[Planning Code - Landmark Designation - American Indian Historical Society / Chautauqua House]

**Ordinance amending the Planning Code to designate the American Indian Historical Society / Chautauqua House, located at 1451 Masonic Avenue, Assessor's Parcel Block No. 1270, Lot No. 002, on the west side of Masonic Avenue between Frederick and Java Streets, as a landmark consistent with the standards set forth in Article 10 of the Planning Code; affirming the Planning Department's determination under the California Environmental Quality Act; and making public necessity, convenience, and welfare findings under Planning Code, Section 302, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.**

Existing Law

Under Article 10, Section 1004 of the Planning Code, the Board of Supervisors may, by ordinance, designate an individual structure that has special character or special historical, architectural or aesthetic interest or value as a City landmark. Unless prohibited by state law, once a structure has been named a landmark, any construction, alteration, removal or demolition for which a City permit is required necessitates a Certificate of Appropriateness from the Historic Preservation Commission. (Planning Code § 1006; Charter of the City and County of San Francisco, § 4.135.) Thus, landmark designation generally affords a high degree of protection to historic and architectural structures of merit in the City. There are currently more than 300 individual landmarks in the City under Article 10, in addition to structures and districts in the downtown area that are protected under Article 11. (See App. A to Article 10.)

Amendments to Current Law

This ordinance amends the Planning Code to add a new historic landmark to the list of individual landmarks under Article 10: **the American Indian Historical Society / Chautauqua House, located at 1451 Masonic Avenue, Assessor's Parcel Block No. 1270, Lot No. 002.** The ordinance finds that the **American Indian Historical Society / Chautauqua House** is eligible for local designation for its association with the 1960s Red Power movement, a movement for Native civil rights and sovereignty in the 1960s-1970s, as well as the Costo family, who played prominent roles in American Indian Civil Rights advocacy. The American Indian Historical Society (AIHS), a San Francisco-based organization founded in 1964 that focused on American Indian education, communication, and cultural development, relocated to the subject property in 1967, naming the headquarters Chautauqua House. As required by Section 1004, the ordinance lists the particular features that shall be preserved, or replaced in-kind, as determined necessary.
