20 **Section 1. Findings.**

21 (a) The San Francisco Police Department applied for the FY25 COPS Hiring Program
22 from the U.S. Department of Justice (DOJ), Office of Community Oriented Policing Services
23 (COPS) to increase community policing capacity and crime prevention efforts.

24 (b) On October 10, 2025, the DOJ COPS Office approved the Police Department's
25 application in the amount of \$6,250,000 to fund 50 new police officer positions with a match
amount of \$18,064,100.

1 (c) The grant award period is from October 1, 2025, to September 30, 2030.

2 (d) The grant will fund 50 entry-level police officer positions for approximately one year
3 within a three-year project period, and includes a minimum retention requirement of 12
4 months.

5 (e) The City Attorney's Office filed a lawsuit challenging certain unlawful conditions the
6 DOJ sought to impose on the Police Department's acceptance of this grant. *See City and*
7 *County of San Francisco, et al. v. U.S. Department of Justice, et al.*, Northern District Court for
8 California, Case No. 3:25-cv-09277. The challenged conditions include requirements that
9 grant recipients agree to comply with all Presidential Memoranda and all Executive Orders by
10 the President, and certify that they do not operate any programs (including any such programs
11 having components relating to diversity, equity, and inclusion) that violate any applicable
12 Federal civil rights or nondiscrimination laws. On January 21, 2026, the City obtained a
13 preliminary injunction against the DOJ enjoining its enforcement of the challenged, unlawful
14 conditions, which enabled the Police Department to accept the grant award without agreeing
15 to the challenged conditions.

16 (f) The Court's Order granting the preliminary injunction is on file with the Clerk of the
17 Board of Supervisors in File No. 260299 and is incorporated herein by reference. The City
18 Attorney's Office will be seeking summary judgment and a permanent injunction against the
19 challenged conditions.

20 (g) The grant award package, with the enjoined conditions in ~~strikeout text~~, and the
21 Police Department's accompanying supplemental statement confirming its award acceptance
22 is subject to the Preliminary Injunction, is on file with the Clerk of the Board of Supervisors in
23 File No. 260299 and are incorporated herein by reference
24

25 **Section 2. Authorization to Accept and Expend Grant Funds.**

1 (a) The Board of Supervisors hereby authorizes the Police Department to retroactively
2 accept and expend, on behalf of the City and County of San Francisco, grant funds from the
3 DOJ COPS Office in the amount of \$6,250,000.

4 (b) The Board of Supervisors hereby retroactively authorizes the Police Chief or the
5 Police Chief's designee to accept the grant award, subject to the Preliminary Injunction
6 enjoining the challenged conditions.

7 (c) The Board of Supervisors hereby authorizes the Police Chief or the Police Chief's
8 designee to enter into, execute, and deliver any and all documents that the Police Department
9 determines, in consultation with the City Attorney, are in the best interests of the City, do not
10 otherwise materially increase the obligations or liabilities of the City, are necessary to
11 effectuate the purposes of the grant, and are in compliance with all applicable laws.

12 (d) The Board of Supervisors hereby authorizes the Police Department to maximize
13 use of available grants funds on program expenditures by not including indirect costs in the
14 grant budget, and waiving indirect costs.

LEGISLATIVE DIGEST

[Accept and Expend Grant - Retroactive - FY25 COPS Hiring Program - U.S. Department of Justice - Amendment to the Annual Salary Ordinance for FYs 2025-2026 and 2026-2027 - \$6,250,000]

Ordinance retroactively authorizing the San Francisco Police Department to accept and expend a grant in the amount of \$6,250,000 from the U.S. Department of Justice, Office of Community Oriented Policing Services (COPS) under the FY25 COPS Hiring Program to fund 50 new police officer positions for approximately one year for the period of October 1, 2025, through September 30, 2030; and amending the Annual Salary Ordinance No. 120-25 (Annual Salary Ordinance, File No. 250590 for Fiscal Years 2025-2026 and 2026-2027) to provide for the addition of 50 grant-funded positions, in Class Q002, Police Officer (50 FTEs).

Proposed Accept and Expend Ordinance

The proposed ordinance would retroactively authorize the San Francisco Police Department to accept and expend a grant in the amount of \$6,250,000 from the United States Department of Justice, Office of Community Oriented Policing Services, to increase community policing capacity and crime prevention efforts.

Pursuant to Administrative Code § 10.170-1(d), the ordinance would also amend the Annual Salary Ordinance to reflect the addition of fifty (50) grant-funded full-time positions in Class Q002, Police Officer.

Item 10 File 26-0299	Department: Police Department
EXECUTIVE SUMMARY	
<p style="text-align: center;">Legislative Objectives</p> <ul style="list-style-type: none"> The proposed ordinance retroactively authorizes the San Francisco Police Department to (1) accept and expend a grant in the amount of \$6,250,000 from the U.S. Department of Justice, Office of Community Oriented Policing Services (COPS) to fund 50 new police officer positions for approximately one year from the period of October 1, 2025 through September 30, 2030, and (2) amends the Annual Salary Ordinance for Fiscal Years 2025-26 and 2026-27 to provide for the addition of 50 grant-funded police officer positions (Q002). <p style="text-align: center;">Key Points</p> <ul style="list-style-type: none"> The proposed ordinance creates 50 new grant-funded police officer positions (Q002 classification) in the Police Department. The proposed grant provides the City with \$6.25 million for the payment of three years of salaries and fringe benefits up to \$125,000 per officer during a five-year performance period. The Police Department must retain each grant funded position for at least 12 months after the three-year project period. <p style="text-align: center;">Fiscal Impact</p> <ul style="list-style-type: none"> Over three years of the grant, each position would cost approximately \$486,283, for a total personnel cost for all positions of over \$24.3 million. Less the \$6.25 million from the proposed grant award, the estimated match required by the City will be over \$18 million, or 74 percent, over the three years. This exceeds the 25 percent match requirement in the grant. Matching funds would be provided by the General Fund unless the officers work at the Airport Bureau Police Department or are funded through a workorder. If approved, costs to the City would likely be greater than these estimates, which do not include overtime and non-personnel costs. Ongoing costs for these positions following the end of the grant period would transition to other City funding sources. <p style="text-align: center;">Policy Consideration</p> <ul style="list-style-type: none"> The City’s acceptance of the grant funds is contingent on certain conditions of the grant being restrained, including requirements that grant recipients agree to comply with all Presidential Memoranda and all Executive Orders by the President, and certify that they do not operate any programs related to diversity, equity and inclusion. The City Attorney’s Office will be seeking judgment and a permanent injunction against these conditions, and a preliminary injunction will remain in effect while the Court adjudicates the summary judgment motion. If the Court does not grant a permanent injunction, the U.S. Department of Justice could terminate the grant and refuse to make future payments unless the City agrees to the challenged conditions. <p style="text-align: center;">Recommendation</p> <ul style="list-style-type: none"> Approve the proposed ordinance. 	

MANDATE STATEMENT

City Charter Section 9.118(a) states that contracts entered into by a department, board or commission having anticipated revenue to the City and County of one million dollars or more, or the modification, amendment or termination of any contract which when entered into had anticipated revenue of one million dollars or more, shall be subject to approval of the Board of Supervisors by resolution.

Administrative Code Section 10.170-1 requires Board of Supervisors approval for acceptance and expenditure of federal, state, and other grants of \$100,000 or more.

Administrative Code Section 2.1-1 states that the Board of Supervisors shall determine the maximum number of each class of employment in each of the various departments and offices of the City and County and shall fix rates and schedules of compensation.

BACKGROUND

Through the U.S. Department of Justice Community Oriented Policing Services (COPS) Office, the Police Department applied for the FY 25 COPS Hiring Program grant on June 25, 2025, and received a grant award notice on October 10, 2025. The grant award notice included the new conditions imposed by the current federal administration, including (a) requirements that grant recipients agree to comply with all Presidential Memoranda and all Executive Orders by the President, and (b) certify that they do not operate any programs that violate any applicable Federal civil rights or nondiscrimination laws, including any programs having components related to diversity, equity and inclusion. In addition, the Notice of Funding Opportunity (NOFO) prohibits COPS Office funding from being used: (c) to support a school or other educational agency that requires a COVID-19 vaccination to attend an in-person; (d) to “promote gender ideology”; (e) to pay for projects that advance diversity, equity, or inclusion, or environmental justice; (f) or if the recipient failed to protect public monuments from vandalism or destruction.

The City Attorney’s Office filed a lawsuit challenging the new conditions in SFPD’s COPS grant award on various legal grounds. The Court granted a preliminary injunction enjoining those conditions on January 21, 2026. Following the issuance of this order, the Police Department filed a supplemental statement submitted with the grant award acceptance, confirming that the Department’s consent is subject to the preliminary injunction and contingent on these conditions being restrained.

According to the City Attorney’s Office, the federal government did not appeal the preliminary injunction. The City Attorney’s Office will file a motion for summary judgment on April 17, 2026, seeking final judgment and a permanent injunction against the challenged conditions. The City’s motion will raise similar legal arguments to those raised in the City’s preliminary injunction motion. The Court will hear the motion on August 20, 2026. The January 21 preliminary injunction will continue to remain in place while the Court adjudicates the summary judgment motion.

The grant award also includes a condition that the grantee must comply with 8 U.S.C. 1373 concerning the exchange of information regarding immigration status of individuals with other governments. According to the City Attorney’s Office, the Ninth Circuit Court of Appeals has previously ruled that the City’s Sanctuary Ordinance complies with this statute.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance retroactively authorizes the San Francisco Police Department to (1) accept and expend a grant in the amount of \$6,250,000 from the U.S. Department of Justice, Office of Community Oriented Policing Services (COPS) to fund 50 new police officer positions for approximately one year from the period of October 1, 2025 through September 30, 2030, and (2) amends the Annual Salary Ordinance for Fiscal Years 2025-26 and 2026-27 to provide for the addition of 50 grant-funded police officer positions (Q002).

Program Description

According to the grant award, the FY25 COPS Hiring Program provides funding to law enforcement agencies to hire and/or rehire additional career law enforcement officers to increase community policing capacity and crime prevention efforts. The anticipated outcomes of the grant include engagement in planned community partnerships, implementation of projects to analyze and assess problems, implementation of changes to personnel and agency management in support of community policing, and increased capacity to engage in community policing activities.

New Grant-Funded Positions

The proposed ordinance amends the Annual Salary Ordinance for Fiscal Years 2025-26 and 2026-27 to create 50 new grant-funded police officer positions (Q002 classification) in the Police Department.

In accordance with grant requirements, the Department can allocate up to 50 percent of recruits from each police academy class to the grant. As of April 2026, 14 grant-funded positions were filled from the December 2025 academy class, and 13 grant-funded positions were filled from the February 2026 class. The Department plans to fill the remaining 23 grant-funded positions through future academy classes.

