15 Be it ordained by the People of the City and County of San Francisco:

16 Section 1. Background and Findings.

17 (a) In November 2018, the voters approved Proposition C and imposed a
18 Homelessness Gross Receipts Tax to fund programs to prevent and address homelessness.
19 As stated in the measure, “San Francisco is experiencing a housing crisis of historic
20 proportions that has led to a major humanitarian and public health crisis in large-scale
21 homelessness for which the City has insufficient resources to address.”

22 (b) Recognizing the scope of the crisis, the voters identified a range of purposes for
23 the tax, the proceeds of which the City deposits in the Our City, Our Home (“OCOH”) Fund.
24 Among other things, the tax is intended to help the City house the homeless; expand the
25 number of shelter beds; eliminate waiting periods for shelter; decrease the visible presence of
homeless people and tent encampments on City streets; move unhoused people into stable
housing; fund legal assistance, rent subsidies, mental health services, and substance abuse

1 services to keep people housed; reduce overall costs for the City; and fund certain specified
2 programs. The purposes of November 2018 Proposition C are codified at Business and Tax
3 Regulations Code Section 2802.

4 (c) To achieve these purposes, Business and Tax Regulations Code Section 2810
5 identifies four eligible programs that the City may spend OCOH funds on – Permanent
6 Housing, Homeless Shelters, Homelessness Prevention, and Mental Health Treatment for
7 Homeless Individuals – and identifies a maximum or minimum percentage of the total OCOH
8 Fund balance that each eligible program receives. Section 2810 further states that OCOH
9 funds shall be appropriated subject to the budgetary and fiscal provisions of the Charter, and
10 that any amounts remaining in the OCOH Fund at the end of a fiscal year shall be held in the
11 OCOH Fund to be added to amounts available for appropriation on eligible programs in any
12 future year. In Section 2811, the voters also authorized the Board of Supervisors to amend
13 the measure, by ordinance, by a two-thirds vote and only to further the findings and intent
14 summarized above in subsection (b).

15 (d) The City is fully funding all of the programs recommended by the OCOH
16 Oversight Committee, which makes recommendations for the use of the Fund. And yet, there
17 is a significant unencumbered balance in the Fund, in large part because the City has
18 obtained approximately \$94 million in state and federal funds for permanent housing for
19 families and transitional age youth. The original percentage allocations in Section 2810 are
20 based on the total Fund balance and did not anticipate these additional revenues, and as
21 Fund revenues sit unspent, thousands are still on the streets without adequate shelter. In
22 April 2023, the City published a new citywide Strategic Plan that concludes it is necessary to
23 urgently fund shelter, prevention, and housing resources to significantly reduce homelessness
24 in the next five years. The Board of Supervisors finds that to achieve the purposes of
25 November 2018 Proposition C, the City must meet the crisis where it is currently most acute,

1 and hereby approves a reallocation of certain unencumbered and future revenues so it can
2 spend these revenues during the next two fiscal years on shelter, homelessness prevention,
3 limited-time rental assistance, and other forms of permanent housing, as generally set forth in
4 the Strategic Plan.

5 (e) In approving this one-time reallocation of funds for the next two fiscal years, the
6 Board of Supervisors does not intend to otherwise adjust the percentage allocations for
7 OCOH expenditures in future fiscal years. The reallocation is intended to supplement and
8 enhance the effectiveness of the programs already funded on recommendation of the OCOH
9 Oversight Committee.

10
11 Section 3. Under the authority in Business and Tax Regulations Code Section 2811,
12 for fiscal year 2023-2024:

13 (a) Expenditures under Section 2810(b)(3)(A) on permanent housing, not limited to
14 supporting homeless youth aged 18 through 29 and homeless families with children under
15 age 18 at the time of entry into housing, may be \$3,418,500 more than the percentages
16 specified in Sections 2810(b)(3)(A) and 2810(b)(3)(A)(i);

17 (b) Expenditures under Section 2810(b)(3)(B) on homeless shelters and hygiene
18 programs may be \$8,140,000 more than the percentage specified in Section 2810(b)(3)(B);

19 (c) Expenditures under Section 2810(b)(3)(C) on homelessness prevention may be
20 \$9,082,000 more than the percentage specified in Section 2810(b)(3)(C);

21 (d) Expenditures under Section 2810(b)(3)(A) on permanent housing that supports
22 homeless youth aged 18 through 29 may be \$11,798,000 below the percentage specified in
23 Section 2810(b)(3)(A); and

1 (e) Expenditures under Section 2810(b)(3)(A) on permanent housing that supports
2 homeless families with children under age 18 at the time of entry into housing may be
3 \$8,842,500 below the percentage specified in Section 2810(b)(3)(A).

