LEGISLATIVE DIGEST

[Setting San Francisco's Property Tax Rate and Establishing Pass-Through Rate for Residential Tenants - FY2018-2019]

Ordinance levying property taxes at a combined rate of \$1.1630 on each \$100 valuation of taxable property for the City and County of San Francisco, San Francisco Unified School District, San Francisco Community College District, Bay Area Rapid Transit District, and Bay Area Air Quality Management District; and establishing a pass-through rate of \$0.0675 per \$100 of assessed value for residential tenants pursuant to Administrative Code, Chapter 37, for the fiscal year ending June 30, 2019.

Existing Law

San Francisco's combined property tax rate and pass-through rate for residential tenants is adopted annually. Article XIII A of the California Constitution and Sections 93 and 100 of the California Revenue and Taxation Code fix the base property tax rate at \$1.0000 on each \$100 valuation of taxable property. The portion of the property tax rate above the fixed amount varies each year based on the anticipated debt service requirements related to voterapproved general obligation bonds.

The Board of Supervisors adopted and the Mayor approved Ordinance Number 195-17 for Fiscal Year 2017-2018. That Ordinance established the 2017-2018 fiscal year's combined secured property tax rate of \$1.1723 on each \$100 valuation of taxable property within the City and County of San Francisco. Ordinance Number 195-17 also established the property tax pass-through rate of residential tenants of \$0.0890 per \$100 of assessed value based upon the criteria defined in Chapter 37.3(a)(6)(A) and (B) and (C) of the San Francisco Administrative Code.

Amendments to Current Law

This legislation would update the combined property tax rate to \$1.1630 on each \$100 valuation of taxable property within the City and County of San Francisco to reflect the change in anticipated debt service requirements, including a 0.25% administrative allowance to reimburse costs of collection, for Fiscal Year 2018-2019. The legislation also updates the property tax pass-through rate of residential tenants to \$0.0675 per \$100 of assessed value.

Background Information

California Government Code Section 29100 requires the Board of Supervisors to adopt the composite property tax rate for the City and County of San Francisco, San Francisco Unified School District, San Francisco Community College District, Bay Area Rapid Transit District, and Bay Area Air Quality Management District for the fiscal year on or before October 3 of each year. Section 3.3 of the City and County of San Francisco's Administrative Code requires the property tax rate be adopted by the last working day of September. This legislation fulfills both of those requirements.

EXECUTIVE SUMMARY

Legislative Objective

The proposed ordinance sets the property tax rate for FY 2018-19 for taxing entities within the City and County of San Francisco including (a) the City and County of San Francisco (City); (b) the San Francisco Unified School District (SFUSD); (c) the San Francisco Community College District (SFCCD); (d) the Bay Area Rapid Transit District (BART); and (e) the Bay Area Air Quality Management District (BAAQMD).

Key Points

- The Board of Supervisors annually sets the combined property tax rate that provides revenues for: (1) general operations, (2) specific Charter-required activities such as acquiring open space or constructing, maintaining, and operating the public library; and (3) paying debt service on voter-approved General Obligation bonds that were issued by the City, SFUSD, SFCCD, and BART.
- The proposed ordinance also would set the property tax pass-through rate that landlords can pass-through to tenants in FY 2018-19, as allowed under the City Administrative Code.

Fiscal Impact

- The proposed ordinance would set the combined property tax rate (comprised of the property tax rates levied for all of the taxing jurisdictions within the city) for FY 2018-19 at \$1.1630 per \$100 of assessed value. The FY 2017-18 property tax rate of \$1.1630 is \$0.0093, or 0.79 percent, less than the FY 2017-18 property tax rate of \$1.1723 per \$100 of assessed value.
- The proposed FY 2018-19 property tax rate of \$1.1630 would increase property taxes by \$73.24 on a single-family residence that has an assessed value of \$530,400 in FY 2018-19.

Recommendation

Approve the proposed ordinance.

MANDATE STATEMENT

California Revenue and Taxation Code Section 2151 requires the Board of Supervisors to fix the rates of county taxes and to collect the taxes for the City, County, and State.

San Francisco Administrative Code Section 3.3(h) requires the Board of Supervisors to adopt the property tax rate for the City and County of San Francisco before the last working day in September.

City Charter Section 16.107-109 requires that portions of the City's annual property tax levy be set aside for specific uses including: \$0.0250 for the Library Preservation Fund; \$0.0400 for the Children's Fund; and \$0.0250 for the Open Space Acquisition Fund.