Grant Agreement

The proposed grant provides the City \$6.25 million to fund 50 additional police officers (Q002) positions in the Police Department. The grant term is five years from October 1, 2025 through September 30, 2030.

The funding is for the payment of three years of salaries and fringe benefits up to \$125,000 per officer during a five-year performance period. The Police Department must retain each grant funded position for at least 12 months after the three-year project period. The Police Department may not reduce its existing budget for sworn officers to make use of the grant award. Any budget cuts must be unrelated to the receipt of grant funds.

Match Requirement and Matching Funds

The FY 25 COPS Hiring Program requires grantees to provide at least 25 percent of the grant award. The local match must be from funds not previously budgeted for law enforcement purposes and must be paid during the award period.

The grant budget assumes a progressively larger share of the cost of the grant with local funds over the three-year project period, as part of the local match requirement. As a result, the local share must increase over time, while the federal share must decrease.

Following the conclusion of the project period, the ongoing costs to support these 50 officers will transition to other funding sources, depending on their assignment. Unless the officers work at the Airport Bureau Police Department or are funded through a workorder, they will be funded by the General Fund.

FISCAL IMPACT

The proposed grant budget of \$6.25 million will support the hiring of 50 new policer officer positions over three years.

The estimated annual personnel cost per officer is shown in Exhibit 1 below.

Exhibit 1: Estimated Annual Costs per New Police Officer

Personnel Cost	Year 1	Year 2	Year 3	Total
Wages	\$119,251	\$122,706	\$125,759	\$367,716
Social Security	7,394	7,6078	7,797	91,269
Medicare	1,729	1,779	1,824	5,332
Health Ins	9,836	9,836	9,836	29,508
Retirement	18,365	18,897	19,367	56,629
Dental	1,433	1,433	1,433	4,299
Total Annual Cost	\$158,008	\$162,259	\$166,016	\$486,283

Source: Proposed Grant Budget

Over three years of the grant, each position would cost approximately \$486,283, for a total personnel cost for all positions of over \$24.3 million. Less the \$6.25 million from the proposed grant award, the estimated match required by the City will be over \$18 million, or 74 percent, over the three years, shown in Exhibit 2 below. Matching funds would be provided by the General Fund unless the officers work at the Airport Bureau Police Department or are funded through a workorder.

Exhibit 2: Estimated City Match Requirements During Grant Period

Total 3-Year Personnel Costs per Officer	\$486,283
Total Personnel Costs for all 50 Officers	24,314,150
Grant Award Amount	6,250,000
Estimated City Match	\$18,064,150

Source: Proposed Grant Budget

If approved, costs to the City would likely be greater than these estimates, which do not include non-personnel costs or overtime. Ongoing costs for these positions following the end of the grant period would transition to other City funding sources.

The estimated annual personnel cost per officer in FY 2028-29 is \$172,000; the total personnel costs for these 50 officers is \$8.6 million.

According to the Department, as of April 2026, there are currently 248.50 vacant full-time equivalent positions in the police officer (Q002) classification, excluding any vacancies in the Airport Bureau Police Department.

POLICY CONSIDERATION

Preliminary Injunction Against Certain Conditions

As mentioned above, the Police Department’s acceptance of the grant funds is contingent on certain conditions of the grant being restrained, including requirements that grant recipients agree to comply with all Presidential Memoranda and all Executive Orders by the President, and certify that they do not operate any programs that violate any applicable Federal civil rights or nondiscrimination laws, including any programs having components related to diversity, equity and inclusion. The City Attorney’s Office will be seeking judgment and a permanent injunction against the challenged conditions, and the preliminary injunction will remain in effect while the Court adjudicates the summary judgment motion. If the Court does not grant a permanent injunction, the U.S. Department of Justice could terminate the grant and refuse to make future payments unless the City agrees to the challenged conditions.

RECOMMENDATION

Approve the proposed ordinance.

Local Match Details

Local Match Progression Table

As part of the local match requirement for the COPS Hiring Program, grantees must assume a progressively larger share of the cost of the grant with local funds over the three-year grant period. This means that your local match must increase each year, while the federal share must decrease.

Please project in the chart below how your agency plans to assume a progressively larger share of the grant cost during each year of the program. The chart is only a projection of your plans. While your agency may deviate from these specific projects during the grant period, it must still ensure that the federal share decreases and the local share increases.

	Year 1	Year 2	Year 3	Total	Total from Budget
Local Match	\$1,650,367	\$8,112,936	\$8,300,796	\$18,064,100	\$18,064,100
Federal Share	\$6,250,000	—	—	\$6,250,000	\$6,250,000
Total	\$7,900,367.48	\$8,112,936.35	\$8,300,796.17	\$24,314,100	\$24,314,100

Waiver of Local Match

The COPS Office may waive some or all of a grantee's local match requirement based on severe fiscal distress. During the application review process, your agency's waiver request will be evaluated based on the availability of funding, a demonstration of severe fiscal distress as reflected through the fiscal health data provided in the application, and a comparison of your fiscal health data with that of the overall applicant pool.

Indirect Costs

Instructions

Indirect costs are allowed only if: a) the applicant has a current, federally approved indirect cost rate; or b) the applicant is eligible to use and elects to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f). (See paragraph D.1.b. in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals for a description of entities that may not elect to use the "de minimis" rate.) An applicant with a current, federally approved indirect cost rate must attach a copy of the rate approval, (a fully-executed, negotiated agreement). If the applicant does not have an approved rate, one can be requested by contacting the applicant's cognizant Federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant's accounting system permits, costs may be allocated in the direct costs categories. (Applicant Indian tribal governments, in particular, should review Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals regarding submission and documentation of indirect cost proposals.) All requested information must be included in the budget detail worksheet and budget narrative. In order to use the "de minimis" indirect rate an applicant would need to attach written documentation to the application that advises DOJ of both the applicant's eligibility (to use the "de minimis" rate) and its election. If the applicant elects the de minimis method, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. In addition, if this method is chosen then it must be used consistently for all federal awards until such time as the applicant entity chooses to negotiate a federally approved indirect cost rate.

Award Letter

October 10, 2025

Dear Paul Yep,

On behalf of Attorney General Pamela Bondi, it is my pleasure to inform you the Office of Community Oriented Policing Services (the COPS Office) has approved the application submitted by CITY & COUNTY OF SAN FRANCISCO for an award under the funding opportunity entitled 2025 FY25 COPS Hiring Program. The approved award amount is \$6,250,000.

Review the Award Instrument below carefully and familiarize yourself with all conditions and requirements before accepting your award. The Award Instrument includes the Award Offer (Award Information, Project Information, Financial Information, and Award Conditions) and Award Acceptance. For COPS Office and OVW funding the Award Offer also includes any Other Award Documents.

Please note that award requirements include not only the conditions and limitations set forth in the Award Offer, but also compliance with assurances and certifications that relate to conduct during the period of performance for the award. These requirements encompass financial, administrative, and programmatic matters, as well as other important matters (e.g., specific restrictions on use of funds). Therefore, all key staff should receive the award conditions, the

assurances and certifications, and the application as approved by the COPS Office, so that they understand the award requirements. Information on all pertinent award requirements also must be provided to any subrecipient of the award.

Should you accept the award and then fail to comply with an award requirement, DOJ will pursue appropriate remedies for non-compliance, which may include termination of the award and/or a requirement to repay award funds.

Prior to accepting the award, your Entity Administrator must assign a Financial Manager, Grant Award Administrator, and Authorized Representative(s) in the Justice Grants System (JustGrants). The Entity Administrator will need to ensure the assigned Authorized Representative(s) is current and has the legal authority to accept awards and bind the entity to the award terms and conditions. To accept the award, the Authorized Representative(s) must accept all parts of the Award Offer in the Justice Grants System (JustGrants), including by executing the required declaration and certification, within 45 days from the award date.

To access your funds, you will need to enroll in the Automated Standard Application for Payments (ASAP) system, if you haven't already completed the enrollment process in ASAP. The Entity Administrator should have already received an email from ASAP to initiate this process.

Congratulations, and we look forward to working with you.

Office for Civil Rights Notice for All Recipients

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) enforces federal civil rights laws and other provisions that prohibit discrimination by recipients of federal financial assistance from OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW).

Several civil rights laws, including Title VI of the Civil Rights Act of 1964 and Section 504 of the Rehabilitation Act of 1973, require recipients of federal financial assistance (recipients) to give assurances that they will comply with those laws. Taken together, these and other civil rights laws prohibit recipients from discriminating in the provision of services and employment because of race, color, national origin, religion, disability, and sex or from discriminating in the provision of services on the bases of age.

Some recipients of DOJ financial assistance have additional obligations to comply with other applicable nondiscrimination provisions like the Omnibus Crime Control and Safe Streets Act of 1968, which prohibits discrimination on the basis of religion in addition to race, color, national origin, and sex. Recipients may also have related requirements regarding the development and implementation of equal employment opportunity programs.

OCR provides technical assistance, training, and other resources to help recipients comply with civil rights obligations. Further, OCR administratively enforces civil rights laws and nondiscrimination provisions by investigating DOJ recipients that are the subject of discrimination complaints. In addition, OCR conducts compliance reviews of DOJ recipients based on regulatory criteria. These investigations and compliance reviews permit OCR to evaluate whether DOJ recipients are providing services to the public and engaging in employment practices in a nondiscriminatory manner.

For more information about OCR, your civil rights and nondiscrimination responsibilities, how to notify your employees or beneficiaries of their civil rights protections and responsibilities and how to file a complaint, as well as technical assistance, training, and other resources, please visit www.ojp.gov/program/civil-rights-office/outreach. If you would like OCR to assist you in fulfilling your civil rights or nondiscrimination responsibilities, please contact us at askOCR@ojp.usdoj.gov or www.ojp.gov/program/civil-rights-office/about#ocr-contacts.

Award Conditions

This award is offered subject to the conditions or limitations set forth in the Award Information, Project Information, Financial Information, and Award Conditions.

Condition 1

Restrictions on Internal Confidentiality Agreements: No recipient or subrecipient under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an

internal confidentiality agreement or statement that prohibits or otherwise restricts the lawful reporting of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. Full-Year Continuing Appropriations and Extensions Act, 2025, Public Law 119-4; Further Consolidated Appropriations Act, 2024, Public Law 118-47, Division B, Title VII, Section 742.

Condition 2

Compliance with 8 U.S.C. § 1373: Authority to obligate or expend contingent on compliance with this condition. State or local government entity recipients of this award, and any subrecipient of this award at any tier that is an entity of a State or of a unit of local government, must comply with 8 U.S.C. §1373, which provides that such entities may not prohibit, or in any way restrict, any government entity or official from sending to, receiving from, maintaining, or exchanging information regarding citizenship or immigration status, lawful or unlawful, of any individual with components of the U.S. Department of Homeland Security or any other federal, state or local government entity. This includes any prohibitions or restrictions imposed or established by a State or local government entity or official.

