Public Awareness Campaign

Be classy, not trashy.

Be the solution, not the pollution.

Don't be rash with your trash.

For the sake of our planet, can it!

Keep calm and don't litter.

Leave you heart in San Francisco. Not your trash!

Put your waste in the right place.

San Francisco is a clean city, yo.

Spread love not trash.

To dump or not to dump. That is the question.

Be good. Don't trash your hood!

Keeping San Francisco clean is a real pick me up!
