## **LEGISLATIVE DIGEST**

[Business and Tax Regulations, Health Codes - Emergency Medical Services Fees]

**Ordinance amending the Business and Tax Regulations Code to update emergency medical services fees to reflect amounts authorized under annual adjustment provisions and require fees for stroke centers; and amending the Health Code to include a definition of stroke center.**

### Existing Law

The City charges a number of fees to operators of private ambulances, emergency medical technicians and paramedics, and emergency medical facilities. The fees are paid to the Department of Emergency Management, which, as the City's Emergency Medical Services Agency, is responsible for regulating these emergency medical services.

The fees set in this section of the Business and Tax Regulations Code are adjusted each year by the Controller, without further action by the Board of Supervisors, to reflect changes in the costs of providing the services for which the fees are charged.

### Amendments to Current Law

This ordinance would amend the fees in this section of the Business and Tax Regulations Code to reflect intervening administrative adjustments and to show the actual amounts currently authorized and charged. The ordinance also includes a new fee for medical facilities that have been designated to receive ambulances and treat stroke patients. Further, the ordinance amends a section of the Health Code to add a definition of "stroke center."

and all persons having any interest in or objections to the Plan Amendment may appear before the Successor Agency and show cause why the Plan Amendment should not be approved. The Plan Amendment affects the property identified as "Block 4" in the Redevelopment Plan Assessor's Block 4: 3739 Lot 010 generally located at 200 Main Street, bounded by Howard, Main and Beale Streets and extending approximately 165 feet southeast from Howard Street. The Plan Amendment would increase the maximum height limit for development on Block 4 from 450 feet to 513 feet and increase the maximum building floor plate sizes applicable to Block 4: (a) from 7,500 square feet to 13,500 square feet for buildings 85 feet to 250 feet in height, and (b) from 13,000 square feet to 15,200 square feet for buildings over 250 feet in height but limited to that portion of the building that is between 85 feet and 122 feet in height. Following the close of the public hearing, the Successor Agency Commission will consider approval of the Plan Amendment. If the Commission approves the Plan Amendment, the Planning Commission will consider a General Plan Amendment and determination that the Plan Amendment is in conformity with the General Plan, and subsequently the Board of Supervisors of the City and County of San Francisco (the "Board") will consider, together with the Successor Agency's Report to the Board of Supervisors on the Plan Amendment, adoption of the Plan Amendment. Prior to any approval of the Plan Amendment, the Board will hold a public hearing, notice of which will be published prior to the date of the public hearing. The proposed Plan Amendment would change the existing Transbay Redevelopment Project Area boundaries, which are described in Exhibits 1 and 2 to the Transbay Redevelopment Plan. The proposed Plan Amendment is within the scope of the Transbay Terminal/Caltrain Downtown Extension/Redevelopment Project Final Environmental Impact Statement/Environmental Impact Report ("FEIS/EIR"), a program EIR, and is adequately described in the FEIS/EIR for purposes of the California Environmental Quality Act.