Any obligations or expenditures of a recipient or subrecipient that are impermissible under this condition shall be unallowable costs for purposes of this award.

References to the Immigration and Naturalization Service in 8 U.S.C. 1373 are to be read, as a legal matter, as references to components of the U.S. Department of Homeland Security.

Condition 3

Federal Civil Rights and Nondiscrimination Laws (certification): The recipient agrees that its compliance with all applicable Federal civil rights and nondiscrimination laws is material to the government's decision to make this award and any payment thereunder, including for purposes of the False Claims Act (31 U.S.C. 3729-3730 and 3801-3812), and, by accepting this award, certifies that it does not operate any programs (including any such programs having components relating to diversity, equity, and inclusion) that violate any applicable Federal civil rights or nondiscrimination laws.

Condition 4

Federal Laws, Presidential Memoranda, and Executive Orders: Recipients of grant funding must comply with all applicable federal laws and Presidential Memoranda and all Executive Orders by the President.

Condition 5

Award Monitoring Activities: Federal law requires that recipients receiving federal funding from the COPS Office must be monitored to ensure compliance with their award conditions and other applicable statutes and regulations. The COPS Office is also interested in tracking the progress of our programs and the advancement of community policing. Both aspects of award implementation—compliance and programmatic benefits—are part of the monitoring process coordinated by the U.S. Department of Justice. Award monitoring activities conducted by the COPS Office include site visits, enhanced office-based grant reviews, alleged noncompliance reviews, financial and programmatic reporting, and audit resolution. As a COPS Office award recipient, you agree to cooperate with and respond to any requests for information pertaining to your award. This includes all financial records, such as general accounting ledgers and all supporting documents. All information pertinent to the implementation of the award is subject to agency review throughout the life of the award, during the close-out process and for three-years after the submission of the final expenditure report. 2 C.F.R. §§ 200.334 and 200.337, and, as applicable, 34 U.S.C. § 10385(a).

Condition 6

Authorized Representative Responsibility: The recipient understands that, in accepting this award, the Authorized Representatives declare and certify, among other things, that they possess the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accept (or adopt) all material requirements throughout the period of performance under this award. The recipient further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

Condition 7

Contract Provision: All contracts made by the award recipients under the federal award must contain the provisions required under 2 C.F.R. Part 200, Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under

Federal Awards. Please see appendices in the Award Owner's Manual for a full text of the contract provisions.

Condition 8

Award Owner's Manual: The recipient agrees to comply with the terms and conditions in the applicable award year COPS Office Program Award Owner's Manual; DOJ Grants Financial Guide; COPS Office statute (34 U.S.C. § 10381, et seq.) as applicable; Students, Teachers, and Officers Preventing (STOP) School Violence Act of 2018 (34 U.S.C. § 10551, et seq.) as applicable; the requirements of 2 C.F.R. Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards), including subsequent changes, as adopted by the U.S. Department of Justice in 2 C.F.R. § 2800.101; 48 C.F.R. Part 31 (FAR Part 31) as applicable (Contract Cost Principles and Procedures); the Cooperative Agreement as applicable; representations made in the application; and all other applicable program requirements, laws, orders, regulations, or circulars.

Failure to comply with one or more award requirements may result in remedial action including, but not limited to, withholding award funds, disallowing costs, suspending, or terminating the award, or other legal action as appropriate.

Should any provision of a condition of this award be held to be invalid or unenforceable by its terms, then that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law (to any person or circumstance) under this award. Should it be held, instead, that a condition (or a provision thereof) is of utter invalidity or unenforceability, such condition (or such provision) shall be deemed severable from this award.

Condition 9

Federal Civil Rights: The recipient and any subrecipient must comply with applicable federal civil rights and nondiscrimination statutes and regulations including: Section 601 of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), as implemented in Subparts C and D of 28 C.F.R. Part 42; section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), as implemented in Subpart G of 28 C.F.R. Part 42; section 901 of the Education Amendments of 1972 (20 U.S.C. § 1681), as implemented in Subpart D of 28 C.F.R. Parts 22 (Confidentiality of Identifiable Research and Statistical Information); 28 C.F.R. Part 23 (Criminal Intelligence Systems Operating Policies); 28 C.F.R. Part 38 (Partnerships with Faith-Based and Other Neighborhood Organizations); and 28 C.F.R. Part 46 (Protection of Human Subjects). For an overview of the civil rights laws and nondiscrimination requirements in connection with your award, please see <https://www.ojp.gov/program/civil-rights/overview>.

I. Reporting of Matters Related to Recipient Integrity and Performance

(a) General Reporting Requirement.

(1) If the total value of your active grants, cooperative agreements, and procurement contracts from all Federal agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient must ensure the information available in the responsibility/qualification records through the System for Award Management (SAM.gov), about civil, criminal, or administrative proceedings described in paragraph (b) of this award term is current and complete. This is a statutory requirement under section 872 of Public Law 110–417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111–212, all information posted in responsibility/qualification records in SAM.gov on or after April 15, 2011 (except past performance reviews required for Federal procurement contracts) will be publicly available.

(b) Proceedings About Which You Must Report.

(1) You must submit the required information about each proceeding that—

(i) Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;

(ii) Reached its final disposition during the most recent five-year period; and

(iii) Is one of the following—

(A) A criminal proceeding that resulted in a conviction;

(B) A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of \$5,000 or more;

(C) An administrative proceeding that resulted in a finding of fault and liability and your payment of either a monetary fine or penalty of \$5,000 or more or reimbursement, restitution, or damages in excess of \$100,000; or

(D) Any other criminal, civil, or administrative proceeding if—

(1) It could have led to an outcome described in paragraph (b)(1)(iii)(A) through (C);

(2) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and

(3) The requirement in this award term to disclose information about the proceeding does not conflict with applicable laws and regulations.

(c) Reporting Procedures. Enter the required information in SAM.gov for each proceeding described in paragraph (b) of this award term. You do not need to submit the information a second time under grants and cooperative agreements that you received if you already provided the information in SAM.gov because you were required to do so under Federal procurement contracts that you were awarded.

(d) Reporting Frequency. During any period of time when you are subject to the requirement in paragraph (a) of this award term, you must report proceedings information in SAM.gov for the most recent five-year period, either to report new information about a proceeding that you have not reported previously or affirm that there is no new information to report. If you have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000, you must disclose semiannually any information about the criminal, civil, and administrative proceedings.

(e) Definitions. For purposes of this award term—

Administrative proceeding means a nonjudicial process that is adjudicatory in nature to make a determination of fault or liability (for example, Securities and Exchange Commission Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings). This includes proceedings at the Federal and State level but only in connection with the performance of a Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

Conviction means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere. Total value of currently active grants, cooperative agreements, and procurement contracts includes the value of the Federal share already received plus any anticipated Federal share under those awards (such as continuation funding).

Condition 14

Reporting Subawards and Executive Compensation: The recipient agrees to comply with the following requirements of 2 C.F.R. Part 170, Appendix A to Part 170 – Award Term:

I. Reporting Subawards and Executive Compensation

(a) Reporting of first-tier subawards—(1) Applicability. Unless the recipient is exempt as provided in paragraph (d) of this award term, the recipient must report each subaward that equals or exceeds \$30,000 in Federal funds for a subaward to an entity or Federal agency. The recipient must also report a subaward if a modification increases the Federal funding to an amount that equals or exceeds \$30,000. All reported subawards should reflect the total amount of the subaward.

(2) Reporting Requirements. (i) The entity or Federal agency must report each subaward described in paragraph (a)(1) of this award term to the Federal Funding Accountability and Transparency Act Subaward Reporting System (FSRS) at <http://www.fsrs.gov>.

(ii) For subaward information, report no later than the end of the month following the month in which the subaward was issued. (For example, if the subaward was made on November 7, 2025, the subaward must be reported by no later than December 31, 2025).

(b) Reporting total compensation of recipient executives for entities—(1) Applicability. The recipient must report the total compensation for each of the recipient's five most highly compensated executives for the preceding completed fiscal year if:

(i) The total Federal funding authorized to date under this Federal award equals or exceeds \$30,000;

(ii) in the preceding fiscal year, the recipient received:

(A) 80 percent or more of the recipient's annual gross revenues from Federal procurement contracts (and subcontracts) and Federal awards (and subawards) subject to the Transparency Act; and

(B) \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts) and Federal awards (and subawards) subject to the Transparency Act; and,

(iii) The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986 after receiving this subaward. (To determine if the public has access to the compensation information, see the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>.)

(2) Reporting Requirements. The recipient must report executive total compensation described in paragraph (b)(1) of this appendix:

(i) As part of the recipient's registration profile at <https://www.sam.gov>.

(ii) No later than the month following the month in which this Federal award is made, and annually after that. (For example, if this Federal award was made on November 7, 2025, the executive total compensation must be reported by no later than December 31, 2025.)

(c) Reporting of total compensation of subrecipient executives—(1) Applicability. Unless a first-tier subrecipient is exempt as provided in paragraph (d) of this appendix, the recipient must report the executive total compensation of each of the subrecipient's five most highly compensated executives for the subrecipient's preceding completed fiscal year, if:

(i) The total Federal funding authorized to date under the subaward equals or exceeds \$30,000;

(ii) In the subrecipient's preceding fiscal year, the subrecipient received:

(A) 80 percent or more of its annual gross revenues from Federal procurement contracts

(and subcontracts) and Federal awards (and subawards) subject to the Transparency Act; and,

(B) \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts), and Federal awards (and subawards) subject to the Transparency Act; and

(iii) The public does not have access to information about the compensation of the executives through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986 after receiving this subaward. (To determine if the public has access to the compensation information, see

the U.S. Security and Exchange Commission total compensation filings at <http://www.sec.gov/answers/execomp.htm>.)

(2) Reporting Requirements. Subrecipients must report to the recipient their executive total compensation described in paragraph

(c)(1) of this appendix. The recipient is required to submit this information to the

Federal Funding Accountability and Transparency Act Subaward Reporting System (FSRS) at <http://www.fsrs.gov> no

later than the end of the month following the month in which the subaward was made. (For example, if the subaward was made on November 7, 2025, the subaward must be reported by no later than December 31, 2025).

(d) Exemptions. (1) A recipient with gross income under \$300,000 in the previous tax year is exempt from the requirements to report:

(i) Subawards, and

(ii) The total compensation of the five most highly compensated executives of any subrecipient.

