24 Be it ordained by the People of the City and County of San Francisco:

25 Section 1. Declaration of Emergency Pursuant to Charter Section 2.107.

1 (a) Section 2.107 of the Charter authorizes passage of an emergency ordinance in
2 cases of public emergency affecting life, health, or property, or for the uninterrupted operation
3 of any City or County department or office required to comply with time limitations established
4 by law. An emergency ordinance enacted under Charter Section 2.107 automatically
5 terminates on the 61st day after passage, but may be reenacted upon the same terms and
6 conditions applicable to its initial enactment.

7 (b) Pursuant to Charter Section 2.107, the City enacted Ordinance No. 84-20, an
8 emergency ordinance, which temporarily establishes protections for occupants of residential
9 hotels (“SRO Residents”) during the COVID-19 pandemic. The emergency ordinance became
10 effective when enacted, on May 29, 2020, and will terminate automatically on July 28, 2020,
11 unless reenacted.

12 (c) The Board of Supervisors hereby finds that the findings declared in Section 1 of
13 Ordinance No. 84-20 remain valid and compelling, and declares further that an actual
14 emergency continues to exist that requires the reenactment of Ordinance No. 84-20 to reduce
15 the spread of COVID-19. COVID-19 continues to present an extremely dangerous public
16 health risk to the residents of residential hotels and to individuals who work in residential
17 hotels.

18
19 Section 2. Reenactment of Emergency Ordinance. Consistent with Charter Section
20 2.107, this emergency ordinance reenacts for an additional 60 days the emergency ordinance
21 providing temporary protections to occupants of residential hotels (Ordinance No. 84-20); and
22 amends Section 3 of such emergency ordinance to read as follows. Even though both
23 Ordinance No. 84-20 and this reenacted emergency ordinance are uncodified, for purposes of
