Message: Dear Supervisor,

Item #20 of the June 6, 2023 San Francisco Board of Supervisors agenda, has 2 of the 7 appointees to the Cannabis Oversight Committee requiring residency waivers since they do not live in San Francisco.

San Francisco has a population of 808,437 according to census estimates from 2022 and over 500,000 registered voters.

Why are we bringing residents of other cities (who don't have to live with the consequences of their decisions) to sit on San Francisco commissions and oversee committees that directly affect the lives of San Franciscans?

I urge you to require that all people serving on San Francisco commissions and committees actually reside in San Francisco.

Thank you,

People Serving on San Francisco Commissions & Committees Should Reside in SF

Message: Dear Supervisor,

Item #20 of the June 6, 2023 San Francisco Board of Supervisors agenda, has 2 of the 7 appointees to the Cannabis Oversight Committee requiring residency waivers since they do not live in San Francisco.

San Francisco has a population of 808,437 according to census estimates from 2022 and over 500,000 registered voters.

Why are we bringing residents of other cities (who don't have to live with the consequences of their decisions) to sit on San Francisco commissions and oversee committees that directly affect the lives of San Franciscans?

I urge you to require that all people serving on San Francisco commissions and committees actually reside in San Francisco.

Thank you,