(e) Definitions. For purposes of this award term:

Entity includes:

(1) Whether for profit or nonprofit:

(i) A corporation;

(ii) An association;

(iii) A partnership;

(iv) A limited liability company;

(v) A limited liability partnership;

(vi) A sole proprietorship;

(vii) Any other legal business entity;

(viii) Another grantee or contractor that is not excluded by subparagraph (2); and

(ix) Any State or locality;

(2) Does not include:

(i) An individual recipient of Federal financial assistance; or

(ii) A Federal employee.

Executive means an officer, managing partner, or any other employee holding a management position.

Subaward has the meaning given in 2 CFR200.1.

Subrecipient has the meaning given in 2CFR 200.1.

Total Compensation means the cash and noncash dollar value an executive earns during an entity's preceding fiscal year. This includes all items of compensation as prescribed in 17 CFR 229.402(c)(2).

Condition 15

Assurances and Certifications: The recipient acknowledges its agreement to comply with the Assurances and Certifications forms that were signed as part of its application.

Condition 16

Conflict of Interest: Recipients and subrecipients must disclose in writing to the COPS Office or pass-through entity, as applicable, any potential conflict of interest affecting the awarded federal funding in 2 C.F.R. § 200.112.

Condition 17

Debarment and Suspension: The recipient agrees not to award federal funds under this program to any party which is debarred or suspended from participation in federal assistance programs. 2 C.F.R. Part 180 (Government-wide Nonprocurement Debarment and Suspension) and 2 C.F.R. Part 2867 (DOJ Nonprocurement Debarment and Suspension).

Condition 18

Equal Employment Opportunity Plan (EEOP): Please see the Office for Civil Rights website <https://www.ojp.gov/eeop-notice> for current information on the recipient's responsibilities related to the federal regulations pertaining to the development and implementation of an Equal Employment Opportunity Plan.

Condition 19

Employment Eligibility: The recipient agrees to complete and keep on file, as appropriate, the Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) Employment Eligibility Verification Form (I-9). This form is to be used by recipients of federal funds to verify that persons are eligible to work in the United States. Immigration Reform and Control Act of 1986 (IRCA), Public Law 99-603.

Condition 20

Enhancement of Contractor Protection from Retaliation for Disclosure of Certain Information: Recipients and subrecipients agree not to discharge, demote, or otherwise discriminate against an employee as retaliation for the employee disclosing information that he or she reasonably believes is evidence of gross mismanagement of a federal

contract or award, a gross waste of federal funds, an abuse of authority relating to a federal contract or award, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or award. Recipients and subrecipients also agree to provide to their employees in writing (in the predominant native language of the workforce) of the rights and remedies provided in 41 U.S.C. § 4712. Please see appendices in the Award Owner's Manual for a full text of the statute.

Condition 21

False Statements: False statements or claims made in connection with COPS Office awards may result in fines, imprisonment, debarment from participating in federal awards or contracts, and/or any other remedy available by law. 31 U.S.C. § 3729-3733.

Condition 22

Mandatory Disclosure: Recipients and subrecipients must timely disclose in writing to the Federal awarding agency or pass-through entity, as applicable, all federal criminal law violations involving fraud, bribery, or gratuity that may potentially affect the awarded federal funding. Recipients that receive an award over \$500,000 must also report certain civil, criminal, or administrative proceedings in SAM and are required to comply with the Term and Condition for Recipient Integrity and Performance Matters as set out in 2 C.F.R. Part 200, Appendix XII to Part 200. Failure to make required disclosures can result in any of the remedies, including suspension and debarment, described in 2 C.F.R. § 200.339. 2 C.F.R. § 200.113.

Condition 23

Reports/Performance Goals: To assist the COPS Office in monitoring and tracking the performance of your award, your agency will be responsible for submitting semi-annual programmatic performance reports that describe project activities during the reporting period and quarterly Federal Financial Reports using Standard Form 425 (SF-425). 2 C.F.R. §§ 200.328 - 200.329. The performance report is used to track your agency's progress in implementing the award, and, as applicable, community policing strategies including gauging the effectiveness of your agency's community policing capacity. The Federal Financial Report is used to track the expenditures of the recipient's award funds on a cumulative basis throughout the life of the award.

Condition 24

System for Award Management (SAM.gov) and Universal Identifier Requirements: The recipient agrees to comply with the following requirements of 2 C.F.R. Part 25, Appendix A to Part 25 – Award Term:

I. System for Award Management (SAM.gov) and Universal Identifier Requirements

(a) **Requirement for System for Award Management.** (1) Unless exempt from this requirement under 2 CFR 25.110, the recipient must maintain a current and active registration in SAM.gov. The recipient's registration must always be current and active until the recipient submits all final reports required under this Federal award or receives the final payment, whichever is later. The recipient must review and update its information in SAM.gov at least annually from the date of its initial registration or any subsequent updates to ensure it is current, accurate, and complete. If applicable, this includes identifying the recipient's immediate and highest-level owner and subsidiaries and providing information about the recipient's predecessors that have received a Federal award or contract within the last three years.

(b) **Requirement for Unique Entity Identifier (UEI).** (1) If the recipient is authorized to make subawards under this Federal award, the recipient:

(i) Must notify potential subrecipients that no entity may receive a subaward until the entity has provided its UEI to the recipient.

(ii) Must not make a subaward to an entity unless the entity has provided its UEI to the recipient. Subrecipients are not required to complete full registration in SAM.gov to obtain a UEI.

(c) **Definitions.** For the purposes of this award term:

System for Award Management (SAM.gov) means the Federal repository into which a recipient must provide the information required for the conduct of business as a recipient. Additional information about registration procedures may be found in SAM.gov (currently at <https://www.sam.gov>).

Unique entity identifier means the universal identifier assigned by SAM.gov to uniquely identify an entity.

Entity is defined at 2 CFR 25.400 and includes all of the following types as defined in 2 CFR 200.1:

- (1) Non-Federal entity;
- (2) Foreign organization;
- (3) Foreign public entity;

(4) Domestic for-profit organization; and

(5) Federal agency.

Subaward has the meaning given in 2 CFR 200.1.

Subrecipient has the meaning given in 2 CFR 200.1.

Condition 25

Additional High-Risk Recipient Requirements: The recipient agrees to comply with any additional requirements that may be imposed during the award performance period if the awarding agency determines that the recipient is a high-risk recipient. 2 C.F.R. § 200.208.

Condition 26

Evaluations: The COPS Office may conduct monitoring or sponsor national evaluations of its award programs. The recipient agrees to cooperate with the monitors and evaluators. 34 U.S.C. § 10385(b).

Condition 27

Background Investigations: Recipients agree to ensure that each officer(s) hired with CHP funding will be subject to a background investigation, notify the COPS Office upon completion of the background investigation for each officer hired under the CHP award, and cooperate with the COPS Office and provide updates on the status of background investigations upon request. 2 C.F.R. § 200.208

If the COPS Office determines that CHP funds are being used to pay the salary and fringe benefits of an officer who has not undergone a background investigation, the COPS Office may temporarily suspend grant funds in accordance with 2 C.F.R. §200.339 until the agency can demonstrate the background investigation has been completed.

Condition 28

Retention: At the time of award application, your agency committed to retaining all sworn officer positions awarded under the CHP award with state and/or local funds for a minimum of 12 months following the conclusion of 36 months of federal funding for each position, over and above the number of locally-funded sworn officer positions that would have existed in the absence of the award. Your agency cannot satisfy the retention requirement by using CHP-funded positions to fill locally-funded vacancies resulting from attrition. 34 U.S.C. § 10382 (c)(8).

Condition 29

Allowable Costs Condition: The funding under this project is for the payment of three years (36 months) of approved full-time entry-level salaries and fringe benefits during the five-year (60 months) period of performance. The maximum federal share is \$125,000 per officer position (unless a local match waiver is approved) for career law enforcement officer positions hired and/or rehired on or after the official award start date. Any salary and fringe benefit costs higher than entry-level that your agency pays a CHP-funded officer must be paid with local funds. Your agency is required to use CHP award funds for the specific hiring categories awarded. In accordance with 2 C.F.R. § 200.400(g), the recipient or subrecipient must not earn or keep any profit resulting from the award. Funding under this program may be used for the following categories:

- Hiring new officers, which includes filling existing officer vacancies that are no longer funded in your agency's budget;
- Rehiring officers laid off by any jurisdiction as a result of state, local, or Bureau of Indian Affairs (BIA) budget reductions; and/or
- Rehiring officers who were, at the time of award application, scheduled to be laid off (by your jurisdiction) on a specific future date as a result of state, local, or BIA budget reductions.

If your agency's local fiscal conditions have changed and your agency needs to change one or more of the funded hiring categories, your agency should request an award modification and receive prior approval before spending CHP funding under the new category. The approved budget in the award package specifies the amount of CHP funds awarded to your agency. Please note that the salary and fringe benefit costs requested in your CHP application may have been adjusted or removed. Your agency may only be reimbursed for the approved cost categories up to the amounts specified in the approved budget. Only actual allowable costs incurred during the award period will be eligible for reimbursement and drawdown. If your agency experiences any cost savings over the course of the award (for example, your award application overestimated the total entry-level officer salary and fringe benefits package), your agency may not use that excess funding to continue salary payments to the officers beyond 36 months. Any funds remaining after your agency has drawn down for the costs of approved salaries and fringe benefits incurred for each awarded position during the 36-month funding period will be deobligated during the closeout process and should not be spent by your agency.

Condition 30

Advancing Department of Justice Priority Problem Focus Areas: This condition applies to agencies that selected one of the following priority crime problem/focus areas to address in their COPS Hiring Program (CHP) application:

- Violent Crime
- Squatting and Encampment Enforcement
- Homeland and Border Security
- Nuisance and Abatement and Quality of Life
- School Based Policing

Your agency understands and agrees to the following: Your agency will implement the one specific community policing plan identified in your CHP award application?

Your agency will address its specific priority crime problem throughout the entire CHP award period?

Your agency will implement any organizational changes identified in its CHP award application;

Your agency will cooperate with any award monitoring by the COPS Office to ensure that it is initiating or enhancing its community policing efforts to address its priority crime problem, which may include your agency having to respond to additional or modified reporting requirements.

Condition 31

Supplementing, not Supplanting: State, local, and tribal government recipients must use award funds to supplement, and not supplant, state, local, or Bureau of Indian Affairs (BIA) funds that are already committed or otherwise would have been committed for award purposes (hiring, training, purchases, and/or activities) during the award period. In other words, state, local, and tribal government recipients may not use COPS Office funds to supplant (replace) state, local, or BIA funds that would have been dedicated to the COPS Office-funded item(s) in the absence of the COPS Office award. 34 U.S.C. § 10384(a).

