**RE: Resolution authorizing the San Francisco Department of Public Health (SFDPH) to apply for the Comprehensive HIV Prevention Programs for Health Departments grant from the Centers for Disease Control and Prevention (CDC).**

Dear Ms. Calvillo:

Attached please find an original and two copies of a proposed resolution for the approval of the Board of Supervisors, which authorizes the San Francisco Department of Public Health (SFDPH) to submit an application to the Centers for Disease Control and Prevention (CDC) required to receive continued funding for the Comprehensive HIV Prevention Programs grant. This application represents approximately \$5,704,982 in HIV prevention funding for San Francisco for calendar year 2017.

This resolution is required by Ordinance No. 265-05, which amends Section 10-170 of the Administrative Code to require Board of Supervisors review of recurring grant applications of \$5,000,000 or more prior to their submission. SFDPH received from CDC the application guidance on July 19, 2016. The application deadline is September 1, 2016

I hope that the Board will support this resolution. If you have any questions regarding the City and County Plan or this resolution, please contact Tracey Packer, Director of Community Health Equity & Promotion.

Sincerely,

Barbara Garcia  
Director of Health