6 for fiscal year 2024-2025:

7 (a) Expenditures under Section 2810(b)(3)(A) on permanent housing, not limited to
8 supporting homeless youth aged 18 through 29 and homeless families with children under
9 age 18 at the time of entry into housing, may be \$14,831,500 more than the percentages
10 specified in Sections 2810(b)(3)(A) and 2810(b)(3)(A)(i);

11 (b) Expenditures under Section 2810(b)(3)(B) on homeless shelters and hygiene
12 programs may be \$13,440,000 more than the percentage specified in Section 2810(b)(3)(B);

19 homeless families with children under age 18 at the time of entry into housing may be
20 \$19,202,000 below the percentage specified in Section 2810(b)(3)(A).
21

22 Section 5. Effective Date. This ordinance shall become effective 30 days after
23 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
24 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
25 of Supervisors overrides the Mayor's veto of the ordinance.

LEGISLATIVE DIGEST

[Funding Reallocation - Our City, Our Home Homelessness Gross Receipts Tax - Services to Prevent Homelessness - \$60,000,000]

Ordinance reallocating approximately \$60,000,000 in unencumbered revenues from the Our City, Our Home Fund to allow the City to use revenues from the Homelessness Gross Receipts Tax for certain types of services to prevent homelessness; and finding that the reallocation is necessary to achieve purposes of the Our City, Our Home Fund pursuant to Business and Tax Regulations Code, Section 2811.

Existing Law

November 2018's Proposition C, codified at Article 28 of the Business and Tax Regulations Code, imposed a Homelessness Gross Receipts Tax to help fund programs to prevent and address homelessness. The City deposits the proceeds of this tax in the Our City, Our Home ("OCOH") Fund. The City may use the OCOH Fund on four "eligible programs," as follows:

- At least 50% for permanent housing, of which up to 12% may fund short-term rental subsidies, at least 20% must support homeless youth aged 18 through 29, and at least 25% must support homeless families with children under 18.
- Up to 10% for shelters and hygiene programs.
- Up to 15% for homelessness prevention.
- At least 25% for mental health for homeless individuals.

The Board of Supervisors may amend Article 28 by ordinance, by a two-thirds vote and only to further the overall findings and intent of Proposition C.

Amendments to Current Law

The ordinance would authorize the City, during Fiscal Years 2023-24 and 2024-25 only, to increase the OCOH funding for shelter, homelessness prevention, limited-time rental assistance, and permanent housing not specifically limited to youth and families, despite the percentage caps that would otherwise apply to certain of those categories. The City would pay for this by reallocating OCOH funds that would help pay for permanent housing that supports youth aged 18 through 29, and families with children under 18. In Fiscal Year 2023-24, the ordinance would reallocate approximately \$21 million. In Fiscal Year 2024-25, the ordinance would reallocate approximately \$39 million. The total OCOH funds allocated for mental health services during these two fiscal years would still be at least 25%. After 2024-25, the percentages for the eligible programs would revert to those specified in Article 28.

Background Information

The City is able to reallocate OCOH funding that would otherwise fund permanent housing for homeless youth and families in large part because it has obtained approximately \$94 million from other sources (state and federal funds) for those programs. Given the current state of the homelessness crisis, it is necessary to reallocate funding to where it is most needed.

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed ordinance would modify the Homelessness Gross Receipt Tax funding allocation requirements by \$20.6 million FY 2023-24 and \$39.4 million FY 2024-25.

Key Points

- Under current law, Homeless Gross Receipts Tax revenues must be spent in the following manner: at least 50 percent on permanent housing (including 20 percent on transitional aged youth, 25 percent on families, and the remaining portion on all populations), up to 10 percent on shelter and hygiene, up to 15 percent on prevention, and at least 25 percent on mental health.