Condition 32

Career Law Enforcement Officer: Officer hiring funds may only be used to pay entry-level salaries and fringe benefits for full-time "career law enforcement officers" for 36 months. The COPS Office's statute defines a "career law enforcement officer" as "a person hired on a permanent basis who is authorized by law or by a State or local public agency to engage in or supervise the prevention, detection, or investigation of violations of criminal laws." 34 U.S.C. §10389(1). A recipient agency may use officer hiring funds to pay the salary and benefits of recruits while in academy training to become "career law enforcement officers" if it is the standard practice of the agency to do so with locally-funded recruits. The State of Alaska, and any Indian tribe or tribal organization in that State, may also use officer hiring funds for a "village public safety officer" defined as "an individual employed as a village public safety officer under the program established by the State pursuant to Alaska Statute 18.65.670." Tribal Law and Order Act of 2010, Pub. L. 111-211, title II, § 247 (a)(2).

Condition 33

Local Match: COPS Hiring Program award recipients are required to contribute a local match of at least 25 percent towards the total cost of the approved award project, unless waived in writing by the COPS Office. The local match must be a cash match from funds not previously budgeted for law enforcement purposes and must be paid during the award period. The local match contribution must be made on an increasing basis during each year of the three-year award period, with the federal share decreasing accordingly. 34 U.S.C. § 10381(g).

Condition 34

Modifications: Occasionally, a change in an agency's fiscal or law enforcement situation necessitates a change in its COPS Office CHP award. Award modifications under CHP are evaluated on a case-by-case basis in accordance with 2 C.F.R. § 200.308(i). For federal awards in excess of the simplified acquisition threshold (currently \$250,000), any modification request involving the reallocation of funding between budget categories that exceed or are expected to exceed 10 percent (10%) of the total approved budget requires prior written approval by the COPS Office. Regardless of the federal award amount or budget modification percentage, any reallocation of funding is limited to approved budget categories. In addition, any budget modification that changes the scope of the project requires prior written approval by the COPS Office. In addition, please be aware that the COPS Office will not approve any modification request that results in an increase of federal funds.

In addition, modification requests should be submitted to the COPS Office when an agency determines that it will need

to shift officer positions awarded in one hiring category into a different hiring category and/or reduce the total number of positions awarded. For example, if an agency was awarded CHP funding for two new, additional sworn officer positions, but due to fiscal distress/constraints the agency needs to change the hiring category from the new hire category to the rehire category for officers laid off or scheduled for layoff on a specific future date post-application, the agency would have to request a modification. The COPS Office will only consider a modification request after an agency makes final, approved budget and/or personnel decisions. An agency may implement the modified award following written approval from the COPS Office. Please be aware that the COPS Office will not approve any modification request that results in an increase of federal funds.

During the CHP award period, it may become necessary for an agency to modify its CHP award due to changes in an agency's fiscal or law enforcement situation. Modification requests should be submitted to the COPS Office when an agency determines that it will need to shift officer positions awarded in one hiring category into a different hiring category, reduce the total number of positions awarded, shift funds among benefit categories, and/or reduce the entry-level salary and fringe benefit amounts. For example, an agency may have been awarded CHP funding for 10 new, additional full-time sworn officer positions, but due to severe fiscal distress/constraints, the agency determines it is unable to sustain all 10 positions and must reduce its request to five full-time positions; or an agency may have been awarded CHP funding for two new, additional sworn officer positions, but due to fiscal distress/constraints the agency needs to change the hiring category from the new hire category to the rehire category for officers laid off or scheduled for layoff on a specific future date post-application. Award modifications under CHP are evaluated on a case-by-case basis. The COPS Office will only consider a modification request after an agency makes final, approved budget and/or personnel decisions. An agency may implement the modified award following written approval from the COPS Office. Please be aware that the COPS Office will not approve any modification request that results in an increase of federal funds.

Condition 35

School Resource Officer (SRO) Training Requirement: COPS Office-funded SROs are required to complete a 40-hour basic SRO training course from a list of COPS Office-approved providers. Training must be completed no later than nine months after the date shown on the award congratulatory letter or six months from the date of the SRO's hire, whichever comes first. If a COPS Office-funded SRO leaves the recipient agency after completing the training, the recipient agrees to pay for the new SRO, who is assigned to backfill this position, to attend a 40-hour basic training course. The new SRO must complete the training no later than nine months after being placed in the school. If the officer has completed 40-hour basic training within the last 12 months prior to the award date, the condition has been fulfilled. Any longer than 12 months will require the officer to retake the course. The agency must coordinate with the training provider to secure funding to cover registration and travel expenses.

If your agency fails to comply with the SRO basic training within the specified timeframe, the COPS Office may temporarily suspend grant funds or take other remedial actions in accordance with 2 C.F.R. §200.339 until your agency complies with this requirement.

Condition 36

Extensions: Your agency may request an extension of the 60-month award performance period to receive additional time to implement your award program. Such extensions do not provide additional funding. Any request for an extension will be evaluated on a case-by-case basis. Only those recipients that can provide a reasonable justification for delays will be granted no-cost extensions. Reasonable justifications may include difficulties in filling COPS Office-funded positions, officer turnover, or other circumstances that interrupt the 36-month funding period. An extension allows your agency to compensate for such delays by providing additional time to complete the full 36 months of funding for each position awarded. 2 C.F.R. §§ 200.308(f)(10) and 200.309. Extension requests must be received prior to the end date of the award.

Condition 37

Contracts and/or MOUs with other Jurisdictions: Sworn law enforcement officer positions awarded must be used for law enforcement activities or services that benefit your agency and the population that it serves. The items funded under the CHP award cannot be utilized by other agencies unless the items benefit the population that your agency serves. Your agency may use items funded under the CHP award to assist other law enforcement agencies under a resource sharing, mutual aid, or other agreement to address multi-jurisdictional issues as described in the agreement.

Condition 38

Community Policing: Community policing activities to be initiated or enhanced by your agency and the officers funded by this award program were identified and described in your CHP award application. Your agency developed a

community policing plan for the CHP award with specific reference to a crime or disorder problem and the following elements of community policing: (a) problem solving—your agency’s plan to assess and respond to the problem identified; (b) community partnerships and support, including related governmental and community initiatives that complement your agency’s proposed use of CHP funding; and (c) organizational transformation—how your agency will use the funds to reorient its mission to community policing or enhance its involvement in and commitment to community policing. Throughout the CHP award period, your agency is required to implement the community policing plan it set forth in the CHP award application.

The COPS Office defines community policing as a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem-solving techniques to proactively address the immediate conditions that give rise to public safety issues such as crime, social disorder, and fear of crime. CHP awards through the specific officers funded (or an equal number of redeployed veteran officers) must be used to initiate or enhance community policing activities. All newly hired additional or rehired officers (or an equal number of redeployed veteran officers) funded under CHP must implement your agency’s approved community policing plan, which you described in your award application.

Condition 39

Memorandum of Understanding Requirement (for School Resource Officers only)

Recipients using award funding to hire and/or deploy School Resource Officers into schools understand and agree to the following:

- Your agency must submit a signed Memorandum of Understanding (MOU) between the law enforcement agency and the school partner(s) to the COPS Office before obligating or drawing down funds under this award. The MOU must be submitted to the COPS Office within 90 days of the date shown on the award letter. If your agency fails to submit the MOU within the 90 days, the COPS Office may temporarily suspend grant funds in accordance with 2 C.F.R. §200.339 until your agency submits the MOU.
- Your agency’s MOU must contain the following information?

- o The purpose of the MOU
- o Clearly defined roles and responsibilities of the school district and the law enforcement agency, focusing officers’ roles on safety
- o Information sharing
- o Supervision responsibility and chain of command for the SRO
- o Signatures

Note: Please refer to the MOU Fact Sheet for a detailed explanation of the requirements under each of the bullets.

I have read and understand the information presented in this section of the Federal Award Instrument.

The City and County of San Francisco, the County of Santa Clara, the City of Tucson, and the City of San Diego challenge certain conditions imposed on federal grants awarded by the United States Department of Justice, Office of Community Oriented Policing Services (COPS Office) to fund community policing programs. Defendants are the United States Department of Justice; Attorney General Pam Bondi; the COPS Office; and Cory D. Randolph, a Deputy Director of the COPS Office.¹

The challenged conditions are requirements that grant recipients agree to comply with all “Presidential Memoranda and all Executive Orders by the President,” and certify that they do not “operate any programs (including any such programs having components relating to diversity, equity, and inclusion) that violate any applicable Federal civil rights or nondiscrimination laws.” Grant applicants were also advised that their awards could be placed on hold and “other remedial action” taken if recipients are found to have used the funding (1) to support or subsidize an educational service agency that has a COVID-19 vaccination requirement for in-person program attendance, (2) to “promote gender ideology,” (3) to pay for projects that “provide or advance

¹ The complaint identified Randolph as the Acting Director of the COPS Office, *see* Dkt. No. 17 ¶ 21, but Randolph’s declaration states that he is a Deputy Director. Dkt. No. 33 ¶ 1.

1 diversity, equity, inclusion, and accessibility, or environmental justice programs, services, or
 2 activities,” or (4) if the recipient “failed to protect public monuments, memorials, and statues from
 3 destruction or vandalism.”

4 The statute that authorizes the grants, the Public Safety Partnership and Community
 5 Policing Act, 34 U.S.C. §§ 10381 et seq., directs the Attorney General to award funds to local
 6 governments for 24 enumerated purposes directed toward promoting public safety and community
 7 policing, and having more “cops on the beat.” *See* 34 U.S.C. §§ 10381(a), (b); *see also City of Los*
 8 *Angeles v. Barr*, 929 F.3d 1163, 1183 (9th Cir. 2019) (Wardlaw, J., dissenting). The statute
 9 expressly mandates that grant applicants must “provide assurances that the applicant will, to the
 10 extent practicable, seek, recruit, and hire members of racial and ethnic minority groups and
 11 women in order to increase their ranks within the sworn positions in the law enforcement agency.”
 12 34 U.S.C. § 10382(c)(11).

13 The government demands that plaintiffs agree by January 23, 2026, to the challenged
 14 conditions if they want to receive the grants. The award letters mandate that grant recipients must
 15 “accept all parts of the Award Offer,” thereby “bind[ing] the entity to the award terms and
 16 conditions,” to accept the award. Dkt. No. 20-1 at ECF pp. 29-30. Anything short of that will
 17 deprive plaintiffs of the federal grant monies earmarked for them.

