RE: File No. 100810: Amendment to Memorandum of Understanding (MOU) with the San Francisco Fire Fighters Union Local 798, IAFF, AFL-CIO, Unit 2

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of the Amendment (amendment) to the MOU between the City and County of San Francisco and the San Francisco Fire Fighters Union, Local 798, Unit 2 (Fire Fighters Unit 2). The amendment applies to the period commencing July 1, 2010 through June 30, 2013, affecting 55 authorized positions with a salary base of approximately \$8 million and an overall pay and benefits base of approximately \$11 million. As members of the Public Employees Committee of the San Francisco Labor Council (PEC), Fire Fighters Unit 2 agreed to the provisions outlined in the PEC agreement, with the exception of furlough days.

The amendment extends the existing MOU through FY2012-13. Based on our analysis, the amendment will result in a \$413,000 savings in FY2010-11. Covered employees will defer a July 1, 2010 4% wage increase to July 1, 2011. The union will continue to receive a previously-deferred wage increase of 2% on January 8, 2011. However, any parity salary increases (between 3% and 5% of wages) scheduled for July 1, 2011 will be deferred until July 1, 2012. The above wage increase deferrals will be voided if the Administrative Code regarding closure of neighborhood firehouses or fire apparatus is violated in any way or if state or local ballot initiative reducing wages or fringe benefits is implemented during the wage deferral periods.

The agreement provides that employees who retire during the term of the amended MOU whose compensation is impacted by wage deferrals or salary parity deferrals will receive a payment equaling the pensionable value of the wage reductions that impact the retirement benefit. This will result in a cost to the City that will be determined by San Francisco Employees' Retirement System and is dependent on each retiree's circumstances.

Should the PEC and City be unable to find \$3 million in health care savings next year, the PEC health benefits provision applies and could result in \$22,000 in savings in FY2011-12 under this bargaining unit. The cost of continuing existing health and dental benefits provided in the agreement will increase by approximately \$24,000 in FY2010-11. If you have additional questions or concerns please contact me at 554-7500 or Peg Stevenson of my staff at 554-7522.

Sincerely,