Fiscal Impact

- In FY 2023-24, the proposed \$20.6 million decrease to Transitional Age Youth (TAY) and families permanent housing category would be used to fund the increase in general housing, shelter for adults and families, and prevention programming for all populations.
- In FY 2024-25, the ordinance would enable the reallocation of prior year Homelessness and Supportive Housing (HSH) project funding of \$39.4 million to be appropriated for general housing, shelter for families and adults, and prevention for all populations.

Policy Consideration

- As of June 1, 2023, the City had \$858 million in Homelessness Gross Receipt Tax spending budgeted. Actual revenues have been \$21 million less than budgeted this year. As of June 12, 2023 in FY 2022-23, \$268 million had been spent and \$113 million was encumbered, leaving a remaining unspent balance of \$478 million, \$282.9 million of which is assigned to various HSH projects. The proposed budget re-appropriates \$75.9 million of unspent projects, including \$39.4 million in FY 2024-25 proposed spending that is subject of this ordinance.
- At its June 9, 2023 meeting, the Our City, Our Home Oversight Committee meeting approved a motion to request the Mayor’s Office not reduce family and youth housing funding and look for other sources of funding to maintain the levels of funding for those programs as required by the Homelessness Gross Receipts Tax.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would modify the Homelessness Gross Receipt Tax funding allocation requirements by \$20.6 million FY 2023-24 and \$39.4 million FY 2024-25. The requirements for funding housing for TAY and families would be decreased in FY2023-24 and re-allocated to adult housing, shelter, and prevention. The change in funding allocation percentages is shown below in Exhibit 1.

Exhibit 1: Proposed Funding Allocations

Shelter & Hygiene	7%	13%	10%
Prevention	14%	18%	15%
Mental Health	29%	25%	25%

Source: Proposed Ordinance, HSH

In FY 2023-24, the proposed \$20.6 million decrease to TAY and families permanent housing category would be used to fund the increase in general housing, shelter for adults and families, and prevention programming for all populations.

In FY 2024-25, the ordinance would enable the reallocation of prior year HSH project funding of \$39.4 million to be appropriated for general housing, shelter for families and adults, and prevention for all populations.

POLICY CONSIDERATION**Existing Funding Resources**

As of June 1, 2023, the City had \$858 million in Homelessness Gross Receipt Tax spending budgeted. Actual revenues have been \$21 million less than budgeted this year. As of June 12, 2023 in FY 2022-23, \$268 million had been spent and \$113 million was encumbered, leaving a remaining unspent balance of \$478 million, which is assigned to various projects. The proposed budget re-appropriates \$75.9 million of unspent projects, including \$39.4 million in FY 2024-25 proposed spending that is subject of this ordinance.

Oversight Committee Recommendation

At its June 9, 2023 meeting, the Our City, Our Home Oversight Committee meeting approved a motion to request the Mayor's Office not reduce family and youth housing funding and look for other sources of funding to maintain the levels of funding for those programs as required by the Homelessness Gross Receipts Tax.

RECOMMENDATION

Approval of the proposed ordinance is a policy matter for the Board of Supervisors.

Dear Supervisors,

My name is Calder Lorenz, I live and work in the Mission District, and I am the Director of Operations for The Gubbio Project. I am writing to voice our strong opposition to reallocating approximately \$60M from the Prop C Housing fund that was allocated for transitional aged youth and families.

We urge you to vote NO on moving this funding over to primarily adult interventions such as housing, prevention and shelter, items the Mayor should have funded within the city's \$14 billion budget.

As members of the OCOH coalition, we fought hard to get Prop C passed. Voters trusted the framework of this ground breaking proposition and approved Prop C deliberately to set aside funding for families and youth because they are hidden populations that have been historically ignored.

The measure was also deliberately crafted to have a community oversight body to ensure the vision of Prop C was realized. They spend hours pouring over budgets, getting input from hundreds of unhouse people and front-line service providers to ensure just that. These last-minute plans did not go through OCOH (Prop C) Oversight Committee.

A vote to support changing the Prop C spending categories will directly increase family, youth and adult homelessness!

Our City's reliance on adding additional funding for public safety at the expense of proven public health interventions like housing support/housing stabilization for families is harmful, and we should instead invest in services that support more opportunities for our youth and parents, especially those experiencing homelessness, building up our communities in ways that keep us all safe instead of investing in more forms of incarceration and policing.