18 Plaintiffs ask the Court to preliminarily enjoin the imposition and enforcement of the
 19 challenged conditions. Dkt. No. 20. The record demonstrates that the challenged conditions do
 20 not serve the goals and purposes mandated by Congress in the community policing statute, but
 21 rather seek to force compliance with the Executive Branch’s policy views that are wholly external
 22 to the statute. Because plaintiffs have established that they are likely to succeed on the merits of
 23 their claims, the Court enjoins the challenged conditions on a preliminary basis.²

1 **BACKGROUND**

2 **I. THE COMMUNITY POLICING ACT AND THE COMMUNITY ORIENTED**
 3 **POLICING SERVICES (COPS) OFFICE'S GRANTMAKING AUTHORITY**

4 The parties' familiarity with the facts and the record is assumed. In pertinent summary, in
 5 1994, the United States Congress passed the Public Safety Partnership and Community Policing
 6 Act, 34 U.S.C. §§ 10381 et seq. (Community Policing Act, or the Act or statute). The statute
 7 authorized the Attorney General to "carry out a single grant program under which the Attorney
 8 General makes grants to States, units of local government, Indian tribal governments, other public
 9 and private entities, and multi-jurisdictional or regional consortia for the purposes described" in
 10 the Act. 34 U.S.C. § 10381(a). These purposes include: (1) "to hire and train new, additional
 11 career law enforcement officers for deployment in community-oriented policing"; (2) "to provide
 12 specialized training to law enforcement officers to (A) recognize individuals who have a mental
 13 illness; and (B) properly interact with individuals who have a mental illness, including strategies
 14 for verbal de-escalation of crises"; (3) "to establish collaborative programs that enhance the ability
 15 of law enforcement agencies to address the mental health, behavioral, and substance abuse
 16 problems of individuals encountered by law enforcement officers in the line of duty"; and (4) "to
 17 establish peer mentoring mental health and wellness pilot programs within State, tribal, and local
 18 law enforcement agencies." 34 U.S.C. §§ 10381(b)(2), (19), (20), (24).

19 The Office of Community Oriented Policing Services (COPS Office) was created within
 20 the Department of Justice by Attorney General Janet Reno in 1994. Its role is "to handle
 21 applications and the awards of grants to cities and states for community-oriented policing"
 22 pursuant to the Community Policing Act (COPS grants). *City of Los Angeles*, 929 F.3d at 1183
 23 (Wardlaw, J., dissenting); *see also* Dkt. No. 33 (Randolph Decl.) ¶¶ 1-3.

24 The statute directs that an application for a COPS grant "shall be submitted in such form,
 25 and contain such information, as the Attorney General may prescribe by regulation or guidelines,"
 26 and no grant may be made unless an application has been approved by the Attorney General. 34
 27 U.S.C. §§ 10382(a), (b). The statute also provides that, "[i]n accordance with the regulations or
 28 guidelines established by the Attorney General, each application for a grant under this subchapter

1 shall . . . provide assurances that the applicant will, to the extent practicable, seek, recruit, and hire
 2 members of racial and ethnic minority groups and women in order to increase their ranks within
 3 the sworn positions in the law enforcement agency.” *Id.* § 10382(c)(11).

4 Four categories of COPS grants are at issue in this case. Grants made under the COPS
 5 Hiring Program provide “funding to law enforcement agencies to hire and/or rehire additional
 6 career law enforcement officers in an effort to increase their community policing capacity and
 7 crime prevention efforts.” Dkt. No. 21-1 at 6. Community Policing Development Microgrants are
 8 designed to fund “novel or innovative approaches to problem solving by local, state, tribal, and
 9 territorial law enforcement agencies that help develop law enforcement’s community policing
 10 capacity through the implementation of common sense policing strategies.” Dkt. No. 21-3 at 8.
 11 The Law Enforcement Mental Health and Wellness Act Implementation Projects (Mental Health
 12 grants) “provide funding . . . to implement new or enhance existing programs that offer training
 13 and services to support officers[’] emotional and mental health including through counseling
 14 programs, peer mentoring, suicide prevention, stress reduction, and police officer family services.”
 15 Dkt. No. 21-2 at 6. The Safer Outcomes grants are provided to law enforcement training
 16 academies “with the goal of promoting safe outcomes during police encounters with persons in
 17 crisis through the integration of de-escalation and crisis response training into their curricula.”
 18 Dkt. No. 21-4 at 6.

19 **II. THE FY25 COPS GRANT PROCESS AND THE CHALLENGED CONDITIONS**

20 In May 2025, the COPS Office issued Notices of Funding Opportunities (NOFOs) to
 21 announce the availability of, and application requirements for, the COPS grants at issue. *See* Dkt.
 22 No. 21-1 at 1 (advising potential applicants that the COPS Office “is seeking applications for
 23 funding for the FY25 COPS Hiring Program”); *see also* Dkt. No. 21-2 at 1 (Mental Health grants);
 24 Dkt. No. 21-3 at 1 (Community Policing Development Microgrants); Dkt. No. 21-4 at 1 (Safer
 25 Outcomes grants).

26 Each NOFO included the ensuing “restrictions,” which together constitute one of the three
 27 conditions plaintiffs are challenging in this case. They were presented under the heading “Federal
 28 Funding Restrictions” in the NOFO for the COPS Hiring Program, and that is the term plaintiffs

1 use to refer to this set of conditions in this action for all four categories of COPS grants at issue.
2 *See* Dkt. No. 20 at 5, 7-8.

3 As the Hiring Program NOFO stated:

4 **Federal Funding Restrictions**

5 Please be advised that COPS Office funding must not be used for the
6 following:

- 7 1. To directly or indirectly support or subsidize an educational service
8 agency, state educational agency, local educational agency,
9 elementary school, secondary school, or institution of higher
10 education that requires students to have received a COVID-19
11 vaccination to attend any in-person education program.
- 12 2. To promote gender ideology.
- 13 3. For projects that provide or advance diversity, equity, inclusion, and
14 accessibility, or environmental justice programs, services, or
15 activities.
- 16 4. State and local governments and law enforcement agencies that have
17 failed to protect public monuments, memorials, and statues from
18 destruction or vandalism.

19 If awarded, and it is determined that the applicant is not in compliance
20 with the funding restrictions, the COPS Office may place a hold on the
21 award and/or take other remedial action.

22 Dkt. No. 21-1 at 15; *see also* Dkt. No. 21-2 at 15; Dkt. No. 21-3 at 22; Dkt. No. 21-4 at 20.

23 In June 2025, plaintiffs applied for the COPS grants at issue. *See* Dkt. Nos. 33-8, 33-9, 33-
24 10, 33-11. In October 2025, plaintiffs were advised that their applications had been approved.
25 San Francisco was approved for a \$6.25 million COPS Hiring grant award. Dkt. No. 20-4 ¶ 14.
26 Santa Clara was offered a \$200,000 Mental Health grant award. Dkt. No. 20-3 ¶ 12. Tucson was
27 approved for a \$175,000 Microgrant award to assist with recruiting new officers, Dkt. No. 20-1
28 ¶ 17, and San Diego for a \$750,000 COPS Hiring grant award as well as a \$500,000 Safer
Outcomes grant award. Dkt. No. 20-2 ¶¶ 4, 9.

Each of these awards included the other two funding conditions that plaintiffs challenge.
The Microgrant award to Tucson spells them out under the heading “Award Conditions.” The
same conditions appear in each of the grants awarded to plaintiffs:

Condition 3

Federal Civil Rights and Nondiscrimination Laws (certification):
 The recipient agrees that its compliance with all applicable Federal civil rights and nondiscrimination laws is material to the government's decision to make this award and any payment thereunder, including for purposes of the False Claims Act (31 U.S.C. 3729-3730 and 3801-3812), and by accepting this award, certifies that it does not operate any programs (including any such programs having components relating to diversity, equity, and inclusion) that violate any applicable Federal civil rights or nondiscrimination laws.

Condition 4

Federal Laws, Presidential Memoranda, and Executive Orders:
 Recipients of grant funding must comply with all applicable federal laws and Presidential Memoranda and all Executive Orders by the President.

Dkt. No. 20-1 at ECF pp. 33-34; *see also* Dkt. No. 20-2 at ECF pp. 11-12, 30; Dkt. No. 20-3 at ECF p. 15; Dkt. No. 20-4 at ECF pp. 11-12.

The parties could not agree on how to refer to these conditions. Plaintiffs called Condition 3 the "Discrimination Condition" and Condition 4 the "EO Condition." Dkt. No. 20. The government favored "Anti-Discrimination Condition" and the "EO Condition." Dkt. No. 32. The Court will refer to them as the "Nondiscrimination/DEI Condition" and the "EO Condition," which together with the Federal Funding Restrictions are the universe of the "Challenged Conditions" litigated here.

The Challenged Conditions embody the policy views stated by the Trump Administration in executive orders and other documents. For example, the Nondiscrimination/DEI Condition reflects an executive order signed by President Trump on his second inauguration day. The order declared that the federal government's support for "illegal and immoral discrimination programs, going by the name 'diversity, equity, and inclusion' (DEI) . . . ends today." Exec. Order No. 14151, *Ending Radical and Wasteful Government DEI Programs and Preferencing*, 90 Fed. Reg. 8339 (Jan. 20, 2025). The order directed "[e]ach agency" to provide to the Director of the Office of Management and Budget, a list of all "Federal grantees who received Federal funding to provide or advance DEI" so that they could be terminated. *Id.* §§ 2(a), (b)(ii)(C). Deputy agency or department heads were also to "recommend actions . . . to align . . . grants" with the policy outlined in the executive order. *Id.* §2(b)(iii)(B).

1 Another executive order issued the next day stated that “critical and influential institutions
2 of American society, including the Federal Government . . . have adopted and actively use
3 dangerous, demeaning, and immoral race- and sex-based preferences under the guise of so-called
4 ‘diversity, equity, and inclusion’ (DEI) or ‘diversity, equity, inclusions, and accessibility’ (DEIA)
5 that can violate the civil-rights laws of this Nation.” Exec. Order No. 14173, *Ending Illegal*
6 *Discrimination and Restoring Merit-Based Opportunity*, 90 Fed. Reg. 8633 (Jan. 21, 2025). The
7 order further directed that “[t]he head of each agency shall include in every contract or grant
8 award: (A) A term requiring the contractual counterparty or grant recipient to agree that its
9 compliance in all respects with all applicable Federal anti-discrimination laws is material to the
10 government’s payment decisions for purposes of section 3729(b)(4) of title 31, United States
11 Code; and (B) A term requiring such counterparty or recipient to certify that it does not operate
12 any programs promoting DEI that violate any applicable Federal anti-discrimination laws.” *Id.*
13 § 3(b)(iv).

