RE: Accept and Expend Resolution

Dear Supervisors Chan, Mandelman, and Safaí,

The Department on the Status of Women is submitting a retroactive resolution for the Blue Shield of California Foundation Leveraging Collaboratives to End Domestic Violence grant program.

On September 21st, the Board of Supervisors approved File. No 230814, Resolution No. 423-23 Accept and Expend Grant – Retroactive – Blue Shield California Foundation – Leveraging Collaboratives to End Domestic Violence Program - \$150,000. Blue Shield California Foundation sent the Department a letter on November 8, 2023, providing additional funds to the grant totaling \$305,850.45. The grant will continue the work of the HEALing Roots Collaborative in addressing the root causes and economic effects of domestic violence and sexual violence in the City and County of San Francisco. The resolution is retroactive due to administrative delays.

Thank you.

Sincerely,
