**LEGISLATIVE DIGEST**

[Health Code - Approving a New Location for a Permittee's Medical Cannabis Dispensary Permit]

**Ordinance amending the Health Code to authorize the Director of the Department of Public Health to allow an existing Medical Cannabis Dispensary permittee to operate under that permit at a new location, provided the permittee has been verified by the Office of Cannabis as an Equity Applicant under the Police Code, the permittee has been evicted from the location associated with the permit or been notified by the landlord that the lease would be terminated or not renewed, the new location has an existing authorization for Medical Cannabis Dispensary Use, the permittee has complied with all requirements of Article 33 of the Health Code (the Medical Cannabis Act) with respect to the new location, and the permittee satisfies the provisions of Article 33 regarding authorization by the Office of Cannabis to sell Adult Use Cannabis; and affirming the Planning Department's determination under the California Environmental Quality Act.**

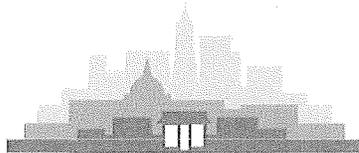

Existing Law

Existing law does not allow a Medical Cannabis Dispensary permitted under Article 33 of the Health Code and operating as a Grandfathered MCD pursuant to Planning Code section 190 ("Grandfathered MCD Permittee") to change the location associated with the permit.

Amendments to Current Law

This ordinance would authorize the Director of the Department of Public Health ("Director") to allow a Grandfathered MCD Permittee to change the location associated with the permit if the following criteria are met: the permittee submits a written request to the Director requesting the change and identifying the proposed new location; the permittee has been verified by the Office of Cannabis as an Equity Applicant under Section 1604(b) of the Police Code; the permittee has been evicted from the location associated with the permit or been notified by their landlord that the lease at that location will be or has been terminated or not renewed; the new location has an existing authorization for Medical Cannabis Dispensary Use under Sections 102 and 202.2 of the Planning Code; the permittee has complied with all applicable requirements of Article 33 of the Health Code, the Planning Code, and the Police Code with respect to the new location; the Planning Department, Department of Building Inspection, Mayor's Office on Disability, Fire Department, and Office of Cannabis ("Referring Agencies") review and inspect the new location as required and report their determinations to the Director; and the Director determines that the permittee has satisfied all of these requirements.