14 On July 29, 2025, Attorney General Pam Bondi issued a memorandum to all federal
15 agencies titled, “Guidance for Recipients of Federal Funding Regarding Unlawful
16 Discrimination.” *See* Dkt. No. 21-5 (AG Memorandum). The memorandum identifies “best
17 practices” to help federal grant recipients “comply with federal antidiscrimination laws and avoid
18 legal pitfalls.” *Id.* at 1. It states that “[u]sing race, sex, or other protected characteristics for
19 employment, program participation, resource allocation, or other similar activities, opportunities,
20 or benefits, is unlawful, except in rare cases where such discrimination satisfies the relevant level
21 of judicial scrutiny.” *Id.* at 2. The memorandum says that “[f]acially neutral criteria (e.g.,
22 ‘cultural competence,’ ‘lived experience,’ geographic targeting) that function as proxies for
23 protected characteristics violate federal law if designed or applied with the intention of
24 advantaging or disadvantaging individuals based on protected characteristics.” *Id.*

25 **III. THIS LITIGATION**

26 San Francisco, Santa Clara, and Tucson filed a complaint on October 28, 2025. Dkt.
27 No. 1. San Diego was added in a first amended complaint (FAC) filed on November 4, 2025,
28 which is the operative complaint. *See* Dkt. No. 17. Plaintiffs moved for a preliminary injunction,

1 Dkt. No. 22, and the motion is fully briefed. Dkt. Nos. 32, 35. A preliminary injunction hearing
2 was held on December 18, 2025. *See* Dkt. No. 40.

3 At the Court’s request, the government extended plaintiffs’ original acceptance deadline of
4 November 24, 2025, to accommodate the Court’s consideration of the injunction motion. The
5 deadline to accept the COPS grant awards is January 23, 2026. Dkt. No. 33 (Randolph Decl.)
6 ¶ 26.

7 DISCUSSION

8 I. LEGAL STANDARDS

9 Preliminary injunctions are “an extraordinary remedy never awarded as of right.” *Winter*
10 *v. Nat. Res. Def. Council, Inc.*, 555 U.S. 7, 24 (2008). “A plaintiff seeking a preliminary
11 injunction must establish that he is likely to succeed on the merits, that he is likely to suffer
12 irreparable harm in the absence of preliminary relief, that the balance of equities tips in his favor,
13 and that an injunction is in the public interest.” *Id.* at 20.

14 In our circuit, it is well established that a preliminary injunction may also be issued where
15 “the likelihood of success is such that ‘serious questions going to the merits were raised and the
16 balance of hardships tips sharply in [plaintiff’s] favor.’” *Alliance for the Wild Rockies v. Cottrell*,
17 632 F.3d 1127, 1131 (9th Cir. 2011) (citation omitted). Where the plaintiff has raised “at least
18 ‘serious questions’ going to the merits” and clear irreparable injury would result in the absence of
19 an injunction, the Court has the discretion to “preserve the *status quo* with provisional relief until
20 the merits c[an] be sorted out.” *Id.* at 1134.³

21 II. THE TUCKER ACT AND THE COURT’S JURISDICTION

22 The government’s starting position in its opposition brief was that this case belonged in a
23 different court. The government said that the Court “lacks jurisdiction over key aspects of what is,
24 at base, a contractual dispute.” Dkt. No. 32 at 1. This theory was based on the Tucker Act, 28
25

26
27
28 ³ Our circuit held after careful consideration that “the ‘serious questions’ approach survives *Winter*
when applied as part of the four-element *Winter* test,” *Alliance for the Wild Rockies*, 632 F.3d at
1131-32, and has continued to apply the test. *See, e.g., hiQ Labs, Inc. v. LinkedIn Corp.*, 31 F.4th
1180, 1191 (9th Cir. 2022); *Doe v. San Diego Unified Sch. Dist.*, 19 F.4th 1173, 1177 (9th Cir.
2021).

1 U.S.C. § 1491(a)(1), which vests exclusive jurisdiction over contract claims against the United
 2 States in the Court of Federal Claims, and “‘impliedly forbids’ bringing ‘contract actions’ against
 3 ‘the government in a federal district court.’” *Id.* at 6 (citation omitted).

4 But the government adopted a more nuanced position in subsequent statements to the
 5 Court. During the preliminary injunction hearing, counsel for the government forthrightly said
 6 that the government was not “suggesting that this Court . . . has zero jurisdiction under the Tucker
 7 Act to . . . enter an appropriately tailored injunction as to the challenged conditions.” Dkt. No. 41
 8 (Hearing Transcript) at 7:3-6. Counsel underscored that “the Government’s not saying that the
 9 Court cannot issue an injunction enjoining the challenged conditions.” *Id.* at 7:7-8.

10 These statements correctly acknowledge that the Tucker Act is not a bar to the Court’s
 11 jurisdiction over this lawsuit. Plaintiffs’ case is rooted in statutory and constitutional commands,
 12 not in contract law. *See* Dkt. No. 17 ¶¶ 107-64. This is not a lawsuit that seeks to enforce
 13 contractual obligations. *See id.* at 35-37; Dkt. No. 20 at 24. It may be that the practical effect of
 14 the claims “would require the payment of money by the federal government” in the form of a
 15 release of funds without the challenged conditions, but that is not the same as suing for an award
 16 of money damages pursuant to a contract. *Bowen v. Mass.*, 487 U.S. 879, 893-94 (1988) (the “fact
 17 that a judicial remedy may require one party to pay money to another is not a sufficient reason to
 18 characterize the relief as ‘money damages’”); *see also Dep’t of Education v. Cal.*, 604 U.S. 650,
 19 651 (2025) (recognizing that “a district court’s jurisdiction ‘is not barred by the possibility’ that an
 20 order setting aside an agency’s action may result in the disbursement of funds”) (quoting *Bowen*,
 21 487 U.S. at 910). Plaintiffs’ claims are not “disguised breach-of-contract claim[s]” that are subject
 22 to the exclusive jurisdiction of the Court of Federal Claims under the Tucker Act. *Thakur v.*
 23 *Trump*, -- F.4th --, No. 25-4249, 2025 WL 3760650, at *3 (9th Cir. Dec. 23, 2025) (quotations
 24 omitted).

25 **III. THE INJUNCTION FACTORS**

26 **A. Success on the Merits**

27 Plaintiffs have a rather elaborate architecture of claims. They say the Challenged
 28 Conditions (1) are unconstitutional because they violate (a) separation of powers and

1 (b) restrictions on the spending power pursuant to the Spending Clause, U.S. Const. art. I, § 8,
 2 cl. 1, and (2) violate the Administrative Procedure Act (APA), 5 U.S.C. § 706, because they are
 3 (a) “contrary to the Constitution and in excess of statutory jurisdiction” and (b) “arbitrary and
 4 capricious.” Dkt. No. 20 at 9-21.⁴ The arguments for these propositions overlap to a substantial
 5 degree. The Court need not take up each theory because plaintiffs have established a likelihood of
 6 success on the APA claim that the COPS Office did not have the constitutional or statutory
 7 authority to impose the conditions. That is enough to warrant an injunction.

8 **1. The APA Claim**

9 The government’s starting position with respect to the APA is that there are no standards
 10 for the Court to apply because “the grant awards at issue are discretionary.” Dkt. No. 32 at 16-17.
 11 It is true that “[a]n agency’s allocation of appropriated funds is typically and presumptively
 12 committed to agency discretion by law,” *id.* at 17, but that is entirely beside the point here. The
 13 grants have already been allocated to plaintiffs. Plaintiffs are challenging the conditions that the
 14 COPS Office attached to the disbursement of the allocated funds, and not the discretion to allocate
 15 the funds in the first instance.

16 The governing standard for this claim is crystal clear. It is the plain text of the Community
 17 Policing Act, which is the sole statutory basis of the grantmaking authority held by the COPS
 18 Office, and sets the boundaries for the actions taken by it. The Act does not give the COPS Office
 19 unfettered discretion to attach conditions of its choice to the community policing grants it makes,
 20 and this case is not one of those “rare instances where statutes are drawn in such broad terms that .
 21 . . there is no law to apply, thereby leaving the court with no meaningful standard against which to
 22 judge the agency’s exercise of discretion.” *ASSE Int’l, Inc. v. Kerry*, 803 F.3d 1059, 1068 (9th
 23 Cir. 2015) (quotations omitted).⁵

24 _____
 25 ⁴ The FAC also includes a Fifth Amendment due process claim for unconstitutional vagueness,
 26 Dkt. No. 17 ¶¶ 132-43, but plaintiffs do not rely on this claim for their preliminary injunction
 request. *See* Dkt. No. 20.

27 ⁵ Judicial review under the APA requires the existence of a “final agency action.” 5 U.S.C. § 704.
 28 The government agreed at the preliminary injunction hearing that it is not contesting that the
 COPS Office’s imposition of the Challenged Conditions constituted a final agency action that is
 reviewable under the APA. *See* Dkt. No. 41 at 10:12-20.

1 Under the APA, the Court must set aside an agency action that is “contrary to
2 constitutional right, power, privilege, or immunity,” “in excess of statutory jurisdiction, authority,
3 or limitations,” or “arbitrary, capricious, an abuse of discretion, or otherwise not in accordance
4 with law.” 5 U.S.C. §706(2). Plaintiffs’ main contention on these grounds is that “the Executive
5 Branch ‘has no power to act . . . unless and until Congress confers power upon it.’” Dkt. No. 20 at
6 10 (quoting *Louisiana Pub. Serv. Comm’n v. FCC*, 476 U.S. 355, 374 (1986)). In plaintiffs’ view,
7 the plain language of the Community Policing Act leaves no room for the imposition of the
8 Challenged Conditions, and no other statute fills in that void. *Id.* at 10-11, 18-19. Consequently,
9 the conditions cannot survive review under the APA.

10 The point is well taken. The Community Policing Act authorizes the award of federal
11 funds to local governments to promote public safety and community policing. Its language is
12 clear and direct, and leaves no room for the conditions the government seeks to impose here.
13 Where then does the government find statutory authority to impose conditions on local
14 governments about COVID-19 vaccinations, “gender ideology,” or the vandalism of public
15 monuments? It did not rely on anything in the statute, and the plain language of the Community
16 Policing Act does not reveal a basis for the government’s actions.

17 As plaintiffs suggest, a good argument can be made that the conditions actually conflict
18 with the statute. For example, the Nondiscrimination/DEI Condition and the DEI-related Federal
19 Funding Restriction forbid efforts to “advance diversity, equity, inclusion, and accessibility,” Dkt.
20 No. 21-1 at 15, and the President’s executive orders and the DOJ Memorandum described above
21 amplify the message that grant recipients may not use the funds for programs that take into
22 consideration an individual’s characteristics such as race or sex. But the Community Policing Act
23 expressly requires that grant applicants “provide assurances that the applicant will, to the extent
24 practicable, seek, recruit, and hire members of racial and ethnic minority groups and women in
25 order to increase their ranks within the sworn positions in the law enforcement agency.” 34
26 U.S.C. § 10382(c)(11). There is no way to reconcile the conditions with the statute short of
27 engaging in doublethink that forbidding considerations of race and gender is the same as taking
28

1 them into account. The stark conflict between the plain language of the statute and the Challenged
2 Conditions is a sure sign that the COPS Office acted outside its statutory authority.