The Gubbio Project's mission is to be in community with and to provide a sacred space and sanctuary for unhoused people in need of safe, compassionate respite during the day. Our program is housed at St. John's in the Mission and currently provides critical services to 100 individuals daily through a highly unique and successful model that combines social justice, peer support, and harm reduction. The Gubbio Project calls for a more just, compassionate and non-punitive approach by public agencies and policymakers.

Please Vote NO to reallocating this vital funding for transitional aged youth and families!

In Community,

Calder

Re: Funding Reallocation - Our City, Our Home Homelessness Gross Receipts Tax - Services to Prevent Homelessness (File #230657)

Dear Chairperson Chan, and Supervisors Mandelman, Safai, Ronen and Walton,

As representatives of some of San Francisco's leading business associations, we are writing in strong support of Mayor London Breed's two proposals to address homelessness through (1) legislative changes to Proposition C and (2) her targeted budgeted investments in this area. This will allow for more resources targeted at homelessness prevention and create shelter beds that are delivered more efficiently to continue making progress in reducing homelessness in our communities. More importantly, we will lose desperately needed shelter beds, permanent housing placements, and prevention support without these changes.

Addressing the homelessness crisis is of the utmost importance during this fragile time for San Francisco. We cannot afford businesses, residents, or visitors to think we are not making strides to fix this issue. Using unspent resources collected as part of the Prop C tax sends a signal that we are serious about not leaving people struggling on our streets.

For the City to economically recover, we especially need current and potential businesses and their employees and customers to see a safe and clean Downtown. The area must look and feel safe to evolve into a vibrant neighborhood with housing, activations, restaurants, and events. These proposals are a meaningful step towards that goal.

For these reasons, we urge your support.

Sincerely,

As a San Franciscan, I am urging you to support Mayor Breed's proposed investments in shelter as well as the proposed legislative changes to Proposition C (File No. 230657). Without these changes, we will lose desperately needed shelter beds, permanent housing placements, and prevention support – leaving more people struggling on our streets.

Prop C specifically allowed adjustments to spending categories.

And just last month, you voted on a resolution calling on the Mayor to fund 2,000 new shelter and temporary housing placements.

We now need you to follow through. We need our leaders to ensure funds are spent efficiently and more shelter is created. Please vote to support the Mayor's budget investments and the proposed legislative changes to Prop C.

Dear Supervisors,

I am a business owner/operator at Cassava restaurant in San Francisco. I am writing in support of Mayor Breed's proposal to reallocate funds to more efficiently address homelessness.

Small business owners are more frequently managing challenges outside of their business storefronts. Many of these issues are centered around unhoused individuals. Mayor Breed's proposal will help to create more shelter so fewer people remain on the streets. The proposal will temporarily reallocate funding provided through Proposition C that would have gone toward permanent housing for homeless youth and families to increase the number of shelter beds by 600. Given that the City obtained approximately \$94 million through state and federal funds for permanent housing programs, Mayor Breed is proposing to shift the Prop C funds temporarily instead to create more shelter beds.

I thank you for your consideration. We really need this to work for our business to survive.

I support the Mayor's budget investments including the proposed legislative changes to Prop C to fund more shelter beds.

Message: Dear Supervisors,

As a San Franciscan, I am urging you to support Mayor Breed's proposed investments in shelter as well as the proposed legislative changes to Proposition C (File No. 230657). Without these changes, we will lose desperately needed shelter beds, permanent housing placements, and prevention support – leaving more people struggling on our streets.

Prop C specifically allowed adjustments to spending categories.

And just last month, you voted on a resolution calling on the Mayor to fund 2,000 new shelter and temporary housing placements.

We now need you to follow through. We need our leaders to ensure funds are spent efficiently and more shelter is created. Please vote to support the Mayor's budget investments and the proposed legislative changes to Prop C.

Our City needs the flexibility to respond to our homeless crisis, not to be hamstrung by rigid

restrictions. There is no time to waste.

Thank you.

Dear Supervisors,

I am a business owner/operator at Dogpatch Saloon and 83 Proof in San Francisco. I am writing in support of Mayor Breed's proposal to reallocate funds to more efficiently address homelessness.

