an addition to, in whole or in part, any other tax that would otherwise constitute a Real Estate Tax, (2) any penalties, fines, interest or charges attributable to the late payment of any taxes, except to the extent attributable to City's failure to pay its portion of Real Estate Taxes hereunder, (3) any personal property taxes payable by City hereunder or by any other tenant or occupant of the Building, or (4) any increase in Real Estate Taxes due to any reassessment upon a transfer of any of Landlord's interest in the Building or the real property on which the Building is located.

(f) "Tax Year" means each calendar year during the Term, including any partial year during which this Lease may commence; provided that Landlord, upon notice to City, may change the Tax Year from time to time to any other twelve (12) consecutive month period and, in the event of any such change, City's Percentage Share of Real Estate Taxes shall be equitably adjusted for the Tax Year involved in any such change. Tax Year shall not include the Base Year.

4.6 Payment of Percentage Share of Operating Costs

During the Term, commencing after the end of the Base Year, City shall pay to Landlord each month, as Additional Charges, one twelfth (1/12) of City's Percentage Share of the amount, if any, by which Operating Costs for each Expense Year exceed the Operating Costs for the Base Year. City shall make such payments, in advance, in an amount estimated by Landlord in reasonable detail in a writing delivered to City. Landlord may revise such estimates of Operating Costs from time to time and City shall thereafter make payments on the basis of such revised estimates, provided that no such revisions shall be retroactive and Landlord may not make any such revisions more than twice in any given Expense Year and no such revision may be made any earlier than four (4) months subsequent to the prior estimate for such Expense Year. With reasonable promptness not to exceed sixty (60) days after the expiration of each Expense Year, Landlord shall furnish City with a statement (herein called "Landlord's Expense Statement"), prepared by an independent certified public accountant, setting forth in reasonable detail the Operating Costs for such Expense Year and City's Percentage Share thereof. If City's Percentage Share of the actual Operating Costs for such Expense Year exceeds the estimated Operating Costs paid by City for such Expense Year, City shall pay to Landlord (whether or not this Lease has terminated) the difference between the amount of estimated Operating Costs paid by City and City's Percentage Share of the actual Operating Costs within thirty (30) days after the receipt of Landlord's Expense Statement. If the total amount paid by City for any such Percentage Share of Operating Costs exceeds City's Operating Costs Share of the actual Operating Costs for such Expense Year, such excess shall be credited against the next installments of Operating Costs due from City to Landlord hereunder, or refunded to City, at City's option. Notwithstanding anything to the contrary contained herein, in no event shall any annual increase in City's Percentage Share of Operating Costs for any Expense Year exceed five percent (5%).

4.7 Payment of Percentage Share of Real Estate Taxes

During the Term, commencing after the end of the Base Year, City shall pay to Landlord each month, as Additional Charges, one twelfth (1/12) of City's Percentage Share of the amount, if any, by which Real Estate Taxes for each Tax Year exceed Real Estate Taxes for the Base Year. City shall make such payments, in advance, in an amount estimated by Landlord in reasonable detail in a writing delivered to City. With reasonable promptness not to exceed thirty (30) days after Landlord has received the tax bills for any Tax Year, Landlord shall furnish City with a statement ("Landlord's Tax Statement") setting forth the amount of Real Property Taxes for such Tax Year and City's Percentage Share thereof. If City's Percentage Share of the actual Real Estate Taxes for such Tax Year exceeds the estimated Real Estate Taxes paid by City for such Tax Year, City shall pay to Landlord (whether or not this Lease has terminated) City's Percentage Share of the actual Real Estate Taxes within thirty (30) days after the receipt of Landlord's Tax Statement. If the total amount of estimated Real Estate Taxes paid by City for such Tax Year exceeds City's Percentage Share of the actual Real Estate Taxes for such Tax Year, such excess shall be credited against the next installments of Real Estate Taxes due from City hereunder, or at City's option, such excess shall be refunded to City.

4.8 Proration

If the Commencement Date or Expiration Date shall occur on a date other than the first or last day of a Tax Year or Expense Year, City's Percentage Share of Real Estate Taxes or Operating Costs for the Tax Year or Expense Year in which the Commencement Date or Expiration Date occurs, shall be prorated based on a three hundred sixty-five (365)-day year.

4.9 Audits

City shall have the right, upon not less than five (5) business days' notice to Landlord, to audit the books and records of the Building related to Operating Costs and Real Estate Taxes. If such audit discloses any discrepancies which would result in a reduction of City's Percentage Share of Operating Costs for any Expense Year, Landlord shall immediately refund to City the amount of any overpayment by City. City shall pay the cost of such audit, provided that if such audit discloses any discrepancies which result in a reduction of City's Percentage Share of Operating Costs of three percent (3%) or more for any Expense Year, then Landlord shall pay the costs of such audit.

4.10 Additional Services

City reserves the right to request that Landlord, at City's cost, perform lease related services, improvements or incur additional expenses not covered under the Original Lease or First Amendment that City may require from time to time as requested by City's Real Estate Division. Tenant shall reimburse Landlord for such expenses, at rates agreed-upon in advance, and as they are incurred."

UTILITIES AND SERVICES

a. Section 9.2 of the Lease is deleted in its entirety and is replaced with the following language:

"Tenant shall be responsible for providing all services to the Premises, including janitorial and security. Tenant may elect to require that Landlord provide janitorial services to the Premises at a rate of \$1.50 per sq. ft. per year, or \$14,700 per year (\$1,225 per month). Janitorial services provided by Landlord shall be consistent with those of a First Class office building in San Francisco and shall be provided regularly, consistent with a typical general office tenant. Landlord shall not be obligated to provide security services or alarm system service to the Premises."

Section 22 and Section 22A of the Lease are deleted in their entirety.

2. Rentals and other related expenses for items (except when needed in connection with normal repairs and maintenance of permanent systems) which if purchased rather than rented, would constitute a capital improvement which is specifically excluded in item 1 above (excluding, however, equipment not affixed to the Building which is used in providing janitorial or similar services);

6. Leasing commissions, attorneys' and other professionals' fees, space planning costs and all other costs and expenses in connection with negotiations with present or prospective tenants or other occupants in the Building or any present or future ground lessors or holders of any mortgages or other encumbrances affecting any of the Building or the defense of Landlord's title to the Building or the real property on which it is located;