3 The government’s main response to all of this is to say that the Challenged Conditions
4 simply require plaintiffs to follow the law. It points, for example, to Title VI of the Civil Rights
5 Act of 1964, which requires recipients of federal assistance to “comply with federal anti-
6 discrimination law.” Dkt. No. 32 at 8 (citing 42 U.S.C. § 2000d). In the government’s view, the
7 Nondiscrimination/DEI Condition merely “makes plain that recipients cannot violate federal anti-
8 discrimination law.” *Id.* at 9. For the EO Condition and the Federal Funding Restrictions as well,
9 the government says that “[t]he COPS Office is required to ensure that all grants comply with
10 federal law and the EO Condition and the Federal Funding Restrictions are another way to ensure
11 that requirement is met.” *Id.* at 16. In effect, the government declares executive orders to be the
12 law. It says that all of the Challenged Conditions “merely reiterate that recipients must comply
13 with federal anti-discrimination law and executive orders,” *id.* at 17, and that the “COPS Office is
14 required to enforce all federal anti-discrimination laws and has the authority to require recipients
15 to follow executive orders.” *Id.* at 18.

16 This theory is subject to serious doubt. To start, plaintiffs are required to follow federal
17 law irrespective of an express condition in a grant. They are no more free to flout the Community
18 Policing Act or any other federal law than the government is. The suggestion that executive
19 orders are on parity with statutes is bereft of any meaningful support in the government’s briefs,
20 all the more so when, as demonstrated, the executive orders’ directives stand in direct conflict with
21 the plain text of the Community Policing Act. So too for the government’s assertion that the
22 COPS Office may seek to compel compliance with executive orders under threat of losing funding
23 or even facing liability under the False Claims Act, 31 U.S.C. § 3729. The government did not
24 identify any legal basis for those propositions. The government mentions a federal regulation
25 indicating that “the COPS Office is required to incorporate into the terms of its grants ‘national
26 policy requirements,’ including those flowing from ‘executive order[s],’” Dkt. No. 32 at 15
27 (quoting 2 C.F.R. § 200.211(c)(1)(ii)), but a regulation is not a statute. While Congress may
28 delegate to an agency the “authority to give meaning to a particular statutory term” or “to

1 prescribe rules to fill up the details of a statutory scheme,” in all cases it is the role of the courts to
 2 “effectuate the will of Congress subject to constitutional limits,” without giving deference to
 3 agency interpretations of statutes or the Constitution. *Loper Bright Enterprises v. Raimondo*, 603
 4 U.S. 369, 391-95 (2024) (cleaned up). Here, the government has failed to identify any
 5 constitutional or statutory provision that authorized the COPS Office to impose the Challenged
 6 Conditions.

7 Overall, plaintiffs have demonstrated a likelihood of success on the merits of their fourth,
 8 fifth, and sixth causes of action under the APA. Dkt. No. 17 ¶¶ 144-64. While this likelihood of
 9 success could be analyzed in constitutional terms as well, the Court declines at this time to take up
 10 plaintiffs’ first and second causes of action, which squarely assert claims under the United States
 11 Constitution for “violation of separation of powers” and “violation of spending power.” *Id.*
 12 ¶¶ 107-31. The “fundamental and longstanding principle of judicial restraint” counsels courts to
 13 “avoid reaching constitutional questions in advance of the necessity of deciding them.” *Al Otro*
 14 *Lado v. Exec. Office for Immigration Review*, 138 F.4th 1102, 1123 (9th Cir. 2025) (quotations
 15 omitted). Plaintiffs’ likelihood of success for their APA claims establishes the most important
 16 element required for an injunction.

17 **B. Irreparable Harm**

18 Plaintiffs have demonstrated that they face a threat of irreparable harm. Because the
 19 conditions imposed on the grants are unlawful, being forced to accept them would impose
 20 irreparable harm on plaintiffs. *See Hernandez v. Sessions*, 872 F.3d 976, 994 (9th Cir. 2017).

21 So too if plaintiffs lose the funds. San Francisco intends to use its \$6.25 million COPS
 22 Hiring grant to redress personnel shortages in its police department, which in 2025 was
 23 understaffed by about 30%. Dkt. No. 20-4 ¶¶ 5, 13, 14. San Francisco had a projected budget
 24 deficit of almost \$800 million for fiscal years 2025 through 2027, and it does not have any
 25 realistic alternative funding to hire officers if it cannot access its COPS grant funds. *Id.* ¶¶ 13, 15-
 26 17. San Diego received a \$500,000 Safer Outcomes grant to fund its police department’s efforts
 27 to train and support officers’ crisis response, and it too lacks alternative funding. Dkt. No. 20-2
 28 ¶ 7, 9, 15. Tucson received a \$175,000 Microgrant award to assist with recruiting new officers,

1 Dkt. No. 20-1 ¶ 17, and it plans to use the funds to “recruit[] a candidate pool from diverse
2 backgrounds.” *Id.*, Ex. A at 3. Tucson says finding alternative funding would “present[] profound
3 challenges.” Dkt. No. 20-1 ¶ 18. Santa Clara received a \$200,000 Mental Health grant award and
4 plans to use the funds to address the acute need for mental health services for staff at the Santa
5 Clara County Sheriff’s Office. Dkt. No. 20-3 ¶¶ 12, 18-20. Santa Clara is projecting a loss of \$1
6 billion in funding this fiscal year, and without the COPS Mental Health grant, Santa Clara will
7 likely have to take away funding from other public safety services or forgo the planned mental
8 health services. *Id.* ¶ 21. These are harms that cannot be remedied by an award of damages
9 further down the road. *See Arizona Dream Act Coalition v. Brewer*, 757 F.3d 1053, 1068 (9th Cir.
10 2014).

11 **C. Balance of Hardships and the Public Interest**

12 The balance of hardships and the public interest are considered together in this case. *See*
13 *E. Bay Sanctuary Covenant v. Garland*, 994 F.3d 962, 984 (9th Cir. 2020) (“When the government
14 is a party, the third and fourth preliminary injunction factors merge.”) (citing *Drakes Bay Oyster*
15 *Co. v. Jewell*, 743 F.3d 1073, 1092 (9th Cir. 2014)). A preliminary injunction will not be granted
16 unless the public interests in favor of granting an injunction “outweigh other public interests that
17 cut in favor of *not* issuing the injunction.” *Alliance for the Wild Rockies*, 632 F.3d at 1138
18 (emphasis in original).

19 The balance of hardships tips sharply in plaintiffs’ favor and the public interest supports an
20 injunction. As discussed, plaintiffs have shown that they will suffer irreparable harm in the
21 absence of an injunction. The government, on the other hand, has not shown that it will suffer any
22 harm, monetary or otherwise, if an injunction were to issue. This is all the more so in light of the
23 government’s frequent assertion that the Challenged Conditions seek only the enforcement of
24 federal law as it currently stands. *See* Dkt. No. 32 at 10 (plaintiffs are simply being asked to
25 “agree[] not to violate the laws currently in place”). Pausing the imposition and enforcement of
26 the Challenged Conditions will have no effect on plaintiffs’ obligations to comply with all federal
27 laws. Enjoining conditions that are likely to be unlawful is eminently in the public interest.

D. Bond

Rule 65(c) of the Federal Rules of Civil Procedure provides that a district court “may issue a preliminary injunction . . . only if the movant gives security in an amount that the court considers proper to pay the costs and damages sustained by any party found to have been wrongfully enjoined or restrained.” Fed. R. Civ. P. 65(c). The district court retains discretion “as to the amount of security required, if any.” *Johnson v. Couturier*, 572 F.3d 1067, 1086 (9th Cir. 2009) (internal quotation marks and citations omitted).

The government asked for plaintiffs to post security, and to set the bond amount to “reflect the cost and disruption to the COPS Office’s administration to [*sic*] the grants at issue in this proceeding resulting from Plaintiffs’ requested relief.” Dkt. No. 32 at 22. But the government did not say what this amount might be, and did not provide any criteria or other guidance for the Court to consider in calculating a bond.

The Court declines to fill in the blanks for the government. There is also no evidence in the record of a “realistic likelihood of harm to the defendant from enjoining his or her conduct.” *Johnson*, 572 F.3d at 1086 (quotations and citation omitted). A bond will not be required.

CONCLUSION

A preliminary injunction to preserve the status quo pending trial is granted.

Defendants and their officers, agents, employees, attorneys, and any person acting in concert with them, or at their behest, and who has knowledge of this injunction, are preliminarily enjoined from (a) imposing or enforcing the Challenged Conditions for the COPS grants to plaintiffs; and (b) withholding or terminating FY25 COPS grant funding on the ground that plaintiffs did not accept or comply with the Challenged Conditions.

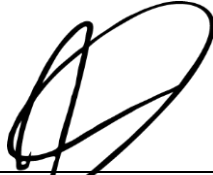

The injunction will remain in place pending further order of the Court. Either side may request a modification of the injunction as circumstances warrant.

Supplemental Statement to FY25 COPS Hiring Program Grant

The San Francisco Police Department's agreement to the terms of the grant award, including but not limited to "Federal Award Instrument" and "Award Conditions," for Grant Number 15JCOPS-25-GG-00974-UHPX, titled "FY25 COPS Hiring Program Grant," for an award amount of \$6,250,000 (collectively, the "Grant Agreement") is subject to limitations described below.

The San Francisco Police Department withholds consent to and objects to the inclusion of conditions in the FY25 COPS Hiring Program Grant Agreement and Notice of Funding Opportunity ("NOFO") that are enjoined by the Preliminary Injunction in *City and County of San Francisco, et al. v. U.S. Department of Justice, et al.*, No. 3:25-cv-09277, ECF No. 49 (N.D. Cal.) dated Jan. 21, 2026 ("Preliminary Injunction") or that are otherwise inconsistent with that Preliminary Injunction, including but not limited to Condition 3 (Federal Civil Rights and Nondiscrimination Laws) and Condition 4 (Federal Laws, Presidential Memoranda, and Executive Orders) of the "Award Conditions" of the Grant Agreement and the "Federal Funding Restrictions" in the NOFO. For so long as this Preliminary Injunction or subsequent orders consistent with this Preliminary Injunction remain in effect, any incorporation of the restrained conditions shall not result in those conditions being imposed or enforced against the San Francisco Police Department and/or the City and County of San Francisco. The San Francisco Police Department's consent is contingent on these conditions being restrained, and further contingent on the understanding that if the Preliminary Injunction expires, the enjoined conditions will not be imposed or enforced against the San Francisco Police Department and/or the City and County of San Francisco as to the period that this Preliminary Injunction or other orders consistent with this Preliminary Injunction were or are in effect.