Small business owners are more frequently managing challenges outside of their business storefronts. Many of these issues are centered around unhoused individuals. Mayor Breed's proposal will help to create more shelter so fewer people remain on the streets. The proposal will temporarily reallocate funding provided through Proposition C that would have gone toward permanent housing for homeless youth and families to increase the number of shelter beds by 600. Given that the City obtained approximately \$94 million through state and federal funds for permanent housing programs, Mayor Breed is proposing to shift the Prop C funds temporarily instead to create more shelter beds.

I thank you for your consideration,

Dear Supervisors,

I am a business operator at Coqueta restaurant in San Francisco. I am writing in support of Mayor Breed's proposal to reallocate funds to more efficiently address homelessness.

Small business owners are more frequently managing challenges outside of their business storefronts. Many of these issues are centered around unhoused individuals, mental health and those who provide them with illicit substances in the downtown area. Since there has been a lot of closing / exodus of businesses, onsite workers and general NORMAL life in the Downtown / Financial District area. The unhoused, self-medicators and their suppliers have been frequenting the Central waterfront on the Embarcadero causing problems to the tax paying businesses on these trying times.

My wife and I avoid going into Downtown (4th and Market), SOMA and Civic Center area at all costs. She is a recent immigrant to this Beautiful City. Coming from the Philippines (a 3rd world country) she fears more for her life here in San Francisco than back in Manila; walking around / running errands in Downtown. She and I are very disappointed with what this City has become. She was excited to live and work in San Francisco for a better and safer life with how progressive, technologically advance and secure she thought the City was.

To elaborate more on our accounts with the unhoused population: We have had two separate incidents where our managerial staff have been battered and been physically assaulted by the unhoused asking for money to our outdoor patio guests. On both accounts the police have been called and a police report has been filed. These assaults happened within one week from each other THIS JUNE. We are fearing for our safety and the safety of our guests as seemingly we have no support or rights to defend our business, our patrons and staff. These recent attacks on my colleagues have put a strain on our Mental Health as managers protecting our guests, staff and business. We are honestly looking for alternative lines of either work or location at a safer environment if thing do not change.

We are located on the Embarcadero and there has been an uptick on tents on the Embarcadero, Davis and surrounding streets.

I thank you for your consideration,

I lost my bar downtown Partly because of Covid 19, maybe moreso, for the current conditions on downtown streets. Small business owners need more funds to be allocated to address these issues.

Dear Supervisors,

I hope this email finds you well. My name is Koji Kanematsu, and I am the owner/operator of Onigilly, a restaurant located in San Francisco. I am writing to express my support for Mayor Breed's proposal to reallocate funds for a more efficient approach to addressing homelessness in our city.

As small business owners, we often find ourselves dealing with challenges beyond our storefronts. Many of these challenges revolve around the issue of unhoused individuals. Mayor Breed's proposal aims to address this issue by creating additional shelter options, thereby reducing the number of people living on the streets. The proposal involves temporarily reallocating funds from Proposition C, which was initially designated for permanent housing for homeless youth and families, to increase the number of available shelter beds by 600. It is important to note that the City has already obtained approximately \$94 million through state and federal funds for permanent housing programs. Mayor Breed's proposal seeks to temporarily shift the funds from Proposition C to prioritize the creation of additional shelter beds.

I sincerely appreciate your consideration of this matter. Supporting Mayor Breed's proposal will not only help alleviate the challenges faced by our small business community but also contribute to the well-being of our city as a whole.

Thank you for your time and attention.

I support the Mayor's budget investments including the proposed legislative changes to Prop C to fund more shelter beds.

Message: Dear Supervisors,

As a San Franciscan, I am urging you to support Mayor Breed's proposed investments in shelter as well as the proposed legislative changes to Proposition C (File No. 230657). Without these changes, we will lose desperately needed shelter beds, permanent housing placements, and prevention support – leaving more people struggling on our streets.

Prop C specifically allowed adjustments to spending categories.

And just last month, you voted on a resolution calling on the Mayor to fund 2,000 new shelter and temporary housing placements.

We now need you to follow through. We need our leaders to ensure funds are spent efficiently and more shelter is created. Please vote to support the Mayor's budget investments and the proposed legislative changes to Prop C.

Our City needs the flexibility to respond to our homeless crisis, not to be hamstrung by rigid

restrictions. There is no time to waste.

Thank you.