San Francisco Administrative Code Section 37.3(a)(6)(A-D), the Residential Rent Stabilization and Arbitration Ordinance, allows landlords to pass through to tenants one-half of property tax increases that result from certain voter-approved General Obligation bonds.

BACKGROUND

The Board of Supervisors annually sets the combined property tax rate that provides revenues for: (1) general operations, (2) specific Charter-required activities such as acquiring open space or constructing, maintaining, and operating the public library; and (3) paying debt service on voter-approved General Obligation bonds that were issued by the City and County of San Francisco (City), the San Francisco Unified School District (SFUSD), the San Francisco Community College District (SFCCD), and the Bay Area Rapid Transit District (BART).

Under the California Revenue and Taxation Code, the base property tax rate that the City can levy on property owners is one percent and can be used for general purposes. Any amount over the base one percent is used to pay for debt service on voter-approved General Obligation bonds.

DETAILS OF THE PROPOSED LEGISLATION

The proposed ordinance sets the property tax rate for FY 2018-19 for taxing entities¹ within the City and County of San Francisco including (a) the City; (b) the San Francisco Unified School District; (c) San Francisco Community College District; (d) BART; and (e) the Bay Area Air Quality Management District (BAAQMD).

The proposed ordinance also would set the property tax pass-through rate that landlords can pass-through to tenants in FY 2018-19, as allowed under the City Administrative Code. The pass through to tenants may only be imposed on a tenant's anniversary date and shall not become part of a tenant's base rent. The allowable tenant pass-through rate is based on the portion of

FISCAL IMPACT

Combined Property Tax Rate

The proposed ordinance would set the combined property tax rate (comprised of the property tax rates levied for all of the taxing jurisdictions within the city) for FY 2018-19 at \$1.1630 per \$100 of assessed value. The FY 2018-19 property tax rate of \$1.1630 is \$0.0093, or 0.8 percent, less than the FY 2017-18 property tax rate of \$1.1723 per \$100 of assessed value. Table 2 below shows the proposed property tax rates for all taxing jurisdictions within the City, as calculated by the Controller.

^{*} Totals may not add due to rounding.

The proposed combined property tax rate shown in Table 2 above includes a 0.25 percent administrative allowance charged on the City's voter-approved General Obligation bonds to reimburse the City for the costs of collecting property taxes. This 0.25 percent administrative allowance is charged to the total property tax collection attributable to the General Obligation bonds, rather than to the assessed value.

Allowable Tenant Pass-Through Property Tax Rate

The proposed ordinance also would set the allowable property tax rate that landlords can pass through to tenants at \$0.0675 per \$100 of assessed value in FY 2018-19. The allowable tenant pass-through rate is \$0.0215 less than the rate of \$0.0890 in FY 2017-18.

Impacts of the Combined Property Tax Rate and Allowable Pass-Through

Under Proposition 13, the City may annually increase the assessed value of a property by a State-determined inflation factor of up to 2.00 percent. For FY 2018-19, the State Board of

Equalization determined that the allowable inflation factor is 2.00 percent. Therefore, a single-family residence in San Francisco with an assessed value of \$520,000 in FY 2017-18 has an assessed value of \$530,400 in FY 2018-19.

Table 3 below shows the impact of the proposed property taxes payable by owners and tenants. As shown in Table 3 below, the proposed FY 2018-19 property tax rate of \$1.1630 would increase property taxes by \$73.24 on a single-family residence that has an assessed value of \$530,400 in FY 2018-19.

Dear Ladies and Gentlemen:

I am submitting herewith an annual ordinance which formally adopts those portions of the property tax rate for fiscal year 2018-2019 which the City and County of San Francisco administers. The San Francisco Bay Area Rapid Transit District (BART) also adopts a debt service tax rate factor for their combined three county service area. The rate shown below includes the **estimated** rate for BART, which is slated for adoption at BART's August Board meeting. The composite property tax rate for fiscal year 2018-2019 is projected to be \$1.1630 for each \$100 of assessed value, a decrease of \$0.0093 or 0.79 percent from the \$1.1723 rate established for fiscal year 2017-2018. Based on a \$1.1630 rate, the ad valorem tax bill for a single home previously assessed at the City's median taxable value for homes of \$520,000 in fiscal year 2017-2018 will go from \$6,013.90 last fiscal year to \$6,087.14 in fiscal year 2018-2019 (considering inflation adjusted assessed value of \$530,400).
